Prologue

June 1, Monday. Day 1

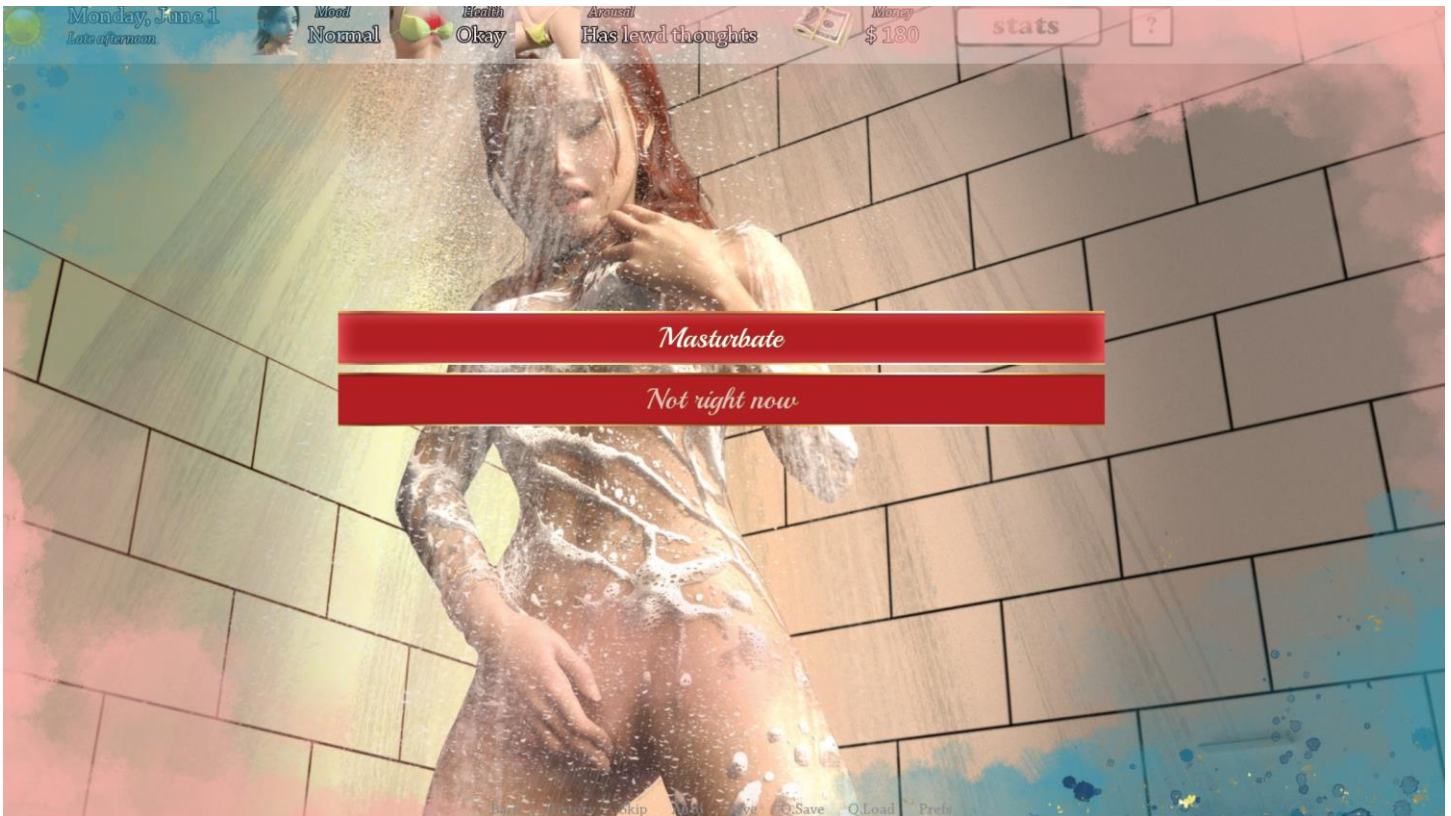

Ordering pizza will allow you to spare some time for going to the beach.

Going to the grocery store and cooking food will take a lot of time, and you won't be able to go to the beach.

Both routes are acceptable.

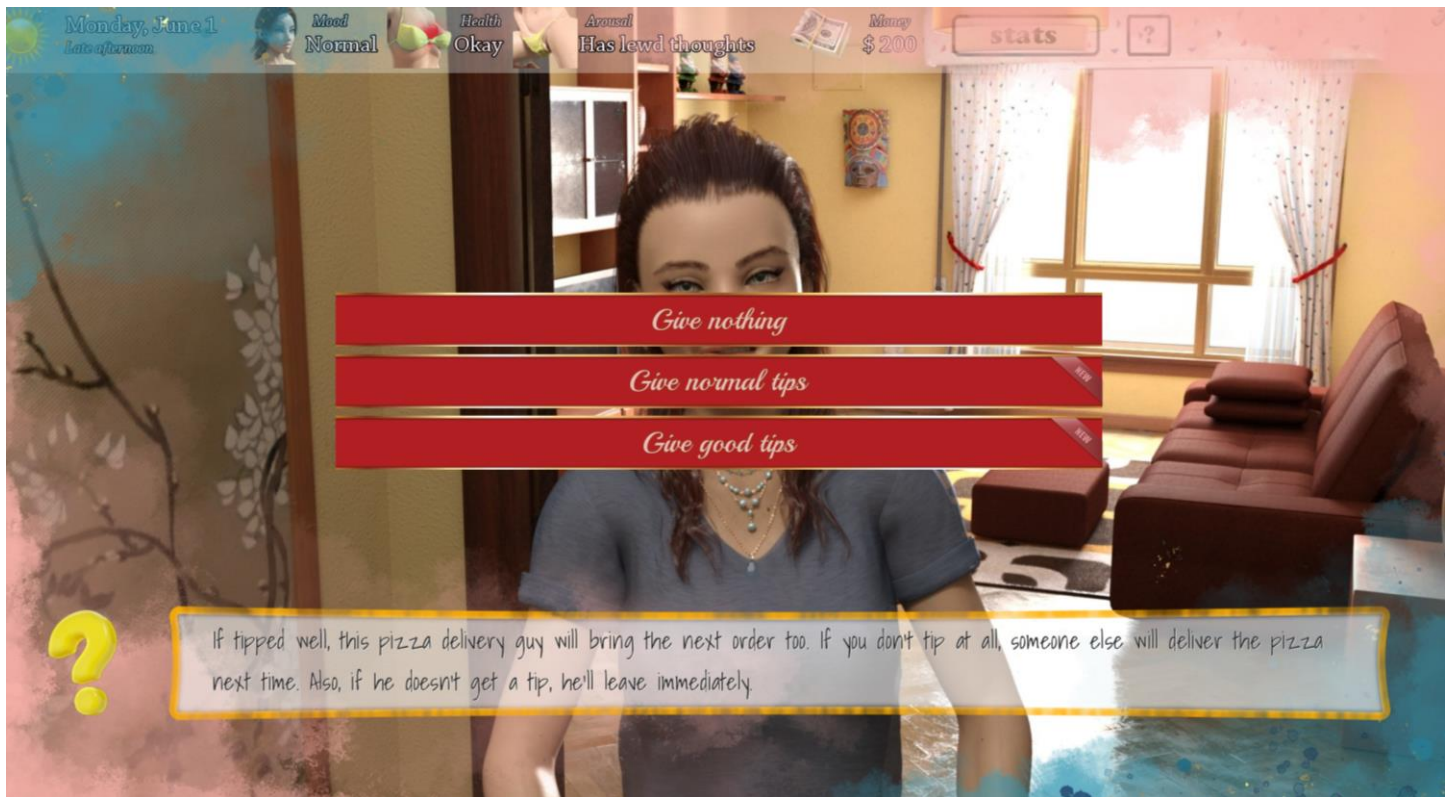

If you didn't order pizza:

If you choose to masturbate, you won't be able to do this again till tomorrow. Lisa won't be aroused enough to have some fun at night and watch lewd videos.

If you ordered pizza:

The pizza will be delivered randomly by pizza boy or pizza girl

It's recommended that you give nothing if you want another delivery person. Otherwise, it would be a good strategy to always give good tips and have the same delivery person each time you decide to order pizza. In this way, you will unlock all lewd content much faster. Lewd content for Noah (Pizza Boy) and Lia (Pizza Girl) are different and don't intersect.

The order doesn't matter. You will visit both locations anyway

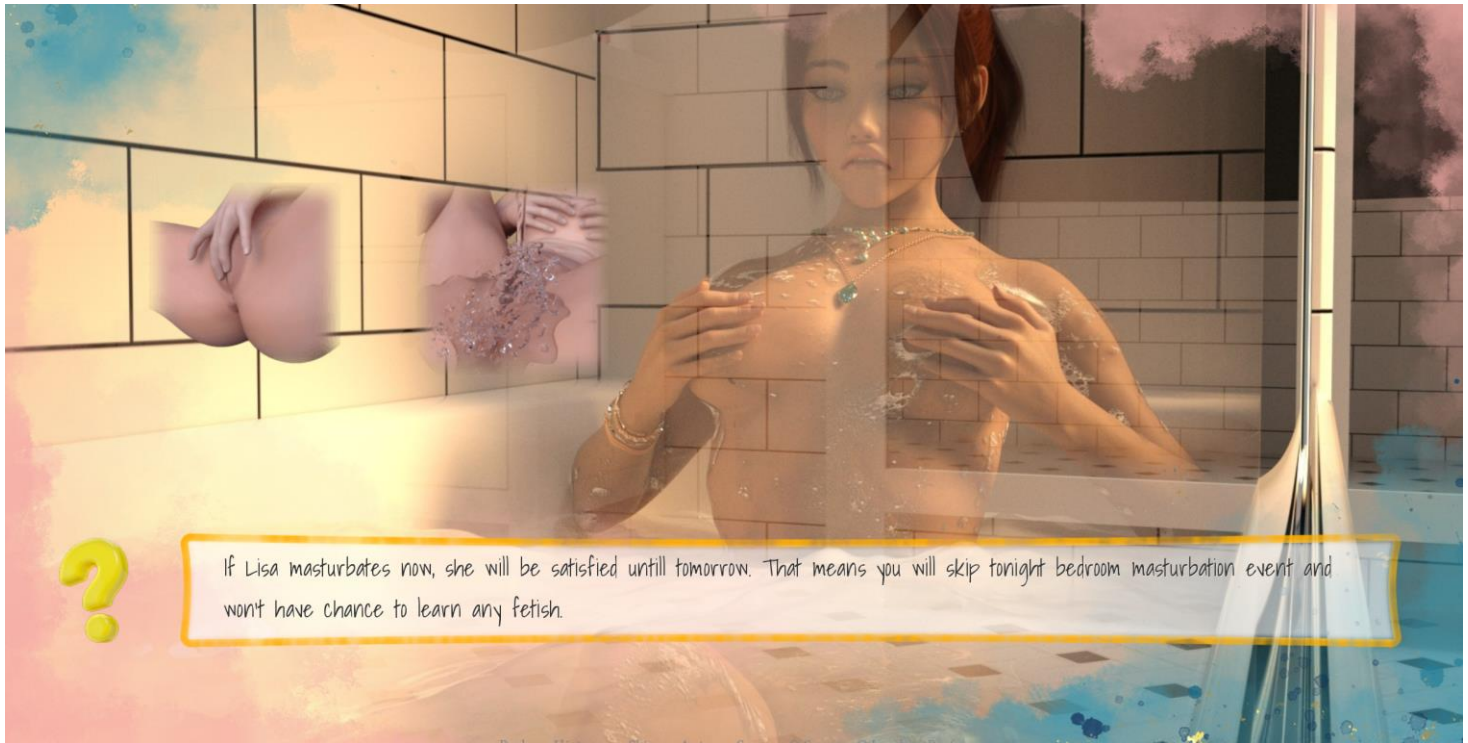

You will have this choice only if Lisa orders pizza. Otherwise, she won't have time to go to the beach.

If you go home:

To have bedroom events, make sure Lisa watches a movie. The movie is always erotic and fun on Day 1, and it increases Lisa's mood and arousal.

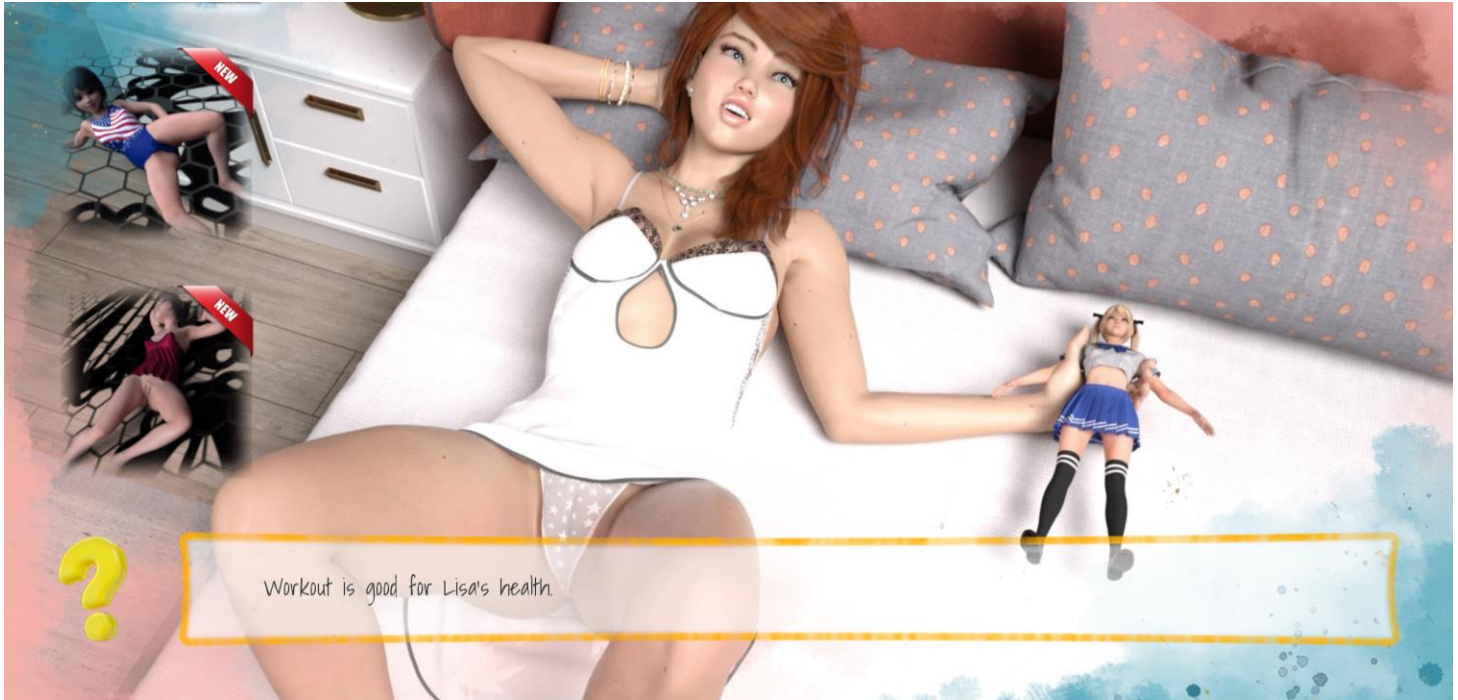

If didn't masturbate yet:

