Debbie: The Prefect

[PDEB01] Debbie: Raising to Level 2

You punish Debbie for the first time on Day 1, the tutorial day. If you start a new game on Day 2, then Debbie is already at Level 2.

If you play Day 1, then the tutorial will tell you what to do. Remove her clothing, then position her with hands above her head and do a body search. You will find out Debbie's weakness: that she has repressed lesbian tendencies.

Position her bent over the desk and do a hand spanking and then a ruler spanking. Position her over Miss Newman's knee and do a hand spanking. You will try to confiscate Debbie's non-regulation underwear, but Ruth Thomas will stop you. Massage her buttocks. You will then get a message saying that you have raised Debbie to level 2.

[PDEB02] Unlocking the Remove Skirts Rule

Teach classes or do patrols until you see Debbie bullying Lucy. (See events [PAT07](#), Lucy Gets a Wedgie or [CLA07](#), Debbie the Bully.) Choose to give her a private punishment.

You are told that you will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

The next weekday morning you will see a scene with Sally and Izzy running. The option to buy the paddle and the cane will be unlocked. The option to propose the new Corporal Punishment rule to remove skirts will become available.

Note: If you have not spanked Debbie before you complete the "Order to the Chaos" quest (QM1) then on the first weekday after the "Second Dream" event (OTH03) you will see the scene with Sally and Izzy running anyway. The option to buy the paddle and cane will be unlocked and the remove skirts rule will become available.

[PDEB03] Debbie: Raising to Level 3

Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Once you have \$500, buy the paddle from Online Shopping | Sex Toys option on your office computer. The paddle will arrive the following weekday.

Teach classes or do patrols until you see Debbie bullying Lucy again and you can give her another private punishment. (See [PAT07](#), Lucy Gets a Wedgie or [CLA07](#), Debbie the Bully for details.)

At the start of this punishment, you should get a message saying you have everything you need to cause sufficient pain and humiliation.

Debbie will start this punishment at Level 2. Remove her clothing & skirt. Position her with hands above her head, and do a body search. Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over Miss Newman's knee and massage her buttocks. This will unlock a new "massage inner thighs" action. Massage her inner thighs. You will then get a message saying that you have raised Debbie to level 3.

Sally will tell you she is impressed, and you will get +1 Influence point. Get Debbie to thank you. You are told to patrol the halls to see if Debbie is behaving.

[PDEB04] Debbie: Raising to Level 4

Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. The camera will arrive the following weekday.

Note: you might already have the camera if you have completed the "Priti's Pictures: The Direct Approach" event, see [SFW02](#).

Once the camera arrives, carry out a patrol. You will see Debbie start to apologize to Lucy, until Cassandra arrives and Debbie bullies Lucy again. When Debbie arrives at your office after school, choose to give her another private punishment.

Note: this patrol event only happens once. If you do not complete it successfully (for example, if you do not have the camera, or you choose to give Debbie a public punishment instead), then see [PDEB06](#) for details of alternative options.

Debbie will start this punishment at Level 3. Remove her clothing & skirt. Position her with hands above her head, do a body search and use the camera to take pictures. Position her bent over the desk and do a ruler spanking and a paddle spanking. Position her over Miss Newman's knee. Massage her inner thighs. This will unlock the "rub pussy" action. Rub her pussy. You will then get a message saying that you have raised Debbie to level 4.

Sally will say she's worried about touching a student's pussy. You will reassure her and you will get +1 Influence point.

[PDEB05] Unlocking the Very Strict Uniform Policy

Raise Debbie to punishment level 4 ([PDEB04](#)).

At the end of the punishment, tell her to "let me touch you". You will tell her that you are going to do a common trust exercise with her. Touch her hair and face, then touch her arms, then touch her legs, then touch her breasts. This will unlock the ability to propose the Very Strict Uniform Policy rule at the School Board, which allows you to confiscate clothing.

You can also try to touch Debbie's pussy but she will refuse.

The following morning, Miss Newman will ask you if you get turned on by watching her spank the girls. You will admit you do get aroused, and you will get +1 Influence point.

Once you have 6 Influence and 30 Discipline, you can pass the Very Strict Uniform Policy at the next Friday morning school board meeting.

Fun note: once you raise Debbie to Level 4, her class events and hallway interactions will change. See [XTRA06](#) and [XTRA07](#) for details.

[PDEB06] Debbie Level 4 Alternative Punishment Paths

The scene where Debbie tries to apologies to Lucy (see [PDEB04](#)) only happens once. If you do not complete it successfully (e.g. if you don't have the camera, or you choose to give Debbie a public punishment instead) then it will not repeat.

Instead, teach classes until you see Nurse Kate give the girls a talk about healthy eating. The nurse will bend over Charlotte's desk and Debbie will then grope the nurse's bottom. You will then punish Debbie after school. See [CLA08](#) (Debbie's Inner Turmoil) for more details.

Alternatively, if you have not completed the "Debbie Shows Maxine Who's Boss" event ([PAT09](#)), you can punish Debbie by completing that event.

[PDEB07] Debbie: Raising to Level 5

Raise Debbie to Level 4 ([PDEB04](#)) and pass the Very Strict Uniform Policy ([PDEB05](#)).

Teach classes until you see Debbie being teased by Donna at the end of the class. Choose to give Debbie a private punishment.

Debbie will start this punishment at Level 4. Remove her clothing & skirt (her panties will also be removed). Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking.

Position her over Miss Newman's knee and rub her pussy. This will unlock the fingering option. Position her with hands above her head and get Miss Newman to finger her to orgasm. You will then get a message saying that you have raised Debbie to level 5.

[PDEB08] Assigning Debbie a Role

Raise Debbie to punishment level 5 ([PDEB06](#)). Make sure that Miss Newman fingered her to orgasm during the punishment. At the end of the punishment, you can choose to Assign Role to her. Debbie will give you a handjob and you will make her a prefect.

Note: It is possible to raise Debbie to Level 5 without having Miss Newman finger her to orgasm. However, you will not be able to assign her a role as a prefect unless you do.

Fun note: once Debbie is a prefect, you will sometimes get a class event where Debbie is doing an underwear inspection of some of the other girls. The hallway interaction with her will also change. See [XTRA06](#) and [XTRA07](#) for more information.

[PDEB09] Debbie: Raising to Level 6

Once Debbie is a prefect, then you can summon her to your office for punishment in the evening. (You can only summon her if you have not ordered any other girls to report to you for punishment that day.)

In addition, if you have not already seen the scene with Debbie and Nurse Kate (see [PDEB06](#)), then this event will happen once Debbie is a prefect. At the end of this event, Debbie will automatically be sent to your office for punishment.

Summon Debbie to your office for punishment (or wait for the event with Nurse Kate). Debbie will ask if she can keep being punished by Miss Newman and asks if it's enough that she keeps giving you handjobs.

Say "no it isn't", accept her offer when she offers you to suck your dick, and give her a private punishment.

Remove her clothing & skirt (her panties will also be removed). Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over Miss Newman's knee, massage her buttocks, massage her inner thighs and rub her pussy. You will then get a message saying that you have raised Debbie to the next level (level 6).

At the end of the punishment, you can tell Debbie to give you a blowjob. This will unlock the Debbie Wants a Job scene ([STD05](#)).

Note: You can continue to summon Debbie to your office, but you will not (yet) be able to increase her to level 7.

Rachel: The Headmaster's Pet

[PRAC01] Unlocking the Aloe Vera Cream

Teach classes until you see Rachel falling asleep, and give her a private punishment. During this first punishment you will not be able to increase her punishment level, but it is still worth giving a severe punishment to earn as much money as possible.

Note: the first time that you see Rachel falling asleep in class, you will automatically decide to give her a private punishment. Otherwise, you will need to choose to punish her after school and give her a private punishment.

That evening, spy on her room, and you will see Donna rubbing some cream on Rachel's bottom, and Maxine taking a picture as evidence. This event will unlock the ability to purchase the "aloe vera cream".

Note: you must spy of Rachel that evening. If you forget and try and spy on her the following evening instead, you will not see this scene.

The morning after you spank Rachel, you will see an event where she is sleeping in reception. This will unlock Rachel's Student Quest.

Note: during this event, you will have the option to order her to your office after school. However, because you will not have had an opportunity to have purchased the aloe vera cream, you will not be able to raise her to the next punishment level. (Unless you spied on Rachel on a Friday evening, in which case you could purchase the aloe vera over the weekend.)

Once you have \$50, buy the Aloe Vera Cream from the Online Shopping | Health option on your office computer. It will arrive the following weekday.

[PRAC02] Rachel: Raising to Level 2

You will need to pass the Remove Skirts rule by punishing Debbie. See [PDEB02](#) for details. You will need Influence 4 and Discipline 25 to pass the rule.

