This walkthrough intends to show all the paths through the game in an objective way.  
Colors and styles are only meant to highlights elements, not influence your decision.  
There isn't a right or wrong way through the game, only you should decide.

Only decisions that have an impact on the story or your character are shown.  
There are obviously many scenes that can play differently based on your choices, but "cosmetic" differences or small alterations in the dialogues are not part of this walkthrough.

The PDF is best viewed on a touch screen where it is easy to drag, zoom in and out with the fingers.

On a PC with Acrobat Reader, make sure to use the "hand" icon to easily drag with the mouse.  
Use *Control* + Mouse wheel to zoom in or out.

Legend

Character and game related attributes that can be increased/decreased (i.e.: a number value) will be represented with an icon followed by the character/description name: Bubu or Bubu

More complex values will be written as text instead:  
 girls kissed +20

Reference to these values will reuse the same icon or text:  
Bubu is at least 5  
 girls kissed is at least 25

While the game is being developed, decisions that do not impact the story (yet) will be displayed like this:  
 *Granny*  
 *grandmas kissed +20*

Icons

- : +1 Relationship point
- : -1 Relationship point
- : +1 Friendship point
- : -1 Friendship point

Decision labels

When something you do can have an impact later on in the game, a label will be visible where it happens like this  
 decide something #123  
In some rare cases decisions can be reversed, to distinguish it more easily the label will look like this  
 did not decide something #123

References to this label will also include the same number  
so it is easy to track it down to where it happened (could be multiple places).  
 decided something #123

Some decision labels can denote a progression and sometimes we must check if the current value is above or below a certain threshold. To keep it succinct, all accepted values will be listed in brackets.

For example let's define some karate belts and assign each one to a numerical value:  
 0  $\Rightarrow$  white belt #78, 1  $\Rightarrow$  yellow belt #78, 2  $\Rightarrow$  orange belt #78  
If in the code the condition checks that the value must be at least 1 (`karate_belt >= 1`)  
It will be listed like this: karate belt: [yellow, orange] #78

While the game is being developed, decisions that do not impact the story (yet) will be displayed like this:  
 *agree* #55  
Reversed decisions that do not impact the story (yet) will be displayed like this:  
 *did not agree* #55

Check the last page of the walkthrough to learn how you can use the developer console to cheat  
alter their value for your benefit: [\(link\)](#).

Enjoy the game!

- I'm not interested.  
Zarah dating level ➡️ 0

Meaning Monica's girls aren't exactly ugly, so you better behave yourself!

Well, they're young, hot, and living in this house, so I'm not sure I believe you. Why would you say you're not interested in them?

- Because it's the truth.
- Only available if Zarah dating level is 1
  - Prefer older neighbours.: ❤️❤️❤️ Zarah

- (Compliment Jenna and Monica.)

Those two bitches. Getting those damn porn-star boobs. And the shame of it is, neither of them even bother with men, so it's wasted on them.

Slide them down a little bit so you can avoid smearing cream all over them. But remember, perv... You are supposed to pull them down, not OFF.

Agency

## Scene #1-15 The Agency.

"Whispers" You don't have that air of superiority. Don't worry about it. I meant it as a compliment.

• Should you really insult models?

• No problem. I get it.: Angel

(I hate sitting around... I'm bored... Should I check if this one is up for talking? Or just keep my attention on the receptionist?)

• (Check out the model.)

• (Look at Angel.): Angel

Wanda

So to answer your question. Nooo, I'm not here for casting at all. Why would I be here for a casting...on CASTING day? I'm obviously here for the fantastic fucking conversation. Are we done? Thank you!

• (Apologize for bothering her.)

• (Tell her to fuck off.): Wanda 1

(What a fucking bitch! Two ways to handle this. I can let her get away with being a bitch and just ignore her, or I can fuck with her just to piss her off)

• (Ignore her.)

• (Fuck with her.): Wanda, Angel

Asshole.

