

MASTERING THE PINK BOX, v0.06 – Walkthrough

By Vashaldias

Game: *Mastering the Pink Box*, by Studio 68 Games!

Game version: v0.06

Walkthrough version: 3 ([CHANGELOG](#))

I don't know how often (or whether) I'll be able to update this – it's probably best not to expect instant updates when new game versions are released. There are probably some errors here.

Coloured text means:

- Text like [THIS](#) should work as a clickable link.
- **IMPORTANT CHOICES** (or things I'm guessing are important, anyway).
- **+GAIN** or **-LOSS** of affection/friendship points (although these don't have an effect yet).
- **SEXUAL CONTENT** of some sort (including lewd photos, voyeurism, etc).

Contents

- Walkthrough:
 - [DAY 1 \(MONDAY\)](#)
 - [DAY 2 \(TUESDAY\)](#)
 - [DAY 3 \(WEDNESDAY\)](#)
 - [DAY 4 \(THURSDAY\)](#)
 - [DAY 5 \(FRIDAY\)](#)
 - [DAY 6 \(SATURDAY\)](#)
- [LIST OF CHARACTERS AND THEIR AVAILABLE CONTENT](#)

General note

- ❖ Since the game is still in development, I don't always know what will matter, or how. It's possible that I've misinterpreted something, and something that I say doesn't matter (or don't mention at all) may end up mattering.

Day 1: Monday

Arrival

- If ask the guy taking a photo for a copy, you become **FRIENDS WITH BOB** and get **+10** with him. This means that you'll exchange lewd photos of girls (sometimes with other guys) in future.

Administration

- If you investigate the sounds in the registration office, you see **LOLA MASTURBATING**. After you go back, you get **+5** with her if you just wait for her to finish.
- **+10** with the dean (Ms Robichaud) if you agree to **WORK FOR THE DEAN**. If you don't accept now, you'll be able to do so by text later, but you won't get the points. (Note that

there's a different job opportunity [LATER](#) – you can cancel on the Dean if you want to take it, but I don't think you can't accept both).

Dorms

- If you **HELP THE DRUNK CHICK** (who you later learn is named Penny):
 - You get **+10** (and later more) with her, and will be able to get a scene with her [LATER](#).
 - After leaving Penny and Kyuw's room, you automatically get a **BLOWJOB FROM JESSICA** (no choice about it).
 - No points if you're gentle but don't warn her.
 - **+10** if you're gentle and warn her.
 - **+20** if you're **ROUGH WITH JESSICA**. This has other effects later – you get another girl's [PHONE NUMBER](#), and Nick is [IMPRESSED](#).

Day 2: Tuesday

Test

- At the start of the test:
 - **+10** with the crazy chick (Charlie) if you look around.
 - **+10** with Ms Hatcher if you keep your head down.
- Giving the correct answer (which is "7") can affect favors with Kyuw, depending on whether you make a [BET](#) with her later.
- If you were [ROUGH](#) with Jessica, another girl (who you later learn is named Colleen) gives you her phone number now.

Bob

- If you're already friends with Bob from yesterday, or if you decide to give him another shot, you get **+10** with him now, and he'll propose a deal – if you promise to share any photos you get of Devon with him, you get you **+10** with him and a lewd photo of Ms Hatcher. I don't know what the long-term consequences of the promise will be.

Library

- If you agree to **WORK AT THE LIBRARY**, it cancels any plans you [MIGHT HAVE MADE](#) to work for the dean.

Talking outside

- You meet Nick (who you briefly saw in the dorm last night) properly. If you were [ROUGH](#) with Jessica, you get **+10** with him.
- You give Kyuw your phone number regardless of choice, but refusing to give it up easily will result in a **BET WITH KYUW** over scores – you'll get a scene with her later, and she'll owe you favors if you answered right in the [TEST](#)). Either way, you get **+10** with her and **+10** with Alexis, plus **+10** with Penny if you helped her yesterday.

Dorms

- If you don't leave when you accidentally see Teresa getting fucked in a dorm room, you'll have the option of **FUCKING TERESA** yourself while she sucks the other guy off, then

continuing while he watches and masturbates. This gives **+50** with Teresa, and if you're friends with Bob, you can send him a picture (consequences not yet known).

- You get an anonymous **PHOTO** of a girl's crotch.
- If you [GOT COLLEEN'S NUMBER](#) after the test, you can text her and **ARRANGE A DATE** for tomorrow.

