

Save the Kingdom: Walkthrough

These choices will change the story:

Scene 01:

- Focus on the princess: nude scene with Goldbraid bathing
- Focus on the queen: sex with her. Accept, then choose to cum in her, or to resist and cum in her mouth

Scene 05:

- Follow first male bandit: the other one will try to rape Goldbraid, but you'll save her
- Follow female bandit: you will catch her, then she will offer sex for freedom. You can kill her, let her go or accept sex.

Scene 06:

- Accept sex with Goldbraid: cum on her face, or resist and change position (cunnilingus + vaginal sex)

Scene 09:

- Peek on Kira's body: she will notice your erection and turn horny.

Scene 12:

- Risk to be caught and spy: voyeur scene with sex among the king and the kitty.
- Go on spying at them.
- Let the king cum in her vagina, or go on and fuck her ass.

Scene 13:

- You can peek at Goldbraid's or at Shera's body.

Scene 14:

- Hide and spy.
- Choice 1: you'll listen to some important intrigues.
- Choice 2: you'll spy at hot sex among king and the cat, then you'll listen to some important intrigues.

Scena 15:

- Cum in her throat or change position and go on fucking.
- Vaginal: Be delicate or she will quit.

Scena 17:

- Normal sex: you will have the chance to have rough sex later
- Rough sex: you'll fuck her rough now, but you'll lose the normal sex scene.

Scena 18:

- Let Goldbraid leave to have hot sex with Shera
- Let Goldbraid stay to join a threesome with them
