- Choose "Peek on Tsuki" outside the bathroom
- Choose "Keep peeking" outside the bathroom
- Choose "Go in." outside the bathroom

(05) Ch2: Ayre's Stinky Lolipop

- No other chapter 01 or 02 choices matter for this.
- Choose "Attend Tsuki" outside the observation deck

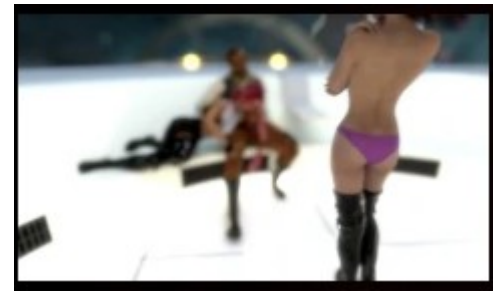

That's it. You'll have to "Attend Sasa" to enter, but talking with Tsuki beforehand triggers this event.

(06) Ch2: Krish Wins!

The goal for this is to have low Kojia Affinity, this can be done several ways, but if you are a dick to her daughters Lala-fon and Lala-sue in the hallway that should do it.

- Choose "Speak with Ayre" on the observation deck.
- Choose "They're my friends you bastard!" when Kojia and Krish imply that you own Hikari, Tsuki, and Sasayaki.
- Choose "He's a lying son of a bitch!" when Rojin tries to save your ass.

(07) Ch2: Rojin Wins?!

This unlocks the same way as 06.

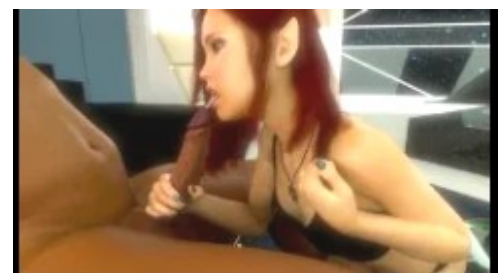

- Choose "Speak with Ayre" on the observation deck.
- Choose "They're my friends you bastard!" when Kojia and Krish imply that you own Hikari, Tsuki, and Sasayaki.
- Choose "They belong to Rojin..." when Rojin tries to save your ass.
- Choose "Fuck yeah! I'm watching."

(08) Ch2: Hikari pays the price!

This is the first where Kojia's affinity must be maxed as of this point in the VN:

- If choose Hikari or Sasa in Chapter one, make sure NOT to mention Kojia's daughters when she chirps in.
- If choose Tsuki in Chapter one, you MUST choose the

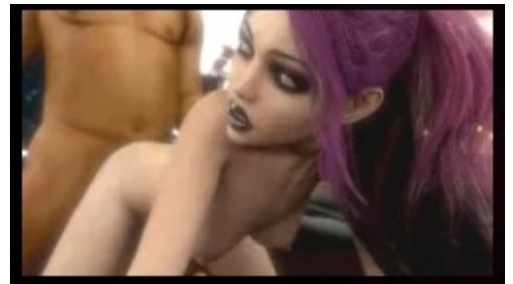

black panties in the panty mini-game. Yeah having Tsuki gush on you for knowing her size is nice, but not worth it.

- Choose "Check out the pretty night elf..." on the stares.
- Choose "Pin it on her sister"
- Choose "Help the kid out."
- Choose "Speak with Kojia." (These steps unlock the majority of the options in chapter 02, including the no NTR path, if that's your thing.)
- Choose "Fine. Yes. The girls are with me."
- Choose "Deal with it like a man." (This is the gate where Kojias affinity matters, if it's too low you'll auto punch him and get airlocked).
- Choose "Fine. Ask one of the girls to please him."
- Choose "Hikari"
- Choose "No. Take Hikari..."
- Play on until the scene occurs.

(09) Ch2: Tsuki pays the price!

This is exactly the same as 08, only choose Tsuki.

- Choose "Fine. Ask one of the girls to please him."
- Choose "Sasa"
- Play on until the scene occurs

(11) Ch2: Sasayaki AND Tsuki pay the price!

