

...  
(notes on this .txt)  
i assume most ppl keep some sort of txt file on the left side of non-full screen window  
(instead of having dozens of browser pages open.)  
basically it is a compilation of all existing walkthroughs from OPs' first pages. and some  
bonus info i found.  
and my experience of following those steps (or failing to. with my solutions and other  
occasional comments)  
(!)if options you have differ from what i describe - you most likely use original game files  
without english translation project files  
notes after npc's walkthroughs - either cypypaste from guides, or about some sex scenes or  
visitation hours. not related to progressing per se. never tried to mention all of them.  
...

(shortened version of general tips. ofc irrelevant when cheating)  
Depravity : modest, normal, liberated, without complexes, irregular, depraved, whore of  
babylon[reckless?]  
This is an indicator how 'slutty' a given character is.  
Tip: Dont try anything while a characters' depravity is modest or normal.

Attitude to me : hates, dislike, negative, neutral, friendly, always willing to help, ready  
to do anything ;;;0-149, 150-299, 300-499, 500-599, 600-749, 750-899, and 900-1000 for  
those who want point values  
Attitude determines how much communication options you will get and how they will generally  
react to your appearance.

Behaviour: arrogant, stubborn, normal, compliant, submissive  
seen as a guideline for choices. Character actions and reactions are somewhat defined by this  
stat.

Arousal stir, boner, calm  
This is your bread and butter for seduction and/or corruption  
Learning when and how to use your boner to your advantage is one key part of the gameplay.  
Arousal will happen naturally by being in certain situations (peeping etc) and can be  
actively created by watching porn.

Energy and you: cheerful[alert?], normal, tired and then exhausted.  
sleep 8 hours for 'cheerful' mode (listed under 'condition' in your personal profile). it  
will slowly go down towards normal, tired and then exhausted.  
recover some energy: drink,sauna,spa,room nap [ You can use an energy drink (available in the  
mall shop) which will give you a small boost for a limited time. You can visit the spa centre  
and spend some time in the sauna - this will cost you but is pretty effective when you need  
to wait some time anyways. At home you can take a nap of 2 hours in the hall if you are tired  
or below.

...  
night 00:00-06:00 ; day 08:00- 9:00 ; 06:00-10:00 [morning] 18:00-22:00[evening].  
some characters are related or intertwined with someone else. Siblings are the simplest  
example, boss and employee are another form of this relation. You might need to build up  
relations with someone else before you will have access to a certain person  
several events are triggered by dates or require some time to pass.

...  
(notes on UI and gameplay).  
dont save when you have a window with choices - there is a high chance that you will not get  
those options again = you fail to progress. most likely you will be able to progress after  
some cheating/tweaking but you will loose some interactive steps. bad for perfectionists  
minds.  
when you read a guide and know that some fork for route choices is comming - make a save,  
rename it accordingly and store somewhere until needed.  
if your gamescreen freezes - just amend its windows size abit

(notes on ingame cheating)

cheating/variables tweaking & events triggering

i tweaked stats shamelessly. for other things i tried to to use it as less as possible to avoid messing things up (threads are dead so i would get no insta help in that case).

did that for some repetitive sequences i can clearly identify - like moms jerking you off, antonina poker, sasha training, dasha anal training. yet again, be careful as not always such correspond to a number of interactions

some variables have hints when to stop (and not to max it) because of some events occurence. when no such hints - you could play it safe and tweak numbres so that such were bit below the max available number (as last number may indicate that some action sequence ended at max-number-minus one, and then something else happened (like scene or dialogue) and only after that variable went to its max number)

some variables can go from 1 to 0. such depict some daily activity (you already performed or not) no much point to tweak em.

cheating/trigger events

i used that only when there were some progressing issues. (and when exploring alt pathes) mostly no need.

the only time i didnt really need it but used (marina call to fair) - that messed things up.

cheating/rolling hours back

you can (re)visit/interact with the same npc again (to raise stats if anyone bother. or well, to have sex)

you cannot repeat once-per-day options for the same npc. (yet, in some cases progression related options are repeatable)

for progression related events: after you interacted during the later time - you can roll back to the earlier time and see next progressing option being available (unless it is stated or implied that you should visit on the next day)

cheating/rolling days back (red minus near the time counter ; and maybe -1day in date control menu)

looks like variables/sequences progress achieved in the "later" day is not reseted when u go back to earlier day

cheating/+1day ( double green plusesnear the time counter, and +1day in control date)

rarely used that. but when doing it for elsa-father route for example, i had a feeling that it didnt allow to trigger things.i suspected that some events require "next day after you slept" interactions. not sure.)

cheating/resetting scene (proceed with caution/after saving first)

click left menu buttons (like "items") if there is some RNG in the scenes (though i did that only once, for marina bj sequence. and no idea where else i could have utilized that. so probably rather useless. checked on poker - didnt work) .

cheating/freezing time

looks like some issues occur when you do some night activities, mainly clubbing.

2 times when freezing time and spamming club options I somehow skipped a week! (noticed by chance as dates were different. i think club options game considered to be time consuming and counted cumulatively)

1 time i went to club on friday(10th) froze time, grabbed ass-drunk-had quikie and ended up on wendsday(14th) after i left club (and before i went to sleep).

also falling asleep after the alarm time may contribute to loosing one day. (no time lock) once i went to sleep on monday !after my alarm time and woke up on tuesday. so dont do that.

cheating/items.

i had a feeling that couple of items were needed to be actually bought after certain npc interactions. not sure.

...

(notes on order)

my order (approximate, but i took things slowly to avoid being overburdened):

aunts[nina, rada], mom, anastasia

sveta{aurelia, vika later} gym[katya, bazhena, lucy], masha{irina later}

modeling[antonina],glory star[melissa, arina], stroy city[luda], yana(youngsis), julia, (closer to university time and those after 01.09) oksana(oldsis), twins, elsa{lena later} liza, fira, antonina's daghters[dasha, later marina] and their threesome, sasha alena

in guides i mentioned preferable routes first, below should be routes of less importance (scenes content wise).

for checking alt routes i basically reset game for alt-mom (sex ed and shurik), alt-nina (rape), alt-oksana (alik), sveta-swinger (shurik), aurelia (love), lena-'nice'route (olya) \*actually that one could as good as [or better than] other one. just had to do it later as firstly i found another route in OP walkthroughs.

also check ...alena rape, lisa blackmail, julia non-grandson,

(+)MOM/EUGENIA ...kitchen 8 shower ~9 her room 9-10 works: stroy city

raise depravity and behavior stats

+Jerk off (5+) during the evening (20:00 to 23:55) so she catches you. [After some times the picture will change - not sure about that]

+ keep doing it for some more while trying to catch her getting fucked in her room (roughly during 20:00 till 22:00).

\*after 6+ jerking her position of being fucked changed. but maybe i failed to talk earlier

+After you've seen her getting fucked, ask her about the guy during the morning (8:00 till 9:00). Kick his ass at the park during the weekend morning (save before trying, there is always a chance to lose, even with max fighting skill).

+Ask mother during the morning 800 where the guy went.

\*asked her to restaurant before the below. (grope) \*asked 2nd time. (play with mom) walkhome-grope

+Keep getting caught jerking (extra 8 or mo), eventually she will start giving you handjob (8+ and later blowjobs (1st,2nd,3rd kneeling)

+At some point sex will be mentioned, [her talk before 3rd bj]

+you will need to buy birth control pills give it to her and invite to the restaurant again.

go to the shopping center and buy birth control (1000) as well as a suit (15000)

talk to mom in the kitchen at hour 8, give her the pills and invite her to the

restaurant (10000)

+Do the date (saturday after20), fuck her.

\*some sex options at kitchen when aroused

+having sex with her at 9:00 am when she's getting ready for work.

x After having sex with her a FEW times and if her affection/corruption is high enough you will get a scene where your sister overhears you two in her room, and asks her mother who she's got in there (sis doesn't know it's you).

\*i did like 20+ ... some ppl say 'It's important that the sister knock at the door. Maybe try advance the sister questline and than come back to the mother, maybe you need a little of progress with her before.'

fix: i went to variables, clicked on 'talk about us 1'

+After this go to the living room/hall room after 23:00, and eventually a scene should trigger there about a conversation between your mother and sister.

+once this has triggered, stop by your mother's room, and she'll discuss becoming a full on couple with you.

+At this point, you unlock more sex scenes with your mother, and are now able to sleep with her in her room at night.

\*got in my room after 23. mom with wine, option to bj

After you sleep and wake up during night she can meet you and blow you in the corridor.

+If you enter her room after 21:00 you can sometimes see her wearing some clothes. Do this 3 times in a row and you can fuck her in the wedding dress.

\*mom asked for 5k once.

\*told mother about rada.

>threesome (non-alt)

+complete moms route (you mother is fully yours; your sister has knocked on mom's door after 9am morning sex; and they have talked in living room; and mom said she loved you in her room.)

+complete oksana route

Start by having sex with each of them during the night and day, at least 10 times each for there . variables: mom/sis suspect > 10 (15 is kinda max already)

...weird i checked variables (after completing oksana), mom has 53...sis 5.

+wake up, go to your sister's room 6-8.00 , wake up - sex until you notice mom spying resolution progress :1

+approach mom in the kitchen in the morning 8.00.(dialogue, no options) /resolution progress

+go to moms room 21.00 Drag mom to your room have - sex sister walks in. /resolution progress :3  
+talk to your sister after 19.00 in the kitchen /resolution progress :4  
+ mom in the kitchen 8.00 " talk about your sister" /resolution progress :5  
+Go to the living room at 21.00 to hear them talking /resolution progress :6  
+Go to the kitchen 19.00 talk to your sister about "To talk about mother" /threesome chain :1  
+Next day 19.00 kitchen sister (weekdays) "suggest to go to mother" x4-5 times until you get your mum congratulations.

>xmas event with mom - you need to enter your room december 30. (nothing interesting)

(+)mom alt

max your and mom stats

At the begin just keep discussing sex ... with shurick and jerk off after 20:00, until u get 'watch porn' option

\*probably to talk about pussy,moms,sisters (you can tweak it to max)

invite him to watch porn, after wathcing porn with shurik 5th time (press 'went') u can see rada mastrub . scene trigers

visit shurik at 21.00 -'is ur mom in sauna?'; keep visiting & spying ~4 times

next time, after you spied on shuriks mom you got a new option - to spy on your mom with him 'spy, while...'

repeat it all again. (from now on click option 'Leave!').

