INTRODUCTION TO GAME GUIDE PART 1

Welcome

This game guide is designed to help you play *The Headmaster*, by Altos and Herdone. In this game, you will play the role of a new headmaster appointed to a private school. You will have to ensure the success of the school at the same time as investigating the mysterious death of the previous headmaster.

To do this, there are multiple tasks that you will need to complete. You will have to keep grades and discipline as high as possible, to prevent a bad ending. You will have to earn money in order to buy the equipment and other resources you require. And you will need to find ways to gain influence with the other teachers in order to win their support, and pass the new school rules you wish to implement.

Game Chapters & Game Guide Volumes

The game is currently split into two "chapters". Chapter 1 can be considered the "introduction", and Chapter 2 (which is still in development) is the "middle game". The intention is that once Chapter 2 is complete, then Chapter 3 will be added, which will be the "later game". It is likely that there will also be a Chapter 4, which will be the "end game".

Part 1 of the game guide (this volume) covers Chapter 1 of the game. Part 2 covers Chapter 2 of the game, and Part 3 provides some additional information, including a detailed punishment guide, details about the cheat menu, and several reference tables.

Please note that there are several events and objectives that you can complete in either Chapter 1 or 2. Do not worry if you do not complete all the actions in this guide before you start Chapter 2 – you will be able to complete them later.

Game Guide Contents

This is not a linear game. Instead, you will often find yourself trying to complete several different objectives at once. Because of this, it is not possible to provide a standard step-by-step walkthrough.

Instead, this guide contains several different sections, which are designed to help you with individual quests and other actions that you will need to complete:

- The first section, **advice for new players**, provides some basic help and guidance, particularly for the first two or three weeks of the game.

- The **quest walkthrough** explains how to complete all the quests in chapter 1 of the game – the main quests, teacher quests and student quests.
- The **replay menu guide** provides information about how to unlock and complete all the key events in chapter 1 of the game (which are then shown in the game replay menu).

There are several events and objectives that you can complete in either Chapter 1 or 2. Do not worry if you do not complete all the actions in this guide before you start Chapter 2 – you will be able to complete them later.

Quick Codes

Several parts of this guide use short codes e.g. [QM1] to refer to other parts of this document. You can see these codes beside the heading of each section. You can do a search on this code (include the square brackets) to jump directly to that section of the guide.

Originally, this document was a plain text file, and these short codes were essential to help people navigate the document. Most of them have now been hyperlinked so you can just click on them to jump to the relevant section of the document instead.

Please note that some codes will refer to sections in a different volume of this guide. If you are using the complete version of the guide (which includes all 3 volumes) then this will not affect you. However, if you are using separate volumes, then some of the links will no longer work and you will have to do a manual search.

Important Note

This game is still in development. This means that things are likely to change. There are also likely to be bugs. While every effort is made to keep this guide up to date, sometimes changes or bugs slip through.

So if you find things which are wrong, or don't seem to be working, please post a message in the Discord channel and I'll check it out.

Good luck, and enjoy your time as the new Headmaster!

Your First Game

Tutorial

The game includes a comprehensive tutorial, which you should complete before using this guide. The tutorial introduces you to the overall story and the main characters, teaches you the basic controls, shows you how to navigate around the school, and introduces you to the main characters.

Discipline and Grades

You should try to keep Discipline and Grades as high as possible. If either of them falls to zero, the game will end. It is very easy to focus on achieving a quest, and forget to keep maintaining your grades and discipline.

Punishments

Classroom Punishments

You improve grades (and discipline) by teaching classes. When a girl misbehaves, you will usually be given the option of punishing her in class, or in your office after school. If you punish her in class, the other girls will learn a lesson and you will usually get 2 Discipline points.

Note: When discipline is low, you will get bonus discipline points, so you can actually get 3 or 4 points for spanking a girl in class: see below for details.

However, because the spanking prevents you from teaching your lesson, grades do not improve. If you punish her after school instead, your lesson will not be interrupted, and you will get 1 Grade point.

There are some special scenes where you will not have any choice. For example, the first time you punish the girls, you will automatically decide to punish them after school. (See below for more details about this.)

Note: later in the game you pass rules that can give you more discipline points. For example, by passing the rule to allow you to remove a girl's skirt before you spank her. See [REFR01](#) for more information about discipline points.

After School Punishments

When you punish a girl after school, you have the option of giving her a private punishment or a public punishment.

If you give her a public punishment, the other girls will see her being punished and you will get 1 Discipline point. If you give them a private punishment you will get no discipline or grade points, but you will get money from the school owners instead.

Bonus Discipline Points

When discipline is low, you will get extra discipline points. This is to reflect the fact that in the early game, the girls are not used to corporal punishment, and it will have a bigger impact on their behavior. This also has a practical purpose, as it helps avoid early-game grinding.

The number of bonus points awarded is based on your current discipline level. If total discipline is 20 or less, you will get +1 bonus points. If total discipline is 10 or less, then you will get +2 bonus points.

See [REFR02](#) for more information about the bonus discipline points.

Managing Discipline and Grades

Stats Management

In summary:

If you need to...	Then do this...
Improve discipline	Teach classes and punish the girls in class.
Improve grades	Teach a classes and punish the girl after school
Get more money	Teach classes and give the girl a private after school punishment.

Evening Grade Change

The number of discipline points you have will have an impact on the school grades. Every evening (except Saturday), you will receive a message about whether the girls did any studying and the grades may go up or down as a result.

Discipline Score	Grade Change
Discipline 01-19	-1 Grade
Discipline 01-19 and the lake open	-2 Grades
Discipline 20-60	no change

Once you have Discipline over 60, you can start to earn grade points in the evening. However, this will not happen until Chapter 2 of the game. See [REFG01](#) for more details about the nightly grade changes.

Training Miss Potts

You are introduced to Miss Potts in the tutorial. You discover she is an inexperienced teacher who has difficulty controlling her class.

Every weekday evening, you will get a message about how well (or badly) Miss Potts was able to control her class. If she was not able to control her class, you will lose some discipline points. The possible messages are:

Message	Grade Change
Miss Potts just about managed to control her class	no change
Miss Potts could not control her class	-1 discipline
Class was so unruly the noise had a disruptive effect	-2 discipline

In order to help Miss Potts control her class, you will need to give her training. This is the first staff quest you will need to complete (see [Teaching Miss Potts, QPOT1](#)). Once she has received training, then it is more likely she will control her class and you will lose less discipline.

At the start of the game, you are likely to lose 4-6 discipline points every week. Once you have completed the first three action points in the Teaching Miss Potts staff quest ([QPOT101](#) to [QPOT103](#)) then you will usually only lose 1-2 points a week.

The Start of the Game: What to Do

Key Priorities

At the start of game, you will lose grades and discipline points every day. Every night your grades will reduce by -1 because the girls are not studying, and your discipline will usually go down by -1 or -2 because Miss Potts cannot control her class.

Your first two priorities therefore need to be **increasing discipline** and **teaching Miss Potts**. You can have both under control in about the first 2 weeks of the game.

Increasing Discipline

The fastest way of increasing discipline is by teaching classes and then spanking the girls in class. You should prioritize this over any other activities, e.g. patrols or teaching sports lessons.

- You can get at least +2 discipline for spanking a girl in class. As mentioned above, you will get extra bonus discipline points at the start of the game as well. (This means that you can usually get +6 discipline points each day during the first week.)
- Alternatively, if you choose to punish them after school and give them a public punishment, you can get +1 grades and +1 discipline. You will get extra bonus discipline points at the start of the game as well. (this means you can usually get +4 discipline and +2 grades each day during the first week.)

Other Actions

In the evenings, you should teach Miss Potts. You can teach her every night (including weekends) except for Wednesday. You should prioritize this over other evening events e.g. spying on the girls or talking to the other teachers.

At the weekends, do patrols. Focus on actions that increase discipline, even if this reduces your popularity.

By the end of the first 2 weeks, you should have enough discipline that grades are not going down, Miss Potts should be well trained enough that you are not losing a lot of discipline, and you should have enough money (from your first 2 salary payments) that you can start buying stuff. You can then work on the Mr Wilson and Miss Chang staff quests. This will allow you to get influence points that will help you pass school rules.

Easy Mode

When you start a new game, you will be asked if you want to play "normal mode" or "easy mode". Easy mode is designed for beginner players to help them while they get used to the game.

When starting a game in easy mode:

- You get higher starting grades and discipline (15 instead of 10).
- You get some money to start with. This allows you e.g. upgrade the science facilities instead of having to earn money first.
- The cost of some items is reduced. For example, the camera costs \$500 instead of \$1000.
- Some of the negative results from events have been removed or minimized. For example, some of the decisions in normal mode mean you will gain discipline but lose popularity (or vice versa). In easy mode, these are changed so you will just gain stats.
- When grades are low (14 or under) then you will gain bonus grades. For example, teaching a class will give you +2 grades instead of +1.

INTRODUCTION

Using the Walkthrough

This walkthrough is not meant to be followed in strict order. You will find that in order to complete the first main quest, you will need to complete several staff side-quests, which are covered later in the document.

You will also find that you will usually be trying to complete several quests at one time. For example, you may have to save up money to buy an item to allow you to complete one quest, but while you are waiting you might be able to continue with a different quest.

Sometimes, you need to complete part of one quest in order to progress a different quest. For example, you need to upgrade the science facilities in order to persuade Miss Chang (the science teacher) to help you with Mr Wilson's quest.

Therefore, please use this walkthrough as a guide, not as step-by-step instructions.

[QM]

[QM1] Order to the Chaos.....	19
[QM2] If a Headmaster Falls in the Woods.....	21
[QM3] A Man's Work.....	23

[QM1] Order to the Chaos

Description

Discipline is low and the girls are not studying in their free time. You must assert your authority and bring order to the school.

Unlocking this Quest

This staff quest is available from the start of Day 2.

Note: The actions in this quest do not have to be performed in any particular order. So e.g. you can upgrade the science facilities before you teach Miss Potts.

[QM1.1] Increase Discipline

Full description = (1) Increase Discipline to 20 to prevent grades from declining.

Teach classes and punish students to ensure that your discipline score remains above 20. If discipline falls below 20 again, then you will need to complete this action again.

At the start of the game, you will get 2 discipline points if you punish a student in class, and 1 discipline point if you give them a public after school punishment. See [REFR01](#) for more information.

[QM1.2] Help Miss Potts control her class

To complete this, you need to complete actions 1-4 in the "Teaching Miss Potts" staff quest ([QPOT101](#) to [QPOT104](#)). This involves visiting Miss Potts in her apartment in the evenings to give her some training.

[QM1.3] Upgrade the science facilities

Full description = (3) Upgrade the science facilities for Miss Chang. Advance the quest Experiments Gone Wild to make sure she has everything she needs."

To complete this, you need to complete actions 1-6 in the "Experiments Gone Wild" staff quest ([QCHA01](#) to [QCHA06](#)). This involves buying new equipment for the science classrooms and hiring a new lab technician.

[QM1.4] Win Mr Wilson to your side

Full description = (4) Win Mr Wilson to your side

To unlock this staff quest, you will need to visit Mr Wilson in his apartment during the evening and agree to steal Priti's password.

To complete this quest, you need to complete actions 1-3 in the "Priti as a Picture" staff quest ([QWIL01](#) to [QWIL03](#)). This involves stealing the social media password of one of the students.

[QM1.5] Implement a new rule

Full description = (5) Implement a new rule at a weekly meeting of the school board.

At the Friday school board, pass a new school discipline rule. Two new rules are available from the start of the game: the public punishment outfit rule, and the Strict Uniform Policy rule. You will unlock other rules later in the game (e.g. see [QSAL02](#) and [QSAL05](#)).

You need a certain amount of discipline and influence points before you can pass a rule. The Strict Uniform Policy rule (under Uniform policy) has the lowest requirements: you will need 18 Discipline and 4 Influence points to pass this rule.

To gain the influence points, you will need to complete some of the staff quests. See the staff quests "Teaching Miss Potts" ([QPOT102](#)), "Experiments Gone Wild" ([QCHA02](#), [QCHA07](#)) and "Priti as Picture" ([QWIL03](#)) for details about how to achieve the first influence points. See [REF01](#) for a list of all the influence points you can get.

Please note that deciding to open the lake (under Other Rules) does not complete this action.

Fun note: once you have passed the Strict Uniform Policy, you can do underwear inspections on most of the students you see in the hall in the classroom building. (See [SCH12](#) for a particularly fun one on Liz.)

[QM1.6] Completing this Quest

Once you complete action points 1-5 ([QM1.1](#) to [QM1.5](#)), then in the evening you will have the "second dream" event where you have sex with Sarah. (See also [OTH03](#))

If you have not already unlocked the scene, the following weekday morning you will see a scene with Sally and Izzy running. (This scene can also be unlocked if you have previously punished Debbie, see [DEB02](#)).

[QM2] If a Headmaster Falls in the Woods

Description

The old headmaster was worried he was being followed in the woods. Could he have been murdered? You decide to investigate in case you yourself are in danger.

Unlocking this Quest

To unlock this quest, open the Recycle bin on your computer and read the April 15 entry.

[QM2.1] Ask the staff

Full description = (1) Ask the staff about the old headmaster and see if anyone knows anything about his death.

In the evening, speak to Mr Wilson and ask him about "the old headmaster". If you have not unlocked the "Priti as a Picture" staff quest yet ([QWIL](#)), then you will have an initial conversation with Mr Wilson, and then you will need to visit him the following night before you can ask him about the headmaster.

[QM2.2] Visit the lake

Full description = (2) Visit the lake in the morning and speak to the groundskeeper about finding the old headmasters body.

At the Friday School Board, choose to open the Lake (see under Other Rules).

Note: you should ensure Discipline is 20+ before you do this, or grades will decrease by -2 every day the Lake is open.

During a weekday morning, go to the lake and speak to Jimmy. Ask about "the old headmaster".

[QM2.3] Ask Jimmy to show you the spot

Full description = (3) Ask Jimmy to show you the spot where the old headmaster died.

During a weekday morning, go to the lake and speak to Jimmy. Ask about "the old headmaster's body". You can do this immediately after asking about "the old headmaster" ([QM2.2](#)).

Jimmy will tell you that you'll need to wait for him to clear the way. This quest action will change to "Wait for Jimmy to clear the path" (see [QM2.4](#), below).

[QM2.4] Wait for Jimmy to clear the path

Full description = (4) Wait for Jimmy to clear the path into the woods to show you where he found the old headmaster's body.

Complete actions 1-6 from the "A Troublesome Inspector" staff quest ([QRUT01](#) to [QRUT06](#)). The following morning, Jimmy will tell you that the path is now clear, and he will take you to the spot where the headmaster died. You will find his wallet which has a number combination hidden in it.

[QM2.5] Try using the numbers

Full description = (5) Try using the numbers you found with the safe in your office.

Go to your office and click on the bookcase. You will then be able to unlock the safe and this event will unlock.

[QM2.6] Ask Miss Chang about BDSM

Full description = (6) Ask Miss Chang what she knows about British Defense System Manufacturers.

Complete the "A Troublesome Inspector" action [QRUT07](#). This involves you opening the old headmaster's safe and reading his notes about the school's owners. You discover a company called British Defense System Manufacturers (BDSM) appears to be involved.

In the evening, speak to Ruth about the notes in the old headmaster's safe. She will take you to her house to have a private discussion. (This action is also required for the Experiments Gone Wild Quest, [QCHA09](#)) During the discussion she will warn you that there is a spy on campus.

[QM2.7] Spy on Campus

Full description = (5) Miss Chang warned you about a spy on campus. Could there be a connection between the spy and the old headmaster's death? You will need to investigate.

This is not available in the game yet.

[QM3] A Man's Work

Description

Some jobs are best left to a man. Spanking naughty schoolgirls is a prime example.

Unlocking this Quest

This quest is unlocked on the first weekday after you complete the "Order to the Chaos" main quest ([QM1](#)) and have the second dream event (see [OTH03](#)).

The next weekday, you will see a cut scene similar to the "Day 2" introduction, where the headmaster walks into school talking about the need to take a more active role in the punishments of the girls. You will then receive a message saying you have a new main quest.

[QM3.1] Find out your colleagues' opinions

Full description = (1) Find out your colleagues' opinions on changing the rules at the next meeting of the school board.

At the Friday school board, vote on the Corporal punishment rule "corporal punishments may be carried out on students by any teacher regardless of gender". The discipline and influence requirements for this rule will be shown as "?".

Holding this vote will unlock the "a troublesome inspector" staff quest ([QRUT](#)).

[QM3.2] Earn 3 Influence from Miss Newman

Full description = (2) Earn three influence points from Miss Newman

To complete this, you need to complete actions 1-3 in the "Sally Learns the Ropes" staff quest (see [QSAL01](#) to [QSAL04](#)).

[QM3.3] Find a way to convince Ruth

Full description = (3) Find a way to convince Ruth to let you spank the girls.

To complete this, you need to complete actions 1-6 in the "A Troublesome Inspector" staff quest ([QRUT01](#) to [QRUT08](#)). This also involves completing actions 1-4 of the "If a Headmaster Falls in the Woods" main quest ([QM2.1](#) to [QM2.5](#)).

[QM3.4] Have at least one Student Enforcer

Full description = (4) Have at least one student enforcer (prefect).
Advance Debbie's Student Quest: Training a Prefect.

You will need to raise Debbie to punishment Level 5, and assign her a role as a prefect. To do this, you need to complete actions 1-5 in the "Sally Learns the Ropes" staff quest ([QSAL01](#) to [QSF4.6](#)).

[QM3.5] Hold another vote

Full description = (5) Hold another vote at the school board to allow you to spank the girls.

Once you have Influence 9 and Discipline 40, pass the new Corporal Punishment rule "corporal punishments may be carried out on students by any teacher regardless of gender" at the Friday board meeting.

Once you have successfully passed the rule, you will see the large "How to Discipline a Young Woman" scene ([CLA11](#)), where Mr Mykock comes to the school with two other teachers to watch you punish the first girls by yourself.

[QPOT1] Teaching Miss Potts

Description

Miss Potts can't control her class. Fortunately you are an expert in disciplining young woman and have offered to pass on some of your skills.

Unlocking this Quest

This staff quest is available from the start of Day 2.

Note: The Potts Penalty

During every weekday evening, you will get a message about whether Miss Potts was able to control her class or not. If she was unable to control her class, you will lose -1 or -2 discipline. The more you train her, the more likely it is that she will be able to control her class, and you will lose less discipline. For more details about how the Potts Penalty is calculated, please see [REFR03](#).

[QPOT101] Visit Miss Potts apartment

Full description = (1) Visit Miss Potts' apartment in the evenings to provide her with basic training.

During the evening, visit Miss Potts' apartment. You can visit her any night (including weekends) except for Wednesdays. You will have an initial conversation where you agree to give her additional training.

You will then need to visit her another 6 times, and choose "continue training". The first 4 lessons will involve you discussing (in order) her need to show confidence; classroom dynamics; the need for consistency; and how she is making progress. The last 2 lessons will involve you giving her a verbal telling off. At the end of the last lesson, you will tell her you will visit her in her classroom to check how she is dealing with the girls.

[QPOT102] Visit Miss Potts's classroom

Full description = (2) Visit Miss Potts's classroom during school hours to check up on her progress

Visit Miss Potts' classroom during the day. You will see her managing to control Debbie, and you will receive 1 Influence point.

[QPOT103] Discuss the Next Phase

Full description = (3) Visit Miss Potts' apartment and discuss the next phase of her training.

Visit Miss Potts in the evening again. As before, you can visit her any night (including weekends) except for Wednesdays. You will say she needs a practical lesson in being spanked.

[QPOT104] Dress Up Like a School Girl

Full description = (4) You have convinced the English teacher to dress up like a school girl so you can spank her. Visit her at her apartment in the evening.

Visit Miss Potts in the evening again. She will be dressed like a school girl. This time, you will spank her.

[QPOT105] Visit Miss Potts for Advanced Training

Full description = (5) Visit Miss Potts again for more advanced training.

In the evening, visit Miss Potts' apartment again and continue her training. You will give Miss Potts another lesson where she will hold up some books and you will expose her.

[QPOT106] See Miss Potts Punish One of the Girls

Full description = (6) Visit Miss Potts' Classroom to see her punish one of the girls (you may need to unlock new rules at the school board to proceed).

If you have not already done so, you will then need to pass the Very Strict Uniform Policy that allows you to confiscate clothing. You will pass this rule as part of the "Sally Learns the Ropes" staff quest (see [QSAL05](#)). This involves raising Debbie to Level 4 and touching her to unlock the rule. You will need 6 Influence and 30 Discipline to pass the rule at the next Friday morning school board meeting.

After you have passed the rule, visit Miss Potts' classroom during the day. You will see her forcing Faye to strip to her underwear and demonstrate her aerobics lesson. Afterwards Miss Potts will kiss you and you will get 1 influence point.

[QPOT107] Visit Miss Potts' Apartment Again

Full description = (7) Visit Miss Potts' apartment again to continue her training.

In the evening, visit Miss Potts' apartment again and continue her training. You will then strip her naked, give her a spanking and finger her to orgasm. Miss Potts will then suck your cock.

[QPOT108] Supervise Her Spanking One of the Girls

Full description = (8) Visit Miss Potts' classroom to supervise her spanking one of the girls.

