BEGINNING

Meet your friendly elf (or not)

Pay the toll (with help or not). I haven't tried running away (but why though?)

Visit the guild (you can still get the condoms before visiting)

GETTING THE 3 CONDOMS

Prerequisite

Lower quarter -> Stable

1. Exhaust every option (I'm not sure if you need to exhaust all)
2. Ask for rumors "Any news of what's going on around here?" (**may need to do a few times**)

First condom

Upper quarter -> Clinic

1. Becomes a sperm donor "I'd like to become a sperm donor"
2. "Your temperature" (**only this option gives you a condom**) -> choose any option (same result)
3. Choose the prostrate option (optional)
4. **Your first condom**

Second condom

Upper quarter -> The park

1. "Go sit in the shade in the little copse nearby"
2. Water the dryad (semen or water both work)
3. Fertilizer the dryad (your poop or horse manure both work)
4. **The flower: you can now calm the horse in the stable**

Lower quarter -> The stable

1. Help her "You wouldn't by any chance have some work for me"
2. "I can at least try"
3. With the flower above, you can now get close to the horse
4. Fetallio or handjob, either works
5. **Your second condom**

Third condom

Lower quarter -> The market -> Semen vendor

1. "Steal the condom"

- 2. Your third condom**

The milkmaids guild

1. Submit your 3 condoms

2. The guild doesn't take it. Yay, you still have your 3 condoms

- 3. You are now officially a member**

GUILD QUESTS

Prerequisite

Before we doing any, I suggest exhausting everything in the library

Upper quarter -> The library

1. Read everything
2. Yes, I'm not joking. Exhaust everything in the library (you can use the skip function if you want)

Harbour trade (taking this will immediately taking you to the harbour. But don't worry, nothing major to the story)

1. Interact with the merchant & the pirate (optional)
2. "I have come to a conclusion"
3. If you have done the library (above), there should be the 4th option: "Wait a second, demons don't produce sperm at all", choose it
4. **Yay, 3 condoms (you should have 6 total if you haven't spent any)**

The haunted cemetery (taking this will open the option to go the to cemetery)

1. Go to the cemetery
2. "Look at some of the tombstones"
3. "Taste the liquid" (guess what liquid it is (°_°))
4. Any option
5. "Why do you live here", to open new options
6. Exhaust the remaining options (optional)
7. You can try asking her but she won't tell. **Best to sate her hunger by giving one of your condoms** (and no, directly from your ball is a no) (5 condoms left (if you follow this guide so far))
8. Now ask her who keeps coming to the cemetery "Who is the one who keeps coming?"
9. Done, no reward (I don't know if this will reward you a condom or not)

Warehouse expansion (taking this will open the option to go the warehouse in the Lower quarter)

Lower quarter -> The guild warehouse

1. Examine the door
2. "Antlered stick figures" clue. You can guess what that race is right? If not, the answer is: elves
3. Go buy a vial of elf cum from the semen vendor:
 - a. Lower quarter -> The market -> Semen vendor (costs 4 condoms)
 - b. You now have 1 condom left (if you follow this guide)
4. Use the elf cum vial (warning, do not leave the cave after entering, else you will need an elf cum vial to open this again)
5. Any option
6. Meet the centipede girl
7. Fuck her (optional) -> Get eggs in your body (also optional)
- 8. R u u n**
9. "Seal off the basement"
- 10. Another condom as reward (now you have 2 total)**

GETTING THE REMAINING CONDOMS

Lower quarter -> The red lantern district -> The dirty little brothel in front of you

1. "I'd like to fuck someone"

Additionally, if you join the harlot guild: you can get 3 more condoms

Another addition (I know, it is repeating), you can get 2 emergency condoms from the bank by doing a loan (warning, don't visit when you have 0 condom, else bad end)

MEETING THE PRINCESS AND SOLVING THE CASE

Should be self-explanatory now if you follow everything above

1. Go to upper quarter, meet the princess
2. Meet the witch in the lower district, ask about curse
3. You should have visited the cemetery above (1)

5. With the (1) & (2), talk to Katjas at the milkmaids guild: can now visit the area via the temple
6. Go to the area via the temple
