Think about it, I'm not in a relationship right now.					
Agree with her.				Disagree with her.	
Ask her to let me fix it.				That's not my problem.	
Of course I won't tell her.					
What she did isn't my problem.			Ask her what she did today.		
I'm also interested in her.					
Get up and walk around the house.				Why not?	
Approach her!					
No, she's still young!					
Why not?					
Don't ask her.			Ask her.		Have a look to make sure that he didn't... lie to me...
I have nothing to do anyway.					
She has my word.					
Her mother won't know this!					
Stop them!	Well, that's not my problem.				
Suggest her playing it.	Follow them!

Refuse to share the room with him.		Agree to share the room with him.		(Rosaline forces you to share the room with Woody.)	
Make an excuse!		I shouldn't do that!			
Say 'Hi' to her.		It's not important anyway.			Tell her what I'm thinking.

Caress her shoulder!		Follow them!			
Try to touch her breast!		I have to stop this!	Let's see what's going to happen!		
Get up to see if she's okay or not.					
She has to be punished for waking me up in the middle of the night!		Keep watching!

Help them all.	Help Nana.	Help Jessica.	Don't help anyone.

He looks very suspicious!		Let's see if there will be something interesting this time!			
		He looks very suspicious!			
I feel so angry!		I feel angry but... horny...			Follow him.
		Have a chat with her.			
		Disagree with her.	Agree with her.		
Knock on the door.		Open the door.			
Hold Nana's shoulder.				Focus on helping Nana.	
But I have to respect her.		It won't be a problem either even if I... slip my hand!

Please note that this walkthrough isn't the only way to play **My Friend's Family**. There are other routes that aren't displayed in this walkthrough, such as a route in which you follow all the options of the **Netori & Pervert** route but you don't let **Robert** touch **Rosaline**. Therefore, it's better to explore the game yourself without using this walkthrough. You should only use it when you can't reach the scenes you want.