Visit Miss Potts' classroom during the day. You will see Claire make a mistake by punishing Mary in the wrong way. You will then stop the punishment.

[QPOT109] Discuss Mary's Punishment

Full description = (9) Visit Miss Potts' apartment to discuss Mary's punishment.

In the evening, visit Miss Potts' apartment again. You will discuss the punishment and agree to show Miss Potts the wrong way to give a punishment.

[QPOT110] Show her the Wrong Way to Give a Punishment

Full description = (10) Wait until Claire visits you in your office and show her the wrong way to give a punishment.

The following day, you will automatically get a scene in your office where Claire will arrive in a school uniform and you will punish her. This scene will happen immediately after any after-school punishments you have.

The goal of the punishment is to max out her fear. However, if her fear score is greater than her submission score, then she will use her safe word and the scene will end. If Claire uses her safeword, you will automatically get the same scene the following day.

During her punishment, you should insult her, lightly slap her face, inspect her uniform, and tear off her skirt and knickers. Inspect her bra and then tear off the rest of her clothes. Grope her breasts, slap her breasts and take her picture.

After that, change position and force her over your desk. Spank her and do a cavity search. Change position and force her to her knees. Pull your dick out, do

a dick slap, make her kiss it and force it in her mouth. Twist her hair or slap her, and force it down further.

Finally, change position and lift her onto your desk, legs in the air, and force her legs apart. You can finger her first or simply penetrate her to complete the punishment. You will then get +1 Influence.

[QPOT111] Advance Amy and Debbie's Student Quest

Full description = To continue Claire's training you need to advance Amy and Debbie's Student Quests so they can also participate.

Note: you may not see this action. It only appears if you have not progressed Amy and Debbie's Student Quests enough.

You will need to progress the student quests for both Debbie and Amy. See QPOT112 and QPOT113 for advancing Debbie's quest, and QPOT114 for advancing Amy's quest.

[QPOT112] Advance Debbie's Student Quest 1

Full description = To continue Claire's training you also want to train Debbie at the same time. Advance Debbie's Student Quest: Training a Prefect

Note: you may not see this action. It only appears if you have not progressed Debbie's Student Quest enough.

You need to raise Debbie to level 6 and tell her to give you a blowjob, after which you will agree to make her your apprentice.

To do this, you need to complete actions 1-5 in the "Sally Learns the Ropes" staff quest ([QSAL01](#) to [QSAL05](#)). At the end of the punishment where you raise Debbie to level 5 you should choose to "assign role". Debbie will give you a handjob and you will make her a prefect.

If you have not already done so, you will also need to start Chapter 2 of the game, by fully completing the Main Quest "A Man's Work" ([QM3](#)) so that you can punish the girls yourself.

In the evening, summon Debbie to your office for punishment. Debbie will ask if she can keep being punished by Miss Newman. You agree, provided that Debbie is willing to give you a blowjob afterwards.

Note #1: You can only summon Debbie to your office if there are no other girls who require punishment that day.

You will then need to raise Debbie to punishment level 6 during the punishment. See [DEB09](#) for details of how to do this. At the end of the punishment, tell Debbie to give you a blowjob. You should warn her that you are about to cum. Afterwards, you will speak to Debbie and agree to make her your apprentice.

Note #2: You can raise Debbie to level 6 during chapter 1, but you cannot ask for a blowjob and you cannot make her your apprentice.

Note #3: You must choose to warn Debbie. If you choose one of the other blowjob endings you will not be able to progress Debbie's student quest. Instead, you will need to punish Debbie after school again, get another blowjob, and then choose to warn her.

The following day, you will see a special scene with Debbie at the start of the afternoon. Debbie will tell you that a girl refused to show her knickers to Debbie. Debbie wants to spank the girl, but you tell her that she needs some formal training before she can punish the other girls.

[QPOT113] Advance Debbie's Student Quest 2

Full description = To continue Claire's training you also want to train Debbie at the same time Advance Debbie's Student Quest: Training a Prefect – Part 2

Note: you may not see this action. It only appears if you have not progressed Debbie's Student Quest enough.

Before you can advance Debbie's student quest, you first need to progress Rachel's quest. Firstly, you need to fully complete Rachel's first student quest, "The Headmaster's Pet" ([QST02a](#) and [QST02b](#)). You then need to progress Rachel's second student quest, "The Headmaster's Pet: Part 2" until Debbie and Rachel have a threesome with you. See [QRAC201](#) to [QRAC203](#).

[QPOT114] Advance Amy's Student Quest

Full description = To continue Claire's training you need a suitable student for her to practice spanking. **Advance Amy's Student Quest: The Spanking Connoisseur.**

Note: you may not see this action. It only appears if you have not progressed Amy's Student Quest enough.

You will need to raise Amy to punishment level 5 and assign her a role as your practice subject. See "The Spanking Connoisseur" student quest for details ([QAMY01](#) to [QAMY19](#)). At the end of the punishment where you raise Amy to

level 5, you should choose to "assign role". You will have anal sex with Amy and she will agree to become your practice subject.

[QPOT115] Administer Your First Group Punishment

Full description = To continue Claire's training you need to administer your first group punishment in class for poor grades.

Note: you may not see this action. It only appears if you have not completed your first class punishment.

To complete this action, you need to unlock the main quest "Many Hands for Many Bottoms" (QM6) by completing the first class punishment. See the section on "unlocking this quest" for details.

In summary, you will need to teach at least one class. On Sunday evening, you will tell yourself that you are going to have to stay up late to mark some essays. The following morning (Monday), you will see a scene with Sally before school. You tell her that the girls did not do well and that you are going to have to punish almost the entire class.

During the day, teach a class. You will then carry out your first class punishment. This involves spanking most of the girls in the class.

[QPOT116] Wait for Claire to Speak with You

Full description = Everything is ready to continue Claire's training. Wait for her to come and speak with you.

Once you have completed the first class punishment, and you have progressed Amy and Debbie's quests, then Miss Potts will visit you in the morning.

Note: Miss Potts will usually visit you the following morning. However, if there are other morning events (such as the school board, or other messages from Sam) then you may see these first. Miss Potts will then speak to you the following weekday.

Miss Potts tells you that she has reflected on how she treated Mary unfairly, and that she won't make the same mistake. She says she is ready to continue her training to become a disciplinarian. At the end of the meeting you will unlock Miss Potts' new quest, Teaching Miss Potts – Part 2 (QPOT2).

[QCHA] Experiments Gone Wild

Description

Miss Chang has complained about the lack of science facilities at the school.

Unlocking this Quest

This staff quest is available from the start of Day 2.

[QCHA01] Upgrade the science classroom

Full description = (1) Upgrade the science classroom by using the construction menu on your computer.

Once you have \$500, buy the "Upgrade science facilities" from the Upgrade Facilities option on your computer.

[QCHA02] Tell Miss Chang about the new equipment

Full description = (2) Tell Miss Chang you have ordered new equipment for her.

In the evening, talk to Miss Chang in her classroom about the New Equipment. This will give you 1 Influence point.

[QCHA03] Check in on Miss Chang's classroom

Full description = (3) Check in on Miss Chang's classroom during school hours.

Mr Mykock will visit you the following morning. He gives you a warning about Miss Chang. He says that an arrangement was made between the school's owners and the government to hold Miss Chang at the school, but she was not allowed to conduct any experiments.

During the day, visit Miss Chang's classroom. You will then see Miss Chang's clothes dissolving solution in action.

[QCHA04] See if Miss Chang needs anything else

Full description = (4) Check back with Miss Chang in the evening to see if there is anything else she needs.

Visit Miss Chang in the evening again and ask her for "further help with the board". She will say she wants you to hire a lab technician. She says that you cannot tell Mykock in case he gets suspicious.

[QCHA05] Ask about hiring a lab technician

Full description = (5) Summon Samantha to your office during school hours and ask about hiring a lab technician.

During the day, use your phone to call Sam into your office and talk about the New Technician. She'll say she needs 3 days. This quest action will change to "Wait a few days" (see [QCHA06](#), below).

[QCHA06] Wait a few days

Full description = (6) Wait a few days for Sam to ask around town and see if there is anyone looking for work.

On day 4, call Sam back into your office and ask about the Lab Technician. She'll say she's found 2 candidates, who you can interview. The first is Anna Dixon, an experienced lab assistant who wants \$100 a week. The second is Trixie Star, an unqualified lap dancer who offers to suck your cock.

Note: Sam needs 3 days, not 3 working days, so if you ask Sam on Thursday you can hold the interviews on Monday.

If you accept Trixie's offer of a blowjob, then you will hire Trixie. If you refuse her offer, you will hire Anna. To unlock this quest, you can select either candidate.

If you select Anna, then that night Trixie will visit you at your apartment. She will offer you a blowjob if you appoint her as the new dance teacher.

Note: you can decide not to recruit Trixie, but this will prevent you from seeing some additional scenes in the game. It will also limit your options when completing the "Priti as a Picture" staff quest.

[QCHA07] Visit Miss Chang in the Evening

Full description = (7) Visit Miss Chang in the evening and see how she's getting on with her new assistant.

Speak to Miss Chang in her classroom during the evening.

If you have hired Anna, Miss Chang will thank you and you will get 1 Influence Point. See [QCHA10](#) for the next quest action.

If you hire Trixie, then Miss Chang will be very annoyed with you, and says that Trixie is completely useless. Miss Chang says that she won't help you at the school board until you hire someone competent.

This quest action will change to "Summon Trixie to your office" (see [QCHA08](#), below).

[QCHA08] Summon Trixie to your office

Full description = (8) Summon Trixie to your office and figure out what to do with her.

During the day, use your office phone to summon Trixie. You try to fire her but Trixie says that she will then tell Ruth Thomas about the blowjob. You then decided to appoint her as a Dance Teacher and hire Anna, the other candidate, as the lab technician.

Trixie then offers you a blowjob. You can accept Trixie's offer or not, but in both cases Trixie will invite you to visit her in her apartment one evening.

[QCHA09] Visit Miss Chang in the Evening Again

Full description = (9) Visit Miss Chang again in the evening and see how she's getting on with her new assistant.

Speak to Miss Chang in her classroom the evening. Miss Chang will thank you and you will get 1 Influence Point.

[QCHA10] Wait for Miss Chang to ask for assistance

Full description = (10) Wait for Miss Chang to ask for further assistance

Note: if you originally hired Anna (not Trixie), this task is shown as number (8), not (10).

Complete A Troublesome Inspector action [QRUT07](#). This involves you opening the old headmaster's safe and reading his notes about the school's owners. You discover a company called British Defense System Manufacturers (BDSM) appears to be involved.

In the evening, speak to Ruth about "the notes in the old headmaster's safe". She will take you to her house to have a private discussion. (This action is also required for the "If a Headmaster Falls in the Wood Quest, [QM2.6](#)) During the discussion she will ask you to purchase a 3D printer for her.

[QCHA11] Purchase a 3D Printer

Full description = (11) Purchase a 3D printer for Miss Chang. COMING SOON

Note: if you originally hired Anna (not Trixie), this task is shown as number (9), not (11).

This is not available in the game yet.

[QWIL] Priti as a Picture

Description

Mr Wilson the math teacher appears to have an unhealthy fixation on one of the students. A sweet and innocent girl by the name of Priti. He has asked for your help to steal her email password.

Unlocking this Quest

To unlock this staff quest, you will need to visit Mr Wilson in his apartment during the evening, and agree to steal Priti's social media password. If you do not agree, then the quest will not unlock.

[QWIL01] Ask Miss Chang

Full description = (1) Ask Miss Chang if she knows how to steal someone's email password without them knowing.

You will first need to upgrade the science classroom (See the "Experiments Gone Wild" staff quest, [QCHA02](#)). You do not need to have told Miss Chang about the upgrade. (This means you can complete this action before you complete [QCHA02](#)).

In the evening, visit Miss Chang in her classroom and ask about "stealing passwords" and then about "the keylogger program".

[QWIL02] Summon Priti

Full description = (2) Use the phone in your office to summon Priti.

During the school day, use your office phone to call Priti to your office. You talk to Priti about how she ended up at the school and then ask her to set up a social media page for the school. You will then steal her password and social media pictures.

[QWIL03] Deliver Priti's Password

Full description = (3) Deliver Priti's password to Mr Wilson.

Visit Mr Wilson in the evening and talk to him about "Priti's password". You will give him the password, and you will get 1 Influence Point.

[QWIL04] Check back with Mr Wilson

Full description = (4) Check back with Mr Wilson another night to see if there is anything else he needs.

Visit Mr Wilson in the evening and ask for "more help with the board". He will tell you that he wants nude pictures of Priti. You can agree or disagree. If you agree, see [QWIL05](#).

If you disagree, he will ask for a prostitute and Viagra instead. If you have already hired Trixie (either as the lab technician or the dance teacher), see [QWIL10](#) for the next action. If you have not hired Trixie, see [QWIL09](#).

You can change your mind about taking the nude pictures. To do this, visit Mr Wilson in the evening again. Speak to him about the "photos of Priti". If you originally disagreed and now want to take the photos of Priti, tell him "I've decided to help you". If you originally agreed and now want to hire the prostitute instead, tell him "I've changed my mind".

[QWIL05] Purchase a Digital Camera

Full description = (5) Purchase a digital camera and then decide how to obtain high quality naked photos of Priti.

Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday.

You might already have the camera if you have completed the "Sally Learns the Ropes" staff quest (see [QSAL04](#)). If you, this action will automatically be shown as completed. See [QWIL06](#) for the next action.

[QWIL06] Summon Priti to your Office

Full description = (6) Summon Priti to your office then decide how to obtain naked photos of her.

You can then use your phone to summon Priti to your office.

You can then choose to "order her to strip" or "trick her". The "order to strip" option will give you less influence points and will result in you losing a large number of grade, discipline and popularity points. (For details, see [XTRA02](#). See [QWIL08](#) for the next actions if you take this route.)

You should therefore choose to "trick her". You will then take some basic photos of her, and will unlock the ability to purchase the "school swimwear samples". See [QWIL07](#) (below) for the next action.

Note: from this point on, the decisions you make mean that you will not see all of the quest actions shown below. As you will see above, this guide will tell you what the next action is, depending on the choice you make.

However, this also means that some of the step numbers below might change. For example, step 9 ("figure out a way to get a prostitute") will be shown as step 5 if you initially refused to take the naked pictures of Priti.

[QWIL07] Order swimwear and uniform samples

Full description = (7) Order swimwear and uniform samples for Priti to try on. Then summon her to your office.

Once you have \$1200, buy the School Swimwear Samples from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday. You can then use your phone to summon Priti again and complete the photoshoot.

[QWIL08] Decide whether to hand over the pictures

Full description (if you tricked Priti) = (8) Visit Mr Wilson and decide whether to hand over the pictures.

Full description (if you forced Priti to Strip) = (7) Speak to Mr Wilson and decide whether to hand over the pictures.

Visit Mr Wilson's apartment in the evening and talk to him about the photos of Priti. You can decide whether to hand them over or not. If you hand them over, you will get 2 influence points and this staff quest will be completed.

If you refuse to hand over the photos, he will ask for a prostitute and some Viagra instead.

If you have already hired Trixie (either as the lab technician or the dance teacher), see [QWIL10](#) for the next action. If you have not hired Trixie, see [QWIL09](#).

Note: If you ordered Priti to strip, you will only get 1 influence point (not 2) if you give Mr Wilson the photos. In the morning, Samantha will tell you that Priti was seen running from your office in tears. Your grades, discipline and popularity will all decrease by 10. If this causes grades or discipline to fall to zero, you will get an immediate bad game ending.

[QWIL09] Figure out a way to get a prostitute

Full description = (9) Figure out a way to get a prostitute for the Math teacher.

In order to complete this, you will need to hire Trixie. See the "Experiments Gone Wild" staff quest ([QCHA06](#)) for how you can hire her. This action will then change to "Ask Trixie if she knows any local prostitutes" (see [QWIL10](#))

Game Note: if you decided not to hire Trixie, you will be unable to complete this action. Instead you will need to visit Mr Wilson and tell him "I've decided to help you". You will then need to give him the photos of Priti instead..

[QWIL10] Ask Trixie if she knows any local Prostitutes

Full description = (9) Ask Trixie if she knows any local prostitutes.

Once you have hired Trixie, use the phone in your office to ask her to come to your office. She will tell you that she knows a suitable escort agency, and you then email the company.

[QWIL11] Wait a Day and Check for a Reply

Full description = (10) Wait a day and check for a reply from the escort agency.

The following day, check your email on your office computer. The agency will tell you that they have a suitable girl called Candy, but she will cost you \$2000. You will then see a picture of Candy.

Note: If you are playing easy mode, the prostitute will only cost \$1200.

[QWIL12] Email back the Escort Agency

If you do not have \$2000, you will tell yourself that you'll need to save up and then email back at a later date. If you have enough money, you will be asked if you want to transfer the money or not.

If you do not have enough money, or if you decide not to pay the money, then you can re-read the email at a later date.

Once you have \$2000, pay the money for Candy.

Note: If you are playing easy mode, the prostitute will only cost \$1200.

[QWIL13] Purchase some Viagra

Full description = (12) Purchase some Viagra from the online store.

Once you have \$200, attempt to buy the Viagra pills from the Online Shopping | Health option on your office computer. When you get the option, buy the cheap \$20 pills instead.

Note: You can buy the normal Viagra pills if you wish, but that will mean you will not see the full scene with Candy later.

[QWIL14] Wait for the Viagra to Arrive

Full description = (13) Wait for the Viagra to arrive from the online store.

The pills will arrive the following weekday. (If you order them on Friday or Saturday, they will arrive on Monday).

[QWIL15] Deliver the Pills to Mr Wilson

Full description = (14) Deliver the pills to Mr Wilson and inform him that the prostitute has been ordered.

Once the pills have arrived and you've paid for the prostitute, see Mr Wilson in the evening and tell him that "I have found you a prostitute". If you bought the cheap pills, you should remove the warning label before you hand them over.

Note: if you gave Mr. Wilson the expensive pills, then you do not need to complete the rest of this action. Instead, the questlog will change to "Visit Mr Wilson Again". See [QWIL16](#) for the next steps.

Game note: if you initially refused to give him the naked pictures of Priti (see [QWIL04](#)), then the questlog will change to "Visit Mr Wilson Again" (see [QWIL16](#), below). However, you will still need to complete the rest of this action first.

At the end of the following day, you'll be told by Samantha that Mr Wilson didn't show up to his last class of the day. (If it's a weekend, you'll get a phone call from Miss Potts saying Mr Wilson didn't show up to a book club instead.) You'll then automatically go to Mr Wilson's apartment.

You can choose to play through the scene however you want. But to see the full scene, tell Candy that you are Mr Wilson and then later give Mr Wilson another Viagra substitute.

[QWIL16] Visit Mr Wilson Again

Full description = (15) Wait a couple of nights and visit Mr Wilson again.

The following evening, go back to Mr Wilson's apartment and talk about Candy. You will get 2 Influence points. That completes this staff quest.

Note: if you gave Mr. Wilson the expensive pills, you need to wait a day before you can visit Mr. Wilson. If you try to see him the very next evening, you will tell yourself "Mr Wilson will be busy with Candy. I've no desire to see that".

[QWIL17] You've Completed Mr Wilson's Story Line

Full description (if you ordered the prostitute) = You've completed Mr Wilson's story line.

Full description(if you gave Mr Wilson the pictures of Priti) = You gave Priti's pictures to Mr Wilson. You've completed Mr Wilson's story line.

Once you have discussed Candy's visit with Mr Wilson, or you have given Priti's pictures to Mr Wilson, then you have completed Mr Wilson's story line.

[QSAL] Sally Learns the Ropes (Chapter 1)

Description

Sally is already an accomplished disciplinarian and you think she might be ready to learn some of your advanced teaching methods.

Note: Punishing Debbie

To complete this quest, you will need to give Debbie several private punishments. You will initially get the opportunity to punish Debbie either by patrolling the halls or teaching classes.

If you patrol the halls, you will sometimes get a random patrol event where Debbie gives Lucy a wedgie. If you teach classes, you will sometimes get a random event where Debbie is bullying Lucy.

You can only complete these quest actions when giving Debbie a private punishment. You will not be able to progress this quest if you give her a public punishment or punish her in class instead.

Unlocking this Quest

You will unlock this quest by giving Debbie a private punishment. She will start the punishment at Level 2. You are told that you will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

The next weekday morning you will see a scene with Sally and Izzy running. This quest will become unlocked. The option to buy the paddle will be unlocked. The option to propose a new Corporal Punishment rule to remove skirts will become available.

Alternative path: If you have not unlocked this quest by the time that you complete the "Order to the Chaos" main quest (QM1), then it will automatically unlock at the same time as the "A Man's Work" main quest (QM3). The option to buy the paddle and propose the "remove skirts" rule will become available as well.

[QSAL01] Purchase a paddle

Full description = (1) Purchase a paddle from the online store.

Once you have \$500, buy the paddle from Online Shopping | Sex Toys option on your office computer. It will arrive the following weekday morning.

[QSAL02] Remove skirts rule

Full description = (2) Convince the school board that skirts must be removed for corporal punishments.

Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Note: passing this rule is also required as part of Rachel's Student Quest (see [QRAC102](#)) and Amy's Student Quest (see [QAMY02](#)), so you may have already completed this action.