Keep doing that until mom catches you 2 times,

+then she said that she would talk about it later.

On the weekend, between 12:00-18:00 talk to shurick. 'allow him to talk with eugenia' scenes trigger (mom laying) - u choose 'complain' & 'still going '(first time i picked 'sorry' and failed to progress, tweaking was of no help. had to replay)

The following day at 21:00 call shurick to peek at your mom again.

\*looks like u can do it on saturday and-or sunday, still need to wait monday to talk next day go to shurik. ask about boyfriend

Next morning at 8:00 ask her why she was sad.

your mom should be alone after 21:00 if you are on the right track.

+ Then go to talk with shurick , choose 'discuss the situation'.

+Next time you get in her room, the laptop should be there, on her bed.

access it when she goes to work.

if you can't do it - drug her with sleeping pill, then go to her room after 00:00 that night.

\*never did that. never managed to pill mom or yana. just go to her room 10-18 and click on laptop (there is some browser page).

+10:00 next day go to your laptop and create an account.

+Next morning, at 7:00 in the kitchen 'move the cup'

+then help her at 8:00 (make sure you are erect). She will slap you

+after that go to your laptop at 10:00 (or later) 'view mother site' and chat with her again.

Then keep helping her with boner ~3times until you can check her at night (0.00 watch her sleep).

+When you can check her at night 0 try to molest her until you can cum on her face, just try again if you fail.

+Then stay in your room (or avoid meeting your mom elsewhere) until 10:00 to chat with her again ( laptop, visit moms site).

+The next morning in the kitchen, she will tell you to come for the sex lesson.

+go to her room at 21. Enjoy your sex lessons UNTIL she shows her chest.

\*random event- her hand stuck in sink? (i played safe and chosen 'help')

Next day talk to her in the kitchen (something about her health). 8.

+Then go to shurick talk about eugenia

Then go to the doctor and bribe him (City-Metro-Chkalovsky-Hospital)

first offer 10k, then option to offer 20k will appear (with only 10k, if it is possible, like when no cheats, i heard u will fail to progress further)

The following day talk to her in the kitchen (ask about doctor). She wont say anything but you can check for a new mail after 10:00.

Then make sure that you are tired enough to take a nap at 22:00 ( in Hall).

repeat it on the next day and choose to 'wake'.

All you have to do now is cum in her coffee twice: in the morning and AFTER 21.00 sex practicing until she kisses you.

\*i thought it was shurik kissing her during practice and she never kissed me AFTER ...so i kept spamming that until i decided to visit shurik, and needed option (below) was available

+go to shurik, talk about plan.

+Next practicing time, the option (wave shurick) should appear.

+talk to him at 21.00 again about the result.

+Then at 19:00 go to the bath room and have sex with her.

then practice with new option.

and then in her room you can 'call shurik'. (but i got only chest scene. and that this option dissapeared)

+go to shurik, talk about the situation with eugenia. (she doesnot want to meet for 3somes. shurik suggested blackmailing her with vid he recorded)

+ mom at 8,00 kitchen talk about shurik

+mom her room 21. 'go with shurik'. (so she agres to his visits)

+mom at 8,00 kitchen discuss the incident

+go to shurik and offer to stay for the night (invite to a threesome is another option, probalby repeatable/unlocked after their last sex)

+go to mother 21 and ask shurik to stay overnight

no new option to discuss, so i invited shurik to threesome

+come to the room 21.00-00.00 she will be drinking (choose fine drink more). Catch her 3 times (other days) (call shurik option reappeared after 0.00 when she was drinking)

she gets fired from her office job. (had no visual indication of that, just checked variables

+Start going to the strip club (private room) and order ~10 of private shows ;

+then you'll meet the club owner, Dima.

people say that he orders you to beat 5 thugs/gopniks in park, but it sounded as a story of me doing that in the past (and i indeed did that to unlock bricks much earlier)

\*i knocked 5+ gopniks 5+ anyway. and did it from time to time

+go to vip room, approach dimon - no options. then next time - drink (var drinks "2"). then again no options.

\* so might be RNG. or 1-2 tiems a week. i decided to tweak drinks to 5.

\*\*it may be interlinked with elsa., so just in case try to tweak elsa-event-save elsa (to raise her variables)

+he'll ask you to find him girls to dance in the club.

+catch mom drinking at night and offer her an audition at Dima's club.

+go to the stripclub after 20.00 ask dimon about interview, he invites her to come 12-18.00 'go to the interview'

from 21:00 onward, you can "Find mom" and watch her doing a dance in a cage.

You can "Watch show", in which there's a 1/3 chance that Mom will be doing her stage show. At exactly 20:00, if you go to the dressing room with arousal > 80, you can drag her into a toilet for a blowjob.

\* around 20:00 if you look around and cannot see her, you can get the option 'dressing room'.

>i cant talk with doctor

tweak mother protein to 1

>To deal with mom's boss, elsa related

go to the office around 19:00 and take the next taxi down. You'll have to follow Elsa quest up to where you can get her to give you a blowjob. Take a picture of her doing that and show it to the boss and he will leave your mother alone

\*cannot see it being related to anything so why bother.

...notes

u can inv her to the pool when jumping (sund, noon)

when waking up and going to the hallway (happened at 3am, weekend)rng?

Notes..

She is at home 7am till 10 am, and 4pm an 11pm at night, you can also sleep there  
 If you Buy the sleeping pills (via laptop)you can put one in her drink while she isn't in the kitchen(She goes to the kitchen at 8pm) With that you can fondle her.(save first since you don't always succeed)

\*never could do that (with any npc)

You can and will get her pregnant. You will not know for the first month an a bit an after 3 months it starts to show.

(+)>nina rape alt-route

!dont have any lewd scenes with her. no hjs. otherwise reset Nina or zero out her stats if you havent bought the pills right away.

buy the extra-strength sleeping pills from the doctor in Chkalovsky. (not laptop)

spike her drink (9.00) when she's doing yoga in the morning.

the scene automatically triggers (~10). and you do naughty stuff to her.

At the end of the scenes sequence, you cum on her face

\*If you want to repeat that action, clean her off; (i havenot tried)

choose leave her like this and go . you will leave the apartment

after that she will call you and say you're horrible and that she's changing the locks.

+buy the clonidine online from your laptop,

\*guides also mentioned key duplicator but imo outdated info

+meet Brick after midnight in the park to buy the mask from him.

+go to the Park around 13-15 and see Nina jogging. you force yourself on her in the Park.

+The next day,her apartment is open to you again . [looks like here is only one scene]

+Eventually , you can tell Shurik about her (you show photo)

\*i think 2+ weeks passed before i got option 'talk about nina'

then meet shurik again - option to call for threesome

(+) ANASTASIA - neighbour

+1. After a lot of visits (15+?), she will give you the keys to the apartment.

+2. Then I increased the attitude with compliments. (possibly not necessary)

+3.After all I came to her on Sunday at 10 am her husband invites you to play poker.

4. Now every Sunday we play poker with him with high stakes every time.

5. On some day you will propose to play him on Anastasia , first he refuses, but on the next game he will accept the offer.

\*in variables cheats i puts poker chain to 8, (i also put money husband -200k dunno if matters)so i didnt get refusal as in n5 step , he proposed to leave me with his wife for couple of hours

+6. When you win, just give all the loot/money to Anastasia for nothing[love route], so she will thank you.

+7. The next day, I went to her at 18:00 in the evening you see the taxi leaving to go to her house, she tells about the fact that her husband lost the house.

+8. Go to the brick and ask about umare.

\*i got msg when clicking on enter - [now she doesnot have problemswith the house.]

+9 you need to actually use the phone to call Umar to pay Anastasia debt after talking with Brick

+10 Pay the debt and go to Anastasia. receive thanks.

>how to sleep with her?

after you solved the problem with Umar and turned on the second trigger (?) at night you can already sleep with her.

>wake up event

go to her at 00:00. (Tired) Sometimes there will be a scene where she is after a shower. you have to wake up between 6am and 8 or it won't trigger. (after 0:00 exhausted in her room -> sleep-> woke up at 4-> [might tweaked to exhausted again] went to sleep again -> scene triggered)

>to find brick (also needed for kate from gym progression)

+Walk through the park at night and beat up on thugs (so go to the gym and work out/take self defense classes before doing this) after 5-6 nights (can kick thugs once per night) Brick will appear and talk to you. After that go to the park at night (midnight-4am) and you should be able to talk to him then

>house key. Here is how do you get the key to her house. I have to check the code to figure it out.

Knock on her door during 18-19 until you see her in the kitchen and ask you to eat.

also visit her at work/ barbershop

After you get the scene where she takes you to the kitchen to prepare some food you need to approach her at her barbershop.

