---

By Vashaldias

**Game:** *Crimson High*, by Vertigo

**Game version:** v0.34.1

**Walkthrough version:** 4

**I don't know how often (or whether) I'll be able to update this** – it's probably best not to expect instant updates when new game versions are released. There are probably some errors here.

Coloured text means:

- Text like [THIS](#) should work as a clickable link.
- **SCENES** which unlock in the replay gallery.
- **HAMSTERS** for unlocking bonus images.
- **OTHER BONUS IMAGES** which you may come across (phone selfies, magazine pin-ups, etc).
- **GAINING POINTS** or **LOSING POINTS** with characters. (So far, these points don't actually have a huge impact – I wouldn't worry too much about them, but I could be wrong.)

## General notes

- ❖ Not everything is explicitly listed – **if a choice isn't mentioned, it means I don't think it has any major long-term effects.** However, since the game is still in development, I don't always know what will matter, or how. It's possible that I've misinterpreted something, and something that I say doesn't matter may end up mattering.
- ❖ If you're hunting for hamsters (i.e. unlockable bonus images), remember that you can turn on in-game alerts for them (in the hamster image gallery on the phone).

---

## Day 1 (Fri)

### Crime scene

- **HAMSTER (TOUKA 1)**
  - When: Touka says "Sure, yeah. I've got something in mind," after you've seen the crime scene and want to go somewhere to talk.
  - Where: Windowsill, to the right of the central column.
- Free roam: You need to visit all three locations. There are various things you can find, although most of them are optional.
  - In the classroom, you need to find a flier for a cult (in the bag at the front left). Optionally, you can find and take a pair of panties from the bag on the shelves at the back – doing this will EVENTUALLY open up some interactions with Yui (who you meet a bit later). You can also inspect a potted plant, a manga club leaflet, an empty drink box, a vampire book, a Switch console, and a pink bunny.
  - In the infirmary, your choice of where to look doesn't matter – you just need to talk to Reina the nurse.
    - **HAMSTER (REINA 1)**
      - When: Reina says "Or do you maybe want to buy one of my socks?" during her speculation about why you're there.
      - Where: Behind the computer on the desk.
  - In the storage room, you need to find a notebook in the gap between the two big boxes on the shelf. You can also inspect the desk graffiti and some small empty boxes on the shelf.

- **HAMSTER (KANA 1)**
  - When: You think "Look at that, little Kana is not so little anymore," after the camera shifts to her.
  - Where: Chair behind the railing on the right.

## Beggar

- Donation amount: If you give the beggar the highest or second highest amounts, you lose the opportunity to get love points with girls later. Other effects are minor so far, although there could be more.
- **HAMSTER (JIRO 1)**
  - When: The beggar says “Let me tell you something, boy,” as he starts ranting.
  - Where: Right-most shop window, behind the blue/purple package on the shelf.

### Phone

- You don’t have time to look at all your messages in one sitting, but don’t worry about missing any – you come back to them later.
- Five **GALLERY IMAGES (AKI SELFIE 4; KANA SELFIE 3; KANA SELFIE 4; KANA SELFIE 5; MIRI SELFIE 2)** are received automatically at some point. Also, **GALLERY IMAGE (MIKO SELFIE 1)** is received if you wait until your second round of messaging to look at Miko’s message.
- Your choice of costume for Jun will presumably have some effect later, but not yet.

## Day 11 (Mon)

### Morning at home

- (no choices or unlockables)

### Startling Megumi

- **HAMSTER (MEGUMI 1)**
  - When: Megumi says “Wah! I-I-It's you! [...]” in response to your greeting.
  - Where: On the desk to the left.

### Meeting Okami's sister

- **HAMSTER (EMICA 1)**
  - When: Emica says “No, but.. you're just a human and a man. [...]” while talking about you and Okami.
  - Where: Near the top of the right-most bit of window frame.

### Messages

- **GALLERY IMAGE (MANA SELFIE 1)** is received automatically.

### Storage room assistant

- Choosing someone: You can pick any of the girls currently in class (so not Okami or Suzu), except that Yui is only an option if you [TOOK THE PANTIES](#) on Day 1. The resulting talks vary depending on who you're with, and may include a kiss (Kana and Jun) or flashing (Nagisa). There are also two hamsters available (Nene and Yui). Consequences include a message from Yui that you wouldn't otherwise get and the possibility of Kana getting jealous (if you take Nagisa, Yukari, or Aki), but I don't know how significant those things (or your choice overall, for that matter) will be in the long-term.
  - **HAMSTER (NENE 2)**
    - When: Nene types “You're welcome!” if/when you come out of the storage room with her.
    - Where: On the floor, up against a wall under a whiteboard.
  - **HAMSTER (YUI 3)**
    - When: Yui says “What did you do with them?!” if/when you're in the storage room with her.
    - Where: On a shelf to the right of Yui's head.
  - **HAMSTER (URAHA 2)**
    - When: After you start talking about Suzu to Uraha (You: “Is that something vampires can do?”)
    - Where: Back left corner of the flowerbed.

