## Prologue

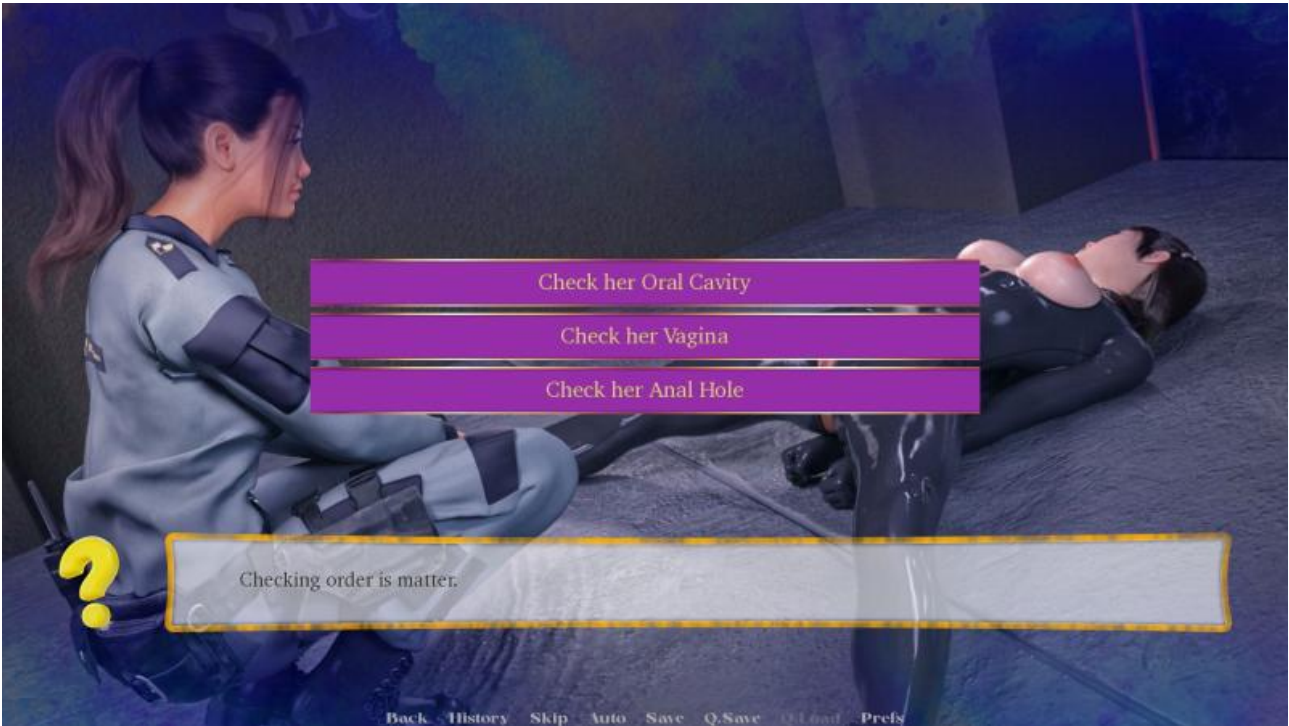

**Check Human Resources** to get an additional sex scene from two lovebirds. This path is also necessary to unlock the possibility of anal scenes later in the game.