After that next time you enter her house she will give you the keys (variable  $\tilde{N} \text{ } \mathcal{D}_{\frac{1}{2}}\mathcal{D}_{\frac{1}{2}}\tilde{N} \langle \tilde{N}, \mathcal{D}_{\frac{1}{2}} \tilde{N} \text{ } \mathcal{D}_{\frac{1}{2}}\mathcal{D}_{\frac{1}{2}}\tilde{N} \tilde{N}, \mathcal{D}^{\circ}\tilde{N} \text{ } \mathcal{D}_{\frac{1}{2}} \tilde{N} \text{ } \mathcal{D}_{\frac{1}{2}}\tilde{N}, \mathcal{D}^{\circ}\tilde{N} \langle \mathcal{D} \rangle \mathcal{D}^{\circ} \text{ } \mathcal{D}' \mathcal{D}_{\frac{1}{2}}\mathcal{D}_{\frac{1}{2}} \text{ } \text{ is set to 4).$

 Use the laptop in MC's bedroom to get the job working as a promoter.  
 +Go downtown/city and distribute flyers 10+ times 12:00-19:00 for 10 times  
 +Go to the park between 00:00 till 6:00, and you should be able to intervene in a event - save

 boss's house. (Fridays usually end of the week). \*modnay for me  
 +Do your job at office again and again and in the end of day you will meet her again  
 eventually  
 \*(A friendly tip is to save before job because sales success are random)  
 \*\*i tweaked/raised cash gained by mc in melisa variables, i think it helped. before  
 that i think i was just tweaking time - like back to 10-12am and you can do the work in the  
 office at the same date again and "new" profit will be added ; other tweak could be froze  
 time- spam on price options, then time off-continue spam until the work day ends -so it  
 should yeild bigger profit as well  
 +After meeting her in the office if you've sold enough she convinces, the boss to promote  
 you. [\*promotion - see arina route]  
 \*you got your own office.  
 +Now you can visit boss office to talk to Melissa (Monday, Wednesday, Friday) you can also  
 can visit the warehouse to meet Arina.  
 After some more time (~2 weeks of visits) enter in her office, she will complain about her  
 husband cheating, and she will invite you to the roof.  
 +At the day "Go up to the Roof" (I think as long as it isn't Friday) and you will fuck her  
 there for the first time.  
 ...  
 i didnot unlock her house (? melisa chain)  
 (i assume that is the relevant answer) you'll need to advance Arina's story until she calls  
 you to bail her out of jail. Choose to tell her mom, next day go to the office.

Notes...

To raise her depravity, go to her office with a boner...  
 kiss her that will lower her attitude towards effect you. But raise her depravity  
 You must raise her attitude towards you again. and than for about 10 times (Thanks  
 @jerrichol3)  
 She is in her office on Monday, Wednesday and Friday  
 +Where you can "kiss" her, or walk in with a boner, and "kiss" (after first sex, scenes)

(+) VOVA ECSTASY -needed for Fira path.

(you need to know brick, you need to be employed at glory star)

After giving away all your ecstacy return to brick and buy more.

\* i had 85 pills according to qsp save editor, i put, gg ecstasy '0', went to briks, got option, bought...

weridly after that, at the begging of the night 02:00 friday triggered arina comming to my home with friend event

i rolled back time to 0:00 friday, went to park - and got caught by policement

+You should be approached by a police officer asking you to snitch.

+Refuse(fuck off) and return to brick the next day, tell him about the police officer (talk about the garbage)

bricks'll offer to set you up with a dealer on Mondays (i wouldn't mind)