Night bedroom event

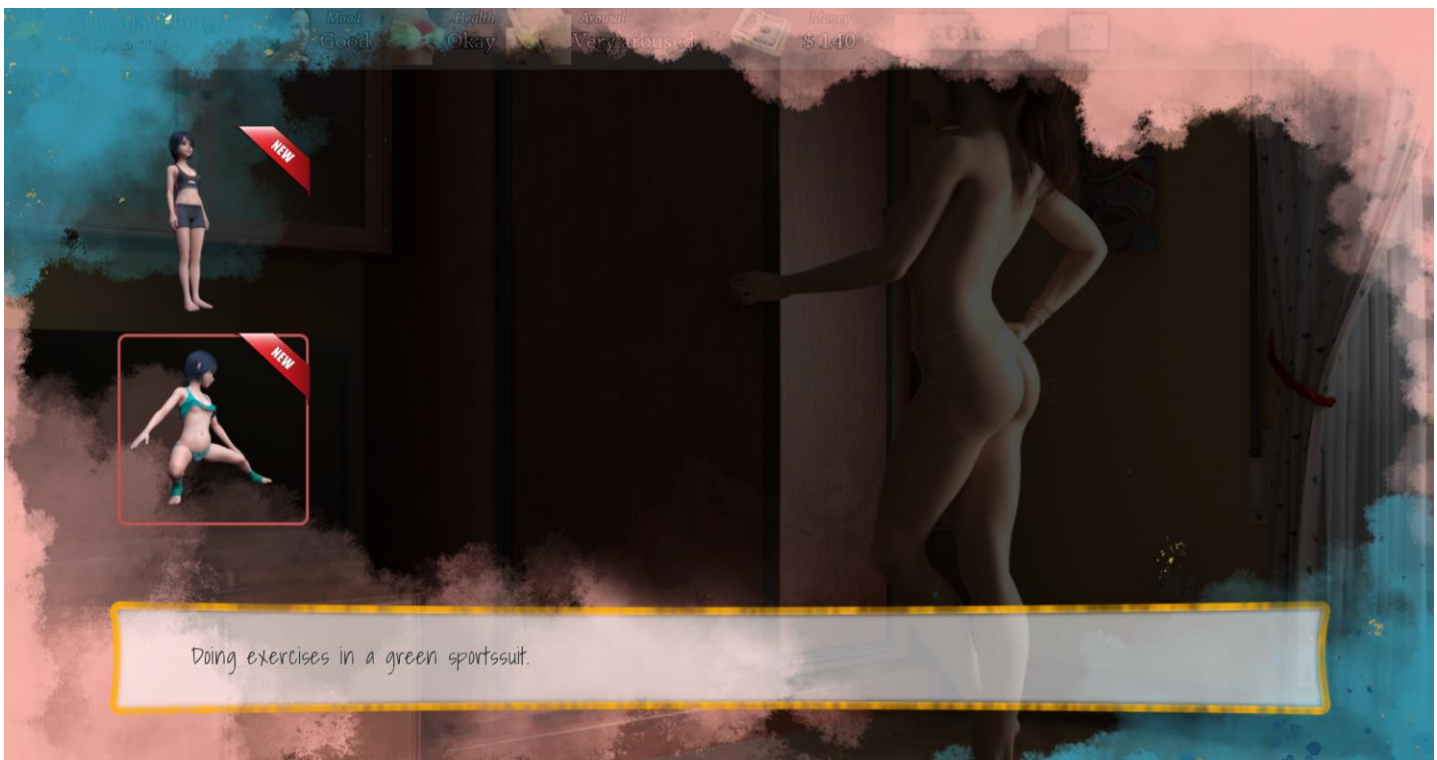

It's available if your mood is normal or better, health is okay or better, and arousal is aroused or higher. See [the Night Bedroom event](#) for more information.

June 2, Tuesday. Day 2

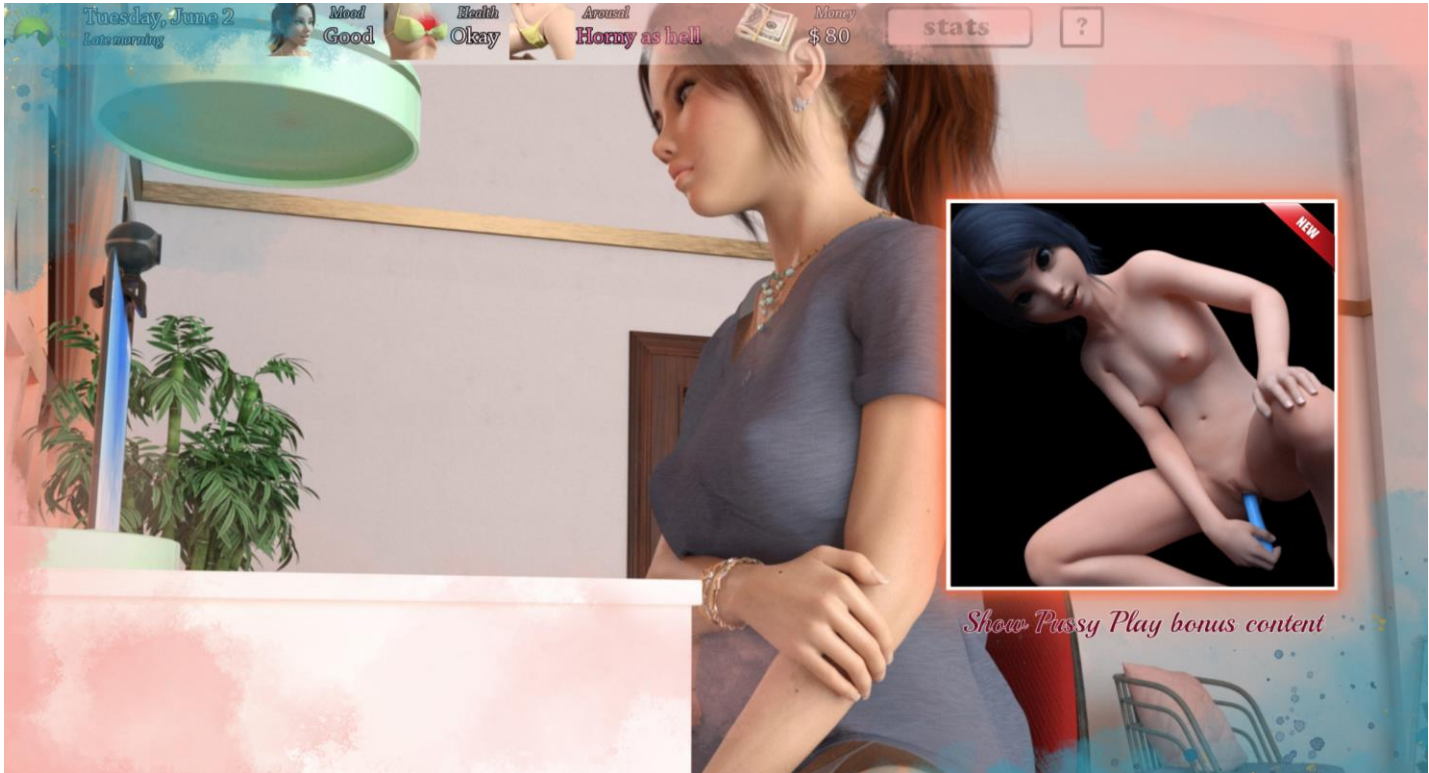

Workouts are preferable because they eventually increase Lisa's health. However, both options are acceptable.

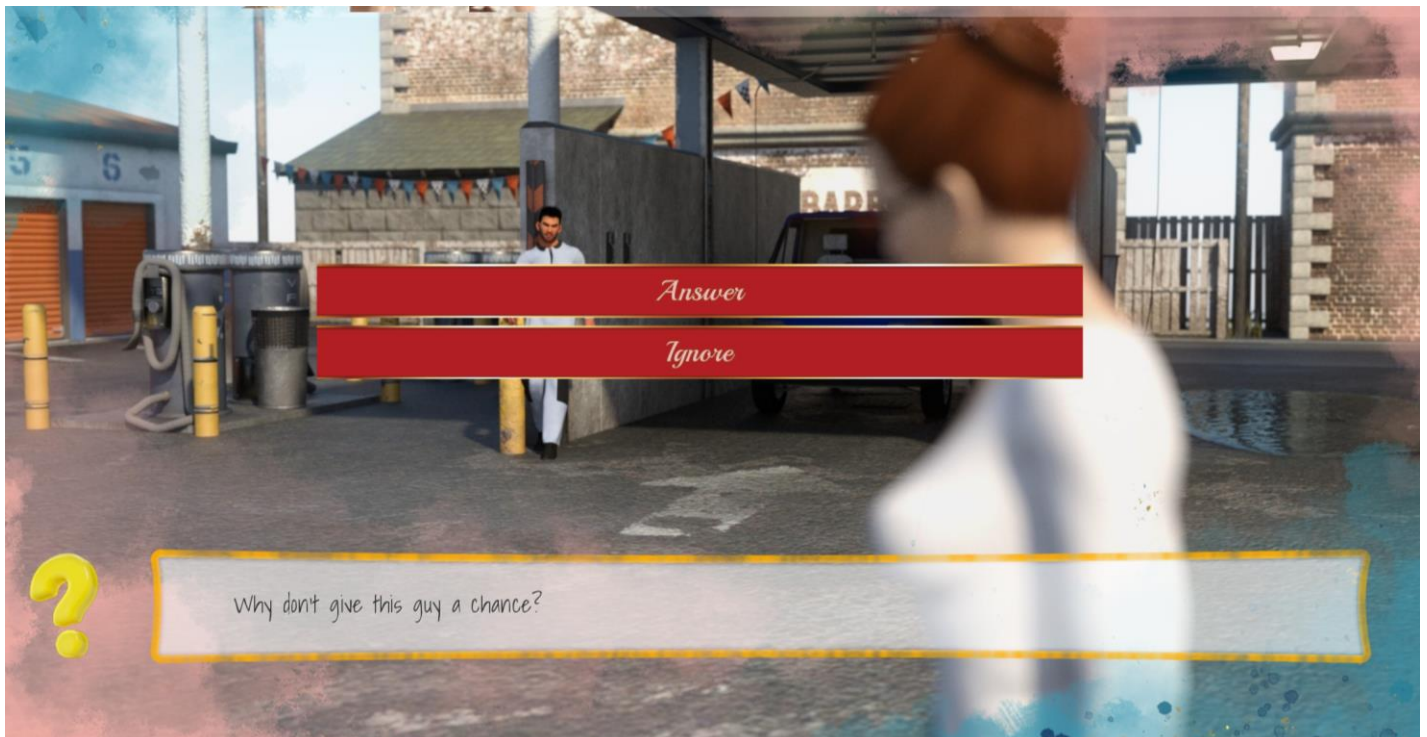

If Workout:

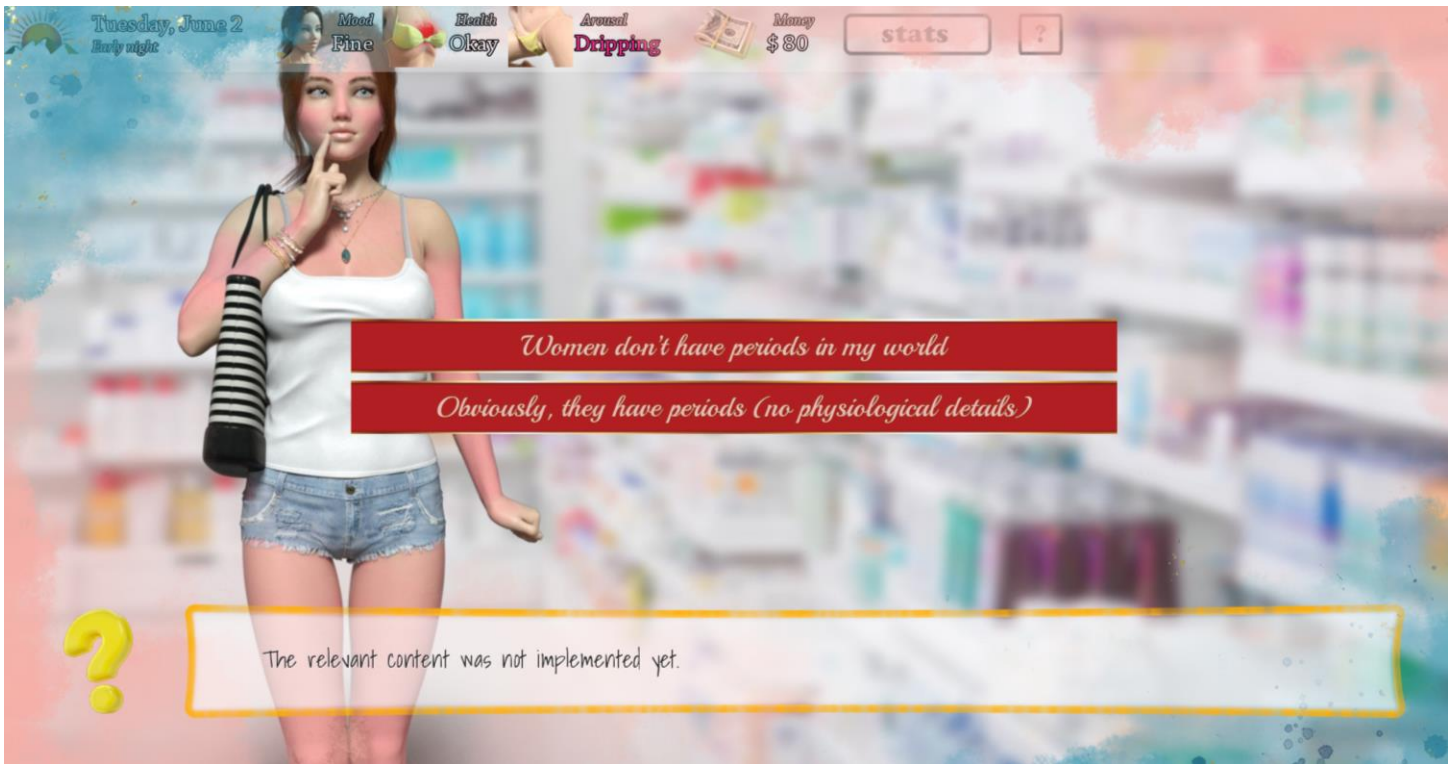

The green sports suit is more revealing, but you can't wear it without learning EX

Bonus content if you learned Pussy Play yesterday. It's the earliest time when Lisa can unlock Red-Lights District.

