三人が三人で、俺を誘って帰ってきた……すごい光景だ……
（壁を這うかアナルの隙とくぼみまではっきり見えるこの状況で、三人のエルフ娘が俺に種付けをして欲しがっている。）

（腕が二本しかないのが悔やまれる……!!）
俺が迷っていると、四人はくすくすと楽しそうに笑いあうのだ。……救世主ちゃんが誰からしても、他の三人だってジツとしていないわよ？ 誰かのおっぱいをモミモミしてる間には、他の三人が背中に、腕に、アナタの身体のいたるところにプニプニおっぱいをこすりつけてあげる♪」

どれだけ回数を重ねても、イヴリンの肉穴はこなれてはきても緩くはならない。それどころか、俺の喜ぶやり方を学習してどんどん賢く、卑猥な動きを手に入れているようでもあった。
「あんんあぁあぁ……ご主人様っ、ご主人様あ、淫らなメイドでごめんなさい、あぁこの想い……隠しておけませんでした、あつ……いいえ、どこかできっと、気づいて欲しかったんです……あぁっ！ 浅ましいメイドでごめんなさい……いっ！」

PROLOGUE: WELCOME! TO THE FOREST OF LEWD ELVES!

..... All of a sudden I have found myself under the vast expanse of the clear, blue sky.

「Uuhh? Uwaaaaaahhhhhh!? Aaaaaaaaahhhhhhhhh~::~:!!!!!!」

There was not even a single trace of clouds to be seen as far as the eye could see, and I continued to fall right in the middle of that clear, but also terrifyingly endless blue expanse. Confused out of my mind, I, Ito Yuichi, somehow managed to look down..... and I had to squint my eyes at the lush sea of trees that were several hundred meters ahead of me, into which I would soon inevitably fall.

「Ngh..... I-It's a..... a forest.....!？」

The forest would also stretch out as far as the eye could see below me, with a single large tree standing tall above all the rest on top of a small hill. As I was helplessly falling down, exposed to the strong gust of howling wind, my mind began to wonder how exactly I ever found myself in a situation as precarious as this one.....

Every day in the morning, I would wake up, and then at night I would go to sleep. I would wake up and then go to sleep. It was that kind of a boring, uneventful life and existence. But then on one day, I found what seemed to be a lost child wandering the street and after I decided to called out to her, she said to me the following words:

"I have found you at last! You there, are you the one who is going to become our Savior.....!?"

Huh? A Savior? The moment I heard that word, I could almost feel the question marks start floating right above my head, and was surprised to see that the girl before me was in fact some truly peerless beauty. She was wearing an unbelievably super-high-cut outfit that barely covered her nipples and the important place between her legs, with barely any fabric to it, and with her flaming red hair tied in two ponytails, one falling down her shoulders on each side of her head. And more than anything, what made her stand different from all the people I knew well was her ears..... Because her ears peeking out from under her hood were actually long and pointed.

「If you can see me right now, this means that you are more than qualified enough to become our Savior. And besides, the stars, the magic waves, everything else indicates that you are indeed the one. It was all foretold, that today, at this very moment, in this very place, the man destined to save us all from peril shall appear.....」

「..... Huh?」

I had little to no idea what that mysterious girl was even saying. Actually, I had an eerie premonition that I was going to get caught up in something really shady or dangerous from interacting with her, so I was about to take my leave at once when the girl stood up and spoke to me, her long ears all perked up.

「Very well then! I am going to invite you to our dear forest..... to the heavenly world of Alfheim! Close your eyes now..... This might actually hurt you just a little bit!! "TELEPORTATION"!!!!」

The young-looking girl with a flat chest and stick-like limbs chanted some kind of mysterious spell, and then I was instantly transported right into the sky. In other words, I was teleported into the air, and began a free fall down below. Needless to say, this entire situation was so unexpected and unrealistic that it would be a fool's errand trying to explain it logically and make even the slightest bit of sense of it.

「N-No! No way!? Is this real!? You've got to be kidding mmmeee!!!!」

Even though I really wanted to think that this was just an illusion or a bad dream, I really couldn't do that. All because the cold wind blowing from directly underneath me felt way too realistic. It was also a really painful sensation, and the instincts that I hadn't used all that much recently, were constantly screaming out to me that "death" was fast approaching, making my entire body go numb and breaking into cold sweat.