+You can now start selling to Vova [suggest to be a runner - sell]

~~~

before bartender stage if you bought pills and didn't pay/didn't show next Monday - you will get a call on Tuesday and option to pay.

+Your work as her personal trainer on Tuesdays and Thursdays at 18:00 till 20:00.

+Start training her, get to know her[?is it a separate option], get access to the massage room to give her massages

+the gym trainer will give you the key after you give him steroids, [request em from brick next time u meet him in park after 00.00]

+get those by beating up thugs/gopniks in the park at night 5-7 days in a row (unlocks Brick. he can get those for you next time)

\*after 5+ trainings i asked to massage her ...

i talked to trainer (after she already left) about going to room for 500R...

next time i asked to massage and was able to go there (i think i didn't flip her and had no kiss )

after (maybe 2nd) massage i approached Katya at the park days/evening~20-22.00 ; you need for her to like you (>900) ; tell her you can tutor her (gives you access to her home),

You need to have massaged and achieved a kiss{not sure}, also need to raise her stats ready to go? -> pass her father's test (see correct answers below) and you can tutor her at home.

\*the questions i had were 2+2,3+3 and citizens of china. (so not those from the archived SoB page)

After unlocking the tutor sessions {weekend 10-11am}, +do the first one then buy the dictaphone from the shopping centre(may already have brought it)

+Go home, go to your room and "Read A Text" (i think i found that option the next day morning)

+Then Carry on doing the tutoring sessions keep doing them to raise her corruption (massage shoulders-kiss neck)

+Eventually you'll have a choice during tutor sessions. Choose [bare breasts and kisses] -> "You make me very happy"

+It unlocks the blowjob option. you are required to use VANILLA lube. \*looks like cheats 'items' doesn't place it in your backpack, u need to buy it from the sexshop ...or use 'fixes' - 'put vanilla'

second,third, bj [bare breasts and kisses (or expose tits)][practice], click [use vanilla lube \*left menu] [continue] ; fourth-option to cum

(when gym sessions. went to do training&massage, flip, groin, caress, kiss caress)

+in gym - [practice]. bj during massage. x4times. (or less. also requires vanilla lube )

+in gym - she says that she passed the massage test when trying to practice a blowjob in the gym

+Go to cafe [recreational district] between 16:00 and 21:00 and (throw bottle)break the window. Enjoy the scene

+At 9 Am go to kate's house you'll meet her boyfriend

\*didn't happen on the next day(friday), able to meet on Saturday

+Repeat it ~8 times and there will be a option to talk about fiancée

\* tweaked time back for that. but happened during tutoring time(after 10)  
 +Go to her house monday at 5pm (17h) [show who's boss] Enjoy the scene  
 +Go to her house the next day at 6pm (18) her dad will speak to you (kates house unlocked)  
 then proceed with galya.

#### Notes

Blowjob's: Vanilla Lube can be brought at the sex shop in chalvosky, can be applied in your bedroom

Once blowjobs unlocked you can do them between 9 - 10 am. Also at the gym on tuesday an thursday

You can still fuck her at the gym

 +to drink beer with her in the park (starts when in park after 14.00 or so)  
 +to drink vodka at her home).  
 to drink tea (need chocolate for this) {also gives you and indication when you can start getting touchy with her.}  
 don't insist on the sex yet, though, she will refuse.  
 keep going with the tea+grope, beer and dates.  
 +eventually you will be able to fuck her after starting tea drinking (haven't found a real way to tell when).  
 \*not stats-related. no indicators in variables. so either RNG, or related to the number of interactions or days passed.  
 keep doing it more, now with added sex in the events, and you will be able to fuck her instead of drinking vodka  
 give her the butt plug at some point (does not look like progressing related step)  
 \*i played 2nd time just for swingers route, and it did not happen at all. 1st time - it happened after anal ;  
 after you become a model for Antonina and your pictures start popping up as adverts around the city,  
 @ non-swinger pregnancy path  
 somebody will email you asking about a swinger's meeting (check laptop).  
 decline the swinger offer (choose-"i dont have a girlfriend")  
 Sveta can get pregnant after some time, at which point you can opt to pay for a new apartment for her, which unlocks a few more scenes  
 at this time you may want to answer her call phones (and buy/bring her things), take her for a walk, etc  
 you will receive 2nd email, you can go alone (for aurelia alt path) - monday, chkalovsky 18.00 see Aurelia w/th below  
 @ swinger (no-pregnancy) path (blocks Vika?) related: shurik  
 after you become a model <...> you accept the swinger offer -> agree and take sveta  
 meet sveta in a park -> suggest meeting.  
 meet a couple on saturday at 17-19 at pier {marina} (use subway/metro -> coast -> marina/pier)  
 next time in park ask her how she liked it  
 next day or so you will get a option to talk to Surik about Sveta  
 on weekday 12.00 invite to fuck sveta - go to the park - RNG chance that she is not in the mood (so no action)  
 \*shurik can refuse to go as well. RNG. i think option to invite him occurs once per week.

 1. Do not choose the Swinger Path with Sveta (email, choose-"i dont have a girlfriend")  
 +2. Impregnate her then pay for a new appartment for her  
 \*some dialoge will ocur. options 'abortion' or 'keep the child'. choose the latter  
 +3. After some time (and being a nice BF and taking care of your pregnant GF) she will tell  
 you about her Sister Vika and how she was basically thrown out on the street by her last BF  
 after a breakup.  
 +She asks you for 10 000 Rubles to buy her a ticket to come to live in the MCs Hometown.  
 +4. After a week or so Vika appears in the Appartment and will show up during several times  
 of the day.  
 5. Careful though, she actually MOVES into Svetas OLD appartment (above the new one when you  
 enter the house).  
 6. At around Noon and in the afternoon and evening you can interact with vika in her  
 appartment in the usual manner (Chat/Compliment etc.)  
 +and invite her to walk in the park.  
 +Especially welcome are gifts (Chanel No 5 and Clothes you can get at the mall for 20k each

 When you bought her the third dress, you will enter a "relationship" with her and can have

=== linked entertainer/modeling  
 (+)ANTONINA - mother of dasha & marina (NOT twins)  
 +Keep working as an entertainer (modeling. 6+), eventually she will tell you to help with some boxes. No real choice here, you have to do it. When that happens, offer a massage, but don't get to brave.  
 +After this point, you can visit her at the shopping center and give her a massage on mondays, wednesdays and fridays.  
 +Keep doing those massages, after some times (roughly 7-8, maybe more) you can get to the next massage level (legs,front,naked).  
 +After some times she will ask you to model for her, do so (nest you cash and needed to continue her chain).  
 \*be aroused when doing the shoot, since that raises her slutiness and needed to eventually trigger the next event.  
 +Keep doing the massages & shoots (at her home) she will ask to pose for 10k [u can agree with boner, refuse without boner - she will make you hard again]  
 \*made dozen of after-massage visits ...last 2-3 i went with boner and got proposal to do some shots for 10k R. so probably safer to go with boner.  
 +next time you come to massage her it triggers the event (pool) !choose ["refuse"]  
 If you refuse - she will apologise the next time you work as model (weekends) in the shopping center allowing you to have blowjobs after massages and some time later fuck her after massages.  
 !dont agree on that choice -> you will become her toy and can only lick her after massages. Nothing more.  
 +modelling on saturday at the mall - got apology/ bj . after u can do modelling again and go to antonina again  
 +visit her on sunday home (valey) ~19:00 +/- 1h ; she talks about some shows in her shop on weekends  
 +massages on weekdays options "naughty -> get on with in" ...after 5 or so times 'fuck' option occurs  
 \*at sunday modeling, antonina-talk and stat related options, no massages.  
 +after some fucks during massages she will ask you about the relationship if its serious or just casual sex. (choose relationships)  
 \*If you choose serious relationship you will get a key - have full access to her house (and can progress with daughters). if "Just casual sex" - the oportunity to call her (cellphone) on weekdays in different times to fuck her in your apartment (rental, business center).  
 +Later you meet her daughters Dasha and Marina in her house and have a nice cash income working as model in some saturday 13-15h events if you get her random call

...notes

+you can visit her at shopping monday, wednesdays and fridays with a hard on to more scenes (i think i had the same scenes during tuesdays-thursdays as well)  
 +and can suggest a showerin the hall at 20:00 till 23:00 for another scene.  
 +If you have a hard on and meet her in the pool (weekends only?) at 19:00 till 20:00 another scene happens.  
 +another scene trigger when you enter her bathroom at 19:00 till 20:00.(weekdays only?)

>antonina-elsa, (they study economics, i assume dead-end)

== linked:anotnina(mother) needs progress with antonina  
 (+)DASHA  
 !You can't get to Dasha (or Marina) unless you're in a relationship with Antonina. otherwise Antonina won't give you the keys to her house  
 +First time you meet her is when Antonina demands you to take a package.

+After that you can fuck her (once?) after intervening in a fight in the night club (firstly you need to buy ecstasy with Brick otherwise nothing will happen ).

\* i think i didnt have extasy back then.. so i chose not to intervene and waited for that scene to reappear. which didnt happened. my fix: variables, put club event "0"  
 +After choosing relationships with Antonina (getting full access to the house) - you meet her at her house between 18:00 and 20:00 and she talk about the night you fucked her and ask your help to erase the video.

otherwise dasha doesnt give any meaningful responses/options

+Go to the club and talk to Mayor.

+Enter her house again between 18:00 and 20:00 and tell her about the erased video.

\*i found dasha at 17:00 hall

+You can watch her (weekends) change in her room at 16:00 and can watch her showering in her bathroom (inside her room) at 9:00. hall ~10.00

+After some time Antonina will call you and ask you to pick her up at the school.

Do this a few times(In front of Antonina's house between 14:00 and 16:00)

\*2nd time i triggered it via cheats. (as well as all subsequent times)

+she ask you about your relationship with Antonina. Say it's "Just sex". (happened during 2nd. maybe because i tweaked her stats to max)

+Buy or rent the apartment in the business center and next time you pick her up at the school you will see her with a friend.

+Continue picking her up at the school whenever requested until you take her and friend to home together.

+So listen the dialog and after this enter her house after 15:00 and approach her.

+A date option will be available, (Wine is required for the date) So meet her in your apartment (business center) on Sunday at 18:00 'wait for dasha'. (needs to have high stats afaik)

\*note! kidnapping Sasha would prevent that date.

+Another 2 dates and you can fuck her (on 2nd).

...notes

Also you can fuck her at 9:00 and at 20:00 in her bathroom on weekends and in the pool at 12:00 on weekends too.

If you have a hard on you can fuck her in the hall at 15:00 till 20:00 on weekdays.

>dasha anal

Go to her room at 1800 (or 1900) check out her asshole.

after that always have anal lube from sex shop / buy lube or use cheats and wait for then next day.

Go to her room at 1800 (or 1900) lube ass-etc. probably save beforehand, because if you try fucking her too early, she'll say that it hurts too much and she doesn't want to do it anymore.

use fingers for like 5 or 6 days until it tells you she's ready for dick,

\*u can tweak "anal prep" to 8. ("2" after first lube ass)

after that 2 times with dick and you congratulate with her ass being working.

Now you can fuck her ass.

linked:anotnina(mother) needs progress with antonina

(+)MARINA

+how to meet: Have (official) relationships with Antonina. Be tired, sleep with Antonina. have sex when she wakes you - fool around option

+In the morning 8-10 go to kitchen and meet her for the first ime. (she and mother in the kitchen...then she drives you to the city)