You will also need to have purchased the Aloe Vera cream ([PRAC01](#)).

Teach classes until you see Rachel falling asleep in class again, and choose to give her a private punishment. At the start of the punishment, you will say to yourself that "I should have everything I need now".

Rachel will start this punishment at Level 1. Remove her clothing & skirt. Position her bent over the desk and do a hand spanking and ruler spanking.

Position her over Miss Newman's knee and apply the ointment, spank her and massage her buttocks. You will then get a message saying that you have raised her to the next level (level 2).

At the end of the punishment you will get the opportunity to give her a special homework assignment, where you tell her to masturbate herself.

In the evening, spy on her room in the evening and watch her try to do her "homework"(See [STR02](#)).

Note: you have to complete the "Rachel in the Shower" spy event ([SWR01](#)) before you can spy on Rachel doing her homework. However, you can complete the two events in the same night. You can spy on the shower and then spy on Rachel's room afterwards.

[PRAC03] Rachel: Raising to Level 3

Raise Rachel to punishment level 2 ([PRAC02](#)).

Raise Debbie to punishment level 3 ([PDEB03](#)) in order to unlock the "massage inner thighs" option. (Debbie's Level 3 punishment will also involve you purchasing the paddle.)

Teach classes until you see Rachel falling asleep again, and give her a private punishment.

Rachel will start this punishment at Level 2. Remove her clothing and skirt. Position her with hands above her head, and do a body search. (If you have it, you can use the camera to take pictures instead of doing a body search).

Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over the knee, apply the ointment, give her a hand spanking and massage her inner thigh. You will then get a message saying that you have raised her to the next level (level 3).

At the end of the punishment, assign Rachel a role. You assign her a role of personal trainee.

[PRAC04] Rachel's Body Envy Events

The afternoon after you assign Rachel a role, there will be a scene where Rachel reports to you. You will receive a message saying that you have a new follower: Rachel, and that you can click on her icon to interact with her.

On Monday, Tuesday, Wednesday or Friday afternoon, go to the Sports Center. You will get a scene where Rachel says she doesn't like changing with other girls, and you agree she can change with you.

Go into the men's changing room and there will be a scene where Sally and Rachel get changed together ([STR03](#)).

Note: you have to click on the Sports Center and then on the men's changing room. If you click on the quick access button on the main map menu, you will not complete this quest action.

You will need to complete two practice games. After you see Rachel and Sally getting changed together, you will automatically play a practice game. In addition, once you teach 5 sports lessons, you will play a match during the fifth lesson.

During the first practice game, you will need to play a "shirts and skins" game. You will need popularity 9+ to do this.

During the second practice game, you will need to make the teams switch things around so the other team takes off their tops. You will need discipline 15+ to do this.

Note #1: it does not matter if you say you prefer big boobs, small boobs or that you like them both equally. However, if you say that you liked big boobs, some of the dialog in this event will change.

Note #2: If you did not have enough popularity or discipline to get the girls to play "shirts and skins" or to swap things around, then you will need to play another 5 games and you will get another opportunity to do so.

See [Make Rachel Take her Shirt off \(QRAC109\)](#), [The First Match \(SPT03\)](#) and [The Second Match \(SPT04\)](#) for more details.

[PRAC05] Rachel: Revealing Her Weakness

Complete the two practice matches ([PRAC04](#)).

If you have not already done so, pass the Public Punishments "punishment outfit" rule at the Friday school board. You will need Discipline 25+ and Influence 4+ to do so.

Teach classes until you see Rachel falling asleep again. Order her to your office after school and give her a public (not private) punishment. Say that you like her boobs. You will discover her weakness: that she had body envy of other curvier women. You tell her you will teach her a special confidence building exercise.

Completing this event will unlock the ability to purchase the "cat ears".

[PRAC06] Rachel: Raising to Level 4

Raise Debbie to punishment level 4 (see [PDEB04](#)). Debbie's punishment will unlock the "rub pussy" option that you will need. It will also involve you purchasing the camera that you will need as well.

Raise Rachel to punishment level 3 ([PRAC03](#)) and reveal her weakness ([PRAC05](#)).

Once you have \$50, buy the Cat Ears from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

Teach classes until you see Rachel falling asleep again, and give her a private punishment. You will tell yourself that you feel like you "know Rachel a lot better now".

Rachel will start this punishment at Level 3. Remove her clothing and skirt. Position her with hands above her head, do a body search and use the camera to take pictures. Position her bent over the desk and do a ruler spanking and a paddle spanking. Position her over the knee. Massage her inner thighs and rub

her pussy. You will then get a message saying you have raised her to the next level (level 4).

Note: you can raise Rachel to level 4 without playing the sports matches or revealing Rachel's weakness (PRAC05). However, you will not be able to complete the "Special Confidence Building Technique" pet play event after the punishment (see PRAC07, below).

[PRAC07] Rachel: Unlocking the Strip to Underwear Option

Reveal Rachel's weakness (PRAC05), buy the cat ears and then raise Rachel to punishment level 4 (PRAC06). At the end of the punishment, carry out the Special Confidence Building Technique. She will act like a cat and you will pet her. You will also tell her to do her special masturbation homework that evening.

In the evening, spy on Rachel's room. You will see her trying to masturbate again.

The following morning, you will see Rachel sleeping in reception again. If you wish, you can decide to teach her a lesson.

Note #1: During the Sleeping in Reception event, you will have the option to order her to your office after school. If you let her go, you will get +1 popularity. Alternatively, you can get money or discipline points by giving in her private or public punishment. However, you won't be able to raise her to the next punishment level until you have unlocked the "strip to underwear" rule.

Game note #2: if you pull her knickers down and open up her shirt, you are told that you can propose a new "strip to underwear" rule at the school board. However, you will not be able to successfully pass the rule until you have started Chapter 2 of the game. (You start Chapter 2 when you start the "Leave No Girl's Behind" main quest, QM4.) When you start Chapter 2, then you automatically unlock the ability to propose this rule anyway. Therefore, there is no need for you to unlock the event here.

[PRAC08] Rachel: Raising to Level 5

Raise Rachel to level 4 (PRAC06).

Complete the "A Man's Work Quest" (QM3) and pass the "corporal punishments may be carried out by any teacher regardless of gender" rule to allow you to spank the girls yourself. This requires 9 Influence and 40 Discipline. The following Monday morning, you will see the "A New Chapter" event (OTH14) and start Chapter 2 of the game. This will also unlock the strip to underwear rule.

Once you have Influence 10 and Discipline 55, pass the new Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting.

Teach classes until you see Rachel falling asleep again, or ask Rachel a hard (or impossible) question during the Friday pop quiz. Choose to give her a private punishment. At the start of the punishment, you will tell yourself "OK Rachel, time for your training to really kick up a notch".

Rachel will start this punishment at Level 4. Order her to strip to her underwear. Because Rachel isn't wearing a bra, this will mean she is just wearing her panties. Sally will also strip to the waist in order to make Rachel jealous.

Position her with hands above her head and then pinch her nipples and lick her nipples. (It doesn't matter if you do this or Sally does it.)

Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over the knee and massage her thighs (or rub her pussy). You will then get a message saying you have raised her to the next level (level 5).

At the end of the punishment you will have the option to tell her to do A Test of Confidence, where you tell her to shower with the other girls ([STR09](#)), but this is not required to progress.

[PRAC09] Rachel: Raising to Level 6

Raise Rachel to punishment level 5 ([PRAC08](#)).

On Thursday afternoon, teach a sports class. You will explain the Boner Rule ([STR10](#)) to her. Rachel will masturbate you and you will cum over her.

Teach classes until you see Rachel falling asleep again, or ask Rachel a hard (or impossible) question during the Friday pop quiz. Choose to give her a private punishment. You will tell yourself "now that Rachel is comfortable being naked when we are alone together I think it's time to help her have her first orgasm."

Rachel will start this punishment at Level 5. Order her to strip to her underwear. Position her with hands above her head and then pinch her nipples and lick her nipples.

Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over the knee and give her a hand spanking and rub her pussy. You will then get a message saying you have raised her to the next level (Level 6).

Note: you can raise Rachel to Level 6 before you have completed the Boner Rule scene, but you will not be able to carry out the Special Homework Assistance (see [PRAC10](#), below) until you have completed the Boner Rule scene.

[PRAC10] Rachel's Homework Events

Complete the Boner Rule and Raise Rachel to punishment level 6 ([PRAC09](#)).

At the end of the punishment choose Special Homework Assistance. She will masturbate on your desk and you will then agree to "help" her that evening in her dorm.

In the evening, spy on Rachel's room. You will climb into her room and help her achieve her first orgasm. She will then masturbate you. You will then fall asleep and not wake up until the morning when Faye knocks on Rachel's door.