**Hurry up to your workplace** is for pure lesbian route or when no interest on anal sex

**Continue peeping** will open the path for anal sex scenes in the game.

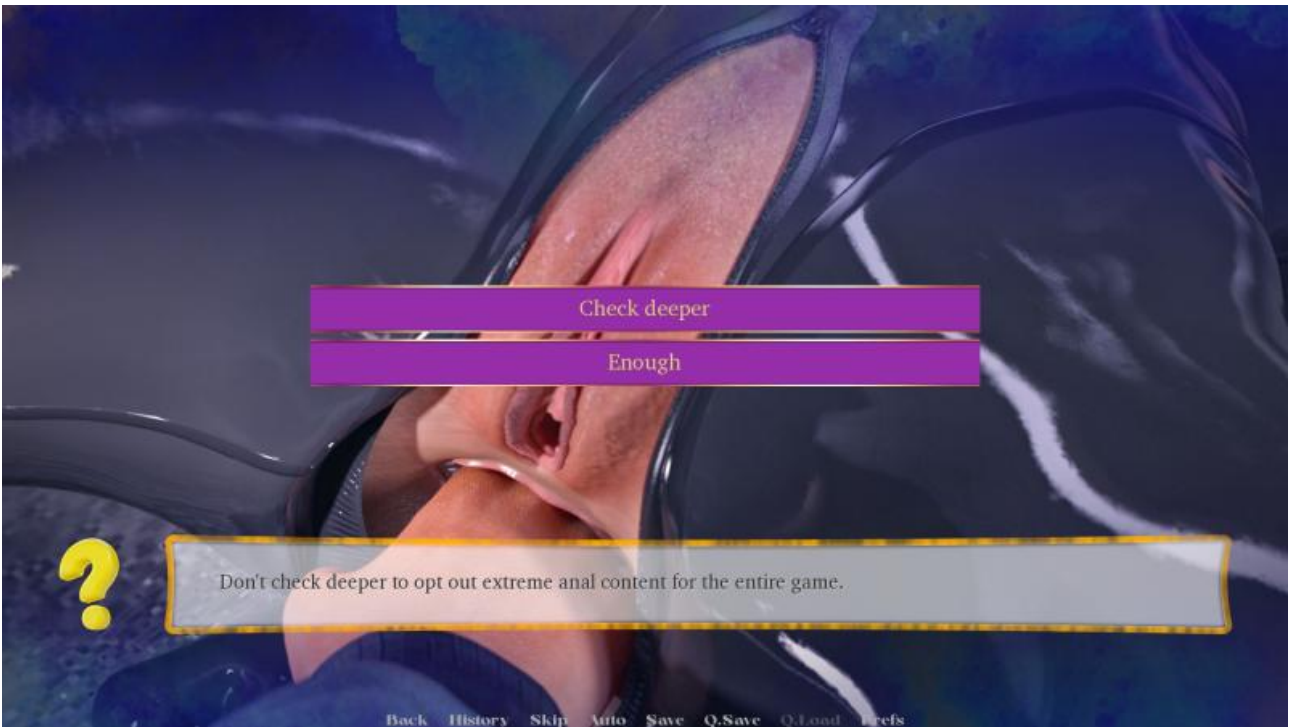

**Leave** will hide anal scenes from you in the future.

**Check her Oral Cavity** will have no impact

**Check her Vagina** will lead to progress of the story

**Check her Anal Hole** will allow players to collect another anal preference point. Starting with Anal Check and continue with Oral Check opens an ass-to-mouth content in the game.