+After this keep visiting her in her house (8-10kitchen, her room 20?) and in her work (shopping,16~) to raise relationship.

+Invite her for a walk 3 times (her kitchen 10)

+Invite her to cafe 3 times (shopping center 15-18) choose vegan? [got that after i tweaked her stats to max. dunno what minimal req-s and how to raise em quick]

+Marina random day, at 10-14 (one of them) receive call for fair, go to her house 16-18 Go to the fair. After this point you will train her to not be shy.

+Go to her house, she shows her breast.(scene triggers)

+Go to her house, she chats with her mom. (living room?)

+Now you can Lift her shirt in her room or take off her shirt during her work to increase Depravity to 350.

reiceve a call at 10 or 14 (random day) and go to fair again. (2nd time, not sure if 3rd is needed)

\*id advise NOT to trigger a call via cheats-events. probably the only time things were messed up for me because of that. long story short - i failed to get the fair visits count and to progress

\*\*so everything below was not valid for me. i had to tweak var sex progress to "1". - went at 20.00 her room , kiss-bj-defloration (that changed sex progress to "2") (some mother-daughter talk 20.00 hapens in the hall.sex progress still 2) then i rolled back time to 13.00 to ask how she is in the hall. then further mother-daughter talk happened.(that changed sex progress to "3")

Now you can have more action (kissing) with her during her work, in kitchen and her room . During weekend (& weekdays?) at 13.00-15.00, in Atonina's hall, corrupt her more with "kiss" and taking off clothes to increase depravity to 450. Kissing increases to 500. +Anton's hall, at 13 undress> making out show her your cock -> then again let her touch it - > then let her taste it -> then cum (option). Just keep trying.

\*lock the timer ON and spam it (might be some RNG as well - so click on left menu buttons like "items", it "resets" this scene). or tweak "blowjob count" to 15 to get over with that.

Now you can have BJ from Marina. BJ in bath at 19.00, during walking and work. Use BJs to increase behavior to 555, depravity to 800

at 20.00, go to Marina's room, approach Marina to discuss about boyfriend and sex next day go to her room (20.00) again to trigger sex

+next day, 13.00 in the hall, ask how she is. Now sex is unlocked in her room and during her work.

don't get Marina pregnant (<10creampies, so dont cum inside). She gets send to her grandmas in Europe and as far as I can tell you never see her again. (dunno if she reappears when you tweak pregnancy back to "0")

>threesome (no mom) & another threesome (with mom)

Oi.unlock sex with each sister individually. (just follow walkthroughs)

Oii.Don't have sex with Antonina throughout all of this.

+1. Get to threesome with Marina & Dasha. [A]+[B]

[A] somewhat partial hints i found. didnt work for me. i must have missed something. my solution - see (!)

> "Didn't found any talk in Marinas bedroom"

what worked for (user):

Fucked Marina a few times (10-20, not sure if it matters)

Invited Dasha to apartment,fucked her AND TOOK HER BACK HOME (Antonina's House)

Entered Dasha's room in the afternoon (different dialogue, but same images as entering Dasha's room at 16:00)

\*didnt find her there during the day time. on weekday at 16:00 i saw girls together undressing

At last go to Marina's room at night(not sure but i guess around 20:00 - 23:00) and it will trigger a conversation between Antonina and Marina.

After that Marina enter's jealousy mode

\*didnt have that, last conversation i saw was mom & marina (in lingerie) in the hall.

\*not sure but i think i checked vars and already had "1". if so - no idea if it meant to be that way or some sort of bug. (and i should have gotten it only after that abovementioned dialogue in marina's room)

(!)so i had to tweak marina's jealousy to "2". and at 20.00 in marina's bedroom dialogue triggers. mom advises her to cockblock.

[B]

> What happen after jealousy mode, what do you do next ?

+Just keep approaching Dasha in the livingroom (~15.00), Marina will keep cockblocking you. ["hell"]

\*before that cockblock talks from [A] happened i got "depart" option as mom or sis were snooping around (and I mistakenly thought that i were on a right track) .

+After repeating that ~5 times approach Dasha in the livingroom again, Marina will cockblock you again and new option will occur [discuss the situation] jelousy chain 5.

+Go to Marina room in the night and choose "call in dasha", jut keep doing that until you are involved in the act as well (~3-4times)

+2. then Repeat threesome events 6 times (in variables track in Marina -> dasha lesbian

Follow on Sunday afternoon "go to city, should be a option to follow sister" (repeatable, more scenes)

+After full relation she will visit you in your room (22:00?) if you don't fuck her for a few days.

+Also you can fuck her in front of your house Saturday 19:00 when she's trying to go out with friends.

+After you fuck her in front of house she will enter your room Saturday 15-17:00 to beg permission to go out with friends and you fuck her again.

@Alt route (lesser priority)

i It seems at least parts of the alt path of the sister need to be completed in the first two months (07-08) of the game.

(if true - you can roll time back and reset her if u did other route)

ii For those who have chosen the alt path for the sister and have given her the maid dress etc, I found out that if her stats are high enough and you do some cheating in the mod, you can get a visit in your room from her and have sex and get a bj at uni, also have sex in the kitchen, a bj in the bathroom (weekends).

+Meet Alik (Thursday, 17:00 go to her room).

\*any day? monday

+Ask sister about Alik. (kitchen 19.00

Catch them making out 4 times. (17.00-19 her room)

+Meet Alik in park (12:00-16:00). Agree to help. (take money)

+Ask sister about Alik (attitude should be 900+).

+Buy spy camera from laptop.

+Plant camera in sister's room. after 10:00 in her room a button should appear.

+Talk to the sister and praise Alek. (kitchen 19.00

+weekday, between 17:00-18:00 open notebook and spy on sister.

Repeat 3 times.

+Talk to sister, show video. weekdays, or sunday 22.00 kitchen

+next day talk to sister, ask where Alik went.

+Buy erotic maid costume, sex shop (on chkalovsky).

+next day Talk to sister - blackmail.

+Watch her clean the kitchen at 19:00 and your room at 20:00.

After midnight go to her room and watch her sleep.

\*u can see her masturbating under the sheets-but i had that option after i first talked about the video)

Repeat watching her sleep 2 more times (on different days) - u will get option 'Blackmail'.

After midnight go to her room and watch her sleep, remove bra.

After midnight go to her room and watch her sleep, remove bra, stroke pussy (x2)

After midnight go to her room and watch her sleep, remove bra, stroke pussy, remove panties.

on the kitchen Talk to sister, blackmail.

At 23:00 go to your room. Repeat 8 (!) times. (maybe a couple more )

New options when she cleans (kitchen at 19:00, your room at 20:00, her room after 00.00).

(+)YANA youngest (step?)sister

1. A couple days into a new game, while in the kitchen your mom asks you to clean the spare room. (happened 08.07)

2. Clean the spare room 3 times then report back to mom in the kitchen.

3. Yana shows up starting on August 2. x [spare room became 'step-sister room']

+4. (for corrupting you can) massage her while she's doing homework & help with studying (@her room, 19 & later -when reading at 21) a few times. Requires at least average massage skill.

+5. Find her doing exercises in the living room (hour 7am) and help few times.

&bring coffee to her at 6:00 (go to the kitchen)

x6. Buy some sleeping pills through surfing on your laptop then drug Yana's drink in the kitchen (hours 12 to 16 or so). \* You have to corrupt her to liberated with sleeping pills

...bring to orgasm? \*\*All shopping events start in her bedroom with you invite her shopping.

And shopping for clothes only occur after you take her shopping for a bathing suit. Which only will happen after you been fondling her at nights for a while to lover her inhibition.

You can only do that at nights where you drugged her juice though.

\*had no such option. and without it i think failed all gropings.

x7. Successfully grope Yana in her sleep a few times.

+8. Invite her to the beach [when she is in her room,~14.00 day]. This unlocks going shopping (and buying a swimsuit).

\*[on sunday] invite/go shopping (day,her room) and buy a swimsuit, you can roll time back - invite/go shopping again (for other cloth). & there is option in shop to [pay and stay], so u can continue shopping. ( after buying 3 other items i got 'time to go home' message)

+9. Invite her shopping on the weekends (day). Buy all the outfits.

+ Bought swimsuit...green

topic...sweater...dress...sweatshirt...Mike...jacket...shorts...black top...

\*i tweaked last items ('1', to have it without shopping)...(looks like you can buy more infinite number of time)

+10. When you open your char screen and hit the info button, the swimsuit and 8 other pieces of clothing are listed.

+11. invite/Take Yana to the park. ; park saturday 13-17 [go there, meet yana] \*doesnot look like there is any action. just 2 scenes.

Take Yana to the beach for swimming(1st time) and drinks(2nd time,drink-go to yana).

\*for beach - use metro/subway...go coast->meet yana

+12. Someday (after some corrupting) when you enter your room, Yana will show up and take you to the park for a kiss.

+13. some days later (~4?) when you enter your room, Yana will show up again and says she regrets it.

+14. Talk to your sister first (Oksana) in her room. then Talk to mom in the kitchen. (Requires completing their route first?)

+15. Repeat step 14. 'set against yana ' (jibberish, prolly some 'set up' is planned)

+16. Next weekend, visit Yana in her room "ask what happened - offer an option" and offer to play cards against her for her living expenses. (take from vova. \*see arina route)

+17. You can visit Yana in the evenings (hours 18-22, different days) to play. Lose against her 3 times.

+18. Go to the hall in University and get a cheat card deck ['david blaine'] from Vova. (ariana's cards - different deck)

+Beat Yana 3 times (each is sequence of 3 actions) . \*striptease / massage naked ; hall/room. doesnot matter i guess.

+19. Visit Yana in her room and talk about her losses/defeats. This unlocks groping/molesting her.

+20. Grope/molest Yana 15+ times. (Bring coffee, help exercise, in the kitchen, right before bed.)

+21. Someday (maybe weekend only) Yana will show up in your room asking for money and you [offer an alternative] suggest blowjobs, but she refuses.

+22. Some other day (monday for me.) Yana will show up again and will now agree.

+23. Get 15+ blowjobs from Yana. (Coffee 6, kitchen 9, bathroom 20, playing cards 18, room reading 18 & 21, while sleeping.) should be park & beach as well

\*u can tweak time back and repeat some, like room reading at 18/21. \*for me half of bj options occured a few days later \*when cards - do not choose striptease \*when coffee - got no options in any case.

+24. Someday (10-12am weekend) when you visit Yana in her room she will suggest anal if you get her an iPhone.

+25. Buy an iPhone from your laptop and also some lube from the sex shop. Visit Yana again to unlock anal.

\*if u used items cheats once - you have it

+26. After having anal sex a few times (same day: card playing18, shower 20, reading21), +go to your room on weekend around noon.(weekend) she asks to borrow your laptop. Lend it

+27.then find her using it in the kitchen 13:00-14:00 . She wants to move out.

+28. Some other day (weekend) go to your room 12-13 . and have a conversation with her when she asks for the laptop again. (You ask for sex to rent her an apartment.)

+29. Go to your room on Tuesday/Thursday in the evening (hours 18-22) to take her virginity. ...notes

she aksed laptop at sunday 13:00 my room. u can go to kitchen 14:00 for sex.

=== after julia arrives in august.

JULIA granny  
(+)grandson route

+When Yana is of high enough stats, talk to her in the kitchen at 9am. Ask about Julia. Dunno the exact required stats, I just maxed them all.

+Talk to your mom about "To talk about Julia" at 8am

Go to Julias house in the suburbs after 10.00 and greet her as her Grandson. She'll leave and the MC will be like "Maybe I shouldn't have done that".

Go back to Yanas room late in the day ~14.00( weekends?) and there should be an option 'why so sad'(she talks about Julia and the money problems.)

+Julia will randomly appear in your house. (20:00, weekdays?). appears whenever you go back home once the requirements are met.

