INTRODUCTION TO PART 2

Welcome

This part of the game guide is designed to help you play Chapter 2 of The Headmaster, by Altos and Herdone. In Chapter 1 of the game, you played the role of a new headmaster appointed to a private school. You passed a series of rules to help implement your disciplinary methods.

Chapter 2 begins after you successfully pass a rule to allow you to spank the girls yourself. You now need to ensure that school grades quickly increase to ensure the girls pass a test and prove the validity of your techniques.

Starting Chapter 2

In normal gameplay (i.e. where you play from the start of the game) you will automatically start Chapter 2 of the game when you complete the main quest "A Man's Work" and pass the rule allowing you to spank the schoolgirls yourself.

You will then see two large events: How to Discipline a Young Woman ([CLA11](#)) on a Friday afternoon, where you hold a special class to demonstrate your punishment methods. This is followed by A New Chapter ([OTH14](#)) on the following Monday morning where you and your prefect Debbie carry out an underwear inspection on the girls.

However, when you start a new game, you can also choose to start the game at the beginning of Chapter 2, instead of from the very beginning. This is not recommended for new players. However, it provides a method for more experienced players to quickly skip ahead.

Game Guide Contents

This guide explains how to complete all the quests in the game – the main quests, teacher quests and student quests. However, it is important to note that this is not a linear game, and this walkthrough is not meant to be followed in strict order.

You will find that you will usually be trying to complete several quests at one time. For example, you may have to save up money to buy an item to allow you to complete one quest, but while you are waiting you might be able to continue with a different quest. Sometimes, you need to complete part of one quest in order to progress a different quest.

Therefore, please use this walkthrough as a guide, not as step-by-step instructions.

You may also wish to refer to the other parts of this game guide.

- **Part 3: Unlocking the Replay Menu Events** provides information about how to unlock and complete all the key events in the game (which are then shown in the game replay menu).
- **Part 4: The Student Punishment Guide** explains how to punish the girls, and increase their punishment levels
- **Part 5: General Reference** gives information on the cheat menu and other general information, such as notes about gaining influence and horniness points, passing rules, and grade management.

Quick Codes

Several parts of this guide use short codes e.g. [QM1] to refer to other parts of this document. You can see these codes beside the heading of each section. You can do a search on this code (include the square brackets) to jump directly to that section of the guide. Most of them are hyperlinked so you should be able to click on them to jump to the relevant section of the document instead.

Please note that some codes will refer to sections in a different volume of this guide. If you are using the complete version of the guide (which includes all 3 volumes) then this will not affect you. However, if you are using separate volumes, then some of the links will no longer work and you will have to do a manual search.

[QM4] Leave No Girl's Behind

Description

You are finally able to punish the girls yourself and grades and discipline are bound to increase rapidly as a result. Ruth will be giving the girls a test soon and every single girl needs to pass with flying colors. You will need to improve overall grades by teaching lessons and you will need to focus on any individual girls who may be falling behind.

[QM400] Unlocking this Quest

This quest is unlocked at the start of Chapter 2. Chapter 2 starts on the first weekday after you complete the "A Man's Work" main quest ([QM3](#)) and see the How to Discipline a Young Woman event ([CLA11](#)) and the New Chapter event (see [OTH14](#)).

Ruth will meet you in your office and remind you of her conditions for allowing you to continue to spank the girls. You will then receive a message saying you have a new main quest:

You have a new main quest. You must raise the girls' Grades to 100 before Ruth sets her exam. The girls' Grades will increase by one per day once Discipline hits 60 and by two per day when Discipline hits 80. However, poor-performing students will bring down the average. The higher overall Grades are the more of an effect this will have.

[QM401] Achieve 100 grades

Increase your grades to 100. See [REFG05](#) for some hints about how to do this. The following weekday morning (if your grades are still above 100), then you will get the following message:

Well done for getting grades to 100! Unfortunately, this is just a temporary placeholder ending for the current main quest. Grades will no longer decline and the story will continue soon.

Note: You need to play at least 2 weeks of game time before you see the placeholder end message. If you achieve 100 grades within 2 weeks of Chapter 2 starting (which can only be done by use of the cheat menu) then you will see this message on the Monday morning of the third week.

[QM402] Placeholder Ending

Full description = PLEASE NOTE: This quest is still a work in progress. The step can be completed in this update but there is currently only a placeholder ending.

Once you have achieved 100 grades, then you have progressed this quest as far as you can in the current version of the game.

[QM5] Who's Pulling Mycock?

Description

As Ada pointed out, the school is behind a restrictive firewall. All digital communications on campus are being monitored and controlled. Who are the people behind the scenes pulling all the strings? With no way of contacting them directly, Mr Mycock warned you not to ask about them. However, perhaps you can learn more about their intentions by listening to their requests.

[QM500] Unlocking this Quest

This quest is unlocked at the start of Chapter 2. Chapter 2 starts on the first weekday after you complete the "A Man's Work" main quest ([QM3](#)) and see the How to Discipline a Young Woman event ([CLA11](#)) and the New Chapter event (see [OTH14](#)).

During the New Chapter event ([OTH14](#)), you will speak to Ada, who tells you she is unable to make any calls to her family or friends at home. You say that you will take a look at her phone for her.

[QM501] Give Ada's phone to Miss Chang after school

In the evening, speak to Miss Chang in her classroom. She tells you that the school exists behind a complex firewall much like the one in China. You ask Chang to install some spyware on Ada's phone before you return it. A new icon is then available on your office computer.

[QM502] Find Ada in the hallway and return her phone

Full description = (2) Find Ada in the hallway (on Monday afternoon) and return her phone.

Speak to Ada in the classroom hallway on Monday afternoon. You will return her phone and tell her about the school firewall.

Note: if you have not spoken to Ada before, then you will have an initial conversation with her, where you ask her how she is settling in. You will then need to wait a week and speak to her the following Monday afternoon before you can return her phone and tell her about the firewall. (If you start a game in Chapter 2, you will already have had this initial conversation.)

[QM503] Check for an email from Mr Mycock

Check your email (on your office computer). There will be an email from Mr Mycock. He will tell you that the school owners have cloned her social media page and are allowing her to post to the false social media website. He says that they have provided (fake) feedback to Ada about what she should photograph.

[QM504] Wait for a day and read the response

Check your email (on your office computer). There will be an email from Mr Mycock. He will tell you that the school owners have cloned her social media page and are allowing her to post to the false social media website. He says that they have provided (fake) feedback to Ada that she should photograph the twins.

He also tells you that Ada took several candid shows of the twins and other students which she has hidden on her phone.

[QM505] Watch Ada's Video Diary

Full description = (5) Watch Ada's Video diary for clues on her secret photographs.

View Ada's video of the twins on your computer. You access it by using Miss C's Spyware | Ada Campbell's phone | Video Diary | The Twins.

Note: you can watch the other videos as well, for background information, but this is not required to complete this action.

In the video, Ada admits that she's taken a few candid shots which she has hidden on her phone. You then are able to change the phone settings to show the hidden folders.

[QM506] View Ada's photos

Full description = (6) View Ada's photos and look through the hidden folders

View Ada's candid pictures of the twins on your computer. You access it by using Miss C's Spyware | Ada Campbell's phone | Photos | Candid Photos of the Twins.

Note: you will see another folder as well, named Secret Selfies, that show pictures of Ada nude. You can look at these pictures as well, although this is not required to complete this action.

After you have looked at the photos, you tell yourself that Mycock was right, and that Ada is displaying some voyeuristic tendencies. You wonder what the other girls would make of Ada photographing them in the changing rooms.

[QM507] Find another way to engage with the school's owners

Full description = (7) Find another way to engage with the school's owners - speak with Maxine.

To complete this, you need to complete the first 4 actions in Maxine's "Pride and President" student quest ([QMAX01](#) to [QMAX04](#)). At the end of this, Maxine will come to your office with a proposal for the school owners to donate to a charity fundraiser. This quest action will then be completed.

[QM508] Complete Maxine's quest

Full description = (8) Complete Maxine's student quest: Pride and President.

To complete this, you need to complete Maxine's fundraiser week. See actions [QMAX05](#) to [QMAX15](#) in Maxine's "Pride and President" student quest.

As part of this of this, you will need to pass a new school rule allowing girl to wear non-uniform clothing as part of an approved charity fundraiser. This will automatically start Maxine's fundraiser week. This quest action will be completed at the end of the fundraiser week.

[QM509] Mycock is Sending His Secretary to Campus

Full description = (9) You didn't learn much from this set of requests. However, Mr Mycock is sending his secretary to campus to discuss Ada's punishment. Perhaps she will be a fertile source of inside information.

After Maxine's fundraiser week, wait until the following Friday. Mycock's secretary, Miss Reilly Goodhead, will visit. She will attend the school board and demonstrate the new school uniform that has been designed.

[QM510] Find another way to engage with the school's owners

Full description = (10) Reilly has said she will return, with more requests and guidance. She's been tight-lipped so far, but there must be something that can loosen her resolve. COMING SOON.

This is not available in the game yet.

[QM6] Many Hands for Many Bottoms

Description

After the girls received disappointing grades on their history assignment, I had no choice but to punish the entire class. Miss Newman offered to assist me, however, that would mean leaving her own class unattended for a significant period of time. If only I had more fully trained disciplinarians; with a whole team I could punish the girls quickly and efficiently.

Plus, by making the girls experience pain, pleasure and humiliation together I can begin to influence the class's group mentality; focusing their minds not only on their school work but on working together as a team.

[QM600] Unlocking this Quest

This quest is unlocked near the beginning of Chapter 2. If you have not already done so, you need to teach your first class in Chapter 2. During that class, Cassandra will make some pointed comments comparing you to the autocratic monarchs and oppressive regimes you are teaching the class about.

Wait until the following Sunday evening. You will tell yourself that you are going to have to stay up late to mark the essays that you gave the girls about Napoleon.

The following morning (Monday), you will see a scene with Sally before school. You tell Sally that you are a little tired because you had to stay up late marking the history essays. You tell her that the girls did not do well and that you are going to have to punish almost the entire class.

During the day, teach a class. You will then carry out your first class punishment. This involves spanking most of the girls in the class. At the end of the class you will be given the option to get the girls to hold hands or hug. However, when you carry out this event, you will not have enough Class Unity to get them to hug. You will have to get them to hold hands.

Note: the "hug" option will be displayed in red to show that the option is not yet available.

[QM601] Advance Amy's Student Quest

Full description = (1) Amy would make ideal training dummy. Continue punishing her after school and convince her to accept the role. Advance Amy's Student Quest: The Spanking Connoisseur.

To complete this action, you need to raise Amy to level 5 and assign her a role as a practice subject to help train other staff and Prefects in the art of discipline. See Amy's student quest, The Spanking Connoisseur ([QAMY01](#) to [QAMY19](#)) for details.

[QM602] Complete Debbie's Quest Training a Prefect 1

Full description = (2) Debbie has amazing potential but her loyalty cannot be guaranteed. **Complete Debbie's Student Quest: Training a Prefect.**

You need to complete Debbie's student quest Training a Prefect (part 1). To do this, you need to raise her to punishment level 6 and tell her to give you a blowjob. You should then warn her when you are about to cum. Afterwards, you will speak to Debbie and agree to make her your apprentice. For details, see [QDEB101](#) to [QDEB104](#).

The following day, you will see a special scene with Debbie at the start of the afternoon. Debbie wants to spank a girl, but you tell her that she needs some formal training before she can punish the other girls. This action will then change to [QM603](#).

[QM603] Reward Debbie to Keep her on Side

Full description = (2) Debbie has amazing potential but her loyalty cannot be guaranteed. Reward her to keep her on side. **Advance Debbie's Student Quest: Training a Prefect 2.**

You need to complete the first step of Debbie's student quest, Training a Prefect – Part 2 ([QDEB21](#)) by having a threesome with Debbie and Rachel.

To do this, you first need to fully complete Rachel's first student quest, "The Headmaster's Pet" ([QST02a](#) and [QST02b](#)). You then need to progress Rachel's second student quest, "The Headmaster's Pet: Part 2" until Debbie and Rachel have a threesome with you. See [QRAC201](#) to [QRAC203](#).

[QM604] Advance Claire's Staff Quest

Full description = (3) Claire has the potential to be a decent disciplinarian, continue her training. **Advance Claire's Staff Quest: Training Miss Potts.**

You need to complete Miss Potts' first staff quest, Training Miss Potts ([QPOT1](#)) and steps [QM601](#) and [QM603](#) of this quest (which involves progressing the student quests for Amy and Debbie).

Miss Potts will then visit you the following morning. She tells you that she has reflected on how she treated Mary unfairly, and that she is ready to continue her training to become a disciplinarian.

Once Miss Potts has spoken to you, the ability to hold after school staff training sessions is unlocked.

[QM605] Hold Staff Training Session 1

Full description = (4) Claire and Debbie are ready for training and Amy is willing to act as training dummy. Don't order any girls to your office for punishment and **hold a Staff Training Session**.

In the evening, when you are asked if you wish to summon a girl for punishment, choose the after school staff training option.

Note: You can only hold a staff training session if no other girls have been ordered to your office. For example, if you taught a class that day and ordered a girl to be punished after school, you will not be able to hold a staff training session

You will then teach your first staff training session with Miss Potts and Debbie. They will both practice giving a hand spanking to Amy. At the end of the session, Miss Potts tells you that something is bothering her. You agree to visit her at her apartment later.

[QM606] Claire has Concerns

Full description = (3) Claire has concerns about her training. Find out what they are before the next lesson. **Advance Claire's Staff Quest: Training Miss Potts – Part 2.**

In the evening, visit Miss Potts' apartment. You can visit her any night (including weekends) except Wednesday. You can choose to say "I am here to see you" or "I am here for your training". That affects the dialog and the scenes you can see, but the quest action will complete regardless of what you choose.

During your visit, you will discuss Claire's concerns about Debbie, and the sexual nature of your punishments. Claire says she is anxious about providing sexual pleasure to the girls herself.

If you previously said "I am here to see you", you will take Claire to bed and make love with her. If you said "I am here for your training", you will decide whether to take her to bed, or bend her over the table before you spank and fuck her. Regardless of which option you choose, you will get +1 influence.

This will unlock actions [QM607](#) and [QM608](#).

[QM607] Claire Needs to Experience Discipline by Other Women

Full description = (3) Claire needs to experience discipline at the hands of other women. **Advance Claire's Staff Quest: Training Miss Potts – Part 2.**

You need to progress Claire's staff quest, Training Miss Potts – Part 2 by getting the Twins to punish Miss Potts.

If you have not already done so, you need to complete Heels and a Handbag ([STW07](#)), where the Twins play a practical joke and strip Miss Potts. You will then see The Twins Public Shaming ([STW08](#)), where the twins get a naked public spanking in front of the other students. See [QPOT204](#) for details of how to complete this.

Note: if you complete the Twins Public Shaming after you have visited Miss Pott's apartment to discuss her concerns (QM606), then there is another step you need to do. You need to visit Miss Potts at her apartment again.

You can choose to either say "I am here for you", or "I am here for your training". However, during the visit you must discuss "a punishment from the twins". You will then be able to complete the rest of this event.

If you have not already done so, you also need to complete Drama Night 2 before you can continue with this quest. To do this, you need to visit the gym in the sports center on Wednesday evening. You will see Emily giving out new costumes for the school play.

On Wednesday evening, go to the gym in the sports center. You will see the girls rehearsing for the play again. You will see them using a rope and pulley system with a harness to allow them to lift Donna into the air.

After the rehearsal, the twins will punish Miss Potts. This includes spanking her with a crop, tickling her, anally penetrating her with a rubber penis, and using a vibrating wand on her. At the end of the punishment the twins forgive Miss Potts. You will get +1 influence.

[QM608] Continue Staff Training Sessions (Session 2)

Full description = (4) Claire and Debbie are ready for training and Amy is willing to act as training dummy. Don't order any girls to your office for punishment and **hold a Staff Training Session.**

In the evening, when you are asked if you wish to summon a girl for punishment, choose the after school staff training option.

Note: You can only hold a staff training session if no other girls have been ordered to your office.

You will then give Miss Potts and Debbie another training session. They will both practice spanking Amy with a ruler. At the end of the session, you tell Debbie that she needs to be able to make a lot of woman orgasm. You tell Debbie she needs to practice cunnilingus on Amy. Amy says that her friend Tia will be there as well.

[QM609] Debbie has Homework to Do

Full description = (2) Debbie has homework to do and needs another reward. Advance Debbie's Student Quest: Training a Prefect 2.

After you have completed the second staff training session, you need to spy on Amy's room twice. You will see Debbie practicing cunnilingus with Amy and Tia. The first time, Amy and Tia will give Debbie a big orgasm. The second time, you will see Debbie practicing cunnilingus on Tia and Amy. (See [QDEB24](#) and [QDEB25](#) for details of the spy events where Debbie is practicing cunnilingus.)

If you have not already done so, you also need to complete the first dildo training session with Rachel. This involves buying some dildos before holding the dildo practice session. (See [QRAC205](#) and [QRAC206](#) for details of buying the dildos and holding the practice session.)

During the day, use your office phone to summon Debbie and Rachel to your office. You will give Debbie a wearable dildo and she will fuck Rachel at the same time as Rachel is giving you a blowjob. (See [QDEB27](#) for details about the threesome with Debbie.)

Note: you only need to complete Rachel's first practice with the small dildo. You do not have to complete any of her additional dildo practice sessions.

Once you have completed this action you can hold the third after school staff training session ([QM610](#)). You do not need to complete Miss Potts' punishment by the twins ([QM607](#)) before you hold the third training session.

[QM610] Continue Staff Training Sessions (Session 3)

Full description = (4) Claire and Debbie are ready for training and Amy is willing to act as training dummy. Don't order any girls to your office for punishment and hold a Staff Training Session.

In the evening, when you are asked if you wish to summon a girl for punishment, choose the after school staff training option.

Note: You can only hold a staff training session if no other girls have been ordered to your office.

You will then give Miss Potts and Debbie another training session. You demonstrate how to give to perform a proper body search on a girl.

Miss Potts and Debbie then practice doing a body search on Amy. Debbie is rude to Miss Potts, and you say you will punish Debbie the following day. You then have sex with Amy while Debbie watches.

[QM611] Still Much to Learn

Full description = Claire and Debbie still have much to learn before they are fully fledged disciplinarians. COMING SOON.

Once you have completed the body search training session and had sex with Amy, then you have reached the current end of this quest.

[QPOT2] Teaching Miss Potts: Part 2

Description

When I first arrived at school, the English teacher, Claire, was unable to control her class and the disruption was affecting the entire school. By taking on the role of Claire's mentor and disciplining her myself, I was able to show by example how to dominate the students and make them behave.

Unfortunately, the usually quiet and timid teacher enjoyed her newly discovered dominant side a little too much. Drunk on power she abused one of the twins, Mary, with an excessive and unwarranted punishment. I punished Claire myself to make sure that wouldn't happen again.

I also decided to give her formal disciplinary training, so that future punishments would be of the highest standard. But how will the straight woman perform when it comes to sexually pleasuring the girls? How will our sexual activities with the students affect our own relationship?

[QPOT200] Unlocking this Quest

You will need to complete Miss Potts' first staff quest, Teaching Miss Potts (Part 1). This involves carrying out several evening training sessions with her, including watching her give a poor punishment to Mary, and then giving Miss Potts a deliberately bad punishment in your office.

You also need to raise Amy to Punishment Level 5 and make her your practice subject, and raise Debbie to Punishment Level 6 and agree to make her your apprentice. You also need to carry out your first class punishment. See [QPOT1](#) for details.

Miss Potts will visit you in the morning. She tells you that she has reflected on how she treated Mary unfairly, and that she won't make the same mistake. She says she is ready to continue her training to become a disciplinarian. At the end of the meeting, this quest will unlock.

Note: The Potts Penalty

During every weekday evening, you will get a message about whether Miss Potts was able to control her class or not. If she was unable to control her class, you will lose -1 discipline.

The penalty will stop once the Twins have punished Miss Potts ([QPOT206](#)) and you have completed the three staff training sessions ([QPOT207](#)).

For more details about how the Potts Penalty is calculated, please see [REFR03](#).

[QPOT201] Hold a Staff Training Session

Full description = (1) After Claire's disastrous first punishment with Mary, she clearly needs more training. I need to **make sure no girls are sent to my office for punishment** so I have free time, then I need to **hold a staff training session**.

In the evening, when you are asked if you wish to summon a girl for punishment, choose the after school staff training option.

Note: You can only hold a staff training session if no other girls have been ordered to your office. For example, if you taught a class that day and ordered a girl to be punished after school, you will not be able to hold a staff training session

You will then teach your first staff training session with Miss Potts and Debbie. They will both practice giving a hand spanking to Amy. At the end of the session, Miss Potts tells you that something is bothering her. You agree to visit her at her apartment later.

[QPOT202] Visit Claire's Apartment in the Evening

Full description = (2) Claire did well in her first training session, although she told me afterwards she has some serious concerns. **Visit her apartment in the evening**.

In the evening, visit Miss Potts' apartment. You can visit her any night (including weekends) except Wednesday. You can choose to say "I am here to see you" or "I am here for your training". That affects the dialog and the scenes you can see, but the quest action will complete regardless of what you choose.

During your visit, you will discuss Claire's concerns about Debbie, and the sexual nature of your punishments. Claire says she is anxious about providing sexual pleasure to the girls herself.

If you previously said "I am here to see you", you will take Claire to bed and make love with her". If you said "I am here for your training", you will decide whether to take her to bed, or bend her over the table before you spank and fuck her. Regardless of which option you choose, you will get +1 influence.

Note: you should visit Miss Potts another night and choose the other reason for visiting her. For example, if you originally chose to say "I am here to see you" then you should say "I am here for your training" the second time. This will give you another influence point.

[QPOT203] Meet After the School Play Rehearsal

Full description = (3) I need a plan to convince Claire to let the twins punish her for mistreating them. I should **visit the school play rehearsal on Wednesday evening.**

You need to complete Drama Night 2. Visit the gym in the sports center on Wednesday evening. You will see Emily giving out new costumes for the school play. Miss Potts will ask if you want to stay and watch the rehearsal of the first act. You can agree or disagree, but this action will unlock regardless of which option you choose.

[QPOT204] Wait for the Twins to Get in Trouble

Full description = (3) Give Claire experience at being punished by other women. Perhaps she can be convinced to let Mary get even with her. **Wait for the twins to get in trouble.**

If you have not already done so, you will need to complete the Twin Swap events Part 1 to Part 6 ([STW01](#) to [STW06](#)). This includes spying on the twins and finding out that they intend to cheat on a test. They then get punished. You will then inspect Mary before you teach a class.

Note 1: if you start a game in Chapter 2, you will have already completed these actions.

During the week, teach another class. Louise will speak with you, and tell you she is worried about Mary and angry about Miss Potts. You tell yourself that the next time the twins get in trouble, you will have Miss Potts come to your office instead of Sally.

Note #2: Depending on your progress with other quests in the game, you may see other classroom scenes before Louise complains to you.

If you have not done so, pass the "Strip to Underwear" Corporal Punishment rule at the Friday school meeting. You will need 55 Discipline and 10 Influence.

The following Friday Morning, this event will automatically happen. Miss Potts will see Mary crying, but it is just a trick to allow the Twins to strip Miss Potts naked and leave her wearing nothing but her heels and her handbag.

Afterwards, you will automatically attend the Friday board meeting. Miss Potts will propose (and pass) a rule allowing you to strip the twins naked after their punishment. After school, you and Miss Potts will automatically punish Mary and Louise. They will then be displayed naked in front of the entire school.

[QPOT205] Speak with Claire at her Apartment

Full description = (3) Give Claire experience at being punished by other women. Perhaps she can be convinced to let Mary get even with her.
Speak with Claire at her Apartment.

