

A Perfect Marriage - Story Paths

v0.7.5

Path 1 - The Faithful Path

How you got here?	You've influenced Anna and David to stay faithful and true to their marriage.
What's ahead?	Danger is always lurking around the corner. There's a plot to ruin their marriage, and there are a number of men who are pulling out all the stops to sleep with their object of desire: Anna.
Your role?	Be careful how you handle decisions. A single decision could kick you off this path, and it may be too late to get back on it.

Path 2 - The Accept Chris Path

How you got here?	You've influenced Anna to allow Chris to get closer to her.
What's ahead?	Chris has spent many years executing a plan to put himself into a position to have Anna if the opportunity ever presented itself. Now that he has an opportunity, he's determined to make the most of it.
Your role?	Anna's trying to stay strong, but it's becoming harder for her each day, since you've influenced her to enjoy playing with her husband's best friend. Your future decisions could push her past the point of no return.

Path 3 - The Reject Chris Path

How you got here?	You've influenced Anna to keep Chris at a distance, but she keeps him close enough so that he can help her keep tabs on David and get to the bottom of what David did with Alexia.
What's ahead?	Chris has spent many years executing a plan to put himself into a position to have Anna if the opportunity ever presented itself. Now that Anna and David's marriage has hit rough waters, he wants to take advantage of any opportunity to conquer Anna, despite Anna rejecting his advances.
Your role?	To stay on this path, you'll have to keep pushing Anna not to give into Chris. A single decision could be enough for Anna to bend to his will. She hopes Chris will still be able to help her solve things with David.

Path 4 - The Accept Hank Path

How you got here?	You've influenced Anna to accept Hank's intrusive management of her.
What's ahead?	Given Anna's vulnerability and submissive tendencies towards older men in positions of authority, along with her desire to not complicate her career, she's being drawn into Hank's ongoing plot to manipulate her and fill the void left after her father's passing.
Your role?	Because of her nature, she's having a lot of trouble resisting Hank's demands after you've pushed her towards him. A single decision could push her over the edge, so be careful.

Path 5 - The Reject Hank Path

How you got here?	You've influenced Anna to resist Hank's intrusive management of her.
What's ahead?	She doesn't enjoy disobeying him, given her submissive tendencies towards older men in positions of authority, but she knows it's the right thing to do. Hank isn't done yet, though, and he's willing to risk everything to get what he wants.
Your role?	To stay on this path, you'll have to keep pushing Anna not to give into Hank's demands. A single decision could be enough for Anna to cave in.

Path 6 - The Accept Jake Path

How you got here?	You've influenced Anna to accept Jake's flirtations.
What's ahead?	Jake wasn't able to seduce Anna easily, so he's now resorting to Kendra's plan to connect him to Anna emotionally. Jake plans to use his acting skills to get him past the finish line.
Your role?	Seeing Jake upset makes Anna upset too, given what they're both going through in their relationships. She wants to be there to help him, but what complicates things is that she's naturally attracted to Jake, and he stirs up desires within her. If you push Anna towards him, that could be extremely dangerous.

Path 7 - The Reject Jake Path

How you got here?	You've influenced Anna to reject Jake's flirtations.
What's ahead?	Jake wasn't able to seduce Anna easily, so he's now resorting to Kendra's plan to connect him to Anna emotionally. Maybe this last attempt will be successful, but he can't help but feel bad trying to manipulate Anna with lies when she's clearly not interested in having an affair with him.
Your role?	To stay on this path, you'll have to keep pushing Anna not to give into Jake's scheming. Given her predisposition to be sexually attracted to him, you'll want to keep Anna at a distance so she doesn't fall into his trap.

Path 8 - The Accept Marvin Path

How you got here?	You've influenced Anna to tease and embrace Marvin's desires towards her.
What's ahead?	Anna is uncomfortable with toying with Marvin, but the more you've pushed her, the more thrilling she finds it. Marvin has made his intentions known, so it's up to Anna as to whether she wants to continue to play with him.
Your role?	Anna knows it's abhorrent to play around with Marvin, but as long as you keep encouraging her to do so, she will have no choice but to embrace her darkest temptations.

Path 9 - The Reject Marvin Path

How you got here?	You've influenced Anna to reject Marvin's desires towards her.
What's ahead?	Anna loathes Marvin, but she feels bad for him and doesn't want to see him punished; therefore, she tolerates his presence. Even though he's been rejected repeatedly, he wants to find a way to take advantage of Anna.
Your role?	To stay on this path, you'll have to keep pushing Anna to deny Marvin his wishes.

Note - New paths may emerge, and old paths may end. Multiple paths can lead to the same ending.