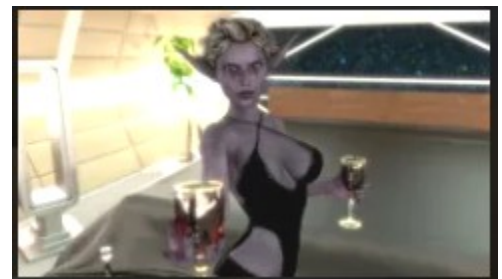

- If choose Hikari or Sasa in Chapter one, make sure NOT to mention Kojias daughters when she chirps in.
- If choose Tsuki in Chapter one, you MUST choose the black panties in the panty mini-game. Yeah having Tsuki gush on you for knowing her size is nice, but not worth it.
- Choose "Check out the pretty night elf..." on the stares.

- Choose "Hikari"
- Choose "Trust the girls."
- Play on until the scene occurs.

(12) Ch02: Kojia Gold

This is the No NTR path scene.

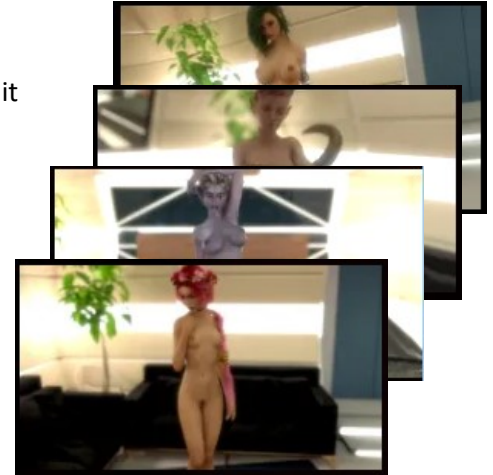

- MAX Kojias affinity as in gallery 08-11.
- On the observation deck, choose "Break his nose."

- Take Tsuki or Kaminari along; else there will be a game over after this scene.
- Play on until the scene occurs.

(13-16)Ch02: Swinger Games

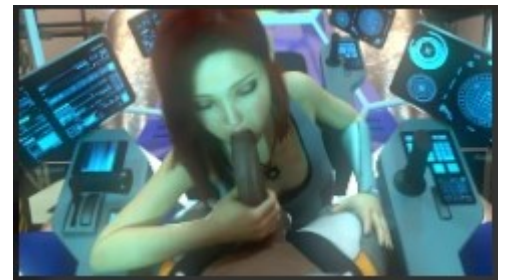

- MAX Kojias affinity as in gallery 08-11 before choosing to “Deal with it like a Man.”
- Choose “Ask Tsuki to deal with this...”
- Choose “Ask Hikari to deal with this...”
- Choose “Ask Sasayaki to deal with this...”
- Choose Kojia, Ayre, Clair, or Cloe (*Clair and Cloe are minor characters, choosing them does not move the story forward.*)
- Take Tsuki or Kaminari along; else there will be a game over after this scene.

(17) Ch 03: Hikari's Mistake

This requires the player spend the night alone, meaning Sasa gets fed to the Captain.

- Ch1: Supportive.
- Ch1: Choose Hikari
- Ch1: Comfort her
- Ch1: Try to keep her cool
- Ch1: Thank her.
- Ch1: “Talk her through it”, then “She can do it.”
- Ch2: Check out the pretty night elf...
- Ch2: Pin it on her sister.
- Ch2: Help the kid out.
- Ch2: Speak with Kojia
- Ch2: Fine. Yes. The girls are with me.
- Ch2: Deal with it like a man. (If you just punch him here, then you’ve not followed the instructions, keep Kojia’s affinity high. That means being nice to her daughters as well)
- Ch2: Fine. Ask one of the girls to pleas him.
- Ch2: Select Sasa (NOT Tsuki or Hikari)
- Ch3: Hold her.
- Ch3: Give her everything she ever wanted.
- Ch3: Be blunt about it.

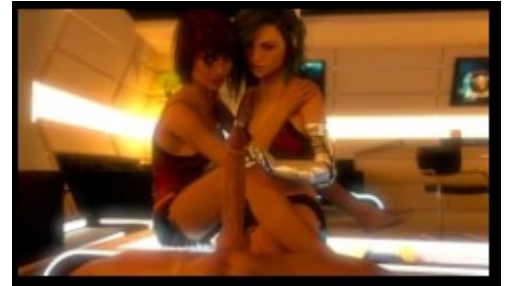

(18) Ch03: Booty Call - Cloe & Zoe

The booty call events all happen the night of chapter 03.

- Follow the 13-18 Swinger games tutorial & select Cloe to play the swinger game with.
- Ch3: Select "Call Cloe".

