Books of Sin	
Volume One – Gluttony	Already included.
Volume Two – Greed	Found in MC's room.
Volume Three – Sloth	Found under Annabelle's arm in the study.
Volume Four – Envy	Olivia has the book in her possession.
Volume Five – Pride	Found in Victoria's room.
Volume Six – Wrath	Already included.
Volume Seven – Lust	Found in Madeline's room.

In order to unlock the door in the basement (once you have the key), use the colors you saw in the bookcase that corresponds with each of the volume numbers of the books of sin and the [paintings](#) throughout the mansion.

Hint: The pass-code for the door that represents the colors of 7 books of sin will change with each play-through. So the code may not be the same for everyone. This was intentional and not a bug.

This is an example of the color code you *might* see, not the actual color code itself.

Using this example, the hypothetical pass code would be: 1243

**Fight Scene**

In the fight scenes, you **must** use your arrow keys (up, down, left and right) to select the appropriate arrow that drops down into the circle on your screen. Anywhere outside the circle is a miss. Losing the fight (with Devon) is not an option, otherwise you would be fired from your job. Orange and green are hits to your opponent, while red is considered a miss (and he lands a shot on you).

Killing Rabid Squirrels

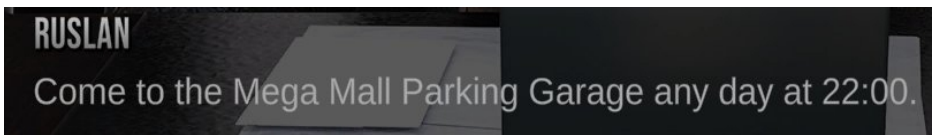

You must kill 20 squirrels by clicking your sword pointer on the eyes before the timer runs out (within 30 seconds) which will appear in 15 random locations in order to earn 10 gold (to initially enter through the city gates). You will also receive bonus points for completing this task (this mini game is repeatable, once per day, but you will *only* gain additional bonus points for each replay).

### How to Earn Extra Money/Bonus Points/Increase MC's Stats

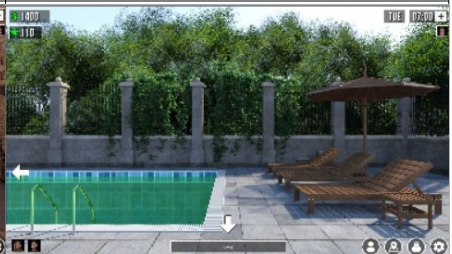

Currently (as of v0.3.0), there is only one way to earn extra cash you will need in order to purchase items at the Mega Mall, and that is by going to Ruslan's Fight Club located at the parking garage of the mall between 22:00 and 00:00 on any day of the week. Other ways to earn extra money will/may be added in future updates.

You *can* skip the fights, if you prefer, but you will not gain bonus credits, which may be required to unlock bonus content in future updates. You must also complete 5 fights (without skipping) in order to receive the “Brawler” achievement.

The stats for the MC are as follows:

- Strength**  Increases your base damage (working out with the weights).
- Skill**  Increases your reaction time (working out with the heavy bag).
- Endurance**  Increases your hit points (taking laps in the pool).

Using the weights in the basement increases your <b>strength</b> .	Using the heavy bag in the basement increases your <b>skill</b> .	Swimming laps in the pool increases your <b>endurance</b> .
		

**Important info:** Note, these are the only times you can swim, workout or use the heavy bag:  
 Working out/Heavy bag: 08:00, 11:00 – 15:00, 17:00 – 19:00, 22:00 – 23:00.  
 Swimming: 07:00 – 09:00, 16:00 – 20:00, 22:00 – 23:00.  
 Exceptions (as of v0.6.0) are on Saturdays only: (swimming) 07:00 – 08:00 and 13:00 – 00:00.  
 Working out/Heavy bag: all day.

Also note, you can only do **one** of the above activities **once** per day, so please pick according to what you need (training Victoria, swimming contest, nude modeling; in that order).

As of v0.3.1, there is another way to earn extra bonus points, by logging into Hentai Impact at any time of the day, and playing the rabid squirrel hunt mini game at the Pristine Forest. You can only do this **once per day**, but remember, do not play the mini game when you are required to take one of the girls to their appointments on time, otherwise you will be fired.

**Requirements**

**Important information**

**Side note #1:** Currently there are 3 locations where Victoria will do a chore. The first is in the hallway near the MC’s room. The second is in the MC’s room and the third is in the study (after giving her the maid outfit).

**Side note #2:** Bonus points/Bonus credits earned from both the fight club and squirrel hunting (in HI) are not implemented as of yet. They will be required in future updates in order to unlock bonus content.

**Side note #3.** HI = Hentai Impact (the game you installed on the laptop once Olivia put it in your room).