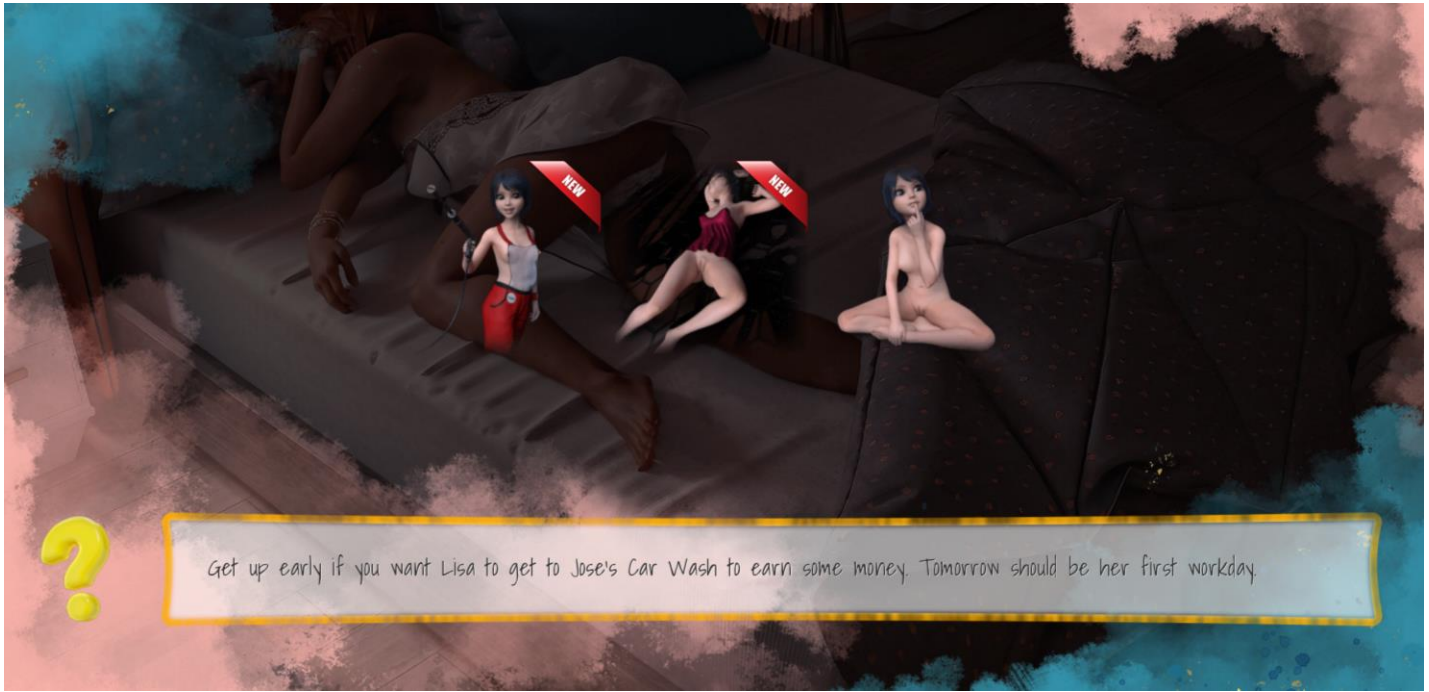

Not answering closes Car Wash's side story.

Ordering pizza is not available if you ordered it in the morning. Don't order pizza if you did it yesterday. Otherwise, MC will feel bad at night. If you ordered pizza for the second time anyway, you would have some extra content if you learned EX.

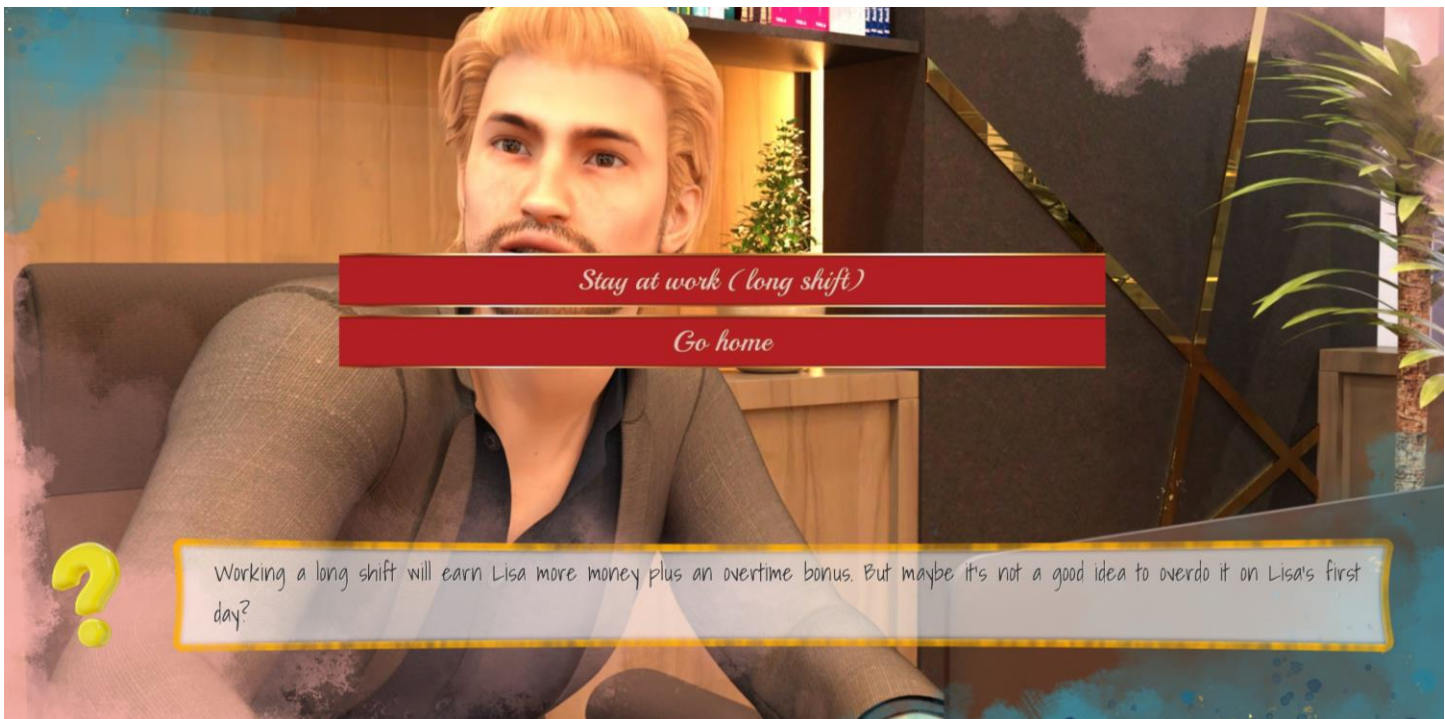

When everything is done, MC goes to sleep. Before that, she can have [some fun](#).

If you choose the second option, you will skip the first day of your work. However, Jose won't fire Lisa, so you can do whatever you want.

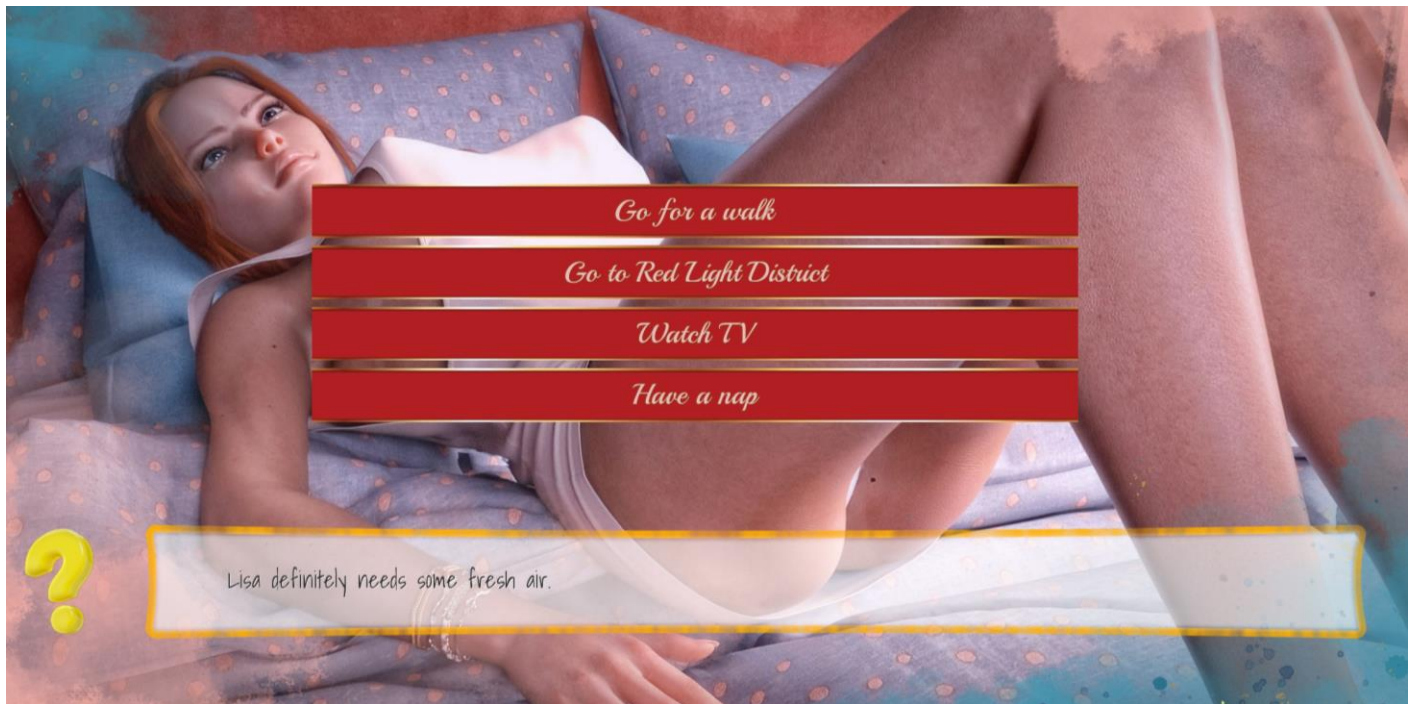

June 3, Wednesday. Day 3

Drunken Monkey

On Day 3, it's better to go home earlier.

If "Go Home":

Choose Go for a walk or Red-Light District (if unlocked) in order to maximize mood and arousal at night.

If “Go for a walk”:

In order to maximize mood and arousal:

If EX is learned – choose anything; you will get extra content everywhere except for Stroll along the alley.

If TS is 25% – choose Walk on the Pond (you’ll find a feather.)

Otherwise, choose Stroll along the alley.

There is no reason to return to Car Wash until Lisa visits the mall and gets a new uniform.

June 4, Thursday. Day 4

A polite answer would bring some benefits in the future.

June 5, Friday. Day 5

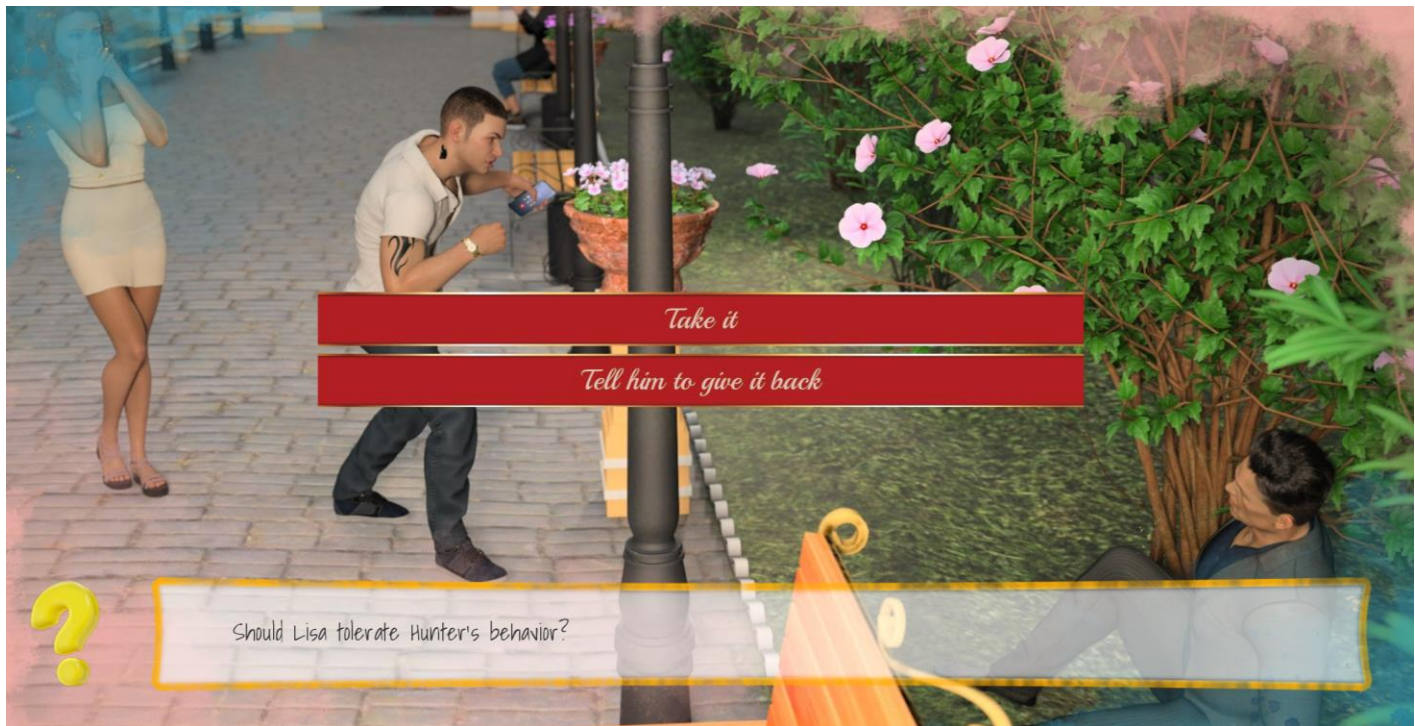

Regular “sandbox” day. Do whatever you want. Make sure the apartment is clean. Otherwise, Lisa’s mood will drop down.