### Questions for Uraha

- Pills: Asking Uraha if she uses them herself could have an effect in future (possibly enabling scenes with her, but that's just my speculation).

### Reporting to SECS

- **HAMSTER (RONIN 1)**
  - When: You say “I..” shortly after entering Ronin's office.
  - Where: Bottom left corner of the window.
- **HAMSTER (INAYWIN 2)**

- When: Inaywin says “Yiasoo, little cub! [...]” after you enter her workshop.
- Where: Part-way up the machine to the left of Inaywin’s head.

### Alunara’s approach

- Apology for Kira: Telling Alunara that you’re single may enable something with Kira (not to be confused with Kiri) later, but that doesn’t happen yet.

### Suzu’s results

- (no choices or unlockables)

### Beggar/Jiro again

- (no choices or unlockables)

### Orianna’s ceremony

- (no choices or unlockables)

### Messages

- You may not be able to check all your messages now, but you’ll see them eventually.
- You only get a message from Yui if you took her to the [STORAGE ROOM](#).
- **GALLERY IMAGES** ([AYA SELFIE 1](#); [KURO MEME 2](#)) are received automatically (now or later).

### Relationship talk with Orianna

- **HAMSTER** (ORIANNA 4)
  - When: You say “They did. Suzu won’t hurt you,” after you’ve discussed your unconventional love life and Suzu has returned to the room.
  - Where: Between two buildings out the window, above and to the left of Orianna’s head.

### Helping Machi and Perrine

- **HAMSTER** (PERRINE 2)
  - When: You say “I mean, I don’t know all the circumstances [...]” while talking to Perrine about her situation.
  - Where: Flower bowl on the counter/divider, near Perrine’s raised arm.
- **HAMSTER** (MACHI 1)
  - When: Machi says “Thank you, [name]!” after you compliment her new look.
  - Where: Through a gap in the nearer railings, to the left of Perrine.
- Staring: How long you stare at Machi could possibly have an effect (there’s some extra dialogue if you keep selecting it enough times), but not yet.

### Delivery for Inaywin

- Inaywin interest: If you accepted Inaywin’s offer at the [BEACH](#), you can ask if she’s interested in meeting up outside work again. Presumably, this will open up more encounters in future.

### Takako’s deal attempt

- (no choices or unlockables)

### Messages

- **GALLERY IMAGE** ([TAKAKO SELFIE 1](#)) is received automatically.

## Hibiki's religion

- **HAMSTER (HIBIKI 2)**
  - When: Hibiki says "Because you're.. uhm.. you're.. you're.." when you query what she calls you.
  - Where: Through the fence in the background, to the right of Hibiki's head.
- Your choice as to what she calls you could have some greater impact, but not yet.

## Beach walk

- **HAMSTER (EMMA 1)**
  - When: Emma says "Mhm, genau. Decades ago [...]" while explaining her background.
  - Where: On a bit of awning to the left, between the building and the palm trees.
- Emma's kink: You can ask what it is. If you do, you can say that it's too much for you, or say that you're curious about it. This will presumably affect future interactions with her.

## Collecting Miko and going home

- (no choices or unlockables)

## Hotel stay

- **HAMSTER (MEI 1)**
  - When: Mei (the receptionist) says "How long do you intend to stay with us, sir?" while you're checking into the hotel.
  - Where: On the floor between wall and the partition extending towards it from the desk, in the middle of the screen.
- **HAMSTER (MARIKO 2)**
  - When: Mariko says "I'm not sure if you're trying to sell a lie [...]" after you meet her outside the hotel.
  - Where: Clinging to the trunk of the palm tree behind the signboard on the right.
- **GALLERY SCENE (MARIKO 3)** is received automatically if you saw her previous one.

---

## Day 12 (Tue)

### Overnight arrivals

  - When: You say "What do you mean? Is she hurt?" after Machi wakes you up at night.
  - Where: In the sea outside the window, to the left of Machi.
- **HAMSTER (MORRIGAN 2)**
  - When: Morrigan says "Not now [...]" after she arrives at the hotel.
  - Where: On the sand, mid-way between Aki's head and the turtle sign.

### Morning

- **HAMSTER (JUN 4)**
  - When: Jun says "I dunno! I woke up like this!" after you wake up.
  - Where: In the palm tree on the left outside the window.
- Messages:
  - **GALLERY IMAGE (OKAMI SELFIE 1)** is received automatically when you read the messages from her.

- You get a message from Tsubaki if you picked her (“tomboy in the back”) as the [HOTTEST ATHLETE](#) on Day 8.

### Waking Yui

- **HAMSTER (YUI 4)**
  - When: Aki says “What’s happening,” after Yui wakes up.
  - Where: In the potted plant on the right.

### Suzu’s first time

- **GALLERY SCENE (SUZU 3)** is received automatically.

### Messages and backup

- **GALLERY IMAGE (MIRI SELFIE 3)** is received automatically, regardless of previous choices.
