

Five of a Kind v0.3.2 Walkthrough (Official)

General “Pro Tips”

- You may pursue as many or as few of the girls as you like. You will not be punished if you want all of them and you will not be rewarded for being true to only one of them.
- Double-click on a non-hotspot to have MC “run” over to that point. This makes navigating the game much faster than waiting for him to walk over to an area.
- You can double-click any hotspot that gives an “Exit” icon to have MC instantly teleport, skipping the walking process.
- Most Hotspots will give you three basic actions: Magnifying Glass (Examine), Hand (Interact), and Word Bubble (Talk To).
- The Examine action gives you a basic, neutral description of what you clicked on. Think of it as “what the heck is this thing?!”
- The Interact action attempts to pick up the object, if it’s an inventory item, or some variation of push, pull, open, close, turn on, turn off.
- The Talk To action will usually result in MC giving his editorial thoughts about the object, often a hint or smartass joke. If it’s a person, MC will attempt to talk to him or her.
- Be aware that the day is divided into six segments from Morning to Midnight and that characters and events can occur at certain times.
- If you’re stuck on a specific character, check the Contacts page on the Quest Journal (the red binder icon at the top of the screen).

- You can give Meredith a foot massage if you have the Lotion. This doesn't (yet) lead to a Spank Bank scene and is only described as of this update.
- After Meredith brings home the dirty magazines, she puts them up in the attic. You can go up to the attic and thumb through the stack of Bewbs magazines. This is basically a place for the game dev to put miscellaneous pin-up style art that doesn't fit anywhere else in the game.
- Remember that upon finishing Meredith's story, there is a "Bonus" sex scene added as a reward for finishing.

Brooke

Schedule

Aside from the first time you meet her, Brooke can be found in her bedroom from the Afternoon until Midnight. The most useful times to find her are Afternoon and Evening, when she is in her bedroom with her friend Jasmine. At Night, she will be either a) on the phone, b) taking a shower, or c) changing. None of those states are useful for much outside of fan service.

Walkthrough

Part I: Better Comebacks

- Exit your bedroom into the Upstairs Hallway to meet your sister, Brooke. You will get a cut scene that appropriately, and succinctly establishes her character and introduces conflict. If her attitude left a bad taste in your mouth, you could follow her into the bathroom and watch her take a shower or flush the toilet to blast her with cold water while she's showering.
- Rest until the Afternoon, using the bright, red alarm clock icon in the upper right part of the screen. Enter Brooke's bedroom (down the hall to the left from your room) and open the door.
- Talk to Brooke and you will be greeted with an insult for which you will be unprepared. Choose any of the options to take the 'L.' This opens the "Better Comebacks" quest. Click the Exit button to return to the bedroom.

- Take a moment to meet Jasmine, the cute girl enjoying a ride on the large speaker. Run down her dialogue tree to gain a basic level of acquaintance with her (you'll need it later).
- Introduce Yourself
- Compliment Her
- Ask About Her
- Ask About Comebacks [1 / 6 Comebacks Learned]
- That's it. That's all you need from Jasmine for Brooke's route. Click Exit.
- Pick up the pair of Brooke's panties on the floor to add them to your inventory while you're here.
- Leave Brooke's bedroom and head downstairs to the Living Room. Use the Hand icon on the couch to sit down. In the closeup, click the hand on the Couch to find the TV Remote in the couch cushions to add it to your inventory.
- Use the TV Remote on the TV to turn on the television. Repeat this action, flipping through channels until you learn the "Back of a Camaro" comeback [2 / 6].
- Use the Exit button to return to the Living Room.
- Use the Hand icon on the bookcase, repeatedly, until you learn the "Borrow Her Brains?" comeback [3 / 6].
- Exit to the front yard by using the front door to the far left of the screen. Once outside, you can open the game map (treasure map icon in the upper left corner). Travel to the Video Arcade.
- Scott should be standing outside the arcade underneath the One Way sign. Talk to him and click the "Ask for advice on comebacks" dialogue tree option. You will learn a useless "Your Mom" comeback from him. Click on the newly unlocked "I'm serious, how can I stand up to Brooke?" dialogue option to learn the "Glory Hole" comeback.
- Leave Scott's dialogue screen and enter the Arcade.
- Use the Ace of Swords video game to obtain a Quarter.
- In the center of the screen is a Fortune Teller machine with the words "Dzherkov" (pronounced Jerkoff). Use the Quarter on the Dzherkov machine.
- Use the Talk To icon to bring up the dialogue tree with the Fortune Teller. Select the "Do you have any good comebacks?" and then "Describe Brooke." You will learn the "Desirable after 30" comeback.
- Use the Map to head back home. Go inside and head upstairs and into the Upstairs Bathroom. Use the Hand icon on the shower and select "Take a LONG shower..." MC will put together a shower thought "Report Card" comeback [6 / 6].
- By this point, it should be Evening, and Brooke should still be available to chat in her room. If it's Night or Midnight, or she's not available for some reason, sleep until morning and then rest until Afternoon.
- Talk to Brooke and when you get a dialogue tree to respond to one of her insults, select the top option, which will be one of the comebacks you learned. Repeat this process another four times until she gives up.
- Head to your room and sleep until morning. You will have an omniscient view into Brooke having a weird Wrestling Dream about MC.