June 6, Saturday. Day 6

Dating with Hunter

(following recommendations are for straight (Hunter’s) route and allows to open more content)

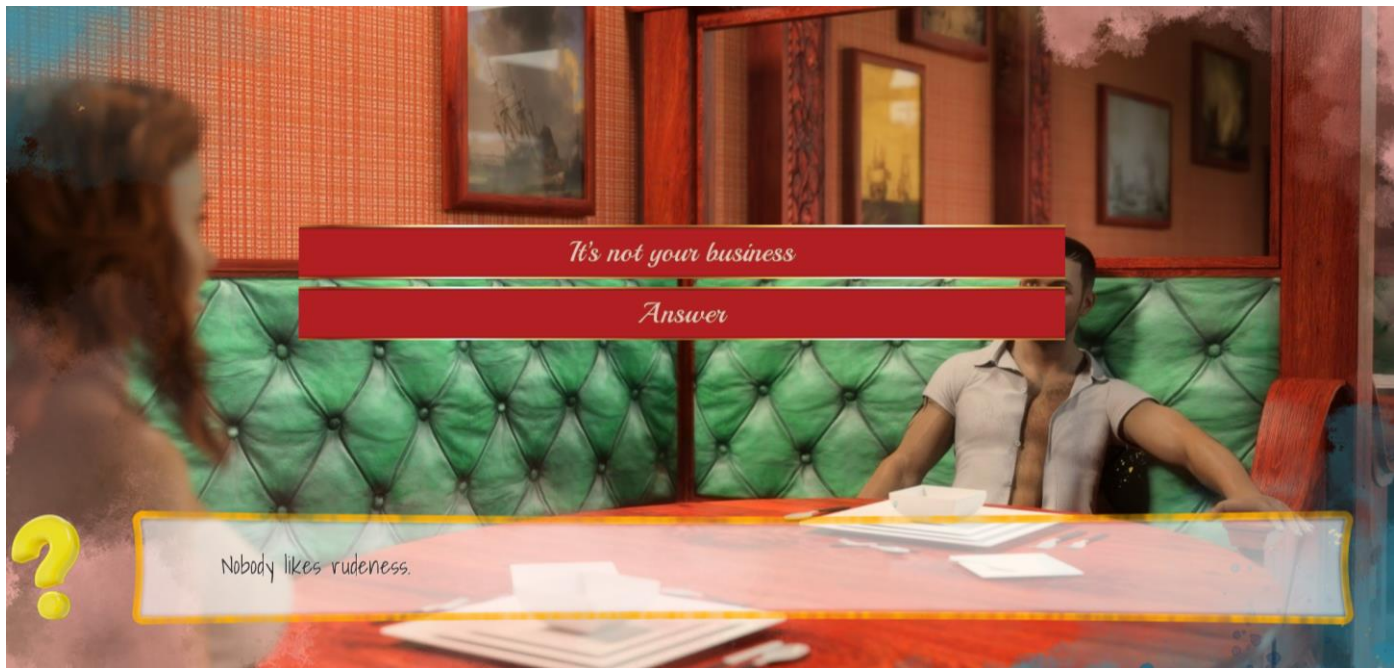

First date with Hunter

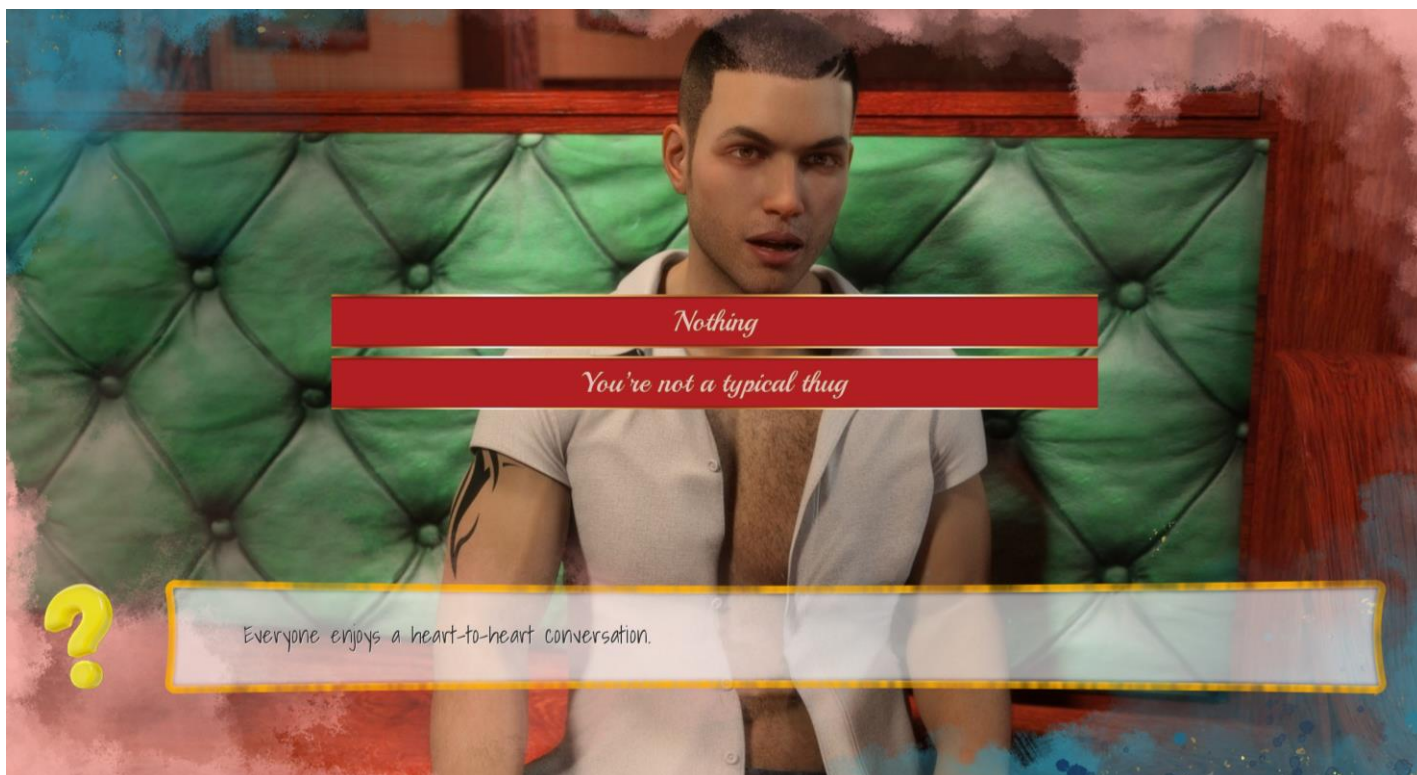

Tell him to give it back for Hunter’s route.

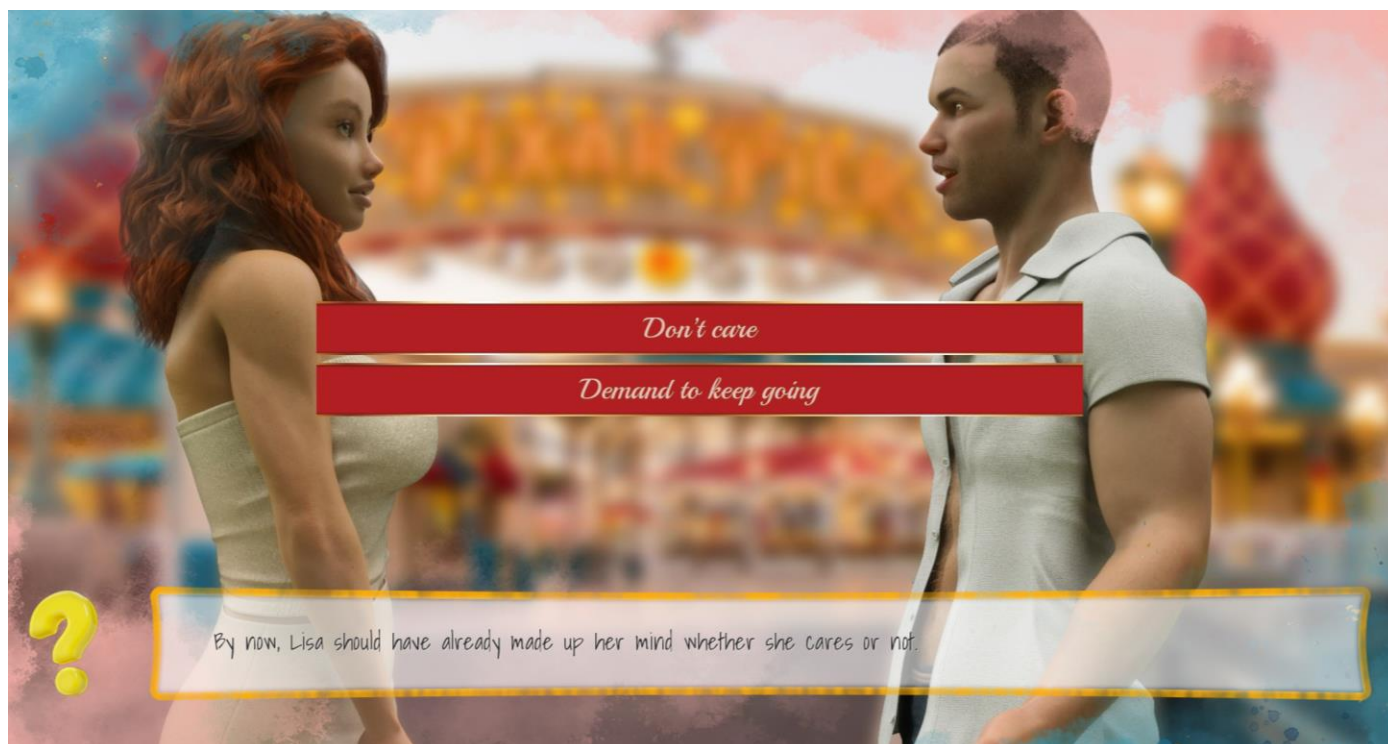

Take Hunter's advice for Hunter's route.

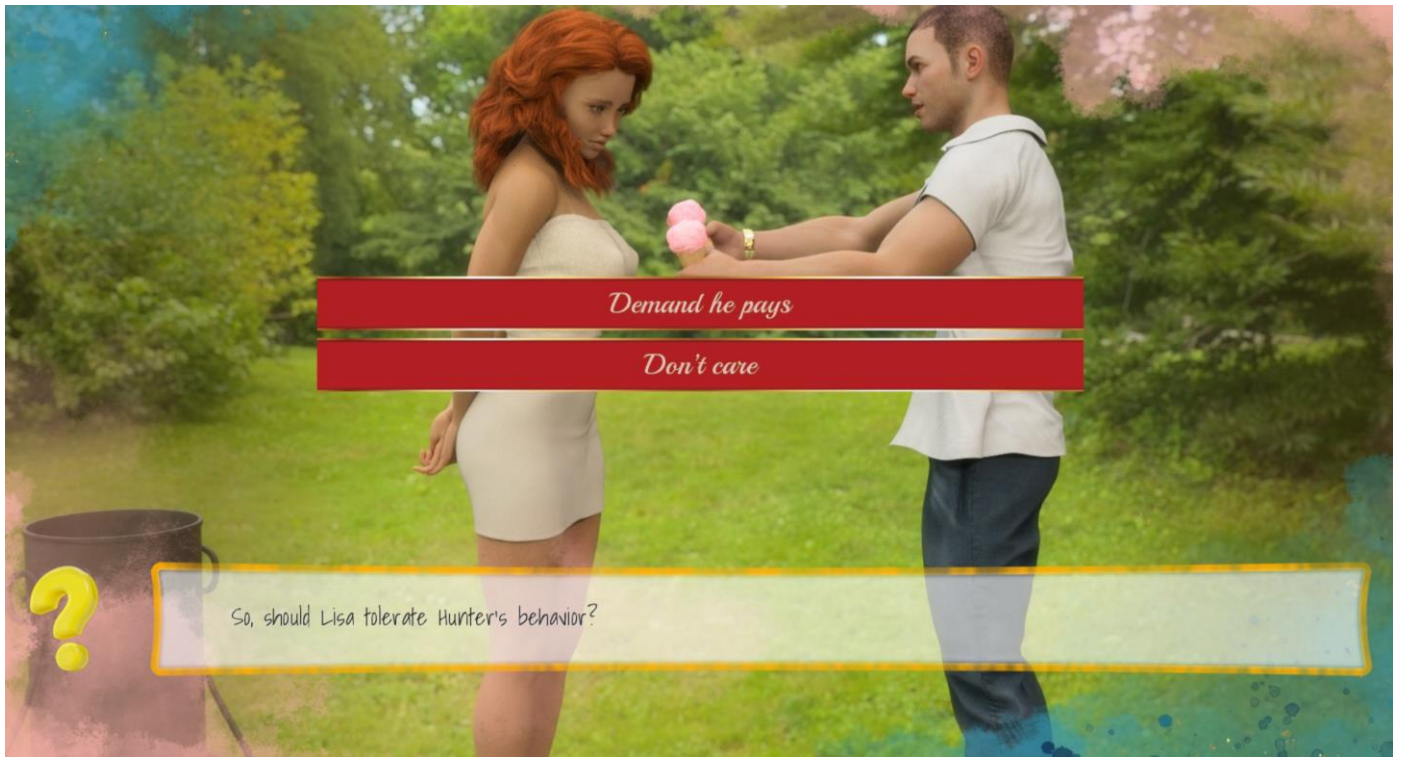

Answer for Hunter's route.

Choose "You're not a typical thug" for Hunter's route.

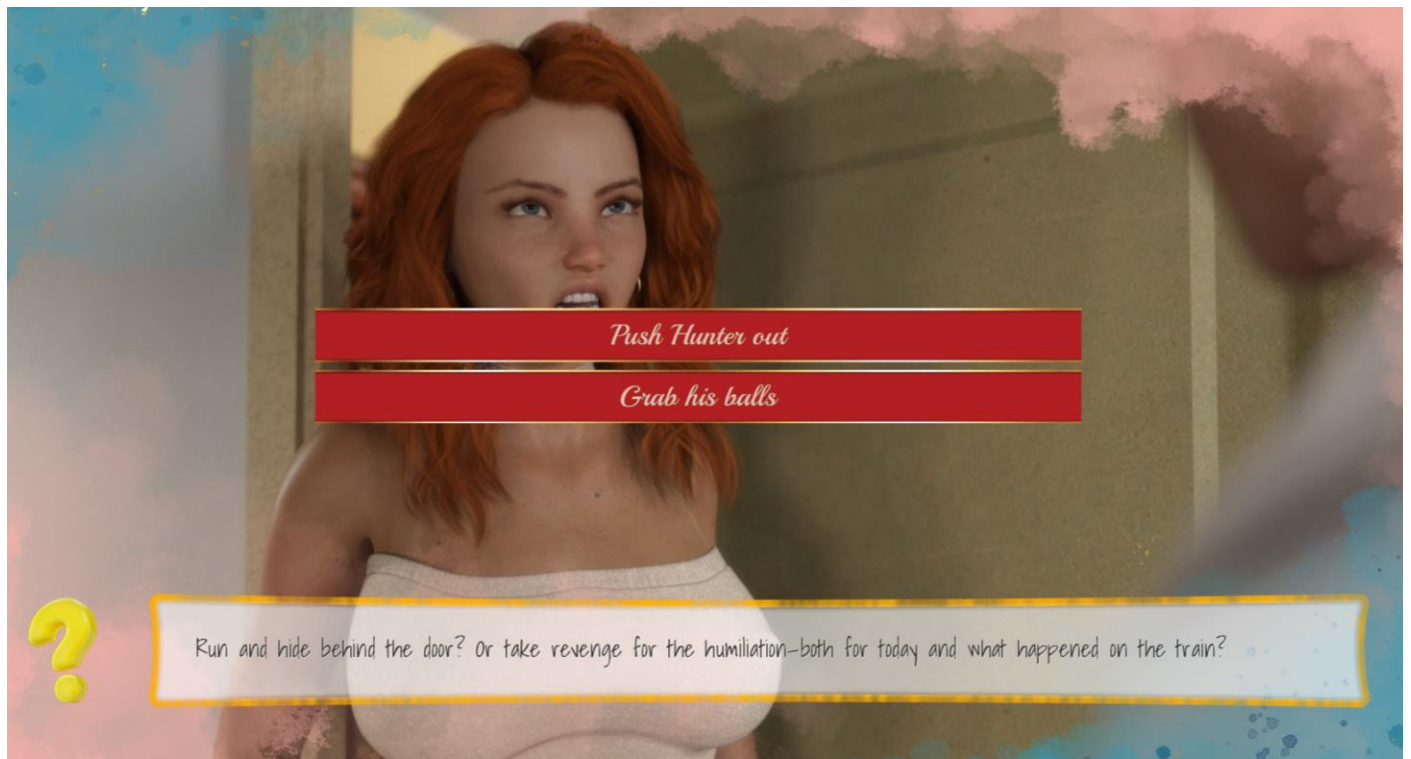

Demand to keep going for Hunter's route.

Demand him to pay for Hunter's route.

Choose *Because it's right* for Hunter's route.

Grab his balls and then *I have another plan* for more content. It is available only if Lisa has learned a hand job.

The first date ends terribly in any case. You can do nothing with that.

For Amy's route, choose everything opposite.