[QSAL03] Catch Debbie misbehaving (Part 1)

Full description = (3) Catch Debbie misbehaving and sentence her to a private punishment

Note: This is a large action, so for clarity it has been split into 2 parts, [QSAL03](#) and [QSAL04](#). But it is part of the same quest action.

Teach classes or do patrols until you see Debbie bullying Lucy and you can give her another private punishment.

At the start of this punishment, you should get a message saying you have everything you need to cause sufficient pain and humiliation.

Debbie will start this punishment at Level 2. Remove her clothing & skirt. Position her with hands above her head, and do a body search. Position her bent over the desk and do a hand spanking (or ruler) spanking and a paddle spanking. Position her over Miss Newman's knee and massage her buttocks. This will unlock a new "massage inner thighs" action. Massage her inner thighs. You will then get a message saying that you have raised Debbie to level 3.

Sally will tell you she is impressed, and you will get 1 Influence point from her.

[QSAL04] Catch Debbie misbehaving (Part 2)

(For part 1 of this action, see [QSAL03](#), above)

Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. (You might already have the camera if you have completed the "Priti as a Picture" staff quest (see [QWIL05](#)). The camera will arrive the following weekday.

Once the camera arrives, carry out a patrol. You will see Debbie start to apologize to Lucy, until Cassandra arrives and Debbie bullies Lucy again. When Debbie arrives at your office after school, choose to give her another private punishment.

Note: this patrol event only happens once. If you do not complete it successfully (for example, if you do not have the camera, or you choose to give Debbie a public punishment instead), then see [DEB06](#) for details of alternative options.

Debbie will start this punishment at Level 3. Remove her clothing & skirt. Position her with hands above her head, do a body search and use the camera to take pictures. Position her bent over the desk and do a ruler spanking and a paddle spanking. Position her over Miss Newman's knee. Massage her inner thighs. This will unlock the "rub pussy" action. Rub her pussy. You will then get a message saying that you have raised Debbie to level 4.

Sally will say she's worried about touching a student's pussy, you will reassure her and you will get 1 Influence point.

At the end of the punishment, tell her to "let me touch you". You will tell her that you are going to do a common trust exercise with her. Touch her hair and face, then touch her arms, then touch her legs, then touch her breasts. This will unlock the ability to propose the Very Strict Uniform Policy rule at the School Board, which allows you to confiscate clothing. You can also try to touch Debbie's pussy but she will refuse.

The following morning, Miss Newman will ask you if you get turned on by watching her spank the girls. You will admit you do get aroused, and you will get +1 Influence point.

[QSAL05] Confiscate clothing

Full description = (4) Convince the school board to allow you to confiscate clothing that does not fit with the school's uniform policy.

Once you have 6 Influence and 30 Discipline, pass the Very Strict Uniform Policy at the next Friday morning school board meeting.

[QSAL06] Catch Debbie misbehaving

Full description = (5) Catch Debbie misbehaving in class and then sentence her to another private punishment.

Teach classes until you see Debbie being teased by Donna. Choose to give Debbie a private punishment.

Debbie will start this punishment at Level 4. Remove her clothing & skirt (her panties will also be removed). Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking.

Position her over Miss Newman's knee and rub her pussy. This will unlock the fingering option. Position her with hands above her head and get Miss Newman to finger her to orgasm. You will then get a message saying that you have raised Debbie to level 5.

(At the end of this punishment, you can assign Debbie a role as a prefect, but this is not required to unlock this quest. However, you must assign her a role to complete the "Taming a Prefect" student quest, [QST1](#).)

[QSAL07] Give Sally a Demonstration of Your Skill (Part 1)

Full description = (6) Give Sally a demonstration of your skill as a disciplinarian. Teach a sports class on a Thursday afternoon.

Note: This is a large action, so for clarity it has been split into 2 parts, [QSAL07](#) and [QSAL08](#). But it is part of the same quest action.

The first time you speak to Sally in the Sports Center changing room, she will apologize for exposing herself to you on Day 1. If you have not already done so, speak to Sally on Monday, Tuesday, Wednesday or Friday afternoon to have this initial conversation.

After you have had the initial conversation, then on Tuesday, Wednesday or Friday afternoon, you can talk to Sally in the changing room in the Sports Center. Initially, you will see Sally standing in front of the lockers. Speak to her about "more about you". After you do this, and after the first Board meeting (which takes place on the first Friday morning), then you will see Sally in her underwear standing in front of the mirror instead. Speak to Sally again, and she will ask you if you have found a set of keys.

On Monday afternoon, go to the men's changing room and click on the shower area. You will be told that if you go forward any further Sally will notice you.

Note: If you click on the towel rack and you will be told that there is one big towel and lots of small ones. This step is not required but helps explain the prank you are about to pull.

Click on the shower area, and Sally will ask you wait a couple of minutes. She will then come out of the shower and takes the big towel. This first scene will be unlocked in the replay menu.

The next Monday afternoon, go to the men's changing room and click on the shower area again. Click on the towel rack, and choose to grab the big towel. Click on the shower area, and Sally will again ask you to wait a couple of minutes. This time, when she comes out, she will be forced to use one of the small towels instead.

If you have not already done so, at the School Board, choose to open the Lake (see under Other Rules).

Complete the "Order to the Chaos" Main Quest ([QM1](#)). Once you have completed this quest, you will have second dream ([OTH03](#)). The first weekday after you have the dream, Samantha will tell you that the groundskeeper (Jimmy) wants to talk to you about some keys. Once the Lake is opened, you can speak to him any morning. Ask him about the missing keys and he will give you Sally's keys.

On Monday, Tuesday, Wednesday or Friday afternoon, talk to Sally again. This time she will be standing naked in front of the mirror. You can choose to give her the keys or throw them to her. (However, the best option is to throw the keys and then admit you were being sneaky.)

[QSAL08] Give Sally a Demonstration of Your Skill (Part 2)

Full description = (6) Give Sally a demonstration of your skill as a disciplinarian. Teach a sports class on a Thursday afternoon.

Note: This is a large action, so for clarity it has been split into 2 parts. For part 1, see, [QSAL07](#).

Raise Debbie to punishment level 5 ([DEB07](#)). During the punishment, position Debbie over Miss Newman's knee and rub her pussy. This will unlock the fingering option. Position her with hands above her head and get Miss Newman to finger her to orgasm.

At the end of the punishment, you can choose to "Assign Role" to Debbie. Debbie will give you a handjob and you will make her a prefect.

Teach a sports class on Thursday afternoon.

Note: When you go to the Sports Center on Thursday afternoon, you will see Sally with a group of students. If you talk to her, you will find that she is about to take them on a long run. This step is not required but it does provide some background information for the event.

After the lesson, you will take a shower. Sally will come into the shower with you. You will give her a demonstration of your skills by spanking her and then having sex with her.

Fun note: after you have unlocked the full version of this event, then on Monday afternoons, if you go into the changing room and click on the shower area, then you will be able to join Sally in the shower and have sex with her again.

Advance to Chapter 2

To complete the rest of Sally's staff quest, you need to start Chapter 2 of the game. To do this, you will need to fully completing the Main Quest "A Man's Work" (QM3) so that you can punish the girls yourself.

[QRUT] A Troublesome Inspector

Description

In order to ensure the girls are not being mistreated the government sent an inspector to your school by the name Ruth Thomas. Ruth is determined to prevent you from being able to punish the girls yourself. She is immune to your charms and you will need to find some other way to convince her.

Unlocking this Quest

This quest is unlocked by holding the initial vote on the Corporal punishment rule "corporal punishments may be carried out on students by any teacher regardless of gender" at the Friday school board. For the initial vote, the discipline and influence requirements will be shown as "?".

[QRUT01] Visit Ruth in the teachers' lounge

Full description = (1) Go and visit Ruth in the teachers' lounge located in the office building.

If you have not already done so, unlock the "If a Headmaster Falls in the Woods" main quest (QM2) by opening the Recycle bin on your computer and reading the April 15 entry.

Go to the teachers' lounge and speak to Ruth. Ask about "the old headmaster". (You cannot ask Ruth about the old headmaster until the "If a Headmaster Falls in the Woods" main quest is unlocked.)

[QRUT02] Speak to Miss Chang about the password

Full description = (2) Speak to Miss Chang about getting the password to the old headmaster's computer.

In the evening, talk to Miss Chang in her classroom about "the old headmaster's password".

[QRUT03] Spike Sally's drink

Full description = (3) Spike Sally's drink with the shrinking potion formula while she's in the shower (Monday afternoon in the men's changing rooms).

The first time you speak to Sally in the Sports Center changing room, she will apologize for exposing herself to you on Day 1. If you have not already done so,

speak to Sally on Monday, Tuesday, Wednesday or Friday afternoon to have this initial conversation.

After you have had the initial conversation, then on Monday afternoon visit the men's changing room. You will see Sally's bag on a bench. Click on it.

[QRUT04] Wait until the evening

Full description = (4) Wait until the evening.

This should be self explanatory. Either skip the period or find something else to do that afternoon, e.g. teaching a class.

You will then get a big cut scene with Sally and Miss Chang, where Sally shows Miss Chang that size isn't everything. It ends with Sally spanking Miss Chang, and then Miss Chang will then give you the password.

[QRUT05] Open the locked journal

Full description = (5) Open the locked journal entry in the recycle bin of the old headmaster's computer.

Open the Recycle bin on your computer and read the (previously locked) April 16 entry.

[QRUT06] Blackmail Ruth

Full description = (6) Ruth and the old headmaster were having an affair. Use the information to blackmail her.

During the day, go to the Teachers' Lounge and speak to Ruth about the old headmaster's journal.

In the evening, you will have the "third dream" event, with Sarah and her friend Rosie. (See [OTH04](#))

[QRUT07] Hope for a miracle

Full description = (7) Hope for a miracle.

Complete actions 1-3 from the "If a Headmaster falls in the woods" main quest ([QM2.2](#) to [QM2.5](#)). This involves going to the lake and speaking to Jimmy about "the old headmaster" and "the old headmaster's body".

The following morning, Jimmy will take you to the spot where the headmaster died. You will find his wallet with the safe combination in it. Go to your office and

click on the bookcase. You will then be able to unlock the safe and you will get a cut scene. You read the notes the old headmaster was making about the school's owners and find some intimate pictures of the old headmaster with Ruth.

Fun note: during the cut scene, if you tell yourself that you're a villain and you're OK with that, then you'll get the opportunity to humiliate Ruth by doing an underwear inspection on her later in the game.

[QRUT08] Confront Ruth again

Full description = (8) Confront Ruth again in the teachers' lounge.

Talk to Ruth in the Teachers' lounge about "the old headmaster's safe".

You will have various options about how to speak to Ruth. If you told yourself that you were a villain in the earlier cut scene, you will blackmail her, and have the option to humiliate her further by doing an underwear inspection.

If you told yourself that you're not a villain, you can choose whether to simply give her the photos, or to blackmail her. However, even if you decide to blackmail her, you can't humiliate her further by doing an underwear inspection. Regardless of which option you choose, in the end Ruth will agree to your demands, although she will set out some conditions of her own.

Fun note: if you told yourself that you're a villain and you're OK with that during the earlier cut scene (QRUT07), and then you decide to humiliate her, then you will be able to demand underwear inspections from her whenever you visit her in the teachers' lounge.

[QRUT09] End of Story Line

Full description = You've reached the end of Ruth's story line for this update.

Once you have confronted Ruth in the Teacher's lounge, then you have completed Ruth's story line.

CHAPTER 1: STUDENT QUESTS

[QDEB1] Debbie: Taming a Prefect.....	52
[QRAC1a] Rachel: The Headmaster's Pet (Part 1: Chapter 1).....	56
[QAMY] Amy: The Spanking Connoisseur (Chapter 1).....	63

[QDEB1] Debbie: Taming a Prefect

Description

You need a strong girl on your side to keep the others in line. Debbie would be ideal if she wasn't so wild. Use Miss Newman to tame the savage girl in your office.

Unlocking this Quest

To unlock this event, you will need to do paperwork in your office three times. The first time, Maxine will introduce herself. The second time, Lucy will come to you wanting help. (If you have popularity 5+, you will give Lucy a job: see [PAP03](#) for details.) The third time, Maxine will demand that you stop the use of corporal punishment.

During the week, do a patrol. You will see the "Debbie shows Maxine who's boss" event ([PAT09](#)), where Debbie confronts Maxine and decides to give her a spanking. (You can either intervene and stop the spanking, or wait and watch Debbie give the spanking.)

The following Sunday afternoon, you will automatically see an event where Maxine holds a protest ([STD01](#)). You can choose to break it up, or to walk away. Either option will unlock this quest. However, if you break it up your popularity will decrease by 2 points.

WARNING: Until you complete this quest, Maxine will keep giving protests every Sunday afternoon. If you break it up, you will lose 2 popularity points, and if you walk away you will lose 2 discipline points.

[QDEB101] Raise Debbie to Level 5

Full description = (1) Raise Debbie to Level 5 and assign her the role of Prefect. Advance Miss Newman's Staff Quest: Sally Learns the Ropes.

To complete this, you need to complete actions 1-5 in the "Sally Learns the Ropes" staff quest ([QSAL01](#) to [QSAL05](#)). At the end of the punishment where you raise Debbie to level 5 you should choose to "assign role". Debbie will give you a handjob and you will make her a prefect.

[QDEB102] Wait until Sunday

Full description = (2) Wait until Sunday and have Debbie put an end to Maxine's protests.

The following Sunday afternoon, you will automatically see an event where Maxine holds a protest ([STD02](#)). However, this time Debbie will stop the protest.

[QDEB103] Gain the Ability to Punish the Girls Yourself

Full description = (3) Gain the ability to punish the girls yourself by **completing the main quest: A Man's Quest**

You will need to start Chapter 2 of the game, by fully completing the Main Quest "A Man's Work" ([QM3](#)) so that you can punish the girls yourself.

[QDEB104] Summon Debbie to Your Office

Full description = (4) Now that you are able to punish the girls yourself, you should summon Debbie to your office after school for further training.

In the evening, summon Debbie to your office for punishment. Debbie will ask if she can keep being punished by Miss Newman. You agree, provided that Debbie is willing to give you a blowjob afterwards.

Note #1: You can only summon Debbie to your office if there are no other girls who require punishment that day.

You will then need to raise Debbie to punishment level 6 during the punishment. See [DEB09](#) for details of how to do this.

At the end of the punishment, tell Debbie to give you a blowjob. You should warn her that you are about to cum. Afterwards, you will speak to Debbie and agree to make her your apprentice.

Note #2: You should choose to warn Debbie. If you choose one of the other blowjob endings ("don't warn her, then try to apologize" or "just grab her by the hair") then you will not be able to progress Debbie's student quest.

If you warned Debbie, see [QDEB106](#) for the next action. If you didn't warn Debbie, see [QDEB105](#).

[QDEB105] Warm Debbie When the Test is Finishing

Full description = (4) Now that you have tested Debbie's loyalty after punishment, you will need to test her again, but warn her when the test is finishing in order to hear what she wants.

You will only see this if you did not warn Debbie that you were about cum when she gave you a blowjob ([QDEB104](#)).

In the evening, summon Debbie to your office for punishment again. Choose to give her a private punishment. Debbie will already be at her max level, but you will still have to undress her and then choose at least one punishment action. You can then end the punishment.

Note #1: You can only summon Debbie to your office if there are no other girls who require punishment that day.

Note #2: You need to carry out at least one punishment action before you end the punishment, but if you carry out more actions you will get more money for the punishment.

At the end of the punishment, tell Debbie to give you a blowjob. You should warn her that you are about to cum. Afterwards, you will speak to Debbie and agree to make her your apprentice.

Note #3: If you do not warn Debbie, this action will not be completed. Instead, you will have to summon Debbie to your office again, and re-do this action.

[QDEB106] Wait for Debbie to Speak with You

Full description = (5) You accepted Debbie as your apprentice. Wait for her to come speak with you during school hours.

The following day, you will see a special scene with Debbie at the start of the afternoon. Debbie will tell you that a girl refused to show her knickers to Debbie. Debbie wants to spank the girl, but you tell her that she needs some formal training before she can punish the other girls.

Note: unlike most special scenes, this does not happen at the start of the day. It happens at the start of the afternoon.

At the end of this scene, Debbie's new student quest, Training a Prefect - Part 2, will be unlocked.

[QRAC1a] Rachel: The Headmaster's Pet (Part 1: Chapter 1)

Description

A cute young woman named Rachel keeps falling asleep in lessons. She appears to be addicted to computer games, although you suspect this is merely a symptom of some deeper problem. You will need to learn more about her if you are to help her overcome her addiction. Perhaps you can also find a role for her to help you in the running of the school.

Rachel's Storyline

Rachel's storyline is separated into 2 quests: The Headmaster's Pet, and The Headmaster's Pet Part 2.

In her first quest, you give Rachel her initial training and make her your Personal Executive Trainee (or P.E.T.). In The Headmaster's Pet Part 2, you give her some advanced training and finally complete her quest.

You can complete some of Rachel's first quest while you are in Chapter 1 of the game. However, you will need to start Chapter 2 of the game before you can complete Part 1 of Rachel's quest or start The Headmaster's Pet Part 2. This means that Rachel's walkthrough has been separated into three separate parts:

Walkthrough Part	Ref	Description
The Headmaster's Pet Part 1, Chapter 1	QRAC1a	This covers the actions you can take with Rachel in Chapter 1 of the game.
The Headmaster's Pet Part 1, Chapter 2	QRAC1b	This covers the conclusion to Rachel's first quest, where you make her your P.E.T. This takes place in Chapter 2 of the game.
The Headmaster's Pet Part 2	QRAC2	This covers Rachel's second quest. This takes place in Chapter 2 of the game.

Unlocking this Quest

To unlock this event, teach classes until you see Rachel falling asleep in class, and choose to give her a private punishment.

Note: If this is the first time that you see Rachel falling asleep in class, you will automatically decide to give her a private punishment. Otherwise, you will need to choose to punish her after school and give her a private punishment.

During this punishment you will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

In the evening, spy on her room in the evening and you will see the "Rachel and the Ointment" event ([SPY04](#)) where Donna and Maxine comfort Rachel, Maxine takes a photo of her bottom for evidence, and Donna rubs some ointment on Rachel's bottom.

In the morning, you will then automatically see Rachel's "Sleeping in Reception, Part 1" event ([STR01](#)). This quest will then unlock.

During the Sleeping in Reception event, you will have the option to order her to your office after school. However because you haven't been able to purchase the aloe vera cream yet, you won't be able to raise her to the next level.

(If you let her go, you will get +1 popularity. Alternatively, you can still get money or discipline points by giving her a private or public punishment.)

[QRAC101] Purchase the Ointment

Full description = (1) Purchase the ointment from the online store to provide extra pleasure during punishment.

Once you have \$50, buy the Aloe Vera Cream from the Online Shopping | Health option on your office computer. It will arrive the following weekday.

[QRAC102] Allow skirts to be removed

Full description = (2) Convince the school board to allow skirts to be removed to provide extra humiliation.

Unlock the "Sally learns the Ropes" Staff quest ([QSAL](#)) by giving Debbie her first private punishment. This will also unlock the ability to propose the "remove skirts" rule. You can then pass the rule at the Friday school board (see [QSAL02](#) for details).

Note: passing this rule is also required as part of Sally's Staff Quest (see [QSAL02](#)) and Amy's Student Quest (see [QAMY02](#)), so you may have already completed this action.

[QRAC103] Catch Rachel falling asleep

Full description = (3) Catch Rachel falling asleep in class again then convince her to talk to you about her night-time habits.

Teach classes until you see Rachel falling asleep in class again, and choose to give her a private punishment. At the start of the punishment, you will say to yourself that "I should have everything I need now".

Rachel will start this punishment at Level 1. Remove her clothing & skirt. Position her bent over the desk and do a hand spanking and ruler spanking. Position her over Miss Newman's knee and apply the ointment, spank her and massage her buttocks. You will then get a message saying that you have raised her to the next level (level 2).

At the end of the punishment, give her the special homework assignment. You tell her that she should be masturbating instead of playing computer games.

[QRAC104] Spy on Rachel's room

Full description = (4) Spy on Rachel's room to make sure she does her homework.

After you have given Rachel her special homework assignment, spy on her room in the evening. You will see her trying to masturbate (but poorly).

Note: if you get a message saying that it doesn't look as if Rachel is here, then spy on the shower room first. You will see Rachel taking a shower by herself. Once you have seen this scene, you can spy on Rachel's room and see her trying to do her "homework".

[QRAC105] Advance Miss Newman's staff quest

Full description = (5) Unlock new punishment actions by **advancing Miss Newman's staff quest: Sally Learns the Ropes. Then catch Rachel falling asleep in class again and give her an office punishment.**

If you have not already done so, you will need to purchase a paddle (see [QSAL01](#)) and then raise Debbie to punishment level 3. See [QSAL03](#) for details. This will unlock the "massage inner thighs" option.

[QRAC106] Assign her the role of your trainee

Full description = (5) Punish Rachel in your office for falling asleep in class again then assign her the role of your trainee.

Teach classes until you see Rachel falling asleep again, and give her a private punishment.

Rachel will start this punishment at Level 2. Remove her clothing & skirt. Position her with hands above her head, and do a body search. (If you have it, you can use the camera to take pictures instead of doing a body search).

Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over the knee, apply the ointment, give her a hand spanking and massage her inner thigh. You will then get a message saying that you have raised her to the next level (level 3).

At the end of the punishment, assign Rachel a role. You assign her a role of personal trainee.

[QRAC107] Meet with Rachel at Lunchtime

Full description = (6) Meet with Rachel at lunchtime in your office the next school day.

The afternoon after you assign Rachel a role, there will be a scene where Rachel reports to you. You will receive a message saying that you have a new follower: Rachel, and that you can click on her icon to interact with her.

[QRAC108] Explore the school with Rachel

Full description = (7) Explore the school with Rachel and try to work out what is causing her body confidence issues.

On Monday, Tuesday, Wednesday or Friday afternoon, go to the sports Center. You will get a scene where Rachel says she doesn't like changing with other girls, and you agree she can change with you.

Go into the men's changing room and there will be a scene where Sally and Rachel get changed together.

Note: you have to click on the Sports Center and then on the men's changing room. If you click on the quick access button on the main map menu, you will not be able to complete this quest action.

[QRAC109] Make Rachel take her Shirt off

Full description = (8) Find a reason to make Rachel take her shirt off in front of the other girls during a sports lesson.

You will need to complete two practice games. To get the practice matches, you will need to teach sports lessons in the afternoon. Every time you teach 5 sports lessons, you will play a match during the fifth lesson.

In addition, during the afternoon when you see Rachel and Sally getting changed together ([QRAC108](#)), you will automatically play a match.

During the first practice game, you will need to play a "shirts and skins" game. You will need popularity 9+ to do this.

During the second practice game, you will need to make the teams switch things around so the other team takes off their tops. You will need discipline 15+ to do this.

Note #1: During this event, you will also be asked if you prefer big boobs or small boobs. It does not matter which one you choose. However, if you say that you liked big boobs, some of the dialog in this event will change.

Note #2: If you did not have enough popularity or discipline to get the girls to play "shirts and skins" or to swap things around, then you will need to play another 5 games and you will get another opportunity to do so.

(See [SPT03](#), The First Match, and [SPT04](#), The Second Match, for more details.)

[QRAC110] Make Rachel take her Shirt off in your Office

Full description = (9) Find a reason to make Rachel take her shirt off in front of you in your office. Perhaps by making her change clothes for a public punishment.

If you have not already done so, pass the Public Punishments "punishment outfit" rule at the Friday school board. You will need Discipline 25+ and Influence 4+ to do so.

Teach classes until you see Rachel falling asleep again. Order her to your office after school and give her a public (not private) punishment. Say that you like her boobs. You will discover her weakness: that she had body envy of other curvier women. You tell her you will teach her a special confidence building exercise.

Completing this event will unlock the ability to purchase the "cat ears".

[QRAC111] Purchase some cat ears

Full description = (10) Purchase some cat ears online

Once you have \$50, buy the Cat Ears from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

[QRAC112] Punish Rachel Again

Full description = (11) Punish Rachel again and teach her to be less anxious about her body.

If you have not already done so, you will need to purchase a camera and then raise Debbie to punishment level 4. See [QSAL03](#) for details. This will unlock the "rub pussy" option.

Teach classes until you see Rachel falling asleep in class, and choose to give her a private punishment. At the start of the punishment, you will say to yourself "I feel like I know Rachel a lot better now".

Rachel will start this punishment at Level 3. Remove her clothing & skirt. Position her with hands above her head, do a body search and use the camera to take pictures.

Position her bent over the desk and do a ruler spanking and a paddle spanking. Position her over the knee. Massage her inner thighs and rub her pussy. You will then get a message saying you have raised her to the next level (level 4)

At the end of the punishment, carry out the Special Confidence Building Technique. She will act like a cat and you will pet her. You will also tell her to do her "homework" that evening.

[QRAC113] Spy on Rachel's Room again

Full description = (12) Spy on Rachel's room again

In the evening, spy on Rachel's room. You will see her trying to masturbate again. The following morning, you will get a scene with Rachel sleeping in reception again.

You can choose to "wake her up", or "teach her a lesson". If you wake her you can decide to "let her go", which will give you +1 Popularity. Alternatively, you can order her to your office after school.

Note #1: if you order her to your office after school, you can get money or discipline points by giving in her private or public punishment. However,

you won't be able to raise her to the next punishment level until you have started Chapter 2 of the game and unlocked the new rule.

However, to see the full scene, you should decide to "teach her a lesson". Pull her knickers down (you can also peak at her vagina if you want) and then open up her shirt. This will then allow you to propose a new "strip to underwear" rule at the school board. However, you will not be able to pass this rule until you start Chapter 2 of the game.

Note #2: The strip to underwear rule will automatically be unlocked when you start Chapter 2 of the game, so there is no particular benefit in unlocking it during this scene (except that you get to see the full scene with Rachel).

[QRAC114] Be Able to Punish the Girls Yourself

Full description = (13) You need to be able to punish the girls yourself, then convince the school board to let you make the girls strip down to their underwear for punishments, and then punish Rachel again.

You will need to start Chapter 2 of the game. To do this, you will need to fully completing the Main Quest "A Man's Work" ([QM3](#)) so that you can punish the girls yourself.

[QAMY] Amy: The Spanking Connoisseur (Chapter 1)

Description

Initial Description:

A young athlete named Amy is constantly late and always runs around at dangerous speeds as a result. It's a bad habit that is disruptive to your lessons and you fear she might one day injury someone. From observation of the girl during her punishments you have determined that she is a masochist, deriving sexual pleasure from pain. A girl like that could prove useful to you as a practice subject to help train your staff and Prefects in the art of discipline.

After you see Amy spanking herself with her riding crop (QAMY4), the following line is added:

You believe that Amy is proving resistant to your punishment methods because she is receiving large amounts of pleasure, pain, and humiliation from outside sources.

After you see Amy teaching Tia how to give multiple orgasms (QAMY12), the following line is added:

You decide that you will need to temporarily cut off her source of pleasure in order to make your punishment methods effective.

Note: Punishing Amy

To complete this quest, you will need to give Amy several private punishments. You will initially get the opportunity to punish Amy either by patrolling the halls or teaching classes.

If you patrol the halls, you will sometimes get a random patrol event where Amy is running in the halls. If you teach classes, you will sometimes get a random event where Amy is late to class. Order her to your office after school and then sentence her to a private punishment.

Unlocking this Quest

You will unlock this quest by giving Amy a private punishment. She will start the punishment at Level 2. You tell yourself that you don't know enough about Amy to devise a proper strategy for punishing her. This means that you will not be able to level her up during this punishment. However, it is still worth giving a severe punishment to earn as much money as possible.

When she is spanked for the first time, you discover her weakness: she is a masochist and takes pleasure from being spanked. In addition, her tolerance for pain is higher than the other girls.

That evening, spy on Amy's room. (Note: Amy's room will initially be shown as an "unknown room".) You will see Maxine ask Amy to take a photo of her bruised bottom to gather evidence against the headmaster. This quest will then unlock.

[QAMY01] Spank Amy in front of her Classmates

Full description = (1) Spank Amy in front of her classmates to see how she reacts

Teach classes until Amy is late for class. Decide to punish her now. She will become aroused and you will get +1 Horniness point.

[QAMY02] Remove Skirts Rule

Full description = (2) Convince the school board to allow skirts to be removed as part of a punishment.

Unlock the "Sally Learns the Ropes" Staff Quest ([QSAL](#)) by giving Debbie her first punishment. This also unlocks the option to propose a new Corporal Punishment rule to remove skirts.

Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Note: passing this rule is also required as part of Sally's Staff Quest (see [QSAL02](#)) and Rachel's Student Quest (see [QRAC102](#)), so you may have already completed this action.

[QAMY03] Sentence Amy to a Private Punishment

Full description = (3) Sentence Amy to a Private Punishment

Teach classes or do patrols until you get the opportunity to give Amy another private punishment.

Amy will start the punishment at level 1. Remove her clothing & skirt. At this point, Amy will give you a riding crop to punish her with.

Note: if you did not spy on Amy's room after her first punishment, she will not give you the riding crop, and you will not be able to raise her to Punishment Level 2.

Position her bent over the desk and do a hand spanking and ruler spanking. Position her over the knee and do a hand spanking. Put her in the diaper position and use the riding crop on her inner thigh. You will get a message

saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 2).

Ask her about her sex life. She will admit to masturbating frequently and making out with multiple other students.

[QAMY04] Spy on Amy's Room Again

Full description = (4) Spy on Amy's room again

In the evening, spy on Amy's room. You will see her spanking herself with her riding crop. You realize that she is receiving pain, humiliation and pleasure in her own time, and this is rendering her immune to your methods.

This will unlock 4 new quest actions, to find out her sources of pain, humiliation and pleasure (see [QAMY05](#), [QAMY06](#) and [QAMY10](#)) and to punish her in class again (see [QAMY09](#)). You can complete these events in any order.

Note: if you did not ask her about her sex life after her punishment, this quest action will not appear and you will not see this scene. You will need to punish her after school again and then make sure to ask her about her sex life to unlock this quest action.

[QAMY05] Find Amy's Source of Pain

Full description = (5) Find out Amy's source of regular pain – speak with her in the sports Center on Tuesday morning.

On Tuesday morning, go to the sports Center and talk to Amy. She will show you her abs. You realize that her exercise regime is the source of pain.

If you have popularity 10+ then you can also find out about her source of humiliation (see [QAMY06](#) below).

[QAMY06] Find Amy's Source of Humiliation

Full description = (6) Find out Amy's source of constant humiliation – speak with her in the sports Center on Tuesday morning.

Once you have popularity 10+, go to the sports Center on Tuesday morning and talk to Amy. She'll tell you she was expelled because she did a porn shoot. You will then need to find the magazine she posed for. See [QAMY07](#) for the next action.

Note: this quest action can be completed at the same time as [QAMY05](#), finding Amy's source of pain.

[QAMY07] Track down the Magazine

Full description = (6) Find out Amy's source of constant humiliation – track down the magazine she posed topless for.

Once you have \$1000, use the Web Search option on your office computer to search for her porn. The next day, check your email (also on your office computer) and you'll be able to buy the magazine. It will arrive 5 working days (i.e. a full week) later.

After looking through the magazine, you will say that you need to spy on Amy again. See [QAMY08](#).

[QAMY08] Spy on her Room again (Olympics)

Full description = (6) Find out Amy's source of constant humiliation – spy on her room again another night.

In the evening, spy on Amy's room. You will see her being upset about missing the Olympics. You will realize that her humiliation comes from being kicked off the Olympic squad.

[QAMY09] Punish Amy in Class without her Skirt

Full description = (7) Punish Amy in Class without her skirt to see how she reacts.

Teach classes until Amy is late for class. Decide to punish her now. The other girls will tie her up and tickle her. You will learn she is turned on by being tied up.

Fun note: after this classroom punishment, Amy's class event will change. Instead of being interrupted by Amy being late, you will find Amy has arrived early to class but has forgotten her tie.

[QAMY10] Find Amy's Source of Pleasure

Full description = (8) Find out Amy's source of regular pleasure – patrol the halls and find out what Amy gets up to between lessons.

You will need to punish Amy in class without her skirt first. See [QAMY09](#), above.

Do a patrol during the week. You will see Amy making out with Tia in the stationary cupboard. You will automatically choose to give Amy a punishment after school.

Note: after you have completed the four actions (spanking Amy in class without a skirt, and finding her sources of Pain, Pleasure and Humiliation), then you will need to give her another private punishment (see [QAMY11](#)).

If you complete all the other requirements before you spy on Amy and Tia, then you can use the punishment you give her here to automatically complete [QAMY11](#) as well.

[QAMY11] Catch Amy Misbehaving

Full description = (9) Catch Amy misbehaving and sentence her to a private punishment.

If you have not already done so, buy the paddle from Online Shopping | Sex Toys option on your office computer. It will cost \$500. The paddle will arrive the following weekday.

Note: the paddle is also required as part of Sally's Staff Quest (see [QSAL01](#)) and Rachel's Student Quest (see [QRAC105](#)), so you may have already bought this.

Teach classes or do patrols until you see Amy misbehaving, and sentence her to a private punishment.

Note: you will automatically sentence Amy to an after-school punishment when you see her making out with Tia in the cupboard (QAMY10). If you have finished all the other requirements, you can complete this action then.

During the punishment, you will need to raise Amy to level 3. You may have already done this. In this case, you can simply choose to "end punishment" although it is still worth giving a severe punishment to earn as much money as possible.

If Amy is still at Level 2, you should remove her clothing & skirt. Position her bent over the desk and give her a ruler spanking and paddle spanking. Position her over the knee and do a hand spanking. Put her in the diaper position and use the riding crop on her inner thigh. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 3).

At the end of the punishment, you will see her trying to touch herself, and you will tie her hands behind her back. Afterwards, choose to "help her out". You will demonstrate "edging orgasms" on her by fingering and licking her to multiple orgasms.

[QAMY12] Spy on Amy's room again (Tia)

Full description = (10) Spy on Amy's room again.

In the evening, spy on Amy's room again. You will see Amy teaching Tia how to give her multiple orgasms. You will tell yourself that you will need to take even more drastic measures.

The ability to purchase the Chastity Panties will be unlocked.

[QAMY13] Purchase chastity panties

Full description = (11) Purchase chastity panties online.

Once you have \$600, buy the Chastity Panties from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

If you have not completed the "A Man's Work" quest (QM3), then when the panties arrive, you tell yourself that you should convince the school board to allow you to punish the girls yourself before you try to make Amy wear them. See [QAMY15](#).

If you have completed the "A Man's Work" quest, then you will tell yourself that you should patrol the halls again and try to catch her misbehaving. See [QAMY16](#).

[QAMY14] Purchase a cane

Full description = (12) Purchase a cane (optional).

Once you have \$500, buy the cane from the Online Shopping | Sex Toys option on your office computer. The cane will arrive the following weekday.

Note: you do not have to do this step, but it will make it easier to raise Amy's punishment level when spanking her.

[QAMY15] Convince the School Board

Full description = (13) Convince the school board to allow you to punish the girls yourself.

You will need to start Chapter 2 of the game, by fully completing the Main Quest "A Man's Work" (QM3) to that you can punish the girls yourself. Once you have purchased the chastity panties and have started Chapter 2, you will get a new action, "Patrol the halls". (See [QAMY16](#).)

[QLUC] Lucy: Maid for Pleasure

Description

Lucy has asked if you have any part time work she can do. Being the benevolent man that you are, you have allowed her to work as your maid. She will come to your house every Saturday morning. How will she continue to grow under your supervision?

Unlocking this Quest

You will unlock this quest by doing paperwork in the office. Once you have unlocked The Student President ([PAP01](#)), then the next time you do paperwork Lucy will speak to you. If you have popularity 5+, you can employ Lucy as your maid.

Note #1 If you do not have popularity 5+, then this event will remain locked, The next time you do paperwork you will get Maxine's Demand ([PAP02](#)) instead. Once you have seen then the next time you do paperwork you will get Lucy's Request again. You will continue to get Lucy's Request whenever you do paperwork in Chapter 1 until you have popularity 5+ and can employ Lucy as your maid.

Note #2: Note: if you started Chapter 2 without completing this event, you may also need to complete Alice Needs Tutoring ([PAP04](#)) and Alice Offers a Deal ([PAP05](#)) before you can see this event.

Note: Supervising Lucy

Once you have employed Lucy as your maid, she will visit your apartment every Saturday morning. During her first visit, you will stay and watch her work. But when she visits you again, you will be asked if you want to stay and supervise Lucy, or leave her to clean while you do some paperwork.

If you leave her, then she will charge you \$30 and Saturday morning will end. You will only be able to complete the actions in this student quest if you choose to stay and supervise her.

The option to leave her is designed for players who have completed Lucy's quest and do not want to repeat any of her scenes. It can also be useful if you are unable to progress with the next action (for example, if you do not have enough money or have not purchased the required clothing).

[QLUC01] Purchase a Suitable Uniform

Full description = (1) A maid should wear proper attire. Purchase a suitable uniform from the online store and ask Lucy to wear it when working for you.

Once you have \$400, buy the maid outfit from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

The following Saturday, get Lucy to wear the maid outfit and pay her the extra \$20. If you take a peek when she's changing, choose "better not push my luck".

Note: if you choose "keep watching", then Lucy will see you spying on her and will run off. She will return the following Saturday. (If you speak on her on Friday afternoon in the Classroom hall, you will apologize to her, but you do not need to do this for her to return the following Saturday.)

Lucy will spend the morning cleaning while you rest.

[QLUC02] Have Lucy Draw you a Bath

Full description = (2) Have Lucy draw you a bath. You will have to deal with the possibility that Lucy might see you naked.

The following Saturday, Lucy will automatically change into her maid's outfit and you will decide to take a bath. You will have the opportunity to expose yourself to Lucy. To do this, choose to get in the bath, and then demand to know where she's been.

Note: This quest action will be completed regardless of what option(s) you choose. However, to unlock the patrol event Lucy Tells All (PAT12), you will need to expose yourself to Lucy.

[QLUC03] Have Lucy Dust the Living Room

Full description = (3) Have Lucy dust the living room. If she fails to meet your exacting standards, you will need to decide how to deal with the situation.

The following Saturday, Lucy will automatically change into her maid's outfit and she will dust the living room. She will accidentally break a vase while dusting. You can tell the truth that it was just a cheap vase. But if you lie and say it was expensive, then you get the opportunity to spank Lucy.

At the end of the morning, you will pay her \$50. If you spanked her, you will also give her a tip. You can choose to give her \$10, \$50 or \$100.

If you previously exposed yourself to her during the Lucy runs you a bath event (HOM02) and you spank her now, make sure you give her at least a \$50 tip, or else she will refuse to come the following Saturday. If this happens, see QLUC04. Otherwise, see QLUC05.

[QLUC04] Track Lucy Down and Apologize

Full description = (4) You need to track Lucy down and apologize if you want her to continue. Otherwise you'll be doing your own cleaning.

This action only appears if you exposed yourself to her when taking a bath (QLUC02) and you then gave her a small (\$10) tip if you spanked her for breaking your vase (QLUC03).

Speak to Lucy in the school classroom hall on Friday afternoon. You will need to agree to pay her \$500 so that she will change her mind and agree to continue working for you.

[QLUC05] Purchase the Apron and Have Lucy Make you Coffee

Full description = (4) Purchase the apron from the online store, and have Lucy make you coffee. If it doesn't taste good, you will need to decide how to deal with the situation.

Once you have \$200, buy the apron from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

The following Saturday, Lucy will automatically change into her maid outfit and will serve you breakfast. Say that the coffee is terrible. Lucy will then try the coffee and spit it out over her maid's dress. Tell her to wear the apron instead and agree to pay her the extra money that she asks for. At the end of the morning, you will pay her \$150.

Note: if you say the coffee is great, then you will pay her \$50, and this event will repeat the following Saturday.

If you refuse to pay Lucy for wearing the apron, then at the end of the morning, you will pay her \$30, and this event will repeat the following Saturday.

[QLUC06] Have Lucy Serve you Tea in your Garden

Full description = (5) You liked watching Lucy in the apron. Have her serve you tea in your garden in that uniform. Wait and see what happens next.

The following Saturday, Lucy will automatically wear the apron again. She will serve you tea in the garden, and you will find out she is allergic to bees when a bee lands on her. If you lie and say that the bee is still on her, you will get the opportunity to feel her breasts. However, this is not required to complete this quest action. At the end of the morning, you will pay her \$150.

If you have already opened the lake, see [QLUC08](#) and [QLUC09](#) for the next actions. If you have not opened the lake, see [QLUC07](#) and [QLUC09](#).

Please note that you can continue with the rest of Lucy's quest without opening the lake ([QLUC08](#)) or visiting the lake ([QLUC09](#)).

[QLUC07] Open the Lake

Full description = (6) Lucy's allergy gave you a perfect excuse to have her expose her breasts. Open the lake at the next school board meeting and look for a Sunday morning opportunity to use this new knowledge.

Note: this action is unlocked at the same time as [QLUC09](#). However, you can complete [QLUC09](#) (and subsequent actions) without completing this action.

On Friday morning, at the School Board, choose to "Open the Lake" (see under Other Rules).

Note: you should ensure Discipline is 20+ before you do this, or grades will decrease by -2 every day the Lake is open. (See [REFG01](#) for details.)

[QLUC08] Visit the Lake

Full description = (6) Lucy's allergy gave you a perfect excuse to have her expose her breasts. Visit the lake on Sunday morning and look for a suitable opportunity to use this new knowledge.

Note: this action is unlocked at the same time as [QLUC09](#). However, you can complete [QLUC09](#) (and subsequent actions) without completing this action.

On Sunday morning, go to the lake. You will see Lucy helping Emily to change into her bikini. You will play a trick on Lucy by making her think that there is a bee nearby. That will cause Lucy to run away, leaving Emily naked.

Ruth then accuses Emily of being a stalker, and you then convince Emily to become a reluctant nudist to avoid being punished for streaking.

Ruth then suggests that you should designate a particular area of the beach where nudism is permitted.

[QLUC09] Peek in on Lucy Changing

Full description = (7) See if Lucy would be willing to go topless again. You may also want to peek in on her changing.

Note: you can complete this action before you have opened the lake (QLUC07) or visited the lake (QLUC08).

