Alright then.

- "Bruno"
- "Allen"

- "James Blanc"

If Pubgame is **700+**, you win - otherwise you can try again (no reload required)

Luna!

- "Hug her" Luna+1 [hugluna] (to trigger Lunas reaction) 🌀
- "Give her space" {hugluna}

Back at home

At the dinner, you get a somewhat hostile Dalia if peeked in the bathroom (acquired [dalianaked]) - don't worry she won't be angry for much longer (actually its better than not peeking if she liked your excuse/compliment)

When going to bed, if you have put some effort into cleaning the tub earlier (acquired [cleantub]), you get **Nancy+1**, otherwise she complains a bit.

(Should I like this photo?)

- "Give it a like" [instagram] (will give an **extra point** for Penelope later) 🌀
- "Don't give it a like" {instagram}

Unless you asked for a latch (acquired [latch]), you get a **hot scene with Nancy**. She will enter the room and be **very** intrigued by the sleeping MCs morning wood.

School

Um...

- "Compliment her tattoos"
- "Compliment her swimming skills"
- "Compliment her hair"

- "Can I die in Eternum? Can I feel pain?" {idri2}
- "How can I join a server? How can I leave it?" {idri3} (extra line)

Eternum: Ekabar with Dalia

Wait for the line *You're just a fucking moron* before you click the attack button: **Dalia+1**
Otherwise she has to use her backup plan and isn't very impressed with the MC.

If you bought Luna a pet earlier (acquired [goat], [toucan] or [cat]) AND solved the haunted house (acquired [flinkhouse]) by yourself, Luna is happy: **Luna+1**

Playing Triple 777:

Automatically stops at more than 1900\$ (might need a few quicksaves/reloads to get there)

(Penelope & Bennie Garrington "flirt")

- choice if on [penelopepath]:
 - "Sit between them" [sitbet] , Penelope+1 🌀
 - "Sit on the other sofa" [~~sitbet~~]
- otherwise [~~sitbet~~]

Assuming you didn't tell the password, you get a beautiful bonding scene (with some extra dialogue if you got [divinationflashback] during the divination challenge in version 0.3)

If you punched Brook [punchbrook] in the gym AND have a bet with Dalia [daliabet] from the roman server last chapter, you get a hot scene: **Blowjob and Deepthroat by Dalia** [daliabl Blowjob]

Eternum: The Collectors House

The game is a multi round crime solving puzzle, with players removed each round. I tried to get max content, the only thing missed is Geminis secret in round 3 - someone has to be removed in round 2, but you can accuse Sister Baek instead, getting less money in the process. Whoever is the last one standing has a corresponding tag that might yield some reward the future, so optimal path may change in a later update (***i recommend a named save here***)

Round 5

Turns out, none of the suspects is the murderer.

- If you trusted Annie [crimeannietrust], she will save the day and solve the crime [crimesuccess]
Following choice is only available if were successful [crimesuccess]
What will it be?
 - "Artifact" 🌀
 - "50 eternal" +50\$ [crimesuccess] (bad idea)
- otherwise, you only get +50\$ for surviving without solving the crime

if [crimesuccess] and [anniepath], gain **Annie+1** before leaving

- "You know dads can be real assholes"

Hot kissing "practice" turning into the hottest blowjob ever with Annie

- "Let her find her own rhythm" 🌀 (both options are great, save and see both)
- "Push her limits" [anniefuckface] 🌀 (both options are great, save and see both)

(follow the rest of the conversation as you wish)
- "And what about the Wild West server? And the Gem?"
(follow the rest of the conversation as you wish)

(I mean, she said not to go, but I can't help wondering if she really meant that. Maybe she's just too stubborn to ask for help.)

- "Get some meds and blankets and visit her anyway" [visitalex] 🌀
- "Forget it and go home"

Oh...

- "Lend Chang \$25" -25\$ [changmoneymovies] 🌀

- "Coffee" (you get whiskey)
- "Tea" (you get whiskey)

If you met Eva in chapter 1 [eva1], you get to meet her again

Dalia and the Sheriff

Play Rock-Paper-Scissors (really chance-based, Dalia paying has no negatives)
+/- 0 (Dalia pays you +150\$, then you bribe the sheriff) or -150\$ (if you loose)

Store Store Standoff with Calypso

Um... I see.

- "Stay and protect the Princess" **Calypso+1** 🌀
The mc cannot at Calypso bathing, but the player certainly can^^

- "Leave"

Since she's in a better mood after that bath, maybe she'll be more playful to my "charm". And... the situation calls for it, to be honest.

- "Tease her" 
Nude Calypso gives the MC a mage hand telekinetic handjob
[menucalyline], [calypsohandjob], Calypso+1
- "Let it go"

Other Leads with Alex

B-But if we attack him we might never know where he hid the Gem!

if on [alexpath] gain Alex+1

I can transfer you 500 eternal RIGHT NOW if you let me go!

- "Kill him" [shootabuser] Alex+2 
- "Take the money and let him go" +500\$

Sandstorm with Dalia

We're not even sure if El Coyote will be hiding in this cabin, so we'll cover more terrain if we split up.

- "Go with her" 
if you are on [daliapath]: [daliacabin]
- "Stay in the town"

Skip rest of the scene if you didn't get [daliacabin].

Game of kill, fuck, marry - choices in game 1 are free (no benefit/penalties)

I'd kill...

- "Gertrude" 
I'd fuck...
 - "Charlotte" 
 - "Praetorian"
- "Charlotte"
I'd fuck...
 - "Gertrude"
 - "Praetorian":

Darts Competition with Dalia turning into oral sex competition

Important: To get extended scene, make Dalia cum first (6x)

You can do it...

- "Cum" (nice to watch, but 2nd option is far better)
- "Make her cum first", after 6 times: 🌀

MC grinds on Dalias ass

Oh babe...

- "Slap her ass" [daliaslapwestern] 🌀

Oh baby...

- "Spank her again" 🌀 (1st)
- "Continue the butt job" (🌀 2nd, to end sex scene)

Assjob ends with facial & cleanup

(and skip the rest of the scene)

During talk with Boone, gain Dalia+1

Dueling El Coyote

(great scene, no choices -> automatic win)

Back in Alex Appartement

skip this scene if you are not on [alexpath]. You will actually get an alternative scene with Dalia and Alex instead (however without choices, relationship points or sexy interactions)

Okay, humor me then.

- "Can I stay over?"
- "You look so pretty tonight"
- "I loved playing with you": Alex+1 🌀

Exhausting all questions will lead to a hot scene with Alex, so ask away:

Hmph.

- About the girls... 🌀
- About those Praetorians... 🌀
- About your brother... 🌀
- "Go to sleep" **Warning, this will SKIP Alex sex scene**

(following only happens if you don't go to sleep. Both options are great, maybe quicksave here)

Such as?

- "Caress her" 🌀
MC gives cunninglingus to Alex
- "Ask her to caress you" [alexfootjob] 🌀
Alex gives MC a footjob

...followed by a handjob turning into full-on sex and creampie with Alex

...followed by sex in the shower

...followed by doggy-style on the bed

Alex+1
