

## Introduction

It doesn't matter what choices were made in previous locations, which event you get depends solely on whether you visit a location first, second, third, or fourth. The dream must be played multiple times to see everything.

Non-events are in grey, sex scenes in pink. Codes are in green, note that codes are randomly generated for each save and cannot be shared.

## Medbay

1. Mystery box (See living quarters 1 for code) 6745
2. Rae is acting suspicious
3. Floating crate with passphrase gate street scarecrow