• (Keep fucking with her.): Wanda, Angel

• (Leave her alone.)

You know what it's like... Models starving themselves before a casting. I didn't realize you were a... I thought you were just another asshole model.

• Asshole model like you?: Wanda, Angel

• Well, I'm not!

Can we start again? Clean slate? I'm a really good model. I'm sure I could do a good job for you if you gave me a chance. My name is Wanda. Nice to meet you.

• (Be nice to her.)

• (Insult her.): Wanda, Angel

So what job are you working on? Anything that you think I would be suitable for?

• (Be nice.)

• (Be mean.): Wanda

What? But I've been here for over an hour! You fucking bitch! Why are you only telling me now? Are you dumb?

• (Intervene / Support Angel.): Angel

• (Don't intervene.)

I couldn't help myself. I hope you don't mind?

• It wasn't any of your concern! Angel

• No. It was great!: Angel

Hopefully, she'll leave now that she has no appointment. You don't mind, do you? I can call someone to get rid of her if she starts up again.

• No. I'll just ignore her.

• I'm going to teach her a lesson.: Angel

Fake audition

(Wow! She is not just a bitch. She's a racist bitch!)

• (Take charge.)

• (Tell her the truth.): Wanda audition -1

• (Ignore her / Not interested.): Wanda audition 0

## Scene #1-16 Wanda's audition.

(She seems like a spoiled bitch! She is probably used to people treating her like a princess. I think she will respond better if I break her down a bit and dent her confidence)

• (Exert dominance.): Wanda

• (Assertive.): Wanda

• (Passive.)

Wanda is 3 or less?

And I'm starting to have my doubts about you too.

• (Reason with her.)

Wanda is 2 or less?

• Suck my cock. Wanda audition 1

• Whatever you like.

• You're supposed to be the model!: Wanda

I have super long legs. Everyone always compliments me on them. What do you think?

• You have really nice legs!

• I've seen better.: Wanda

See? My ass is one of my best assets. Do you like it?

• (Not interested / End the audition.): Wanda audition 2

• (Interested / Sexual.)

Wanda is 4 or less?

Wanda audition 3

Wanda audition 6

Am I being taken for a fool here?

• (Try to reason with her.)

• (Get angry with her.): Wanda

That is NOT professional. Is it?

• (Be assertive.): Wanda

• (Reassure her.)

(Pheew. She can't see Wanda under the desk.)

• (Be friendly.)

• (Get rid of her.): Angel

The day after, then? I promise I'll be even nicer to you. And maybe I'll even be nicer to that receptionist bit...eh, lady, if that's what you want?

• You should apologize to her.: Wanda

• I don't care.

What did you do?

• Pretended I had a job for her.

• I gave her a fake audition!: Angel

told Wanda to apologize to Angel #7?

Yes

Angel

"Laughs" Looks like you used up all your charm on Wanda. You're gonna have to try harder to get me on the righteous path.

• (Flirty comment.): Angel

• (Play it safe.)

• You can try.

• You ARE sexy.: Jenna

Well, they are a bit too big, right?

• Yes. But you have a small frame.

• No. Perfect size.: Jenna

So, how does it look? Huge and flabby? Or gigantic and hideous? What are your thoughts?

• Nothing to worry about.

