Path 1 - Blacksmith's Apprentice

Isabella

Affection 0: "Isabella's Package", is the first quest to be unlocked for all players via regular progression of the story, when MC arrives in Rivervale. Isabella needs MC to visit Beatrice's Shop to receive a package. MC can visit the Shop, where Beatrice hands him a small box. After that, MC can deliver the package to Isabella, to finish the quest.

The second quest "The Past and the Future" is unlocked, but you need to raise Isabella's Affection to 5 to advance.

Affection 1:

Affection 2: -

Affection 3: Isabella can now receive suggestions on Outfits that she will wear for most interactions.

Affection 4: -

Affection 5: "The Past and the Future", is the second quest for Isabella where MC has to select the correct dialogue prompts. You need at least 2 Energy to go out on the date. In order:

1. "How can I help you?"
2. "Ask for a kiss."

If the date has failed due to wrong choices, you can ask Isabella out again, and the correct dialogue options are:

1. "What do you like to do?"
2. "Ask for a kiss."

Amelia

Affection 0: -

Affection 1: -

Affection 2: “The Truth in the Shadows”, is Amelia’s first quest, where she approaches MC asking for his help. Amelia will ask MC to come back another time, in order to catch the shady men in the act. MC will have to visit the inn at random times, until Amelia has the “Go to the back alley” quest prompt. There, regarding MC’s past dialogue with Amelia, MC has the option to either bribe or threaten the shady men. If MC chooses to bribe the men, without having gold on him, a special scene including a character from Path 2 is unlocked. It’s important to state that this quest has no fail state.

Affection 3: Amelia can now receive suggestions on Outfits that she will wear for most interactions.

Affection 4: Amelia now offers MC the ability to work at the Inn for some gold.

Affection 5: Amelia now offers MC Pickpocketing/Sleight of Hand Lessons, that raise MC’s Stealth skill.

Affection 6: -

Affection 7: -

Affection 8: The Romance Screen is unlocked, and remains unlocked as long as Amelia’s Affection levels remain above 8.

Affection 9:

Affection 10: More options for the Romance Screen are unlocked.

Affection 11:

Affection 12: More options for the Romance Screen are unlocked.

Captain Lenora

Affection 0: "Investigation", is the first quest for Captain Lenora. MC can unlock the quest by searching the Town Square for the first time. There, MC can find a sealed letter. To find the Sealed Letter's recipient, MC must talk to Amelia. Amelia will redirect MC to Captain Lenora's house, where MC can successfully finish the quest.

Affection 1: -

Affection 2: -

Affection 3: "Citizen's Help", is Lenora's second quest. This quest has 2 outcomes:

- Lenora sees MC as a submissive soldier.
- MC becomes more dynamic in his relationship with Lenora.

Captain Lenora notifies MC that an important key has been stolen, and MC needs to find it and retrieve it. To complete the quest, MC must visit the Inn, where the thief can be found with the key. There, MC can cut a deal with her:

If MC takes the deal, the key will not be retrieved and MC has failed Lenora.
(submissive route)

If MC doesn't take the deal, the key is retrieved and MC succeeds in his mission.
(dominant route)

Lenora, depending on your actions at the Inn, will either reward you, or force you to go under basic soldier training.

Affection 4: -

Affection 5: Lenora can now receive suggestions on Outfits that she will wear for most interactions.

Affection 6:

- “Under Her Wing” (sub), is the third quest including Lenora, where MC undergoes basic soldier training by Lenora herself. After MC disappointing her by not retrieving the key, Lenora sees MC as a weak errand boy. The quest needs no player input to be completed.
- “In Search of the Captain” (dom) **[Bugged in v0.1]**, is the alternate third quest for Lenora, where MC finds a note upon visiting her house. Lenora has been kidnapped by a group of bandits, and MC has to rescue her. In order to attempt saving her, you will need to have unlocked the Forest, by progressing with Miriam’s questline. If the forest is unlocked, MC can go there to try to search for Lenora. Having a raised Stealth skill (*at least 5*) is needed to successfully save Lenora. After MC sneaks through the main part of the cave where the bandit leader Sable is located, he reaches Sable’s room where you have to choose the “Hide Under her Bed” option to pass this section of the mission. After hiding from Sable, MC can rescue Lenora and regain back his gold (*if he has lost any during past rescue attempts*).

Miriam

Affection 0: “Miriam’s Mushrooms”, is Miriam’s first quest and is given to MC the first time he interacts with Miriam. MC has to find three (3) Sylvan Starcup Mushrooms, either by buying them from the Shop, or by searching in the Town Square (very low chance). After acquiring the Mushrooms, MC can return to Miriam.

Affection 1: -

Affection 2: -

Affection 3: Miriam can now receive suggestions on Outfits that she will wear for most interactions.

“Whispers of the Forest” is Miriam’s second quest, where she will agree to meet MC in the Forest, in order to help her search for a rare herb. There MC unlocks Elowen and the Foraging option. This quest has no fail state.

Beatrice

Affection 0: -

Affection 1: -

Affection 2: -

Affection 3: Beatrice can now receive suggestions on Outfits that she will wear for most interactions.

Affection 4: -

Affection 5: “Market Ambitions” is Beatrice’s first quest, where she asks MC to help expand the shop. MC needs to have at least 5 points in Blacksmithing in order to advance the quest. For the quest to be completed, MC will need to work on the shop 5~6 times. (Each working day requires MC to have at least 2 Energy.) This quest has no fail state.