June 7, Saturday. Day 7

Dating with Hunter or Sandra and sandbox events

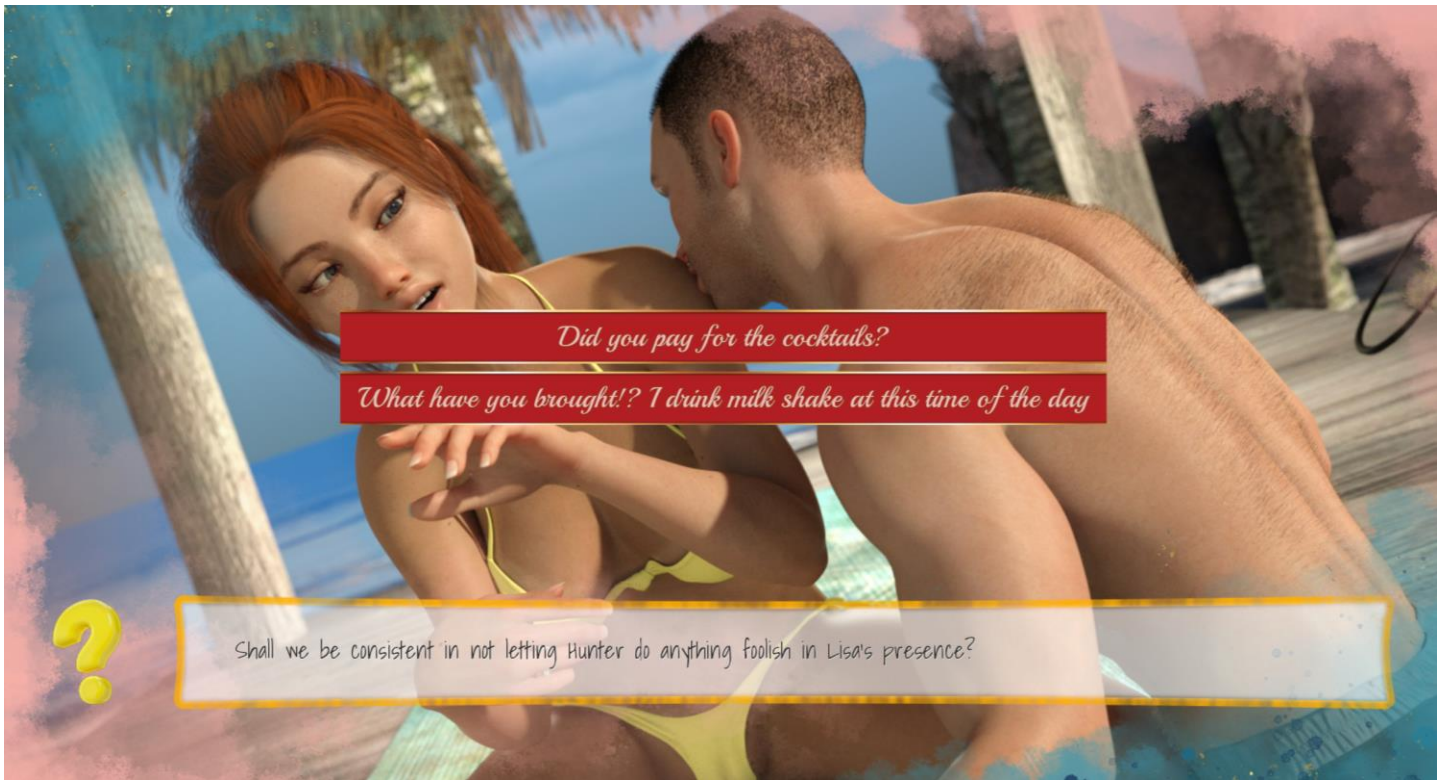

This option appears only if you are on Hunter's route (see Day 6.) Otherwise, Lisa just didn't answer. Answering the call will lead to spending time with Hunter. Not answering gives the ability to spend the day (and night) with Sandra.

Not answering doesn't affect Hunter's route.

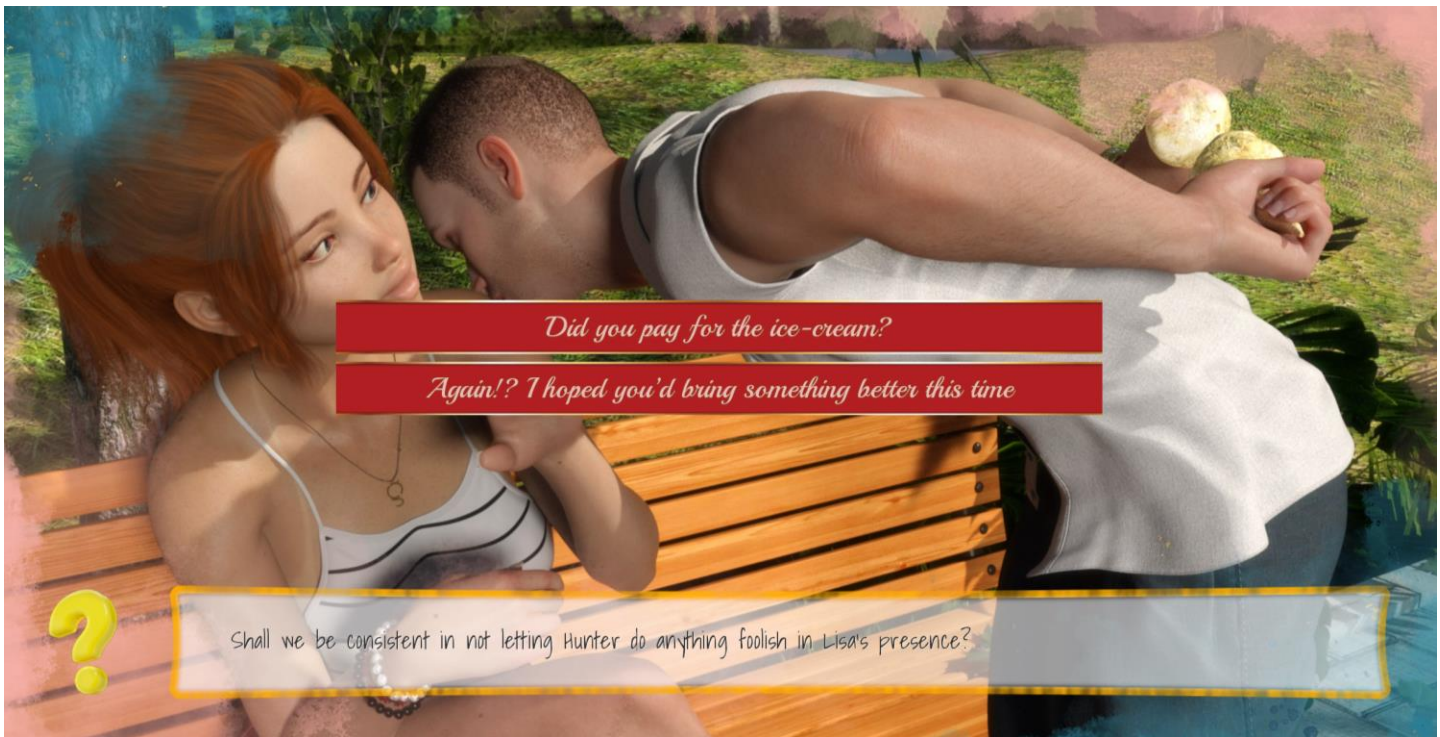

If Lisa doesn't spend this day with Sandra, she will have one more chance on Day 11.

If picked up the phone and went to the beach:

Choose first.

If picked up the phone and went to the park:

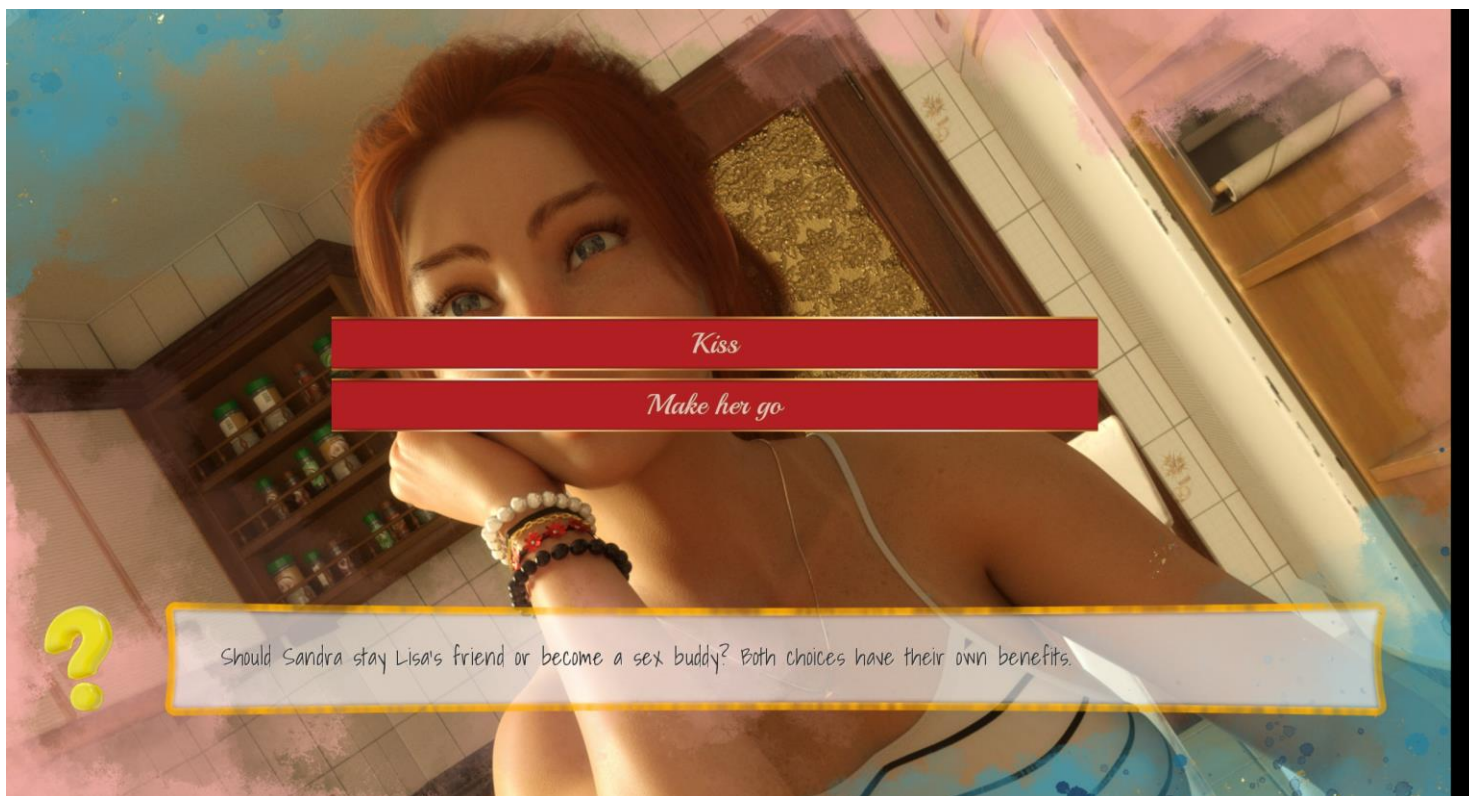

Choose first.

If don't answer (or no choice to answer):

Choose Ask her to go out if you want to have Sandra as a friend or a lover. Choose to go out alone if you don't like her.

If ask her to go out:

Choose Kiss if you want to have lesbian sex with Sandra. Choose Make her go if you want her to be your friend without sex. Both sub-routes have different hot content.

If kiss:

Choose to Call Sandra's husband.

June 8, Monday. Day 8

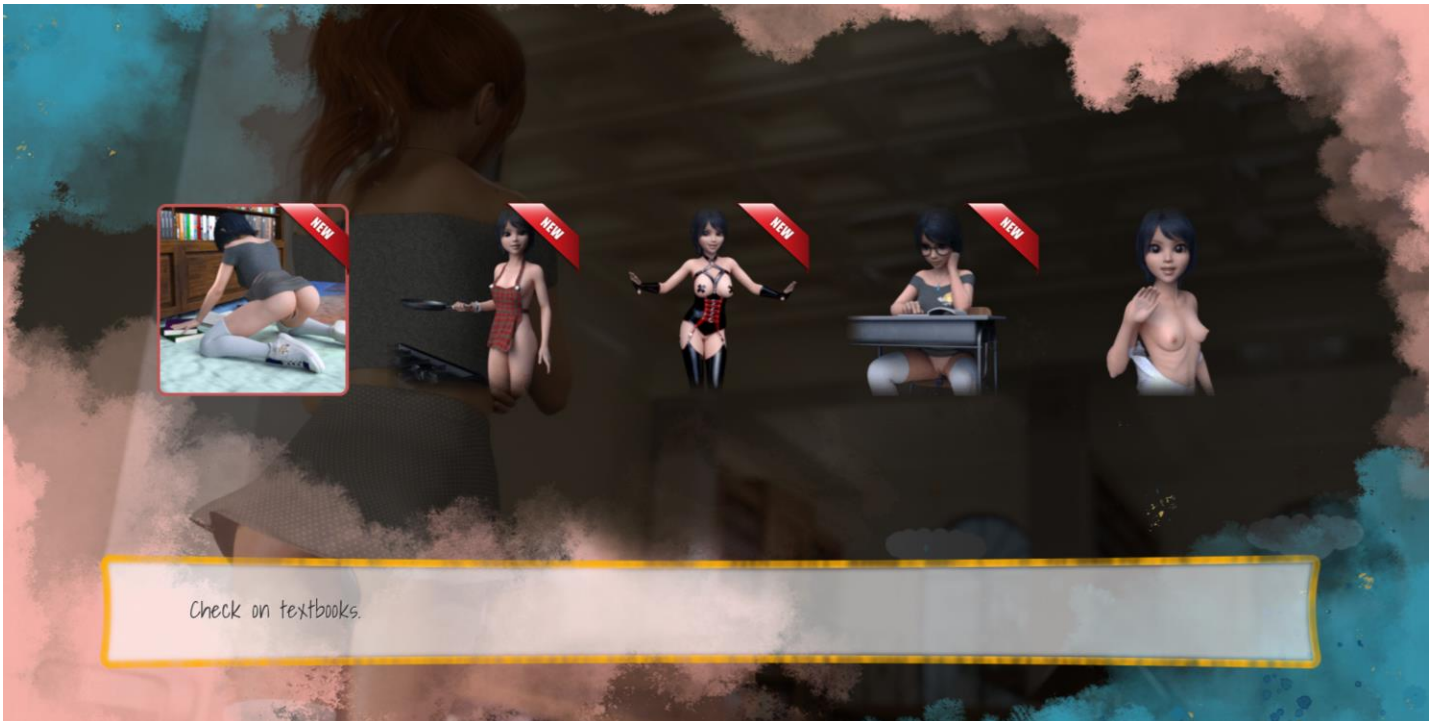

Starting from Day 8, Lisa can cum many times a day. If Lisa's arousal isn't enough for the Night bedroom event, use pills from Red-Light District.

Lisa's dream.