• You have a great ass!: Jenna

• (Flirt / Sexual comment.): Jenna

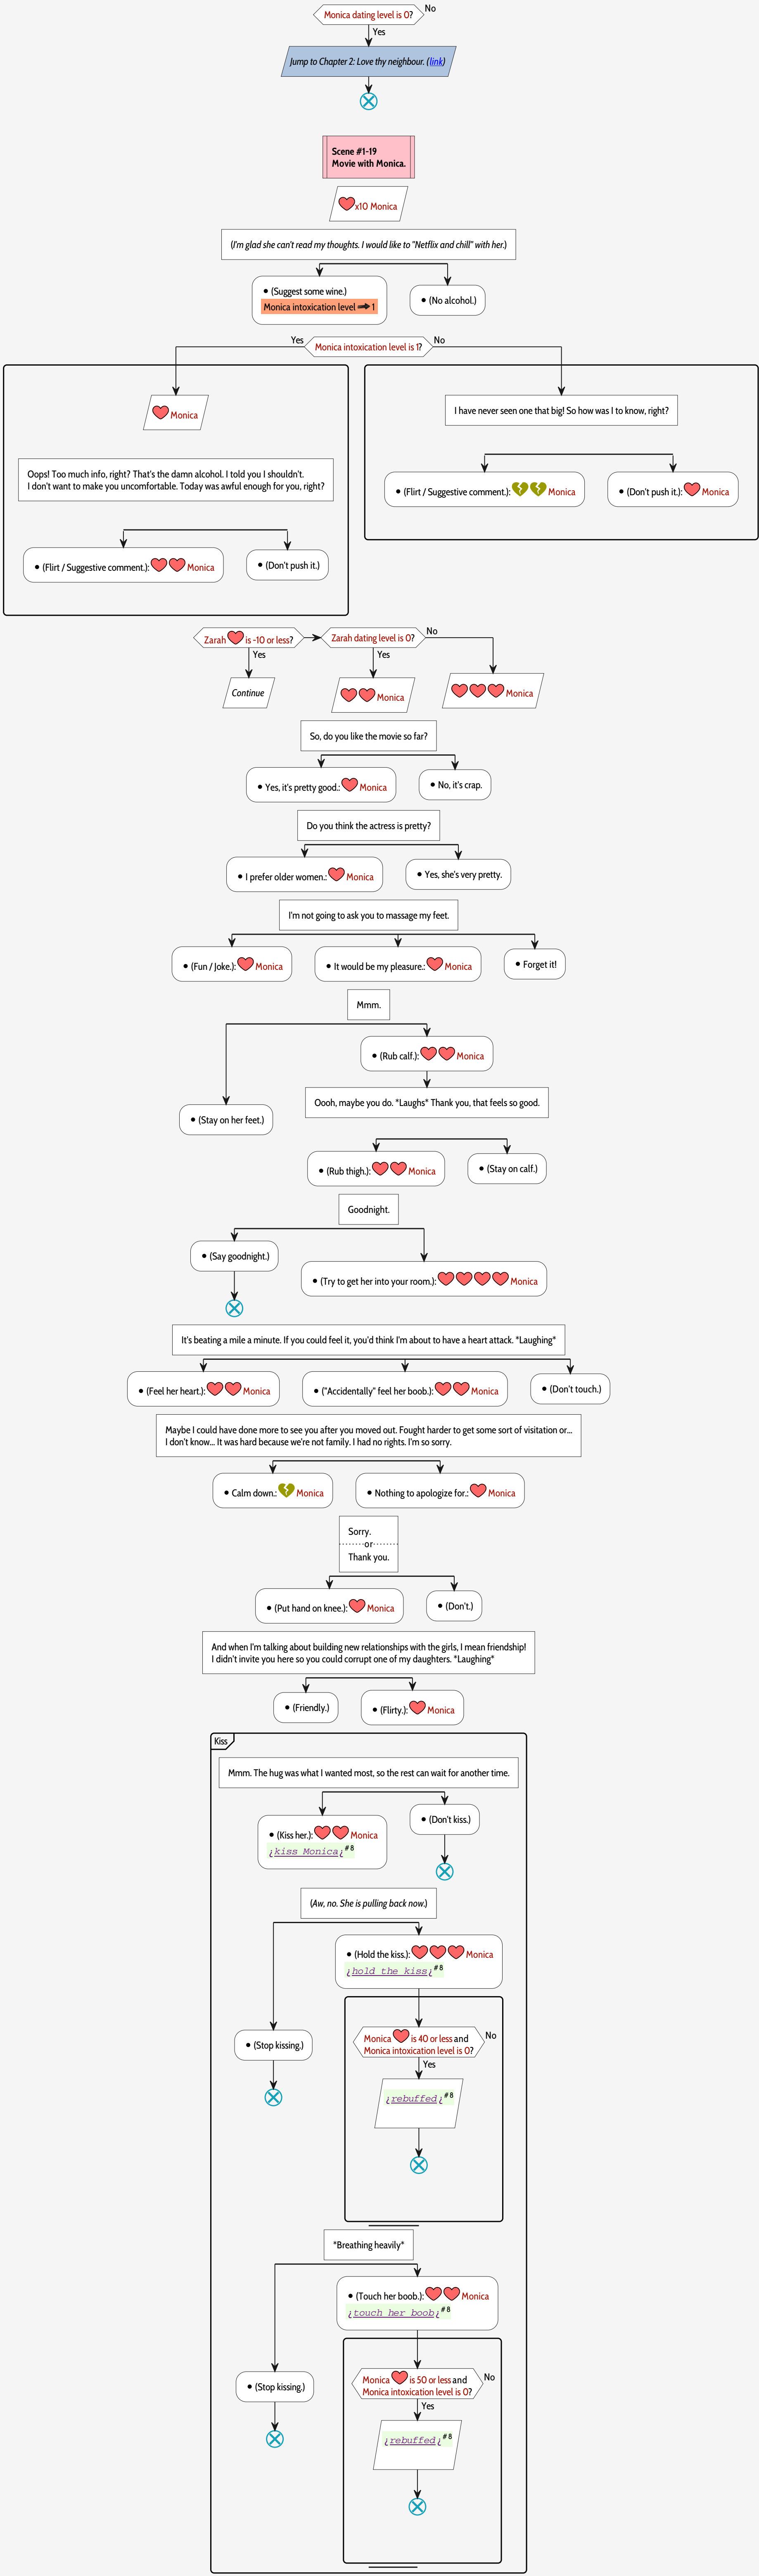

Of course I don't mind.

• (Kiss her cheek.)

Anyway, what were we talking about before the beautiful coffee girl interrupted us?

• You in a bikini.: Jenna

\*Nervous laugh\* No! I think we are done talking about that. Next subject, please.

• OK.

• But not done thinking about it.: Jenna

Yes, I feel so bad kicking you out like this. I can give you your coffees to go if that's OK?

• No. This is unacceptable.: Jenna, Jolina

• No problem.

Let me just put your stuff in a to-go container. I'm really sorry about this. And I was hoping to turn you into a repeat customer. I couldn't even serve you properly the first time, so I blew it.

• I'll be back.: Jolina

Glad to hear it, Arnie.

• (Crude joke.): Jolina

• Don't worry about it.

• My name isn't Arnie.

• (Play along with the joke.): Jolina

I'm sorry to bother you and your, eh...boyfriend, is it?

No, Debbie, I couldn't expect him to help me out. It's too much to ask.