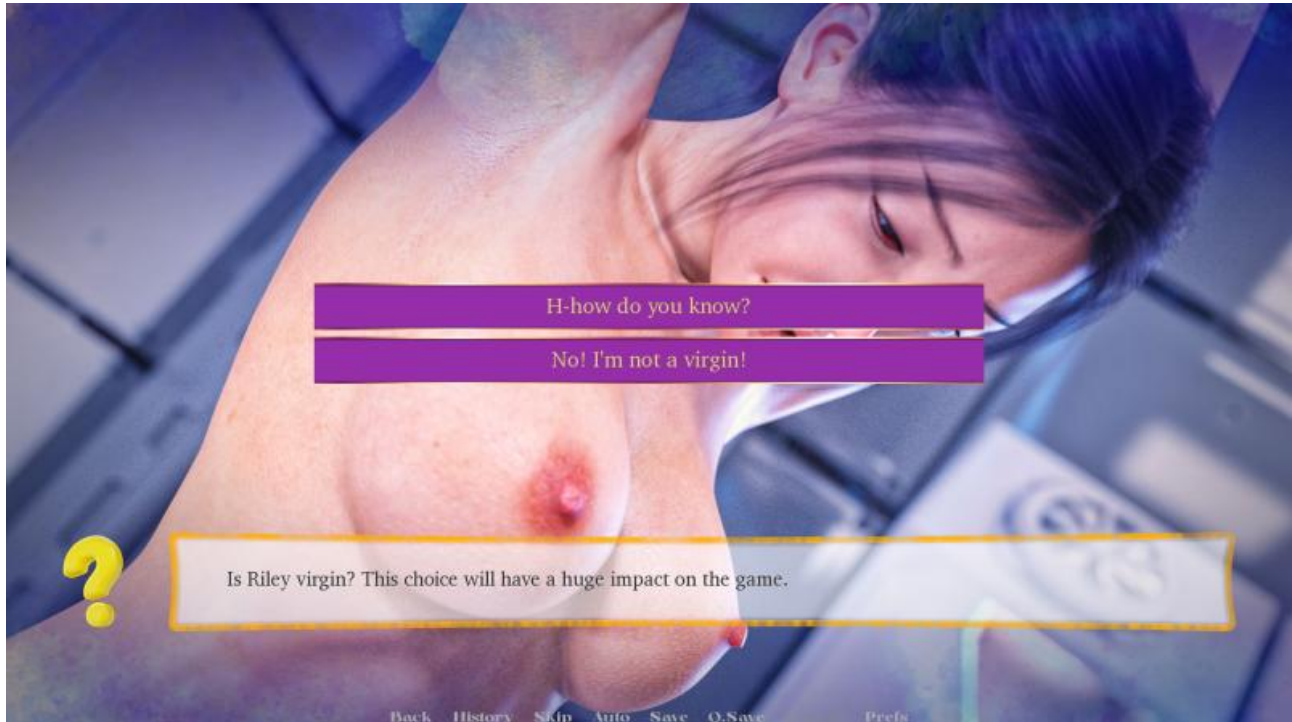

**Check deeper** unlocks advanced anal content.

Watching anal scene in the Human Resources AND unlocked ass-to-mouth AND unlocked advanced anal content **turns MC into anal-only**. For having a choice in sex scenes, it's better not do it.

**Enough** to avoid extended anal content.

## Chapter 1 – Day One

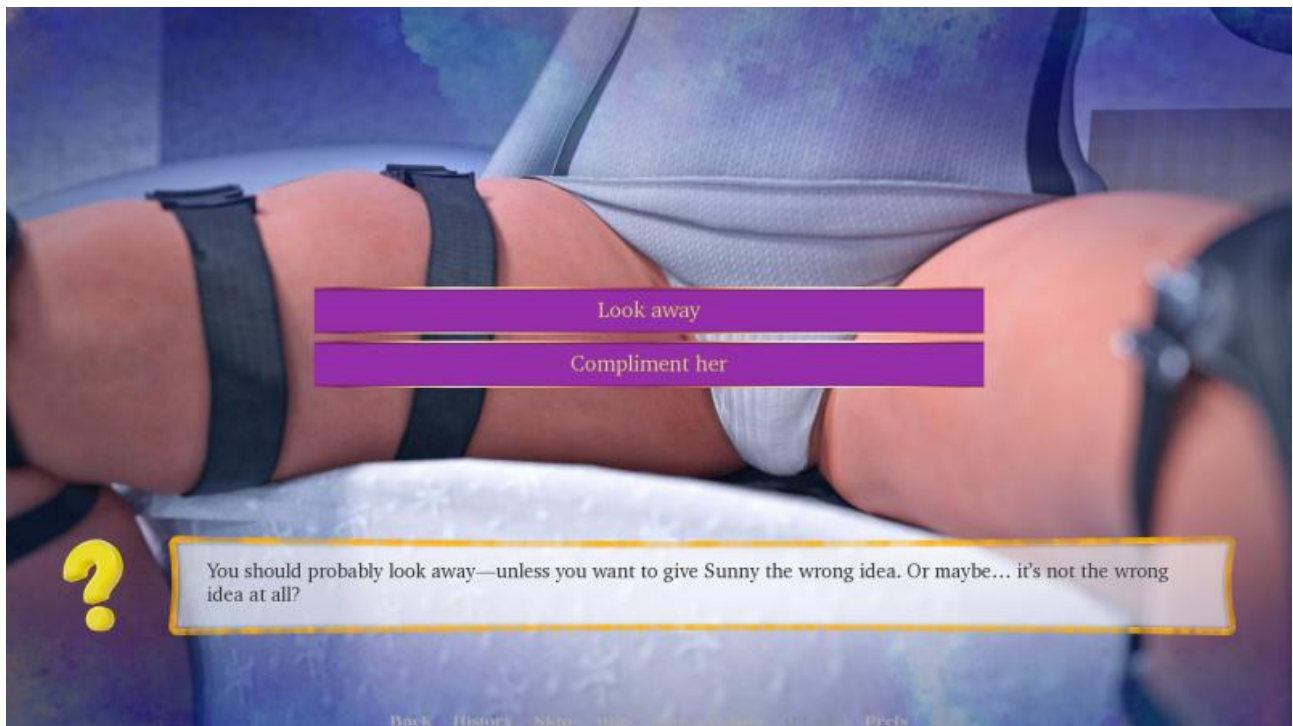

During the examination process with Melissa, players can choose their preference of MCs sexual experience.