Fun note: if you wake up on a weekday, Faye will remind Rachel that classes start soon. But if you wake up on a weekend, Faye will remind Rachel that they were planning to go down to the lake.

During the day, teach a class. You will note that Rachel looks "bright eyed and bushy tailed today". After the class some of the girls will discuss a new adult DLC for Rachel's game that adds adult content which enables the winning character to have sex with the losing character. Rachel will tell you she intends to masturbate that evening to help her sleep.

In the evening, spy on Rachel's room. She will be playing her game. Choose to "distract her" and then "distract her again". She will lose the game and her computer character will be forced to have sex with the winner. Rachel will start to masturbate as she watches the scene.

[PRAC11] Rachel's Difficult Morning

In the morning, after you have distracted Rachel when playing her computer game ([PRAC10](#)), you will see Rachel sleeping in reception again.

You can choose whatever options you want. But to see the full scene, choose to "teach her a lesson" and then choose to "wait for someone else to find her". Sally, Izzy and Samantha will humiliate her, and Sally will then put a butt plug in her. (See [STR14](#) for full details.)

You will automatically arrange to punish Rachel after class that day.

Spend the morning teaching a class. (This step is not required but helps to develop the story.)

[PRAC12] Rachel: Raising to Level 7

Complete Rachel's Difficult Morning ([PRAC11](#)). In the afternoon, Rachel will come to you and spend the afternoon sleeping on your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment.

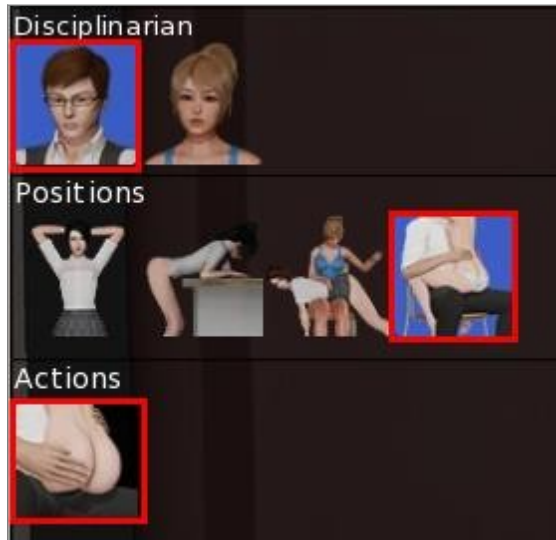

When you start the punishment, you will tell yourself that you need to come up with a new way to punish her. A new OTK position will be unlocked, which will allow you to have Rachel straddle your lap.

Rachel will start this punishment at Level 6. Order her to strip to her underwear. Position her with hands above her head and lick her nipples.

Position her bent over the desk and give her a hand spanking, a ruler spanking and a paddle spanking. Position her over the knee and massage her thighs (or rub her pussy).

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Then use the new straddle position to spank her while she is facing you. You will then get a message saying you have raised her to the next level (Level 7).

This picture shows the straddle position selected (see options marked in red):

[PRAC13] Assigning Rachel a Role

Raise Rachel to punishment level 7 ([PRAC12](#)).

At the end of the punishment choose to give Rachel her Promotion. You will make her your Personal Executive Trainee (or P.E.T.). She will then strip naked and masturbate you by rubbing herself against you.

Fun note #1: After you have made Rachel your PET, her classroom events will change, and Rachel will sit at your desk during lessons. In the afternoons, you can get her to sit on your lap and masturbate you again, and you can watch porn with her. (See [STR17](#), [STR18](#) and [OFF06](#) for details.)

Fun note #2: After you have made Rachel your PET, if you ask her a hard question during the Friday pop quiz, she will get the answer right.

Fun note #3: Once you have made Rachel your PET, if you spy on her room in the evening you will see a new scene where Rachel is trying to do the splits to help stretch out her pussy.

[PRAC14] Rachel: Dildo Practice

Once you have made Rachel your P.E.T. ([PRAC13](#)), you will automatically speak to her the following weekday morning. She thanks you for allowing her to wear her cat ears whenever she wants. This unlocks the option to buy the assorted dildo collection and butt plug tail.

Once you have \$1800, buy the assorted dildo collection (\$1500) and the butt plug tail (\$300) from the Online Shopping | Sex Toys option on your office computer. They will arrive the following weekday morning.

You will need to complete four dildo practice sessions with Rachel. To carry out a practice session, go to your office during any weekday afternoon and click on Rachel's icon. Rachel will immediately strip naked. Select the "dildo practice" option.

- During the first session, select the small dildo. At the end, tell Rachel that "I'll finish myself off".
- During the second session, select the small dildo. At the end, ask Rachel for a handjob.
- During the third session, select the small dildo. At the end, ask Rachel for a blowjob.
- During the fourth session, select the medium dildo.

[PRAC15] Rachel: Raising to Level 8

Complete Rachel's dildo practice ([PRAC14](#)). In the evening, summon Rachel to your office for punishment.

Note #1: as soon as you complete Rachel's last dildo practice session, you may be asked if you would like to summon a girl to your office for punishment. If you choose Rachel, you can then complete this action immediately after you have finished the dildo practice.

Note #2: you are only given the option to summon a girl for punishment if no other girls have been ordered to your office. For example, if you taught a class that day and ordered a girl to be punished after school, you will not be able to summon another girl.

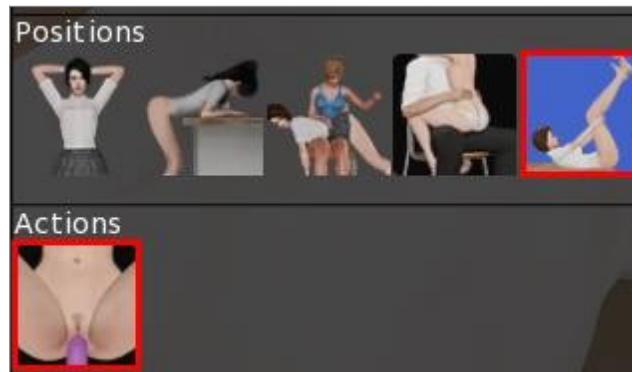

Rachel will start the punishment at Level 7. Order her to strip naked. Position her with hands above her head, do a body search and use the camera to take pictures.

Note: once Rachel has stripped naked, you will allow her to wear her cat ears. However, this helps her cope with her nudity and increases her resistance to humiliation. Her humiliation bar will then increase from 9 to 16.

Position her bent over the desk and give her a ruler (or paddle) spanking. Put her over the knee and massage her buttocks (or massage her inner thighs, or rub her pussy).

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Have her straddle the headmaster's lap, and spank her while facing you. Put her in the diaper position and insert a dildo into her vagina.

This picture shows the dildo action selected (see options marked in red):

You will then get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 8).

At the end of the punishment you will cuddle with Rachel, and then you will choose how to use her sexually.

[PRAC16] Rachel: Threesome with Debbie

Note #1: you can complete this event before raising Rachel to punishment level 8.

If you have not already done so, pass the Body Search rule at the Friday school board meeting (see [REFR06](#) for details). You will need Influence 11 and Discipline 70 to pass the rule.

On Wednesday afternoon, do a Body Search of Alice (See [BDY06](#) for details of doing Alice's body search). Rachel will try to stop you from feeling Alice's breasts. You take Rachel into the stationary cupboard and punish her.

Note #2: you can also do a Body Search of Lucy on Friday afternoon. This step is not required but it helps develop the story. See [BDY04](#) for details.

Note #3: you can complete the classroom scene where the girls are asking questions about Rachel's cat ears before you pass the body search rule and carry out the body search on Alice.

Choose to do a patrol. You will see Donna giving Rachel a hard time about her cat ears. Debbie will then stop Donna.

Note #4: Depending on your progress with other quests in the game, you may see other patrol events before you see this patrol event.

You tell yourself that you've been promising Debbie a reward and it's time she got one. You think you will share your pet with your prefect.

Use your office phone to summon Debbie and Rachel to your office. You will ask yourself if you want Debbie to play with your pet. Say yes. (If you say no, the scene will not happen.)

Rachel and Debbie will arrive. They will strip, have sex with each other, and then give you a joint blowjob.

[PRAC17] Rachel: Shower with Sally

Earlier in Rachel's quest, you had to complete two practice games (PRAC04). You will now need to complete another three practice games. These are: the third match (SPT09), the fourth match (SPT10) and the fifth match where Charlotte's team play bottomless (SPT11).

To get the practice matches, you will need to teach sports lessons in the afternoon. Every time you teach 5 sports lessons, you will play a match during the fifth lesson.

Note #1: these football events are available from the start of Chapter 2. You may have already completed some of these events before reaching this point in Rachel's quest.