### Scene #2-9 Debbie's test

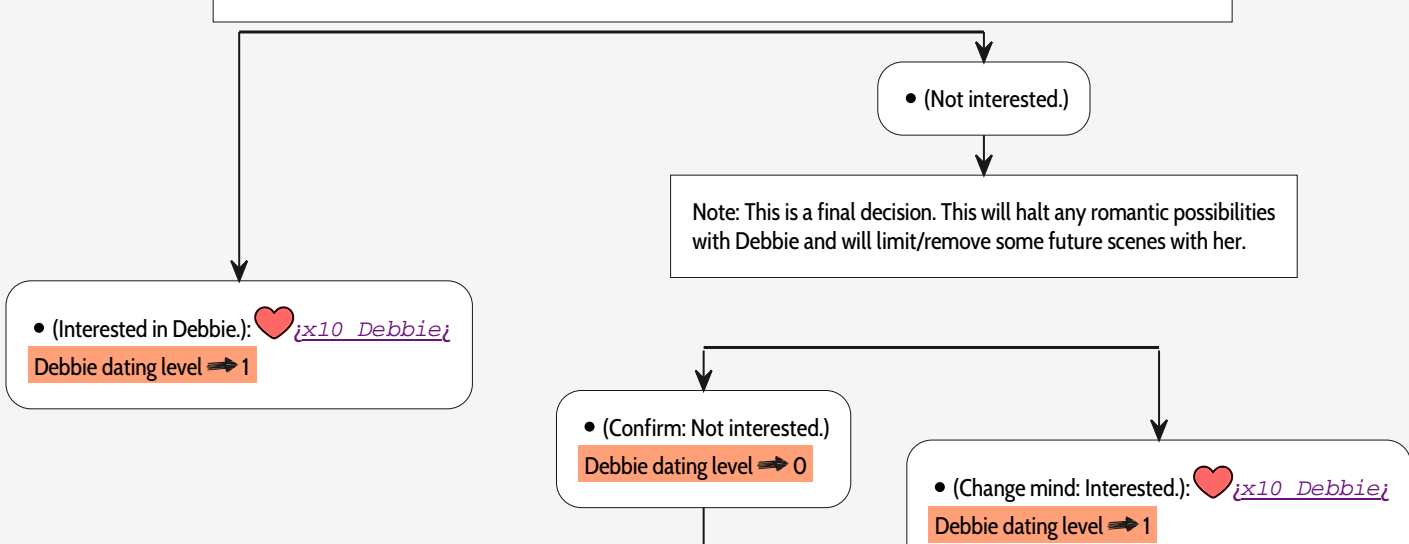

No, he is a gentleman. He wouldn't do that to a young innocent like me. Now we're both comfy, and nobody can see my panties. You don't mind me sitting here, do you?

Debbie

And if you thought I came on a little strong, don't worry about it. It was just part of the act. You're not my type.