Note #1: You will only need to complete this action if you completed the Twins public punishment (QPOT204) after speaking to Miss Potts (QPOT202). If you completed the Twins public punishment first, you will not see this action. You will also need to complete Drama Night 2 (QPOT203) before you can complete this action.

In the evening, visit Miss Potts' apartment. You can visit her any night (including weekends) except Wednesday.

Note #2: you can choose to say "I am here to see you" or "I am here for your training". That affects the dialog and the scenes you can see, but the quest action will complete regardless of what you choose.

During the visit, choose to discuss "a punishment from the twins".

[QPOT206] Meet After the School Play Rehearsal

Full description = (3) In order to prove that even straight girls can gain sexual pleasure when being punished by another woman, I convinced Claire to let the twins punish her for mistreating them. I should **meet with them after the school play rehearsal on Wednesday evening.**

On Wednesday evening, go to the gym in the sports center. You will see the girls rehearsing for the play again. You will see them using a rope and pulley system with a harness to allow them to lift Donna into the air.

After the rehearsal, the twins will punish Miss Potts. This includes spanking her with a crop, tickling her, anally penetrating her with a rubber penis, and using a vibrating wand on her. At the end of the punishment the twins forgive Miss Potts. You get +1 influence.

[QPOT207] Continue the Staff Training Sessions

Full description = (4) Claire's punishment from the twins proved to her that it was possible for straight women to gain sexual pleasure when being punished by a female disciplinarian. This should give Claire the confidence needed to try pleasuring the students herself.

However, will she be up to performing the task? I should **continue the staff training sessions** and wait for the opportunity to test her skills.

To complete this, you need to carry out the second and third after school staff training sessions. See [QM608](#) and [QM610](#) for details. This action will then be shown as completed.

[QPOT208] End of Miss Potts' Story Line

Full description = You've reached the end of Miss Potts's story line for this update.

Once you have completed the third staff training session, you have completed Miss Potts' story line for this update.

[QSAL2] Sally Learns the Ropes (Chapter 2)

Description

Initial Description:

Sally is already an accomplished disciplinarian and you think she might be ready to learn some of your advanced teaching methods.

Once you have started The Headmaster's Pet Part 2 (see [QSAL205](#)):

Sally has accepted the need to sexually touch the girls during their punishments. She now needs to be shown more advanced ways of providing pain, humiliation and pleasure.

[QSAL201] Using Comparison Humiliation

Full description = New lesson: using comparison humiliation. **Advance Rachel's student quest: The Headmaster's Pet.**

To unlock this action, you must give Sally a Demonstration of Your Skill ([QSAL115](#)). You then must give her a private punishment at level 4 and get her to feel Sally's breasts.

You will complete the first part of Rachel's quest in Chapter 1 of the game. As a minimum, you will need to raise Rachel to level 3 and make her your assistant, but you are able to raise her to level 4.

However, you will need to start Chapter 2 of the game before you can complete the rest of this action. You start Chapter 2 once you have successfully completed the main quest "A Man's Work" ([QM3](#)).

Once you have started Chapter 2, you will need to pass the "strip to underwear" rule and then give Rachel a private punishment in your office when she is at level 4. At the start of this punishment, you will get Rachel to feel Sally's bare breasts. This action will then be completed.

Note: you can raise Rachel to Punishment Level 5 during her after-school punishment. This is not required to complete this quest action but you will need to do so later in this quest, so it is a good idea to raise her now.

For details of how to raise Rachel to level 4, see [QRAC107](#) to [QRAC113](#). For details of how to complete the remaining actions and raise her to Level 5 (once you have started Chapter 2), see [QRAC115](#) to [QRAC118](#).

[QSAL202] Staff can Enjoy Themselves Too

Full description = New lesson: staff can enjoy themselves too. Look for an opportunity to punish Liz in your office.

You will need to give Liz a private punishment in your office.

To do this, you will need to pass the Strip to Underwear rule, and you must have horniness 6+. You then need to teach classes until you see an event where Liz looks distracted and then drops her pen. Choose "let me get that for you" and pick up Liz's pen. After class, you will finger her.

Teach classes until you see Liz being distracted again, or ask Liz an easy (or hard or impossible) question during the Friday pop quiz. Choose to punish her after school. See [QLIZ00](#) to [QLIX03](#) for details.

You should then raise Liz to Punishment Level 2 during her after-school punishment, and then choose to discuss sexting with her. In the evening, you should spy on Liz's room. You will see her talking to Harriet and Emily. Liz will then text you and send you a video of her masturbating.

After you have received Liz's sext, visit Miss Newman's apartment in the evening. You discuss Liz's punishment with Sally. You tell her it would be useful if Sally could show Liz how a woman can be sexy while still remaining full dressed. You then offer to buy a new outfit for her. This will unlock the next part of Sally's quest ([QSAL209](#)).

At the end of the following weekday, you will phone Mr Mykock. You tell him you want to purchase a new outfit for Sally. Mykock says that he will send a suitable dress to you.

See [QLIZ04](#) and [QLIZ05](#) for more details about spying on Liz, sexting with her, and discussing Liz's punishment with Sally.

[QSAL203] Student Service Punishments (Priti)

Full description = New lesson: student service punishments. **Complete Priti's student quest: The Reluctant Rebel.**

To complete this action, you need to raise Priti to level 5. This involves completing almost all of Priti's student quest, The Reluctant Rebel ([QPRI](#)). See actions [QPRI01](#) to [QPRI27](#) for details.

Note: during Priti's student quest, you can choose to help Priti without punishing her (the "desires" path), or by punishing her. Regardless of which option you choose, you can choose to punish her (or not) when raising her to level 5.

Fun note: If you choose to punish her, then the punishment will end with Sally fingering Priti and then helping Priti to give you a handjob. However, if you do not need to choose this option if you do not want to.

[QSAL204] The Power of Plastic (Headmaster's Pet 1)

Full description = New lesson: the power of plastic. **Advance Rachel's student quest: The Headmaster's Pet.**

You must complete Rachel's first quest, The Headmaster's Pet ([QRAC1b](#)) by raising Rachel to level 7 and giving her a promotion to make her your P.E.T.

You should have already raised Rachel to level 5 (see [QSAL201](#)). To raise Rachel to level 7, see [QRAC119](#) to [QRAC127](#). Once you have promoted Rachel, she will then speak to you at the start of the following day. This will start Rachel's new student quest, The Headmaster's Pet Part 2 ([QRAC2](#)). This action will then be completed.

[QSAL205] The Power of Plastic (Headmaster's Pet 2)

Full description = New lesson: the power of plastic. **Advance Rachel's student quest: The Headmaster's Pet Part 2.**

You will need to raise Rachel to level 8. This involves inserting a dildo into Rachel's vagina. See [QRAC207](#) for details about completing this punishment.

[QSAL206] Student Service Punishments (Rachel)

Full description = New lesson: student service punishments. **Advance Rachel's student quest: The Headmaster's Pet Part 2.**

To complete this action, you must get Rachel and Sally to join you in the shower after a sports class.

To do this, you must complete part of Rachel's second quest, The Headmaster's Pet Part 2 ([QRAC2](#)). This involves having a threesome with Debbie and Rachel and completing Rachel's dildo training. If you have not already done so, you need to have sex with Sally in the shower on a Thursday afternoon ([QSAL115](#)).

You then need to teach several sports classes until you complete the fifth match, where Charlotte's team play bottomless. At the end of this match, Rachel and Sally will shower with you, and they will then rub their breasts against your cock until you cum.

See actions [QRAC201](#) to [QRAC209](#) for details.

Game note: in the current version of the game, Rachel needs to have completed her dildo training before she can have the shower with Sally, but she does not need to be at level 8. However, parts of the dialog assume that Rachel is at level 8. (See [QRAC207](#) for details about raising Rachel to level 8.)

[QSAL207] Staff Don't Get Immunity

Full description = New lesson: staff don't get immunity. **Advance Rachel's student quest: The Headmaster's Pet Part 2.**

To complete this, you need to open the pool and raise Rachel to punishment level 9 (See Rachel's Student Quest, [QRAC211](#) to [QRAC213](#), for details). This involves inserting a dildo into Rachel's ass.

Game note: if you complete the previous action ([QSAL206](#)) when Rachel is only at Level 8, then this action will not immediately be shown in the quest log. Instead, you will need to raise Rachel to level 9 and discuss the anal dildo with Sally at the end of the punishment before this action will be displayed.

The following morning you will see a scene where you give Sally a copy of the poolside safety rules.

In the afternoon, teach a football class. After your class, you will discover that Sally disobeyed your orders and did not read the safety rules to her class. You punish Sally by giving her a spanking with the paddle and then giving her a hard anal fucking in front of Rachel.

[QSAL208] The Power of the Penis

Full description = New lesson: the power of the penis. Sally needs to be initiated into your most powerful methods. **Complete Rachel's student quest The Headmaster's Pet Part 2.**

To complete this quest action, you must fully complete Rachel's student quest by raising her to punishment level 10 and having sex with her. You will then have a threesome with Sally and Rachel.

See [QRAC215](#) and [QRAC216](#) for details.

[QSAL209] Advance Liz's Student Quest

Full description = Sally has proven invaluable to making your methods effective. Advance Liz's student quest **A Lucky Streak** to discover more of Sally's potential.

To complete this action, you must see Liz streaking at the cafeteria, hold a line-up to identify Liz as the streaker, punish Liz and raise her to Level 4, and then give her a naked punishment in the courtyard in front of the other students.

You should have already raised Liz to punishment level 2, sexted with her, and then discussed Liz with Sally (see [QSAL202](#)). You then need to give Liz a corporal punishment in class. During this punishment, you will strip her naked and bring her to orgasm. This will raise Liz to punishment level 3.

You then need to visit the dorms with Samantha and let her watch you do a body search of some of the students, and then make Liz perform a naked public punishment. To do this, you first need to have lunch with Samantha in the cafeteria, visiting her house and helping her with her garden, and passing the body search and strip to underwear for public punishment rules. For details, see [QSAM00](#) to [QSAM10](#).

After you have done this, you need to visit Samantha at her desk and decide whether to give her a body search when Ruth accuses Sam of stealing her crucifix. You then need to visit Samantha at her house and explain your disciplinary methods to her. See [QSAM11](#) to [QSAM14](#) for details.

After you have done this, have another lunch with Samantha. Sally will join you. While you are having lunch, a stalker runs past. You then arrange to have a suspect line-up. Ruth accidentally decides Samantha is the stripper, but you then correctly identify Liz as the culprit.

You then need to punish Liz and raise her to Punishment Level 4. This punishment will involve Sally changing into her new uniform.

This action will happen immediately after the previous action. Sally will change into her new uniform. She then gives you a note from the school owners. It says that Sally's new dress will become more transparent when Sally becomes sexually excited. It also says that Sally has been offered a promotion to deputy headmistress. You then tell Sally that you will test her new dress by punishing Liz.

Liz will start this punishment at Level 3. She is already naked. Position her with hands above her head, use the camera to take pictures, and then forcefully molest her. Put her in the diaper position, give her a ruler spanking, and then rub her clit with the tip of your penis. Position her on her knees, slap her face with your penis and then ejaculate in her mouth. You will then get a message saying that you have raised her to the next level (Level 4).

At the end of the punishment, you tell Liz that she will be doing her corner time in public, standing in the courtyard. You also punish April, Cassandra and Alice for persuading Liz to streak. The three girls are wearing non-regulation underwear so they are forced to strip naked for their punishment. The other girls admire Sally's new dress. You will get +6 discipline and +1 horniness.

At the end of the punishment, you will have sex with Sally in your office while Liz watches you.

[QSAL210] Discuss Sally's Potential Promotion

Full description = The vote of confidence from the school's owners is well-deserved. Discuss Sally's potential promotion with her.

At the end of the punishment, you will have sex with Sally in your office while Liz watches you. You then discuss Sally's promotion with her, but Sally says that she doesn't think she's capable of being a deputy headmistress.

The dialog will change depending on whether you have raised Rachel to level 10 and had sex with her ([QSAL208](#)). During that event, Sally tells you she has dyslexia. If you haven't completed Rachel's quest, you tell yourself that Sally is keeping something from you. If you have completed Rachel's quest, then you tell her that she can't allow her learning disability to hold her back.

If you have not already done so, you will need to complete Rachel's quest by raising her to Punishment Level 10 and having sex with her.

After you have completed Rachel's quest and punished Liz in the courtyard, then the following morning Sally will speak to you before school. She tells you that she is ready to accept the promotion. You say that you don't want to announce her promotion just yet. You say that Ruth will be giving the girls a mock exam shortly and you don't want anybody to be distracted by the news.

[QSAL211] End of Story Line

Full description = You've reached the end of Miss Newman's story line for this update.

Once Sally has told you she is willing to accept the promotion to Deputy Headmistress, then you have completed Sally's current story line.

[QSAM] Samantha: A Secretary's Reputation

Description

Initial Description

My secretary, Samantha, is a professional and responsible young woman and her job is clearly very important to her. Soon after taking over as headmaster, I invited her out for dinner at her favorite local restaurant.

Arriving at work the next morning I overheard her talking with her sister, Lily, who immediately assumed we had been on a date. Realizing that other people might make the same assumption too; Samantha began to fear the effect such gossip might have on her professional reputation.

When I asked her out to dinner a second time she politely declined. Although disappointed, I respected Samantha's concerns and I did not press the issue. I could only hope that she would change her mind once she had the chance to get to know me better. Perhaps once I opened the cafeteria we could start eating lunch together at school.

Once you have had a Late Lunch with Sam at the Cafeteria:

My secretary, Samantha, is a diligent employee who wants to be seen as professional and responsible. After a first date at a local restaurant, she began to fear that people were gossiping about us and worried about her professional reputation. I promised to open the cafeteria so we could start eating together at school without worrying about appearances.

As part of the new cafeteria manager's job interview, Samantha had her first direct experience of my disciplinary methods. Based on her reaction, it was clear that she wasn't entirely comfortable with girls being stripped and spanked in front me.

Although I don't exactly know what I ultimately want from Samantha, be it friendship, romance or simply unquestioning obedience, one thing was very clear; I needed to earn her complete trust if she was going to keep an open mind about my advanced disciplinary methods. I decided that solving Samantha's domestic issues would be a good place to start.

[QSAM00] Unlocking this Quest

To unlock this quest, you will need to have your first date with Samantha, and then you will need to ask her for a second date.

If you have not already done, so go to the school office and speak to Samantha when she is sitting at her desk. Asker her about "the local area" and then "ask her out for dinner". That evening, you will go on the date with Samantha.

You can choose whatever options you want. But to get the best outcome, you should complement her outfit, order the house red, and choose to have the same as Samantha. Ask about her interests, and then say that you are keen on home improvements. Ask about her sister and her love life. Arabella, your waitress, will then bring the wrong order. You should choose to "Intervene" and then "go check it out". You will see Arabella about to be spanked by her Patricia. Open the door a little further, and then say that "actually, I do mind".

At the end of the meal say that it was delicious and then pay for everything. The bill will be \$60. Samantha will kiss you and you'll say that you thought dinner went very well.

Note #1: if you press "skip day", you will not go on the date. (Pressing "skip period" is OK.) You will still get the date on any following day where you don't press "skip day".

Note #2: If you choose other options, then you might not get a good outcome from the date. Sam might not kiss you, or she might leave the date in a hurry. In addition, some of the other options e.g. ordering the expensive bottle of wine mean that the total cost of the date might be more.

The morning after your date with Samantha, you will get a scene where Samantha is talking to Lily, her sister. Lily asks about her date with you.

Speak to Samantha again, and choose to "ask her out for a second date". Sam will refuse, because she is worried about what people will start saying. She is worried that people will gossip if she starts going on dates with her boss. The quest is then unlocked.

[QSAM01] Convince the School Board to Let You Punish the Girls

Full description = (1) Convince the school board to let you punish the girls yourself, then you can find a way to help Samantha.

You will need to start Chapter 2 of the game. This involves completing the "A Man's Work" (QM3) main quest and starting the "Leave No Girl's Behind" (QM4) main quest.

[QSAM02] Complete Construction of the Cafeteria

Full description = (1) Complete construction of the cafeteria using the construction menu on your computer.

Buy the "Cafeteria" from the Upgrade Facilities option on your computer. It will cost \$5,000. It takes a week before the cafeteria is ready. If you have not already done so, you will need to complete Maxine's Demand ([PAP02](#)).

You will also need to recruit Patricia Taylor, the Restaurant Manager, to run the cafeteria. Once you have started to build the cafeteria, Samantha will speak to you and say she noticed that workmen started work in the cafeteria this morning. You tell her you are thinking about finding the right candidate to run the kitchen.

The next day, Patricia (the owner of the restaurant you took Samantha to) and Arabella (her daughter) visit you. You agree to enroll Arabella in the school in return for Patricia managing the school cafeteria. You then will ask Patricia to spank either Samantha or Arabella to demonstrate that she knows how to give a good spanking. See the New Dinner Lady ([OFF03](#)) for further details about this scene and the options you can choose.

Note: Make sure that you have completed the paperwork event "Maxine's demand". If you build the cafeteria and recruit the dinner lady, but have not completed Maxine's demand, then Patricia will not actually start.

Instead, when you visit the cafeteria you will get the message: "the cafeteria construction has been completed. I have a restaurant manager now so I just need to wait for her first day of work."

[QSAM03] Wait for the Cafeteria to Open

Full description = (1) Wait for the cafeteria to open and visit it at least once to ensure it is competently staffed.

Once you have built the cafeteria, recruited Patricia and completed Maxine's Demand (see [QSAM02](#)), then in the morning Samantha will tell you that Patricia will be starting work at the new cafeteria, and her daughter Arabella will be starting school as well. Samantha also tells you she has created a rota of students to help Patricia in the cafeteria.

Note: Patricia will not start on a Friday morning. Instead, Samantha will speak to you the following Monday morning.

In the afternoon, go to the cafeteria. The first time you visit the cafeteria, you will see this event. Donna refuses to help in the kitchen, and she is then punished by Patricia while several girls and members of staff watch.

[QSAM04] Join Samantha for a Late Lunch

Full description = (1) Visit the cafeteria on a weekday afternoon and join Samantha for a late lunch.

In the afternoon, go to the cafeteria. Choose "late lunch (eat with Samantha)". You will have lunch with Samantha. Samantha tells you that there is an invasive bush that has taken over her garden. You offer to help Samantha with her gardening. You agree to visit her on Sunday afternoon.

Note: some of the dialog during your lunch with Sam will also change depending on how well your first date with Samantha went, and the choices you made when you recruited Patricia.

[QSAM05] Help Samantha at Home

Full description = (2) Follow through on your offer to help Samantha at home on Sunday, potentially more than once.

On Sunday afternoon, choose to walk to Sam's house. You will spend the afternoon clearing Sam's overgrown garden. You will also see Sam's sister, Lily, sleeping on a swing chair in the garden.

The rest of the scene will depend on how well your first date with Sam went, whether you spanked Arabella or Samantha when you recruited Patricia, and the choices you made during your afternoon talk with Sam after recruiting Patricia. The table below shows the possible outcomes.

Date with Sam	New Dinner Lady	Afternoon Event	Outcome
Dinner went very well (Sam kissed you); or Dinner went pretty well	Patricia spanked Samantha	Either option (ask Sam to dinner or show her your lower half naked).	Sam is friendly
	Patricia spanked Arabella	n/a	Sam is friendly
Date went badly (Samantha left in a hurry)	Patricia spanked Samantha	Show Sam your lower half naked	Sam is friendly
		Ask to take Sam out to dinner again	Sam is upset
	Patricia spanked Arabella	n/a	Sam is upset

If Sam is friendly towards you, she will invite you inside for tea and biscuits. You suggest to Sam that you could discipline her sister. Sam then asks you about your family. You say that you were often disciplined by your landlady when you were younger.

If Sam is upset with you, then you offer to hang out but Sam refuses. You tell yourself you will have to help Sam again next Sunday.

The following Sunday afternoon, choose to walk to Sam's house again. You spend the afternoon clearing Sam's overgrown garden. Afterwards, Sam will invite you inside for tea and biscuits.

[QSAM06] Spy on the Dorms

Full description = (3) Find a reason to convince the school board to allow you to search the student's clothing. **Spy on the dorms in the evening.**

You will need to hold your first School Board meeting in chapter 2. After you have done this, spy on the dorms in the evening. You will get a special scene where you smell Marijuana and you ask Maria Consuelo to do a search.

Maria tells you that she can't find anyone smoking weed. You tell her that this is something you will need to discuss at the school board.

[QSAM07] Pass the Public Punishment in Underwear Rule

Full description = (3) Pass the public punishment rule with the school board where girls must clean the school grounds in their underwear

At the School Board on Friday morning, pass the Public Punishment rule "strip to underwear for public punishment". You will need Influence 10 and Discipline 55 to pass the rule.

Note: if you have not already done so, you will need to pass the earlier public punishment rule "students cleaning the school grounds should be made to wear a punishment outfit" before you can pass the "strip to underwear for public punishment."

[QSAM08] Pass the Body Search Rule

Full description = (3) Help Samantha accept the need to touch the students: convince the school board to allow you to search the student's clothing. **Pass the body search rule.**

After you have smelt Marijuana near the dorms (QSAM06), there is a special scene at the following Friday morning school board meeting where you discuss this incident.

A new Headmaster's Privileges rule "The Headmaster has the right to perform a body search of anyone on campus. Students must raise their skirts and open their shirts to allow for easy access to their underwear" is unlocked. (See REFR06 for further details about unlocking this rule).

Once you have Influence 11 and Discipline 70, pass this rule.

Note: unlocking the Body Search rule will also unlock Liz's student quest, A Lucky Streak (QLIZ). On the Monday after you have discussed the marijuana smell, you will see a scene where you and Sam see Liz sitting on a wall.

You tell Liz to get down from the wall, and she exposes herself to you. Liz's student quest will then be unlocked. See QLIZ00 for more details about unlocking Liz's quest.

[QSAM09] Wait for an Opportunity to Body Search Students

Full description = (3) Help Samantha accept the need to touch the students: wait for an opportunity to body search students in front of Samantha.

You need to raise Liz to Punishment Level 3. To do this, you will need to finger Liz in class, punish her after school and raise her to Level 2, and then give Liz corporal punishment in class (which will raise her to Level 3). The day after Liz has been raised to level 3, you see Liz accepting a dare from April. Liz agrees to flash you in front of other staff members to try and give you an erection and embarrass you. See QLIZ01 to QLIZ06 for more details.

You also need to have tea and biscuits with Sam when you visit Sam's house at the weekend. See [QSAM05](#) for details.

After you have completed these actions, Samantha will speak to you in your office. She says that she thinks she smelt cannabis smoke near the dorms. You ask Samantha to stay after work and retrace her steps with you. You tell her that you will need to thoroughly search any suspicious individuals that you see.

[QSAM10] Visit the Dorms with Samantha

Full description = (3) Help Samantha accept the need to touch the students: wait until the evening and visit the dorms with Samantha.

After Sam has spoken to you about smelling cannabis smoke near the dorms, this scene will automatically happen at the end of the same day. You will visit the dorms with Samantha, and see Liz carrying out April's dare. She pretends to trip on the carpet and exposes herself.

You then do a body search of Liz, April, Cassandra and Alice while Samantha watches. During the punishment, April tells you she is wearing a sanitary pad. If you take her word for it, you will get +2 discipline and +1 popularity. If you pull her knickers down anyway, you will get +2 discipline. You then tell Liz to report to your office after school the next day for an additional punishment.

Note #1: if you press "skip day", you will not visit the dorms with Samantha. (Pressing "skip period" is OK.) Instead, you will visit the dorm on any following day where you don't press "skip day".