「Someone! Anyone! Please, help me! Saaaaaavvvveeeee mmmmmmeeeee!!!!!!」

I flapped my arms and legs around, pointlessly trying to hold my breath as if I wanted to prepare my entire body for the inevitable impact of the fall, but it seemed like I would not be able to withstand the impact of hitting the ground from such a great height.

「S-Someone! Please, plllllleeeeeaaaaaasssssseeeee!!!!!!」

Down below me there seemed to be a stream flowing through the center of the forest. It seemed like that was where I would end up falling, and just when I thought that my body would hit the nearby trees and that this would be the definitive end for me, I happened to hear the voice of what seemed to be the goddess of salvation to me at the time..... A clear, yet kind of sweet and gentle voice, as beautiful as the sound of a thousand small silver bells.

「It's alright! I am going to catch you, don't worry! Just like that..... Come down just like that, okay!？」

「..... Ngh!？」

Becoming more and more paralyzed with fear, I somehow managed to open my eyes and saw that there was a woman in the stream down below. She was completely naked, probably having been bathing in said stream..... She was a beautiful woman with pure white skin and exceptionally large breasts. Even in the midst of a near-death experience, I was so fascinated by this woman's otherworldly beauty that I thought time had stopped for a moment for me while I gazed at her. She raised both of her hands up towards the sky then..... No, she raised them towards me.

「Ngh..... Come! Right here!」

BOUNCE! BOUNCE, BOUNCE, BOUNCE!

「Aaahhn.....!」

The beautiful woman let out a sweet moan as our bodies collided with each other, skin rubbing against skin. She then caught me with her moist, plump, juicy breasts, grabbing me tightly and not letting go of me, no matter what.

(W-What a magnificent bust size this is! Are those eighty centimeters? Ninety centimeters? No, could it be..... are they actually well over one meter!?)

My whole face would then easily sink into the elastic softness of the woman's two flesh mountains, and the enchanting sensation would spread all across my shoulders and my chest.

「Ah.....!」

As expected, the beautiful woman stumbled from the force of the collision of our bodies, and she was then crushed under my weight, falling right into the shallow water of the stream.

(O-Oh crap! This totally looks like I pushed her down on purpose here.....!)

But when I tried to get up in a fit of sudden panic, she once again hugged me tightly with both of her arms and whispered gently right into my ear.

「Goodness me. You were totally doing something dangerous just now, weren't you? I was so shocked to see you fall from the sky like that, you know? You were really lucky that I used my magic to soften the impact of your fall, but..... it would have been terrible if I hadn't been here to do that for you, you know?」

Apparently, the beautiful woman had not been injured in any kind of way, and I was also in no pain and had not even a single scratch on my body. That was good, really good and all, but.....

「..... But that being said, I'm glad that you're safe. Ufufu. I wonder if you were perhaps playing on a bird in the sky.....? But you do realize that you shouldn't be such a tomboy, right? You will only get yourself hurt, don't you realize that? Besides, us girls have to be graceful and dignified at all times.」

My eyes were completely glued to the beautiful frame of the naked woman, who was smiling like a blooming flower at all times. The water sparkled, reflecting the sunlight off of her body, and the soft, golden-haired woman just lay there. She looked at my blushing face, and then she opened her blue eyes wide as if in shock and then asked:

「Huh.....? Y-You..... W-Who are you? I have never seen your face before in here. And besides.....」

SQUEEZE.

Perhaps it was because I had fallen so high from the sky and I honestly thought that I was going to die, or perhaps it was because I was currently lying on top of such a gorgeous naked body of a beautiful woman, for my crotch was the hardest it had ever been in my entire life, and with a firm grip of her supple fingers, the woman took a hold of it.

「..... What's this?」

「I-It's a dick. I'm really sorry.」

「..... a dick? Ah, could it be..... Could it be that you are actually the prophesied Savior that the Esteemed Elder spoke of recently.....? Are you actually that legendary creature, a "Man", who came to our world to save us all!? That kind of "man"!？」

This place was called "Alfhelm", and apparently it was a land where a race of beautiful creatures called "Elves" have lived since ancient times. And I just so happened to have fallen right on top of one such beauty with long, pointy ears. This place was the forest of lewd elves.