Day 3: Wednesday

Class

- If you did something with Teresa [YESTERDAY](#), she texts you. What you tell Todd about your intentions may determine whether you get any further content with her.

Library

- Whether you tell Steph about the **COUPLE FUCKING IN THE LIBRARY** or not may have an effect on something in future, but nothing major yet.

Gym

- **+10** with Kim (the girl you saw getting fucked at the library) if you look back at her.
- Graham and Jimmy talk to you about Aimee, but you don't have to make a choice yet.

Kyuw's offer

- If you agree to her request (either immediately or when Todd urges you to reconsider), you'll visit her room.
 - Trying your keycard means you catch her masturbating, although it's not a major difference from what you see anyway.
 - If you accept her proposal, you get a **TITJOB/HANDJOB**, a photo of the result (which unlocks extra photo swaps with Bob), and a favor in future (on top of anything you might get from making a [BET](#)). Despite initial appearances, you won't have trouble with Jammy. Rejecting her proposal cancels any deals you might have had with her.

Date with Colleen

- If you made plans to go somewhere with Colleen, you can go on a date with her now.
- You get **+10** if you ask how her day was, but **-10** if you mention the limo. This choice determines what (if anything) she does during the movie – see below.
- If you choose the action movie:
 - *(You might be supposed to get affection with Colleen if you don't correct Spencer about your relationship, but as of v0.06, I don't think you actually do.)*
 - Colleen gets bored and wants to have some fun. If you asked about the limo, Colleen gives you a **HANDJOB**. If you didn't, she gives you a **HANDJOB** and you **RUB HER WITH YOUR COCK**, and also sends you a **PHOTO** later (which unlocks extra photo swaps with Bob).

Day 4: Thursday

Class

- Depending on your history with Kyuw and/or Colleen, your texts and conversations in class can go quite differently, but I don't think they have lasting consequences.
- If you answered the [TEST](#) question right, you get **+10** with Ms Hatcher and win the [BET](#) you might have made with Kyuw.

Kyuw blowjob

- If you made a [BET](#) with Kyuw, she gives you a **BLOWJOB** in the bathroom after class. (If you won the bet, she counts the blowjob as one of your favors; if you lost the bet, she now says that you'll owe *her* a favor instead – I don't know the long-term effect of that).

Photo swap

- If you're friends with Bob, you'll swap a **BUNCH OF PHOTOS** with him now – you get ones of Devon cosplaying and Ms Hatcher having sex. If you got a photo of [COLLEEN](#) or [KYUW](#) last night, you get additional photos in return for it – Ms Robichaud having sex, and Kyuw having sex while Alexis watches.

Jammy's suggestion

- After Jammy has explained how things are with him and Kyuw, you can decide if you're interested in **JAMMY'S PROPOSAL**. Agreeing will presumably open up more content with Kyuw, and also unlocks at least one other encounter with a different girl.

Day 5: Friday

Robyn's talk

- If you [HAD SEX](#) with Teresa, you can tell her that you don't want to continue. This doesn't actually cut you off from future scenes, but it could possibly still have some effect.

Dorm party

- You automatically **HAVE SEX** with Misty.
- You can choose to **WATCH** Charlie with Hugh (and almost Dave), or leave. If you watch, she notices you (and doesn't seem to mind), which could have an effect in future.

Club

- If you agreed to what Jammy was [SUGGESTING YESTERDAY](#), you'll have a chance to trick a girl named Rosa into giving you a **BLOWJOB** in the bathroom (with an option to be rough). If you decline to trick her, you don't get the blowjob but still get her phone number. If you didn't agree to Jammy's suggestion, you get neither.
- If you [HELPED PENNY](#) back on Day 1, you have the option of **HAVING SEX** with her (with optional **ANAL**). You spend the night in Penny and Kyuw's room, and if you agreed to what Jammy was [SUGGESTING YESTERDAY](#), it looks like you might get a scene with Kyuw in the morning.

Day 6: Saturday

Waking up

- If you had sex with Penny last night *and* you agreed to Jammy's [SUGGESTION](#), you wake up to a **BLOWJOB** from Kyuw with Jammy on the phone. Where you cum could possibly influence something in future, but I don't know what.

Photo swap

- If you're friends with Bob, you'll be able to send him a picture you just took of Devon and/or a recording of the blowjob you might have received from Kyuw (above). If you share the picture of Devon, he offers to send you an old **PHOTO** of her with Garth. Again, possible consequences not yet known.