Note #2: if you have passed the body search rule, raised Liz to level 3, and had tea and biscuits with Sam, but you have not passed the "strip to underwear for public punishment" rule, then Samantha will tell you about the smell of cannabis smoke. However, you will not visit the dorms with Samantha until you have also passed the "strip to underwear for public punishment" rule.

[QSAM11] Make Liz Perform a Public Punishment in the Nude

Full description = (3) Help Samantha adjust to nudity on campus: wait for Liz to report to your office and make her perform a public punishment in the nude.

Complete the body search of Liz, April, Cassandra and Alice ([QSAM10](#)). At the end of the following day, Liz will automatically report to your office for punishment. You will make her do a public punishment. Because Liz is not wearing any underwear, she will strip naked for her punishment. At the end of her punishment, Liz will give you another handjob.

Note: if you press "skip day" during the day, Liz will not report for punishment. (Pressing "skip period" is OK.) Instead, you will have to wait until the following day and make sure you don't press "skip day".

[QSAM12] Visit Samantha at Her Desk

Full description = (4) Earn Samantha's Trust: Visit Samantha at her desk and check in on her.

Complete Liz's nude public punishment ([QSAM11](#)). To complete this action, you will need to have passed the body search rule ([QSAM08](#)), the strip to underwear for public punishment rule ([QSAM07](#)), raised Liz to level 3 ([QSAM09](#)), and had tea and biscuits with Samantha at her house ([QSAM05](#)).

During the week go to the office. You will see Ruth accusing Sam of having stolen Ruth's crucifix. Ruth asks you to carry out a body search on Samantha.

You can agree to search her, or you can refuse. If you agree, then you will give Samantha a body search. Regardless of whether you gave her a body search or not, Nina will then enter the office and say that she found Ruth's crucifix outside.

If you refused to search Samantha, see [QSAM14](#) for the next step. If you gave her a body search, see [QSAM13](#).

[QSAM13] Make up for Your Poor Treatment of Samantha

Full description = (4) Earn Samantha's Trust: Visit Samantha's house on Sunday and make up for your poor treatment of her with hard labor.

Note: you will only see this action if you carried out a body search of Samantha when Ruth asked you (see [QSAM12](#)).

On Sunday afternoon, choose to walk to Sam's house again. You tell yourself that Sam is still upset with you for doing the body search on her, and that you need to re-earn some lost trust. You will spend the afternoon working on Sam's garden before collapsing, exhausted. Sam then says that she forgives you.

Sam then invites you to stay for dinner, but you say you are exhausted and ask to take a rain check until next weekend.

[QSAM14] Explain your Disciplinary Methods to Samantha

Full description = (5) It's time to explain your disciplinary methods to Samantha. Visit her house on Sunday to help with her garden and to join her for dinner afterwards

On Sunday afternoon, choose to walk to Sam's house again. You will continue to clear Sam's garden. Sam's sister, Lily asks several questions about the corporal punishments you give to the girls at the school. She then decides to do some topless sunbathing while you work on the garden.

You will then take a shower and put on an old robe that Sam gives you. You can "accidentally" expose yourself to Sam, or you can respectfully keep your legs together. If you expose yourself, then Sam will decide to flash you.

You then have dinner with Sam. You then explain the basic principles of your disciplinary methods to Sam. Lily arrives and makes you play a drinking game. You can tell the truth or lie. This changes some of the dialog but does not change the outcome of the scene.

You then convince Lily to demonstrate your technique on her. You strip her naked, tie her up, humiliate her, spank her and then massage her.

Afterwards, Sam gives you a hug. You get an erection and Sam starts grinding against your dick. You can suggest moving towards the bedroom, or you can just enjoy the moment, and let Samantha take the lead. If you let Samantha take the lead, she will give you a handjob.

The following morning, you will see Liz accepting another dare from April. You tell yourself that you should keep an eye out for bad behavior around the school.

[QSAM15] Join Samantha for Another Late Lunch

Full description = (6) Join Samantha for another late lunch in the cafeteria on a weekday afternoon.

In the afternoon, go to the cafeteria. Choose "late lunch (eat with Samantha)". You will have lunch with Samantha and Sally. While you are having lunch, a streaker runs past. The streaker then runs into Ruth.

You then arrange to have a suspect line-up of all the girls matching the streaker's height and build. Because there were not enough girls matching the streaker's physical description, Sally persuades Samantha to join the line-up. During the line up, the girls are forced to strip and display their bodies to Ruth. Ruth accidentally decides Samantha is the stripper. Samantha runs away in embarrassment. You will then correctly identify Liz and the streaker and punish her.

[QSAM16] Persuade Samantha Not to Quit

Full description = (7) Visit Samantha's house on Sunday and do whatever it takes to persuade her not to quit.

The following morning, Sam will speak to you in your office. Sam tells you she is going to quit, because she doesn't think she can stay after being humiliated in the line-up. You ask to visit her at her house on Sunday.

On Sunday afternoon, you will automatically visit Sam's house. In order to make Sam feel better, do some more gardening while nude and Sam watches you. Samantha then decides to remove her clothes as well. She agrees not to quit.

Samantha then notices that you have finally cleared a path to her garden shed. You then discover that Lily has been growing cannabis inside Sam's shed. You realize that if you reported this to the authorities, Sam might get arrested as well as her sister.

Note: if you press "skip day" on Sunday morning, you will not visit Samantha's house. (Pressing "skip period" to skip Sunday morning is OK.) Instead, you will have to wait until the following Sunday and make sure you don't press "skip day".

[QSAM17] End of Story Line

Full description = You've reached the end of Samantha's story line for this update.

[QNUR] Nurse Kate: A Nurse Under Pressure

Description

Initial Description

Nurse Kate strikes me as a kind and compassionate woman. She cares deeply about the girls' wellbeing and always makes sure to treat them with dignity and respect. Therefore, I will need to gain significant influence over my staff before I gain further access to the girls' medical examinations.

Once you have read the Medical Screenings email

Nurse Kate strikes me as a kind and compassionate woman. She cares deeply about the well-being of the girls and always makes sure to treat them with dignity and respect.

Unfortunately, the school's owners have volunteered the girls to participate in an embarrassing medical research program and requested that I personally oversee the girls examinations. It seems likely that the nurse will have to compromise on her usual standards of privacy for her patients. I must make things as easy for her as possible by ensuring the girls are fully obedient. I will also need to ensure I have sufficient influence over my staff so that they are accepting of my presence during the girls medical exams.

[QNUR00] Unlocking this Quest

On the first Wednesday (Day 3), Nurse Kate will visit you in your office at the start of the day. You will agree to have medical inspections held on Thursday mornings in the gym. On Thursday morning, go to the gym hall in the Sports Center. You will see the inspection in progress and this quest will unlock.

[QNUR01] Convince the School Board to Let You Punish the Girls

Full description = (1) Convince the school board to let you discipline the girls yourself. **Advance the main quest: A Man's Work.**

You will need to start Chapter 2 of the game. This involves completing the "A Man's Work" (QM3) main quest and starting the "Leave No Girl's Behind" (QM4) main quest.

[QNUR02] Check your Emails for an Important Update

Full description = (1) Check your emails on the office PC for an important update.

You will need to start Chapter 2 of the game. This involves completing the "A Man's Work" (QM3) main quest and starting the "Leave No Girl's Behind" (QM4) main quest. You will also need to have seen the first group medical (QNUR00).

Check your email on your office computer. You will see an email titled "medical screenings. You are told that the school owners have volunteered the girls for a medical research program to investigate their sexual health. This will involve some highly embarrassing medical tests. You decide that these tests should be conducted during the existing weekly group medical.

This unlocks the following three steps (QNUR03, QNUR04 and QNUR05).

[QNUR03] Raise School Discipline to at Least 90

Full description = (2) Raise school discipline to at least 90.

Teach classes and punish students to ensure that your discipline score increases to at least 90. However, if discipline then falls below 90 again, this quest item should still remain completed.

[QNUR04] Raise Influence to at Least 11

Full description = (3) Raise your influence to at least 11.

To gain the influence points, you will need to complete several of the staff quests. See REF01 for a list of all the influence points you can get.

[QNUR05] Find Additional Students to Invite to the School

Full description = (4) Find additional students to invite to the school - advance Amy's student quest: The Spanking Connoisseur.

To complete this event, you will need to recruit Olivia Da'Silva and Jasmine Walker to the school. To do this, you will need to progress Amy's quest until you purchase the magazine that Amy, Olivia and Jasmine posted for. See QAMY07 for details.

Samantha will then speak to you the day after the magazine arrives. She will tell you that two new students will be arriving soon. Olivia will then arrive on the following Monday, and Jasmine will arrive on the following Tuesday.

Note: if you start a game at the start of Chapter 2, you will already have the magazine, so Olivia will automatically arrive. She will usually arrive on day 106 (the second Monday of Chapter 2). Jasmine will arrive the following day.

[QNUR06] Check your Emails on the Office PC

Full description = (5) Once the pre-requisites are met, check your emails on the office PC for another important update

You will need to complete the pre-requisite tasks, which involves raising discipline to at least 90 (see [QNUR03](#)) and influence to at least 11 (see [QNUR04](#)). You also need make sure that Olivia and Jasmine have joined the school (see [QNUR05](#)).

If you have not already done so, you will need to complete the paperwork event Maxine's Demand ([PAP02](#)), where Maxine visits you in your office and demands that you stop the use of corporal punishment.

In the morning, Sam will tell you that Mykock asked you to check your emails. She says that your school has been selected to take part in a medical research survey.

Check your email on your office computer. You will see an email titled "new medical screening requirements for reform schools". The email gives more information about the new health screening, including a requirement for breast examinations and vaginal swabs.

Game note: if you use the 0.16.2 skipper to start a new game, then this second email will be available to read as soon as you read the original "medical screenings" email.

[QNUR07] Visit the Nurse's Office in the Sports Center

Full description = (5) Once the pre-requisites are met, visit the nurse's office in the Sports Centre to discuss the new requirements.

You will need to read the email about the new medical screening requirements ([QNUR06](#)).

Speak the nurse in her office (in the Sports Center) on Monday, Tuesday, Thursday or Friday afternoon. Talk about the "new weekly screening requirements". You tell Nurse Kate to carry out the additional checks during the Thursday morning group medicals. Nurse Kate says that it's too much for her to do on her own. You tell her that Miss Chang, Miss Potts and Miss Newman can help her.

After you have spoken to Nurse Kate, you will speak to Sally as well. You ask her to help make sure the girls line up in a neat and orderly fashion.

Note: if you have not completed other storylines involving the nurse (for example Faye the Faker (OTH11), you may see those scenes first. You may need to visit the nurse again to discuss the group medicals.

[QNUR08] Visit the Gymnasium in the Sports Center

Full description = (6) Visit the gymnasium in the Sports Center on a Thursday morning to review the mandatory medical screening procedures.

On Thursday morning, go to the gym hall in the Sports Center. You will see the new medical inspection in progress. You will get discipline +5, popularity -3 and horniness +1.

[QNUR09] End of Story Line

Full description = You have completed Nurse Kate's story line for this update.

Once you have viewed the new medical screening procedures, you have completed Nurse Kate's story line for this update.

[QDEB2] Debbie: Taming a Prefect (Part 2)

Description

When I first arrived at SLAG Debbie Harris was a known troublemaker. She was filled with anger and was regularly tormenting teachers and fellow students alike. Although all of her previous teachers had written her off as a lost cause, I saw something special about this girl. As I watched her sexually bully Maxine, I realized that she had a natural talent for dishing out pain, pleasure and humiliation. She could be a great asset in controlling the other students as my Prefect.

Using my punishment method I was able to teach Debbie to control her anger and accept the benefits of obedience to authority. She accepted the role of Prefect, but her training is far from over.

[QDEB20] Unlocking this Quest

To unlock this event, you need to complete Debbie's first student quest, Taming a Prefect (part 1). This involves raising Debbie to punishment level 6 and getting a blowjob from her. You will then talk to Debbie and agree to make her your apprentice.

The following day, you will see a special scene with Debbie at the start of the afternoon. Debbie will tell you that a girl refused to show her knickers to Debbie. Debbie wants to spank the girl, but you tell her that she needs some formal training before she can punish the other girls. This quest will then be unlocked.

[QDEB21] Share your Cute Plaything

Full description = (1) Debbie's loyalty cannot yet be fully guaranteed, reward her to keep her on your side. [Share your cute plaything?](#) [Advance Rachel's Student Quest: The Headmaster's Pet](#)

Before you can advance Debbie's student quest, you first need to progress Rachel's quest. Firstly, you need to fully complete Rachel's first student quest, "The Headmaster's Pet". See [QST02a](#) and [QST02b](#) for details.

You then need to progress Rachel's second student quest, "The Headmaster's Pet: Part 2" until Debbie and Rachel have a threesome. This involves doing a body search on Alice, doing a patrol where you see Donna giving Rachel a hard time about her cat ears, and then summoning Debbie and Rachel to your office.

You should say "yes" when you ask yourself if you want Debbie to play with your pet. Rachel and Debbie will then have sex with each other and give you a joint blowjob. See [QRAC201](#) to [QRAC203](#) for details.

If you have unlocked the "Many Hands for Many Bottoms" quest, see [QDEB23](#) for the next action. If you have not unlocked this quest, see [QDEB22](#).

[QDEB22] Hold a Class Punishment

Full description = (2) Debbie enjoyed her playdate with Rachel and is happy for now. Hold a class punishment to encourage better grades.

To complete this action, you need to unlock the main quest "Many Hands for Many Bottoms" ([QM6](#)) by completing the first class punishment. See the section on "unlocking this quest" ([QM600](#)) for details.

In summary, you will need to teach at least one class. On Sunday evening, you will tell yourself that you are going to have to stay up late to mark some essays. The following morning (Monday), you will see a scene with Sally before school. You tell her that the girls did not do well and that you are going to have to punish almost the entire class.

During the day, teach a class. You will then carry out your first class punishment. This involves spanking most of the girls in the class.

[QDEB23] Arrange Formal Disciplinary Training for Debbie

Full description = (2) Debbie enjoyed her playdate with Rachel and is happy for now. Arrange formal disciplinary training for her. **Advance the main quest Many Hands Many Bottoms.**

You need to complete the first two after school staff training sessions. This involves holding your first class punishment, holding the first training session, visiting Miss Potts to discuss her concerns, and then holding the second training session.

For details, see the main quest Many Hands Many Bottoms ([QM6](#)). You will need to complete steps [QM601](#) to [QM608](#).

[QDEB24] Spy on Amy's Bedroom

Full description = (3) I asked Amy to help Debbie become a master at cunnilingus. **Spy on Amy's bedroom** to see how she is getting on.

In the evening, spy on Amy's room. You will see Amy and Tia performing cunnilingus on Debbie, and giving her a very big orgasm. You will get horniness +1.

[QDEB25] Spy on Amy's Bedroom Again

Full description = (3) Amy and Tia taught Debbie my edging technique. **Spy on Amy's bedroom** again to make sure she is practicing it.

The following evening, spy on Amy's room again. You will see Debbie practicing cunnilingus on Tia. You then tell yourself that Debbie also needs to learn how to make a girl cum using a dildo.

[QDEB26] Advance Rachel's Student Quest

Full description = (4) Debbie has been working really hard and deserves another reward. Share your pet again? **Advance Rachel's Student Quest: The Headmaster's Pet**

If you have not already done so, complete Rachel's initial dildo practice. This involves buying some dildos before you have the dildo practice session. See [QRAC205](#) and [QRAC206](#) for details of buying the dildos and holding the practice session.

Note: you only need to complete her first practice with the small dildo. You do not have to complete any of Rachel's additional dildo practice sessions.

[QDEB27] Summon Debbie and Rachel

Full description = (4) Debbie has been working really hard and deserves another reward. **Summon Debbie and Rachel using the office phone.**

During the day, use your office phone to summon Debbie and Rachel to your office. You will give Debbie a wearable dildo. She will then fuck Rachel at the same time as Rachel is giving you a blowjob.

[QDEB28] Advance the Main Quest Many Hands Many Bottoms

Full description = (5) Debbie was grateful for her new toy and remains loyal to your cause. Continue her formal disciplinary training. Advance the main quest: **Many Hands Many Bottoms.**

In the evening, when you are asked if you wish to summon a girl for punishment, choose the after school staff training option.

Note: You can only hold a staff training session if no other girls have been ordered to your office.

You will then give Miss Potts and Debbie their third training session, where you demonstrate how to give to perform a proper body search on a girl.

Miss Potts and Debbie then practice doing a body search on Amy. Debbie is rude to Miss Potts, and you say you will punish Debbie the following day. You then have sex with Amy while Debbie watches.

[QDEB29] You've Reached the End of Debbie's Storyline

Full description = [You've reached the end of Debbie's storyline for this update.](#)

Once you have completed the body search staff training session, then you have completed Debbie's quest in the current version of the game.

[QRAC1b] Rachel: The Headmaster's Pet (Part 1: Chapter 2)

Description

A cute young woman named Rachel keeps falling asleep in lessons. She appears to be addicted to computer games, although you suspect this is merely a symptom of some deeper problem. You will need to learn more about her if you are to help her overcome her addiction. Perhaps you can also find a role for her to help you in the running of the school.

Starting this Quest

In order to complete this part of Rachel's quest, you will need to start Chapter 2 of the game. This involves completing the "A Man's Work" ([QM3](#)) main quest and starting the "Leave No Girl's Behind" ([QM4](#)) main quest.

You will also need to have raised Rachel to punishment level 4 and spied on her room afterwards. See The Headmaster's Pet Part 1: Chapter 1 ([QST02a](#)).

[QRAC115] Strip down to Underwear Rule

Full description = (13) To progress with Rachel you need to convince the school board to let you make the girls strip down to their underwear for punishments

Once you have Influence 10 and Discipline 55, pass the new Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting. If you chose to let Rachel go, see QRAC117 for the next action. If you chose to punish Rachel after school, see QRAC116 for the next action.

Game note: if you choose to teach Rachel a lesson and opened her shirt, then see QRAC116. (It does not matter if you then decided to punish her after school or let her go.)

[QRAC116] Punish Rachel After School

Full description = (13) Now that you can strip the girls to their underwear for punishments, punish Rachel again after school.

You will see this action if you decided to punish Rachel after school when you saw her sleeping in reception for the second time (see [QRAC113](#)). See [QRAC118](#) for details of how to complete her punishment.

Game note: If you have passed the strip to underwear rule before you saw Rachel sleeping in reception, then you will be able to raise Rachel to punishment level 5 when she reports for her punishment after school.

However, if you saw Rachel sleeping in reception before you passed the strip to underwear rule (for example, if you saw her sleeping in reception during Chapter 1), then Rachel will not automatically report for a punishment after school.

Instead, you will need to teach classes until you see Rachel falling asleep again, or ask Rachel a hard (or impossible) question during the Friday pop quiz and then order her to your office after school.

[QRAC117] Catch Rachel Misbehaving and Punish Her Again

Full description = (13) Now that you can strip the girls to their underwear for punishments, catch Rachel misbehaving in class and punish her again.

You will see this action if you saw Rachel sleeping in reception for the second time (see [QRAC113](#)) and decided to let her go.

Teach classes until you see Rachel falling asleep again, or ask Rachel a hard (or impossible) question during the Friday pop quiz. Order her to your office after school. See [QRAC118](#) for details of how to complete her punishment.

[QRAC118] Raising Rachel to Level 5

(Note: This is part of the same action as [QRAC116](#) / [QRAC117](#). For clarity it has been split into a separate part.)

When Rachel arrives at your office, choose to give her a private punishment. At the start of the punishment, you will say to yourself "OK Rachel, time for your training to really kick up a notch".

Rachel will start this punishment at Level 4. Order her to strip to her underwear. Because Rachel isn't wearing a bra, this will mean she is just wearing her panties. Sally will also strip to the waist in order to make Rachel jealous.

Position her with hands above her head and then pinch her nipples and lick her nipples. (It doesn't matter if you do this or Sally does it.)

Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over the knee and massage her thighs (or rub her pussy). You will then get a message saying you have raised her to the next level (level 5).

At the end of the punishment, talk to Rachel about the Test of Confidence. You will tell her to shower with the other girls.

[QRAC119] Spy on Rachel Showering

Full description = (14) Spy on Rachel showering with the other girls.

In the evening, spy on the shower room. You will see her take a shower with the other girls and this event will unlock.

[QRAC120] Teach a Sports Lesson on Thursday

Full description = (15) Teach a sports lesson on a Thursday afternoon.

On Thursday afternoon, teach a sports lesson. Rachel asks to see your boner and then masturbates you.

Note: you can complete this action before you have spied on Rachel showering (QRAC119).

[QRAC121] Catch Rachel Falling Asleep

Full description = (16) Catch Rachel falling asleep again and give her a private punishment.

Teach classes until you see Rachel falling asleep again, or ask Rachel a hard (or impossible) question during the Friday pop quiz. Choose to give her a private punishment. You will tell yourself "now that Rachel is comfortable being naked when we are alone together I think it's time to help her have her first orgasm."

Rachel will start this punishment at Level 5. Order her to strip to her underwear. Position her with hands above her head and then pinch her nipples and lick her nipples.

Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over the knee and give her a hand spanking and rub her pussy. You will then get a message saying you have raised her to the next level (Level 6).

At the end of the punishment choose to give her Special Homework Assistance. She will masturbate on your desk and you will agree to "help" her that evening.

Note: if you have not completed the locker room "boner rule" scene (QRAC120), then you will not be able to give Rachel the Special Homework Assistance.

[QRAC122] Visit Rachel's dorm room at night

Full description = (17) Visit Rachel's dorm room at night and climb in through the window.

In the evening, spy on Rachel's room. You will climb into her room and help her achieve her first orgasm. She will then masturbate you. You will then fall asleep and not wake up until the morning.

Note: if you have not completed the Test of Confidence (QRAC118), then you will not be able to complete this action. When you try to spy on Rachel, you will discover that she is not in her room.

Instead, you must spy on the shower room and complete the Test of Confidence first. You should then spy on the dorms the following evening. You will then be able to complete this action.

[QRAC123] Teach a Class

Full description = (18) Teach a class and make sure that Rachel doesn't fall asleep.

Teach a class. You will notice that Rachel is "bright eyed and bushy tailed". After the class the girls will discuss a new DLC for Rachel's game that adds adult content and means the winning character can have sex with the losing character. Rachel will tell you she intends to masturbate that evening to help her sleep.

[QRAC124] Make Sure Rachel's Gaming Addiction is Cured

Full description = (19) Spy on Rachel's room and make sure she is cured of her gaming addiction.

In the evening, spy on Rachel's room. You will see her playing her game. Choose to "distract her" and then "distract her again". She will lose the game and her computer character will be forced to have sex with the winner. Rachel will start to masturbate as she watches the scene.

The following morning, you will see Rachel sleeping in reception again.

You can choose whatever options you want, but for the full scene, choose to "teach her a Lesson", and then "wait for someone else to find her". Sally, Izzy and Samantha will humiliate Rachel, and then Sally will insert a butt plug in Rachel.

Fun note: if Sally inserts the butt plug, then in the morning, you will see Rachel's follower icon appear on the screen. If you click on it you will get

a short scene where Rachel tells you she is having the worst morning ever.

If you choose to insert the butt plug, see [QRAC125](#). If you didn't insert the butt plug, see [QRAC126](#).

Note: if you teach a class in the morning, you will see a scene with Rachel, but the scene is different depending on whether you decided to insert the butt plug or not.

[QRAC125] Teach a Class

Full description = (20) Teach a class and find a reason to give Rachel a private punishment in your office.

In the morning, teach a class. You will notice that Rachel looks rather uncomfortable, and that it's nearly time to give her a promotion.

In the afternoon, Rachel will come to your office and ask you to remove the butt plug. She will then spend the afternoon sleeping naked in your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment. See [QRAC127](#).

Note: you do not actually need to teach a class in the morning, but it helps to develop the story.