During the "Charlotte's team play bottomless" event (SPT11), Rachel will end up naked (because she has to play bottomless and she isn't wearing a bra).

At the end of the match, Rachel will shower with you, and Sally joins you. Both Sally and Rachel offer to help you with your erection, and they start to argue. You eventually tell Rachel to make you orgasm, but that she has to ask Sally to help her. Sally and Rachel then rub their breasts against your cock until you cum.

Note #2: if you have already completed Charlotte's team play bottomless (SPT11) event, simply teach five more sports lessons, and you will play another practice match.

Normally, if you had already previously completed the Charlotte's team play bottomless event, and Charlotte's team won, then during the next sports match you would see April's team playing bottomless (SPT12). However, if you have raised Rachel to level 8 (PRAC15) and completed

the threesome with Debbie (PRAC16), then you will see a special scene instead.

April will tell you that two members of her team, Emily and Harriet, are having their period, so Charlotte has agreed her side will play bottomless instead. You tell yourself that this works out well, because you wanted Rachel to be naked today. April's team will win the game, but they agree they have to be naked next time.

[PRAC18] Rachel: Raising to Level 9

Teach football matches until Charlotte's team play bottomless, and then Sally and Rachel argue in the shower before rubbing their breasts against your cock (PRAC17). In the evening, summon Rachel to your office for punishment.

Note: as soon as you complete the shower with Rachel and Sally, you may be asked if you would like to summon a girl to your office for punishment. If you choose Rachel, you can then complete this action immediately after you have finished the dildo practice.

Rachel will start the punishment at Level 8. Order her to strip naked. Position her with hands above her head and use the camera to take pictures. Position her bent over the desk and give her a hand (or ruler) and paddle spanking.

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Have her straddle the headmaster's lap, and spank her while facing you. Put her in the diaper position and insert a dildo into her vagina. Put her over the knee and then insert a dildo into her anus.

This picture shows the anal dildo action selected (see options marked in red):

You will then get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 9).

At the end of the punishment you will cuddle with Rachel, and then she will ask you if you want her to make you feel good (by making you cum). You can say yes and choose what type of sexual activity you want Rachel to do, or you can say "not today", in which case the scene will end.

[PRAC19] Rachel: Raising to Level 10

Raise Rachel to punishment level 9 ([PRAC18](#)).

If you have not already done so, buy the "Swimming Pool" from the Upgrade Facilities option on your computer. It will cost \$8,000 and you are told that it will take a few days to complete the swimming pool.

Note: It takes a week to build the swimming pool. E.g. if you order the pool sometime on Thursday, it will be ready by the following Thursday morning.

You will then see a scene with Sally the following weekday morning. Sally says schedule has been changed to that whenever you are teaching football, she will be teaching swimming. Sally then leaves before you can give her a copy of the poolside safety rules.

In the afternoon, teach a football class. Before your class, you will see Sally, and you ask her to read the poolside safety rules to the girls. After your class, you go to the swimming pool, and find that Sally disobeyed your orders and didn't read the safety rules.

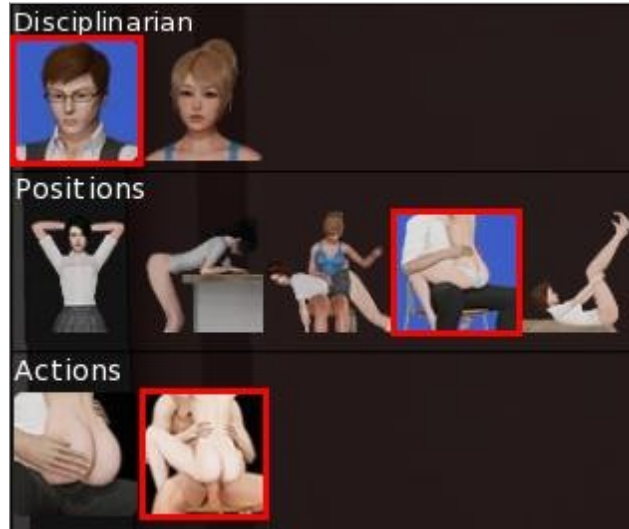

You punish Sally by giving her a spanking with the paddle and then giving her a hard anal fucking in front of Rachel.

The following day, teach another football class. After the class, Sally says that she will shower with you, but Rachel locks Sally in the sports supply cupboard. You then tell Rachel that you will punish her in your office. You will then automatically punish Rachel after school.

Rachel will start the punishment at Level 9. Order her to strip naked. Position her with hands above her head and use the camera to take pictures. Position her bent over the desk and give her a hand (or ruler) and paddle spanking.

Put her over the knee and then insert a dildo into her anus. Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Have her straddle the headmaster's lap, spank her while facing you, and then have sex with Rachel.

This picture shows the sex action selected (see options marked in red):

Note: before you have sex with Rachel for the first time, there is a scene where Rachel says she hates Miss Newman, and Sally says she has severe dyslexia. Rachel then apologizes to Sally. You have sex with Rachel, and then you have a threesome with Rachel and Sally.

You will then get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 10).

Amy: The Spanking Connoisseur

[PAMY01] Amy: Revealing Her Weakness

Teach classes or do patrols until you can give Amy her first punishment (PUN01). You will automatically choose to punish her after school. You will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

When you spank her during the punishment you will discover her weakness: she is a masochist who takes pleasure from being hurt but her tolerance for pain is much higher.

That evening, spy on Amy's room. (Note: Amy's room will initially be shown as an "unknown room".) You will see Maxine ask Amy to take a photo to gather evidence against the headmaster (STY01). This event will unlock Amy's Student Quest, "The Spanking Connoisseur" (QAMY).

[PAMY02] Amy: First Classroom Punishment

Give Amy her first punishment and spy on her room afterwards to see the "Amy and Maxine" scene (PAMY01).

Teach classes until you see Amy being late to class (CLA05). Choose to "punish her now" and give her a classroom spanking. She will become aroused, and you will get +1 Horniness point.

[PAMY03] Amy: Raising to Level 2

Give Debbie her first punishment at level 2 (PDEB02). This will unlock the Remove Skirts rule. Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Teach more classes or do patrols until you see Amy running in the halls (PAT08) or being late to class. Give her another private punishment.

Amy will start the punishment at level 1. Remove her clothing & skirt. At this point, Amy will give you a riding crop to punish her with.

Note: if you did not spy on Amy's room after her first punishment, or if you have not completed her classroom punishment (where she gets aroused) (AMYP7), then she will not give you the riding crop. This means you will not be able to raise her to Punishment Level 2.

Position her bent over the desk and do a hand spanking and ruler spanking. Position her over the knee and do a hand spanking. Put her in the diaper

position and use the riding crop on her inner thigh. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (Level 2).

Ask her about her sex life. She will admit to masturbating frequently and making out with multiple other students.

[PAMY04] Amy: Amy's 3 Quests

Raise Amy to Level 2 ([PAMY03](#)) and ask about her sex life.

In the evening, spy on Amy's room. You will see her spanking herself with her riding crop ([STY02](#)). You realize that she is receiving pain, humiliation and pleasure in her own time, and this is rendering her immune to your methods.

This will unlock 4 new quest actions, to find out her sources of pain ([PAMY05](#)), humiliation ([PAMY06](#)) and pleasure ([PAMY07](#) and [PAMY08](#)) and to punish her in class again.

Note: if you did not ask her about her sex life, you will not see her spanking herself and you will not unlock the new quest actions. Instead, you will need to give her another private punishment and then ask about her sex life.

[PAMY05] Finding Amy's Pain Source

On Tuesday morning, go to the Sports Center and talk to Amy. She will show you her abs. You realize that her exercise regime is the source of pain.

Note: this will also unlock the Amy and her abs event (SCH02).

If you have popularity 10+ then you can also find out about her source of humiliation (PAMY06).

[PAMY06] Finding Amy's Humiliation Source

Once you have popularity 10+, speak to Amy in the Sports Center on Tuesday morning. She will tell you she was expelled because she did a porn shoot.

Note: doing this event will also complete PAMY05 (finding Amy's pain source), if you have not already done so.

Once you have \$1000, use the Web Search option on your office computer to search for her porn. The next day, check your email and you'll be able to buy the magazine. It will arrive 5 working days (i.e. a full week) later. (This will complete the Future Female Sports Stars event, STY04).

After looking through the magazine, spy on Amy's in the evening and you will see her being upset about missing the Olympics. You will realize that her humiliation comes from being kicked off the Olympic squad.

[PAMY07] Amy's Second Classroom Punishment

You need to have completed Amy's first classroom punishment where she gets aroused (PAMY02). You also need to have passed the "remove skirts" Corporal Punishment rule (see PAMY03).

