At the moment, I'm working on **Summer Class**. In this game, I'm also using the same figure of **Ha-Young** for **Min-Ah** after everyone voted for it. Even so, **Min-Ah** has a different personality compared to **Ha-Young**. After **Summer Class** ends, we will vote again to decide if we will continue **Clean Slate**, the sequel of **My Future Wife** or not. In the meantime, please follow the story **Min-Ah** and everyone around her.

Thanks again, and see you all in **Summer Class**.