+She asks for money, give her 100,000. If you don't have 100,000 you probably fail this and the path may close. Not sure, didn't try. This puts you on the full Grandson path, and you can re-enter Julias house at your leisure.

You can Talk to Julia in her Kitchen @ 12.00 to go shopping, 14 bathroom, 15tv room , Sunbathe at the pool, You can also find her in the club on the weekends. you can sleep in second bedroom.

She'll randomly ask for money at various times. She only asks a couple of time throughout the week, resets every monday.

This is all padding. You're goal here is get about 300k total given to her. I tried smaller amounts, but it didn't work far as I can tell.

\*without cheating - this will be quite a grind since she only asks for small amounts (10k at most) a few times a week (3-5).

Once you've given/cheated 300k in total, leave her house and return. She calls you out for being a pervy peeper but says it's fine because you've literally made her rich.

You can now do more things with her. Including, no big shocker here, give her lots of money.

You can take her on dates @ 18:00 from her bedroom (weekends). you can buy small favors for 10k (no sex) at the pool (when sunbathing), at 22 bathroom, at 10 hall when she is drinking

you need to start denying her money after a while. (10k-asks on mondays or later if any. also later there would be 10-20k asks)

eventually she'll pop up at your house around 18:00 (navigationally, you prolly need to spam go outside and go home couple of times)

you go shooping with her and she asks for 250k dress

!from now on guides were vague, so i will speculate based on my observations of variable "Stood up"

observation 1. you cannot raise it by refusing 10k-20k \$asks. so stood up number is either about some big events ...or about quest sequence with such refusals (looks like the latter)

observation 2. when in shop - "fuck me" must be a correct option. initially i had "stood up" 0 and that refusal option gave me 4

then i lost ability to enter her house (looks like it was a part of the drama act)

(ignore) observation 3. other option "promise" for some reason gave me 2 and i think i got 3 after i GAVE her money. money were not added to that 300k ammount though.

(ignore) observation 4. she can come to your house at 18:00 weekdays for 10-20k asks. that doesnot look related to progression and stood up, so if you get such - just choose NO.

when having stood up 4 - she came to your house at 15.00 hall/outside ... so she came to apologise for milking money (after your 'fuck me' outburst during the last shopping i assume) then u bye-invite-kiss-etc action . after that i had var "stood up" 5.

21.00 kitchen, thursday?. help with cooking - dinner.

...var "new level" still 0

then i refused some 10k asks abit (dunno if required)

14.00 hall.weekday. option - discuss our relationship \*after that var new level 1.

(+)non-grandson route \* reset julia and continue with that:

+Ask yana "Ask Ian what it is" after 9am in the kitchen(if the option doesn't show means her stats are to low)

+Talk to your mum about "To talk about babe Julia" at 8am

Go to Julia's, Exit your house, The Suburbs, House Of Julia.

+After 10am at Julia's house, Press Call, and say "To be someone that left" (NOT as grandson option)

+Offer to work

+Go the Next day work than agree [though button 'pass'] ...then agree ...

Notes

Julie is the easiest lay if your stats are high enough

You can have sex in her loungeroom when you go over. & after you do the work.

(+)TWINS -[Daria, Maria. not Dasha and Masha] the only twin you can actually get to have sex with is (maria)  
+Go to twins house (between 18 and 23) with Tequila play "Truth or Redemption" (You need to build up your physique first)  
\*Tequila - buy from the shopping centre  
+Do "Redemption For every option (!)until you you get to the Kiss Scene  
+Next Select "Truth" your npc will say they like masha  
(!) Must be after you've started uni  
+Go to The house between 7am an 12 (weekdays)  
+Take Her Home "To Invite" -go home with maria - watch movie - "Talk about what happened"  
+Go to her house in the morning again (weekdays) take her home (same sequence) but than say "Will Show Boobs"  
+Repeat the previous dot point and keep pushing her boundaries until you get her to fuck you  
She can only be fuck in the mornings though  
+Keep fucking her until Daria/sister catches you, you won't be able to have sex with her  
+Go talk to her after 3p.m.  
+Talk to her again after a week and a half  
\*dont know how to tweaks that. left menu and control dates didnt help. had to actually go to sleep for that to count.  
+Go to the twins house Saturday at noon  
+Choose 'i love you both, maria' (there daria was dressed as maria)  
+You can now fuck them both. bring tequila at evening.  
Then one morning Maria shows up and tells she is pregnant. You can abort or keep the child. When you keep the child and her pregnancy is over, you habe 1 week before the twins and their dad will leave town. You can buy an apartment (labtop) in the office area for 120,000.

(+)LIZA LISA (wife of rector)  
Meet the guy named Vova in the hall of university.  
Talk to him (you go smoke in classroom) and after this you meet Lizaveta for the first time  
.  
talk to Vova again after 19:00 in the hall and you will be in rector room (Lizaveta husband).  
\*i talked in the same morning - 'talk about what happened'. (time was locked)  
...painted the door...got into room with liza+husband ...next time i saw him - talked again about what happened  
+kitchen at 8:00 approach mom -she will receive a call from Lizaveta.  
You can now visit her on wekeends from 10:00 till 16:00 to clean the pool ; and on weekdays at her uni office (help with groceries).  
\*option to finally pick em can be either in mall or in her office at 18.00. i did each 2 times. dunno how many times are needed  
when cleaning the pool she would ask to help with dinner 'go help' (i cleaned the pool ~4 times prior to that)  
after 3 times she will invite you to stay for diner on weekend. Agree.  
Next weekday when you enter University the rector will talk to you.  
Repeat the process for another diner  
next day rector will talk to you again in the University.  
Enter the rector office at 18:00 and see the scene  
Talk to the guy named Lame in the hall of University. [Show] him the videos and demand him to [report it] rector.  
Next day when you try to enter University a police officer will say that the entrance is closed.  
Try again later and enter the Lizaveta's office.  
\*here dif routes can be initiated

@love path (bit buggy and messy. read about below mentioned variables first)  
 Choice 'offer support' (instead of solving the matter)  
 go to her office -> offer to help -> come to her office at 18.00  
 i get access to her house the next day  
 met her 15.00 hall (weekend) invite to the bar (i think there were no options)  
 go to her office-ask how she's feeling  
 met her 15.00 hall (weekend) invite to the bar. i picked look under her dress  
 go to her office-help with pool.  
 \*when i visited her, i had no option to clean. just roamed, gave her drinks at the pool. someone had the same issue as well.  
 met her 15.00 hall (weekend) invite to the bar . i picked look under her dress  
 go to her office-ride with her. - you go to her home and can choose 'stay'  
 \*i roamed abit until evening, spyed in bathroom 20.00 - can 'apply a towel'.  
 continued roaming at weekend.  
 ...  
 >on love route, i keep taking her to the bar on weekend but nothing happens.  
 You need to clean the pool 7 times and help get the groceries from the shopping center 3 times. A better approach, IMO, is to change the line  
 i went to qsp save editor, (open game -> game directory -> stand alone folder -> qsp file)  
 then: [load] the save u want to tweak (like savel) ( your documents folder - saves from quest navigator)  
 then you tweak  
 events\_lizaveta\_help\_pool 7 (i guess that stands for requirement, so it should show default numbers)  
 events\_lizaveta\_help\_pool\_qty 77 (that stands for the quantity of actions performed. i just put big numbers)  
 events\_lizaveta\_help\_shop 3  
 events\_lizaveta\_help\_shop\_qty 77  
 then you press [save]. consider your save being overwritten.  
 then in SoaB-game menu click on load menu button and load "save 1". so the game loads the version with your amendments. helped.  
 (!)probably you should do it before your 1st or 2nd visit to the bar. doesnt look like there should be more than that.  
 ...  
 so after tweaking - bar scene works as intended and you get some action  
 then you have to talk to her in the hallway at University. 'press'  
 Then go to her house with flowers, 'aggressively ring the doorbell'  
 You'll make sweet love, and then from there she is your girlfriend.  
 (i think you still have enough lewd scenes in school. check her sociology classes, office, hallway, smoking area - forgot triggering area, but i think it happens after 18.00)

@blackmail path (less priority). if you go the blackmail route, then you won't get the scenes at her house. [but for love one u will see both house + uni]  
 +Talk about husband and offer to solve the issue  
 +Talk to Lame (gay guy)  
 +Next day tell her its resolved  
 +Talk to mum in the morning  
 +Talk to liza again ask for help with exams (not sure if the part of progression)  
 +The next day visit her again there will be another option [go to you]  
 \*nothing happened. should i have gone to her house?  
 +Another option the next day  
 +Then from there start the photoshots \*Prof Camera can be brought from the Mall, for 130000, if not brought for sasha's questline  
 +After that do one after (1st location, 2nd location x7) another until [make her your slut] option  
 +Visit the next day from there you can have sex with her in uni  
 Have sex with her 10 times  
 \*in office 1 per day but later u can choose 'kiss' option. timetweak-repeatable. as well as hallway 'drag' option  
 +Talk to vova about who has the best pussy. choose lizaveta?  
 +Call Lisa (use the phone) while you're at your apartment and take a photo  
 +Go back and talk to vova and show him the pick then select "deal"("hands")  
 +Go to liza between 8 and 18 hours and talk about threesome  
 +next day Go to vova and call to liza between 8:00-18:00

\*later you will have 'go to his place' option to mmf lisa.

Sex Scenes - Once a day Her Office ;; Meet her in the hall 'drag' ;; Friday between 13 - 14 in the workshop room

==== uni related, related to vova (&brick or liza)  
 (+)FIRA -A sports girl, which you can regularly meet in the gym or stadium. Her main hobby is football, but she also likes to play any other sports. Not to say that such hobbies affect her studies. She has a knack for remembering things, especially memorizing all sorts of dates. Fira is studying the same subject as Oksana, meaning she is also older than me and looks quite a bit younger than some would initially think.

+ 1) Arrive at university alone between 8-12 with at least 100 R (if you walked to university with your sister exit to the city then go back to the university to trigger the scene). Pay 100 or 1000. Currently neither affect stats only the follow up scene.

\*didnot happen, so i went variables, put 'fira available' "1" met her at thursday 21:00 uni hall with vova

??2 speak to Vova after completing 2 of his events.

(When you approach Vova there is a random chance it will be blocked by a scene of him talking to a girl, just try again)

\*not sure what was implied. progressed further without it. (but i assume it is about later events)

+3) Raise Fira's attitude to 750+ through talking and gifts. Football journal always gives at least +10 even if she hates you

+4) Talk to Vova about Fira (ask about fira?). This will initiate her main quest chain.

+5) Watch Fira in the University locker room twice (16:00-17:00 weekdays)

\*u will get scene when she sits on coach's lap and text says that you pullet out my phone and took a few snaps

+6) Speak to Vova and Show pictures of Oksana

+7) Speak to Vova and ask "How are you doing with the coach?"

(The previously repeatable watch scenes in the gym, sports field and lockerroom will now stop)

+8) This has 2 requirements, a) can only be completed if you also fulfill one task from b)

+a) 170 hours (6days?) after step7 speak to Vova "Learn about sister"

+b) Either sell Vova ecstasy or advance the Lizaveta+Vova chain

\*i assume sell ecstasy if you are on lizaveta love route, which is more preferable

option

If you activate a) before finishing (one of the) b) - "Learn about sister" option will re-appear in Vova's talk menu (so u will not be locked out) \*i did b) first so cannot confirm

+9) next day Go to the university hall 17:00-19:00 where Vova will invite you to his house

+10) Go to the university hall at 12:00 to meet Fira -go to historian

