Recipes for potions in game recipe book

There are 5 main NPCs and 8 side NPCs with the main cast having fully drawn scenes and the side cast just having changed sprites.

A list of the current special encounters:

#### Anna:

After reaching rank two and having both dialogs with her she offers the player to help her in the morning in the tavern(Scene)

Reaching rank four and having her next dialog offers the possibility of her visiting you at work with a special request with an evening tavern followup quest.

#### Roland:

After reaching rank two you can use both dialog options and after that can get a special encounter as a customer from him, where you can sell him a spiked potion, at the same day you can meet him in the evening in the tavern for the follow up scene.

Reaching rank four and having her next dialog offers the possibility to have her visit you as a customer with an evening tavern scene as a follow up.

#### Kathy:

After reaching rank two you can use both dialog options to get her with a special customer scene, selling her a spiked potion ends up with meeting her on the main street tfed.

After reaching rank four and her third dialog you can find her around the day on the marketplace for a special encounter.

#### Liz:

After both dialogues she will offer to show you her new ingredients in the morning.

After reaching rank four and her next dialog you can meet her around afternoon in the tavern.

#### Leyra:

After using up both dialog options and reaching rank 2 you can speak to her in the tavern to see her scene.

After reaching rank four you can get a scene with her as customer in the guild, with a followup scene in the tavern at evening.

Bonny:

No special scene as of now, only dialog.

Sarador:

After both dialog options you he can come up to you at work as a customer and you get the option to spike the potion

After reaching rank 4 and the third dialog you can get another customer scene with him.

Breezes:

After reaching rank two and using both dialog options he has the chance to visit you while working for a special request.

Claire:

After reaching rank four you can have a special customer scene with her.

Kotaro:

After reaching rank two and using both dialog options, you can get him as a special customer, with the option to spike his potion.

Lumi:

If you reach rank two and use both of his dialogs, Breezes might come to you while working with an idea.

After reaching rank four and the third dialog option you can get another customer scene with him.

Mike:

If you use both dialog options and are rank 2, he comes to you while working with a special scene including Nadia

After reaching rank four and the third dialog option you can get another customer scene with him.

Nadia:

After reaching rank four you can get a customer scene with her.