The following Saturday, Lucy will offer to clean your house topless, but wants you to pay her \$200. Agree to this and tell her to wear the topless apron. You will then have the option to "take a peek" and then watch her get changed, but this will cost you an extra \$50 if you want to see it.

However, you don't actually have to peek on Lucy; you can continue her quest even if you don't peek on her.

[QLUC10] Punish the Girls Yourself

Full description = (8) You don't think you will be able to escalate your activities with Lucy until you can punish the girls yourself.

You will need to start Chapter 2 of the game, by fully completing the Main Quest "A Man's Work" (QM3) so that you can punish the girls yourself.

Note: before you start Chapter 2, Lucy will continue to come to your apartment every Saturday. You can choose to stay and supervise Lucy, or leave her to clean while you do some paperwork.

If you stay and supervise Lucy, you will be able to choose what Lucy wears. If she wears her own clothes or school uniform, it will cost you \$30. If she wears the maid outfit, she will charge \$50, and if she wears the apron she will charge \$150. If you ask her to wear the topless apron, it will cost \$200, or \$250 if you want to watch her get changed again.

[QLUC11] Wait Until Lucy Does Something Wrong Again

Full description = (8) Now that you can punish the girls yourself, wait until Lucy does something wrong again and decide what you want to do.

If you have not already done so, you need to teach paperwork in your office until you see Maxine's Demand (PAP02), where Maxine demands that you stop the use of corporal punishment.

Once you have seen Maxine's Demand (PAP02) and seen Lucy wearing the topless apron (QLUC09), you will receive a letter from the headmistress of your last school, and a trophy from the Psychology Association.

Note: you can receive the trophy during Chapter 1. However, you will not be able to complete this event until you have completed QLUC10 and started Chapter 2.

The following Saturday, Lucy will offer to wear the maid dress but with the top open so you can still see her breasts. Tell her to wear the topless maid dress. You will pay her \$200.

You then discover that she broke your psychology trophy. You need to decide if you want to assert your dominance over her (and punish her), or forgive her and show her kindness. This is a significant decision that will affect the future options you can choose with Lucy.

- If you show kindness and forgive her, Lucy will offer to let you watch her in the shower and then you will lick her pussy. She then offers to go naked when cleaning next week and will kiss you. See QLUC12 for the next action.
- If you assert your dominance, you will punish her by using the three aspects of your disciplinary method: you will force her to shower in front of her, spank her and then lick her pussy. You then tell her that she will have to clean naked from now on.

You then explain why you punished her. You can say that you care about her, or that you care about the quality of her work. If you say you care about her, she will kiss you before she leaves. See QLUC13 for the next action.

[QLUC12] See What Other Services Lucy Might Offer (Kindness Route)

Full description = (9) See what other services Lucy might be willing to offer after cleaning.

The following Saturday, ask Lucy to go naked. This will cost you \$250. Lucy will tell you that it is quite exciting letting you see her naked.

At the end of the morning, Lucy will ask if there are any extra services she can provide. The extra services you can receive (and the cost) are:

Service	Cost	Notes
Spank her	\$100	
Dance	\$100	This option is only available if you hired Trixie as the dance teacher. See QCHA06 or QCHA08 for details.
Kiss	Free	

You do not need to actually choose any of Lucy's extra services to continue with her quest. See [QLUC14](#) for the next action.

[QLUC13] See What Other Services Lucy Might Offer (Dominant Route)

Full description = (9) See what other services Lucy might be willing to offer after cleaning. You will need to say her work was acceptable.

The following Saturday, tell Lucy to go naked. This will cost you \$250. Lucy will then clean your house. Lucy will try to cover herself once she is naked.

Once Lucy has finished cleaning, then you get to decide if Lucy's work has been acceptable or not. If you say it was not acceptable, then you will spank her and finger her to orgasm. However, you will not be able to continue with Lucy's quest. Instead, you will see this same scene the following weekend.

You should therefore tell Lucy that her work was acceptable. You will then you will tell her that there are some extra services she can provide for a little extra cash. The extra services you can receive (and the cost) are:

Service	Cost	Notes
Spank her	\$100	
Dance	\$100	This option is only available if you hired Trixie as the dance teacher. See QCHA06 or QCHA08 for details.
Kiss	Free	You can only ask for a kiss if you said you cared about Lucy after she broke your trophy (QLUC11). If you said you cared about the quality of her work you cannot ask for a kiss.

You do not need to actually choose any of Lucy's extra services to continue with her quest. See [QLUC14](#) for the next action.

[QLUC14] Enlist Nurse Kate to help

Full description = (10) As enjoyable as Lucy's services are, you think she might be prepared to offer more, if she were more knowledgeable. Enlist Nurse Kate to help.

Complete Rachel's "Boner Rule" scene where she masturbates you (QRAC118), and assign Amy a role as your trainee (QAMY19). The next weekday morning, Nurse Kate will visit you. She tells you that one of the girls recently asked for birth control pills. She says she wants to arrange a talk with the girls about sex. The next time you teach a lesson, Nurse Kate will let the girls ask her questions about sex.

Note: depending on your progress with other quests in the game, you may see other morning visitors, or other classroom scenes, before Nurse Kate visits you or you see her sex ed lesson.

[QLUC15] See if Lucy will Offer More

Full description = (10) As enjoyable as Lucy's services are, see if she might be ready to offer more.

The following Saturday, tell Lucy to go naked again. This will cost you \$250. Lucy will then clean your house.

If you chose the dominant route when Lucy broke your trophy (QLUC11), then you should say that her work was acceptable again. You then get to decide whether to end her probation. If you decide to end the probation, Lucy says she doesn't mind you being strict with her. You then have to decide again whether to end her probation or not.

If you end her probation, you will switch to a kind relationship. This is similar to forgiving Lucy after she broke the trophy (QLUC11). If you keep Lucy on probation, you will continue with a dominant relationship.

If you choose to forgive Lucy after she broke the trophy (QLUC11), then you will not be given this choice. Instead, you will automatically be placed on the kind relationship path.

In both the dominant and kind paths, Lucy then offers to take care of your erection. You realize that Lucy may have developed some feeling towards you.

You have to choose whether you pursue a romantic relationship with her, or whether you keep things dispassionate and pursue a more transactional relationship where you pay her for her sexual services.

The table below shows the options available to you:

Choice made after Lucy broke the trophy	Choices made during this event	
Assert Dominance	End Probation	Can choose either: <ul style="list-style-type: none"> • a kind, romantic relationship or • a kind, transactional relationship
Assert Dominance	Keep on Probation	Can choose either: <ul style="list-style-type: none"> • a dominant romantic relationship or • a dominant transactional relationship.
Show Kindness	-	Can choose either: <ul style="list-style-type: none"> • a kind, romantic relationship or • a kind, transactional relationship

Lucy will then give you a handjob. If you have chosen a transactional relationship, you will pay her an extra \$200 (in addition to the \$250 for cleaning your house naked). If you have chosen a romantic path, then you can choose to give her a gift of \$200 at the end, but you do not have to.

[QLUC16] End of Lucy's Storyline

Full description = You have reached the end of Lucy's story line for this update.

Once you have received a handjob from Lucy, you have reached the end of her storyline for this update.

Using the Replay Menu

Replay Feature

The game includes a replay feature, which is accessed through the "replay menu" option in the top right. This shows all the main events in the game.

The replay menu allows you to see if there is any content that you have not seen yet, and it also allows you to replay all the events that you have unlocked. You can sort the replay menu by event or by character. This can help you find particular scenes, or help you identify events you haven't unlocked yet.

Note: This guide is presented in the same order as the "event" listing, not the "character" listing.

Replay Menu

The replay menu is accessed through the replay menu button on the main game screen. The red arrow shows the location of the button:

List of All Events by Chapter

The following table shows all the events that are currently in the replay menu. They listed in the same order as the replay menu. This will help you quickly find an event, even if you have not currently unlocked it.

Events in **blue** are those that you can unlock in Chapter 1, and events in **gray** are events you can only unlock in Chapter 2. Please note that in most cases, you do not have to unlock an event in Chapter 1: you can start Chapter 2 and still unlock most Chapter 1 events.

However, there are a few events which you cannot complete in Chapter 2, and if you wish to see them, you **MUST** complete them during in Chapter 1. These events are in **red**.

The Introduction

Introduction Events

There are 7 introduction events in the replay menu. These events will all happen if you select "play intro" when starting a new game. They will automatically unlock if you start a game from day 2.

Sarah on Stage

This section gives some background. It explains the new punishment method that (future) Headmaster has designed. At the end of his presentation, he meets Mr Mycock and is offered an interview for Headmaster of a new school that uses corporal punishment.

The School Tour and Job interview

You are introduced to Samantha, your PA. You are shown the school and introduced to some of the staff. Mr Mycock then offers you the job of Headmaster.

The Water Balloon

You start work as Headmaster. When you start, you should click on your desk drawers. You will then find a ruler that you can use later. Click on the "campus" button at the top right. This will take you to the school map screen. Click on the "classrooms" building. Samantha will give you a quick introduction.

You can click on the girls in the corridor and you will speak to them. Click on the classroom door and the end of the classroom and you will be asked if you want to teach your first class. Choose yes.

During the class you will be given some information about the various stats you have to manage: grades, discipline, popularity and horniness. You will then be asked how you wish to introduce yourself. If you choose to be strict, you will get some discipline points. If you choose to be relaxed, you will get a popularity point.

Afterwards, you will investigate the English classroom. You will find that Debbie, one of the students, has thrown a water balloon at Miss Potts, the English teacher. You agree to give Miss Potts some training to help manage her class. This unlocks your first staff quest.

Afterwards, you can click on the girls in the corridor and speak with them. If you speak with Alice (the girl beside the vending machine) then you will get +1 popularity.

Sally in the Men's Room

Click on the campus button to go back to the school map. Click on the sports center. You can click in the people in the corridor and speak to them. Click on the male changing room door and you will be asked if you want to change and coach a sports lesson. Say yes.

You will then see Sally, the sports teacher. You can choose to cough, or stay silent. If you cough, you will see Sally's bare breasts. During the lesson, you will be introduced to some more of the girls.

Debbie gets Spanked

After school, you speak with Mr Mykock in your office. He explains that you will receive additional payments for spanking the girls. You will then give Debbie her first punishment.

This punishment will help to explain the punishment system to you. Remove her clothing, then position her with hands above her head and do a body search. You will find out Debbie's weakness: that she has repressed lesbian tendencies.

Position her bent over the desk and do a hand spanking and then a ruler spanking. Position her over Miss Newman's knee and do a hand spanking. You will try to confiscate Debbie's non-regulation underwear, but Ruth Thomas will stop you. Massage her buttocks. You will then get a message saying that you have raised Debbie to level 2.

Spying on the Girls

After Debbie's punishment, it will be evening, and you will see the night version of the school map. Click on the classrooms, and then click on the Science classroom on the right hand side. You will speak to Miss Chang, who asks you to purchase some new equipment for her. You can choose to think about it, or to say that you agree with the old Headmaster. In both cases, Miss Chang promises to support you at the school board if you help her. You will unlock Miss Chang's staff quest.

Click on the dorms. You can speak to the twins (who you met during the soccer match) and the security guard, Maria Consuelo. Click on the door to the bedroom area. Maria will say that you are prohibited from entering the bedrooms. You then decide to sneak around the back.

You can choose whatever options you want. But to see the most content, click on the first window, where you will hear three girls gossiping about the day. Choose to move on. Choose the second window, where you will see Debbie

talking to her friend Cassandra. Choose to keep listening and Debbie will try to make out with Cassandra.

Spy on the third window. Try to open it. You will then see some of the girls in the shower. Choose to leave.

Note: if you did not pick up the ruler in your office earlier, you will not be able to spy on the shower, because your detection meter will fill up.

The Dream

You will then go to bed and have a dream about Sarah, who helped you during your demonstration at the start of the game.

Staff Quests (Replay Menu) [STA]

[STA01] Miss Chang's Formula

Once you have \$500, buy the "Upgrade science facilities" from the Upgrade Facilities option on your computer. In the evening, talk to Miss Chang in her classroom about the New Equipment. This will give you +1 Influence point.

Mr Mycock will visit you the following morning and give you a warning. During the day, visit Miss Chang's classroom. You will then see Miss Chang's clothes dissolving solution in action.

[STA02] The Interview

Once you have unlocked Miss Chang's Formula ([STA01](#)), visit Miss Chang in the evening again and ask her for "further help with the board". She will say she wants a lab technician. The following day, use your phone to call Sam into your office and talk about the New Technician. She will tell you that she needs 3 days.

On day 4, call Sam back into your office and ask about the Lab Technician. She'll say she's found 2 candidates, who you can interview.

Note: Sam needs 3 days, not 3 working days, so if you ask Sam on Thursday you can hold the interviews on Monday.

To unlock this event, you can select either candidate. But to unlock Trixie's Second Chance ([STA05](#)), you need refuse Trixie's offer of a blowjob so that you hire Anna instead. In the evening, speak to Miss Chang. She will thank you and you will get +1 Influence Point.

Alternative path: if you accept Trixie's offer of a blowjob, you will hire her as the lab technician. It also means you see a nice little cut scene of Trixie giving you a private dance. You will then need to make her the dance teacher instead. See [XTRA01](#), Making Trixie the Dance Teacher, for more details.

[STA03] Little Sally Still Wants to Fight

Open the Recycle bin on your computer and read the April 15 entry. That unlocks the Main Quest "If a Headmaster Falls in the Woods" ([QM2](#)).

Complete the "Order to the Chaos" Main Quest and have the Second Dream ([OTH03](#)). Next Friday at the next School Board propose the Corporal Punishment rule that "Corporal punishments may be carried out on students by any teacher regardless of gender".

Speak to Ruth in the Teachers' Lounge during the day and ask about "the old headmaster". Then speak to Miss Chang in the evening and ask about "the old headmaster's password". Miss Chang will say she wants you to play a trick on Miss Newman first.

If you have not already done so, have your initial conversation with Sally on Monday, Tuesday, Wednesday or Friday afternoon. See [OTH10Sally's Lost Keys \(OTH08\)](#) for details.

On Monday afternoon, go to changing room and click on Sally's bag. That evening, Miss Newman and Miss Chang will have a fight and this event will unlock.

[STA04] Miss Chang's Expensive Request

Complete the Old Headmaster's Safe ([STA20](#)). In the evening, speak to Miss Chang about "the notes in the old headmaster's safe".

To get the full scene, ask about the "anti-aging treatment". You will then automatically ask about BDSM as well. Tell her that you "wish I could" enjoy your blissful ignorance and she'll warn you about Mykock.

Miss Chang will then ask you to buy a 3D printer. You can agree ("I'm listening"), disagree ("I'm not interested") or tell her you'll want to fuck her.

[STA05] Trixie's Second Chance

Complete the Interview ([STA02](#)) and refuse Trixie's offer of a blowjob. You will then hire Anna. That night, Trixie will come to your apartment and this event will unlock.

To unlock several of the other events, you need to accept her offer of a blowjob and hire her as the dance teacher.

[STA06] Trixie's Special Relaxation Techniques

Hire Trixie as the dance teacher, either after her interview ([XTRA01](#)) or during Trixie's second chance ([STA05](#)). Visit her apartment any evening, and this event will then unlock.

Note: if you hire Trixie as the lab technician during the interview ([STA02](#)) but have not yet made her the dance teacher ([XTRA01](#)), then you cannot visit her apartment.

[STA07] Spanking the English Teacher

During the evening, visit Miss Potts' apartment. You can visit her any night (including weekends) except for Wednesdays. You will have an initial conversation where you agree to give her additional training.

You will then need to visit her another 6 times, and choose "continue training". The first 4 lessons will involve you discussing (in order) her need to show confidence; classroom dynamics; the need for consistency; and how she is making progress. The last 2 lessons will involve you giving her a verbal telling off.

After this, you will need to visit her classroom during the day, where you will see her managing to control Debbie. You will receive +1 Influence point. Following this, you will need to visit her in the evening again, where you will say she needs a practical lesson in being spanked. The next time you visit her, you will carry out the spanking.

[STA08] Punished by the Books

Complete Spanking the English Teacher ([STA07](#)). In the evening, visit Miss Potts' apartment again. You can do this any evening except Wednesday. Choose to continue her training. You will give Miss Potts another lesson, and this event will then unlock.

[STA09] Claire Teaches Faye a Lesson

Complete Punished by the Books ([STA08](#)) and pass the Very Strict Uniform Policy (which allows you to confiscate clothing).

Note: to unlock the Very Strict Uniform Policy you will need to raise Debbie to punishment level 4 and then touch her breasts. See [DEB04](#) and [DEB05](#) for details.

During the day, visit Miss Potts' classroom and this event will unlock. You will receive +1 influence point from her.

[STA10] Claire Gets a Proper Punishment

Complete Claire Teaches Fay a Lesson ([STA09](#)). In the evening, visit Miss Potts' apartment again. You can do this any evening except Wednesday. Choose to continue her training. You will give her a spanking, and she will then give you a blowjob. This event will then unlock.

[STA11] Claire Gives her First Spanking

Complete Claire Gets a Proper Punishment ([STA10](#)). During the day, visit Miss Potts' classroom. You will see her punish Mary (in the wrong way) and this event will unlock.

[STA12] The Wrong Way to Give a Punishment

Complete Claire Gives her First Spanking ([STA11](#)). In the evening, visit Miss Potts' apartment again. You can do this any evening except Wednesday. You will discuss her punishment of Mary, and you agree to punish her in your office the following evening.

The next evening, you will automatically get a scene where you punish Claire. The goal of the punishment is to max out her fear. However, if her fear score is greater than her submission score, then she will use her safe word and the scene will end. The event will unlock in the replay menu even if the scene ends early.

If Claire uses her safeword, you will automatically get the same scene the following day.

To complete the scene, insult her, lightly slap her face, inspect her uniform, and tear off her skirt and knickers. Inspect her bra and then tear off the rest of her clothes. Grope her breasts, slap her breasts and take her picture.

After that, change position and force her over your desk. Spank her and do a cavity search. Change position and force her to her knees. Pull your dick out, do a dick slap, make her kiss it and force it in her mouth. Twist her hair or slap her, and force it down further.

Finally, lift her onto your desk, legs in the air, and force her legs apart. You can finger her first or simply penetrate her to complete the punishment. You will then get +1 Influence

[STA16] Stealing Priti's Password

In the evening, visit Mr Wilson's apartment. He will tell you that he will only support you if you steal Priti's email password. Accept his offer. This will unlock the "Priti as a Picture" staff quest ([QSF03](#)).

If you haven't already done so, upgrade the Science Facilities (see [STA01](#)). The following evening, visit Miss Chang in her classroom and ask about "stealing passwords" and then about "the keylogger program".

The following school day, use your office phone to call Priti to your office. You will then steal her password and social media pictures. Visit Mr Wilson in the evening and give him the password. This will give you +1 Influence Point.

Fun note: you can then view Priti's social media pictures using the Photo Album app on your computer.

[STA17] Priti's Pictures: The Direct Approach

After you have completed the Stealing Priti's Password event ([STA16](#)), visit Mr Wilson in the evening to hand over the password. Visit him again the following evening and ask for "more help with the board". Agree when he says he wants nude pictures of Priti.

The following morning, Priti will talk to you about her ideas for the school website. During this conversation, you will think about two ways you could get the photos: accuse her of a crime, or get her to model swimming costumes.

Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. The camera will arrive the following weekday. You can then use your phone to summon Priti to your office.

Note: You might already have the camera if you have raised Debbie to Level 4. See [DEB04](#) for details.

You should then choose to "trick her". See [STA18](#) (Priti's Photoshoot) for details.

(The "order to strip" option will give you less influence points and will result in you losing grade, discipline and popularity points. See [XTRA02](#) for details. It will also prevent you from choosing certain options during Priti's student quest later in the game. See [STP03](#) for details.)

[STA18] Priti's Photoshoot

When completing Priti's Pictures: The Direct Approach ([STA17](#)), you will need to select the "trick her" option. You'll take some basic photos of her, and will unlock the ability to purchase the "school swimwear samples".

Once you have \$1200, buy the School Swimwear Samples from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday. You can then use your phone to summon Priti again and complete the photoshoot. (You can then view the pictures using the Photo Album app on your computer.)

Following the Photoshoot, Mr Mykock will visit you and offer to pay you for the photos you take. See [XTRA04](#) for more details.

Fun note #1: you can then view the photos you took during both the school uniform photoshoot (STA17) and the swimwear photoshoot (STA18) using the Photo Album app on your computer.

Fun note #2: if you speak to Priti in the classroom hall on Tuesday morning and do an underwear inspection, you will see that she's a lot less reluctant than she was before doing the photoshoot.

[STA19] Hey Mr, Wanna Buy Some Candy

After you have hired Trixie (STA05 or XTRA01) and completed Priti's Photoshoot (STA18), visit Mr Wilson's apartment in the evening and refuse to hand over the photos. Wilson will tell you he wants an attractive prostitute and some Viagra.

Once you have \$200, attempt to buy the Viagra pills from the Online Shopping | Health option on your office computer. When you get the option, buy the cheap \$20 pills instead. Use the phone in your office to summon Trixie and then ask her about the prostitute. The following day, check your email. You'll need \$2000 to order the prostitute.