[QRAC126] Give Rachel a Private Punishment in your Office

Full description = (20) Give Rachel a private punishment in your office and give her a promotion.

In the afternoon, Rachel will come to your office. She will tell you she is feeling very sleepy. You will agree that she can spend the afternoon sleeping naked in your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment. See [QRAC127](#) for what to do next.

[QRAC127] Rachel's Punishment

Full description = (20) Give Rachel a Private Punishment in your Office

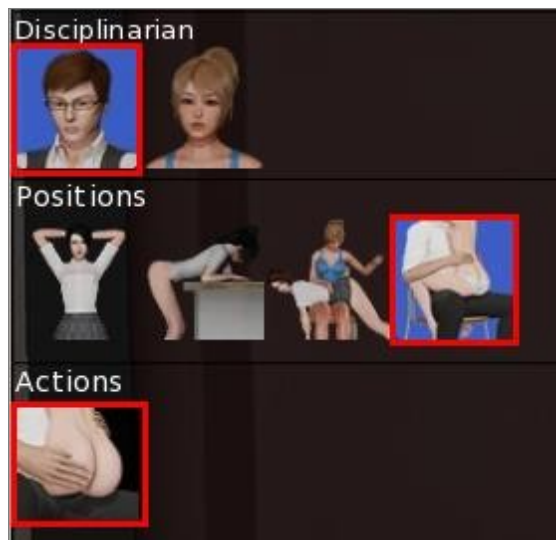

(Note: This is part of the same action as [QRAC125](#) / [QRAC126](#). For clarity it has been split into a separate part, but it is still part of the same quest action.)

When you start the punishment, you will tell yourself that you need to come up with a new way to punish her. A new OTK position will be unlocked (to have Rachel straddle your lap).

Rachel will start this punishment at Level 6. Order her to strip to her underwear. Position her with hands above her head and lick her nipples.

Position her bent over the desk and give her a hand spanking, a ruler spanking and a paddle spanking. Put her over the knee and massage her inner thighs, or rub her pussy).

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Then use the new straddle position to spank her while she is facing you. This picture shows the straddle position selected (see options marked in red):

You will then get a message saying you have raised her to the next level (Level 7).

At the end of the punishment choose to give Rachel her Promotion. You will make her your Personal Executive Trainee (or P.E.T.). She will then strip naked and masturbate you.

You will then tell yourself that you think Rachel has been mostly cured of her body envy, but may have some lingering issues. You say that you will continue to observe her behavior, particularly when you are interacting with other students.

Fun note #1: After you have made Rachel your PET, her classroom events will change, and Rachel will sit at your desk during lessons. You will also get a new interaction with Rachel in your office during the afternoon, where she will strip naked and you can get her to rub herself against you and masturbate you again. You can also watch porn with her.

Fun note #2: After you have made Rachel your PET, if you ask her a hard question during the Friday pop quiz, she will get the answer right.

Fun note #3: Once you have made Rachel your PET, if you spy on her room in the evening you will see a new scene where Rachel is trying to do the splits to help stretch out her pussy.

[QRAC128] Wait to Speak with Rachel on the Next Weekday

Full description = (21) Wait to speak with Rachel on the next weekday morning.

Wait until the following weekday morning. You will see a scene where Rachel thanks you for allowing her to wear her cat ears whenever she wants. This will unlock The Headmaster Pet: Part 2 ([QRAC2](#)).

[QRAC2] Rachel: The Headmaster's Pet: Part 2

Description

Rachel wasn't sleeping well and was falling asleep in class. It turned out that she suffered from body dysmorphia due to her small breasts and had intense jealousy of curvier women. By teaching Rachel to be more carefree, like her favorite animal, the cat, you were able to help Rachel feel better about herself and to finally get a good night's rest.

Over the course of her therapy, the two of you had grown close and you offered her the role of Personal Executive Trainee (PET) to take care of all your personal needs. Things are going well but is Rachel truly cured of her jealousy toward other women?

[QRAC200] Unlocking this Quest

Once you have raised Rachel to punishment level 7 and promoted her to your P.E.T. ([QRAC127](#)), you will automatically speak to her the following weekday morning.

Rachel will thank you for allowing her to wear her cat ears whenever she wants. You fear she still has jealousy issues, and you also tell yourself she is not physically ready to have sex with you, because her holes are too tight. You will then get a message saying you have unlocked this quest.

[QRAC201] Perform Body Searches Around the School

Full description = (1) Learning to Share – Rachel has a jealous nature and she wants you all to herself. As headmaster, it's your job to discipline all the girls at school and Rachel was going to have to learn to share. In the process, you hoped to cure Rachel of her jealousy toward other women.

First, you decided to observe her reaction as you **perform body searches on all the girls around school** (you will need to pass the body search rule). A particular busty blonde would be an ideal target, you've seen her hanging out in the hallway on a Wednesday afternoon.

If you have not already done so, pass the Body Search rule at the Friday school board meeting (see [REFR06](#) for details). You will need Influence 11 and Discipline 70 to pass the rule.

On Friday afternoon, do a Body Search of Lucy. (This step is not required but it helps develop the story. See [BDY04](#) for details of Lucy's body search.)

On Wednesday afternoon, do a Body Search of Alice (See [BDY06](#) for details of doing Alice's body search). Rachel will try to stop you from feeling Alice's breasts. You take Rachel into the stationary cupboard and punish her. You then discover that Rachel is getting jealous when you are touching the other girls. You tell her you'll find a way to help her manage her jealousy issue.

[QRAC202] Decide on a suitable student for a threesome

Full description = (1) Learning to Share – Rachel has a jealous nature and she wants you all to herself. As headmaster, it's your job to discipline all the girls at school and Rachel was going to have to learn to share. You decided a threesome might help Rachel get used to the idea of sharing.

Patrol the halls and decide on a suitable student for a threesome.

Complete the body search of Alice ([QRAC201](#)). Choose to do a patrol. You will see Donna giving Rachel a hard time about her cat ears. Debbie will then stop Donna.

Note: You will usually see this event the first time you do a patrol after doing a body search on Alice. However, you may have to complete other patrol events e.g. Priti and Harriet ([QPRI03](#)) before you can see this patrol event.

You tell yourself that you've been promising Debbie a reward and it's time she got one. You think you will share your pet with your prefect.

[QRAC203] Summon Rachel and Debbie

Full description = (1) Learning to Share – Rachel has a jealous nature and she wants you all to herself. As headmaster, it's your job to discipline all the girls at school and Rachel was going to have to learn to share.

You've decided a threesome would be the best way for her to get used to the idea and Debbie would be the ideal third partner. **Summon Rachel and Debbie using the phone in your office.**

Use your office phone to summon Debbie and Rachel to your office. You will ask yourself if you want Debbie to play with your pet. Say yes. (If you say no, the scene will not happen.)

Rachel and Debbie will arrive. They will strip, have sex with each other, and then give you a joint blowjob.

You then tell yourself that hopefully Rachel won't get so jealous when you touch the other girls. However, for Rachel's next step you need to get her used to sharing with a woman she feels threatened by.

If you have already completed Rachel's dildo training ([QRAC207](#)) then see [QRAC209](#) for the next action. For Rachel's dildo training, see [QRAC205](#), [QRAC206](#) and [QRAC207](#).

[QRAC204] Need more advanced disciplinary techniques

Full description = (1) Learning to Share – You decided a threesome would be a good way to help Rachel get used to sharing you with other women. Debbie made an excellent partner as she has little interest in men and didn't make Rachel overly jealous.

For a real test, Rachel would need to see you with a woman she was truly envious of, someone like her teacher Miss Newman. Rachel isn't ready for this yet though, you need more advanced disciplinary techniques.

In order to complete this action, you will need to complete Rachel's dildo training and then raise her to punishment level 8. See [QRAC205](#), [QRAC206](#) and [QRAC207](#).

[QRAC205] Purchase a selection of dildos and a butt plug

Full description = (2) Advanced Disciplinary Techniques – To permanently cure Rachel of her body envy you will need your most advanced disciplinary techniques and that means fucking the girl. Rachel is desperate to please her Master and has already offered her virginity.

There's a problem though, her little holes are much too tight and will need stretching out before you'll be able to penetrate her with your large cock.

Purchase a selection of different sized dildos and a new butt plug from the online store.

Once you have \$1800, buy the assorted dildo collection (\$1500) and the butt plug tail (\$300) from the Online Shopping | Sex Toys option on your office computer. They will arrive the following weekday morning.

Note: you can buy the dildos and butt plug tail individually, but you will not be able to continue with Rachel's quest until you have bought both.

[QRAC206] Let Rachel Practice Using a Dildo

Full description = (2) Advanced Disciplinary Techniques – To permanently cure Rachel of her body envy you will need your most advanced disciplinary techniques and that means fucking the girl. Rachel is desperate to please her Master and has already offered her virginity.

There's a problem though, her little holes are much too tight and will need stretching out before you'll be able to penetrate her with your large cock.

Spend time with Rachel in your office (by clicking her icon in the afternoon) and let her practice using a dildo.

You will need to complete four dildo practice sessions with Rachel. To carry out a practice session, go to your office during any weekday afternoon and click on Rachel's icon. Rachel will immediately strip naked. Select the "dildo practice" option.

- During the first session, select the small dildo. At the end, tell Rachel that "I'll finish myself off".
- During the second session, select the small dildo. At the end, ask Rachel for a handjob.
- During the third session, select the small dildo. At the end, ask Rachel for a blowjob.
- During the fourth session, select the medium dildo.

[QRAC207] Order Rachel to Your Office for Punishment

Full description = (2) Advanced Disciplinary Techniques – Unfortunately, Rachel's little holes are still much too tight. She couldn't even manage to take a medium sized dildo, let alone your large cock.

Believing Rachel's problem to be mostly psychological you realized that your punishment method could help her overcome this challenge. **Order**

Rachel to your office for after school for punishment and try again with the dildo.

Complete Rachel's dildo practice (QRAC206). In the evening, summon Rachel to your office for punishment.

Note #1: as soon as you complete Rachel's last dildo practice session, you may be asked if you would like to summon a girl to your office for punishment. If you choose Rachel, you can then complete this action immediately after you have finished the dildo practice.

Note #2: you are only given the option to summon a girl for punishment if no other girls have been ordered to your office. For example, if you taught a class that day and ordered a girl to be punished after school, you will not be able to summon another girl.

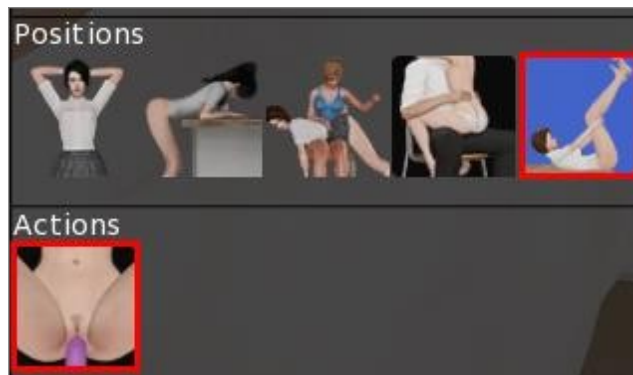

Rachel will start the punishment at Level 7. Order her to strip naked. Position her with hands above her head, do a body search and use the camera to take pictures.

Note: once Rachel has stripped naked, you will allow her to wear her cat ears. However, this helps her cope with her nudity and increases her resistance to humiliation. Her humiliation bar will then increase from 9 to 16.

Position her bent over the desk and give her a ruler (or paddle) spanking. Put her over the knee and massage her buttocks (or massage her inner thighs, or rub her pussy).

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Have her straddle the headmaster's lap, and spank her while facing you. Put her in the diaper position and insert a dildo into her vagina.

This picture shows the dildo action selected (see options marked in red):

You will then get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 8).

At the end of the punishment you will cuddle with Rachel, and then you will choose how to use her sexually.

[QRAC208] Continue to Help Rachel Learn to Share

Full description = (2) Advanced Disciplinary Techniques – To permanently cure Rachel of her body envy you will need your most advanced disciplinary techniques and that means fucking the girl.

You came a step closer to this goal by penetrating her with a moderately sized dildo, soon she will be ready for your sizable cock. While you wait for the inevitable, you should continue helping her learn to share.

You should first complete the threesome with Debbie and Rachel (see [QRAC203](#)). You will then need to get Rachel to play football while naked, and then have a shower with her afterwards. See [QRAC209](#).

[QRAC209] Teach Football Class: Make Rachel Play Naked

Full description = (1) Learning to Share – You decided a threesome would be a good way to help Rachel get used to sharing you with other women. Debbie made an excellent partner as she has little interest in men and didn't make Rachel overly jealous.

For a real test, Rachel would need to see you with a woman she was truly envious of, someone like her teacher Miss Newman. **Teach football class several times** until you have the opportunity to make Rachel play naked, then have her join you afterwards in the shower.

Earlier in Rachel's quest, you had to complete two practice games ([QRAC109](#)). If you have not already done so, you will now need to complete another three practice games. These are: the third match ([SPT09](#)), the fourth match ([SPT10](#)) and the fifth match where Charlotte's team play bottomless ([SPT11](#)).

To get the practice matches, you will need to teach sports lessons in the afternoon. Every time you teach 5 sports lessons, you will play a match during the fifth lesson.

Note #1: these football events are available from the start of Chapter 2. You may have already completed some of these events before reaching this point in Rachel's quest. If you have already completed the fifth match where Charlotte's team play bottomless, see [QRAC210](#).

During the "Charlotte's team play bottomless" event ([SPT11](#)), Rachel will end up naked (because she has to play bottomless and she isn't wearing a bra).

If you have completed Rachel's dildo training ([QRAC206](#)), then at the end of the match, Rachel will shower with you, and Sally joins you. Both Sally and Rachel offer to help you with your erection, and they start to argue. You eventually tell Rachel to make you orgasm, but that she has to ask Sally to help her. Sally and Rachel then rub their breasts against your cock until you cum.

See [QRAC211](#) for the next action.

[QRAC210] Teach Football Class: Make Rachel Join You in the Shower

Full description = (1) Learning to Share – You decided a threesome would be a good way to help Rachel get used to sharing you with other women. Debbie made an excellent partner as she has little interest in men and didn't make Rachel overly jealous.

For a real test, Rachel would need to see you with a woman she was truly envious of, someone like her teacher Miss Newman. **Teach football class**, make Rachel play naked and then join you afterwards in the shower.

You will only see this action if you had already completed the fifth match and seen Rachel play naked ([SPT11](#)) before you completed Rachel's dildo training and raised her to punishment level 8 ([QRAC207](#)).

Note #1: this action appears very similar to [QRAC209](#), but there is a subtle difference. You will see [QRAC209](#) if it is the first time you get Rachel to play naked. That quest action says "until you have the opportunity to make Rachel play naked". In comparison, this question action simply says "make Rachel play naked".

Game note: once you have completed Rachel's dildo training, then you can complete this scene. However, you will not see this action in Rachel's quest log until you raise Rachel to punishment level 8.

Normally, if you have completed Rachel's dildo training before you play the fifth match, then at the end of the lesson, you will see a special scene where you have a shower with Sally and Rachel, and then they give you a titjob (See [QRAC209](#) for details). But if you have not completed Rachel's dildo training, you will not see this scene.

Instead, once you have completed Rachel's dildo training, you will need to teach another sports lesson. This will essentially be a replay of the fifth match, which

will then give you an opportunity to get the titjob from Rachel and Sally at the end of the lesson.

Note #2: Usually, you have to teach 5 sports lessons, and you will play a match during the fifth lesson. You then have to teach another 5 lessons before you play another match. But if you have already completed the fifth match, then once you have raised Rachel to level 8, you will play a match the very next time you teach a lesson.

The dialog and some of the scene will depend on the result of the previous match. If Charlotte's team lost the previous match, April will simply say that Charlotte's team needs to play bottomless. But if Charlotte won the previous match, then you will see a special scene instead.

April will tell you that two members of her team, Emily and Harriet, are having their period, so Charlotte has agreed her side will play bottomless instead. You tell yourself that this works out well, because you wanted Rachel to be naked today. April's team will win the game, but they agree they have to be naked next time.

At the end of the match, Rachel will shower with you, and Sally joins you. Both Sally and Rachel offer to help you with your erection, and they start to argue. You eventually tell Rachel to make you orgasm, but that she has to ask Sally to help her. Sally and Rachel then rub their breasts against your cock until you cum.

Note #3: It does not matter who wins the match. You will see the titjob with Sally and Rachel regardless of which team wins.

[QRAC211] Open the Pool

Full description = (1) Learning to Share – Rachel still doesn't understand that your penis is not her toy, it's an important tool for maintaining discipline for both staff and students alike. It might be best if Rachel watches it in action. You will be more likely to run into Miss Newman in the locker room if you **open the pool**.

If you have not already done so, buy the "Swimming Pool" from the Upgrade Facilities option on your computer. It will cost \$8,000 and you are told that it will take a few days to complete the swimming pool.

Note: It takes a week to build the swimming pool. E.g. if you order the pool sometime on Thursday, it will be ready by the following Thursday morning.

Once the pool is open, this quest action will be completed. If you have already raised Rachel to punishment level 9, see [QRAC214](#) for the next action. If you still need to raise Rachel to level 9, see [QRAC212](#) and [QRAC213](#).

[QRAC212] Punish Rachel First

Full description = (1) Learning to Share – Rachel still doesn't understand that your penis is not her toy, it's an important tool for maintaining discipline for both staff and students alike. It might be best if Rachel watches it in action. However, first, she needs to be punished.

In order to complete this action, you will need to raise Rachel to punishment level 9 and fuck her ass with a dildo. See [QRAC213](#) for details.

[QRAC213] Fuck Rachel's Ass with a Dildo

Full description = (2) Advanced Disciplinary Techniques – Rachel's naughty behavior in the shower requires further punishment. This gives you the opportunity to continue stretching out her little holes with the dildo. **Summon Rachel to your office after school for punishment and fuck her ass with a dildo.**

Teach football matches until Charlotte's team play bottomless, and then Sally and Rachel argue in the shower before rubbing their breasts against your cock ([QRAC209](#)). In the evening, summon Rachel to your office for punishment.

Note: as soon as you complete the shower with Rachel and Sally, you may be asked if you would like to summon a girl to your office for punishment. If you choose Rachel, you can then complete this action immediately after you have finished the dildo practice.

Rachel will start the punishment at Level 8. Order her to strip naked. Position her with hands above her head and use the camera to take pictures. Position her bent over the desk and give her a hand (or ruler) and paddle spanking.

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Have her straddle the headmaster's lap, and spank her while facing you. Put her in the diaper position and insert a dildo into her vagina. Put her over the knee and then insert a dildo into her anus.

This picture shows the anal dildo action selected (see options marked in red):

You will then get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 9).

At the end of the punishment you will cuddle with Rachel, and then she will ask you if you want to her to make you feel good (by making you cum). You can say yes and choose what type of sexual activity you want Rachel to do, or you can say "not today", in which case the scene will end.

[QRAC214] Have Sex with Sally in Front of Rachel

Full description = (1) Learning to Share – Rachel still doesn't understand that your penis is not her toy, it's an important tool for maintaining discipline for both staff and students alike. It might be best if Rachel watches it in action. **Teach a football class** and then have sex with Sally in front of Rachel.

Full description = (2) Advanced Disciplinary Techniques – Rachel has taken the medium sized dildo in both her ass and pussy now. It won't be long until she is ready for your cock. Miss Newman will need to be present though, so first she needs to learn the benefits of a disciplinary fucking first hand.

Note: you will complete these two actions together.

Once the pool is open (QRAC211) and you have raised Rachel to punishment level 9 (QRAC213), you will see a scene with Sally the following weekday morning. Sally says schedule has been changed to that whenever you are teaching football, she will be teaching swimming. Sally then leaves before you can give her a copy of the poolside safety rules.

In the afternoon, teach a football class. Before your class, you will see Sally, and you ask her to read the poolside safety rules to the girls. After your class, you go

to the swimming pool, and find that Sally disobeyed your orders and didn't read the safety rules.

You punish Sally by giving her a spanking with the paddle and then giving her a hard anal fucking in front of Rachel.

[QRAC215] Join Rachel and Sally in the Shower Again

Full description = (1) Learning to Share – Rachel sat and watched as you roughly fucked her teacher's ass. Hopefully, Rachel now understands how important your penis is in maintaining discipline and that she cannot have it all to herself. Perhaps now she will be more willing to share.

Teach a football class and join Rachel and Sally in the shower again.

Full description = (2) Advanced Disciplinary Techniques – Rachel has taken the medium sized dildo in both her ass and pussy now. It won't be long until she is ready for your cock. Miss Newman has been taught the benefits of disciplinary sex. All you need to do is wait for Rachel to misbehave sufficiently.

Note: you will complete these two actions together.

Complete Sally's punishment where you spank her with the paddle and then give her a hard anal fucking ([QRAC214](#)).

In the afternoon, teach a football class. Before your class, Sally will tell you that she'll see you in the locker room afterwards. After the class, Sally says that she will shower with you, but Rachel then tells you went to the lake. You decide that you need to finish your shower quickly and look for Sally. You then discover that Rachel locked Sally in the sports supply cupboard. You then tell Rachel that you will punish her in your office.

[QRAC216] Punish Rachel in your Office

Full description = (1) Learning to Share – Rachel locked Miss Newman in a cupboard rather than share you with her. Such willful insubordination cannot be tolerated. The time for fun and games is over. Only your most advanced disciplinary techniques can help now.

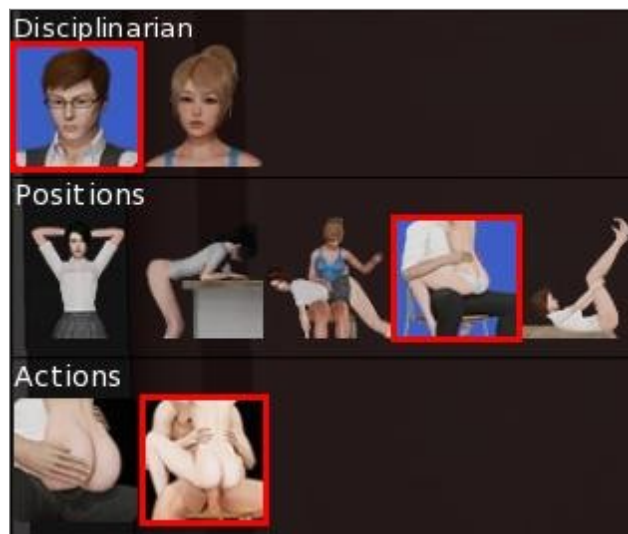

Full description = (2) Advanced Disciplinary Techniques – The time has finally come. **Punish Rachel in your office** and have sex with her.

Complete the shower scene where Rachel locks Sally in the sports supply cupboard ([QRAC215](#)). You will then automatically punish Rachel after school.

Rachel will start the punishment at Level 9. Order her to strip naked. Position her with hands above her head and use the camera to take pictures. Position her bent over the desk and give her a hand (or ruler) and paddle spanking.

Put her over the knee and then insert a dildo into her anus. Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Have her straddle the headmaster's lap, spank her while facing you, and then have sex with Rachel.

This picture shows the sex action selected (see options marked in red):

Note: before you have sex with Rachel for the first time, there is a scene where Rachel says she hates Miss Newman, because she has big boobs and a perfect body. Sally then says she has severe dyslexia and can barely read or write, which means people treat her as a big-titted blonde simpleton. Sally is actually jealous of Rachel.

Rachel then apologizes to Sally. You have sex with Rachel, and then you have a threesome with Rachel and Sally.

You will then get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 10).

At the end of Rachel's punishment, she tells you that she loves you. You can say I love you back, or you can choose not to say it. (The dialogue will change slightly but it will not affect any of your other gameplay choices in the current version of the game.)