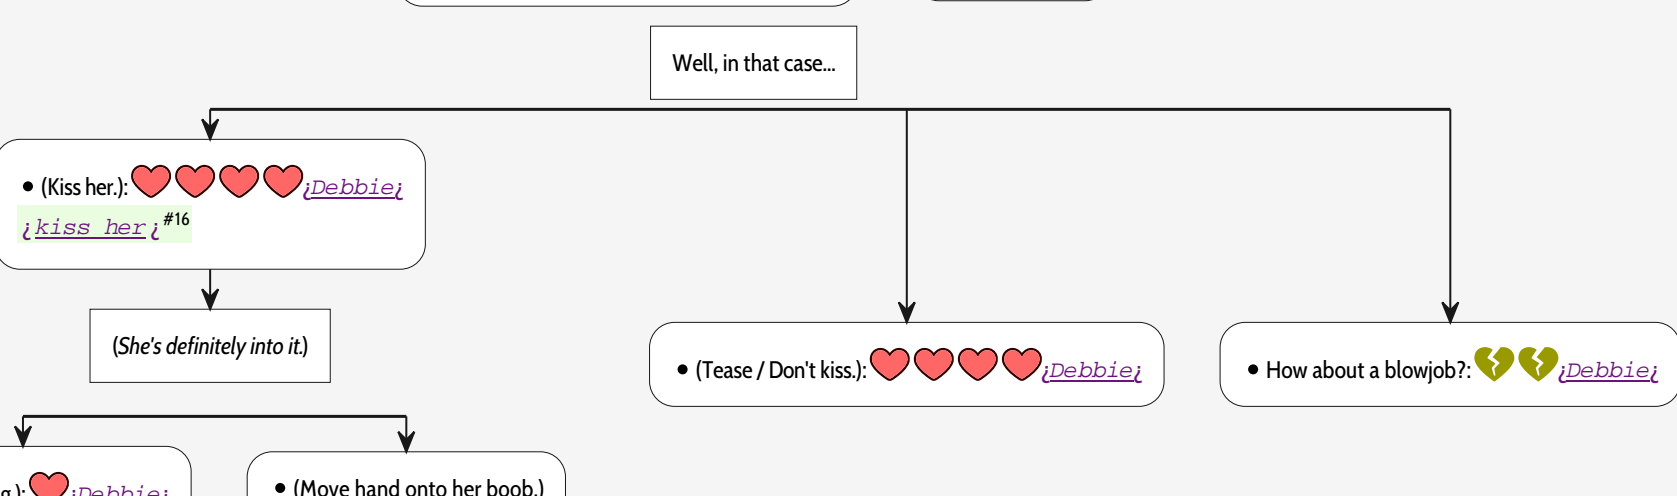

Tempted to do anything with THIS, or are you still on top of your self-control?

I love a man with a big fat...wallet! "Laughs" Do you have a big one?  
Nah, I'm joking, I don't care about the size of your wallet. But I DO care about finding out what's digging into me.

Well, in that case...

Jenna

### Scene #2-10 Jenna's nipples

Aw, thanks. So how'd I do? Was I a nervous wreck? Socially awkward?

Really? I didn't get that. I just think he was in a bit of a panic about his dog. You seemed to get annoyed when he was speaking to me. Why?

said you are Jenna's boyfriend #13?

No

Yes

And...eh, one other thing I was wondering... Why did you tell him you were my boyfriend?

As if a dork like me could get a boyfriend like you! Someone like me wouldn't get asked out by someone like you.

You should ask her for her number tomorrow.

So that's what was going on in my neurotic head. I'm a complete mess, right?

Jenna dating level is 0?

No

Yes

I don't know. What if it's extremely...em, figure-hugging without a bra?

(It would be risky with Monica, Katie, and her two friends in the house. And Sarah could still be here too. That would be pretty embarrassing if someone caught me crouched down, peeking through Jenna's door.)

So, now you know what the problem is, right? What do you think?

And what if people mistook me for your girlfriend next time we're out?

It's the muffin from the coffee shop. Isn't that the most delicious thing you've ever tasted?

Yes. It was good. So good that I'm going to do it again.

Nice. I hope you don't mind? Don't want you getting chocolate on my top. It looks bad enough as it is.

But before you go, is there anything spontaneous that YOU'D like to do before you go? Now that I'm feeling so good.

### Scene #2-11 Katie & friends

But it was kinda fun, right? No?