Part II: Brooke's Failing Grades

- Head downstairs to the Living Room. The front door will be ringing.
- Open the front door and meet Andrea Parker. It doesn't really matter which options you select during this scene, but if you flirt with her after Brooke leaves, you will get a demerit.
- Rest until Afternoon and head up to Brooke's room and Talk To her. Select "Ask About Andrea Parker..." from the dialogue tree. Select the newly opened "Ask About Grades..." option. It doesn't matter whether you ask to see Brooke's and Jasmine's boobs or not. If you outright succumb, you will get a demerit.
- Head to your Bedroom and Summon Nicole using the blue jeans icon from the top menu.
- Select "How can I hack into the school's computer?" from the dialogue tree to learn about War Dialers.
- Head to the Video Arcade and Talk To Scott. Select "Do you know anything about War Dialers?" from the menu.

- Click the Use icon on the top blue part of the interface to start dialing phone numbers.
- Exit the computer closeup and Sleep Until Morning three times to give the War Dialer enough time to complete.
- Click Use on the computer to return to the computer interface. The War Dialer should have finished its scan. Click on the completed phone number list (there should be five numbers listed) to transfer the phone numbers to CommPost (your outbound modem-dialing software).
- Click on COMMPOST to open your dialing software.
- Click the Use icon on the lower part of the Ptree interface that lists the files to start CommPost.
- Click on Unknown Modem #4 (which is Brooke's school). Click through the scene. When you get the choice to do more to Brooke's grades, "Well, since we're in here..." is the best option.
- Rest until Afternoon or Evening and go to Brooke's room. Talk to her and tell her about how you fixed her grades.
- Return to your room and sleep three times until morning.
- Head downstairs to the Living Room. (You should get a message about commotion in the kitchen)
- Head to the Kitchen and view the cut scene where Brooke gets her Report Card. [Brooke Bonus Scene Unlocked]

Bonus Activities

- After Brooke has gotten her report card, if you visit her in her bedroom and click the Hand icon on the towel, she will pretend to let the towel slip, revealing her breasts.
- At night, Brooke will be doing one of three "fan service" activities. She will either be changing in her room, on the phone, or taking a shower.

Charlotte

Aunt Charlotte is a side character in Meredith's story. She has no story yet and certainly no sex scenes. All you can really do is go visit her in the Guest Room and talk to her. At night, you can peek through the keyhole to see her topless.

- Use the Talk To icon on her to open her dialogue tree. Select the "Ask About Home..." option and continue selecting each new item that opens up, ending with "Convince Her".
- Click Never Mind and give her the Mirror. She will get upset with you and you must give her time to process things.
- Head back up to your Bedroom and Sleep until morning. Do this two more times to allow three days to have elapsed. You'll know if you can visit her again if your quest journal says, "Maybe now is a good time to check in on Lucy."
- Head down to the Basement and visit Lucy. She will give you a short speech thanking you and then disappear.

Miscellaneous Activities

Dirty Talk

Dirty Talk is a Skill that can be unlocked, essentially giving MC the confidence to say dirty things to his partners during sex and then getting equally dirty responses back (which is where the value comes from). Currently, it's only enabled in a few scenes.

To unlock Level 1:

- Get the TV Remote from the Couch
- Use the TV Remote on the Television to flip through the different channels until you find the Late Nite Phone Sex Operator commercial (Wet Wendy)
- Go upstairs to your Bedroom and use the telephone to call Wet Wendy (It must be later than Middy for her to answer).
- Sleep Until Morning
- Call her again (after Middy)
- Repeat this process until you get the Dirty Talk I Unlocked banner.

To Unlock Level 2:

- Make sure you have Level 1 Unlocked, first.
- Complete Brooke's story, at least up until you transfer the five phone numbers found via the War Dialer.
- Repeatedly click on Unknown Phone Number #5 (Lady Aloria's Love Den) and keep reading erotic fiction stories until Dirty Talk II Unlocked banner appears.