**How do you know?** for entering the path of a virgin MC.

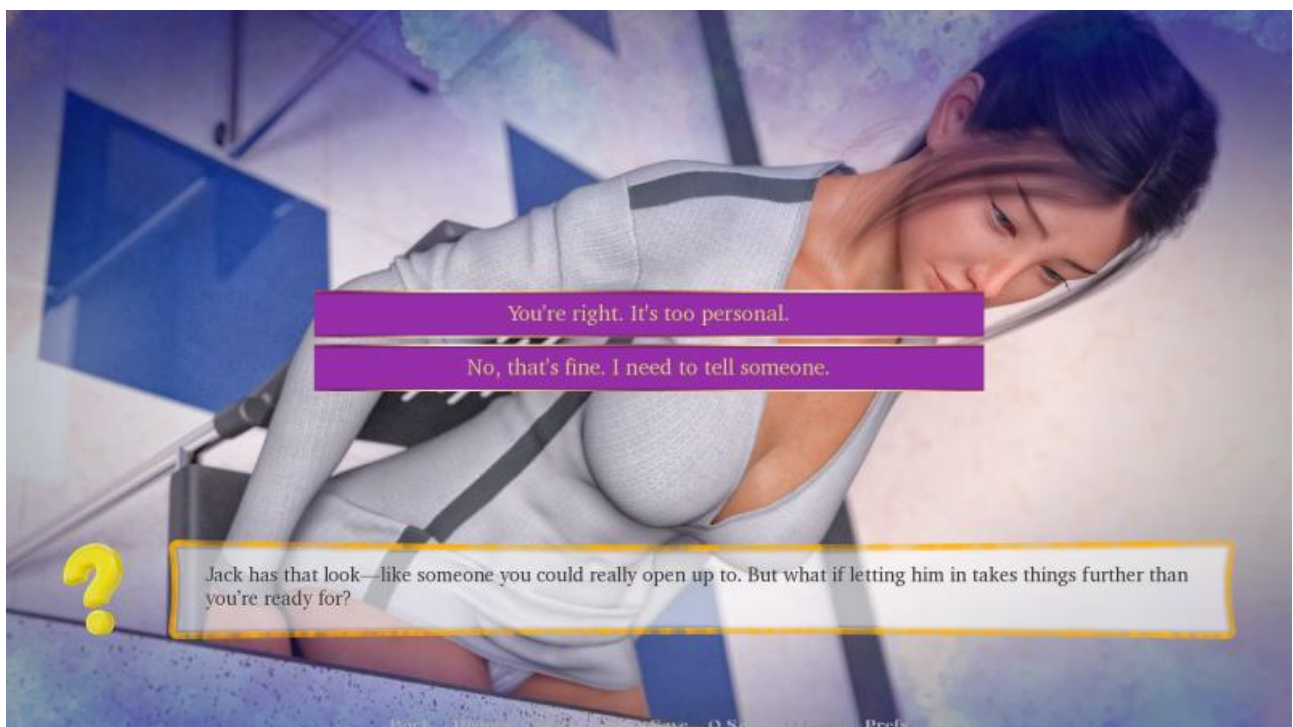

**No! I'm not a virgin!** for continue with a little sexual experience.

Taking the virgin route will lead to less sex scenes with the MC, because she intends to stay pure as long as possible. Still, for each missing sex scene, there is another scene instead or progress on the virgin route. It is possible to finish the game with a virgin MC. Obviously, also use that path to having the chance of defloration content.

