

# SHADOWS OF DESIRE WALKTHROUGH (REN'PY VERSION)

In this walkthrough, I'll try to guide you through the 3 paths of this game:

- [Cuckold](#)
- [Cheating](#)
- [Blackmail](#)

And all of the sub routes each path has, so I recommend you to make more than one save per path.

**If the text appears like this, it means that this can only be triggered if you're playing the patreon version of the game**

# CHEATING PATH

Once you start the game, you will have to choose the different paths you made during the playthrough of the RPGM version. I suggest you make different saves with all of the paths available (Save Jessica, Jessica Exposed and Jessica No Exposed) because some scenes will be different depending on the path you're on.

Once you start playing the game, just follow the free roam, it's linear and you won't miss any content, choosing to see Cami's POV of the tent scene is optional.

If you saved Jessica, you will see what happened to Sarah after leaving Donna's house.

Once Fred is in the school, go to the classroom and talk with Ella, then leave and go to the pool to talk with Ruth, leave the pool, **IF YOU DIDN'T EXPOSE JESSICA go to the canteen and talk with her**, move forward and enter in the library to talk with Sara's teacher.

## **IMPORTANT CHOICE (Make a save)**

Accepting or rejecting Ari's date will have influence in the story later on.

Leave the library, move backwards two times and go to Fred's classroom to talk with Ella. (If you rejected Ari's date in the previous scene, she'll ask you again. If you reject her again it will influence the story later on.)

Leave the classroom, move backwards and leave the school, then take the bus.

## **PHONE SCENE**

Just check the messages and Red Box.

Go to Sam's and talk with Monel and Sarah. Then leave Sam's and go back home, open the chest and go inside.

## **IMPORTANT CHOICE (Make a save)**

You can choose to shower with Cami or not, if you choose "No", go Downtown and work.

## **AS JASON**

Go to Sam's and then to the "???" building, then go to Fred's house.

### **IF FRED WENT TO WORK**

After working, go to Nessa's Shop in the Dark Alley and buy the "Obedient Girl" Outfit, this will **open a special scene in the school.**  
Return and go back home.

### **IF FRED SHOWERED WITH CAMI**

Click on the bathroom's door and then go back and click on the phone (It's on the couch).

After waking up, go to the bathroom, return to your bedroom and talk to Cami, then take the bus and go to the school.

Talk to Sarah, go to the Canteen at Hallway B, go to the bathroom and talk with Ruth, go to Fred's classroom in Hallway A.

As Cami, click on the blue door and talk with Melissa.

Returning to Fred, go to the library on Hallway A and click on Junior, then go to the Canteen in Hallway B and talk with Eduard and Weird Boy, click on the Girl's Gym, go to the infirmary upstairs and click on Sarah, return to the library in Hallway A and click on Junior, then go upstairs and talk with Ari, go to the bathroom.

As Cami, click on the phone on the couch.

As Fred, enter in Red Box and see all the pictures, leave and enter in Instaland, check the stories, click on the icon at the bottom of the phone, go to "Followed" and check all of the accounts you follow, then close the phone and go to the library in Hallway A and talk to Ari, If you go to the infirmary, you will see a scene with Sarah and her boyfriend, then go to the Girl's Gym and click on the blue door, leave the Gym, go upstairs and click on Fred's locker, then return to the gym.

### **IMPORTANT CHOICE (Make a save)**

The ending will be different depending on the choice you make, **however, if you choose to "make her leave" (This option unlocks only if you bought the "Obedient Girl" Outfit) and you bought the outfit from Nessa's shop, you will trigger a special scene in the next scene.**

### **LOCKER ROOM MINIGAME**

Keep progressing until Jason gets naked, now you just have to choose the option based on what Cami tells you (if she wants to lick, choose mouth, etc.), when she's moving her ass, choose "use her ass". **If you bought the outfit, you will get the special scene after this minigame.**

The ending will be different depending on the scene you did at the minigame (normal ending **and Patreon ending**)