You then need to give Amy another Classroom punishment. To do this, teach classes until you see Amy being late to class. Choose to punish her now. The other girls will tie her up and tickle her.

Fun note: after the second classroom punishment, Amy's class event will change. Instead of being interrupted by Amy being late, you will find Amy has arrived early to class but has forgotten her tie.

[PAMY08] Finding Amy's Pleasure Source

Raise Amy to Level 2 (PAMY03) and punish her in class without a skirt (PAMY07). Do a patrol during the week. You will see Amy making out with Tia

in the stationary cupboard. (This will complete the Amy in the Stationary Cupboard event, [STY03](#))

You will also automatically choose to give Amy a punishment after school. If you have completed all of Amy's other quests ([PAMY05](#), [PAMY06](#) and [PAMY07](#)) then you will be able to raise Amy to Level 3 during that punishment.

At the start of this punishment, you will tell Amy that you need a volunteer for teachers and a few trusted students to practice their punishment techniques on. (Note: You do not need to have completed the pain ([PAMY05](#)) or humiliation ([PAMY06](#)) parts of her quest to see this discussion.)

[PAMY09] Amy: Raising to Level 3

If you have not already done so, buy the paddle from Online Shopping | Sex Toys option on your office computer. It will cost \$500. The paddle will arrive the following weekday.

Note: You unlocked the paddle at the same time as you unlocked the remove skirts rule. See [PDEB02](#) and [PAMY03](#).

Teach classes or do patrols until you get the opportunity to give Amy a Private punishment. (You will also automatically give Amy a private punishment at the end of Amy's Pleasure Quest, [PAMY08](#)).

Amy will start the punishment at level 2. Remove her clothing & skirt. Position her bent over the desk and give her a ruler spanking and paddle spanking. Position her over the knee and do a hand spanking. Put her in the diaper position and use the riding crop on her inner thigh. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 3).

At the end of the punishment, you will see her trying to touch herself, and you will tie her hands behind her back. Afterwards, choose to "help her out". You will finger and lick her to multiple orgasms ([STY05](#)).

Note#1: You can raise Amy to level 3 without completing her 4 quests (finding her pain, humiliation and pleasure sources, and punishing her in class) However, you will not be able to choose to "help her out" until you have completed her 3 quests (see [PAMY04](#) to [PAMY08](#)).

[PAMY10] Unlocking the Chastity Panties

Raise Amy to Level 3 ([PAMY09](#)) and complete the after-punishment event where you "help her out".

In the evening, spy on Amy's room again. You will see Amy teaching Tia how to give her multiple orgasms ([STY06](#)). This event will unlock the ability to purchase the Chastity Panties.

Once you have \$600, buy the Chastity Panties from the Online Shopping | Clothing option on your office computer. They will arrive the following weekday.

[PAMY11] Amy: Raising to Level 4

Raise Amy to Level 3 ([PAMY09](#)) and purchase the chastity panties ([PAMY10](#)). You may also purchase the cane if you wish (this is optional but not required). The cane will cost \$500.

Complete the "A Man's Work Quest" ([QM3](#)) and pass the "corporal punishments may be carried out by any teacher regardless of gender" rule to allow you to spank the girls yourself.

Do a patrol. You will see Amy run into Faye. You will see the nurse treat Faye. You will automatically give Amy a private punishment that evening.

Fun note: if you have completed Faye the Faker ([OTH11](#)) before this event, you will see an extra scene when the nurse is treating Faye, and Faye pulls down her underwear and asks the nurse to take her temperature to prove she isn't faking her illness.

At the start of the punishment the option to use the cane will be unlocked.

Amy will start the punishment at Level 3. Remove her clothing & skirt. Amy will volunteer to remove her knickers as well. Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee, do a hand spanking and massage her buttocks. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 4).

Note: This is just one way of completing the punishment. You can carry out different options if you wish. If you have the cane, you can use that. (The cane becomes available at the same time as the paddle. It will cost \$500. See [PDEB02](#) for details of unlocking the paddle.) You may also wish to finger Amy to orgasm.

At the end of the punishment, give her the chastity belt. You will tell Amy she is not allowed to orgasm for seven days. Debbie will put the chastity belt on Amy for you.

[PAMY12] Amy's Chastity Week

Raise Amy to punishment level 4 and put the chastity belt on her ([PAMY11](#)).

In the evening, you can spy on her in the shower. You will see Debbie helping her to take a shower. (This step is not required but helps the storyline.)

During the next week, Amy will come to your office and beg you to remove the chastity panties. She will beg, and then offer to show you her boobs, jerk you off, and suck your cock. You should refuse these offers. (See [STY10](#), [STY11](#), [STY12](#) for more details about these offers).

The next weekday morning, Amy will come to your office again and offer to fuck you. You will tell her to come back after school.

[PAMY13] Amy: Raising to Level 5

Complete Amy's Chastity Week ([PAMY12](#)). In the evening, you will remove the chastity panties and then give Amy a private punishment.

Amy will start the punishment at Level 4. Remove her clothing & skirt. She won't be wearing any underwear.

Position her bent over the desk and give her a hand spanking, ruler spanking, and paddle spanking. Put her in the diaper position and use the riding crop on her inner thigh. Position her over your knee, give her a hand spanking and massage her buttocks. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 5).

Note #1: This is just one way of completing the punishment. You can carry out different options if you wish. If you have the cane, you can use that.

Note #2: If you do not raise Amy to level 5, then you will have the option to summon her back to your office any evening where you are not punishing another girl. This will give you another opportunity to raise her to level 5.

[PAMY14] Assigning Amy a Role

Raise Amy to punishment level 5 ([PAMY13](#)). At the end of the punishment, assign Amy a role. You will show her your copy of the Future Female Sports Stars magazine and you will have anal sex with her ([STY13](#)). She will then agree

to become a practice subject to help train other staff and Prefects in the art of discipline.

Fun Note: After you have completed this event, you will get a repeatable scene when you teach a class where Amy is on time for her lesson and wearing her tie. You will tell yourself "there really is nothing like a good anal fucking to make a student behave themselves".

Priti: The Reluctant Rebel

Punishment and Non-Punishment Paths

When completing Priti's student quest, you choose whether to punish her (the Punishment path), or to help her without punishing her (the Desires path). This punishment guide only covers what to do if you decide to follow the Punishment path and spank her.

If you decide to follow the Desires path, and help her without spanking her, see [QPRI](#), her student quest walkthrough.

[PPRI01] Starting Priti's Quest

If you have not already done so, you will need to start Chapter 2 of the game. To do this, complete the "A Man's Work" quest ([QM3](#)) and pass the "corporal punishments may be carried out by any teacher regardless of gender" rule to allow you to spank the girls yourself. This requires 9 Influence and 40 Discipline. The following Monday morning, you will see the "A New Chapter" event ([OTH14](#)) and will start Chapter 2 of the game.

Teach classes until you get an event where you ask your class how long Tsar Nicholas II served as Emperor of Russia. Priti will correctly answer. You tell yourself that Priti is an excellent student, and she should really be at university already. However, you wonder if there is some other aspect of her behavior that needs improving. You decide to watch out for her when you patrol.

If you have not done so, you will also need to complete Drama Night Part 2 ([OTH02](#)). To do this, go to the gym on Wednesday evening. You will see Emily give out some new costumes, and Miss Potts will ask if you want to stay and watch the rehearsal of the first act. Agree to stay and watch. You will see the girls practicing their play, but Priti, who is playing the role of Aphrodite, will refuse to appear.

During the week, do a patrol. You will see Harriet and Priti talking. You hear Priti wanting something, but saying she doesn't have any money. Harriet tells Priti there are other ways to pay. Priti agrees, and Harriet says she will visit Priti in her room that night.

Game note: if you do this patrol during the first week in Chapter 2, you will see other patrol events first (e.g. Charlotte Caught Smoking, [PAT16](#)). This means you would have to do multiple patrols before you see Priti and Harriet talking. However, if you do this patrol in week 2 onwards, then the first patrol event you see should be Priti and Harriet.

In the evening, spy on Priti's room. (Note: if you have not already spied on her, then Priti's room will initially be shown as an "unknown room"). You will see that

Priti has done math homework for Harriet in exchange for a bar of chocolate. You tell yourself this is a terrible scandal and that you should summon Priti to your office. Grades will decrease by 5 points.

Note: there is a special spy event that happens near the start of Chapter 2, where you smell Marijuana and you ask Maria Consuelo to do a search. See [REFR06](#) for details. If you have not already seen this event, you may get it when you try to spy on Priti. If this happens, simply spy on Priti the following evening.

Complete Priti's Achilles Heel ([STP03](#)). To do this, use your office phone to call Priti to your office during the day. She will immediately confess to giving Harriet the answers to Mr Wilson's homework. She asks if you will punish her. You get tell her that you won't punish her, or that you are afraid you must punish her.