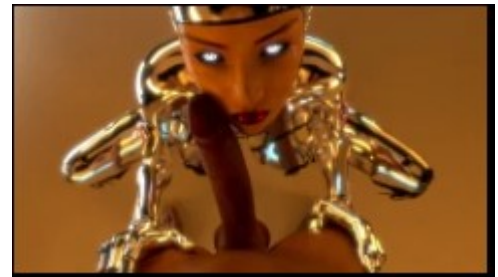

There are no affinities associated with Cloe or Zoe, they both just show up for a good time. Deciding what to blow your load in at the end has no real lasting effects, although choosing Cloe's leg is... just choose her leg.

(19) Ch03: Booty Call - Kaminari

This option will always be available the night of chapter 03.

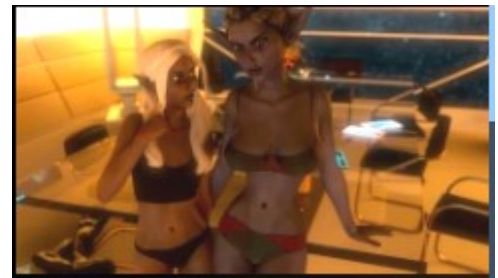

- Ch3: Select "Call Kaminari"

(19) Ch03: Booty Call - Kojia (and Lala-fon?)

This option will be available the night of chapter 03 IF you either followed the 13-18 steps and choose Kojia for the swinger game OR followed gallery 13's steps and slept with Kojia w/o doing the game. The latter makes keeping Lala-fon around for the entire scene easier.

- Ch3: Select "Call Kojia"
- Ch3 : It's ok lala, we're just talking.
- Ch3: I think we can trust your mother. (At this point if Lala-fon's affinity is too low, she will run out of the room and the scene finishes with just Kojia.)

(20) Ch03: Booty Call - Ayre

This option will always be available the night of chapter 03 but is easier to complete if you chose Ayre for the swinger game. (This scene will probably change in the future.)

- Ch3: Select "Call Ayre"

(21) Ch03: Booty Call – Clair and Melodie

This option will always be available the night of chapter 03 but may appear as either "Call Clair" or "Call Melodie"

- Ch3: Select "Call Melodie"
- OR
- Follow the 13-18 Swinger games tutorial & select Clair to play the swinger game with.
- Ch3: Select "Call Clair"

If you did the swinger game with her, you'll know she just wants a baby, and she'll fuck any strong man to get it since Krish hasn't managed it. Melodie on the other hand is a prego-Cat girl who just likes to fuck. Just as in Cloe & Zoe's booty call, where you cream doesn't really matter, but this is one of the few instances where you CAN creampie one of the girls w/o getting a game over.

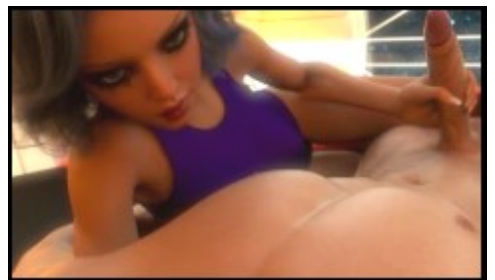

(22) Ch03: Date Night - Sasayaki

For being such a whore, Sasa pretty reluctant to actually have sex with the main character. Suppose there's something to that...

For all three Date Night scenes, it's almost required that the player choose the corresponding girl in chapter 01. Then be nice to them all through chapter 02 and 03, WITH the exception of Sasayaki. ^^ You can be a complete monster to her, but you gotta go all monster or all saint. Just for fun, let's do Monster.

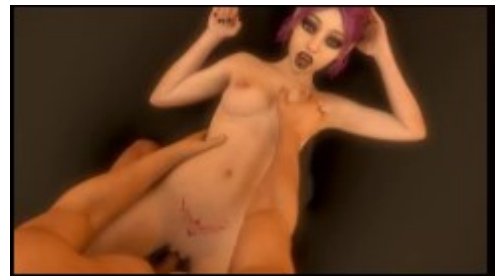

- Ch1: Get a Closer Look. (Sasayaki)
- Ch1: Get a Closer Look. (Hikari)
- Ch1: Choose Sasa
- Ch1: Be cross with her.
- Ch1: Be cruel to her.
- Ch1: Thank her. (Kojia)
- Ch1: "Is she playing games?"

