Message table

You need 3 items: Message table, glue (in garage), nuts & bolts (in garage). Then use the build app using these 3 items to make the assembled message table.

Clock puzzle

use dad's notes on map and click arrow (lower corner) to skip puzzle (fastest). Or you can set clocks

Look at the map, the spots on the map relate to the positions of the clocks.

A= 5:47 ; B=1:35 ; C=3:34 ; D=7:07 🤖

Devons / Mom's key

Key + soap - key imprint on soap (mom's bathroom)

1. Make wax key (inventory)

a. Use corn starch on soap

b. use Lit Candle (lighter) on Soap

2. Make mold in build App

a. Metal box

b. Wax Key

c. Clay

3. Molten Metal

a. Use Dinnerware on Crucible to combine them (inventory)

b. Use Crucible with Metal on the Grill in the backyard

4. Use the Molten Metal on the Key Mold (inventory)

Pills

you need to go back to dad's secret room (basement) and click on the pills again. This time you'll take a bottle of the pills, then you break into (lockpick) Devon's office and replace the "vitamins" with your dad's pills.

Stripper pole

Chrome pole (garage) use ladder on cabinets

Pole base and holder (screwdriver) on roof. Combine all in inventory. Secure with screwdriver.

up

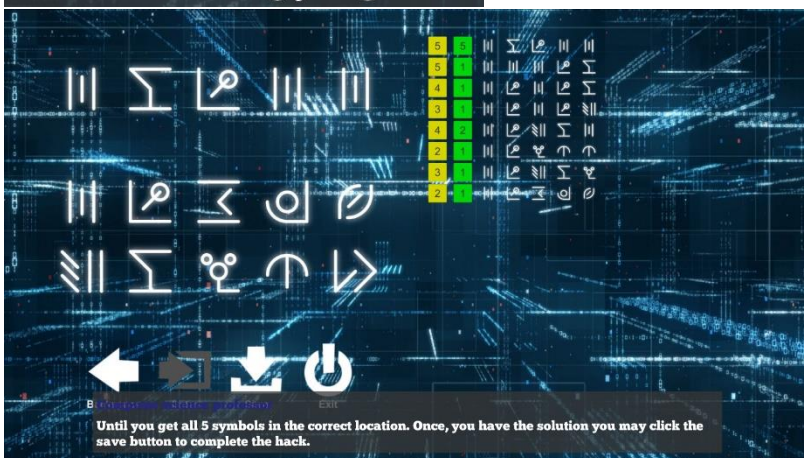

If you make a mistake, you can use the Backspace button to delete the previous symbol.

Two of the symbols in my guess are in the final solution and 1 of those is in the correct spot.

You continue making your guesses.

Be aware, a symbol may appear more than once in the solution, as you can see on my screen.

when you grow tired of hacking (lower left corner)
