I'll try to guide you through this game as best as possible. But mind: there are a lot of different paths possible. There's not a single 'best' route. You probably end up with a lot of different saves.

Warning: there is a lot of adult content in this game. Make sure you are considered of legal age in your country.

The game consists of several days; each day consists of several scenes. In most of the scenes the player can influence the game by making choices.

Statistics

There are a number of groups ('sisters', 'abductors', 'hunters', etc.). Each group has 'strength'-points. These points influence the behavior of the group. A weak group is more likely to surrender or to comply. They will then transfer information more easily. And with that information another group or individual can move on.

But also individuals have 'strength'-points. They work the same as those group-points – a weaker individual will comply more easily. And with the information that weaker individual provides another group or individual can act upon. A weaker individual also weakens the group.

They all start different:

'Sisters'-Group = 3 – Fight = 0

Pamela = 4 | Mary = 4 | Claudia = 3 | Alice = 3 | Joan = 2 | Samantha = 1 | Patricia = 3

'Abductors'-Group = 3

Monica = 5 | Nadya = 3 | Ulrike = 3 | Valerie = 1 | Olga = 3 | Greta = 1

Day 1

Scene 1 - 'Sisters' wake up in cage

1.1 Who to help:

- 1 Help Claudia [Sisters-group+1][Claudia+2][Fight+1]
- 2 Help Mary [Sisters+1][Mary+1]
- 3 Inspect the cage [Sisters-1]

1.2 Who to help:

- 1 Help Alice [Sisters+1][Alice+1]
- 2 Help Joan [Sisters+1][Joan+1][Fight+2]
- 3 Talk to Claudia & Mary [Sisters-1]

1.1 means Scene 1 - Question 1 ; so 1.2 means Scene 1 – Question 2.

Depending on your choices the Sisters-group can become stronger or weaker (Sisters+1 or Sisters-1). Claudia, Mary, Alice and Joan can also become stronger (for example: Joan+1).

Fight can become 0, 1, 2 or 3. Later in the game with Fight = 0 only Pamela will fight. With Fight = 1 Pamela and Claudia will fight. With Fight = 2 Pamela and Joan, and with Fight = 3 Pamela, Claudia and Joan will fight. This is the last time I give information about the continuation of this game.
