Give it a try!						It's so... stupid!	
							
... feel nothing.	... feel so horny...						
	It would be nice if I was training with her at the moment!					I wonder how Calvin is feeling right now?	
							
Go with them.							
I'm thinking too much already!	Or was it because of me?		I thought she liked Edward!		Or was it because of Calvin?		
							
I shouldn't do anything!	Grope Angie's ass!						
							
	It would become awkward if Min-Ah noticed it!		Why not?