+11) Waste time until 13:00 when you will receive an SMS from Fira. (click)

+12) Meet Vova in the hall at 17:00 and go home with him

+13) Go to the University Gym at 16:00 and train with Fira. Do this 3 days

\*can tweak time and do one by one

+14) Meet Vova in the hall at 17:00 and go home with him

+15)Go to the valley at 1900 saturday > finish the event and take her to your apartment

+meet her in the uni lecture hall at 1200, choose 'kiss'

+meet vova in hall at 1700 and go with him,

+when in house - choose "stay"

+meet fira in the hall (17.00) invite her to your apartment (options to stay the night - bedroom)

\*i tweaked time after the above events, but i assume that without it you will be invited by vova first, then to choose 'next time', then speak to Fira if present. if not - some advise to 'open and close any menu using the buttons to the left (body/inventory/phone etc) '

\*\*might be impossible to invite if you do NOT have "events sasha pet = 0" (see forum page) but during my course of gaming - sasha is still way behind (so you have "0")

...

You can then speak to her:

In the lecture hall - 12-14

In the hallway - 17:00 (random chance)  
 In front of the University - 18:00

You can also watch her:

Stadium: Monday, Wednesday, Friday - 15:00 (random scene currently 2 available)  
 University Gym: Tuesday, Thursday - 15:00  
 Changing Rooms: 16:00 (random scene currently 2 available)

===== uni time related, but probably you can tweak her availability  
 (+)ELSA is classmate and also your mother's boss daughter.  
 You start with take your moms underwear (several times).  
 You will have an event with your mom where she tell about boss being grabby. \*my panties counter was 0 though, but i got that speech.  
 Walkthrough:  
 +You first meet her after you unlock lessons in uni (sep 1st) and go to the city/office area. (~18.00?) You will see the mom's boss leaving, (take the next taxi->follow him) and you will see the blond entering the car.  
 +Try to approach her at the university. [15.00 uni ballet room? 17.00 hallway] She will ignore you. no actions available  
 +Go to Brick (see Kate's walkthrough)  
 +and orchestrate a false flag attack on her to paint you as a hero for saving her (wednesday 19:00 on university) and you can start corrupting her  
     \*didnot happen during 2 weeks. used cheats 'events' -'save elsa'  
 do movie dates (sunday 19.00 mall) with her. After ~10 of movie dates one of these will eventually trigger the first kiss scene(dialogue), then you are able to choose 'go to elsa' to make out with her at her house.  
     \*u can tweak time back and go again when in the mall. (or use cheats menu event)  
 After raising her corruption a bit, you will get a handjob in her house. (the only possible outcome)  
     when visiting ('enter house' ~19.00) with no boner. kissing (or topless) click options -> stick cock inside her -> she refuses -> bj -> she refuses and does HJ  
 +next movie date she will see a couple bj -> go to her place option ( so you get the option to get blowjobs in her house.)  
 +After ~3 blowjobs (only 1 per day) - take a picture of bj.  
 +go to her dad's office (stroy city) 'talk about mother' - show the picture  
 +and he'll ask to meet you on the weekends after 18:00 in the business center.  
 Repeat this ~5 times and he will ask you to make a video of her in the bath. (he also mentions english teacher)  
     \*u can tweak Boss talk count to 5 (looks like only drunk talks there, and i failed to notice video request).  
 +u did enough talks if u get the option 'turn on camera' at 19.00 elsa's house bathroom  
 +Do the video and give him in the business center at 18:00 weekends. He will set a plan for next saturday.  
 +drag Elsa to the bedroom on saturday.  
 +The next day you visit her you will fuck her for the first time.  
 After this she's yours. You can fuck her while she is studing in the hall on a few days a week in the uni and on the other days she will be in ballet room for more scenes.

>sex with dad [var father sex chain]

\*i didnt go through those

i

Once you fucked Elsa, you can continue to visit Elsa's dad.

He will offer you 1,000,000 rubel when you help him to fuck her too.

When you agree, you have to visit Elsa's house once or twice a week at 6 pm to get an event with the father (most happened during weekdays, and one event was on sunday).

At the weekends you can discuss with father how to proceed. When there is no new text when talking to father, you know there is still an event at Elsa's house you missed.

In between you have once to talk to Elsa to discuss the behavior of the father (probably after the first 2 or 3 events).

At the end there is a sex scene with father. You have to discuss it at the weekend and you get your reward.

ii (i tried to tweak "father sex chain" bit by bit to check some dialogues, but no luck)

weekendWE: talk to her father and agree to help him  
 weekdayWD: 21 or 22 pm ask Elsa about her father  
 WE: talk to father  
 WD: 18 or 19 pm you can see them talking somewhere in the house  
 WD: 18 or 19 pm see them talking about going club  
 WE: talk to father  
 WD: see them three times at 18 or 19 pm (<20.00)  
 \*(talks on a couch in the hall?) for that i tweaked "father sex chain" to "12".  
 WD: ask Elsa about father at 22 pm in her room [discuss behavior]  
 \*hereafter chain became "14"; then i think i talked to father once (sat) and failed  
 to see the following scenes during the week.  
 WE: talk to father  
 WD: see them at 19 pm in the kitchen  
 WD: see them (suggest to iron)  
 WD: see them talking  
 WE: talk to father to go forward  
 WD: can see them fucking in the kitchen at 19 pm  
 \*spotted when tweaked chain to "19" . kitchen, dialogues into action.  
 WE: get 1M \*chain "22"  
 WE: Elsa will talk about the situation  
 Now you can see every scenes with father.

...

one is in the hall i think.  
 she sometimes do it at 20.00 , and bit later when she is alone in white-black stripes hat, i  
 got an option (instead of 'dont bother her anymore') - 'what is it i have there'.  
 saturday 8. she can be seen with dad in bedroom. weekdays 21 - dad's bedroom. weekday 21  
 (other place)

...notes

when u have wine - in the kitchen at 14.00 you get an option to invite elsa to your rental  
 apartment at 20.00 i think i clicked 'meet elsa' but \*i guess not related to any  
 progression.  
 any morning (6am), pull out cock. (if wake her up - only kiss) . sunday 11 go to the tub.  
 in uni hall (thursday 17.00) invited her to the club on friday (go to club location, "go with  
 elsa") -> 2 scenarios. if go to her home - i got no action  
 \*missed so used cheats to trigger. i guess not related to any progression.  
 sunday 8:00 scene: she sleps in one bed with girls (after saturday clubbing, but not to be  
 found in the club, so no relevant interactions there) on saturday at 20.00 in elsa house u  
 can say 'hello' to them (nothing more i guess)  
 19.00 pull up her dress in bathroom on friday before going to club.

==== linked: ...elsa progress  
 LENA (piper)  
 +need to have sex with Elsa 20+ times  
 \*you can tweak Elsa's var "Had Sex?" (max 21) it is not vaginal sex counter  
 +enter elsa's house, monday 8.00 (dunno about other days)  
 +choose 'wait for her reaction '-> you would be the first -> scenes (bisexual route  
 unlocked)  
 +talk to Elsa at school (17:00-18:00) about Lena.  
 +approach elsa x5 times (weekdays) in the kitchen (19.00) OR her room(20-21.00) "talk about  
 lena"  
 +elsa her room 20-21.00, ask to watch a movie  
 \*you can buy a Lesbian dvd at the sex store. i had first one from cheats, but all  
 subsequent i had to buy.  
 You will need to do this a few times x5 and you'll need to buy a new dvd each time.  
 \*might be lesbian chain var (set "5" not 4)  
 +After you've done that, you can go to the ballet room on either Monday or Friday (14;00) and  
 you'll catch Lena and Elsa kissing.  
 +Ask Elsa about it at school (17:00-18:00).  
 +Next you'll want to check out Elsa's pool on Sunday around 16:00-18:00 to see Elsa and Lena  
 doing naughty stuff.  
 +Again ask Elsa (17.00) about it at school.  
 +The final time you'll want to go to the Spa in the Sports Complex in the city on Sunday, at

18:00. (approach the hole)

\*It can be random, but you want to see the scene where Elsa, Lena, and Lena's gf are all doing lesbian stuff.

+Ask Elsa about it at school, and ask about joining them.

Elsa will ask Lena about it, which will take 1 days.

\* never happened. checked for several days. in hall, ballet, home

var bi adventures (i had "5") , tweaked to "6", met Elsa in hall, discuss adventures in sauna (which i did earlier?) - asked to be the third. elsa says she will ask lena (bi adventures became "8")

+the next day at school, ask what Lena said . Lena said no, and to call her.

+You'll want to pop open your phone between 18:00-20:00 and call Lena. (19worked)

+Lena will bring up your infidelity (with her...) as an excuse not to have a threesome.

+Do NOT (threaten) blackmail her. choose 'it was a mistake'. Lena will forgive you.

+after: threesomes at the ballet room on Monday and Friday,

Elsa's pool on sunday at 16:00-18:00 3some, and a 4some at the spa on Sunday at 18:00.

technically a threesom/foursome, but you have sex ONLY with Elsa

@alt route. "nice" route of lena's path.

prereq: need to have sex with Elsa 20+ times

\*tweak Elsa's var "Had Sex?" (max 21) so dont confuse it with vaginal sex counter

enter elsa's house, monday 8.00 (might be any other day)

+choose the "noble" option in the bathroom (when you bandage her knee without fucking)

on saturday at ~16:00 Lena is hiding in Elsa's bathroom (before she goes swimming with Elsa )

+From there on chat to her and play pool/pingpong x3 times (any day? during any day time?)

then when spotting her in bathroom - 'what the problem is' - 'offer to help' ( she'll ask you to fix a lightbulb )

It mentions you have to ask Elsa about this.

go to Elsa in her room at 20 (just check everyday) and talk about the apartment,

\*it may or may not cough up an error. [Location: Line: 0Action Index: -1Description: Location not found!] It did for me.

If it does, just ignore it. Wait or fast forward to the weekend and go to Elsas room again at 20, when all the girls are there, and ask about the apartment again.

You have to talk to Elsa alone in her room first. Even if it errors. The "plot" will not advance without this.

click on business center, you see Olya and Lenas apartment - 'move...' It costs 10k a month for those that actually care.

when your relationship with 1 or both girls is really high, they'll have a fight in the hallway of their house about lena going to school. (triggered when i came into apartment)

choose 'to support Lena'. [I don't know what happens if you side with Olya, probably a dead end, but I didn't check.]

Siding with Lena sets her on a "wants your dick" path, and sets olya on a grumpy path. More on Olya later.

\*var-s doesnot indicate any alt route for siding with olya. so should be a dead end. in the girls' apartment and try to wake up at 8am and raid the refrigerator.

\*be exhausted. go to sleep after 0.00. u will get option 'check the fridge'

Lena will approach you there (my stats were maxed so she did it immediately after)

If it didnt happen/low stats - take her on dates to the cafe, tutor her, and shower in the late afternoon so she can steal your phone and ogle your sponge. It's a random chance as well.

I think the breakfast blowie is the trigger. Once she sucks your sausage that opens the door for all the other sex for her. At least from what I saw.

~

OLYA. --elsa-lena alt-route related / not sure if it will block some lena's sex vids

When you side with Lena about college, Olya gets upset and approaches you after the fight (immediately, or a couple of days later)

when that triggers, choose 'suggest a plan against lena's income' (which is about lenas education. so just some weird auto-translation)

go to liza office (her path irrelevant) and choose 'don't talk about lena arriving' (promiss to call olya and deny lena application/enrollment intouni)

When you go back to Lenas apartment, Olya will say she recieved a call from the school and say your cool and leave.

to continue Olya, you need a Rugby ball. (usual interactive menu - give gift) buy this from the shop or cheat

?Ask her to watch Football during the week and don't miss the date on Saturday. [spotted once at sat 16.00, hall]

i invited her before that. failed to spot that option again [i assumed that i messed up, but not sure and my tweaking didnt help. lastly i had to tweak "Conflict chain" from 5 to 6 . so i skipped all the below and unlocked lewd scenes.]

Eventually she'll play rugby with you during this event.

