

SAVIOR, Version 12 Beta – Walkthrough

By Vashaldias

Game: *Savior*, by Purple Fellas

Game version: Savior-0.12 Beta

Walkthrough version: 2

I don't know how often (or whether) I'll be able to update this – it's probably best not to expect instant updates when new game versions are released.

Text in colour generally means:

- **INCREASED AFFECTION** or **DECREASED AFFECTION** (or things with similar effects).
- **MORE GOOD** or **MORE EVIL**.
- **RELATIONSHIP STATUS CHANGES** which have ongoing consequences, such as starting/ending romance paths (and also for a few variables which I'm only guessing at the meaning of).
- **SEXUAL CONTENT (WITH BRIEF DESCRIPTION)**.

Not everything is explicitly listed – **if a choice isn't mentioned, it means I don't think it has any long-term effects**. However, since the game is still in development, I don't always know what will matter, or how. It's possible that I've misinterpreted what something is measuring, and it's possible that something I say doesn't matter will end up mattering.

There are probably some errors here. In particular, some of the logic ("if... then...") gets quite complicated later in the game, and I may have misunderstood some of it.

Walkthrough

Version 1

- **Amber – drinks and sex**
 - Don't order absinthe three times. Order the club soda as soon as it becomes an option (your character will say "I think she's had enough to drink for tonight"). Then, automatic **AMBER SCENE (BLOWJOB; CUNNILINGUS; VAGINAL)**.

Version 2

- **Dinner conversation**
 - No long-term effects. (You have to select each person before you can proceed, but you don't actually have to ask them anything if you don't want to.)
- **Samantha – mind-control**
 - **+1 GOOD** if you stop immediately.
 - **+1 EVIL** and **SAMANTHA SCENE (LICKING; TITJOB)** if you continue. Then, another **+1 EVIL** and **SAMANTHA SCENE (ANAL)** if you go even further.
- **Daisy and Robin – watching them**
 - **DAISY/ROBIN SCENE (LESBIAN; VOYEUR)** if you stay.
- **Daisy – night-time visit**
 - **DAISY SCENE (HANDJOB)** if you pretend to be asleep.

- **Daisy – about your dream**
 - **+1 DAISY RELATIONSHIP** if you say that you had a sex dream.
- **Daisy – about seeing her with Robin**
 - **+1 DAISY RELATIONSHIP** whatever you choose, but another **+1 DAISY RELATIONSHIP** if you say that it was a good show. (Your response to her description of you here doesn’t matter.)

 - *Content Choice – if you “continue to freak out”, this scene is skipped. If not:*
 - **+1 GOOD** if you “focus and end this madness” immediately.

- **Amber – worried about you**
 - **-1 AMBER RELATIONSHIP** if you get angry with her.