[QRAC217] You have completed Rachel's storyline

Full description = Rachel has been cured of her jealousy issues and is now a perfect student. Now it's time for her to teach the other girls the joys of sharing.

You have completed Rachel's storyline.

Congratulations, you have now completed Rachel's quest!

[QAMY2] Amy: The Spanking Connoisseur (Chapter 2)

Description

A young athlete named Amy is constantly late and always runs around at dangerous speeds as a result. It's a bad habit that is disruptive to your lessons and you fear she might one day injury someone. From observation of the girl during her punishments you have determined that she is a masochist, deriving sexual pleasure from pain. A girl like that could prove useful to you as a practice subject to help train your staff and Prefects in the art of discipline.

Starting this Quest

In order to complete this part of Amy's quest, you will need to have raised Amy to punishment level 3 and spied on her room afterwards, where you will see her having sex with Tia. See the Spanking Connoisseur: Chapter 1 ([QAMY1QST04a](#)).

You will need to have started Chapter 2 of the game, by completing the Main Quest "A Man's Work" ([QM3](#)) so that you can punish the girls yourself.

If you have not already done so, you will need to purchase the Chastity Panties from the Online Shopping | Clothing option on your office computer. They will cost \$600, and will arrive the following weekday.

If you wish, you may also purchase the cane from the Online Shopping | Sex Toys option on your office computer. It will cost \$500 and will arrive the following weekday.

Note: you can buy the chastity panties and the cane in Chapter 1. However, if you have skipped Chapter 1 and started a game in Chapter 2, then you will not have the chastity panties, and will need to buy them. You will also need to buy the cane if you wish.

[QAMY16] Patrol the halls

Full description = (13) Patrol the halls and look out for Amy misbehaving.

Do a patrol. You will see Amy run into Faye, which causes Faye to hurt her head. You will then see a scene where the nurse treats Faye and then takes her to hospital.

Fun note: if you have completed the "Faye the Faker" event ([OTH11](#)) before this event, you will see an extra scene when the nurse is treating

Faye, and Faye pulls down her underwear and asks the nurse to take her temperature to prove she isn't faking her illness.

[QAMY17] Punish Amy

Full description = (14) Punish Amy and make her wear chastity panties.

Complete "Patrol the Halls" ([QAMY16](#)) where you see Amy run into Faye and hurt her. You will then automatically give Amy a private punishment that evening. At the start of the punishment the option to use the cane will be unlocked.

Amy will start the punishment at Level 3. Remove her clothing & skirt. Amy will volunteer to remove her underwear as well. Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee, do a hand spanking and massage her buttocks. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 4).

Note: This is just one way of completing the punishment. You can carry out different options if you wish. If you bought the cane (see [QAMY14](#)), you can use that.

At the end of the punishment, give her the chastity belt. You will tell Amy she is not allowed to orgasm for seven days. Debbie will put the chastity belt on Amy for you.

[QAMY18] Spy on Amy and Debbie in the Shower

Full description = (15) Spy on Amy and Debbie in the dorm room shower.

In the evening, spy on the shower room. You will see Debbie helping Amy to take a shower.

[QAMY19] Resist Amy's Attempts

Full description = (16) Resist Amy's attempts to get you to remove her underwear for one whole week.

The first weekday morning after you put the chastity panties on Amy, she will come to your office and beg you to remove the chastity underwear. You will refuse.

The next weekday morning, Amy will beg again, but this time she will offer to show you her boobs. The morning after that, she will come to your office again, and offer to jerk you off. The next morning, she will offer to suck your cock.

You can accept or refuse these offers. If you accept, you see a scene with Amy making good on her offer, but the timer will reset, which means you will have to replay the whole week over again until you refuse.

The following weekday morning, Amy will come to your office again and offer to fuck you. You will tell her to come back after school. In the evening, you will automatically remove the chastity panties and then give Amy a private punishment.

Note: normally, Amy's chastity week will last for exactly 7 days. However, if you see Amy run into Faye on the first Tuesday in Chapter 2, then Amy's chastity week will actually last for 8 days, and you will not remove the panties or punish her until the following Wednesday. This is because on the second Tuesday in chapter 2, Amy's friend Jasmine arrives and you tell Amy to show Jasmine around the campus.

Amy will start the punishment at Level 4. Remove her clothing & skirt. She won't be wearing any underwear.

Position her bent over the desk and give her a hand spanking, ruler spanking, and paddle spanking. Put her in the diaper position and use the riding crop on her inner thigh. Position her over your knee, give her a hand spanking and massage her buttocks. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 5).

Note #1: This is just one way of completing the punishment. You can carry out different options if you wish. If you have the cane, you can use that.

Note #2: If you do not raise Amy to level 5, then you will have the option to summon her back to your office any evening where you are not punishing another girl. This will give you another opportunity to raise her to level 5.

At the end of the punishment, assign her a role. You will show her your copy of the Future Female Sports Stars magazine (from [QAMY07](#)) and you will have anal sex with her. She will then and she will agree to become a practice subject to help train other staff and Prefects in the art of discipline.

[QAMY20] End of Story Line

Full description = You've reached the end of Amy's story line for this update.

Once you have assigned Amy a role as a practice subject, you have reached the end of her storyline for this update.

[QLUC2] Lucy: Maid for Pleasure (Chapter 2)

Description

Lucy has asked if you have any part time work she can do. Being the benevolent man that you are, you have allowed her to work as your maid. She will come to your house every Saturday morning. How will she continue to grow under your supervision?

Starting this Quest

In order to complete this part of Lucy's quest, you will need to start Chapter 2 of the game. This involves completing the "A Man's Work" (QM3) main quest and starting the "Leave No Girl's Behind" (QM4) main quest.

You will also need to have arranged for Lucy to serve you while wearing the topless apron. See the first part of Lucy's quest, Maid for Pleasure: Chapter 1 (QLUC1), for details.

[QLUC11] Wait Until Lucy Does Something Wrong Again

Full description = (8) Now that you can punish the girls yourself, wait until Lucy does something wrong again and decide what you want to do.

If you have not already done so, you need to teach paperwork in your office until you see Maxine's Demand (PAP02), where Maxine demands that you stop the use of corporal punishment.

Once you have seen Maxine's Demand (PAP02) and seen Lucy wearing the topless apron (QLUC09), you will receive a letter from the headmistress of your last school, and a trophy from the Psychology Association.

Note: you can receive the trophy during Chapter 1. However, you will not be able to complete this event until you have completed QLUC10 by starting Chapter 2.

The following Saturday, Lucy will offer to wear the maid dress but with the top open so you can still see her breasts. Tell her to wear the topless maid outfit. You will pay her \$200.

You then discover that she broke your psychology trophy. You need to decide if you want to assert your dominance over her (and punish her), or forgive her and show her kindness. This is a significant decision that will affect the future options you can choose with Lucy.

- If you show kindness and forgive her, Lucy will offer to let you watch her in the shower and then you will lick her pussy. She then offers to go naked when cleaning next week and will kiss you. See [QLUC12](#) for the next action.
- If you assert your dominance, you will punish her by using the three aspects of your disciplinary method: you will force her to shower in front of her, spank her and then lick her pussy. You then tell her that she will have to clean naked from now on.

You then explain why you punished her. You can say that you care about her, or that you care about the quality of her work. If you say you care about her, she will kiss you before she leaves. See [QLUC13](#) for the next action.

[QLUC12] See What Other Services Lucy Might Offer (Kindness Route)

Full description = (9) See what other services Lucy might be willing to offer after cleaning.

Note: this action is only if you showed kindness to Lucy. if you chose to assert your dominance with Lucy, see [QLUC13](#) instead.

The following Saturday, ask Lucy to go naked. This will cost you \$250. Lucy will tell you that it is quite exciting letting you see her naked.

At the end of the morning, Lucy will ask if there are any extra services she can provide. The extra services you can receive (and the cost) are:

Service	Cost	Notes
Spank her	\$100	
Dance	\$100	This option is only available once Trixie has been hired as the dance teacher. See QCHA06 or QCHA08 for details.
Kiss	Free	

You do not need to actually choose any of Lucy's extra services to continue with her quest.

[QLUC13] See What Other Services Lucy Might Offer (Dominant Route)

Full description = (9) See what other services Lucy might be willing to offer after cleaning. You will need to say her work was acceptable.

Note: this action is only if you asserted your dominance with Lucy. If you showed kindness to Lucy, see [QLUC12](#) instead.

The following Saturday, tell Lucy to go naked. This will cost you \$250. Lucy will then clean your house. Lucy will try to cover herself once she is naked.

Once Lucy has finished cleaning, then you get to decide if Lucy's work has been acceptable or not. If you say it was not acceptable, then you will spank her and finger her to orgasm. However, you will not be able to continue with Lucy's quest. Instead, you will see this same scene the following weekend.

You should therefore tell Lucy that her work was acceptable. You will then you will tell her that there are some extra services she can provide for a little extra cash. The extra services you can receive (and the cost) are:

Service	Cost	Notes
Spank her	\$100	
Dance	\$100	This option is only available once Trixie has been hired as the dance teacher. See QCHA06 or QCHA08 for details.
Kiss	Free	You can only ask for a kiss if you said you cared about Lucy after she broke your trophy (QLUC11). If you said you cared about the quality of her work you cannot ask for a kiss.

You do not need to actually choose any of Lucy's extra services to continue with her quest.

[QLUC14] Unlock Amy's Student Quest

Full description = (10) As enjoyable as Lucy's services are, you think she might be prepared to offer more, if she were more knowledgeable. Nurse Kate might be able to help, but first **spy on Amy's room in the evening to unlock her student quest"**

You need to unlock Amy's student quest, The Spanking Connoisseur. To do this, give Amy a private punishment in your office. In the evening, spy on Amy's room. You will see Maxine ask Amy if Maxine can take a photo of Amy's bruised bottom as evidence against the headmaster. Amy's quest will then unlock.

[QLUC15] Finish Amy's Student Quest

Full description = (10) As enjoyable as Lucy's services are, you think she might be prepared to offer more, if she were more knowledgeable. Nurse Kate might be able to help, but first **finish Amy's student quest: the Spanking Connoisseur.**

Complete Amy's student quest by raising her to level 5 and having anal sex with her. At the end of her punishment, assign her a role. This involves having anal sex with her (see [QAMY19](#) for details).

[QLUC16] Advance Rachel's Student Quest

Full description = (10) As enjoyable as Lucy's services are, you think she might be prepared to offer more, if she were more knowledgeable. Nurse Kate might be able to help, but first **advance Rachel's student quest: the Headmaster's Pet.**

Complete Rachel's "Boner Rule" scene ([QRAC120](#)). This involves raising Rachel to level 5 and then teaching a sports lesson on Thursday afternoon. Rachel will ask to see your boner and will then masturbate you.

[QLUC17] Enlist Nurse Kate to help

Full description = (10) As enjoyable as Lucy's services are, you think she might be prepared to offer more, if she were more knowledgeable. Wait for Nurse Kate to visit you in your office with an idea.

After you have completed Amy's quest ([QLUC14](#)) and Rachel's Boner Rule scene ([QLUC15](#)), Nurse Kate will visit you the next weekday morning. She tells you that one of the girls recently asked for birth control pills. She says she wants to arrange a talk with the girls about sex.

Note: depending on your progress with other quests in the game, you may see other morning visitors before Nurse Kate visits you.

[QLUC18] Pay Attention During Nurse Kate's Class

Full description = (10) Pay careful attention to what Lucy and the other students ask during Nurse Kate's class

After Nurse Kate has spoken to you in the morning, then the next time you teach a lesson, Nurse Kate will give a sex ed class where she lets the girls ask her questions about sex.

Note: depending on your progress with other quests in the game, you may see other classroom scenes, before you see the sex ed lesson.

[QLUC19] See if Lucy will Offer More

Full description = (10) As enjoyable as Lucy's services are, now that you know what she's curious about, it's time to see if she might be ready to offer more.

The following Saturday, tell Lucy to go naked again. This will cost you \$250. Lucy will then clean your house.

Note: if you tell Lucy to get dressed in any of the other options, Lucy will ask you if you would prefer her to clean completed naked. She tells you that there might be some extra services she can provide. If you agree, Lucy will then go naked, and you will pay \$250. If you decline, Lucy will wear your original choice.

If you chose the dominant route when Lucy broke your trophy (QLUC11), then you should say that her work was acceptable again. You then get to decide whether to end her probation. If you decide to end the probation, Lucy says she doesn't mind you being strict with her. You then have to decide again whether to end her probation or not.

If you end her probation, you will switch to a kind relationship. This is similar to forgiving Lucy after she broke the trophy (QLUC11). If you keep Lucy on probation, you will continue with a dominant relationship.

If you choose to forgive Lucy after she broke the trophy (QLUC11), then you will not be given this choice. Instead, you will automatically be placed on the kind relationship path.

In both the dominant and kind paths, Lucy then offers to take care of your erection. You realize that Lucy may have developed some feeling towards you.

You have to choose whether you pursue a romantic relationship with her, or whether you keep things dispassionate and pursue a more transactional relationship where you pay her for her sexual services.

The table below shows the options available to you:

Choice made after Lucy broke the trophy	Choices made during this event	
Assert Dominance	End Probation	Can choose either: <ul style="list-style-type: none"> • a kind, romantic relationship or • a kind, transactional relationship
Assert Dominance	Keep on Probation	Can choose either: <ul style="list-style-type: none"> • a dominant romantic relationship or • a dominant transactional relationship.

Choice made after Lucy broke the trophy	Choices made during this event	
Show Kindness	-	Can choose either: <ul style="list-style-type: none"> • a kind, romantic relationship or • a kind, transactional relationship

Lucy will then give you a handjob. If you have chosen a transactional relationship, you will pay her an extra \$200 (in addition to the \$250 for cleaning your house naked). If you have chosen a romantic path, then you can choose to give her a gift of \$200 at the end, but you do not have to.

At the end of the morning, you will tell yourself that your office has been looking at little dusty, and you could perhaps get Lucy to clean your office as well.

[QLUC20] Summon Lucy on a Weekday

Full description = Your apartment isn't the only place where you occasionally find yourself needing service. Use your office phone on a weekday to summon Lucy to get to work.

Once Lucy has given you a handjob (QLUC19), then use your office phone to call Priti to your office during the day. Lucy will strip and clean your office. At the end of the scene, you will perform oral sex on Lucy, and then she will give you a blowjob. You will pay her \$200.

Note: the dialog will change slightly depending on whether you have choose to act kind or dominant, and whether you have chosen a romantic or transitional relationship.

Fun note: if you have completed Priti's first test with the chocolate cake (QPRI11), then Lucy will mention that there are bits of chocolate cake all over the place.

Just before giving you a blowjob, Lucy tells you that she was training to be a lifeguard. She asks you to arrange for her to take the lifeguard exam.

[QLUC21] Arrange for Lucy to take the Lifeguard Certification Exam

Full description = Arrange for Lucy to take the lifeguard certification exam, so the pool can be open at the weekend. COMING SOON

This is not available in the game yet. If you complete Lucy Runs a Vacuum (HOM10), then you tell Lucy that Ruth, the school inspector, will be giving the girls a mock exam soon and you need to wait until after that.

[QPRI] Priti: The Reluctant Rebel

Description

Initial Description:

Mr Mykock told you that the school's owners had taken a particular interest in one of the students, Priti, and have offered you additional incentive to watch her being punished in our office. However, Priti is doing well at school and is top of your class, so you have no real reason to punish her. Perhaps though she has some other character flaws that can be solved using your punishment methods.

Once you have chosen Priti's path (see [QPRI05](#) for the paths):

You witnessed Priti giving her completed homework to another girl, Harriet, in exchange for chocolate. When confronted, Priti claimed to have a weakness for chocolate. You learned that she had been denied it by her overbearing mother, and that was why she could not control her cravings. However, you realized that this was the tip of the iceberg and there were much stronger desires than chocolate that Priti's mother had her repress. Priti's inability to act on her desires had left her weak-willed, timid and unable to stand up for herself.

If you choose the "Desires" path:

You resolved to help Priti by encouraging her to do the things her mother wouldn't approve of and learn the nature of her repressed desires.

If you choose the "Punishment" path:

You resolved to help Priti by encouraging her to: a) rebel against the school and gain experience standing up to authority, and b) do things her mother wouldn't approve of to learn the nature of her repressed desires.

[QPRI00] Unlocking this Quest

To unlock this event, you will need to start Chapter 2 of the game. This involves completing the "A Man's Work" ([QM3](#)) main quest and starting the "Leave No Girl's Behind" ([QM4](#)) main quest.

On Tuesday morning, Mr Mykock will speak to you and tell you that the school owners are interested in seeing Priti being punished in your office, and would be willing to pay double the normal rate for disciplining students. This quest will then unlock.

[QPRI01] Observe Priti in Class

Full description = (1) Observe Priti in class and watch for any misbehavior.

Teach classes until you get an event where you ask your class how long Tsar Nicholas II served as Emperor of Russia. Priti will correctly answer.

You tell yourself that Priti is an excellent student, and she should really be at university already. However, you wonder if there is some other aspect of her behavior that needs improving. You decide to watch out for her when you patrol.

[QPRI02] Observe Priti in a Group Activity

Full description = (2) Observe Priti in a group activity. Check out the school play rehearsal on Wednesday evening in the gymnasium.

Complete Drama Night Part 2 (OTH02). To do this, go to the gym on Wednesday evening. You will see Emily give out some new costumes, and Miss Potts will ask if you want to stay and watch the rehearsal of the first act.

Agree to stay and watch. You will see the girls practicing their play, but Priti, who is playing the role of Aphrodite, will refuse to appear.

Note: to unlock Drama Night Part 2, you do not have to watch the rehearsal. However, to complete this event, you will need to watch it.

[QPRI03] Observe Priti Whilst Patrolling the Halls

Full description = (3) Observe Priti whilst patrolling the halls

During the week, do a patrol. You will see Harriet and Priti talking. You hear Priti wanting something, but saying she doesn't have any money. Harriet tells Priti there are other ways to pay. Priti agrees, and Harriet says she will visit Priti in her room that night.

Game note: if you do this patrol during the first week in Chapter 2, you will see other patrol events first (e.g. PAT16, Charlotte Caught Smoking). This means you would have to do multiple patrols before you see Priti and Harriet talking. However, if you do this patrol in week 2 onwards, then the first patrol event you see should be Priti and Harriet.

[QPRI04] Spy on Priti's Room

Full description = (4) Spy on Priti's room and find out what she was planning with Harriet.

In the evening, spy on Priti's room. (Note: if you have not already spied on her, then Priti's room will initially be shown as an "unknown room")

You will see that Priti has done math homework for Harriet in exchange for a bar of chocolate. You tell yourself this is a terrible scandal and that you should summon Priti to your office. Grades will decrease by 5 points. They will continue to decline by 5 points every Sunday evening until you manage to stop Harriet.

Note #1: the decrease in grades can happen from the start of Chapter 2, but it only starts to happen when your grades are 51 or more. However, if your grades drop to 30 or lower, you will get a lower weekly penalty. See REFG02 for details.

However, once you have seen this spy event, the message you see will change. Before you see this spy event, you are told that "an unknown influence is causing grades to decline". However, once you have seen this spy event you are told that the impact on grades is because of Harriet's homework-for-chocolate cheating scheme.

Note #2: there is a special spy event that happens near the start of Chapter 2, where you smell Marijuana and you ask Maria Consuelo to do a search. See REFR06 for details. If you have not already seen this event, you may get it when you try to spy on Priti. If this happens, simply spy on Priti the following evening.

[QPRI05] Summon Priti to your office

Full description = (5) Summon Priti to your office

During the day, use your office phone to call Priti to your office. She will immediately confess to giving Harriet the answers to Mr Wilson's homework. She asks if you will punish her. You get tell her that you won't punish her, or that you are afraid you must punish her.

Note: if you say you must punish her, you will spank her at the end of this event. However, it does not affect the choices you make later in the scene about whether to punish her again in the future.

You talk to her and discover that Priti's weakness is her repressed desires. Priti has been repressed her whole life and subconsciously yearns to be free from the control of others. You decide that need to help Priti become more rebellious. You then have to choose how to do this:

- You can encourage her to act on her repressed desires, which involves you helping Priti without resorting to punishments. (This is the **"desires" path**.)

- Or you can act on her repressed desires as well as deliberately breaking the rules, which involves you punishing Priti. (This is the "**punishment**" path.)

If you selected the Desires path, Priti admits that she liked it when you took pictures of her in a bikini. You tell her that you will arrange more photo sessions as a way to learn to do things her mother wouldn't approve of. You agree to take a photoshoot of her after the play rehearsal on Wednesday evening.

If you selected the Punishment path, you tell her that she needs to purposely get herself in trouble, and that she will be punished afterwards. She then also admits that she liked it when you took pictures of her in a bikini, and you tell her that you will arrange more photo sessions. You agree to take a photoshoot of her after the play rehearsal on Wednesday evening.

If you chose to spank her earlier, then you will spank her now, and earn \$400.

***Note:** if you previously forced Priti to strip when taking the photos for Mr Wilson (see [QWIL05](#)) then when you select the desires or punishment path, you will tell yourself that that you need Priti to trust you, but you broke that trust.*

You will need to complete an extra task (getting Priti to model the school uniforms and swimsuits) before you can continue with Priti's quest. See [QPRI07](#) and [QPRI08](#) for details.

The following morning, you will get a scene with Priti before school where you tell Priti that you think she has repressed her normal desires. You say that you will stop by the sports center on Wednesday after the school play to do another photoshoot. Priti also tells you that her favorite type of chocolate is chocolate cake. This unlocks a further task for Priti ([QPRI11](#)).

You then tell yourself that Harriet is the true criminal deserving of punishment, and you need to deal with her as a priority, otherwise grades may decline rapidly. This unlocks Harriet's Student Quest ([QHAR](#)).

If you selected the Desires paths, see [QPRI07](#) and [QPRI10](#) for the next actions. If you selected the Punishment path, then see [QPRI06](#), [QPRI07](#) and [QPRI10](#).

Fun note: if you selected the Punishment path, you can do a fun body search on Priti on Tuesday morning where she tries to break the rules by hiding a liqueur chocolate.

[QPRI06] Punish Priti in Your Office (to Level 2)

Full description = (1) Learning to rebel – if Priti can't rebel against you, then how can she hope to do so against her mother? You, therefore, convinced Priti of the need to be naughty. **Catch Priti Misbehaving in class and punish her in your office.**

If you have not already done so, you will need to buy the Aloe Vera Cream first. To do this, you will need to punish Rachel and spy on her room afterwards. See [PRAC01](#).

Teach classes until Priti throws a ball of paper at your head. To progress this quest, order her to your office after school. Priti will then automatically report to your office after the afternoon classes. Choose to give her a private punishment.

Note #1: You can also choose to ask Priti an impossible question during the Friday pop quiz. She will give a deliberately rude answer, and you can choose to punish her in your office.

Note #2: see [Bad Girl Priti \(CLA17\)](#) for the other punishment options you can choose. The other options can give you discipline/grade points but will not progress Priti's student quest.

Priti will start this punishment at Level 1. Remove her clothing & skirt. (If you have passed the strip to underwear rule, you can choose to do that instead.)

Position her bent over the desk and do a hand spanking and ruler spanking. Position her over the knee and apply the ointment, spank her and massage her buttocks. You will then get a message saying that you have raised her to the next level (level 2).

If you have already taken photos of Priti after the school play rehearsal ([QPRI09](#)) and have bought the cake from Patricia ([QPRI10](#)), then at the end of Priti's punishment you will tell yourself that you think Priti has made progress in becoming more confident and rebellious, and that she's ready for a little test. See [QPRI11](#).

[QPRI07] Wait for Priti to Speak with You Again

Full description = (2) Understanding her Desires – Priti needs help exploring her repressed desires. Wait for Priti to speak with you again.

Note: on the Desires path, this task is shown as number (1), not (2).