Evening

- Whether you stayed to watch Charlie yesterday makes a difference to your conversation here, but the outcome is the same either way.
- If you [DID SOMETHING](#) with Teresa on Tuesday (and regardless of what you told her about your future interest), you have the option of a **DOUBLE PENETRATION** with Trevor as the other guy again. Again, your choices in this scene could possibly influence something in future, but I don't know what.
- This is the end of current content.

Characters

This is a quick summary of plot points and sexual content you can get with each named character so far. There's also a brief list of male characters (some of whom you can share with) at the end.

Aimee

Cheerleader who you crash into in the hallway; Graham's girlfriend.

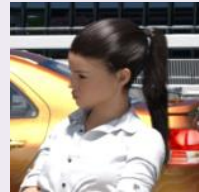

- Your talks with her and Graham suggest that there will be something with her later, but not yet.

Alexis

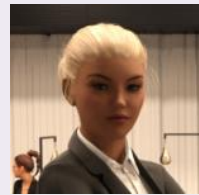

One of the girls who hangs out in the parking lot with Hugh and friends.

- You can get points with her, but they don't do anything yet.
- She's in the background of a **PHOTO** you might get from Bob on [DAY 4](#).
- She briefly texts you on Day 4, but there aren't any decisions.

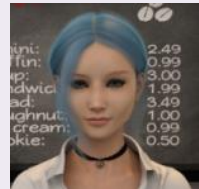

Ann

Lawyer in charge of your inheritance.

Bailey

Barista at the place Devon shows you before you get drinks.

Brandine

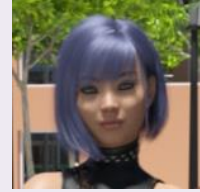

Joe's flirty girlfriend.

Charlie

A.k.a "Crazy Chick"; leather clothes and motorbike; hangs out in parking lot.

- You can get points with her, but they don't do anything yet.
- She's probably the one who sends you an **ANONYMOUS PHOTO** on the [EVENING](#) of Day 2.
- Optionally, you can **WATCH** her with Hugh (and almost Dave) during the [DORM PARTY](#) on Day 5.

Colleen

Girl in your class; seen with limo.

- You can get points with her, but they don't do anything yet.
- You go on a [DATE](#) with her if you get her number, text her, and don't cancel. **HANDJOB** and possibly **INTERCRURAL** if you choose the right movie.

Crystal and friend

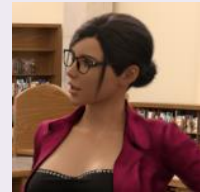

Girls who see you with Misty in the stairwell.

- You automatically get Crystal's number at the [CLUB](#) on Day 5.

Debbie

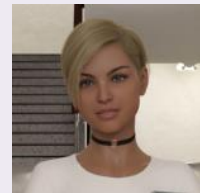

Steph the librarian's daughter/assistant.

Devon

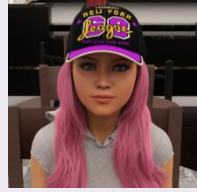

Girl who helps you out on your first day.

- Even though she appears in the game a lot, there aren't any choices where you can get points with her so far.
- If you're friends with Bob, you'll [SEE](#) some revealing (but not nude) **COSPLAY PHOTOS** of her as a Star Wars character on Day 4. If you [SEND](#) Bob a picture on Day 6, you'll optionally see a **PHOTO** of Devon from when she was with Garth.
- It may look like you've "lost" her to Nick at the [CLUB](#) on Day 5, but you haven't done anything wrong – the actual situation is clarified the next day.

Ella

Sits down at your table while busy on her phone.

Frankie

Charlie's BFF.

Hannah and friends

Schoolgirls on the train at the start.

- One of them briefly **FLASHES** you.

Ms Hatcher

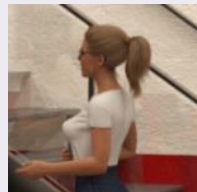

One of your teachers (the one who gives you a test).

- You can get points with her, but they don't do anything yet.
- If you're friends with Bob, you can do a [DEAL](#) to get a **LEWD PHOTO** of her, and he'll [LATER](#) send you a **PHOTO OF HER HAVING SEX**.

Jenn

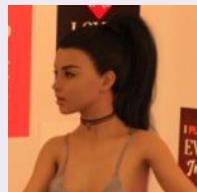

Your awkward ex?

Jessica

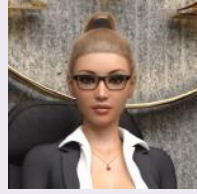

Unhelpful info desk girl; has a dorm room near yours.