Note: if you say you must punish her, you will spank her at the end of this event. However, it does not affect the choices you make later in the scene about whether to punish her again in the future.

You talk to her and discover that Priti's weakness is her repressed desires. Priti has been repressed her whole life and subconsciously yearns to be free from the control of others. You decide that need to help Priti become more rebellious. You then have to choose how to do this:

- You can encourage her to act on her repressed desires, which doesn't involve you resorting to punishments.
- Or you can to act on her repressed desires as well as deliberately breaking the rules, which involves you punishing Priti.

In order to punish Priti, you must select the second option, which involves her deliberately breaking the rules.

[PPRI02] Priti: Raising to Level 2

If you have not already done so, you will need to buy the Aloe Vera Cream first. To do this, you will need to punish Rachel and spy on her room afterwards. See [PRAC01](#).

Teach classes until you see the Bed Girl Priti event ([CLA17](#)), where Priti throws a ball of paper at your head. Order her to your office after school. Priti will then automatically report to your office after the afternoon classes. Choose to give her a private punishment.

Note: You can also choose to ask Priti an impossible question during the Friday pop quiz. She will give a deliberately rude answer, and you can choose to punish her in your office.

Priti will start this punishment at Level 1. Remove her clothing and skirt. (If you have passed the strip to underwear rule, you can choose to do that instead.)

Position her bent over the desk and do a hand spanking and ruler spanking. Position her over the knee and apply the ointment, spank her and massage her buttocks. You will then get a message saying that you have raised her to the next level (level 2).

[PPRI03] Priti: Test 1

Raise Priti to level 2. Complete the Goddess of Beauty event ([STP04](#)) where you take Priti's photos after the school play rehearsal.

If you have not already done so, you will need to build the cafeteria. To do this, buy the "Cafeteria" from the Upgrade Facilities option on your computer. It will cost \$5,000. It takes a week before the cafeteria is ready.

You will also need to recruit Patricia Taylor, the Restaurant Manager, to run the cafeteria. To do this, you will need to complete the First Date with Samantha ([OTH12](#)), Meeting Lily ([OTH13](#)), The New Dinner Lady ([OFF03](#)) and Maxine's Demand ([PAP02](#)).

Note: Make sure that you have completed the paperwork event "Maxine's demand" ([PAP02](#)). If you build the cafeteria and recruit the dinner lady, but have not completed Maxine's demand, then Patricia will not actually start.

Instead, when you visit the cafeteria you will get the (slightly confusing) message: "the cafeteria construction has been completed. I have a restaurant manager now so I just need to wait for the construction to be completed."

Once you have completed these, then in the morning Samantha will tell you that Patricia will be starting work at the new cafeteria, and her daughter Arabella will be starting school as well. Samantha also tells you she has created a rota of students to help Patricia in the cafeteria.

Note: Patricia will not start on a Friday morning. Instead, Samantha will speak to you the following Monday morning.

In the afternoon, go to the cafeteria. The first time you visit the cafeteria, you will see the Duchess in the Kitchen event ([CAF01](#)), where Patricia punishes Donna.

The following day, go to the cafeteria in the afternoon again. You will sit outside the cafeteria, and hear Harriet asking Priti why she was called to the Headmaster's office. Harriet also says that Priti is sexually repressed.

Note: if you had already built the cafeteria, you may have already seen the scene where Donna is punished. In this case, you will automatically see the scene with Harriet and Priti instead.

Afterwards, you will automatically speak to Patricia and ask her to bake a chocolate velvet cake. It will cost \$500. Patricia will deliver it to you the following morning.

Note #1: You can speak to Patricia and buy the chocolate cake before you have punished Priti (QPRI06) and/or done Priti's photoshoot after the play (QPRI09).

Note #2: Patricia will not deliver the cake on a Friday morning. Instead, she will deliver it on the following Monday morning.

Note #3: If you do not have \$500, then you say that you'll have to come back later, as you don't have the cash. Wait until you have \$500, and visit the cafeteria again.

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 1 – Your desire for chocolate". You leave Priti alone in your office with the cake, and tell her that failed the test, because she didn't rebel and eat the cake. Priti then licks the chocolate off your fingers, and you give her another slice of cake.

Note: You can take the photos of Priti after the school play rehearsal and buy the cake from Patricia before you punish Priti (PPRI02). If you do this, then you don't need to use the office phone. Instead, you can automatically test Priti's progress at the end of her punishment where you raise her to Level 2.

[PPRI04] Priti: Raising to Level 3

Raise Priti to Level 2 (PRI02), and complete her first test (PPRI03).

If you have not already done so, you will need to pass the "strip to underwear" rule. To do this, pass the Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting. You will need Influence 10 and Discipline 55.

Teach classes until you see a scene where Priti spansks you as you are collecting homework answers from the class. To progress this quest, order her to your office after school. Priti will then automatically report to your office after the afternoon classes. Choose to give her a private punishment.

Note #1: You can also choose to ask Priti an impossible question during the Friday pop quiz. She will give a deliberately rude answer, and you can choose to punish her in your office.

Priti will start the punishment at level 2. Tell her to strip to her underwear. Position her bent over the desk and give her a ruler spanking and paddle spanking. Position her over the knee, apply the ointment, massage her buttocks, massage her inner thighs, and give her a spanking. You will then get a message saying that you have raised her to the next level (level 3).

[PPRI05] Priti: Test 2

Raise Priti to level 3. Buy the string bikini from the Online Shopping | Clothing option on your office computer. It will cost \$500, and will arrive the following weekday.

On Saturday afternoon, go to the Lake. You will give Priti the string bikini and she will spend the day at the beach, getting lots of attention from the rest of the girls and posing for pictures.

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 2 – Your desire to feel attractive". You tell her that you want her to alter her uniform in a way that complies with the exact wording of the rules but makes a mockery of the school's uniform policy. You then tell yourself that you should spy on her to see how she's getting on.

Note: You can take buy the bikini and get Priti to spend Saturday afternoon at the beach before you punish Priti (PPRI03). If you do this, then you don't need to use the office phone to summon Priti. Instead, you can automatically test Priti's progress at the end of her punishment where you raise her to Level 3.

If you have not already done so, you will also need to complete Harriet's Punishment Announcement (STH03). This involves doing another patrol to find out about Harriet's activities (see STH01), doing a body search of Harriet (see STH02) and agreeing her punishment at the school board. You will then teach a class and see a punishment scene with Harriet. You strip Harriet to the waist and then announce her punishment as the new dormitory maid.

In the evening, spy on the dorms. If you have not already done so, you will need to spy on Liz's room first. You will see Harriet in her maid's costume, being given chores by Liz and Emily. After you have seen the scene in Liz's room, spy on Priti's room. You will see Harriet hiding in Priti's room while Priti is studying the uniform policy.

Teach a class. Priti will attend class in a very skimpy uniform. You will talk to her in your office afterwards, and then masturbate her. You tell yourself that you will need to teach Priti how to masturbate herself. You also decide that she should have some sexy nightwear to wear, to get her in the right frame of mind.

The following morning, you will automatically see a scene where Priti, dressed in her skimpy uniform, talks to you. You suggest that she needs to appear fully naked in the school play.

[PPRI06] Priti: Raising to Level 4

Raise Priti to Level 3 (PPRI04), and complete her second test (PPRI05).

Teach a class. Priti will arrive in her skimpy uniform again. She will remove her tie, and then call you a big dummy. Order her to your office after school. You will get +1 grades.

Note: if you choose to spank her in class instead, you will unlock the "Priti's disregard for the rules" event (STP09). You can then teach further

classes, and this event will then randomly happen again. You can then choose to order her to your office after school and continue this quest.

Priti will then automatically report to your office after the afternoon classes. Choose to give her a private punishment.

Priti will start this punishment at Level 3. Order her to strip to her underwear. Because Priti isn't wearing a bra, this will mean she is just wearing her panties. Position her with hands above her head and then pinch her nipples and lick her nipples.

Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee and rub her pussy. You will then get a message saying that you have raised her to the next level (level 4).

[PRI07] Priti: Test 3

Raise Priti to level 4 ([PPRI06](#)). On Wednesday evening, go to the gym. You will see Priti appear naked on stage while playing the roles of Aphrodite and Pandora.

Buy the sexy night wear from the Online Shopping | Clothing option on your office computer. It will cost \$800, and will arrive the following weekday.

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 3 – Your desire for self love".

Note: if you have already seen Priti naked on stage and bought the sexy night wear before you punished Priti, then you don't need to use the office phone. Instead, you can automatically test Priti's progress at the end of her punishment.

