Selectable answer by the player

June+1, [tag]

Positive relationship change or effects are **green**

Kindra-2, [tag]

Negative relationship change or effects are **red**

sex scene, SDCard, Wallpaper

Especially hot scenes and collectables are **purple**

[tag]

Negligible effects / maybe important in later chapters are **blue**

All player answers are in the walkthrough for ease of searching a phrase (even if no points change).

The game has several hidden **SDCards** with renders of the girls and smartphone **wallpapers** - they are persistent over several games: once collected you can't and don't need to find them again.

Loosing Professionalism Points for your therapist is a good thing: you want to move to a more casual level for romance. You start at 50 which is why **ProfDrK-2** is marked as a **positive** change.

No matter the result, the contest is over for you [ch4_wmp_contres]
- "See ya Paige!"

Meghan (right)

Depending on previous choices ([ch1_tippedex], [ch2_lookatmeg]), the intro is slightly different. With neither active, you don't get any dialogue with her.

So, The girl you were with. Just friends or...

- "It's...complicated..."
I'd drink to that, but I just finished this and everyone is still crowding the bar...
 - "My friend is the bartender..." [ch4_wmp_megpinkmoscow] (can lead to sex scene)
 - "I don't drink anyways...":
- "Not interested in dating right now..."

(After you got Meghan the drink from June)

Let me throw this away real quick.

- "(Check her out)"
- "(Nah)"

if you brought Meghan the correct drink only:

Feel like hanging out somewhere private?

-> use key on the door to the right

2. Get it from Paige and give it to her [ch4_wmp_helpedana]

Destiny and Dominique (inside ink house)

Hmm?

But hey, you're here now! How about you get your ass out of that suit, lay back and let us reward you?

Chapter 5

First Contact

Consequences of AFirm and AEmpathy - being firm or empathic towards Artemis - are unclear. However being firm never feels justified: The MC will usually scold Artemis for a rule or fact he never explicitly told her. So its not being firm to a kid that didn't listen, but being firm with a kid for doing something you never told it not to. I recommend empathy for now.

Oh my god! Desmond!

- "Pursue intruder" [ch5_mcpursued]
- "Check on Desmond" Kindra+1

(First contact with Artemis. What should I do?)

- "(Say "Hi")"
- "(Extend out your hand)" +1 AEmpathy

Story progression: [art_met], Artemis+2

Come, like before.

- "Move her." +1 AFirm
- "Hold out your hand." +1 AEmpathy

Yes! Of course! Accept my apology, please! You're the one responsible for this?? You finished Artemis?

- "(Be humble)"
- "(Brag a little...)"

(Waffles)

Cooing

- "(Be firm...)" +1 AFirm
- "(Go easy.)" +1 AEmpathy

Maybe I should check on DK. Pointing out that photo obviously struck a chord with her...

- "Call her." DrK+2, ProfDrK-2
(Join DK this weekend?)
 - "Go on hike." DrK+1, ProfDrK-2, [ch5_dkhiking]

- "Decline."
- "That's crossing the line..."

Here comes another!

- "She's not going to learn that way..." +1 AFirm
- "Praise Artemis" +1 AEmpathy

Car dealer

only if you had a date with Zelda in ch4 [ch4_zeldadate]:
get a phone call, asked to meet Zelda at the airport [ch5_zeldaairport]

(I wonder how much Kindra put on my card...)

- "(Offer to buy the loan for his car.)" [ch5_robbypropose]
Depending on whether you picked up the whole pizza tab in ch1:
 - [ch1_pizzawholetab]: **Vlad+1, Reina+1, June+1**
 - otherwise: **Vlad+2, Reina+2, June+2**
- "(It's not my business...)"

Night at home

if you were asked by Zelda to meet at the airport [ch5_zeldaairport], skip this scene and jump to

Gonna crash here tonight. So, sharing the bed with you guys...

- "I'll take the couch..."
- "Be there in a bit."

Airport with Zelda

with [ch4_wmp_moviedate]: extra **Zelda+1**

Are you sure? We have an inflatable mattress...

- "Take the mattress"
if [ch3_scn6_zelda] and [ch4_djkiss]: **Zelda-4** & cutoff
if [ch3_scn6_zelda] and ~~[ch4_djkiss]~~: **Zelda+1**, [ch5_zelsharedbed], **longer scene**
if [ch3_scn6_zelda]: nothing happens
- "This chair is too comfy..."
if [ch3_scn6_zelda] and [ch4_djkiss]: **Zelda-4** & cutoff
if [ch3_scn6_zelda] and ~~[ch4_djkiss]~~: **Zelda+1**, [ch5_zelsharedbed], **longer scene**

if [ch3_scn6_zelda]: nothing happens
(yes, strangely jacking off to a Zelda fantasy in the shower in CH3 is a make or break decision for sharing her bed now, points don't matter here.)

Mall with Artemis

(She's gonna need a bit of help...)

- "(Carry her up)" **Artemis+1**, AEmpathy+1
- "(Guide her on)" AFirm+1

Just an observation. But I'd take a good guess they're in the early stages of their relationship...

- "(Good love memory)" AEmpathy+1
- "(Bad love memory)" AFirm+1

**Sigh*...Seriously, Veronica. You're a life-saver...again, haha.*

- "(Insist she get something for herself.)" **Vlad+1**, AEmpathy+1, [ch5_vofferedgift] (minor dialogue change later)

Back home

Shit.

- "(Get back at her)" AFirm+1
- "Atta girl!" AEmpathy+1

- "Whoa...I really dig your place..."

snort

- "Marry me..." **Vlad+1**
- "Admire her rack (Server rack)" **Vlad+1**, **vssp+1**

- "What does she do with all that power?"

I'm curious what your thoughts are on that...

- "It's kinda of complex..." Vlad+2, vssp+2
- "The machine is the tool..."
- "Difficult to say..." Vlad+1

I'm curious on your view on the cybersecurity side of it.

- "Survival of the fittest..." Vlad+1
- "Could go either way..." Vlad+1, vssp+2
- "Couldn't say for sure..." vssp-1

Wanna give our brains a break and do something else? Kick your ass in a game or two?

An evening with Kindra and Artemis

(all Topics can be chosen, but with Machine Learning 1st or 2nd topic, you can ask Artemis which to take next for extra empathy)

Which should we do first?

- "Experience Sharing" [artemis_es]
Hi!
 - "(Flirty greet)" Kindra+1
 - "(Normal greet)"Sure, I don't mind.
 - "(Hold Kindra more intimately.)" Kindra+2, Artemis+1, AEmpathy+1

 - "I'm beginning to miss it..." Kindra+1, Artemis+1, AEmpathy+1
If you are already kissing buddies with Kindra, you kiss automatically. Otherwise:
I'm gonna kiss you. Like a light peck. Are you okay with that?

 - "Nah."
 - "I just want her to learn." AFirm+1
 - "(Hold Kindra purely for demonstration.)" Artemis+1, AFirm+1

There you go...

- "You look great, Artemis!" **Artemis+1**