Once the pills have arrived and you've paid for the prostitute, see Mr Wilson in the evening and tell him about the prostitute. Remove the warning label from the pills before you hand them over.

At the end of the following day, you'll be told by Samantha that Mr Wilson didn't show up to his last class of the day. (If it's a weekend, you'll get a phone call from Miss Potts saying Mr Wilson didn't show up to a book club instead.) You'll then automatically go to Mr Wilson's apartment.

The event unlocks at this point and you can choose to play through however you want. The following evening, go back to Mr Wilson's apartment and talk about Candy. You will get +2 Influence points.

Note: There are a couple of alternative ways of completing this event, although you will not unlock all events in the Replay Menu. See XTRA03 for details.

[STA20] The Old Headmaster's Safe

If you have not already done so, at the Friday School Board, choose to open the Lake (see under Other Rules).

Note: you should ensure Discipline is 20+ before you do this, or grades will decrease by -2 every day the Lake is open.

Complete the third dream (OTH04) by speaking to Ruth about the old headmaster's journal. During a weekday morning, go to the lake and speak to Jimmy. Ask about "the old headmaster" and then "the old headmaster's body".

The following morning, Jimmy will take you to the spot where the headmaster died. You will find his wallet with the safe combination in it. Go to your office and click on the bookcase. You will then be able to unlock the safe and this event will unlock.

Fun note: if you tell yourself that you're a villain and you're OK with that, then you'll get the opportunity to humiliate Ruth by doing an underwear inspection on her later, during Ruth's Capitulation (STA21).

[STA21] Ruth's Capitulation

Complete the Old Headmaster's Safe (STA20), and then speak to Ruth in the Teachers' lounge about "the old headmaster's safe". You will have various options about how to speak to Ruth. If you told yourself that you were a villain in the earlier cut scene, you will blackmail her, and have the option to humiliate her further by doing an underwear inspection.

If you told yourself that you're not a villain, you can choose whether to simply give her the photos, or to blackmail her. However, even if you decide to blackmail her, you can't humiliate her further by doing an underwear inspection. Regardless of which option you choose, in the end Ruth will agree to your demands, although she will set out some conditions of her own.

Fun note: if you told yourself that you're a villain and you're OK with that during the Old Headmaster's safe (STA20), and then you decide to humiliate her, then you will be able to demand underwear inspections from her whenever you visit her in the teachers' lounge.

Note: Completing this quest is one of the actions you need to unlock the new girl Ada Campbell. See XTRA09 for details.

Student Quests (Replay Menu): Debbie [STD]

[STD01] Maxine's Protest (Part 1)

Unlock the Debbie Shows Maxine Who's boss event ([PAT09](#)). The next Sunday afternoon you will see Part 1 of Maxine's Protest. You can choose to break it up, or to walk away. Either will unlock this event, but if you break it up your popularity will decrease by 2 points.

Until you unlock Part 2 ([STD02](#)), Maxine will keep giving protests every Sunday afternoon. If you break it up, you will lose 2 popularity points, and if you walk away you will lose 2 discipline points.

Completing this event will also unlock the Student Quest "Taming a Prefect" ([QST1](#)).

[STD02] Maxine's Protest (Part 2)

Complete Maxine's Protest Part 1 ([STD01](#)). Complete Debbie's Pledge of Loyalty ([STD04](#)) and make Debbie a prefect. The next Sunday afternoon, Debbie will stop the protest.

[STD03] Debbie Gets Fingered

Raise Debbie to punishment level 5 ([DEB07](#)). During the punishment, position Debbie over Miss Newman's knee and rub her pussy. This will unlock the fingering option.

Position her with hands above her head and get Miss Newman to finger her to orgasm. This event will then unlock.

Note: Unlocking this event will allow you to complete [STD04](#) (Debbie's Pledge of Loyalty) and make Debbie a prefect.

[STD04] Debbie's Pledge of Loyalty

Raise Debbie to punishment level 5 ([DEB07](#)). Make sure that Miss Newman fingered her to orgasm during the punishment (see [STD03](#)). At the end of the punishment, you can choose to Assign Role to her. Debbie will give you a handjob and you will make her a prefect.

Note: if you did not make her a prefect during when you raised her to level 5, you can punish her again, and you will be given the opportunity to assign her a role again.

Fun note: once Debbie is a prefect, you will sometimes get a class event where Debbie is doing an underwear inspection of some of the other girls. The hallway interaction with her will also change. See [XTRA06](#) and [XTRA07](#) for more information.

Student Quests (Replay Menu): Rachel [STR]

[STR01] Sleeping in Reception (Part 1)

Complete Rachel and the Ointment ([SPY04](#)) by giving her a private punishment and then spying on her in the evening. The following morning, this event will automatically happen.

This event will unlock Rachel's Student Quest, "The Headmaster's Pet" ([QST02](#)).

Note: during this event, you will have the option to order her to your office after school. However, you will not be able to raise her to the next punishment level until you have purchased the aloe vera cream, and you have not had the opportunity to do so yet.

If you let her go, you will get +1 popularity. Alternatively, you can still get money or discipline points from giving her a private or public punishment.

[STR02] Special Homework Assignment

Raise Rachel to punishment level 2 ([RAC02](#)). At the end of the punishment, give her the special homework assignment. In the evening, spy on Rachel's room. You will tell yourself that Rachel looks rather adorable in her cat-ear headphones, and you then see her masturbating (poorly).

Note #1: before you can spy on Rachel, you will need to complete Rachel in the Shower ([SPY01](#)). However, you can complete the two events in the same evening. If you get a message saying it "doesn't look as if Rachel is here", then spy on the shower first. You will see the Rachel in the Shower scene. You can then spy on Rachel's room and watch her trying to do her "homework".

Note #2: once you have completed this event and Maxine's Demand ([PAP02](#)), then the following morning you tell yourself it might be nice to have a pet to keep you company. You ask Samantha, your secretary, if there is a pet shop in town, but she says there isn't. You wonder if there might be some other way to get a pet instead.

[STR03] Sally and Rachel Get Changed

Complete Rachel's Special Homework Assignment ([STR02](#)) and raise Rachel to punishment level 3 ([RAC03](#)).

At the end of the punishment, assign Rachel a role. You assign her a role of personal trainee. The following afternoon, there is a scene where Rachel reports

to you. You will receive a message saying that you have a new follower: Rachel, and that you can click on her icon to interact with her.

On Monday, Tuesday, Wednesday or Friday afternoon, go to the sports Center. You will get a scene where Rachel says she doesn't like changing with other girls, and you agree she can change with you. Go into the men's changing room and this scene will unlock. You will see Sally and Rachel getting changed together.

Note #1: you have to click on the sports Center and then on the men's changing room. If you click on the quick access button on the main map menu, this scene will not unlock.

Note #2: Once Rachel is your trainee, there are several small scenes where Rachel will interact with other staff and students. Most of these will happen if you click on her icon, but some will happen automatically, or if you click on people in the classroom halls or sports Center hall.

[STR04] Rachel's Weakness Revealed

Complete Sally and Rachel Get Changed ([STR03](#)) and the Second Match event ([SPT04](#)). See [RAC04](#) for more details about the sports events.

Note: it does not matter if you say you prefer big boobs, small boobs or that you like them both equally. However, if you say that you liked big boobs, some of the dialog in this event will change.

If you have not already done so, pass the Public Punishments "punishment outfit" rule at the Friday school board. You will need Discipline 25+ and Influence 4+ to do so.

Teach classes until you see Rachel falling asleep again. Order her to your office after school and give her a public (not private) punishment. Say that you like her boobs. You will then admire her body and this event will then unlock.

Completing this event will also unlock the ability to purchase the "cat ears".

[STR05] Confidence Building Exercise

Complete the "Rachel's Weakness Revealed" event ([STR04](#)). Once you have \$50, buy the Cat Ears from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

Raise Rachel to punishment level 4 ([RAC06](#)). At the end of the punishment, carry out the Special Confidence Building Technique. She will act like a cat and you will pet her. You will also tell her to do her "homework" that evening.

Fun note: after you have completed this action, then you can pet Rachel in your office, or let her take a cat nap.

[STR06] Rachel Gets Frustrated

Complete Rachel's Confidence Building Exercise ([STR05](#)). In the evening, spy on Rachel's room. You will see her trying to masturbate again.

[STR07] Sleeping in Reception (Part 2)

Complete the Rachel Gets Frustrated event ([STR06](#)). The following morning, you will get a scene with Rachel sleeping in reception again and this event will automatically unlock.

You can unlock the "strip to underwear" corporal punishment rule during this event. Choose to teach her a lesson and then open her shirt. See [RAC07](#) for details of unlocking the rule. However, you will not be able to pass this rule until you start Chapter 2 of the game. See [A New Chapter \(OTH16\)](#) for details of starting Chapter 2.

Student Quests (Replay Menu): Amy [STY]

[STY01] Amy and Maxine

Teach classes or do patrols until you can give Amy her first punishment ([PUN01](#)). You will automatically choose to punish her after school. You will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible. During the punishment, you will discover her weakness: she is a masochist who takes pleasure from being hurt but her tolerance for pain is much higher.

That evening, spy on Amy's room. (Note: Amy's room will initially be shown as an "unknown room".) You will see Maxine ask Amy to take a photo to gather evidence against the headmaster.

This event will unlock Amy's Student Quest, "The Spanking Connoisseur" ([QAMY](#)).

[STY02] Amy and the Riding Crop

Complete Amy and Maxine ([STY01](#)), and unlock the remove skirts rule by giving Debbie a punishment at Level 2 (see [DEB02](#) for details.)

Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Teach classes or do patrols until you see Amy running in the halls ([PAT08](#)) or being late to class ([CLA05](#)). Choose to give her another private punishment. At the start of the punishment, Amy will give you a riding crop to punish her with.

Raise Amy to punishment level 2 ([AMY02](#)). At the end of the punishment, ask her about her sex life. She will admit to masturbating frequently and making out with multiple other students.

In the evening, spy on Amy's room. You will see her spanking herself with her riding crop.

[STY03] Amy in the Stationary Cupboard

Complete Amy and the Riding Crop ([STY02](#)) and Amy Gets Tickled ([CLA10](#)). Do a patrol during the week. You will see Amy making out with Tia in the stationary cupboard.

You will also automatically choose to give Amy a punishment after school.

[STY04] Future Female Sports Stars

Once you have popularity 10+, speak to Amy in the Sports Center on Tuesday morning. She'll tell you she was expelled because she did a porn shoot. (Doing this will also unlock event [SCH11](#), Amy and her abs, if you have not already done so.)

Once you have \$1000, use the Web Search option on your office computer to search for her porn. The next day, check your email and you'll be able to buy the magazine. It will arrive 5 working days (i.e. a full week) later.

Fun note: if you check your email the following day, you will receive an email from Mr Mykock saying that the school owners are interested in the girls and he is preparing to transfer legal guardianship of the girls to your school.

[STY05] Amy's Multiple Orgasms

Complete Amy in the Stationary Cupboard ([STY03](#)) and Future Female Sports Stars ([STY04](#)). In the evening, spy on Amy's room. You will see her being upset about missing the Olympics.

If you have not already done so, buy the paddle from Online Shopping | Sex Toys option on your office computer. It will cost \$500. The paddle will arrive the following weekday.

Teach classes or do patrols until you get the opportunity to give Amy a Private punishment.

Note: You will automatically give Amy a private punishment at the end of the Stationary Cupboard event ([STY03](#)). If you have already completed the Future Female Sports Stars ([STY04](#)) event and spied on her, then you can complete this event during that punishment.

You will need to raise Amy to level 3. See [AMY08](#) for details of how to do this.

At the end of the punishment, choose to "help her out". You will finger and lick her to multiple orgasms.

[STY06] Amy Teaches Tia a New Trick

Complete Amy's Multiple Orgasms ([STY05](#)). In the evening, spy on Amy's room again. You will see Amy teaching Tia how to give her multiple orgasms.

This event will unlock the ability to purchase the Chastity Panties.

Student Quests (Replay Menu): Cassandra [STC]

[STC01] Cassandra's Shocking Realization

Give Cassandra a private punishment. You can do this by teaching classes until she misbehaves, or you can complete "Faye's Embarrassing Situation" (SCH10) by going to the Sports Center on Wednesday afternoon and talking to Faye. In the evening, spy on Debbie's room. You will see Debbie look at Cassandra's butt and Cassandra will run off.

If you have not already done so, complete Rachel in the Shower (SPY01) by spying on the shower as well.

Raise Cassandra to punishment level 2 (CAS01). At the end of the punishment, ask her to "Give me a smile". In the evening, spy on Debbie's room. You will see Cassandra trying out her smile, and coming to the realization that you might have been right when you told her she might not find a rich and handsome man to marry her. This event will then unlock.

Note #1: Once you have completed this event, you can unlock Cassandra's Student Quest. To do this, check the email on your office computer and read the email from Mr Mykock. See QST07 for details.

Note #2: It is possible to raise Cassandra to punishment level 2 the first time you spank her. However, you can only do this if you have already passed the Remove Skirts rule by punishing Debbie (see DEB02 for details) and have purchased the Aloe Vera cream after punishing Rachel (see RAC01 for details).

If you do raise Cassandra to punishment level 2 during her first punishment, then you can still see both spy scenes. The first time you spy on Debbie's room, you will see Debbie look at Cassandra's butt. You will need to spy on Debbie's room again another evening, and you will then see Cassandra's realization, and this event will unlock.

(However, you cannot see Rachel in the Shower and Cassandra's realization on the same evening.)

[STC02] Debbie's New Posters

Complete Cassandra's Shocking Realization (STC01), and then raise Cassandra to punishment level 3 (CAS02). At the end of the punishment, give Cassandra a Basic Flirting Lesson.

In the evening, spy on Debbie's room. You will see Cassandra practicing her flirting in the mirror, while Debbie is putting up posters of the Celebrity Love Archipelago stars Jodie, Kelly & Paige.

Fun note: if you have seen any of the Celebrity Love Archipelago episodes (see [OTV02](#) for details) then the dialogue changes slightly.

You discover that Cassandra is still much too proud of herself to learn anything from you. You decide to observe her behavior around the school in a variety of situations in order to discover her weakness and to devise an appropriate strategy.

[STC03] Cassandra the Bully

Complete Debbie's New Posters ([STC02](#)). In the evening, spy on the showers. You will see Cassandra picking on the "crying girl" (see [PAT01](#) and [PAT02](#) for the crying girl events).

Note: if you spy on the showers immediately after Debbie's New Posters ([STC02](#)) it is possible to complete this event in the same evening.

[STC04] Cassandra the Fibber

Complete Debbie's New Posters ([STC02](#)). Choose to teach a class. After the lesson you will stay behind to do some marking. Some of the students also stay behind chatting. Cassandra makes up a story about a hot date and you tell yourself that you suspect she has little real sexual experience.

[STC05] Cassandra the Attention Seeker

Complete Debbie's New Posters ([STC02](#)). Choose to do a patrol during the week. You will see the twins showing off their football skills. Cassandra is annoyed that she is not the center of attention. She then tells everyone that Debbie has a crush on Miss Newman the sports teacher in order to get their attention again.

Student Quests (Replay Menu): The Twins [STW]

[STW01] The Twin Swap (Part 1)

Complete The Twin's Practical Joke (CLA02) and pass the Remove Skirts rule at the school board. Buy the paddle from the online store and wait for it to arrive.

(See DEB02 and DEB03 for details about passing the remove skirts rule and unlocking the paddle.)

In the evening, spy on Mary's room. (If you haven't already spied on her, then Mary's room will initially be shown as "unknown room".) You will see the twins doing their homework and agreeing to swap places for a test.

[STW02] The Twin Swap (Part 2)

Complete the Twin Swap Part 1 (STW01) and then teach a class. This event will automatically play out. You will give the class a test and trick Louise.

[STW03] The Twin Swap (Part 3)

Complete the Twin Swap Part 2 ([STW02](#)). This event will automatically happen the same day as Part 2. After the afternoon period has finished, the twins will visit you in your office. You will inspect and spank them. You will receive \$600.

[STW04] The Twin Swap (Part 4)

Note: there is a follow up event which is available once you start Chapter 2 of the game. See [STW06](#) for details.

Punishments [PUN]

[PUN01] Amy

You can punish Amy from the start of the game. The patrol event [PAT08](#) (Amy Racing through the Halls) and class event [CLA05](#) (Amy is late for class) will both give you the opportunity to punish Amy. The first time you punish Amy, you will automatically choose to give her a spanking after school and this event will unlock.

(If you get the patrol event ([PAT08](#)), you will first need to order her to your office. If you decide to let her off, then this event will not unlock.)

For details of how you should carry out the actual punishment, see [AMY01](#).

[PUN02] Cassandra

You can punish Cassandra from the start of the game. The class event [CLA09](#) (Cassandra on the phone) and event [SCH10](#) (Faye's embarrassing situation) will both give you the opportunity to punish Cassandra. Choose to punish her after school. You will automatically decide to spank her and this event will unlock.

This event will only unlock if you choose to give Cassandra a private punishment. It will not unlock if you give her a public punishment or if you decide to punish her in class instead.

For details of how you should carry out the actual punishment, see [CAS01](#).

Note: the first public spanking event ([CLA01](#)) does not unlock this event.

[PUN03] Debbie

You can punish Debbie from the start of the game. Patrol event [PAT07](#) (Lucy gets a wedgie) and class event [CLA07](#) (Debbie the bully) will give you the first opportunities to punish Debbie. For the patrol event ([PAT07](#)), you will need to decide to Intervene Immediately.

This event will only unlock if you choose to give Debbie a private punishment. It will not unlock if you give her a public punishment or (in the class event) if you decide to punish her in class instead.

For details of how you should carry out the actual punishment, see [RAC01](#).

[PUN04] Rachel

You can punish Rachel from the start of the game. See class event [CLA06a](#) (Rachel falls asleep). The first time this happens, you will automatically punish her after school and decide to spank her.

For details of how you should carry out the actual punishment, see [RAC02](#).

Class Events [CLA]

Class Events: Bonus Discipline Points

When discipline is low, you will get extra discipline points. This is to reflect the fact that in the early game, the girls are not used to your discipline methods, and it will have a bigger impact on their behavior.

This means that, particularly at the start of the game, you may receive more discipline points than shown below. For example, if you see the Inappropriate Clothing event ([WEP01](#)) during the first weekend, and you tell the girls to change, you may receive +2 or +3 discipline instead of +1 discipline.

See [REFR02](#) for more information about the bonus discipline points.

[CLA01] The First Public Spanking

The event will happen automatically during the first class you teach. Cassandra will insult you and Miss Newman will spank her. You will get +2 discipline points. (Because this happens at the start of the game, you will probably receive bonus discipline points as well; see above for details.)

[CLA02] The Twins Practical Joke

Once you have completed the First Public Spanking event ([CLA01](#)), this event will happen automatically during the first class you teach on Day 4 (or any day after). The twins try to play a practical joke on you, but you turn the joke around on them.

You will get +2 discipline points. (Because this happens at the start of the game, you will probably receive bonus discipline points as well; see above for details.)

[CLA03] Emily's Lost Skirt (Part 1)

This event is available from the start of the game. Visit the Classrooms area on Tuesday afternoon. In the hall, you will see a group of 4 girls beside the lockers. When you talk to them, you will find Emily's skirt is stuck. Select "pull her waist", and then teach a class that afternoon. This event will unlock and you will get +1 discipline point. (You may also receive bonus discipline points, see above for details.)

Note #1: If you select "pull her skirt" instead of "pull her waist", then this event will not unlock, but you will get +1 popularity.

Note #2: This event is only available in Chapter 1. Once you start Chapter 2 of the game you will no longer be able to see this event.

[CLA04] Emily's Lost Skirt (Part 2)

Pass the Very Strict Uniform Policy to allow you to confiscate non-regulation underwear. (See [DEB05](#) for details about unlocking this rule.)

Visit the Classrooms area on Tuesday afternoon, talk to Emily and select "pull her waist" again, and then teach another class that afternoon. This event will unlock and you will get +2 discipline points. (You may also receive bonus discipline points, see above for details.)

Note #1: If you select "pull her skirt" instead of "pull her waist", then this event will not unlock, but you will get +1 popularity.

Note #2: You do not have to complete Emily's Lost Skirt Part 1 ([CLA03](#)) before completing Part 2. If you did not complete Part 1 before completing Part 2, then both parts will be unlocked in the replay menu when you complete Part 2.

Note #3: This event is only available in Chapter 1. Once you start Chapter 2 of the game you will no longer be able to see this event.

[CLA05] Amy is Late for Class

There are two versions of this event.

First version: this is available from the start of the game. It will randomly happen when you teach a class. The options you can choose are:

Option	Outcome	Notes
Let her off	+1 popularity -1 discipline	
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.
Corporal punishment	+2 or +3 discipline	Will get +3 discipline if the remove skirts rule has been passed.

Note: You may also receive additional bonus discipline points. See the note at the top of this section, or see [REFR02](#) for more information.

If you decide to punish her during class, you will also complete part of the "Amy gets tickled" event ([CLA10](#)).

Second version: this is available once you have completed the "Amy gets tickled" event ([CLA10](#)). You arrive at your classroom to find Amy there early, but she is missing her tie. You can choose to let Amy off, or to punish her after school. If you let her off, you teach your class and get +2 grades.