Priti says she thinks that touching herself is shameful. You and Priti both remove your clothes and masturbate together. You then tell Priti that you want her to try masturbating again as soon as possible, and you give her the sexy night wear. You tell yourself that you should spy on Priti's room to see how she looks in her new nightclothes.

In the evening, spy on Priti's room. You will see Priti in her sexy lingerie. Harriet, in her maid's uniform, tries to hide in Priti's room. Priti gets Debbie and gives Harriet a spanking. Priti then masturbates herself.

[PRI08] Priti: Raising to Level 5

The day after Priti spans Harriet ([PRI07](#)), you will automatically see a large scene. It happens the next weekday at the start of the afternoon. You go to the

cafeteria, and see Cassandra trying to tease Priti, who ends up starting a food fight.

Note: If you press "skip day" during the morning, you will not see this event. Either carry out an event (e.g. teach a class, do a patrol) or use "skip period" instead.

You then hose down the girls to clean them and force them to attend the afternoon classes naked. You get discipline +5 and grades +5. You then tell Priti to report to your office for additional punishment.

Priti will then automatically report to your office after the afternoon class where the food fight participants were naked. You can decide to tell her that she must be punished, or that you won't punish her.

If you decide not to punish Priti, then Priti then suggests that she'd like a punishment from you anyway. You can then choose to punish her, as it's what she wants, or you can refuse to punish her again.

Note: during this scene, it doesn't matter if Priti is on the punishment path or the desires path. You can choose to spank her even if she is on the desires path, and you can level her up without spanking her even if she is on the punishment path.

If you refuse to punish her, she will automatically be raised to Level 5. To spank her, you must agree to punish her.

Priti then asks if you would like her to be your girlfriend. You can say that you should just be friends, or that you'd like to be her boyfriend but only after graduation.

If you punish her, Priti will start this punishment at Level 4. She is already naked. Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee, massage her inner thighs and rub her pussy. Position her with hands above her head and finger her. You will then get a message saying that you have raised her to the next level (level 5).

Note: if you have choose the punishment path, you can also choose to pinch her nipples and lick her nipples instead of massaging her inner thighs and rubbing her pussy.

[PRI09] Priti: Test 4

Raise Priti to level 5 (either by spanking her or by refusing to punish her).

Choose "Test 4 – Your desire towards the opposite sex". You ask Priti to tell you what she desires most. Priti tells you that she would like to do another photoshoot with you, and she would like some more cake. You agree to meet her at the cafeteria on Saturday afternoon so that Priti can bake a cake and you can do the photoshoot at the same time.

On Saturday afternoon, go to the cafeteria. Priti bakes a cake whilst stripping naked, and you take photos of her. You then have a sixty-nine with her.

You assign her a new role as student counselor. Priti agrees that you can summon her to your office for punishment anytime you want. You also say that you can meet Priti here on Saturday afternoons so she can practice her cake baking some more.

Cassandra: The Hostess

[PCAS01] Cassandra: Raising to Level 2

Before you can raise Cassandra to Level 2, you will need to pass the Remove Skirts rule by punishing Debbie. See [PDEB02](#) for details. You will need Influence 4 and Discipline 25 to pass the rule.

You will also need to buy the Aloe Vera Cream. To do this, you will need to punish Rachel and spy on her room afterwards. See [PRAC01](#). The cream will cost \$50 and is available from the Online Shopping | Health option on your office computer.

Give Cassandra a private punishment. You can do this by teaching classes until she misbehaves, or you can complete "Faye's Embarrassing Situation" ([SCH01](#)) by going to the Sports Center on Wednesday afternoon and talking to Faye.

Remove her clothing & skirt. Position her bent over the desk and do both a hand spanking and ruler spanking. Position her over the knee, apply ointment, give her a hand spanking and massage her buttocks. You will then get a message saying that you have raised her to the next level (Level 2).

By spanking Cassandra and raising her to punishment level 2, you can unlock 2 spying events with Cassandra and Debbie. See Cassandra's Shocking Realization ([STC01](#)) for more details.

[PCAS02] Cassandra: Raising to Level 3

Before you can raise Cassandra to Level 3, you will need to unlock the "massage inner thigh" punishment option. You do this by punishing Debbie and raising her to level 3. See [PDEB03](#) for details.

Give Cassandra a private punishment. You can do this by teaching classes until she misbehaves, or you can complete the "Faye's Embarrassing Situation" event by going to the Sports Center on Wednesday afternoon and talking to Faye.

Note: if you have reached Chapter 2 of the game, you can also ask Cassandra a hard question during the Friday pop quiz.

Remove her clothing & skirt. Position her with hands above her head, and do a body search. Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over the knee and apply the ointment, spank her and massage her thighs. You will then get a message saying that you have raised her to level 3.

At the end of the punishment, give Cassandra a Basic Flirting Lesson. This will unlock the "Debbie's New Posters" event ([STC02](#)).

Note: if you did not complete Cassandra's Shocking Realization by spying on Debbie's room after raising Cassandra to level 2 (see [STC01](#) or [PCAS01](#)) then you may need to complete those events first. If Debbie is not in her room, spy on the showers and you will see the Rachel in the Shower event ([SWR01](#)). You can then spy on Debbie's room the following night.

[PCAS03] Cassandra: Revealing Her Weakness

In the evening, spy on Debbie's room. You will see Cassandra practicing her flirting in the mirror, while Debbie is putting up posters of the Celebrity Love Archipelago stars. This will unlock 3 new quest actions, to observe her behavior in class, while patrolling the halls, and in the shower room.

These three actions can be done in any order:

- During the day, **teach a class**. After the lesson you will stay behind to do some marking. Some of the students also stay behind chatting. You will hear Cassandra make up a story about a hot date.
- **Do a patrol** during the week. You will see the twins showing off their football skills. Cassandra is annoyed that she is not the center of

attention. She then tells everyone that Debbie has a crush on Miss Newman the sports teacher in order to get their attention again.

- In the evening, **spy on the showers**. You will see Cassandra picking on the "crying girl". (For background, see [PAT01](#) and [PAT02](#) for the crying girl events).

Once you have completed all three events, you will discover Cassandra's weakness: Hubristic Pride. Cassandra has enormous pride in herself, not for any real accomplishment but for her very existence. You tell yourself that to shatter Cassandra's pride you must reduce her social standing.

[PCAS04] Cassandra: Unlocking Her Weakness

If you have not already done so, you will need to start Chapter 2 of the game. To do this, complete the "A Man's Work Quest" ([QM3](#)) and pass the "corporal punishments may be carried out by any teacher regardless of gender" rule to allow you to spank the girls yourself. This requires 9 Influence and 40 Discipline. The following Monday morning, you will see the "A New Chapter" event ([OTH14](#)) and will start Chapter 2 of the game.

On Tuesday, Wednesday, Thursday or Friday afternoon, go to the Sports Center. This event will then automatically play out. You will see Faye standing naked outside the changing room after Cassandra pushed her out of the room. You get the girls to spank Cassandra with the paddle and then pleasure her until she has multiple orgasms. You will get +2 Horniness points.

Note: you have to click on the Sports Center on the main screen. If you click on the quick access button on the main map menu, you will not be able to complete this quest action.

Game Note: you cannot see Cassandra's paddling on a Monday afternoon. It only happens on Tuesday to Friday.

In the evening, spy on Cassandra's room. (Note: Cassandra's room will initially be shown as an "unknown room".) You will see Cassandra visited by the other girls, who all give her a big hug. You realize how you can use the photographs during punishment to give the extra humiliation Cassandra needs.

[PCAS05] Cassandra: Raising to Level 4

Choose to teach a class. At the start of the lesson, you will tell the students that the photographs you take during punishments will now be posted in the corridor outside your classroom. Cassandra then calls you a pervert. You decide to punish her after class.

Cassandra will automatically come to your office at the end of the day. Remove her clothing & skirt. Position her with hands above her head, and do a body search and use the camera to take pictures. Position her bent over the desk and do a ruler spanking and a paddle spanking. Position her over the knee, massage her thighs and rub her pussy. You will then get a message saying that you have raised her to level 4.

At the end of the punishment, give Cassandra the advance flirting lesson. You discuss some flirting and manipulation techniques, and you tell Cassandra you want her to work for you. Cassandra then agrees to have dinner with you.

[PCAS06] Cassandra: Raising to Level 5

After you have raised Cassandra to punishment level 4, spy on Debbie's room in the evening. You will see Debbie and Cassandra talking about your job offer. Cassandra asks Debbie how she was persuaded to become a prefect. Cassandra says she's impressed at how you convinced Debbie to accept the role.

If you have not already done so, pass the new Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting. You will require Influence 10 and Discipline 55 to pass the rule.

Choose to teach a class. Before the class starts, Cassandra will approach you and try to blackmail you. You tell her she will be punished after school.