Lisa may have:

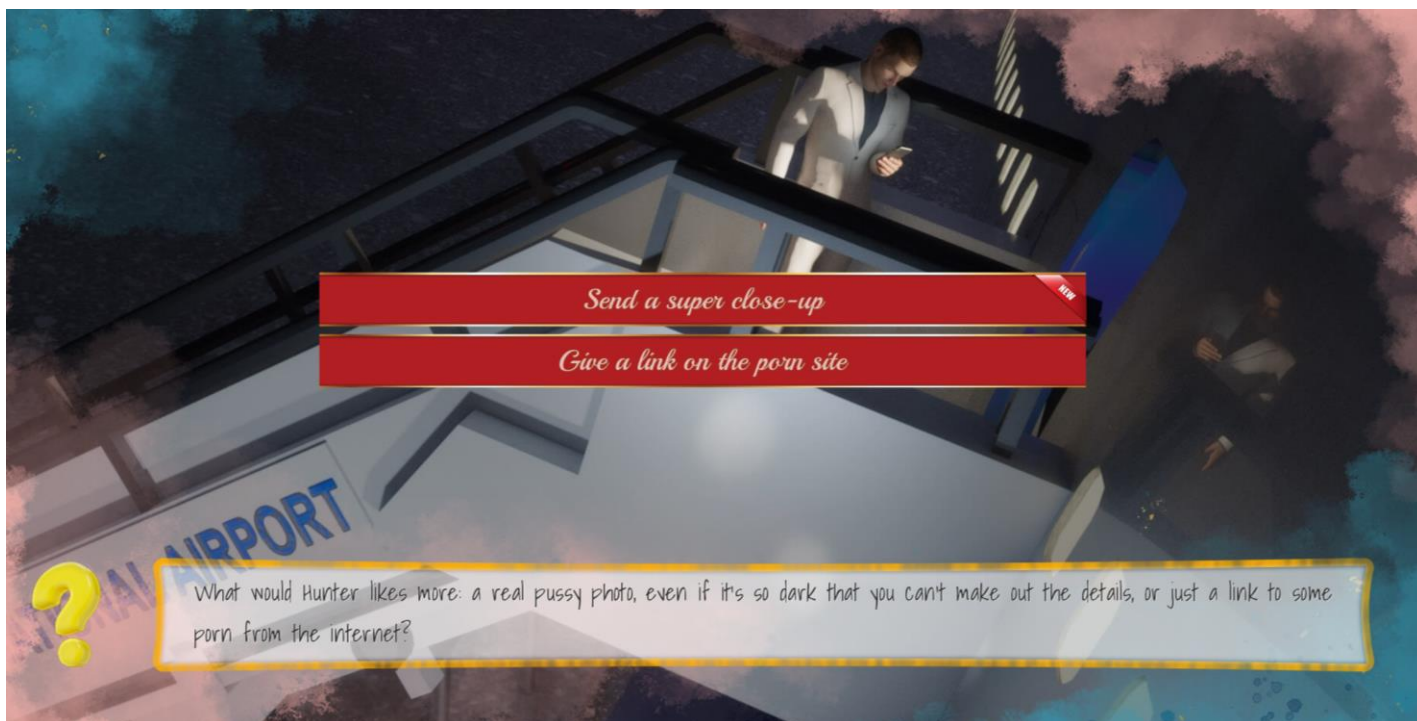

- a scene with Dolly, Hunter, and an orc if she Hunter's love points are high
- a scene with Dolly and Sandra if Lisa had sex with Sandra before

Bookstore

Don't forget to *Check on Textbooks* and buy a math textbook (it costs \$50.) Also, it would be a good time to *Study in the Library*. *The main point is to reach math skills 100% by June, 26%.* Studying in the library improves Math skills more than any other activity – by 20%. You can check Math skills in the Stats menu.

Texting Hunter

Choose to *Send a super close-up* for a Hunter's Route.

June 9, Tuesday. Day 9

The only reason not to schedule an appointment is if you are not into gyn content.

June 10, Wednesday. Day 10

If the appointment was scheduled:

Obviously, *Agree*.

June 11, Thursday. Day 11

Laundry day. After the morning routine, Lisa goes to the laundry. She can't go to the beach today.

June 12, Friday. Day 12

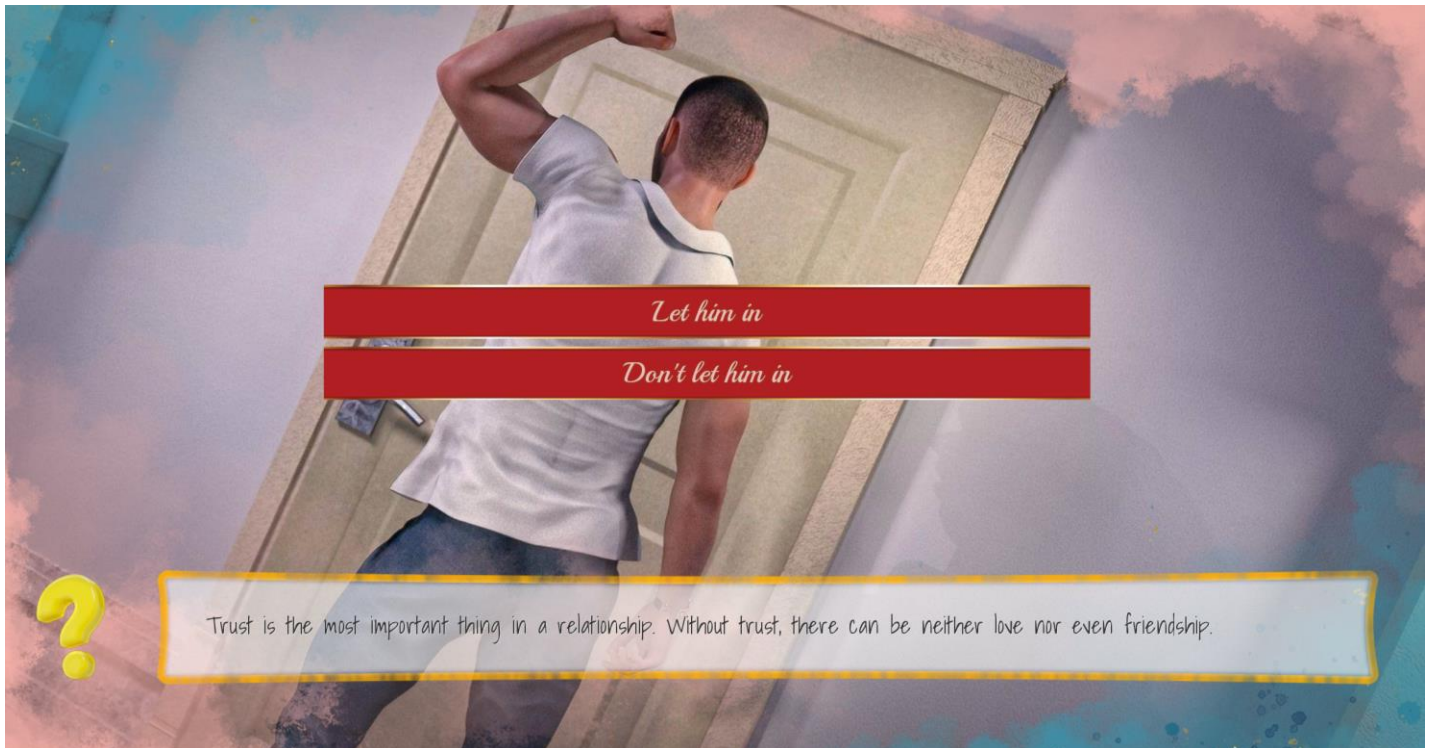

Routine day. Lisa can go to the Car Wash, the beach, or any other place.

June 13, Saturday. Day 13

If Lisa likes Hunter (love points > 4), they have a date. Otherwise, Hunter visits Lisa, they have a conversation and decide to be friends. Hunter comes to Lisa after her morning routine.

If Lisa likes Hunter:

After the date:

Let him in is a better choice.

If Lisa doesn't like Hunter (they decide to be friends):

Landlady Maria comes right after Hunter's leaving:

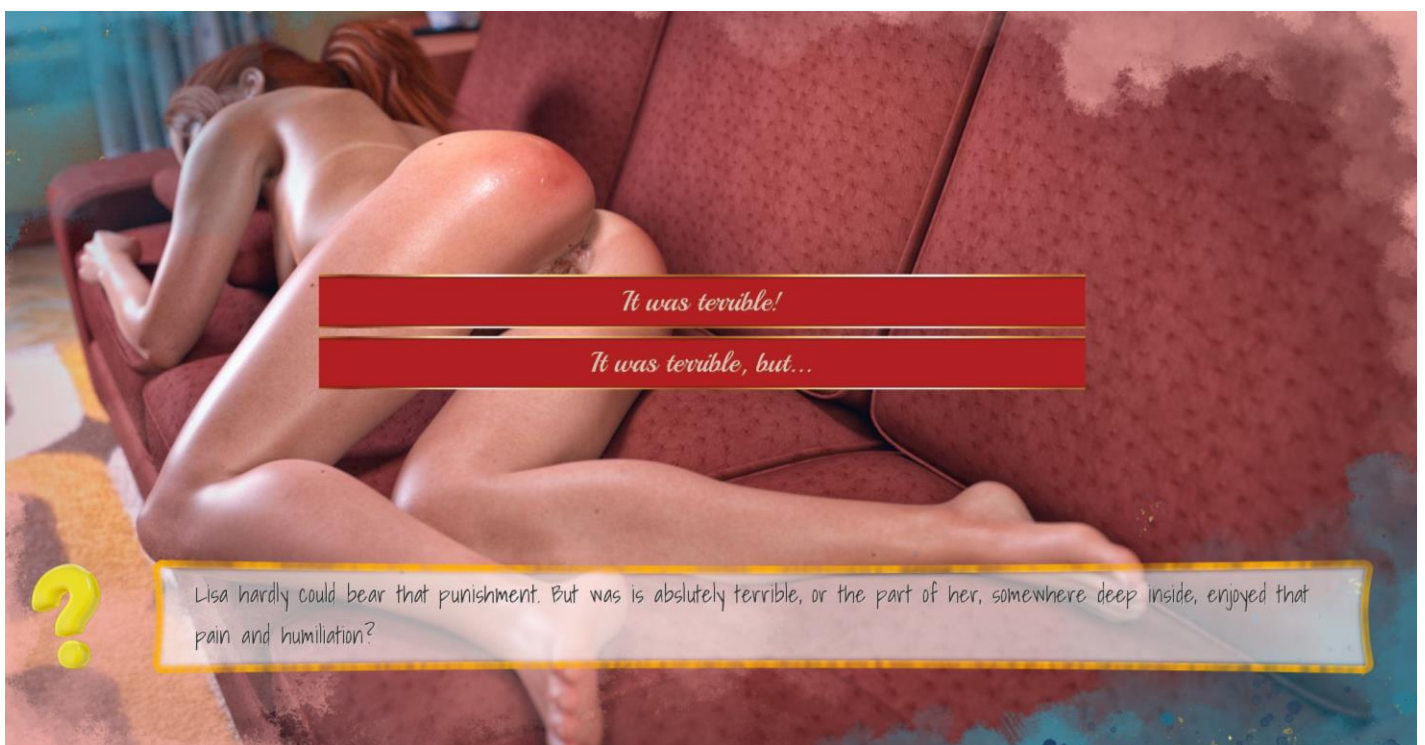

If you believe that Lisa needs a strong hand to guide her and some good old spanking is for her own sake, *Accept the punishment.*

If you are not going to let anyone hurt Lisa, then choose to *Leave Maria's apartment (she won't).*

If Lisa accepts the punishment:

If you don't stop spanking Lisa, she will endure 20 slaps and then beg for mercy. Maria will stop spanking this time.

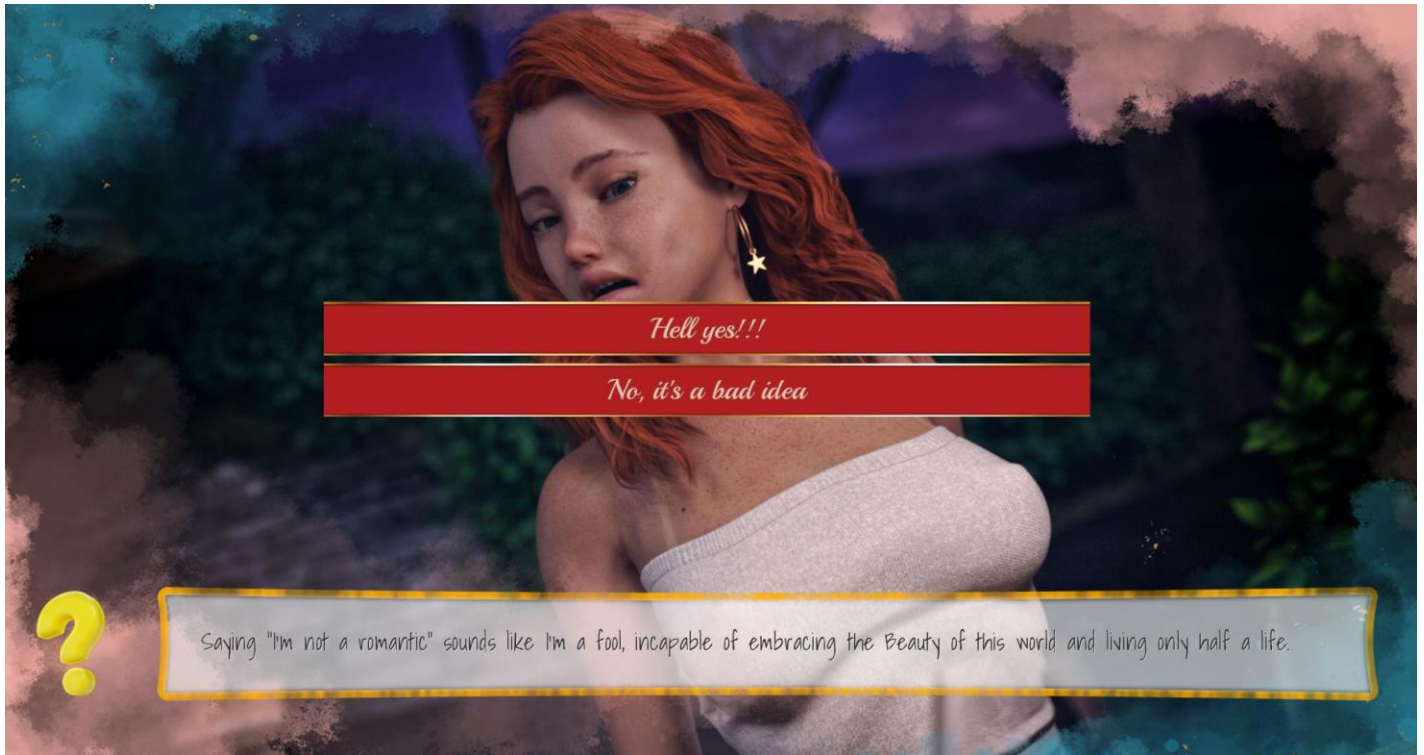

Pick the first option if Lisa feels nothing except for pain and humiliation; pick the second option if you want Lisa to be a masochist.

June 14, Sunday. Day 14

Hunter's route:

Hunter comes to Lisa right in the morning. The only choice of this day will be at night:

Hell yes!!! is a much better choice.

June 15, Monday – June 19, Friday.

On Monday, Landlady Maria comes to check her apartment if she didn't come on Saturday (if Lisa was dating Hunter.)

Tuesday – Laundry Day. One more Sandra event.

Wednesday – the second appointment with Dr. Stonghold.

Friday – Skype call from Hunter.

June 20, Saturday. Day 20

Lisa visits her hometown and reconciled there with Amy.

Ask Amy to come for Amy's route.

June 21, Sunday. Day 21

A routine day.

June 22, Monday. Day 22

A routine day. Hunter will call at night. You will not miss his call. The conversation is different depending if Hunter is a love interest.

