

Inseminator [v0.17]

Gameplay Guide [v0.17-#0.1]

Tips & Tricks

- Master keyboard shortcuts - it's a long ride and it isn't task oriented, so it's a bit grindy :|
N-times Esc - go to map from any place.
5, 1, 5, 1, 5 - naked girl on her back in an instant ;)
- Abuse save/load to alter randomness (girls' consents/requests, scam amounts...).
Not necessary, but speeds up progress or makes it easier to achieve your goals (MC alignment).
- Charisma boost is the only good starting bonus?
Cash +200 (most useless?) - amount of two good tourist scams in the Park :|
- Drink coffee (x cash) up to 3 times per day per 1 AP (kitchen) :)
- Scam tourists for jewelery and money.
Observation The Park gains are better than Old Canal?
100+ cash scam is a nice scam.
- *Observation* Girls stats quality / better weed prices:
City Center / Old Town / Park / Old Canal / Alleyway?
- At the beginning, high girl stamina (50+) and low beauty (higher agreeableness) are probably the most useful.
Use scammed jewelery as presents ASAP - nice girls relationship boost.
- Invest cash in varicolectomy (Hospital) ASAP, then in charisma (Club) and clothing (watch and suit)
- Increasing charisma cost per unit:
 - Club: 1 AP 50/n cash :) n: amount of minglings on single pass fee
 - Theater: 1 AP 100 cash :|
-