**Look away** from Sunnys crotch to avoid a deeper relationship with her.

**Compliment her** to start the love interest path with her. Also helpful for a pure lesbian route.

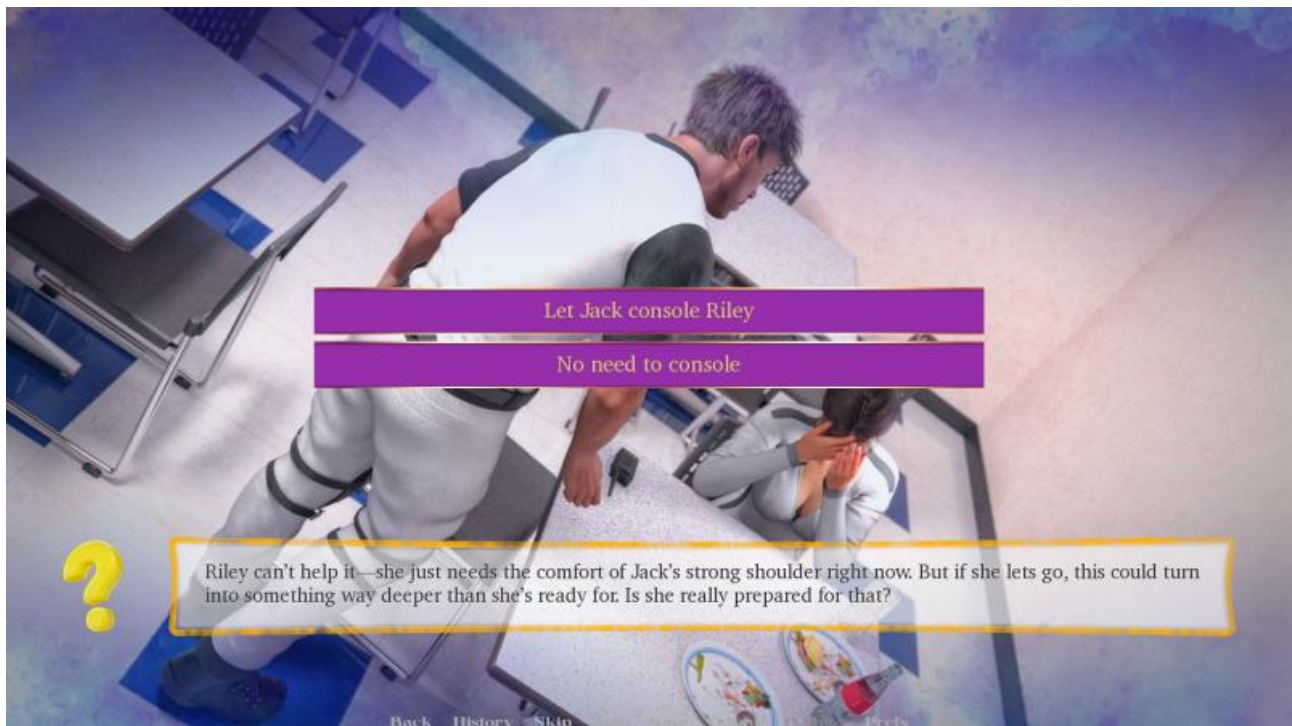

Avoid Jacks romance path with **You're right. It's too personal.**

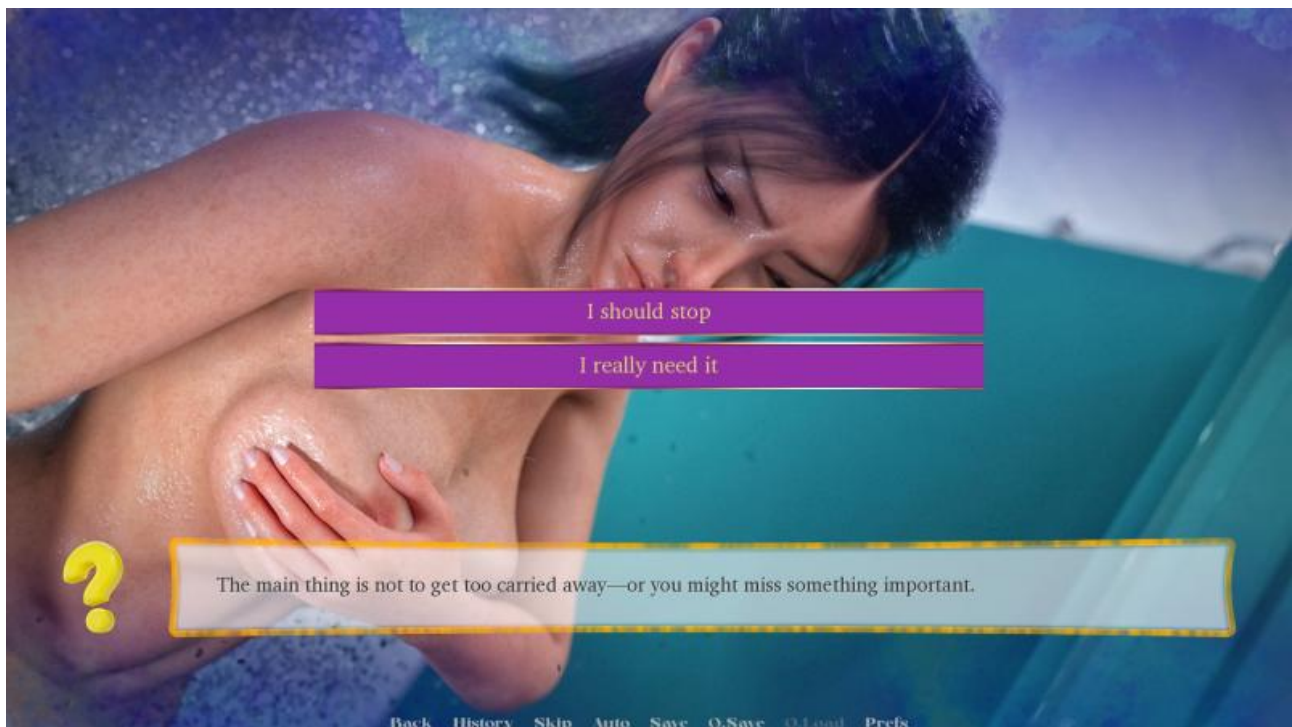