The following weekday morning, you will see a scene where Priti talks to you before school. You tell Priti that you think she has repressed her normal desires. Priti agrees that she enjoyed it when you took pictures of her in your office. You agree to take further photos of Priti after the school play rehearsal. See [QPRI09](#).

Note: if you previously forced Priti to strip (instead of tricking her) when taking the photos for Mr Wilson (see [QWIL05](#)), then you will see a slightly different scene. You agree to ahead with the photoshoot that you had previously been considering when Mr Wilson wanted naked pictures of her. See [QPRI08](#).

[QPRI08] Purchase the Uniform Samples

Note: you will only see this quest if you previously forced Priti to strip (instead of tricking her) when taking the photos for Mr Wilson (see [QWIL05](#)).

Full description = (2) Understanding her Desires – Priti is repressing her desires and they are bubbling up inside her waiting to explode. You urgently need to help her understand her needs and how to satisfy them. You suspect that Priti is secretly proud of her body and has a repressed desire to show it off. You, therefore, concocted a ruse to have her pose for photos in your office to test your theory. **Purchase the new uniform samples online, then summon Priti to your office during school hours.**

Note: on the Desires path, this task is shown as number (1), not (2).

Once you have \$1200, buy the School Swimwear Samples from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday.

You can then use your phone to summon Priti again and complete the photoshoot. During the photoshoot you agree to take further photos of Priti after the school play rehearsal. See [QPRI09](#).

[QPRI09] Meet Priti After the School Play

Full description = (2) Understanding her Desires – Priti is repressing her desires and they are bubbling up inside her waiting to explode. You urgently need to help her understand her needs and how to satisfy them. She says that she enjoyed your photoshoot together and that her mother certainly wouldn't have approved. Perhaps it's time for another photo shoot. **Meet Priti after the school play rehearsal on Wednesday evening in the gymnasium.**

Note: on the Desires path, this task is shown as number (1), not (2).

On Wednesday evening, go to the gym (in the sports center).

Note: If you have not already completed it, you will see the Drama Night Part 2 event ([OTH02](#)), where Emily gives out the new costumes. Miss Potts will ask if you want to stay and watch the rehearsal of the first act. You can agree or disagree. See [OTH02](#) for details. You will then need to visit the gym again the following Wednesday to complete this task.

At the gym, Claire will tell you that the girls are rehearsing again. Priti appears as Aphrodite. You tell yourself that posing in a skimpy outfit for the play should help Priti improve her confidence. You think that getting Priti to appear on stage fully naked would help even more, but first you need to get her more accustomed to showing off her body in private.

Note: you do not need to have seen Drama Night Part 2. However, the dialogue makes more sense if you have.

After the girls have finished rehearsing, you will have a private photoshoot with Priti.

Note: if you are on the non-punishment path, Priti will now advance to the next level (level 2).

At the end of the photoshoot, you will tell Priti that you want to test her confidence. You can now summon Priti to your office at any time during the school day by using your office phone.

[QPRI10] Open the Cafeteria and Speak with the Manager

Full description (Punishment path) =

(3) Complete tasks 1 and 2 and then test Priti's confidence and ability to act on her desires. You're going to need to find something she really craves. **Open the cafeteria and speak with the manager about purchasing a chocolate cake.**

Full description (Desires path) =

(2) Complete task 1 and then test Priti's confidence and ability to act on her desires. You're going to need to find something she really craves. **Open the cafeteria and speak with the manager about purchasing a chocolate cake.**

If you have not already done so, you will need to build the cafeteria. To do this, buy the "Cafeteria" from the Upgrade Facilities option on your computer. It will cost \$5,000. It takes a week before the cafeteria is ready.

You will also need to recruit Patricia Taylor, the Restaurant Manager, to run the cafeteria. To do this, you will need to complete the First Date with Samantha (OTH12), Meeting Lily (OTH13), The New Dinner Lady (OFF03) and Maxine's Demand (PAP02).

Note #1: Make sure that you have completed the paperwork event "Maxine's demand". If you build the cafeteria and recruit the dinner lady, but have not completed Maxine's demand, then Patricia will not actually start.

Instead, when you visit the cafeteria you will get the message: "the cafeteria construction has been completed. I have a restaurant manager now so I just need to wait for her first day of work."

Once you have completed these, then in the morning Samantha will tell you that Patricia will be starting work at the new cafeteria, and her daughter Arabella will be starting school as well. Samantha also tells you she has created a rota of students to help Patricia in the cafeteria.

Note #2: Patricia will not start on a Friday morning. Instead, Samantha will speak to you the following Monday morning.

In the afternoon, go to the cafeteria. The first time you visit the cafeteria, you will see the Duchess in the Kitchen event (CAF01), where Patricia punishes Donna.

The following day, go to the cafeteria in the afternoon again. You will Harriet asking Priti why she was called to the Headmaster's office. Harriet also says that Priti is sexually repressed.

Note #3: if you had already built the cafeteria, you may have already seen the scene where Donna is punished. If this case, you will automatically see the scene with Harriet and Priti instead.

Afterwards, you will automatically speak to Patricia and ask her to bake a chocolate velvet cake. It will cost \$500. Patricia will deliver it to you the following morning.

Note #4: You can speak to Patricia and buy the chocolate cake before you have punished Priti (QPRI06) and/or done Priti's photoshoot after the play (QPRI09).

Note #5: Patricia will not deliver the cake on a Friday morning. Instead, she will deliver it on the following Monday morning.

Note #6: If you do not have \$500, then you say that you'll have to come back later, as you don't have the cash. Wait until you have \$500, and visit the cafeteria again.

[QPRI11] Test 1: The Chocolate Cake

Full description (Punishment path) =

(3) Test Priti's confidence and ability to stand up to authority using the chocolate cake Patricia made for you. **Complete tasks 1 and 2 and test Priti's progress in your office.** You can do this either after her punishment or by summoning her with the phone on your desk.

Full description (Desires path) =

(2) Test Priti's confidence and ability to stand up to authority using the chocolate cake Patricia made for you. **Complete task 1 and test Priti's progress by summoning her to your office.**

If you are on the punishment path, you will need to complete [QPRI06](#) (punishing Priti), [QPRI09](#) (taking photos of Priti after the school play rehearsal) and [QPRI10](#) (getting the cake from Patricia).

If you are on the desires path, you will need to complete [QPRI09](#) (taking photos of Priti after the school play rehearsal) and [QPRI10](#) (getting the cake from Patricia).

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 1 – Your desire for chocolate". You leave Priti alone in your office with the cake, and tell her that failed the test, because she didn't rebel and eat the cake. Priti then licks the chocolate off your fingers, and you give her another slice of cake.

Note (punishment path only):

If you had already taken photos of Priti after the school play rehearsal (QPRI09) and bought the cake from Patricia (QPRI10) before you punished Priti, then you don't need to use the office phone. Instead, you can automatically test Priti's progress at the end of her punishment.

You then agree that you will buy a new bikini for Priti to wear on the beach. You tell Priti to meet you on the beach on Saturday afternoon.

Once this task is complete, the quest log will be updated. If you encouraged Priti to act on her repressed desires (without resorting to punishments), see [QPRI13](#) and [QPRI15](#) for the next actions. If you encouraged her break the rules as well as act on her repressed desires, then see [QPRI12](#), [QPRI13](#) and [QPRI15](#).

[QPRI12] Punish Priti in Your Office (to Level 3)

Full description = (1) Learning to Rebel – Priti is becoming a little more rebellious but she still needs more experience at being naughty. **Catch Priti misbehaving in class and then punish her in your office.**

If you have not already done so, you will need to pass the "strip to underwear" rule. To do this, pass the Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting. You will need Influence 10 and Discipline 55.

Teach classes until you see a scene where Priti spanks you as you are collecting homework answers from the class. To progress this quest, order her to your office after school. Priti will then automatically report to your office after the afternoon classes. Choose to give her a private punishment.

Note #1: You can also choose to ask Priti an impossible question during the Friday pop quiz. She will give a deliberately rude answer, and you can choose to punish her in your office.

Note #2: when Priti misbehaves in class, there are other punishment options you can choose. The other options can give you discipline/grade points but will not progress Priti's student quest. However, the event will randomly repeat when you teach a class so you can then choose a different option.

(The Bad Girl Priti guide (CLA17) includes a list of the other punishment options/outcomes you can choose for Priti. These are identical to the options available in this event.)

Priti will start the punishment at level 2. Tell her to strip to her underwear. Position her bent over the desk and give her a ruler spanking and paddle spanking. Position her over the knee, apply the ointment, massage her buttocks, massage her inner thighs, and give her a spanking. You will then get a message saying that you have raised her to the next level (level 3).

[QPRI13] Purchase a Bikini

Full description = (2) Understanding her Desires – Priti has a repressed desire to feel sexy. She confessed that she's always wanted to wear a bikini on the beach but her mother wouldn't let her. You should buy her a new bikini and encourage her to wear it in public and be photographed. **Purchase a string bikini and make sure Ada has her phone back.**

Note: on the Desires path, this task is shown as number (1), not (2).

Buy the string bikini from the Online Shopping | Clothing option on your office computer. It will cost \$500, and will arrive the following weekday.

You should also install the spyware on Ada's phone before returning the phone. You need to ask Miss Chang to install the spyware on Ada's phone and then speak to Ada on Monday afternoon so you can return her phone. (For details, see [QM500](#) to [QM502](#).)

Note: you do not need to install the spyware or return Ada's phone. You will still be able to complete Priti's quest. However, you will be unable to view Ada's photos on your computer until you return the phone.

[QPRI14] Meet Priti on the Beach

Full description = (2) Understanding her Desires – as you suspected, Priti has a repressed desire to feel sexy. She confessed that she's always wanted to wear a bikini on the beach but her mother wouldn't let her. You should buy her a new bikini and encourage her to wear it in public. **Meet Priti on the beach on a Saturday afternoon.**

Note: on the Desires path, this task is shown as number (1), not (2).

Buy the bikini for Priti ([QPRI13](#)). On Saturday afternoon, go to the Lake. You will give Priti the string bikini and she will spend the day at the beach, getting lots of attention from the rest of the girls and posing for pictures. You think that Priti is feeling very sexually frustrated and that she's either not masturbating regularly or she is, but feeling guilty about doing so. You tell yourself you need to summon her to your office to test her on what she's learned so far.

Note: if you are on the non-punishment path, Priti will now advance to the next level (level 3).

[QPRI15] Test 2: Desire to Feel Sexy

Full description (Punishment path) =

(3) Test Priti's ability to act on her desire to feel sexy. Complete tasks 1 and 2 and test Priti's progress in your office. You can do this either after her punishment or by summoning her with the phone on your desk.

Full description (Desires path) =

(2) Test Priti's ability to act on her desire to feel sexy. **Complete task 1 and test Priti's progress by summoning her to your office.**

If you are on the punishment path, you will need to complete [QPRI12](#) (punishing Priti), [QPRI13](#) (purchasing the bikini) and [QPRI14](#) (giving Priti the string bikini at the beach).

If you are on the desires path, you will need to complete [QPRI13](#) (purchasing the bikini) and [QPRI14](#) (giving Priti the string bikini at the beach).

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 2 – Your desire to feel attractive". You tell her that you want her to alter her uniform in a way that complies with the exact wording of the rules but makes a mockery of the school's uniform policy. You then tell yourself that you should spy on her to see how she's getting on.

Note (punishment path only):

If you had already seen Priti at the beach in her new bikini ([QPRI14](#)) before you punished Priti, then you don't need to use the office phone. Instead, you can automatically test Priti's progress at the end of her punishment.

[\[QPRI16\] Spy on Priti's Room and Complete Harriet's Questline](#)

Full description (Punishment path) =

(3) You decided to test Priti's ability to act on her desire to feel sexy by telling her to make some alterations to her uniform. You will need to **complete Harriet's student quest Maid for Punishment** to continue with Priti's story.

Full description (Desires path) =

(2) You decided to test Priti's ability to act on her desire to feel sexy by telling her to make some alterations to her uniform. You will also need to **complete Harriet's student quest Maid for Punishment** to continue with Priti's story.

Complete [QHAR01](#) to [QHAR10](#) of Harriet's student quest. This involves doing patrols to find out about Harriet's activities, doing a body search of Harriet and agreeing her punishment at the school board. You will then teach a class and see a punishment scene with Harriet. You strip Harriet to the waist and then announce her punishment as the new dormitory maid.

You can then complete the rest of Priti's quest. See [QPRI17](#).

[QPRI17] Uniform Alterations: Spy on Priti's Room

Full description = (3) You decided to test Priti's ability to act on her desire to feel sexy by telling her to make some alterations to her uniform. **Spy on her room in the evening** to see how she is getting on with the task.

Note: on the *Desires path*, this task is shown as number (2), not (3).

In the evening, spy on the dorms. If you have not already done so, you will need to spy on Liz's room first. You will see Harriet in her maid's costume, being given chores by Liz and Emily (See [QHAR10](#) for details).

After you have seen the scene in Liz's room, spy on Priti's room. You will see Harriet hiding in Priti's room while Priti is studying the uniform policy.

[QPRI18] Uniform Alterations: Teach a Class

Full description = (3) You decided to test Priti's ability to act on her desire to feel sexy by telling her to make some alterations to her uniform. **Teach a class** to see what changes she can come up with

Note: on the *Desires path*, this task is shown as number (2), not (3).

If you are on the *Desires path*, and you have not already done so, you will need to pass the "strip to underwear" rule. To do this, pass the Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting. You will need Influence 10 and Discipline 55.

Note: if you are on the *Punishment path* you will have already passed this rule when you raised Priti to Level 3 ([QPRI12](#)).

Teach a class. Priti will attend class in a very skimpy uniform. You will talk to her in your office after class, and then masturbate her.

Note: *if you are on the non-punishment path, Priti will now increase to the next level (level 4).*

You tell yourself that you will need to teach Priti how to masturbate herself regularly. You also decide that she should have some sexy nightwear to wear, to get her in the right frame of mind.

Once this task is complete, the quest log will be updated.

If you are on the punishment path, see [QPRI19](#), [QPRI20](#) and [QPRI22](#). If you are on the Desires path, then see [QPRI20](#) and [QPRI22](#) for the next actions.

[QPRI19] Catch Priti Misbehaving (raise to Level 4)

Full description = (1) Learning to Rebel – Priti's ability to rebel is improving and she's becoming a little more naughty. However, she still has a long way to go. **Catch Priti misbehaving in class and then punish her in your office.**

Teach a class. Priti will arrive in her skimpy uniform, remove her tie, and then calls you a big dummy. To progress this quest, order her to your office after school. You will get +1 grades.

Note: *If you choose to punish her in class (either by spanking her or giving her an enhanced nudity punishment), then you will get discipline/grade points, but you will not progress Priti's quest.*

However, if you teach further classes, then this event will then randomly happen again. You can then choose to order her to your office after school and continue this quest.

See [STP09](#) for more details of the in-class punishment options.

Priti will then automatically report to your office after the afternoon classes. Choose to give her a private punishment.

Priti will start this punishment at Level 3. Order her to strip to her underwear. Because Priti isn't wearing a bra, this will mean she will just be wearing her panties. Position her with hands above her head and then pinch her nipples and lick her nipples.

Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee and rub her pussy. You will then get a message saying that you have raised her to the next level (level 4).

[QPRI20] Speak with Priti Again

Full description = (2) Understanding her Desires – Priti confessed to masturbating occasionally but says she always felt deep shame afterwards. You strongly believe that young women should never be ashamed of their sexual desires. You, therefore, decided to help rid her of that shame by having her masturbate in front of you. Unfortunately, she lacks the confidence for that yet. **Wait until the next weekday morning to speak with Priti again.**

Note: on the *Desires* path, this task is shown as number (1), not (2).

After Priti wears her skimpy uniform to class and you masturbate her afterwards (QPRI18), you will automatically see a scene the next morning.

Priti, dressed in her skimpy uniform, talks to you. You suggest that she needs to appear fully naked in the school play. See QPRI21 for the next stage.

[QPRI21] Go to the Gymnasium on a Wednesday Evening

Full description = (2) Understanding her Desires – Priti confessed to masturbating occasionally but says she always felt deep shame afterwards. You strongly believe that young women should never be ashamed of their sexual desires. You, therefore, decided to help rid her of that shame by having her masturbate in front of you. First, she will need to build up her confidence. You suggested she perform nude in the next play rehearsal as a way to improve her confidence. **Go to the gymnasium on a Wednesday evening.**

Note: on the Desires path, this task is shown as number (1), not (2).

On Wednesday evening, go to the gym (in the sports center). You will see Priti appear naked on stage while playing the roles of Aphrodite and Pandora. This task will then be completed.

[QPRI22] Purchase New Nightwear for Her to Wear

Full description (Punishment path) =
(3) Complete steps 1 and 2 and then test Priti's ability to act on her desire for self love. **Purchase new nightwear for her to wear.**

Full description (Desires path) =
(2) Complete step 1 and then test Priti's ability to act on her desire for self love. **Purchase new nightwear for her to wear.**

Buy the sexy night wear from the Online Shopping | Clothing option on your office computer. It will cost \$800, and will arrive the following weekday.

[QPRI23] Test 3: Desire for Self Love

Full description (Punishment path) = (3) Test Priti's ability to act on her desire for self love. **Complete tasks 1 and 2 and test Priti's progress in your office.** You can do this either after her punishment or by summoning her with the phone on your desk.

Full description (Desires path) =
(2) Test Priti's ability to act on her desire for self love. **Complete task 1 and test Priti's progress by summoning her to your office.**

If you are on the punishment path, you will need to complete [QPRI19](#) (punishing Priti), [QPRI21](#) (seeing Priti naked in the school play) and [QPRI22](#) (buying the sexy underwear).

If you are on the desires path, you will need to complete [QPRI21](#) (seeing Priti naked in the school play) and [QPRI22](#) (buying the sexy underwear).

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 3 – Your desire for self love".

Note (punishment path only):

If you have already seen Priti naked on stage and bought the sexy night wear before you punished Priti, then you don't need to use the office phone. Instead, you can automatically test Priti's progress at the end of her punishment.

Priti says she thinks that touching herself is shameful. You and Priti both remove your clothes and masturbate together. You then tell Priti that you want her to try masturbating again as soon as possible, and you give her the sexy night wear. You tell yourself that you should spy on Priti's room to see how she looks in her new nightclothes.

[QPRI24] Sexy Lingerie: Spy on Priti's Room

Full description = (3) You have been teaching Priti that it's OK to touch herself. You gave her some sexy lingerie to wear in her dorm room at night to help get her in the right mood. **Spy on Priti's room.**

Note: on the Desires path, this task is shown as number (2), not (3).

In the evening, spy on Priti's room. You will see Priti in her sexy lingerie. Harriet, in her maid's uniform, tries to hide in Priti's room. Priti gets Debbie and gives Harriet a spanking. Priti then masturbates herself.

[QPRI25] Wait and See What Happens

Full description = (1) Thanks to all your help Priti is starting to become much more confident. She stood up for herself against Harriet and even gave her a spanking. You wonder what she will do next. **Wait and see what happens.**

The weekday after you see Priti spanking Harriet ([QPRI24](#)), this event will automatically occur. It will happen at the start of the afternoon. You go to the cafeteria, and see Cassandra trying to tease Priti, who ends up starting a food fight.

Note: If you press "skip day" during the morning, you will not see this event. Either carry out an event (e.g. teach a class, do a patrol) or use "skip period" instead.

You then hose down the girls to clean them and force them to attend the afternoon classes naked. You get discipline +5 and grades +5. You then tell Priti to report to your office for additional punishment. See [QPRI26](#).

[QPRI26] Decide on Priti's Fate

Full description = (2) Priti stood up for herself against a bully but inadvertently started a major food fight in the process. **Wait until after school and decide on Priti's fate.**

After the food fight and the subsequent afternoon class (where the food fight participants were naked), Priti will then automatically report to your office. You can decide to tell her that she must be punished, or that you won't punish her. If you decide to punish her, see [QPRI27](#).

If you decide not to punish Priti, you tell her that you would have loved to do the same to Cassandra as she did, and that Priti's proved how brave and confident she's become. However, Priti then suggests that she'd like a punishment from you.

You can choose to punish her anyway, as it's what she wants, or you can refuse to punish her. If you decide to punish her anyway, see [QPRI27](#). If you refuse to punish her, see [QPRI28](#).

Note: during this scene, it doesn't matter if Priti is on the punishment path or the desires path. You can choose to spank her even if she is on the desires path, and you can level her up without spanking her even if she is on the punishment path.

[QPRI27] Punish Priti (to Level 5)

Full description = (2) Priti stood up for herself against a bully but inadvertently started a major food fight in the process. Although you didn't blame her for her actions you decided she needed to be punished. **Punish Priti and raise her level using the punishment system.**

You tell Priti that it would be unprofessional to allow her act to go unpunished, and that the other girls will be expecting her to return with a red bottom. Priti then asks if you would like her to be your girlfriend. You can say that you should just be friends, or that you'd like to be her boyfriend but only after graduation. Miss Newman will then arrive and you will start the punishment.

Priti will start this punishment at Level 4. She is already naked. Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee, massage her inner thighs and rub her

pussy. Position her with hands above her head and finger her. You will then get a message saying that you have raised her to the next level (level 5).

Note: if you have choose the punishment path, you can also choose to pinch her nipples and lick her nipples instead of massaging her inner thighs and rubbing her pussy.

At the end of the punishment, choose "Test 4 – Your desire towards the opposite sex". You ask Priti to tell you what she desires most. Priti tells you that she would like to do another photoshoot with you, and she would like some more cake. You agree to meet her at the cafeteria on Saturday afternoon so that Priti can bake a cake and you can do the photoshoot at the same time. See [QPRI29](#).

[QPRI28] Test 4: Desire for the opposite sex

Full description = (1) Priti stood up for herself against a bully but inadvertently started a major food fight in the process. She accepted responsibility and offered herself up for punishment. However, you saw no need to spank her. Her training has been successful and there is no need to correct her behavior further. She is ready for your next test. **Test Priti's ability to act on her desire for the opposite sex.**

You tell Priti that you won't spank her for standing up for herself. Priti increases to the next level (level 5).

Priti then asks if you would like her to be your girlfriend. You can say that you should just be friends, or that you'd like to be her boyfriend but only after graduation.

At the end of the punishment, choose "Test 4 – Your desire towards the opposite sex". You ask Priti to tell you what she desires most. Priti tells you that she would like to do another photoshoot with you, and she would like some more cake. You agree to meet her at the cafeteria on Saturday afternoon so that Priti can bake a cake and you can do the photoshoot at the same time. See [QPRI29](#).

[QPRI29] Meet Priti at the Cafeteria on Saturday

Full description = (3) With your help Priti is blossoming into the brave and confident woman you always knew she could be. For her final test, you asked her what she desired most. She asked to do another photoshoot together and to eat more cake. You suggested meeting at the cafeteria at the weekend when it will be empty. **Meet Priti at the cafeteria on Saturday afternoon.**

On Saturday afternoon, go to the cafeteria. Priti bakes a cake whilst stripping naked, and you take photos of her. You then have a sixty-nine with her.

You assign her a new role as student counselor. Priti agrees that you can summon her to your office for punishment anytime you want. You also say that you can meet Priti here on Saturday afternoons so she can practice her cake baking some more.

[QPRI30] End of Priti's Content

Full description = You've reached the end of Priti's content for the current version of the game.

You can summon Priti to your office after school, and give her a punishment. If you go to the cafeteria on Saturday afternoons, you can repeat the scene where Priti bakes a cake and you have a sixty-nine with her.

[QEM] Emily: The Accidental Nudist

Description

Emily lost her towel at the beach and had to pretend to be a nudist to avoid a punishment for streaking. You decided that it would be a good idea to open an official school nudist area. First though you wanted to run the idea past Sally.