[CLA06a] Rachel Falls Asleep (Chapter 1 version)

This first version of this event is available from the start of the game. It will happen randomly when you teach a class. The options you can choose are:

Option	Outcome	Notes
Let her off	+1 popularity -1 discipline	
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.
Corporal punishment	+2 or +3 discipline	Will get +3 discipline if the remove skirts rule has been passed.

Note: You may also receive additional bonus discipline points. See the note at the top of this section, or see [REFR02](#) for more information.

Fun note: Once you have completed Sally's Lost Keys ([OTH08](#)), then if you punish Rachel in class during the afternoon, you will see Sally wearing her volleyball uniform instead of her normal clothes.

Once you have completed the New Chapter event ([OTH16](#)) and started Chapter 2 of the game, you will see the second version of this event. See [CLA06b](#) for details.

[CLA07] Debbie the Bully

There are 3 versions of this event. The initial version is available from the start of the game. It shows Debbie with Lucy in a headlock. It is available from the start of the game. You can punish Debbie during class, after school, or let her off.

The options you can choose are:

Option	Outcome	Notes
Let her off	-1 popularity -1 discipline	The girls don't like you being soft on bullies so you will get negative popularity and negative discipline
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.
Corporal punishment	+2 discipline	Game note: you do not get extra discipline even if the remove skirts rule has been passed.

Note: You may also receive additional bonus discipline points. See the note at the top of this section, or see [REFR02](#) for more information.

Once you have raised Debbie to punishment level 3 (see [DEB03](#)) this event will no longer occur and you will not be able to replay it in the replay menu. Instead, you will get different events instead. See [XTRA06](#) for more information.

[CLA08] Debbie's Inner Turmoil

This is an event which can happen when you are teaching classes. You will see Nurse Kate give the girls a talk about healthy eating. The nurse will bend over Charlotte's desk and Debbie will then grope the nurse's bottom. You will then punish Debbie after school.

There are two different ways of unlocking this event.

Option 1: If Debbie is at punishment level 3, you should carry out a patrol, during which you will see her make a rather poor attempt at apologizing to Lucy. (See [DEB04](#) for details.)

If you fail to raise Debbie to level 4 at this point (e.g. if you give her a public punishment instead of a private one), then this event can happen when you teach a class. You can then give Debbie a private punishment and raise her to level 4. (See [DEB06](#) for details.)

Option 2: If you did not see this event when Debbie was at punishment level 3 (for example if you successfully raised Debbie to level 4), then this event can happen when you teach a class after you have made Debbie your prefect. (See [STD04](#) and [DEB08](#) for making Debbie a prefect.)

The event will only happen once. The dialogue during the event will be slightly different depending on whether Debbie is your prefect at the time or not.

[CLA09a] Cassandra on her Phone (Chapter 1 version)

Corporal punishment	+2 or +3 discipline	Will get +3 discipline if the remove skirts rule has been passed.

Note: You may also receive additional bonus discipline points. See the note at the top of this section, or see [REFR02](#) for more information.

Once you have completed the New Chapter event ([OTH16](#)) and started Chapter 2 of the game, you will see the second version of this event. See [CLA09b](#).

[CLA10] Amy Gets Tickled

Complete Amy's first punishment ([PUN01](#)). During the after school punishment, you will discover she's a masochist. When you get another class event where Amy is late for class ([CLA05](#)), select punish her now. She will become aroused and you will get +1 discipline and +1 Horniness, but grades do not improve.

Pass the new Corporal Punishment rule to remove skirts at the Friday board meeting (See [DEB02](#)). The next time you get a class event when Amy is late ([CLA05](#)), select punish her now. The other girls will tie her up and tickle her. You will get +2 discipline but grades do not improve.

Note: You may also receive additional bonus discipline points during Amy's classroom punishments. See the note at the top of this section, or see [REFR02](#) for more information.

[CLA11] How to Discipline a Young Woman

To get this event, you need to fully complete the "A Man's Work" Main Quest ([QM3](#)).

To do this, you will need to complete Ruth's Capitulation ([STA21](#)) and make Debbie a Prefect (See [STD04](#), Debbie's Pledge of Loyalty.).

Once you have 9 Influence and 40 Discipline, pass the "corporal punishments may be carried out by any teacher regardless of gender" rule at the next Friday morning school board meeting.

Immediately after you pass the rule, Samantha will tell you that Mr Mykock is about to arrive by helicopter. You will see a large scale event where you punish girls for the first time and this event will unlock.

At the end of the event you will receive 3 horniness points.

Note: once you complete this event, Chapter 2 of the game will automatically start on the following Monday. See [A New Chapter \(OTH16\)](#) for details.

[PAT20] Careless Flashing

Complete the "Miss Potts teaching outside" patrol event ([XTRA05](#)).

This patrol event is then unlocked. It will randomly happen when you patrol during the week. You see a brown haired girl trying to take a shortcut to her English class by climbing over a fence.

The options available will depend on which rules you have passed at the school board. If you have passed the Corporal Punishment rule to remove skirts, then you can confiscate her skirt.

Option	Outcome	Requirements
Let her off with a warning	Popularity +1 Discipline -1	
Confiscate her skirt	Discipline +1	Remove skirts rule (See DEB02 for details.)

In Chapter 2, there are two new versions of this event. The first happens once you have seen "The Great Underwear Shortage" scene ([PAP06](#)) where Maxine complains about the lack of underwear. In this version, you discover that the girl isn't wearing any underwear. You can then choose to remove her skirt and leave her completely exposed.

The second version is available after you have completed Maxine's fundraiser week and seen the "Minimal Uniform Requirements" scene ([STX08](#)). You can assign the minimal uniform and tell her to spend the day with her uniform in punishment mode.

Option	Outcome	Requirements
Let her off with a warning	Popularity +1 Discipline -1	
Confiscate her skirt	Discipline +2	Remove skirts rule Have seen The Great Underwear Shortage (PAP06).
Assign the minimal uniform	Discipline +3	Minimal Uniform (See STX08 for details).

Weekend Patrol Events [WEP]

Weekend Patrols: Bonus Discipline Points

When discipline is low, you will get extra discipline points. This is to reflect the fact that in the early game, the girls are not used to your discipline methods, and it will have a bigger impact on their behavior.

This means that, particularly at the start of the game, you may receive more discipline points than shown below. For example, if you see the Inappropriate Clothing event ([WEP01](#)) during the first weekend, and you tell the girls to change, you may receive +2 or +3 discipline instead of +1 discipline.

See [REFR02](#) for more information about the bonus discipline points.

[WEP01] Inappropriate Clothing

This patrol event is available from the start of the game. It will randomly happen when you patrol during the weekend. You will see Alice and Amy wearing very skimpy clothing.

If you complement them, you will get -1 discipline and +1 popularity. If you tell them to change, you will get +1 discipline and -1 popularity. (You may also receive bonus discipline points, see above for details.)

Once you have completed the New Chapter event ([OTH16](#)) and started Chapter 2 of the game, then this event will no longer be available. You will see a different version of this event instead ([WEP02](#)).

[WEP03] Debbie and Cass Playing Music

This patrol event is available from the start of the game. It will randomly happen when you patrol during the weekend. You will see Debbie and Cassandra playing music.

If you leave them be, you will get +1 popularity but -1 discipline. If you tell them to turn it down, you will get -1 popularity but +1 discipline. (You may also receive bonus discipline points, see above for details.)

Once you have appointed Debbie as a prefect ([DEB08](#)) then this event will no longer be available. You will see a different version of this event instead ([WEP04](#)).

[WEP04] Debbie and Cass Playing Music 2

This patrol event is available once you have appointed Debbie as a prefect (DEB08). It will randomly happen when you patrol during the weekend. You will see Debbie and Cassandra playing music again, but this time Debbie thinks they should turn the music down as some girls might be studying.

If you tell them the music is fine, you will get +2 popularity but -2 discipline. If you tell them to turn it down, you will get -2 popularity but +2 discipline.

[WEP05] The Man With the Golden Water Pistol (Part 1)

Complete Miss Chang's Formula (STA01), Stealing Priti's Password (STA16) and Nina Meets Faye (WEP09). The next time you do a weekend patrol, this event will automatically happen. However, you will need popularity 18+ to join in.

If you do not have popularity 18+, then you will not be able to join in. However, this event will happen again during the first weekend patrol you do during every subsequent weekend.

Note: if you complete Miss Chang's Formula and Stealing Priti's Password during the first week, then it is possible to get this event during the first weekend without completing the Nina Meets Faye event.

Once the fight starts, click the forward arrow 4 times. Priti will be attacked and you will find yourself facing Amy and Harriet. Shoot Amy (on your left) and then take cover. Click the forward arrow again and then dive for cover. Press the forward arrow another 2 times, and then take cover. You'll then attack Cassandra. Dodge left and then try and stall for time. Tell her you might "let you off your next punishment". You'll then take part in the final assault against the twins, and be shot. This will unlock the ability to buy a golden water pistol.

[WEP06] The Man With the Golden Water Pistol (Part 2)

Complete The Man With the Golden Water Pistol Part 1 (WEP05). Once you have \$300, buy the golden Water Pistol (Natural Rubber) from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday.

Once you have the golden water pistol, then next time you do a weekend patrol, this event will automatically happen.

Click the forward arrow 3 times. Priti will be attacked and you will find yourself facing Amy and Harriet (again). You can take cover immediately, or you can take a couple of shots at Amy or Harriet before taking cover.

You can choose to shoot at just Amy's skirt, just Amy's bra, at both Amy's skirt and bra, or just Harriet's bra, but you must then take cover. If you don't take cover, the water fight will end and you will lose 10 popularity. If you try any other combination (e.g. Harriet's bra and Amy's skirt) you will find you can't then take cover and you will be forced into the bad ending.

After you take cover, you will shoot Rachel, and then you can shoot Amy and Harriet again. Harriet's skirt will not dissolve but you can remove the rest of their clothing. Once you've done so, the two girls will then run away.

You will then need to dive for cover, and then press the forward arrow twice. Take cover when April and Alice appear again. You will then flank Cassandra again. Dodge left, and then the rest of the water fight will play out.

[WEP07] Twins Practicing Football

This patrol event is available from the start of the game. It will randomly happen when you patrol during the weekend. You will see the twins practicing football. If you join them, you will get +1 popularity.

[WEP08a] Liz and Faye on the Roof (Chapter 1 version)

This patrol event is available from the start of the game. It will randomly happen when you patrol during the weekend. If you stop and chat you will offer them some sunscreen.

If you say "here you go" you will get +1 popularity. If you have popularity 20+, you can offer to help them apply it. The first time you help them, you will get Popularity +2 and Horniness +1.

Warning: if you do not have popularity 20+, then do not offer to apply the sunscreen. If you do, you will lose a popularity point.

If you do this event again, you will get Popularity +2.

[WEP09] Nina Meets Faye

This event will happen automatically the first time you do a weekend patrol during the second weekend (or any weekend afterwards). You will see Faye trying to have a conversation with Nina.

Sports Coaching [SPT]

[SPT01] Charlotte and April Fighting

This event is available from the start of the game. It will randomly happen when you teach a sports lesson in the afternoon. You will see Charlotte and April about to fight. If you break it up, you will get +1 discipline. If you let them sort it out themselves, you will get +1 popularity but -2 discipline.

[SPT02] The Girls take a Break

This event is available from the start of the game. It will randomly happen when you teach a sports lesson in the afternoon. You will see the girls sitting talking to each other. If you let them take a break you will get +1 popularity. If you make them exercise, you will get +1 discipline.

[SPT03] The First Match

There are two ways to unlock this event.

Method 1: Go to the Sports Center in the afternoon and give the girls sports lessons. Teach 5 sports lessons. During the fifth sports lesson, you will play a match. This event will then automatically happen.

Method 2: Complete the "Sally and Rachel get Changed" event ([STR03](#)). At the end of this event, you will teach a sports lesson and play a match. This event will then automatically happen.

At the start of the match, you will be given the opportunity to suggest playing a "shirts and skins" game. In order to unlock the second match event ([SPT04](#)), you will need to play the "shirts and skins" game. You can only do this if you have popularity 9+. If you not have popularity 9+, then your suggestion will fail.

If your suggestion fails (or if you tell Charlotte "no", you can't think of a way to tell the teams apart), then you will need to teach another 5 sports lessons. You will then play another match, giving you another opportunity to complete this shirts and skins successfully.

[SPT04] The Second Match

Before you can unlock this event, you will need to complete the First Match ([SPT03](#)) and play a Shirts and Skins game. You will also need to complete the "Sally and Rachel get Changed" event ([STR03](#)).

There are then two ways to unlock this event:

Method 1: If you did not unlock the "Sally and Rachel get Changed" event ([STR03](#)) before playing the First Match ([SPT03](#)), then you will need to complete the event now. At the end of that event, you will teach a sports lesson and play a match. This event will then unlock

Method 2: If you unlocked the "Sally and Rachel get Changed" event ([STR03](#)) before playing the First Match, then you will need to go to the Sports Center in the afternoon and give the girls sports lessons. Teach 5 sports lessons. During the fifth sports lesson, you will play a match. This event will then unlock.

At the start of the match, if you have Discipline 15+, you can make the teams switch around so the other side plays skins.

You don't need to do this to unlock this event. However, you will need to do this in order to unlock Rachel's Weakness Revealed event ([STR04](#)).

If you not have Discipline 15+, then your suggestion will fail. If you fail (or if you tell them teams to keep things as they are), then you will need to teach another 5 sports lessons. You will then play another match, giving you another opportunity to complete this shirts and skins successfully.

During this event, you will also be asked if you prefer big boobs or small boobs. It does not matter which one you choose. However, if you say that you liked big boobs, some of the dialog in this event will change.

Once you have hired Trixie as the dance teacher ([STA05](#) or [XTRA01](#)), spy on Liz's room in the evening. You can then hear the girls talk about Trixie and then compare their boobs. You then tell yourself that you need to go home and relieve yourself, and the evening will end.

Note: Depending on what other events you have done, and when you last spied on Liz, the girls may talk about other subjects first. See [SPY00](#) for a note of all the topics of gossip that the girls discuss.

[SPY06] Maxine Gets a Whipping

Complete Rachel in the Shower ([SPY01](#)), Cassandra's Red Butt ([SPY03](#)), Rachel and the Ointment ([SPY04](#)) and Amy and Maxine ([STY01](#)). This involves punishing Rachel, Cassandra and Amy and then spying on them afterwards.

Complete Maxine's Protest (Part 2) ([STD02](#)). This involves completing Maxine's paperwork events and making Debbie a prefect.

In the evening, spy on the dorm rooms. You will tell yourself that you think you heard a noise from Rachel's room. You should spy on Rachel's room, then Liz's room, Priti's room, Amy's room and then the shower.

You find out that Maxine took a photo of Debbie and Cassandra in the shower. Maxine then drops her phone outside the window to hide it from Debbie.

[SPY08] The Chubby Student

Complete the Busy Shower Room ([SPY02](#)) and Miss Potts Teaching Outside ([XTRA05](#)). You will see this event when spying on the shower room again.

[SPY09] A Delightful Assortment 1

This event is available from the start of the game. You will see it when you spy on the shower room.

Before you see the event, you will need to see the Busy Shower Room ([SPY02](#)). You may need to see certain other spy events as well:

You will then see this event when you spy on the shower room again.

[SPY10] A Delightful Assortment 2

This event is available from the start of the game. You will see it when you spy on the shower room.

Before you see the event, you will need to see the Busy Shower Room ([SPY02](#)). You will need to see certain other spy events as well:

- if you have seen Miss Potts Teaching Outside ([XTRA05](#)), you will see The Chubby Student ([SPY08](#)) before this event.
- if you have spoken to Ada in the hallway (see [SPY11](#)), then you will see Ada the Prude ([SPY11](#)) before this event.
- If you have not spoken to Ada in the hallway, then you will see A Delightful Assortment 1 ([SPY09](#)) before this event.

You will then see this event when you spy on the shower room again.

[SPY11] Ada the Prude

Once Ada has joined the school ([XTRA09](#)), speak to her in the classroom hallway on Monday afternoon. She will tell you that she's not used to the communal showers, and she feels uncomfortable being naked in front of a bunch of girls she barely knows.

Complete the Busy Shower Room ([SPY02](#)). If you have seen Miss Potts Teaching Outside ([XTRA05](#)), then you will also need to complete The Chubby Student ([SPY08](#)) as well.

You will then see this event when spying on the shower room again.

Paperwork [PAP]

[PAP00a] Paperwork Options

Note: This is not an actual event in the replay menu, but is provided for general information.

When doing paperwork, you will have the option to grade some homework, which will give +1 grades, or manage the school's budget, which will give you \$100. You can also decide to watch some porn instead. In addition, you will sometimes be visited by pupils: see below for details.

[PAP01] The Student President

The first time you do paperwork Maxine will introduce herself and this event will unlock.

[PAP02] Maxine's Demand

Once you have seen Lucy's Request ([PAP03](#)), then the next time you do paperwork Maxine will demand you stop the use of corporal punishment.

Note: you can unlock this event before unlocking Lucy's Request ([PAP03](#)). Even if you did not have popularity 5+ when Lucy spoke to you, you will still get this event next time you do paperwork.

Once you have unlocked this event, next time you do a patrol you will automatically get the "Debbie Shows Maxine Who's Boss" event ([PAT09](#)).

[PAP03] Lucy's Request

Once you have unlocked The Student President ([PAP01](#)), then the next time you do paperwork Lucy will speak to you. Once you have popularity 5+, you can employ Lucy as your maid.

Note: if you started Chapter 2 without completing this event, you may also need to complete Alice Needs Tutoring ([PAP04](#)) and Alice Offers a Deal ([PAP05](#)) before you can see this event.

The Maid Outfit and Apron will become available to buy on your computer, under the Online Shopping | Clothing section. These will be required for events [HOM02](#) (Lucy Runs You a Bath) and [HOM04](#) (Lucy and the Apron).

If you do not have popularity 5+, then this event will remain locked, but next time you do paperwork you will get Maxine's Demand ([PAP02](#)) instead.

Once you have unlocked Maxine's Demand, then the next time you do paperwork you will get Lucy's Request again. You will continue to get Lucy's Request whenever you do paperwork until you have popularity 5+ and can unlock this event.

At the Lake [LAK]

[LAK00] Opening the Lake

Note: This is not an actual event in the replay menu, but is provided for general information.

Before you can achieve any of these events, you will need to open the lake. To do this, on Friday morning, at the School Board, choose to "Open the Lake" (see under Other Rules).

Note: you should ensure Discipline is 20+ before you do this, or grades will decrease by -2 every day the Lake is open. (See [REFG01](#) for details.)

[LAK01] The New Volley Ball Uniform

Once you have completed Sally's Lost Keys ([OTH08](#)), visit the lake any afternoon. You will see the girls in their uniforms, and this event will unlock.

[LAK02] Donna and the Beast

On Monday, Tuesday, Wednesday or Thursday morning, go to the lake and speak to Jimmy and Beast.

On Saturday afternoon, visit the lake and speak to Donna. She will be very rude to you. Press the right arrow and speak to Beast again. He will fetch you a beer.

(The steps above aren't required to unlock the event but they help to develop the story.)

On the right of the lake (next to the sunbathing Charlotte) there is a pile of stones. Click on them and you will find a bikini. Speak to Beast and show him the lost bikini. Beast will rip Donna's bikini bottom off her and give it to you.

[LAK03] Emily the Nudist

Complete Lucy and the Bee ([HOM05](#)). On Sunday morning, go to the lake. You will see Lucy helping Emily to change into her bikini. You will play a trick that will cause Lucy to run away, leaving Emily naked. Ruth then accuses her of being a streaker, and you then convince Emily to become a reluctant nudist to avoid being punished for streaking.

Note: this event will help you unlock Emily's "The Reluctant Nudist" quest. See [QEM](#).

[LAK04] Amy Goes for a Swim

Once you have +3 horniness points, go to the Lake on Saturday afternoon and speak to Amy and her friends. Amy will try to tempt you into the water by taking her top off. If you agree, you will get +1 popularity.

Note: for a list of all the horniness points and how to get them, see [REF02](#).

At Home [HOM]

[HOM00] Supervising Lucy

Note: This is not an actual event in the replay menu, but is provided for general information.

Once you have employed Lucy as your maid, she will visit your apartment every Saturday morning. During her first visit, you will stay and watch her work. But when she visits you again, you will be asked if you want to stay and supervise Lucy, or leave her to clean while you do some paperwork.

If you stay, you will be able to complete various events with Lucy (see below for details) and progress her Student Quest. If you leave her, then she will charge you \$30 and Saturday morning will end. You will not be able to complete any of Lucy's events if you choose this action.

This option is designed for players who have completed all Lucy's actions and do not want to repeat them. It can also be useful if you are unable to progress with the next action (for example, if you do not have enough money or have not purchased the required clothing).

[HOM01] Lucy the Maid

Complete Lucy's Request ([PAP03](#)) and employ Lucy as your maid. On Saturday Morning, Lucy will come to your apartment to clean it. She will charge you \$30 (or \$50 if you ask her to wear the maid outfit).

Note #1: if you buy the maid outfit first and get her to wear it, you will also complete the first part of the Lucy runs you a bath event ([HOM02](#)) at the same time as unlocking this event.