- You automatically get a **BLOWJOB** from her on [DAY 1](#).
- You can get points with her, but they don't do anything yet.

Kassandra

Ann's paralegal; suggests you go to college.

Kim

Girl you catch having sex in the library.

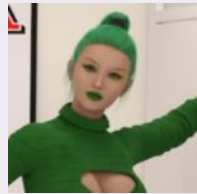

- You can get points with her, but they don't do anything yet.

Kyuw

Green-haired, green-clothed girl.

- You can get points with her, but they don't do anything yet.
- You can get a **TITJOB/HANDJOB** on [DAY 3](#).
- If you made a [BET](#) with her instead of handing out your phone number for free, you'll get a **BLOWJOB** on [DAY 4](#).

Liz

Arcade manager.

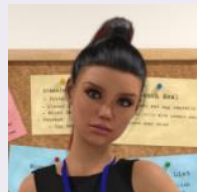

- You automatically make a business deal with her at the [CLUB](#) on Day 5.

Lola

Works in registration office.

- If you [INVESTIGATE](#) the sounds in her office, you see her **MASTURBATING**.
- You can get points with her, but they don't do anything yet.

Lucy

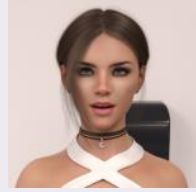

Builder; notably short.

Misty

Girl you meet at the dorm party.

- You automatically **FUCK HER** at the [DORM PARTY](#) on Day 5.

Nikki

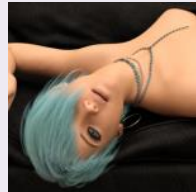

Bar waitress.

Penny

Drunk blue-haired girl who wants to be helped to her dorm room.

- You can get points with her, but they don't do anything yet.
- If you [HELP HER](#) on Day 1, you can **HAVE SEX** with her after the [CLUB](#) on Day 5.

Ms Robichaud

College dean.

- You can get points with her, but they don't do anything yet.

Robyn

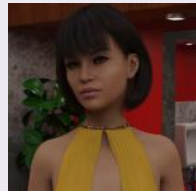

Dorm RA.

Rosa

Desperate for a club job.

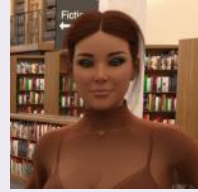

- If you accepted Jammy's [SUGGESTION](#) on Day 4, you can trick her into giving you a **BLOWJOB** (or if you're honest, just get her number) at the [CLUB](#) on Day 5.

Steph

Librarian; Debbie's mother.

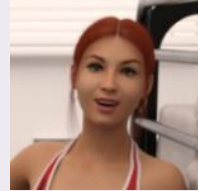

- Taking the [LIBRARY JOB](#) seems likely to lead to opportunities, but that's just a guess.

Teresa

Cheerleader who you accidentally walk in on.

- If you don't leave when you [WALK IN](#) on her, you can **FUCK HER** (with Trevor, the other guy, still being involved).
- If you agreed to the above, you [LATER](#) have the option of giving her **DOUBLE PENETRATION** with Trevor on Day 6.
- You can get points with her, but they don't do anything yet.

Ms Thompson

One of your teachers (the one who gets mad at you for talking to Todd)

Male characters

- You can get points with Bob (the photo guy) and Nick (the guy across the hall from you), but they don't do anything yet.
- A list, if you need reminding who's who:
 - **Alan:** Ms Thompson's husband; features in some explicit photos with people who aren't Ms Thompson.
 - **Bob:** The photo guy. One of Devon's friends.
 - **Barry:** Colleen's abusive sugardaddy (not seen on screen yet).

 - **Doug:** One of Devon's friends.

 - **Garth:** One of Devon's friends. Previously involved with her.
 - **Hugh:** Guy who hangs out in the parking lot and really doesn't like you. Charlie's parentally-arranged boyfriend.

 - **Jimmy:** A friend of Graham.
 - **Jack:** Brother of Lucy; also a builder.
 - **Joe:** A friend/acquaintance of Todd; "Mulletor"; Brandine's boyfriend.
 - **Oliver:** A stalker.

Continues...

- **Nick:** Guy in the room across the hall from you. Avoids Jessica's blowjob and tells you about how some of the girls behave. Turns out to be Devon's brother.
- **Smith:** A lecherous professor.
- **Spencer:** Guy in one of your classes; works as a movie ticket clerk.
- **Todd:** An old friend of yours.
- **Trevor:** The guy who you interrupt (and possibly join) with Teresa.