[QEM0a] Unlocking this Quest Part 1: Lucy the Maid

To unlock this event, you first need to employ Lucy as your maid and get her to serve you topless in your garden. To do this, please see Lucy's student quest, Maid for Pleasure ([QLUC01](#) to [QLUC06](#)).

Note: If you skipped Chapter 1 and started a game in Chapter 2, then Lucy will have already served you topless.

You need to visit the lake and play a trick on Lucy by making her think that there is a bee nearby. That will cause Lucy to run away, leaving Emily naked.

Ruth then accuses her of being a streaker, and you then convince Emily to become a reluctant nudist to avoid being punished for streaking. Ruth then suggests that you should designate a particular area of the beach where nudism is permitted. For details, please see [QLUC07](#) to [QLU08](#).

If you have not already done so, you will also need start Chapter 2 of the game by completing the main quest *A Man's Work* ([QM3](#)).

[QEM0b] Unlocking this Quest Part 2: Spying on Emily

In the evening, spy on Liz's room. You will hear Harriet saying she has heard that Emily is a nudist, and Emily explaining how Lucy left her naked and she had to pretend to be a nudist to avoid punishment. Liz then wonders if you might allow other girls to go swimming in the nude.

Note: Depending on what other events you have done, and when you last spied on Liz, the girls may talk about other subjects first. See [REFS8](#) for a note of all the topics of gossip that the girls discuss.

You tell yourself that Ruth did suggest designating an area of the beach as a nudist area, and that it sounds like something the girls might make use of. You think that you should suggest the idea at the school board, but that you want to run the idea past Sally first.

This quest will then unlock. Liz, Harriet and Emily continue to gossip. Emily tells Liz and Harriet about the only penis she's ever seen, and how she'd "love to see a nice big penis someday".

[QEM01] Speak with Sally

Full description = (1) Speak with Sally in the men's changing rooms on a weekday afternoon.

On Tuesday, Wednesday or Friday afternoon, speak to Sally in the changing room in the Sports Center. She will tell you that she overheard a rumor about Emily being a nudist. Sally will then tell you that her family were nudists as well. You agree to call Emily to your office for a little chat.

Note #1: If you have not already done so, you will first need to get Sally to speak to you about whether you have found a set of keys. See Sally's Lost Keys (SFN02) for details.

Note #2: if you have made Rachel your trainee, but you have not yet taught a sports lesson since she became your trainee, then when you go into the changing room you will see the "Sally and Rachel Get Changed" event (STR03). You will then automatically teach a football game. You will need to go back to the changing room on a Tuesday, Wednesday or Friday afternoon and speak to Sally again.

[QEM02] Summon Emily and Sally

Full description = (2) Summon Emily and Sally using the phone in your office

Use your office phone to summon Sally and Emily. You and Sally will strip, and then Sally will undress Emily. You will struggle to contain your erection, and you can choose to think un-sexy thoughts, or to just let it happen. Regardless of which option you choose, you get an erection.

You also tell Emily that you will be designating an area of the beach as clothing optional but that you will need permission from the School Board first.

After Emily leaves, Sally will give you a blowjob. Emily then walks back into your office and sees everything, giving her some very juicy gossip to tell her friends later.

[QEM03] Spy on Liz's Room

Full description = (3) Spy on Liz's room to see what Emily tells her friends

In the evening, spy on Liz's room. You will hear Emily telling Liz and Harriet about Sally sucking your cock. You will get horniness +1.

[QEM04] End of Emily's story line

Full description = You've reached the end of Emily's story line for this update.

Once you have spied on Liz's room, then you have completed Emily's story line for this update.

[QCAS] Cassandra: The Hostess with Mostess

Description

Cassandra is constantly getting in trouble. Whether it's by using her phone in class or simply by being disrespectful to her teachers. When questioned about her bad attitude Cassandra explained that she has no intention in working hard at school expecting that her good looks will win her a wealthy husband to provide for her. Realizing that you may have found a way to manipulate her into behaving, you offered to help her in her goal of meeting her prince charming in exchange for her good behavior in class.

Meanwhile, Mr Mykock emailed, informing you that some of the school's wealthy financial backers wanted a tour of the school and wished to be shown around by a student. You realized that with the right training Cassandra would be perfect for the role.

[QCAS00] Unlocking this Quest

To unlock this event, you will need to raise Cassandra to punishment level 2 and complete the "Cassandra's Shocking Realization" event. This involves punishing Cassandra after class and then spying on Debbie's room twice. (See below, or for more details see [PCAS01](#) and [STC01](#)).

Before you can raise Cassandra to Level 2, you will need to pass the Remove Skirts rule by punishing Debbie. See [PDEB02](#) for details. You will need Influence 4 and Discipline 25 to pass the rule.

You will also need to buy the Aloe Vera Cream. To do this, you will need to punish Rachel and spy on her room afterwards. See [PRAC01](#). The cream will cost \$50 and is available from the Online Shopping | Health option on your office computer.

Give Cassandra a private punishment. You can do this by teaching classes until she misbehaves, or you can complete "Faye's Embarrassing Situation" ([SCH01](#)) by going to the Sports Center on Wednesday afternoon and talking to Faye.

Remove her clothing & skirt. Position her bent over the desk and do both a hand spanking and ruler spanking. Position her over the knee, apply ointment, give her a hand spanking and massage her buttocks. You will then get a message saying that you have raised her to the next level (Level 2).

After you have spanked Cassandra and raised her to level 2, you can you can unlock 2 spying events with Cassandra and Debbie. See Cassandra's Shocking Realization ([STC01](#)) for more details.

Note: it is possible to raise Cassandra to Level 3 before you have completed the spy events. However, you will need to complete them before you can complete [QCAS02](#), below.

The following day, check your email (on your office computer). You will see an email from Mr Mykock. It says that a number of wealthy individuals have expressed an interest in visiting the school, and that he suggests you find a student to take them on a guided tour. You tell yourself that a girl trained to be the perfect hostess would be of great use to you. You think about choosing Cassandra. This quest will then unlock.

Note: once you have unlocked Cassandra's student quest, you can see a patrol event with Cassandra and Faye, where you realize that transforming Cassandra into a hostess is going to take a lot of work. See [XTRA08](#).

[QCAS01] Catch Cassandra Misbehaving in Class

Full description = (1) Catch Cassandra misbehaving in class and give her a private punishment in your office (you may need to unlock additional punishment methods by following other girls' storylines or through changing rules at the school board).

To complete this quest action, you will need to raise Cassandra to punishment level 3 and complete the "Cassandra's Shocking Realization" event. This involves punishing Cassandra after class and then spying on Debbie's room twice. (See below, or for more details see [PCAS01](#) and [STC01](#)).

Before you can raise Cassandra to Level 3, you will need to unlock the "massage inner thigh" option by punishing Debbie. See [QSAL103](#) or [PDEB03](#) for details.

Give Cassandra another private punishment. You can do this by teaching classes until she misbehaves, or you can complete "Faye's Embarrassing Situation" ([SCH01](#)) by going to the Sports Center on Wednesday afternoon and talking to Faye.

Remove her clothing & skirt. Position her with hands above her head, and do a body search. Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over the knee apply the ointment, spank her and massage her thighs. You will then get a message saying that you have raised her to level 3.

Note: using the camera to take pictures will not increase Cassandra's humiliation level – you must do a body search instead. However, it is still worth trying to use the camera to see the additional background dialogue.

At the end of the punishment, give Cassandra a Basic Flirting Lesson.

[QCAS02] Spy on Cassandra in Debbie's Room

Full description = (2) Spy on Cassandra in Debbie's Room.

In the evening, spy on Debbie's room. You will see Cassandra practicing her flirting in the mirror, while Debbie is putting up posters of the Celebrity Love Archipelago stars Jodie, Kelly & Paige.

Note: if you have not already done so, you will need to complete Cassandra's first two spy events first. See Cassandra's Shocking Realization ([STC01](#)) for details.

Fun note: if you have seen any of the Celebrity Love Archipelago episodes (see [OTV02](#) for details) then the dialogue changes slightly.

You discover that Cassandra is still much too proud of herself to learn anything from you. You decide to observe her behavior around the school in a variety of situations in order to discover her weakness and to devise an appropriate strategy.

This will unlock 3 new quest actions, to observe her behavior in class, while patrolling the halls, and in the shower room. (See [QCAS03](#), [QCAS04](#) and [QCAS05](#)) You can complete these events in any order.

[QCAS03] Observe Cassandra's Behavior in Class

Full description = (3) Observe Cassandra's behavior in class.

Teach a class. After the lesson you will stay behind to do some marking. Some of the students also stay behind chatting. Cassandra makes up a story about a hot date and you tell yourself that you suspect she has little real sexual experience.

[QCAS04] Observe Cassandra's Behavior while Patrolling the Halls

Full description = (4) Observe Cassandra's behavior while patrolling the halls.

Do a patrol during the week. You will see the twins showing off their football skills. Cassandra is annoyed that she is not the center of attention. She then tells everyone that Debbie has a crush on Miss Newman the sports teacher in order to get their attention again.

[QCAS05] Observe Cassandra's Behavior in the Shower Room

Full description = (5) Observe Cassandra's behavior in the shower room.

In the evening, spy on the showers. You will see Cassandra picking on the "crying girl" (see [PAT01](#) and [PAT02](#) for the crying girl events).

Note: if you spy on the showers immediately after you spied on Cassandra and Debbie ([QCAS02](#)) it is possible to complete this event that same evening.

[QCAS06] Convince the School Board

Full description = (6) Convince the school board to allow you to punish the girls yourself – advance the main quest **A Man's Work.**

If you have not already done so, you will first need to complete the "A Man's Work" main quest ([QM3](#)) and start Chapter 2 of the new game.

[QCAS07] Visit the Sports Center in the Afternoon

Full description = (7) Visit the sports center in the afternoon and give Cassandra a public punishment.

When you have observed Cassandra's behavior in class, while patrolling and in the shower ([QCAS03](#), [QCAS04](#) and [QCAS05](#)), you discover Cassandra's weakness: Hubristic Pride. Cassandra has enormous pride in herself, not for any

real accomplishment but for her very existence. You tell yourself that to shatter Cassandra's pride you must reduce her social standing.

On Tuesday, Wednesday, Thursday or Friday afternoon, go to the Sports Center. This event will automatically play out. You will see Faye standing naked outside the changing room after Cassandra pushed her out of the room. You get the girls to spank Cassandra with the paddle and then pleasure her until she has multiple orgasms. You will get +2 Horniness points.

Note #1: you have to click on the Sports Center on the main screen. If you click on the quick access button on the main map menu, you will not be able to complete this quest action.

Note #2: If Rachel is not your trainee yet (see [QRAC105](#)), then you will see a special scene where you meet Rachel first and ask her to carry your bag for you.

Note #3: You do not need to have completed Faye's Embarrassing Situation ([SCH01](#)) before you complete this event. However, the storyline makes more sense if you have done so. In addition, once you have completed this event, Faye will no longer appear beside the changing room door on Tuesday afternoon, so you will not be able to complete Faye's Embarrassing Situation afterwards.

[QCAS08] Spy on Cassandra's Room

Full description = (8) Spy on Cassandra's room and see how she is recovering from her punishment.

In the evening, spy on the dorms. You will tell yourself that you should check in on Cassandra, and that you suspect she'll be in her own room tonight.

Spy on Cassandra's room. (Note: Cassandra's room will initially be shown as an "unknown room".) You will see Cassandra visited by the other girls, who all give her a big hug. You tell yourself that Cassandra has finally shown some remorse for her actions and the tiniest bit of empathy towards her classmates. You also realize that you can use the photographs during punishment to give the extra humiliation Cassandra needs.

[QCAS09] See if Cassandra's Behavior has Improved

Full description = (9) Teach a class and see if Cassandra's behavior has improved.

Teach a class. At the start of the lesson, you will tell the students that the photographs you take during punishments will now be posted in the corridor

outside your classroom. Cassandra then calls you a pervert and you decide to punish her after class.

Note: if the next class you teach is on a Friday afternoon, you will still see this scene, instead of the normal "quiz" lesson.

[QCAS10] Punish Cassandra in your Office

Full description = (10) Punish Cassandra in your office and take humiliating photographs of her.

To complete this quest action, you will need to raise Cassandra to punishment level 4 and complete the "advanced flirting lessons" option at the end of the punishment.

Cassandra will automatically come to your office at the end of the day. Remove her clothing & skirt. Position her with hands above her head, and do a body search and use the camera to take pictures. Position her bent over the desk and do a ruler spanking and a paddle spanking.

Position her over the knee, massage her thighs and rub her pussy. You will then get a message saying that you have raised her to level 4.

Note #1: The "rub pussy" option was unlocked when you completed Debbie's student quest. See [QSAL104](#) for details.

Note #2: if you have passed the "strip to underwear" rule, you can tell Cassandra to do that instead of just removing her skirt. (The strip to underwear rule is unlocked at the start of Chapter 2. See [REFR04](#) for details.)

Fun note: After you have completed this punishment, if you click on the Classroom building during the day, you will see a special scene. You will see some of the other girls looking at Cassandra's punishment photos.

After the punishment, choose to give Cassandra advanced flirting lessons. You discuss some flirting and manipulation techniques and you tell Cassandra you want her to work for you. Cassandra then agrees to have dinner with you.

[QCAS11] Spy on Cassandra in the Dorms

Full description = (11) Spy on Cassandra in the Dorms

In the evening, spy on Debbie's room. You will see her talking with Debbie about your job offer, and Cassandra asks Debbie how she was persuaded to become a

perfect. Cassandra says she's impressed at how you convinced Debbie to do it, and to be happy about it.

[QCAS12] Teach a class and Speak with Cassandra

Full description = [\(12\) Teach a class and speak with Cassandra](#)

Teach a class. Before the class starts, Cassandra will approach you and try to blackmail you. You tell her she will be punished after school. During the lesson, you note that Cassandra is particularly attentive and even answers a few questions. You get +2 grades.

Note #1: if the next class you teach is on a Friday afternoon, you will still see this scene, instead of the normal "quiz" lesson.

Note #2: Cassandra will automatically come to your office at the end of that day to be punished, but you will need to have passed the "strip to underwear" rule before you can increase her punishment level (see [QCAS13](#), below). It is therefore advisable to pass the strip to underwear school rule before you complete this quest action.

If you need to pass the strip to underwear rule, see [QCAS13](#) for the next action. If you have already passed the rule, see [QCAS14](#).

[QCAS13] Approval to Punish Girls in Their Underwear

Full description = (13) Punish Cassandra in your office and use the vibrator on her (requires board approval for punishing girls in their underwear).

Once you have Influence 10 and Discipline 55, pass the new Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting.

Note: the strip to underwear rule is unlocked at the start of Chapter 2. See [REFR04](#) for details.)

[QCAS14] Punish Cassandra and use the Vibrator on her

Full description = (13) Punish Cassandra in your office and use the vibrator on her.

Give Cassandra another private punishment. Cassandra will automatically come to your office after she tried to blackmail you. Alternatively (for example, if you had not yet unlocked the strip to underwear rule), you can teach classes until she misbehaves, or you can ask her a difficult question during the Friday pop quiz.

She will start the punishment at Level 4. Order her to strip to her underwear. Position her with hands above her head and use the camera to take pictures (or do a body search).

Note: you can do a body search instead of taking pictures. However, you get an extra small scene which helps to develop Cassandra's storyline if you take the pictures.

Position her bent over the desk and give her a hand spanking, a ruler spanking and a paddle spanking. Position her over the knee, massage her thighs (or rub her pussy). Put her in the diaper position and use the massage wand. You will then get a message saying that you have raised her to level 5.

Note: you do not need to use the massage wand. While over the knee, you can choose to rub her buttocks, massage her thighs and then massage her pussy instead.

At the end of the punishment, choose to arrange a Practice Date with her. You agree to have a dinner date with her, and you tell her that you will purchase a new dress for her to wear. You will not complete this quest action unless you arrange the practice date.

[QCAS15] Purchase a New Dress for Cassandra

Full description = (14) Purchase a new dress for Cassandra to wear on your date.

Once you have \$1500, buy the Red Dress from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

Note #1: if you don't buy the red dress by the following Saturday, you will get a message saying that you're meant to be having a date with Cassandra but you haven't bought her a new dress yet. You say that you'll have to wait until the next weekend.

Note #2: the dress is delivered the following weekday morning. If you purchase the dress on Friday, it will not be delivered until Monday, and you will not be able to do the date that weekend.

[QCAS16] Wait for your Date with Cassandra

Full description = (15) Wait until Saturday evening for your date with Cassandra.

Once you have bought the dress, this scene will automatically happen the following Saturday evening. Cassandra will arrive and change into the red dress. You will have dinner.

During the date, talk about both the job opportunity and her motivations. You then realize that Cassandra has been drinking rather quickly, and you wonder if you should warn her that she is drinking too much.

You should choose "Say something". If you choose "Wait and see what happens", Cassandra will get drunk and the date will end. See [QCAS17](#) for the next steps.

If you choose "say something", you will tell her that most men she will have dinner with will likely try to get her drunk, because it's a tried and tested strategy for getting women to sleep with them. She thanks you for the advice. At the end of the meal, she agrees to move over to the sofa with you. You tell her that to keep a wealthy man interested, she needs to demonstrate sexual competence by giving them a blow job.

Cassandra will then give you a very poor blow job. You can choose to either "break it to her gently" or "be brutally honest". The dialogue will change, but in both cases you tell her that she needs to practice more.

You tell her she is to report to your office after school, and that you will discipline her and she can practice sucking your cock. You also tell her that she should try

and find some instructional porn videos, and suggest that Debbie could help her find some suitable videos.

At the end of the date, you tell yourself that you should check in on Debbie's room to make sure Cassandra asks for help finding some instructional porn videos. See [QCAS18](#).

[QCAS17] Speak with Cassandra and Rearrange your Date

Full description = (15) Speak with Cassandra before class and rearrange your date.

You will only get see this quest action if Cassandra gets drunk during your date. During the week, teach a class. Before the lesson, Cassandra will speak to you and say that she'd like to try the date again.

This action will then change back to "Wait until Saturday evening for your date with Cassandra" ([QCAS16](#)). The following Saturday, you will get another date with Cassandra.

[QCAS18] Spy on Debbie's Room

Full description = (16) Spy on Debbie's room.

After your date with Cassandra, spy on Debbie's room in the evening. Debbie says that she can share some blowjob videos with Cassandra, and they agree that Cassandra will go down on Debbie. They watch some videos and then make out. Cassandra licks Debbie's pussy, but does so badly. Debbie then shows Cassandra how to masturbate properly.

[QCAS19] Summon Cassandra for Punishment

Full description = (17) Summon Cassandra to your office for punishment after school.

After classes, summon Cassandra to your office for punishment. You are given the option to skip her punishment, or to give her a spanking first.

Note #1: you are only given the option to summon a girl for punishment if no other girls have been ordered to your office. For example, if you taught a class that day and ordered a girl to be punished after school, you will not be able to summon another girl.

Note #2: if the current version of the game, you cannot increase Cassandra to punishment level 6. You therefore may wish to skip the

spanking. (However, you can get still some money by spanking Cassandra.)

If you give her a spanking, then after the punishment choose to give her some blowjob practice. If you choose to skip the spanking, you will automatically start the blowjob practice.

Cassandra will then give you a blowjob. You tell it was a passable blowjob, but you think you need to find her a proper instructor. You wonder if Trixie would be willing to help out with some hands-on sex-ed.

[QCAS20] You've reached the end of Cassandra's content

Full description = You've reached the end of Cassandra's content for this update.

You can continue to summon Cassandra to your office for blowjob practice, but this is the end of her student questline in the current version of the game.

[QHAR] Harriet: Maid for Punishment

Description

Harriet Rose is a smart and savvy young woman, who claimed to have run a successful company before being forced back to school. Whilst spying on the girl's dorms you observed Harriet pressuring another student into giving her homework answers in exchange for chocolate. Harriet, it seems, was then selling these answers to other girls in exchange for cash.

You had noticed the girls' average grades have been falling recently. Could this be one of the causes? You will need to deal with Harriet's criminal enterprise as soon as possible. You will also need to devise a suitably harsh punishment to make sure the girls understand just how important their grades are.

[QHAR00] Unlocking this Quest

To unlock this event, you will need to need to complete the first part of Priti's Student quest, where you summon Priti to your office, and she confesses to giving Harriet the answers to Mr Wilson's homework ([QPRI05](#), see also [STP03](#)).

The following morning, there will be a scene where Priti apologizes to you, and you talk about how you will help Priti. At the end, you tell yourself that Priti is already a good girl with excellent grades, but Harriet is the true criminal deserving of punishment. This quest will then unlock.

[QHAR01] Patrol the Campus During the Week

Full description = (1) Knowing Harriet's guilt won't be enough to stop her, you'll need to catch her red handed with sufficient evidence to provide her crimes to the school board so she can be suitably punished. **Patrol the campus during the week** and keep an eye out for Harriet.

You will need to complete the "Charlotte Caught Smoking" ([PAT16](#)) and "A Spanking or a Handjob" ([PAT17](#)) patrol events.

This involves doing a patrol until you find Charlotte smoking. You need to choose to punish Charlotte, and search her thoroughly for more cigarettes. When you do another patrol, you will see Charlotte and Harriet doing a trade. Charlotte gives Harriet a pair of knickers in return for a pack of cigarettes. You then follow Charlotte and find her smoking again.

Note: Charlotte will offer you a handjob to avoid being punished. You can choose to punish her or accept a handjob. Either option will allow you to continue with Harriet's student quest.

The next quest action(s) will vary depending on what you have already done (or not done). If you have already visited the cafeteria and overheard Harriet talking about her source, then see [QHAR03](#). If you have already passed the topless in class punishment rule as well, then see [QHAR04](#) for the next action. If you have not done any of this, then see [QHAR02](#).

[QHAR02] Visit the Cafeteria at Lunchtime

Full description = (2) You spotted Harriet selling cigarettes to Charlotte. Clearly, she is getting supplies from someone off-campus. If you knew where Harriet was meeting her source you could follow her. Perhaps you might overhear something while the girls are eating lunch. **Visit the Cafeteria at Lunchtime.**

If you have not already done so, you will need to open the cafeteria. See [QPRI10](#) for details of how to open the cafeteria. The first time you visit the cafeteria, you will see Donna being punished.

The second time you visit the cafeteria, you will overhear Harriet asking Priti why she was called to your office, and if she snitched on Harriet. Harriet then says that she'll be meeting her contact soon.

Note: it is possible to visit the cafeteria and hear Harriet saying that she will be meeting her contact soon before you complete Charlotte's two patrol events. If this happens, then you will not see this quest action as you have already completed it.

[QHAR03] Patrol the Halls and Follow Harriet to Find her Source

Full description = (2) You spotted Harriet selling cigarettes to Charlotte. Clearly, she is getting supplies from someone off-campus. While you wait for Harriet's next delivery, ensure you have the correct punishment methods available to deal with her when the time comes. **Pass the topless in class public punishment rule.**

At the School Board on Friday morning, pass the Public Punishment rule "Students misbehaving during class may be ordered to remove all clothing above the waist for the remainder of the lesson" (see [REFR05](#) for details). You will need Influence 11 and Discipline 65.

[QHAR04] Patrol the Halls and Follow Harriet to Find her Source

Full description = (2) You spotted Harriet selling cigarettes to Charlotte. Clearly, she is getting supplies from someone off-campus. You can't bust Harriet until you find her source. **Patrol the campus during the week** using the patrol button on the map and follow Harriet to find her source.

Do a patrol. You will see Harriet secretively hurrying towards the school's back gate. You will see her meeting Lily (who is the sister of Samantha, your secretary). Lily is her source, who is supplying her with alcohol, cigarettes, chocolate and knickers.

Note: you do not have to complete the "Meeting Lily" event ([OTH13](#)) first, but it helps the storyline if you have done so.