June 23, Tuesday. Day 23

Laundry Day. Prepare to meet Sandra in the laundromat and have some fun (of course, if you have any relations with her.) This event is different for Sandra-friend and Sandra-lover.

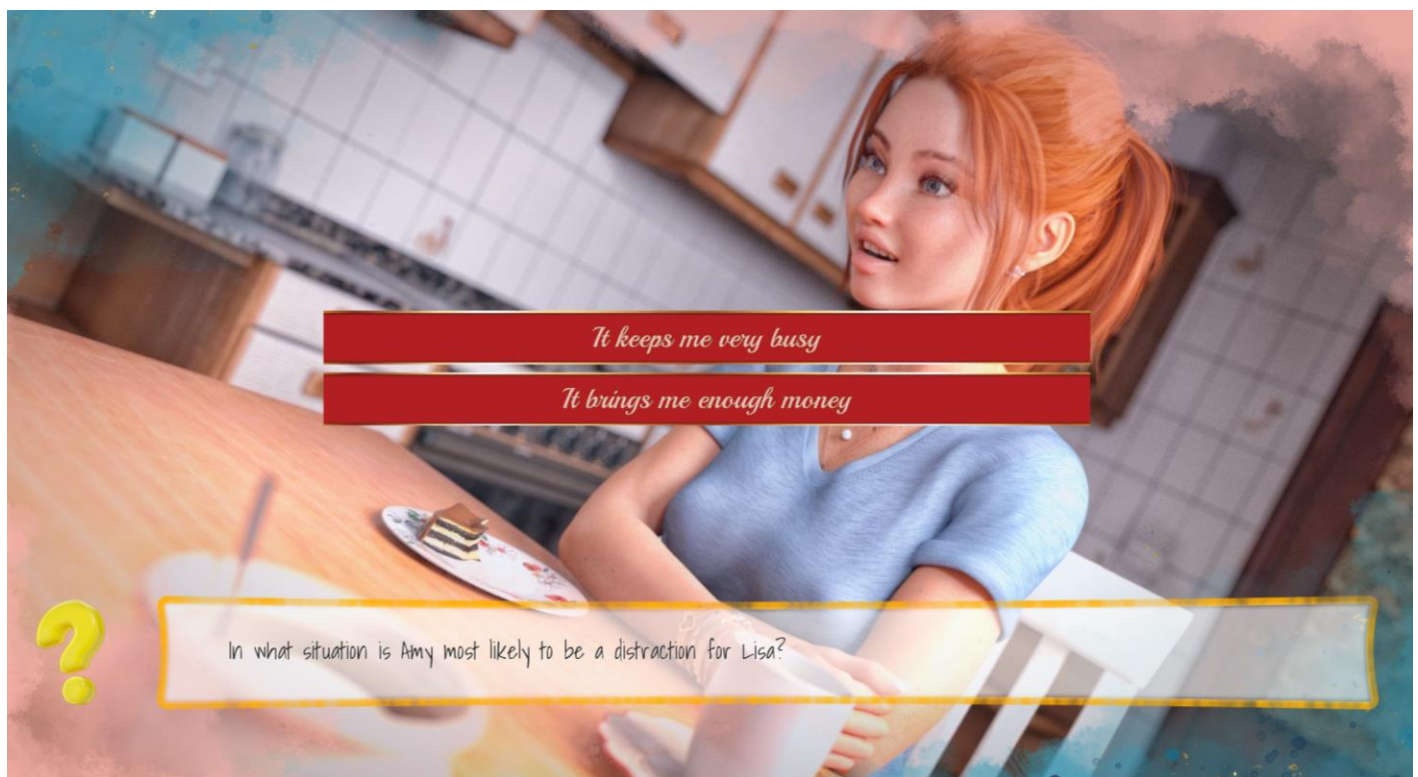

June 24, Tuesday. Day 24

This an important day for Amy's route. Amy shows off at Lisa's place with her suitcase and a cake. If you will manage her to stay, that would mean you're on Amy's route now (however, it doesn't cancel the Hunter's route).

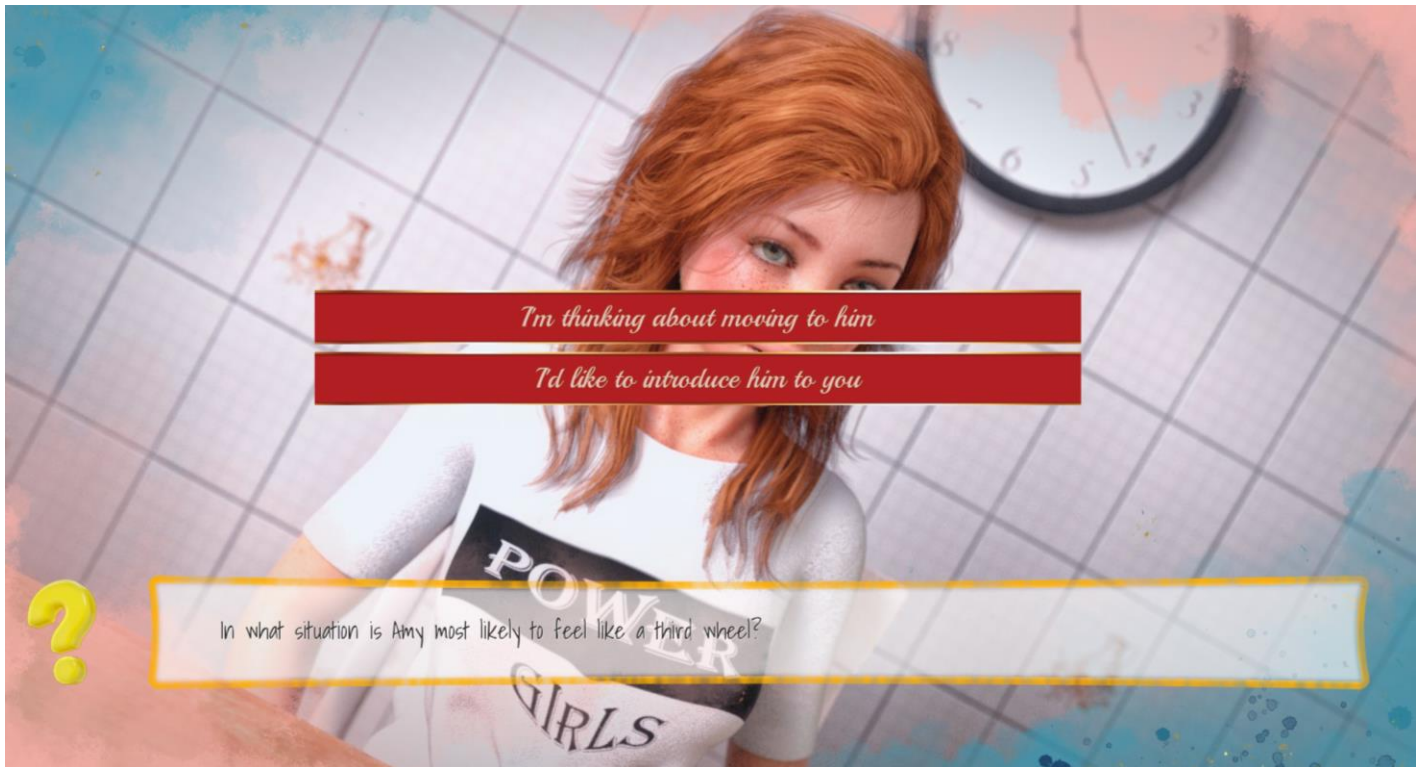

Hug Amy at once. Don't give her a chance to feel awkward.

Discuss a job:

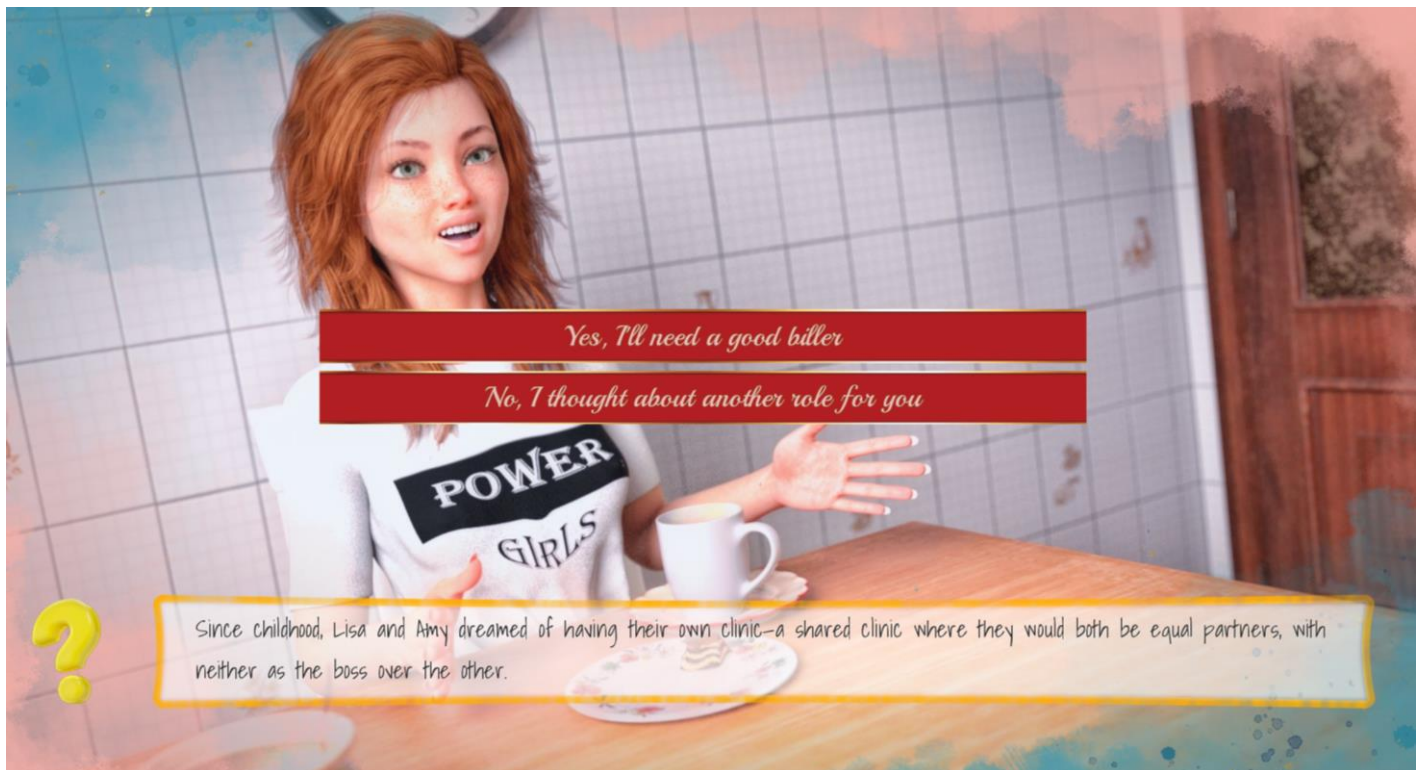

Pick up ***It brings me enough money*** – Amy's shouldn't feel to be a burden for Lisa.

Discuss a private life:

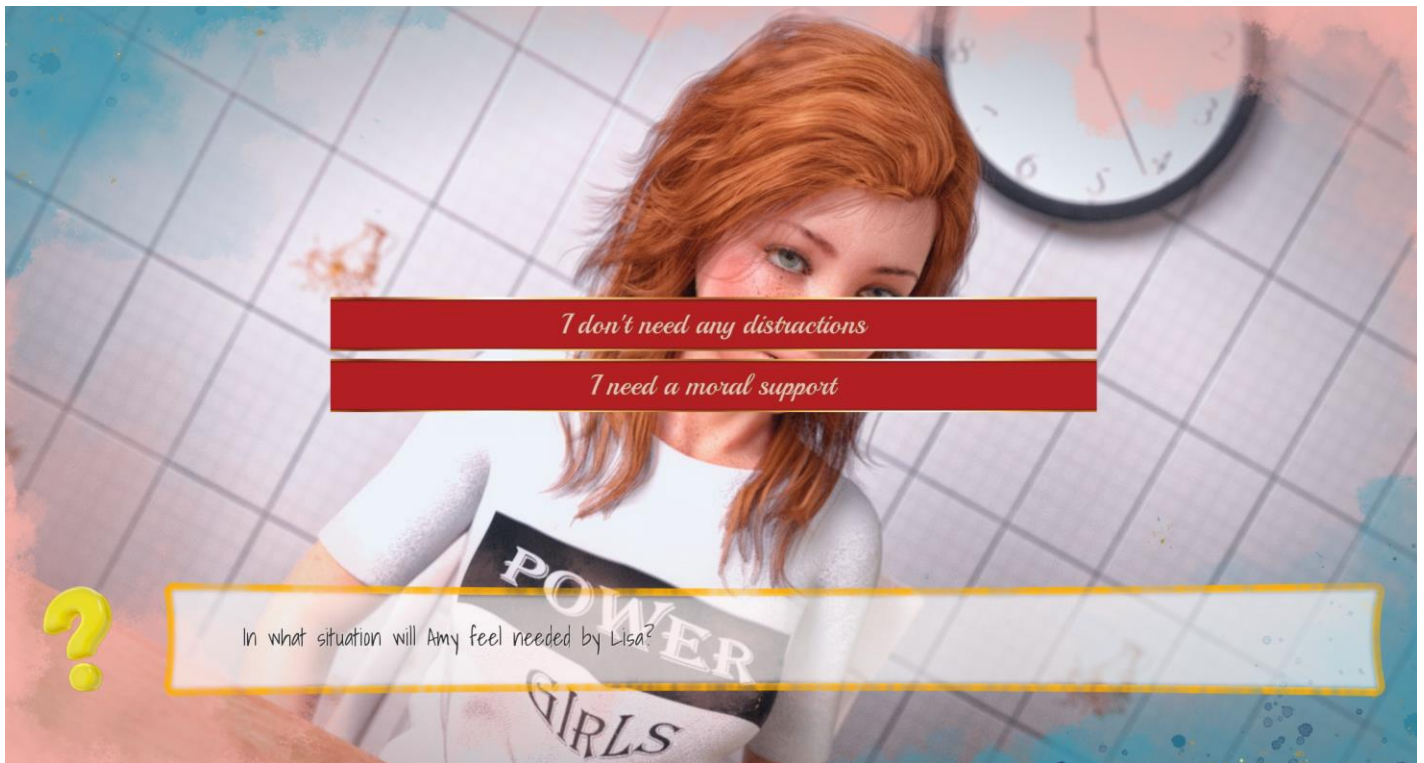

Pick up *I'd like to introduce him to you* – don't let Amy feel like a third wheel. You won't have this choice if Hunter is in the friend zone.

Discuss studying:

Pick up *No, I thought about another role for you* – make Amy understand that you want her to work with you, not for you, and that you trust her completely.

Pick up: ***I need moral support*** – don't let Amy think that she could distract Lisa from her studies. On the contrary, she should feel that Lisa needs her right now.

If you make everything right, Lisa won't let Amy go.