----- End Of Content for 0.1 -----

Sister Evelyn

Affection 0: “Hidden Desires” is Sister Evelyn’s first quest, and is unlockable simply by visiting her house for the first time. MC will need to speak with the villagers at the Town Square and then return back to Evelyn to complete the quest.

Affection 1: -

Affection 2: -

Affection 3: Sister Evelyn can now receive suggestions on Outfits that she will wear for most interactions.

----- End Of Content for 0.1 -----

Amina

Affection 0: “Royal Medicine” is the first quest for Amina, but MC can only advance after raising Affection to 3. Amina will give this quest the first time MC visits her house.

Affection 1: -

Affection 2: -

Affection 3: Amina can now receive suggestions on Outfits that she will wear for most interactions.

“Royal Medicine” is Amina’s first quest, given to MC by visiting her house for the first time. Amina asks MC to bring her 5 Lunar Fireberries and 3 Phoenix Feathers for a potion. The ingredients can be either found by Foraging, Searching Around in the Town Square, or at the Shop (after expanding the Shop in the “Market Ambitions” quest). This quest has no fail state.

----- End Of Content for 0.1 -----

Elowen

Affection 0: -

Affection 1: -

Affection 2: “Elowen’s Identity” is Elowen’s first quest, given to MC by Miriam, after visiting her house, after reaching Affection level 2 with Elowen. MC will have to visit Elowen at the forest, where she reveals her secret. However, Elowen wants MC to not

reveal her true identity to Miriam. MC has to return to Miriam's house, where he can make the choice of either Keeping Elowen's identity a secret, or revealing the truth to Miriam. This choice has no influence on the game as of yet.

Affection 3: Elowen can now receive suggestions on Outfits that she will wear for most interactions.

Path 2 - Exiled General

Gwen

Affection 0: "A New Start" is Gwen's first quest and it is unlocked by naturally progressing the story after picking Path 2. MC will need to visit Gwen right after reaching the castle, where he has to pick a strategic approach to a threatening situation. The correct option is "Send Diplomatic Envoy".

"Five Steps to Glory" is Gwen's second quest, given right after the "A New Start" quest has been completed. Gwen needs MC to choose the correct way to approach strategic situations. MC will have to give the right answer 5 times, in order to complete the quest. Depending on the scenarios, the correct answers are:

- A rival faction is planning to seize control of [...] village.
 - Fortify the village.
- A group of bandits is raiding the [...] storage/depot.
 - Set trap.
- A rival faction is planning a crossing at river [...].
 - Destroy the enemy's supply lines.

After completing the quest, Battles are unlocked.

Affection 1: -

Affection 2: -

Affection 3: Gwen can now receive suggestions on Outfits that she will wear for most interactions.

Affection 10: The Romance Screen is unlocked, and remains unlocked as long as Gwen's Affection levels remain above 10.

Affection 12: More options for the Romance Screen are unlocked.

Affection 14: More options for the Romance Screen are unlocked.

General Wolfe

Affection 1: -

Affection 2: -

Affection 3: Wolfe can now receive suggestions on Outfits that she will wear for most interactions.

----- End Of Content for 0.1 -----

Tess

Affection 1: -

Affection 2: -

Affection 3: Tess can now receive suggestions on Outfits that she will wear for most interactions.

“Caught Off Guard” is Tess’s first quest. Tess needs to retrieve her stolen book from a thief. After speaking with Tess, MC will need to get the key to the locked door, from General Wolfe. With the key, MC must return to Tess. When confronting the thief, MC has two options, none of which influence the story (in this version). **[there’s a bug in the “Threaten to Imprison” option, try to avoid it.]**

----- End Of Content for 0.1 -----

Morwen

Affection 0: “Prayers Up” is Morwen’s first quest, given to MC by visiting the Sanctuary/Shrine in the castle. To advance the quest, MC has to talk to Tess who then redirects him to Wolfe. After visiting General Wolfe, you can return to the shrine, where the quest is completed.

-Note: To unlock Morwen's Interaction Menu, you will have to pray and offer Gold 20 times.

Affection 1: -

Affection 2: -

Affection 3: Morwen can now receive suggestions on Outfits that she will wear for most interactions.

----- End Of Content for 0.1 -----

Queen Orinthia

Affection 0: “Through the Fire” is Orinthia’s first quest, given to MC right after unlocking the “Engage In Battle” option in Gwen’s menu. It requires MC to win 20 Battles. After being victorious 20 times, MC is expected at the Royal Court.

“Power Plays” is Orinthia’s second quest and does not depend on Affection Levels. The quest is unlocked immediately after completing the “Through the Fire” quest. To advance, MC has to speak to Queen Orinthia in the Royal Court, where she tasks him with capturing Lyrielle. MC then has to speak with Gwen, and after that, organize the attack with General Wolfe. If MC wins the battle against Lyrielle’s party, there is a chance (~25%) that Lyrielle is captured by MC. *(MC can retry fighting the same battle if Lyrielle manages to escape)*. After capturing Lyrielle, MC must speak with Orinthia back at the Royal Court.

Affection 1: -

Affection 2: -

Affection 3: -

Affection 4: Queen Orinthia can now receive suggestions on Outfits that she will wear for most interactions.