She will start the punishment at Level 4. Order her to strip to her underwear. Position her with hands above her head and use the camera to take pictures (or do a body search).

Note: you can do a body search instead of taking pictures. However, you get an extra small scene which helps to develop Cassandra's storyline if you take the pictures.

Position her bent over the desk and give her a hand spanking, a ruler spanking and a paddle spanking. Position her over the knee, massage her thighs (or rub her pussy). Put her in the diaper position and use the massage wand. You will then get a message saying that you have raised her to level 5.

Note: you do not need to use the massage wand. While over the knee, you can choose to rub her buttocks, massage her thighs, and massage her pussy instead, then just put in her in the diaper position.

At the end of the punishment, choose to arrange a Practice Date with her. You agree to have a dinner date with her, and you tell her that you will purchase a new dress for her to wear.

Note: In the current version of the game, you can only raise Cassandra to Level 5. However, once you have done so, you can have a date with her, watch her have a lesbian encounter with Debbie, and give you a blowjob in your office. See [STC09 \(The Practice Date\)](#), [STC10 \(Debbie's Disappointment\)](#), and [STC11 \(Blowjob Practice\)](#) for information.

Liz: The Exhibitionist

[PLIZ01] Liz: Revealing Her Weakness

You will need to pass the Corporal Punishments rule "students may be ordered to strip down to their underwear" at the Friday morning school board meeting. You will need 10 Influence and 55 Discipline to pass the rule.

You will also need horniness 6+. For a list of all the horniness points and how to achieve them, see [REF02](#).

Teach classes until you see Liz looking distracted. She will drop her pen. Choose "let me get that for you". Liz will flash you. At the end of the class, you will talk to Liz and then finger her. You will discover that Liz is an exhibitionist who enjoys showing off her naked body.

[PLIZ02] Liz: Raising to Level 2

Teach classes until you see Liz being distracted again, or ask Liz an easy (or hard or impossible) question during the Friday pop quiz. Choose to give her a private punishment. At the start of the punishment, Liz will immediately strip naked, and you will sentence her to a private spanking.

Liz will start this punishment at Level 1. She is already naked. Position her with hands above her head and use the camera to take pictures. Put her over your knee and give her a hand spanking. Put her in the diaper position and give her a ruler spanking. Position her on her knees, slap her face with your penis and then ejaculate on her face. You will then get a message saying that you have raised her to the next level (Level 2).

At the end of the punishment, choose to discuss sexting with her. You will tell her to take provocative pictures and share them with you to help satisfy her exhibitionist urges.

[PLIZ03] Liz: Level 2 Post-Punishment Events

At the end of the punishment, choose to discuss sexting with her. You will tell her to take provocative pictures and share them with you to help satisfy her exhibitionist urges.

In the evening, spy on Liz's room. You will see Liz talking to Harriet and Emily. Liz starts masturbating herself while telling them about her punishment. Once you have spied on Liz, you will see a series of texts from Liz on your phone. You then see a video stream of Liz masturbating herself.

After you have received the video of Liz masturbating, visit Miss Newman's apartment in the evening. You will discuss Liz's punishment with Sally.

[PLIZ04] Liz: Raising to Level 3

Raise Liz to Level 2 ([PLIZ02](#)), spy on her dorm and discuss Liz's punishment with Sally ([PLIZ03](#)).

After you have talked to Sally in her apartment ([QLIZ05](#)), teach classes until you see Liz daydreaming in class again, or ask Liz an easy (or hard or impossible) question during the Friday pop quiz.

Choose to give her corporal punishment in class. You will strip her naked and bring her to orgasm. You will raise her to the next level (Level 3). You will also get discipline +4 and horniness +1.

At the end of class, Liz will give you a handjob. While she is doing so, you are discovered by Debbie, who stays and watches.

[PLIZ05] Advance Sam's Quest

Raise Liz to Level 3 ([PLIZ04](#)). The following day, you see Liz accepting a dare from April to flash you.

If you have not already done so, you will need to have your first date with Samantha. To do this, go to the school office and speak to Samantha when she is sitting at her desk. Ask her about "the local area" and then "ask her out for dinner". That evening, you will go on the date with Samantha.

After your first date with Samantha, speak to Samantha at her desk again. Choose to "ask her out for a second date". However, Sam will refuse.

If you have not already done so, build the cafeteria and visit it during a weekday afternoon. The first time you visit the cafeteria, you will see Donna being punished by Patricia. Visit the cafeteria a second time. Choose "late lunch (eat with Samantha)". You will have lunch with Samantha, and you will offer to help Samantha with her gardening on Sunday. (See [QSAM02](#), [QSAM03](#) and [QSAM04](#) for details.)

If you have not already done so, pass the Public Punishment rule "strip to underwear for public punishment" at the Friday school board. You will need 10 Influence and 55 Discipline.

You will also need to pass the Headmaster's Privileges rule "The Headmaster has the right to perform a body search of anyone on campus." You will need Influence 11 and Discipline 70.

On Sunday, you will be asked if you want to walk to Samantha's house. Say "yes". Sam will then (usually) invite you into her house for tea and biscuits.

Note: if your first date with Sam went badly, and depending on the choices you made when Arabella joined the school, then Sam may be upset with you. If this is the case, you will need to make a second visit to Sam's house the following Sunday before she will offer you tea and biscuits. See [QSAM13](#) for details.

[PLIZ06] Liz: Public Punishment

Once you have passed the body search rule, raised Liz to level 3, and had tea and biscuits with Sam, then Samantha will speak to you in your office and tell you she thought she smelt cannabis smoke near the dorms. That evening, you will visit the dorms with Samantha. You will see Liz intentionally flash you in the dorms. You then do a body search of Liz, April, Cassandra and Alice while Samantha watches. You also tell Liz to report to your office after school the next day for an additional punishment.

At the end of the following day, Liz will automatically report to your office for punishment. You will make her do a public punishment. Because Liz is not wearing any underwear, she will strip naked. At the end of her punishment, Liz will give you another handjob.

[PLIZ06] Liz: Public Streaking

During the week, go to the office. You will see Ruth accusing Sam of having stolen Ruth's crucifix. Ruth asks you to carry out a body search on Samantha. You can agree or you can refuse, but you will progress the storyline faster if you refuse.

The following Sunday afternoon, visit Sam's house again. You will do some more gardening and have dinner with Sam. Sam's sister Lily arrives home and makes you play a drinking game. You then demonstrate your disciplinary technique on Lily.

Note: if you did a body search on Samantha, you will need to visit her house twice before she will offer you dinner and you can demonstrate your disciplinary technique on Lily.

The following morning, you will see Liz accepting another dare from April. In the afternoon, go to the cafeteria. Choose "late lunch (eat with Samantha)". You will have lunch with Samantha and Sally. While you are having lunch, a streaker runs past.

You then tell Sally to arrange to have a suspect line-up of all the girls matching the streaker's height and build. Ruth accidentally identifies Samantha as the streaker. You correctly identify Liz as the streaker. You tell Liz that she will be punished for two crimes: firstly for streaking, but also for failing to confess and hoping someone else would take the blame.

[PLIZ07] Liz: Raising to Level 4

This action will happen immediately after the previous action. Sally will change into her new uniform and you will then punish Liz.

Liz will start this punishment at Level 3. She is already naked. Position her with hands above her head, use the camera to take pictures, and then forcefully molest her. Put her in the diaper position, give her a ruler spanking, and then rub her clit with the tip of your penis. Position her on her knees, slap her face with your penis and then ejaculate in her mouth. You will then get a message saying that you have raised her to the next level (Level 4).

At the end of the punishment, you tell Liz that she will be doing her corner time in public, standing in the courtyard. You also punish April, Cassandra and Alice for persuading Liz to streak.

Miss Potts

[POT01] The Wrong Way to Give a Punishment

Miss Potts has a single punishment scene, which is very different to the normal student punishment scenes.

To unlock the punishment, please see [SFP06](#), The Wrong Way to Give a Punishment. This involves doing several training events with Miss Potts.

The goal of this punishment is to max out Claire's fear. However, if her fear score is greater than her submission score, then she will use her safe word and the scene will end. If Claire uses her safeword, you will automatically get the same scene the following day. However, the event will unlock in the replay menu even if the scene ends early.

To successfully complete her punishment, you need to insult her, lightly slap her face, inspect her uniform, and tear off her skirt and knickers. Inspect her bra and then tear off the rest of her clothes. Grope her breasts, slap her breasts and take her picture.

After that, change position and force her over your desk. Spank her and do a cavity search. Change position and force her to her knees. Pull your dick out, do a dick slap, make her kiss it and force it in her mouth. Twist her hair or slap her, and force it down further.

Finally, lift her onto your desk, legs in the air, and force her legs apart. You can finger her first or simply penetrate her to complete the punishment.
