Characters

Nat

Nat is the main female protagonist of the story. She's an attractive and intelligent woman. She's married to Ethan.

Ethan

Ethan is the main male protagonist of the story. He's married to Nat.

Jenna

Jenna is Ethan and Nat's new neighbor. She's an adult model with a strong personality. She lives a sexually free and playful life with her partner's permission. She is in a serious relationship with Sam.

Sam

Sam is Ethan and Nat's new neighbor. He's Jenna's boyfriend and enjoys being her cuckold.

Darrel

Darrel is the handsome black male that volunteers to help the couple when they move it. With an impressive physique and a charming, dominant personality, he creates the first waves that could change the couple's relationship.

Peter

Peter is Ethan and Nat's new landlord. Despite his old age and being a great benefactor to the couple, he has a reputation of being openly lecherous towards attractive women.

Riya

Riya is Ethan's work partner if he manages to get a new job. She is cute and sometimes flirtatious.

Matt

Matt is a college football player Nat would meet if conditions are right. He has a cocky personality, but has the physical attributes to match it.

Vance

Vance is a biker with a dangerous aura about him. He has a strong and forceful personality.

Carl

Carl is a college student that fits the stereotype of a shy nerd. Nat might encounter him if the conditions are right.

Scenarios and Paths.

The scenarios and paths are roughly ordered according to how far those choices reach in the story line.

By clicking the hyperlinks, you can jump back and forth between the corresponding guides.

Disclaimer - This guide can cover only a small scope of the game due to its complexity. For many of the paths and scenarios described here, there are more ways to reach the same goal.