Keep doing this until you get the option to kiss her. Then you bang ,

and now you can search for pocket change with either of the women throughout the house.

Not at the same time. No threesome here, yet I think.

+Talk to shurik next about his sister, this unlocks you inviting her on dates.

+Talk to her between 19:00 and 20:00 at the hall of her house or in her bedroom at 21:00 till 22:00.

+Talk about date and meet her on friday at 18:00 in the Cafe.

+On the weekends between 11:00 and 18:00 you can do your first photoshoot in her house.

\*i rolled back time and did it after my last saturday date (above)

+Open your laptop at home and see letter from Tony. Add in photoshoot nude.

+After a few days Sasha will come to your home and sign it.

+do a nude photoshoot with her in her house on weekend.

After the nude photoshoot go to Studio Nester. (He tells you to make a website, and buy her stuff)

\*nothing triggered there , tweak website chain to "13" then i could go to sasha's website from a laptop. looks liek no need to interact with nestor at all

+You use your laptop, Make a site (wait a week for the site to be made)

+Check the site

+go to the gym and inquire about & buy annual subscription . same for salon one.

+go to sasha and give those to her.

+Wait a few weeks check your pc an see her stats are at attractive

\*u can tweak her appearence to 250 in variables

+Check offers on the site, if there's one accept it

+On Saturday or Sunday talk to her during the day

+In a week go to Shurik, he tells you she is a the club with her boyfriend ['what happened?']

Go on the weekend and look for her (handcuff's required for next part) ...happend on weekday for me.

\*(i assume) better NOT to take her if you haven't finished Dasha (progression with dates and early threesome) and Fira ...also Elsa,Lisa,Irina,Alena(just for the scenes)

\*otherwise tweak Sasha - 'pet?' back to 0. and to get back to that route and get boyfriend in club scene you probably need to have 'Boyfriend chain: 3'

+Choose the option which takes her back to you apartment.[throw her...] You hancuffed her

+(next day)visit her daily in your bathroom . do NOT let her go.

Keep doing it and eventually you will be able to have sex, with her and prep her arse for anal

\*2nd,3rd visit-option discipline her. 4th visit - lick the toilet 5th,6th get out cock, 7th bj&fuck&trainashole, 8-9th drag to room, any, train asshole.

then i tweaked 'anus prep' to 170 (i had 79 after 3 trainings, so without cheating i assume it could be 3 more visits)

so after tweaking on 10th visit i had 'fuck in the ass' option after anal, choose 'go home' options - means you letting her go. (aftwards she locks herself in her room at her home) [var training chain - 8?]

+Talk to Rada, when you can and "Ask where is Sasha"

\*during weekdays - 8.00 bathroom. other options didnt work for me.

Go to your pc and check sasha's site

+Check offers and refuse first one (gloria jeans. 15k payment)

+Wait a week, for the week\_name to reset, check again should be a better offer (kokcast cable,60K)

+Around 7pm - 8pm see sasha in her living room and give her contract

+go to nestor, 'wonder how you are doin' - 'offer to buy a dress' - 'buy' (80k)

next day in your room after 10am sasha will come over

\*happened when i came home after seeing nestor 12:50. no tweaking

i dont remember triggering her house request or shuriks text, but i assume it should have happened after you set her free and before PSG thing (see below)

%%house (so if you are more lucky - agree on that)

You need to fuck Sasha several times at Shurick's (Rada's) house, I believe it's at least 11. After you have fucked her few times in Shuriks house she will ask you if this is serious or not 1.Yes 2.No

After that visiting her in the evening in the livingroom she will ask to rent a house with you, costs 60k a month.

If you agreed - you can be together as a couple . The house is in the Suburbs (where the barber shop)

You can fuck her all over the house and if you go there at 16:00 (Hall area) you can see her coming down from staris or returning home from work and fuck her. and about 3-4 more scenes.

(out of curiosity, i got that her proposal : reset sasha - event: fast forward to sex - fucked her {less than 11 times but who knows how all that was counted} - she asks about it at 19.00 hall.)

%%altpath, some slave route?

after "trained" her in your apartment and sent her home. You talk to Shurik and tell him what happened,

then he will send you a text when she is alone in the house and you can go see her.

You get a choice of pay her 10k or 50k and she basically agree to be your slave (I guess),

(here i tried with no success: fucks after training 0, training chain 8, pet 1, go to

apartments, set her free. ...didnot get any option from shurik. her door is closed tight.

...though she speaks to me about contract. which i accepted on laptop. but that talk probably is triggered irregardless)

>nestor & PSG & cockain party & photostudio

+Once you have no more photoshoot event appearing and you have your house with Sasha,

\*i didnt have a house. havenot tweaked it yet. continued without.

either play more than 200 hour (after your last contract. as such stop appearing on your laptop - sasha's site) or go to save editor and edit the hour played like indicated on a post here. EVENTS\_SASHA\_HOUR\_NO\_CONTRACTS and put it over 200. ( english translation mod value name)

+Go to Nestor (monday only?), use the new option, everything is obvious. (nestor talks about beach girl and some party)

+Go to Beach (use subway/metro), Go to new house on the next morning, spy until you caught a guy masturbating

\*i actually didnt see the guy as i didnt watch the video. but as the location dissapeared i assumed that i did it (hopefully not a bug)

+Go back to Nestor, 'tell him about what you saw' - 'guys', he gives you invitation to a party, mentions you have to look for PSG on internet and cocaine .

+Go back to your house, laptop, search the net, PSG, check both PSG star name if you dont know who and what PSG is (asoccer club)

+Go to brick if you met him and buy cocaine from him, alternatively if you use cheat, go to Sasha tab and events and click on the one here, will give you cocaine.  
Go to the Business area on Saturday at 18-20.00 to the party . Use the obvious choices (how did psg do? mbappa) ... get contract at the end.

Talk to Sasha at her house (the one you brought) or at Shurik at 19.00 the next day and accept the contract.

\*here is a problem, i can find her at shurik but no talk options.

so at this point i had to tweak event 'fast forward to new house' , got option to 'sit down'-'stay'-'tell her about the contract'

Go next Monday at 8am to the Photo studio in City and do the Photoshoot, repeat twice the next 2 days

\*u can roll back time to 8 oclock and repeat.

+Go back home check laptop and Sasha site, check contract you should have a new one for 50k.  
+Accept it and go back to the Photo studio at 8 am, do the photoshoot, you'll get a reward after it (repeatable each week).

\*no contracts chain 11/13 so something is missing

>Is she giving nestor a bj? (no clue when does it happen )

You do the commercial video with Nestor. Then you talk to Sasha, then you talk to Shurik, then you talk to Sasha again and you go on a date.

If you leave Sasha to go her own way on become a model she end up fool around with Nestor [giving him a blowjob when you visit him] and you are screwed.

-Then she will never be yours...

#### Notes

Its probably a good idea to get Antonina to the point of sex with relationship (you can tweak some event or relationship status, it should set the prereq variables a right way)

You need to buy the camera, for the photoshoots (cheats, items)

You also require to buy or rent the apartment in the city (tweak variable or trigger her requet)

Hand cuffs can be brought from the sex shop (cheats, items)

The Dress cost 80000 (just need cash on hands)

==== uni, elsa progress related , & december time.

(+)ALENA -english teacher uni

@ Main/No-Rape route . mutually exclusive with the slave path

go to the university (liza's) the head teacher's office in november. RNG: scene lisa and alena talking on a couch

choose Agree (to organize new year party in the club)

enter her house at 18 to 21 in the valley - promise to ?scope (help to find/order a band)

home - my room - laptop - band - make appointment

next day go to the park {18-22h} - to meet the group - pay and leave

home - my room - laptop - search for advertising - contact via skype - pay

go to antonina (her house, hall) at 18-20h -talk about the party

go to the club on 29.12 at 12-18.00 'prepare for the party'.

when inside - ask to become a tutor

weekdays after 18:00 - visit her house in the valley to take lessons.

\*basically sequence below is initiated at 18.00 her home. there is some actions rotation. so if you dont get a progress - pick another option )

\*first 3-4 times i came i got option to discuss what happen in club (as if something lewd happened. but it didnt. maybe i missed some dance club event) looks like you need to pick upper options (~'discuss what?')

visit again, choose 'lift the mood' (thus do NOT flirt) var 'Learn English at her house chain' 4-8 (nohting triggers there)

\*on saturday i could find her in the club (after i used 'look') i chose 'come closer'-'go for it'. nothing happened

visit again, invite to bowling - 'come on'

answer her questions, movie - nurses . color - black . disco group - scooter; she will go bowling with you.

\*i think you need to go bowling 2 times.

visit her home again, choose 'lift the mood' -> get a kiss option.

go bowling, u get option 'go to her house'

2nd time bowling. 2nd time 'go to her house' -> kiss her neck.

3rd time bowling new option  
 visit her home. lift the mood -> kiss -> remove her top  
 5th time bowling  
 \*not sure, maybe i needed 6th time to unlock the whole scene sequence/options. can do later.  
 visit her home. lift mood -> remove pants. then action.  
 first time you met her in uni, hall - she grabs you and leads to some utility room with bed.  
 \*happend to me later as well, thus RNG event  
 met her in the hall 2nd time - pick 'unbutton shirt'  
 met her in the hall 3rd time, you will get 'invite to the apartment' option (rent it in residential disctrict)  
 \*get a car scene  
 met her in the hall 4th time, 'invite to the apartment' (you will finally go there).  
 after that you will give her a key to your flat.  
 \*after that i noticed that i dont always have 'intive her to apartment' in her interactive menu. either RNG, or you need to do something prior to that, maybe to visit her class once during a week (and maybe fuck her after)  
 alena will call u (sat 20.00) reply. she will be in 22.00 in your bedroom.  
 probably 'day to have sex' is responsible for the call timing ("6" is for saturday, but check to be sure)  
 \*you cannot call her (unable to press call button)  
 i went to her home at 18.00. "kiss alena". (her friend is there for some dialogue, but sex scene is the one u saw)  
 when visiting her home at 18.00 - you either get 'practice' (only tutoring) or 'something interesting' (same sex scene). looks like RNG  
 \*occasionally she can refuse to go to bowling and say that husband waits for her. at that day you also cannot visit her at 18.00 at home.

notes...other lewd options  
 english lesson tuesd/thursd 14.00 - take it seriously - finish (you stay) - take her club saturday - go for it (now there will be some action) . 10-12.00 weekend go around her house

@rape route (less priority) related to elsa's route. need to be ~bj stage with her and visit her father.  
 +You need to take english lessons on tuesdays and thursdays and sleep during lessons. Do this a few times (7-10).  
 \*you can tweak var Slept in class count: 10  
 then she calls your mom (8:00 kitchen mom answers the phone call)  
 \*instead probably to tweak Behavior informer: 2  
 as a prereq you need to meet Elsa's father on weekends in the business district at 18:00 -20:00 x5times until he mentiones her  
 in december you will get an option to rape her and turn her into your whore. (i never checked if it is possible to do earlier)  
 \*go to her class, sleep -> grab her throat  
 +At this point you can fuck her every tuesday and thursday after lessons. ('stay')  
 After you fuck her 5 times you will have a chance to make her clean you rental apartment (in the menu after english class)  
 Go to your apartment 19.00 in the evening and new scenes will be unlocked. (when 'topless' can put costume on)  
 Continue fucking her to increase relation.  
 +After some time you will have the option to fuck her in the gym (sports center) at 17:00 till 19:00 on mondays, wednesdays and fridays.  
 ...