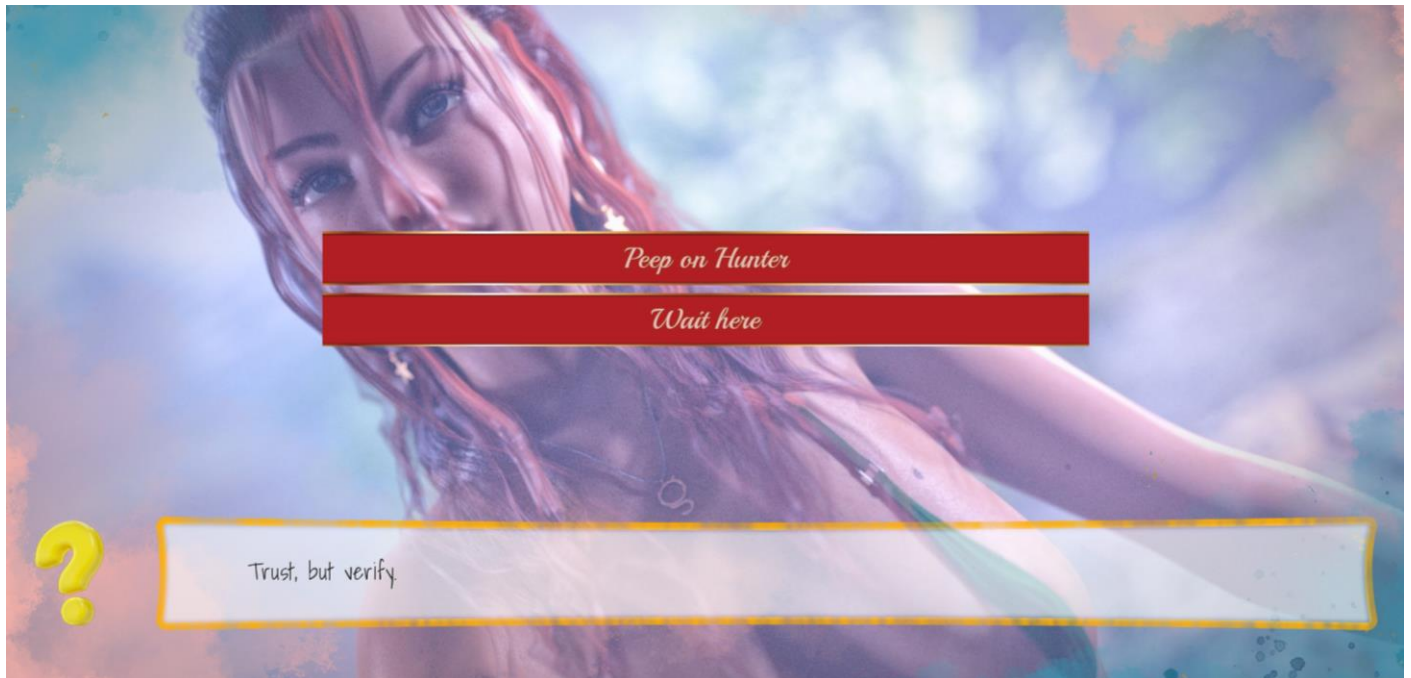

June 25, Tuesday. Day 25

If Amy stays with Lisa:

Leave Amy at home for pure Hunter's route. This choice is absent if Amy is not staying with Lisa.

If no Amy:

It's better to peep.

This minigame is just for fun. You can safely ignore it if you don't like it.

June 26, Tuesday. Day 26

Lisa has a math test. Its result depends on her math skills.

Beach Ball

Playing Beach Ball is available starting from **Day 25**. For now, you need to play Groundhog Day to get all Beach Ball content. To play Beach Ball, you need:

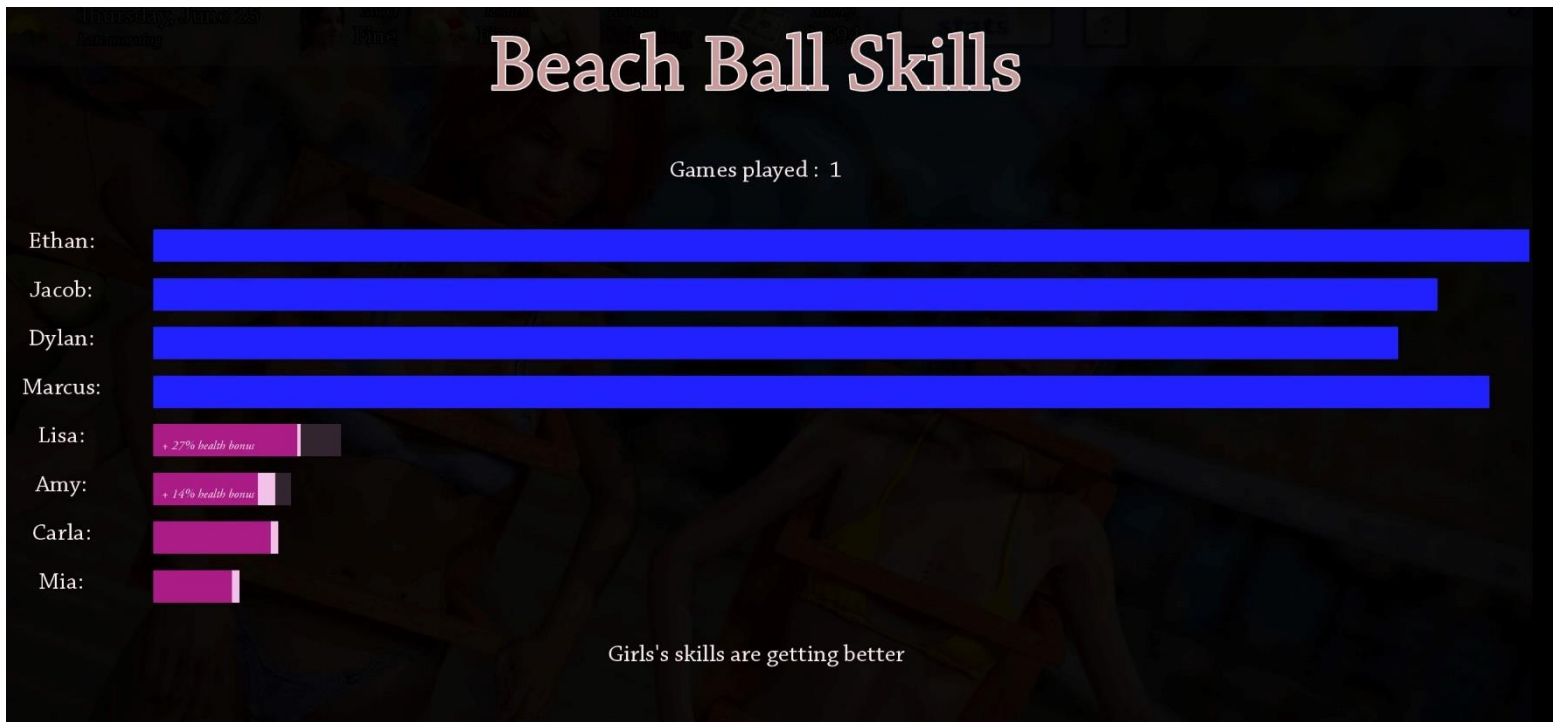

- Have at least **Fine health**;
- To befriend **Carla and Mia**;
- Come to the beach on **Day 25** or later.

To win Beach Ball against the guys is quite challenging in the beginning – almost impossible. But the more you play, the better skills you get. Just continue playing, and one day, Lisa's team will beat the guys!

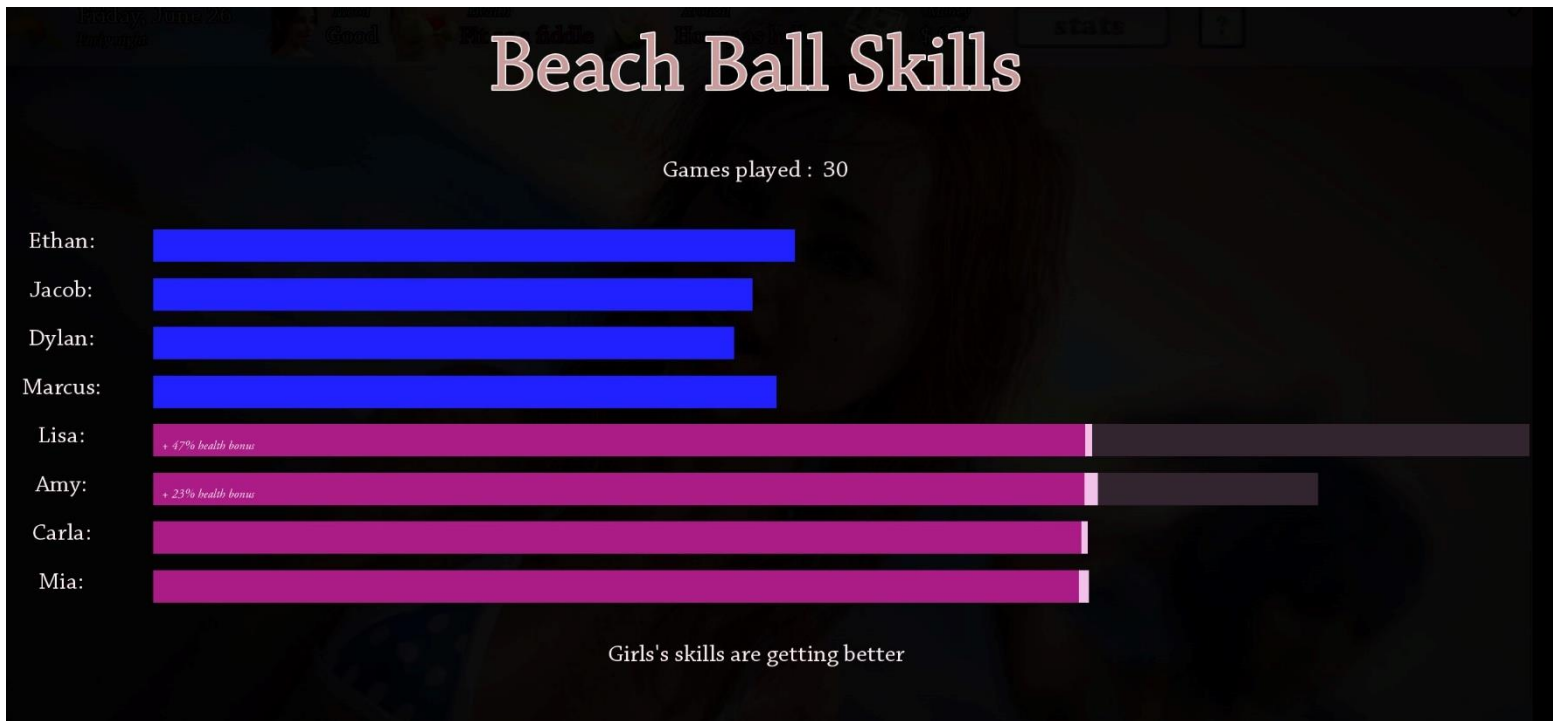

- Each girl gains some experience after each successful game move, and a special bonus after scoring. The guy's experience remains static.
- New experience gained from the game set is represented by the light pink bar on the final Beach Ball Screen.
- Besides Beach Ball skills, Lisa's health is getting a little better after each play.
- Lisa and Amy get a bonus to their Beach Ball skills if Lisa's health is high. The entire skill value with the health bonus is represented by the brown bar on the final Beach Ball Screen.
- The guys may agree on a rematch when the girls endure all four types of loser's punishments. However, they will require the girls to lose their tops, and the punishments will be more severe.

- The guys may agree on one more rematch when the girls endure all four types of loser's punishments after playing topless. However, they will require the girls to play nude, and the punishments will be ruthless.
- Continue playing, and one day the girls will take revenge.
- Continue playing even longer, and the girl will be dominating on the playground. Lisa will receive an option to give in.

Player's skills after the first game. The girls' skills are ten times lower than the guys' skills.

Player's skills after the thirtieth game. The girls are significantly stronger and the chances of the guys to win are quite low. Lisa with her health bonus is dominating on the playground and almost never fails.

Hunter's Foreplay Minigame

You can play it on Day 25 at night after returning from Hot Springs if you are on pure Hunter's route (Amy doesn't stay with Lisa)

General Information

- During this minigame in version 0.4.0, you have the following options: *pussy fingering, anal fingering, pussy slapping, blowjob, and taking a rest.*
- You can also *finish* the minigame at any time.
- You can *switch cameras* to see the action from different points of view.

General Idea

- Below the action buttons, you have three scales that show *Lisa's arousal, Lisa's pain, and Hunter's arousal.*
- When one of them reaches the maximum, the minigame is over.
- If Lisa's arousal reaches maximum while Hunter's arousal is close to maximum, they cum simultaneously.
- When you finish the minigame because of someone's cumming, you can play it again. However, each subsequent cumming gets harder and harder, and genitalia becomes sore.
- Finishing the minigame because Lisa is in pain doesn't allow an to play it again.
- Lisa's fetish skills significantly affect her response to different actions.

Blowjob

- Blowjob skill affects how quickly Hunter cums during a blowjob. It also slightly affects Lisa's arousal while she's performing the blowjob.

Slapping and Bondage Skill

- Slapping is effective when Lisa is very aroused. High arousal makes Lisa more pain-tolerant. She can even cum from slapping if she's aroused enough.
- Cumming from slapping is almost impossible if bondage skill isn't developed. Otherwise, it's not so difficult. Lisa cums from slapping when she is very aroused, and her pussy is spanked well.
- Bondage skill increases Lisa's pain tolerance.
- The more slaps in a row, the more painful the next one will be. After intense slapping, Lisa's pussy becomes red and sore.
- If Lisa has no Bondage skills, Hunter refuses to slap her pussy if it gets red and swollen.
- Fingering a red, sore pussy is painful.
- Lisa's pussy returns to normal over time after stopping slapping and performing other activities. The longer the slapping session, the longer the recovery time.

Pussy Fingering

- Pussy Play skills help Lisa to cum faster during pussy fingering.

- Pussy Play is not available if Anal Play skill is 50% or higher, and Lisa has asked Hunter to ignore her pussy today.

Anal Fingering

- Anal Play skills help Lisa to cum faster during anal fingering and decrease pain in Lisa's anus.
- Anal Fingering is not available if the Anal Play skill is zero.
- Anal Fingering can lead to orgasm *only if Lisa can cum from anal stimulation*. If Anal Play is 42% or lower, Lisa cannot achieve this.
- Ignoring Pussy adds an additional bonus to anal fingering.
- If Lisa can orgasm from anal stimulation, it's still challenging. However, the higher the Anal Play skill, the easier it is for Lisa to cum from anal.
- Anal Fingering makes Lisa's ass sore. The longer Hunter plays with Lisa's ass, the sorer her ass becomes.
- This soreness does not reset when you play the minigame again. At a certain point, anal fingering may bring more hurt than pleasure.
- Along with getting sore, Lisa's ass is getting worked out, and this alleviates the effect of soreness.
- Lisa's ass works out most effectively during long, uninterrupted series of anal fingering.

Taking a Rest

- Taking a rest slowly decreases arousal and alleviates pain.

Dialogues

- Pay attention to what Lisa and Hunter say. Their words reflect their current state.

Game Goals

- The minigame has 16 goals. Some of them are quite easy, while the other are challenging.
- When you reach any goal, it will be saved for all subsequent playthroughs.
- Some goals are unreachable if Lisa's skills (Anal Play, Pussy Play, Bondage, or Blowjob) are not developed enough. It's better to have the maximal level of these skills when you start hunting the goals.

Maximizing Fetish Skills

Here are described some ways of reaching the maximum values of fetish skill in the shortest time. Be aware that these are just examples and not the only possible ways.