- Ch2: Check out the pretty Night Elf
 - Ch2: Pin it on her sister.
 - Ch2: Help the kid out.
 - Ch2: Speak with Kojia
 - Ch2: Deal with it like a man
 - Ch2: Ask Tsuki to deal with it
 - Ch2: Ask Hikari to deal with it
 - Ch2: Ask Sasa to deal with it
 - Ch2: I'm not comfortable with another man having you...
 - Ch2: In the swinger game, don't go past blowjob. Abuse the "Hand Job" option until Krish blows his load in Sasa's hands.
 - Ch3: Yes sir. I am.
 - Ch3: Consult Princess Sasayaki.
 - Ch3: Select Sasa
- At this point we need to flip to being nice. The whore route might continue in the future.
- Ch3: Apologize for being insensitive.
 - Ch3: Give her some space.
 - Ch3: Suggest you share the bed.
 - Ch3: I'd save whichever group you were in...
 - Ch3: Getting to know you better
 - Ch3: Sounds like a lot of studying. You're really smart.
 - Ch3: I swear it.
 - Ch3: Tell her you love her.
 - Ch3: Go back to sleep... (You can Fool around... but don't go crazy)
 - Ch3: Pretend to be asleep

(23) Ch03: Date Night - Tsuki

Watch Tsuki's affinity can go on a roller coaster to avoid pissing off Kojia, but that's the way it needs to be. The thing to remember is that Tsuki is a tortured soul. She NEEDS you, but her emotions are a direct reflection of the main characters, so if the main character hates himself... she hates him. But mostly she'll be disappointed at shallow affection and instead demand the main character "Work on Himself." Good news is that she can get almost all her affinity points on the date.

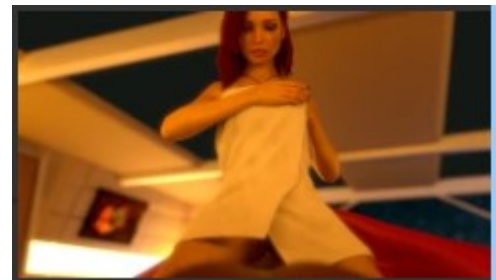

- Ch1: Choose Tsuki
 - Ch1: Peek on her in the shower twice
 - Ch1: Choose the Black Panties. (This is important.)
 - Ch1: Put the Black ones on your head and save the galaxy!
- Continue on keeping Kojia's affinity high as with previous instructions.

- Ch2: You may do the Swinger game (Gallery 13-16), or punch Krish in the face and just spend the night with Kojia alone. (Gallery 12)
- Ch2: Take Tsuki along (If the option presents)
- Ch3: Select Tsuki on the bridge
- Ch3: Agree
- Ch3: Joke with her
- Ch3: Tsuki, about us...
- Ch3: Let it go
- Ch3: I love you! (with the exclamation point)
- Ch3: I remember.
- Ch3: She did.
Watch all the voyeur videos with her.
- Ch3: Finish up and hit on Tsuki
- Ch3: Grab her pussy. (Do NOT try to kiss her)
- Ch3: "..."
- Ch3: That's fucked up...
- Ch3: I can't... I...
- Ch3: How could I forget?
- Ch3: I can do that.
- Ch3: Yeah... big sis?
- Ch3: To get rid of that bra?
- Ch3: Like sharing my heart with you.

(24) Ch03: Date Night - Hikari

Hikari is an innocent. The main character met her just before the events of this VN and accidentally "Bonded" with her. Effectively this means she's experiencing a sexual awakening and only the main character can satisfy her, and Tsuki, but not yet.

- First I suggest following the steps in (Gallery 17). There are other ways to get her affinity up, but that's the best. If choosing otherwise, make sure she "Drinks your essence" in the cockpit instead of getting it direct from the source...
- Ch3: Clear your mind...
- Ch3: Imagine making love to her...
- Ch3: Choose Hikari on the bridge
- Ch3: We can get a pair.
- Ch3: What are you doing?
- Ch3: We can share right?
- Ch3: The Prairie Elves right?

- Ch3: Ok, let's go.
- Ch3: Catch her!
- Ch3: Don't mind her.
- Ch3: Want me to take care of it?
By this point her affinity should be maxed, just don't drop it back down.)
- Ch3: You ok?
- Ch3: She needs me.
- Ch3: I love you too.
- Ch3: Angel indeed... sleep Hikari.
- Ch3: I know you are. Go back to sleep.
- Ch3: They don't matter right now.
- Ch3: Take care of her needs.