[HOM02] Lucy Runs You a Bath

Complete Lucy's Request ([PAP03](#)) and employ Lucy as your maid. Once you have \$400, buy the maid outfit from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

The following Saturday, get Lucy to wear the maid outfit and pay her the extra \$20. If you take a peek when she's changing, choose "better not push my luck".

Note: if you choose "keep watching", then Lucy will see you spying on her and will run off. She will return the following Saturday. (If you speak on her on Friday afternoon in the Classroom hall, you will apologize to her, but you do not need to do this for her to return the following Saturday.)

Lucy will spend the morning cleaning while you rest.

Note: If you buy the maid's outfit before Lucy starts working for you, you can unlock the Lucy the Maid event (HOM01) at the same time as completing this.

The following Saturday, Lucy will automatically change into her maid's outfit and you will decide to take a bath. You will have the opportunity to expose yourself to Lucy. To do this, choose to get in the bath, and then demand to know where she's been.

This event will unlock regardless of what you choose. However, to unlock Lucy Tells All (PAT12), you will need to expose yourself to Lucy.

[HOM03] Lucy and the Broken Vase

Complete Lucy runs you a bath (HOM02). The following Saturday, Lucy will automatically change into her maid's outfit. She will break a vase when cleaning. This event will unlock automatically, but if you lie and say the vase was expensive, then you get the opportunity to spank Lucy.

You will pay her \$50 and if you spank her, you will also give her a tip. You can choose to give her \$10, \$50 or \$100.

If you previously exposed yourself to her during the Lucy runs you a bath event (HOM02) and you spank her now, make sure you give her at least a \$50 tip, or else she will refuse to come the following Saturday. (If she refuses, you will need to speak to her in the school hall on Friday afternoon, and pay her \$500 to change her mind.)

[HOM04] Lucy and the Apron

Complete Lucy and the Broken Vase (HOM03). Once you have \$200, buy the apron from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday

The following Saturday, Lucy will automatically change into her maid outfit and will serve you breakfast. The event will automatically unlock. However, to continue with Lucy's storyline, you will need to say that the coffee is terrible and then agree to pay her the extra money to wear the apron. You will pay her \$150.

Note: if you say the coffee is great, then this event will repeat the following Saturday.

[HOM05] Lucy and the Bee

Complete Lucy and the Apron ([HOM04](#)). The following Saturday, Lucy will automatically wear the apron again. She will serve you tea in the garden, and you will find out she is allergic to bees. This event will unlock automatically, but if you lie and say that the bee is still on her, you will get the opportunity to feel her breasts. You will pay her \$150.

Special fun note: if you complete this event before day 69 (i.e. by Saturday day 62), then on day 69 you will see a special scene where Lucy quickly flashes her tits when she arrives at your apartment.

[HOM06] Topless Maid Service

Complete Lucy and the Bee ([HOM05](#)). The following Saturday, Lucy will offer to clean your house topless, but wants \$200.

You can choose what she wears. If you ask her to wear the topless apron, then you will have the option to "take a peek" and then watch her get changed, although it will cost you an extra \$50.

Note #1: this is as far as you can progress Lucy's storyline in Chapter 1. You must start Chapter 2 before you can unlock any more of Lucy's events. However, you can get the Psychology Association trophy (which is required for Lucy's next event) during Chapter 1. You will need to complete Maxine's demand (PAP02) as well this event.

During Chapter 1, on following Saturdays, you will also get to choose what Lucy wears. If she wears her own clothes or school uniform, it will cost you \$30. If she wears the maid outfit, she will charge \$50, and if she wears the apron she will charge \$150. If you ask her to wear the topless apron, it will cost \$200, or \$250 if you want to watch her get changed again.

Note #2: if you tell her to wear the maid outfit and you spy on her again, she will no longer run off. Instead, there is a small (but funny) scene where Lucy tells you off for not paying her more to wear the apron instead.

Around the School [SCH]

[SCH10] Faye's Embarrassing Situation

On Wednesday afternoon, go to the Sports Center. You will see Faye standing naked outside the changing room. After you speak to her, this event will unlock. You will also punish Cassandra after school, which can unlock event her punishment event ([PUN02](#)) as well.

[SCH11] Amy and Her Abs

On Tuesday morning, go to the sports Center and talk to Amy. She will show you her abs. If you have popularity 10+ then she will also tell you about her porn shoot and you can also unlock the first part of the Future Female Sports Stars event ([STY04](#)). The following Tuesday, speak to her again and she will allow you to touch her abs.

[SCH12] Liz and the Blue Underwear

On Monday morning and Friday afternoon, you can talk to Liz in the classroom building. The first time you talk, you will get some background information about her.

Once you have Discipline 18+ and Influence 4+, pass the Strict Uniform Policy at the Friday school board. This will allow you to inspect the students' underwear

Talk to Liz again and carry out a uniform inspection. You will tell her she can't wear blue underwear.

Doing this will also allow you to unlock the second version of the Windy Day patrol event ([PAT05](#)).

Do another uniform inspection on Liz. You will tell her you think going commando excites her. She denies this but you decide to spy on her in her room.

In the evening, spy on Liz's room. She will tell her friends that she finds it exciting to walk around without underwear. The next time you talk to her, do a uniform inspection and you will fondle her vagina and find she is soaking wet. You will get +1 horniness point and this event will unlock.

Fun note: On Wednesday morning, if you visit the nurse, you will see her looking after Liz, who has hurt her knee. Once you have told Liz not to wear her underwear, then you will be able to slightly different version of the scene with the nurse, where Liz isn't wearing underwear.

[OTH03] The Second Dream

To get the second dream, you need to fully complete the "Order to the Chaos" Main Quest ([QM1](#)).

To do this, you will need to complete [STA01](#) (Miss Chang's Formula), [STA02](#) (The Interview), [STA07](#) (Spanking the English Teacher) and [STA16](#) (Stealing Priti's Password). If you hired Trixie during the interview ([STA02](#)), you will also need to complete [XTRA01](#) to hire Anna as the lab technician.

If you have not already done so, you will need to pass at least one rule at the Friday school board. Keep Discipline above 20 and at night you will get the Second Dream event.

If you have not already unlocked the Remove Skirts Rule (See [DEB02](#)), then the next weekday morning you will see a scene with Sally and Izzy running. The option to buy paddle will be unlocked. The option to propose new Corporal Punishment rule to remove skirts will become available.

[OTH04] The Third Dream (Rosie and Sarah)

Complete Little Sally Still Wants to Fight ([STA03](#)). Open the Recycle bin on your computer and read the (previously locked) April 16 entry. Go to the Teachers' Lounge and speak to Ruth about the old headmaster's journal. At night, you will then get the third dream and this event will unlock.

[OTH05] Dungeons and Dragons Part 1

On Sunday afternoon, go to the dorm and speak to the group of girls there. They are playing dungeons and dragons. Agree to watch them play. You will be joined by Miss Chang.

At the end of the game, you will be asked who had the best costume. You should choose Faye. If you do, then the following week Emily will be dressed in a skimpier costume.

[OTH06] Dungeons and Dragons Part 2

Complete Dungeons and Dragons Part 1 ([OTH05](#)). The following Sunday afternoon, go back to the dorm and speak to the group of girls.

At the end of the game, you will be asked who had the best costume. You should choose Emily. The other girls will agree to go to Priti's room to try on some new costumes.

[OTH07] Sally and the Towels

If you have not already done so, have your initial conversation with Sally on Monday, Tuesday, Wednesday or Friday afternoon. See Sally's Lost Keys ([OTH08](#)) for details.

On Monday afternoon, go to the men's changing room and click on the shower area. You will be told that if you go forward any further Sally will notice you.

Note: If you click on the towel rack and you will be told that there is one big towel and lots of small ones. This step is not required but helps explain the prank you are about to pull.

Click on the shower area, and Sally will ask you wait a couple of minutes. She will then come out of the shower and takes the big towel. This first scene will be unlocked in the replay menu.

The next Monday afternoon, go to the men's changing room and click on the shower area again. Click on the towel rack, and choose to grab the big towel. Click on the shower area, and Sally will again ask you to wait a couple of minutes. This time, when she comes out, she will be forced to use one of the small towels instead. This new scene will be unlocked in the replay menu.

[OTH08] Sally's Lost Keys

The first time you speak to Sally in the Sports Center changing room, she will apologize for exposing herself to you on Day 1. If you have not already done so, speak to Sally on Monday, Tuesday, Wednesday or Friday afternoon to have this initial conversation.

After you have had the initial conversation, then on Tuesday, Wednesday or Friday afternoon, you can talk to Sally in the changing room in the Sports Center. Initially, you will see Sally standing in front of the lockers. Speak to her about "more about you". After you do this, and after the first Board meeting ([OTH12](#)), you will see Sally in her underwear standing in front of the mirror instead. Speak to Sally again, and she will ask you if you have found a set of keys.

Complete Sally and the Towels ([OTH07](#)) and the Second Dream ([OTH03](#)). At the School Board, choose to open the Lake (see under Other Rules).

Note: you should ensure Discipline is 20+ before you do this, or grades will decrease by -2 every day the Lake is open. (See [REFG01](#) for details.)

The first weekday after you have the second dream ([OTH03](#)), Samantha will tell you that the groundskeeper (Jimmy) wants to talk to you about some keys. Once the Lake is opened, you can speak to him any morning. Ask him about the missing keys and he will give you Sally's keys.

On Monday, Tuesday, Wednesday or Friday afternoon, talk to Sally again. This time she will be standing naked in front of the mirror. You can choose to give her the keys or throw them to her. The event will unlock either way.

Fun note #1: the best option is to throw the keys and then admit you were being sneaky.

Fun note #2: Once you have completed this event, then when Sally helps you punish Rachel in class during the afternoon ([CLA06a](#)), you will see Sally wearing her volleyball uniform instead of her normal clothes.

[OTH09] Sally Tests Your Skills

If you go to the Sports Center on Thursday afternoon, you will see Sally with a group of students. If you talk to her, you will find that she is about to take them on a long run.

Teach a sports class on Thursday afternoon. After the lesson, you will take a shower, and the initial version of this event will play out. Sally will come into the changing room and wait for you to leave the showers before she gets in.

Note: These steps are not required but they provide some background information for the event.

Complete Sally's Lost Keys ([OTH08](#)) and Debbie's Pledge of Loyalty ([STD04](#)).

Once you have done this, teach a sports class on Thursday afternoon. After the lesson, you will take a shower. Sally will come into the shower and the full version of this event will play out. You will spank her and then have sex with her.

Note: until you have completed Sally's Lost Keys and Debbie's Pledge of Loyalty, Sally will not join you in the shower. However, the dialogue will change slightly depending on what you have done. If you threw Sally her keys (during [OTH08](#)) then you will mention seeing her naked. If you have made Debbie a prefect ([STD04](#)) you will mention the connection between you and Sally.

Fun note: after you have unlocked the full version of this event, then on Monday afternoons, if you go into the changing room and click on the shower area, then you will be able to join Sally in the shower and have sex with her again.

[OTH10] The First Group Medical

On the first Wednesday (Day 3), Nurse Kate will visit you if your office at the start of the day. You will agree to have medical inspections held on Thursday mornings in the gym. On Thursday morning, go to the gym hall in the Sports Center. You will see the inspection in progress and this event will unlock.

[OTH11] The First Dance Lesson

After you have hired Trixie as the Dance Teacher ([STA05](#) or [XTRA01](#)), visit the gym on Wednesday morning. You can stay and watch the class if you want, but even if you leave immediately the event is unlocked.

[OTH12] The First Board Meeting

This will happen automatically on the first Friday morning (day 5).

[OTH13] Faye the Faker

You can talk to the nurse in her office (in the sports Center) on Monday, Tuesday, Thursday or Friday afternoon.

The first time you speak to her, she tells you there are a few students who often see the nurse. You see Faye sleeping on a bed. The second time you speak to the nurse, Faye will come into the office, and the nurse will mention this is the second time this week Faye has been in.

Once you have \$250, buy the Butt Plug from Online Shopping | Sex Toys option on your office computer. It will arrive the next day. The Butt Plug is available from the start of the game, so you can order it even before you've spoken to the nurse.

Speak to the nurse for the third time. Faye will come in, and you will make sure she doesn't think about skipping any more classes. The scene will then unlock.

Fun note: If you speak to Faye in the dorm room on Tuesday evening, she will initially talk about how she used to be sexually harassed at her old school. But after this event is unlocked, if you talk to her she will mention how weird the butt plug felt instead.

[OTH14] First Date with Samantha

Make sure that you have at least \$60. Go to the school office and ask Samantha about "the local area" and then "ask her out for dinner". That evening, you will go on the date with Samantha.

Complement her outfit, order the house red, and choose to have the same as Samantha. Ask about her interests, and then say that you are keen on home improvements. Ask about her sister and her love life.

Your waitress, Arabella will then ask you about the school. You find that she is currently being homeschooled by her mother Patricia, who is also the manager of the restaurant.

Arabella will bring the wrong order. Chose to "Intervene" and then "go check it out". You will see Arabella about to be spanked by her Patricia. Open the door a little further, and then say that "actually, I do mind".

At the end of the meal say that it was delicious and then pay for everything. The bill will be \$60. Samantha will kiss you and you'll say that you thought dinner went very well.

Game note: if you press "skip day", you will not go on the date. (Pressing "skip period" is OK.) You will still get the date on any following day where you don't press "skip day".

[OTH15] Meeting Lily

The morning after your date with Samantha (OTH14), you will get a scene where Samantha is talking to Lily, her sister. Lily is trying to borrow some money from Samantha, and asked about her date with you. Lily then tells you that she used to have to spank Samantha when she was younger.

Endings [END]

[END01] The Student Revolt

This is a bad ending, which means you have failed. It can happen at any time if Discipline falls to zero.

[END02] Ruth Asks Some Questions

This is another bad ending, which means you have failed. It can happen at any time if Grades falls to zero.

If both grades and discipline fall to zero at the same time (e.g. if you force Priti to strip, see [XTRA02](#)), then you will get the Student Revolt ([END01](#)), not this ending.

Extra Events Not in the Replay Menu [XTRA]

Note: These are not actual events in the replay menu, but you may need to do these before completing some of the other events.

[XTRA01] Making Trixie the Dance Teacher

If you accept Trixie's offer of a blowjob during the interview ([STA02](#)), you will then hire Trixie as the lab technician. That evening, visit Miss Chang in her classroom. She will insist you fire Trixie.

The following day, use your office phone to summon Trixie. You will appoint her as Dance Teacher and hire Anna, the other candidate, as the lab technician. Speak to Miss Chang in the evening, and she will thank you and you will get +1 Influence Point.

[XTRA02] Priti's Photoshoot: Ordering Her to Strip

During Priti's Photoshoot ([STA17](#)), you can choose to "order her to strip" or "trick her". For the "trick her" option, see [STA18](#).

If you choose "order her to strip", then after you've taken the photos, you will need to choose to "stop". If you choose to "keep going", you will be interrupted by the School inspector Ruth, and you'll get a bad game ending.

The following morning, Samantha will tell you that Priti was seen running from your office in tears. Your grades, discipline and popularity will all decrease by 10. If this causes grades or discipline to fall to zero, you will get an immediate bad game ending. This can include either the Student Revolt bad ending ([END01](#)) or the "Ruth Asks Some Questions" bad ending ([END02](#)).

When you give Mr Wilson the photos of Priti being forced to strip, he will complain about the fact that she is not smiling. You will only get +1 influence point, instead of the +2 influence points you would get from the other two paths (either [STA19](#), hiring the prostitute for him or [XTRA03](#), tricking Priti into stripping).

Fun note: if you chose to order her to strip, you can then view the photos you took using the Photo Album app on your computer.

Not-so-fun note: if you chose to order her to strip, then if you speak to Priti in the classroom hall on Tuesday morning, you will realize that she has been traumatized by your actions. You will not be able to do an underwear inspection on her. (However, once you start Chapter 2 of the game, you will be able to inspect her again.)

[XTRA03] Priti as a Picture (Alternative Paths)

If you want to both complete the "Priti as a Picture" staff quest (QWIL) and fully unlock all the events in the replay menu, you will need to complete STA01, STA16, STA17, STA18 and STA19 in order.

However, if you just want to complete the staff quest and don't mind about unlocking all the items in the replay menu, there are a couple of alternative ways of completing the staff quest.

Alternative path #1:

After you have completed Priti's Photoshoot (STA08) and visit Mr Wilson in the evening, you can simply agree to hand over the photos of Priti. This will give you 2 influence points, but it means that the "Wanna Buy Some Candy" event (STA19) will not unlock.

Alternative path #2:

You do not have to complete Priti's Pictures (STA17) or Priti's Photoshoot (STA18). Instead, after you hire Trixie (STA05 or XTRA01) and steal Priti's password (STA16), visit Mr Wilson in the evening to hand over the password. Visit him again the following evening and ask for "more help with the board". Refuse when he says he wants nude pictures of Priti. You can then agree to give him a night with a prostitute instead.

This will allow you to unlock the "Wanna Buy Some Candy" event (STA19) but you will not be able to unlock Priti's Pictures (STA17) or Priti's Photoshoot (STA18).

Note: you can change your mind about whether you take the nude pictures of Priti or not. To do this, visit Mr Wilson in the evening. Speak to him about the "photos of Priti". You will then tell him "I've decided to help you" (if you want to take the photos) or "I've changed my mind" (if you don't want to take the photos).

[XTRA04] Selling Photos to Mykock

The morning after you complete Priti's photoshoot (STA18), Mykock will visit you and offer to buy a copy of the photos. If you agree he will pay you \$300.

He will then offer to buy photos you take of any of the girls during a private punishment, and you will agree. From that point onward, if you take photos of a girl during a private punishment, you will receive an extra \$100.

Note: if you order Priti to strip, instead of tricking her (see STA17), this event will not unlock.

[XTRA05] Miss Potts Teaching Outside

Complete Spanking the English Teacher ([STA07](#)), and do a patrol. You will see Miss Potts reading to her class outdoors.

You tell yourself that none of the girls are in your classes so you haven't had much interaction with them, and because you usually see the same girls, you sometimes forget you are running an entire school with dozens of students.

You are told that the more progress you make training the staff, the more you will see these girls being punished around the school.

[XTRA06] Debbie: Further Class Events

There are three very different versions of the "Debbie the Bully" class event ([CLA07](#)). They will all randomly happen when you teach a class.

First version: this shows Debbie with Lucy in a headlock. It is available from the start of the game. This is the version you will see when you unlock the event in the replay menu.

Once you have raised Debbie to punishment level 3 (see [DEB03](#)) this event will no longer occur.

Second version: this will happen once you have raised Debbie to punishment level 4 and passed the Very Strict Uniform Policy (see [DEB05](#)). You are told that all the girls are behaving themselves and even Debbie is doing her work. You will get 2 grade points. At the end of the class Donna will tease Debbie and Debbie will hit Donna. You will automatically choose to punish Debbie after school.

Note: if you have not passed the Very Strict Uniform Policy, then you will not see the scene where Donna teases Debbie. You will get 2 grade points but you will not get the opportunity to punish Debbie.

Third version: once you have made Debbie a Prefect ([STD04](#)), then you will see a scene where Debbie is carrying out an underwear inspection on three students. You will get 2 Discipline and 2 Grade points.

[XTRA07] Debbie & Cassandra Hallway Interactions

On Wednesday mornings, you will see (and can speak to) Debbie and Cassandra in the classroom hallway. At first, the two girls will be disrespectful.

Once you have raised Debbie to level 4 (see [DEB04](#)), she will become (slightly) more respectful. Once you have made Debbie a prefect (see [DEB08](#) and [STD04](#)) then you will see her doing an underwear inspection on Cassandra.

[XTRA08] Cassandra and Faye Patrol Scene

This is an extra patrol scene that is not included in the replay menu. To see it you, will need to unlock Cassandra's student quest.

To do this, you will need to complete Cassandra's Shocking Realization ([STC01](#)) by raising Cassandra to punishment level 2 and spying on Debbie's room twice.

The following day, check your email (on your office computer). You will see an email from Mr Mykock. It says that a number of wealthy individuals have expressed an interest in visiting the school, and that he suggests you find a student to take them on a guided tour. You tell yourself that a girl trained to be the perfect hostess would be of great use to you. You think about choosing Cassandra. This will unlock Cassandra's student quest.

You can then do a patrol. You will see Cassandra smiling, but she is still rude to Faye when Faye tries to speak to her. You realize that transforming Cassandra into a hostess for the school is going to take a lot of work.

[XTRA09] Ada Campbell

Ada Campbell is a new girl who joins the school. To get Ada to join the school, you will need to complete Debbie's Pledge of Loyalty ([STD04](#)) to make Debbie your prefect, and complete Maxine's Demand ([PAP02](#)). (You do not have to complete [PAP03](#), Lucy's Request.) You also have to visit Mr Wilson for the first time (see [STA16](#)).

The following weekday morning, Samantha will tell you that Mr Mykock is sending a new girl to the school and she will arrive the following morning.

The following morning you will see a scene where Ada arrives at the school and you talk to her. You can then see Ada in the classroom hall on Monday afternoons.

If you have not unlocked Ada by the time you pass the school rule to punish the girls yourself, then immediately after the school board meeting, you will see the scene where Ada arrives before the How to Discipline a Young Woman scene ([CLA11](#)) plays out.

[End of Game Guide Part 1]