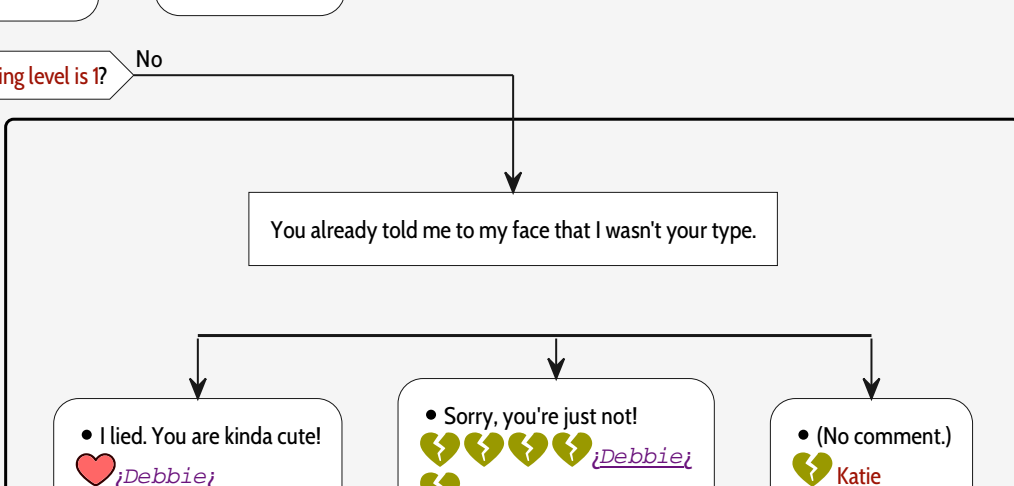

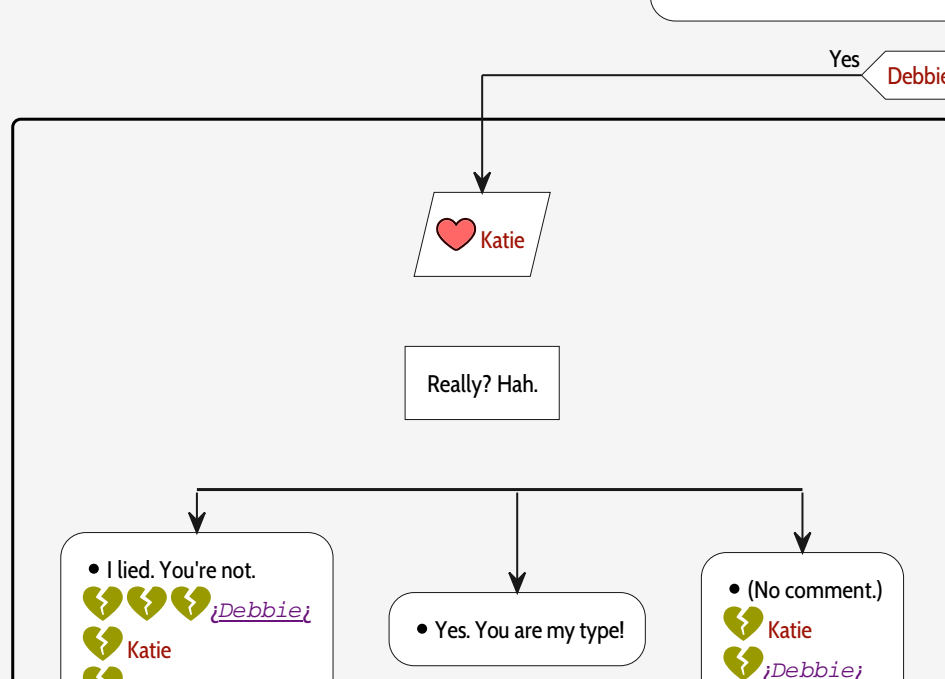

Sorry, Lily, I shouldn't have been speaking about you like that.

Yes  
Debbie dating level is 1?

No

Because she knows that flirting with you will piss me off.

Sheesh! Sometimes, I feel like I'm surrounded by idiots. "Laughs"

Ah, I'm just kidding. You're closer to ninety-five percent. "Laughs" But that five percent gives me and the girls a glimmer of hope. Maybe there is a man out there for us.

- I'm not!
- No. Just protective.:  Jenna

No, but... That's because...eh. Stop smiling at me like that. He's a nice guy. Why would someone lie about something like that?

- Because he's a creep!
- An excuse to chat with a cute girl.:  Jenna

You think I'm naive, don't you?

- Yes. Very naive!:  Jenna
- No. But you just need to be careful.

I'm actually offended that you think I would be interested in him like that. Do you really think that's as good as I could do?

- You could do better.
- Well, I don't see a queue of guys for you.:  Jenna
- You could get any man you wanted.:  Jenna

This is my thing with you. Katie gets to sunbathe with you, so I should have this. And speaking of sunbathing, I still cannot believe she was topless. Did you mind?

Cheat without a MOD

So you want to try out a new branch but do not feel like completely starting over a new game?

Don't worry, with the developer console you can easily modify in-game variables.  
You only need some basic understanding of scripting.

The easiest way to enable it is to use the Universal Ren/Py Mod from 0x52.  
Download it from the webpage: <https://0x52.dev/mods/Universal-Ren-Py-Mod-1000>, then unzip it and drop the rpa file in the game folder.

(Re)Start the game and load a savegame, type ALT+O (Hold the ALT key and type the letter O) to open the console and use the ESC key to exit