You tell yourself that you need to catch Harriet with another girl's homework answers. You wonder if she might store her contraband in one of the sports center lockers.

[QHAR05] Spy on Rachel's Room after Punishing Her

Full description = (3) It turns out that Harriet is buying cigarettes, alcohol and underwear from Samantha's sister, Lily. Now you know her source, you're going to need a reliable student witness with you to bust the whole affair wide open. You think Rachel might be a good choice - spy on her room after punishing her to find out.

Game note: this action only applies to saves from previous games. If you start a new game, you will need to start Rachel's quest in Chapter 1, before you start Harriet's quest. This means you will not see this action.

If you have not done so, you will need to start Rachel's student quest ([QRAC1a](#)). This involves teaching classes until you see Rachel falling asleep in class, giving her a private punishment, and then spying on her afterwards. See the section on "unlocking this quest" ([QRAC100](#)) for details.

[QHAR06] Advance Rachel's Student Quest

Full description = (3) It turns out that Harriet is buying cigarettes, alcohol and underwear from Samantha's sister, Lily. Now you know her source, you're going to need a reliable student witness with you to bust the whole affair wide open. **Advance Rachel's student quest: The Headmaster's Pet.**

Game note: this action only applies to saves from previous games. If you start a new game, you will need to make Rachel your trainee in Chapter 1, before you start Harriet's quest. This means you will not see this action.

If you have not done so, you will need to make Rachel your trainee. To do this, follow the "Headmaster's Pet" student quest until you complete the action "Catch Rachel falling asleep in class again then assign her the role of your trainee" (see [QRAC106](#)).

[QHAR07] Perform a Body Search on Harriet

Full description = (3) It turns out that Harriet is buying cigarettes, alcohol and underwear from Samantha's sister, Lily. Now you know her source, it's time to make your move and busy the whole affair wide open. You've seen her hanging around the sports center lockers on Monday and Friday afternoons and suspect she stashes all her contraband there. A thorough search of her person is in order. **Perform a body search on Harriet.**

You will need to pass the Body Search rule at the Friday school board meeting. If you have not done so, at the School Board on Friday morning, pass the Headmaster's Privileges rule "The Headmaster has the right to perform a body search of anyone on campus. Students must raise their skirts and open their shirts to allow for easy access to their underwear." (See [REFR06](#) for further details). You will need Influence 11 and Discipline 70 to pass the rule.

On Monday or Friday afternoon, go to the Sports Center and speak to Harriet. Choose to do a body search.

Note #1: if you have not already done so, you can ask her "how are you?" and "how's business?" These are not required but help to progress the storyline.

Note #2: if you have not already completed Cassandra's event "Unlocking her Weakness" ([PCAS04](#)) where the other girls spank Cassandra with the paddle in the sports center, then you cannot see Harriet on Friday. You will see Cassandra's event instead.

After doing a body search, you also check Harriet's bag and find homework answers from other girls. You tell her that she will face very severe consequences for this, and that you will discuss it with the school board on Friday to devise a special punishment for her.

[QHAR08] Wait for the Next School Board Meeting

Full description = (4) When searching Harriet's bag you found all the evidence you need to prove to the school board the seriousness of her crimes. Now you'll be able to convince the school board of the need for serious punishment. **Wait for the next school board meeting.**

The following Friday morning, you will automatically see a scene where you tell the Board about Harriet's black market trade in homework answers. You tell the board the Harriet should be made to work for free for the benefit of the other girls, like a maid. You say that the other girls will be given permission to punish Harriet if she does not comply. You then suggest that Harriet's physical condition should

be assessed every week at the school board meeting to ensure she is not being punished excessively.

[QHAR09] Teach a Class and Announce Harriet's New Punishment

Full description = (5) The school board agreed to a new form of punishment, one reserved for the most serious offenders. Harriet will be made to act as a maid for the other girls in the evenings and weekends. The other girls will be given permission to punish her if she does not comply. **Teach a class and announce Harriet's new punishment.**

During the week, teach a class. After the school board meeting where you discuss Harriet, you will automatically see this scene. You will give Harriet a topless punishment. You then announce the Harriet is now the dormitory maid and that if she fails to comply, the other girls may spank her. You tell yourself that you should check the dorms to see how Harriet is getting on with her punishment that evening.

This will then unlock two new tasks – Spy on Liz's room ([QHAR10](#)) and Examine Harriet's Naked Body at the School Board ([QHAR13](#)).

You will also get +10 Grades and +10 Discipline.

[QHAR10] Spy on Liz's Room

Full description = (6) You made a big announcement to let the other girls know about Harriet's new punishment. You should spy on the dorms to see how she is reacting to her new punishment. She normally hangs around Liz's room. **Spy on Liz's room.**

After you have announced Harriet's new punishment ([QHAR09](#)), spy on Liz's dorm room in the evening. You will see Harriet dressed as a maid, and being given chores by Liz and Emily.

[QHAR11] Advance Priti's Quest: Improve Priti's Confidence

Full description = (7) Harriet is clearly unhappy about her new punishment but you won't know if it's effective until you see another student punish her. Perhaps if you are able to improve Priti's confidence enough she might be able to finally stand up to Harriet. **Advance Priti's student quest: The Reluctant Rebel.**

You will need to raise Priti to level 3, complete her second task (desire to feel attractive), and then spy on Liz's room and then Priti's room. See [QPRI01](#) to [QPRI17](#) for details of completing Priti's student quest.

When you spy on Priti's room, you will see Harriet hiding in Priti's room while Priti is studying the uniform policy.

[QHAR12] Advance Priti's Quest: Help Priti Stand up to Harriet

Full description = (7) Harriet is slacking off from her punishment by taking advantage of Priti's timid nature. You need to help Priti become more confident and assertive so she can stand up to Harriet. **Advance Priti's student quest: The Reluctant Rebel.**

You will need to raise Priti to level 4, complete her third task (desire for self love), and then spy on Priti's room. See [QPRI18](#) to [QPRI24](#) for details of completing Priti's student quest.

When you spy on Priti's room, you will see Priti in her sexy lingerie. Harriet, in her maid's uniform, tries to hide in Priti's room. Priti gets Debbie and gives Harriet a spanking. Priti then masturbates herself.

[QHAR13] Examine Harriet's Naked Body at the next School Board

Full description = You have given permission for the other girls to spank Harriet if she does not comply with her punishment. You will need to examine Harriet's body regularly for bruising to make sure the other girls

are not abusing their power over her. **Examine Harriet's naked body at the next school board meeting.**

After you have announced Harriet's new punishment (QHAR09), wait until Friday morning when you will go to the school board meeting as usual. You will then automatically see a scene where Harriet strips naked and the teachers will examine her nude body. You will get +2 Influence Points.

Note: you can inspect Harriet at future meetings of the school board as well. To do this, choose the new "Student Body Inspections" option in the agenda and then "Harriet Rose". Harriet will strip naked and the teachers will examine her nude body.

[QHAR14] End of Story Line

Full description = You've reached the end of Harriet's story line for this update.

Once you have examined Harriet's naked body at the school board, you have reached the end of her storyline for this update.

[QLIZ] Liz: A Lucky Streak

Description

Liz appears to be suffering from exhibitionistic disorder; characterized by a compulsive desire to exhibit her body to others in order to gain sexual pleasure from their reactions.

Most young women have mild exhibitionistic tendencies, however, true female exhibitionists are extremely rare. I am very fortunate to have a girl like Liz in my class; her acceptance of being naked in public will set a good example for the other girls, and help both staff and students learn to accept nudity on campus.

Although useful (and entertaining) from my perspective, Liz is distracted from her studies and is at risk of developing more serious sexual paraphilias. Trying to suppress her urges will only make them worse. Instead, I should use my punishment method to help her understand and satisfy her desires.

On my way into school, one of my students, Liz, flashed her genitals at me and my secretary. She pretended it was an accident, however, I suspect it was a potential sign of an exhibitionistic disorder. I will need to keep a close on this young lady.

[QLIZ00] Unlocking this Quest

Start Chapter 2 of the game by completing the New Chapter event (OTH14). On Friday, at the school board meeting, you will say that you feel a change in the atmosphere, as if you have entered a whole new chapter for the school.

After you have had this Board meeting, spy on the dorms. You will get a special scene where you smell Marijuana and you ask Maria Consuelo to do a search. Maria tells you that she can't find anyone smoking weed. You tell her that this is something you will need to discuss at the school board.

The following Friday, at the school board, there is a special scene where you discuss this. A new Body Search rule is unlocked.

The following Monday, you will see a scene where you and Sam see Liz sitting on a wall. You tell Liz to get down from the wall, and she exposes herself to you. You tell yourself that Liz might be an exhibitionist, and that she could help staff and students accept nudity based punishments.

[QLIZ01] Strip to Underwear Rule and Horniness

Full description = (1) Increase horniness to at least 6 and pass a rule allowing you to make girls strip to their underwear for punishment.

If you have not done so, you need to pass the Corporal Punishments rule "students may be ordered to strip down to their underwear" at the Friday morning school board meeting. You will need 10 Influence and 55 Discipline.

You also need to have horniness 6+. For a list of all the horniness points and how to get them, see [REF02](#).

[QLIZ02] Be on the Look Out for Any Unusual Behavior

Full description = (2) Teach a class and be on the look out for any unusual behavior.

Teach classes until you see an event where Liz looks distracted and then drops her pen.

Note: this event can happen from the start of Chapter 2, but you need to have passed the Strip to Underwear rule and have Horniness 6+ before you can complete this action.

Choose "let me get that for you" and pick up Liz's pen. After class, you will speak to Liz about her fantasies of being exposed in public, and you will finger her. You will discover that Liz is an exhibitionist who enjoys showing off her naked body.

[QLIZ03] Sentence Liz to a Private Punishment

Full description = (3) Teach a class and watch out for Liz daydreaming. Then **sentence her to a private punishment** in your office after school.

Teach classes until you see Liz being distracted again, or ask Liz an easy (or hard or impossible) question during the Friday pop quiz. Order her to your office after school so that you can give her a private punishment. At the start of the punishment, Liz will immediately strip naked. You then tell Miss Newman that Liz is an exhibitionist who gains sexual pleasure from exposing themselves to other people. You will then sentence her to a private spanking.

Liz will start this punishment at Level 1. She is already naked. Position her with hands above her head and use the camera to take pictures. Put her over your knee and give her a hand spanking. Put her in the diaper position and give her a ruler spanking. Position her on her knees, slap her face with your penis and then ejaculate on her face. You will then get a message saying that you have raised her to the next level (Level 2).

At the end of the punishment, choose to discuss sexting with her. You will tell her to take provocative pictures and share them with you to help satisfy her exhibitionist urges.

[QLIZ04] Spy on Liz

Full description = (4) Check in on Liz after her punishment. Spy on Liz's room.

In the evening, spy on Liz's room. You will see Liz talking to Harriet and Emily. Liz starts masturbating herself while telling them about her punishment.

Once you have spied on Liz, you will see a series of texts from Liz on your phone. You then see a video stream of Liz masturbating herself.

Note: you will not see this spy even unless you choose the sexting activity after her punishment.

Fun note: once you have seen this first sext from Liz, you can see two more. One will happen on the first Sunday morning after Liz's first sex. The other will happen the first time you teach a sports class. See [STZ03](#) and [STZ04](#) for details.

[QLIZ05] Visit Sally at her Apartment to Brainstorm Ideas

Full description = (5) Liz is going to be a tricky case. Visit Sally at her apartment in the evening to brainstorm ideas.

After you have received the first sext from Liz, with the video of her masturbating (QLIZ04), visit Miss Newman's apartment in the evening.

You discuss Liz's punishment with Sally. You tell her it would be useful if Sally could show Liz how a woman can be sexy while still remaining full dressed. You offer to buy a new outfit for her.

During your discussion Izzy enters the room dressed in sexy lingerie, and then quickly runs away when she realizes you are there.

Sally then asks what will happen if you have to punish Liz in class. You tell her that the rules must be enforced and that means you would have no choice but to punish her while she is completely naked.

At the end of the following weekday, you will phone Mr Mycock. You tell him you want to purchase a new outfit for Sally. Mycock says that he will send a suitable dress to you.

[QLIZ06] Corporal Punishment in front of the Class

Full description = (6) Teach a class then give Liz corporal punishment in front of the class.

After you have talked to Sally in her apartment (QLIZ05), teach classes until you see Liz daydreaming in class again, or ask Liz an easy (or hard or impossible) question during the Friday pop quiz.

Choose to give her corporal punishment in class. You will strip her naked and bring her to orgasm. You will raise her to the next level (Level 3). You will also get discipline +4 and horniness +1.

At the end of class, Liz will clean up the mess she made. She then gives you a handjob. While she is doing so, you are discovered by Debbie, who stays and watches the handjob.

[QLIZ07] Public Punishments in Underwear Rule

Full description = (7) Pass a rule with the school board requiring girls to perform public punishments in just their underwear (if they have any).

Once you have 10 Influence and 55 Discipline, pass the Public Punishment rule "strip to underwear for public punishment" at the Friday school board.

[QLIZ08] Ask Sam on a Date

Full description = (7) Make sure your staff are ready to see students performing fully naked public punishments. Start by asking her out.

If you have not already done so, you will need to have your first date with Samantha.

To do this, go to the school office and speak to Samantha when she is sitting at her desk. Ask her about "the local area" and then "ask her out for dinner". That evening, you will go on the date with Samantha.

See [QSAM00](#) for more details, including which options you should choose to have a successful date.

[QLIZ09] Ask Sam on a Second Date

Full description = (7) Make sure your staff are ready to see students performing fully naked public punishments. Start by asking her out on a second date.

After your first date with Samantha, speak to Samantha at her desk again. Choose to "ask her out for a second date". Sam will refuse, because she is worried that people will gossip if she starts going on dates with her boss. This will then unlock Samantha's staff quest, A Secretary's Reputation ([QSAM](#)).

[QLIZ10] Advance Samantha's Staff Quest

Full description = (7) Make sure your staff are ready to see students performing fully naked public punishments. **Advance the staff quest: A Secretary's Reputation.**

To complete this action, you will need to build the cafeteria. See [QSAM02](#) and [QSAM03](#) for details.

Once the cafeteria is open, visit the cafeteria during a weekday afternoon. The first time you visit the cafeteria, you will see Donna being punished by Patricia while several girls and members of staff watch.

Visit the cafeteria a second time. Choose "late lunch (eat with Samantha)". You will have lunch with Samantha, and you will offer to help Samantha with her gardening. You agree to visit her on Sunday afternoon. (See [QSAM04](#) for details.)

[QLIZ11] Wait for Liz to Misbehave: Flashing

Full description = (7) Wait for Liz to misbehave. In the meantime advance the staff quest: A Secretary's Reputation.

The day after Liz has been raised to level 3 ([QLIZ06](#)), you see Liz accepting a dare from April to flash you.

If you have not already done so, you will need to pass the body search rule. At the School Board on Friday morning, pass the Headmaster's Privileges rule "The Headmaster has the right to perform a body search of anyone on campus." You will need Influence 11 and Discipline 70 to pass the rule.

If you have not already done so, you will also need to pass the Public Punishment rule "strip to underwear for public punishment" at the Friday school board. You will need 10 Influence and 55 Discipline to pass the rule.

On Sunday afternoon, you will be asked if you want to walk to Samantha's house. Say "yes". You spend the afternoon clearing Sam's overgrown garden. Usually, Sam will then invite you into her house for tea and biscuits.

Note: if your first date with Sam went badly ([QLIZ08](#)), and depending on the choices you made when Arabella joined the school ([QSAM02](#)), then Sam may be upset with you. If Sam is upset with you, then you will need to visit Sam the following Sunday to do some more gardening. At the end of your second visit, then Sam will offer you tea and biscuits.

See [QSAM05](#) for details about doing the gardening with Sam., and a table giving details about whether Sam will be upset with you or not.

Once you have passed the body search and strip to underwear for public punishment rules, raised Liz to level 3, and had tea and biscuits with Sam, then Samantha will speak to you in your office. She says that she thinks she smelt cannabis smoke near the dorms. You ask Samantha to stay after work and retrace her steps.

That evening, you will visit the dorms with Samantha. Liz will pretend to trip on the carpet and exposes herself. You then do a body search of Liz, April, Cassandra and Alice while Samantha watches.

During the punishment, April tells you she is wearing a sanitary pad. If you take her word for it, you will get +2 discipline and +1 popularity. If you pull her knickers down anyway, you will get +2 discipline.

You then tell Liz to report to your office after school the next day for an additional punishment. See [QSAM09](#) and [QSAM10](#) for more details.

Game note: if you have passed the body search rule, raised Liz to level 3, and had tea and biscuits with Sam, but you have not passed the "strip to underwear for public punishment" rule, then Samantha will tell you about the smell of cannabis smoke. However, you will not be able to visit the dorms with Samantha until you have also passed the "strip to underwear for public punishment" rule.

[QLIZ12] Naked Public Punishment

Full description = (7) Wait for Liz to report to your office and sentence her to a naked public punishment.

Complete the body search of Liz, April, Cassandra and Alice (QLIZ11). At the end of the following day, Liz will automatically report to your office for punishment. You will make her do a public punishment.

Note: if you press "skip day" during the day, Liz will not report for punishment. (Pressing "skip period" is OK.) Instead, you will have to wait until the following day and make sure you don't press "skip day".

Because Liz is not wearing any underwear, she will strip naked for her public punishment. At the end of her punishment, Liz will give you another handjob.

[QLIZ13] Earn Samantha's Trust

Full description = (8) Providing Liz with more sexualized public punishments will be difficult without staff support. I should try to make progress earning Samantha's trust. **Advance the staff quest A Secretary's Reputation.**

During the week, go to the office. You will see Ruth accusing Sam of having stolen Ruth's crucifix. Ruth asks you to carry out a body search on Samantha. You can agree to search her, or you can refuse.

The following Sunday afternoon, choose to walk to Sam's house again so that you can do some more gardening. You will have dinner with Sam. Lily arrives home and makes you play a drinking game. You then demonstrate your disciplinary technique on Lily. You strip her naked, tie her up, humiliate her, spank her and then massage her.

Note: if you did the body search on Samantha, then you will tell yourself that Sam is still upset with you. You will spend the afternoon working on Sam's garden before collapsing, exhausted. Sam then says that she forgives you. You will then need to visit Sam the following Sunday before you will be able to have dinner with Sam.

The following morning, you will see Liz accepting another dare from April. You tell yourself that you should keep an eye out for bad behavior around the school.

You then speak to Samantha and reassure her that your opinion of her hasn't changed after the previous night. Sam then tells you that a package arrived for Miss Newman. You tell yourself that it must be the new dress for Sally.

See [QSAM12](#) for more details about the missing crucifix and Sam's body search. If you did a body search on Samantha, see [QSAM13](#) for more details. For more details of the dinner with Samantha and Lily's punishment, see [QSAM14](#).

[QLIZ14] Wait for Liz to Misbehave Again: Streaking

Full description = (8) Wait for Liz to misbehave again.

In the afternoon, go to the cafeteria. Choose "late lunch (eat with Samantha)". You will have lunch with Samantha and Sally. While you are having lunch, a stalker runs past. You will get horniness +1

You then tell Sally to arrange to have a suspect line-up of all the girls matching the stalker's height and build. Because there were not enough girls matching the stalker's physical description, Sally asks Samantha to join the line-up, and Ruth accidentally decides Samantha is the stripper.

Samantha runs away in embarrassment, and you then correctly identify that Liz was the stalker. You tell Liz that she will be punished for two crimes: firstly for streaking, but also for failing to confess and hoping someone else would take the blame.

[QLIZ15] Liz Needs to be Punished

Full description = (9) Liz needs to be punished for streaking and for failing to confess. Perhaps escalating her corner time will be effective.

This action will happen immediately after the previous action. Sally will change into her new uniform. She then gives you a note from the school owners. It says that Sally's new dress will become more transparent when Sally becomes sexually excited. It also says that Sally has been offered a promotion to deputy headmistress. You then tell Sally that you will test her new dress by punishing Liz.

Liz will start this punishment at Level 3. She is already naked. Position her with hands above her head, use the camera to take pictures, and then forcefully molest her. Put her in the diaper position, give her a ruler spanking, and then rub her clit with the tip of your penis. Position her on her knees, slap her face with

your penis and then ejaculate in her mouth. You will then get a message saying that you have raised her to the next level (Level 4).

At the end of the punishment, you tell Liz that she will be doing her corner time in public, standing in the courtyard. You also punish April, Cassandra and Alice for persuading Liz to streak. The three girls are wearing non-regulation underwear so they are forced to strip naked for their punishment.

The other students admire Sally's new dress. You will get +6 discipline and +1 horniness.

[QLIZ16] End of Story Line

Full description = Because of her weakness, Liz may be the perfect first student to be publicly penetrated for educational or disciplinary purposes. There's much to do before that can happen. COMING SOON.

Once you have raised Liz to level 4 and made her do corner time in the courtyard, you have completed Liz's story line for this update.

[QMAX] Maxine: Pride and President

Description

Maxine's self-appointed position as Student President and her demands on behalf of the students have the potential to interfere with your plans for this school. You must find leverage, to take advantage of something she is passionate about to keep her in her place.

[QMAX00] Unlocking this Quest

You will need to have started Chapter 2 of the game, by completing the Main Quest "A Man's Work" ([QM3](#)) so that you can punish the girls yourself.

On the second day of Chapter 2, you will see a scene where Maxine is waiting to speak with you. She wants to discuss an important issue about the girls' knickers. You tell her to visit you in your office.

You then tell yourself that you should spend some time doing paperwork in your office and see what Maxine wants. You think that you could always just watch porn in your office, which might make it more entertaining listening to Maxine's complaint.

This will then unlock the first 3 actions below ([QMAX01](#) to [QMAX03](#)). These 3 actions can be completed in any order.

[QMAX01] Donate Generously to Maxine

Full description = Donate generously to Maxine, to show your dedication to charity. You often see her when on patrol.

To complete this action, you will need to do patrols during the week until you see the Naked Mole Rat event ([PAT15](#)) with Maxine. In Chapter 2, you will see most of the patrol events in a particular order. This means that the Naked More Rat will usually be the second or third patrol event that you see.

Note: see [REFS7](#) for more information about the order of patrol events in Chapter 2.

The first time you see this event, Maxine will tell you that she is collecting money to save the naked mole rat, and will ask if you wish to see a picture of the naked mole rat or not. You will then give her a \$20 donation and get +1 popularity.

You will then need to do additional patrols until you see this event again. You have the option of donating \$20 or \$100. You need to donate at least \$120 to complete this action, so you should give her \$100. You will get +3 popularity.

Until you have donated at least \$120 to Maxine, you will see this event the first time you do a patrol each week.

[QMAX02] Check What Maxine is up to in the Dorms at Night

Full description = Check what Maxine is up to in the dorms at night. You've seen her hanging around in Rachel's room before.

To complete this action, you will need to see the spy event Maxine Gets a Whipping ([SPY04](#)).

Note: if you start a game at Chapter 2, this event will already have been completed.

To view Maxine Gets a Whipping, you will need to complete several other spy events first. These are: Rachel in the Shower ([SWR01](#)), Cassandra's Red Butt ([SPY01](#)), Rachel and the Ointment ([SPY02](#)) and Amy and Maxine ([STY01](#)). The events involve punishing Rachel, Cassandra and Amy and then spying on them afterwards.

You will also need to complete the first two actions in Debbie's Taming a Prefect Quest (see [QDEB100](#) to [QDEB102](#)). This involves making Debbie a prefect and using her to stop Maxine's protests.

Once you have completed all these events, spy on the dorm rooms in the evening. You will tell yourself that you think you heard a noise from Rachel's room. You should spy on Rachel's room, then Liz's room, Priti's room, Amy's room and then the shower.