To unlock Jack's romance path, choose **No, that's fine. I need to tell someone.**

Be aware that this isn't a harem game. Dating Sunny and Jack at the same time will lead to problems later.

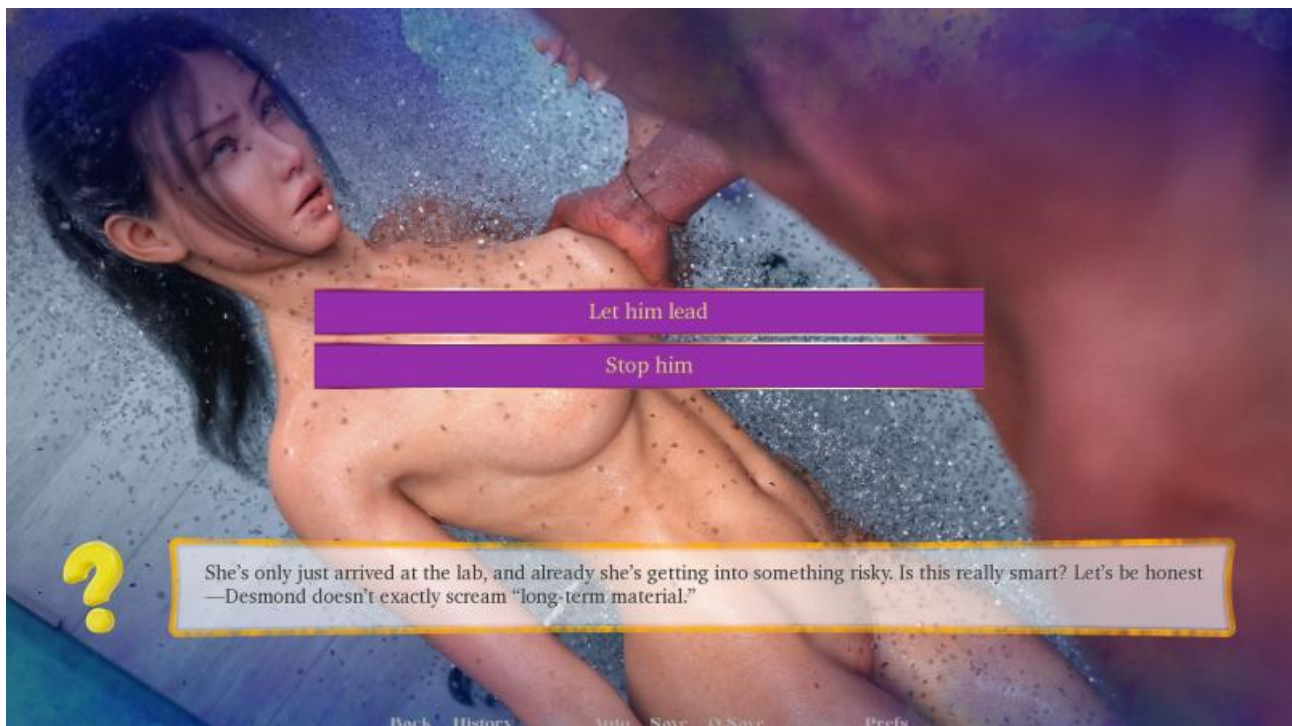

**Let Jack console** the MC to get additional relationship points with Jack.

**No need to console** to put Jack in the friendzone.

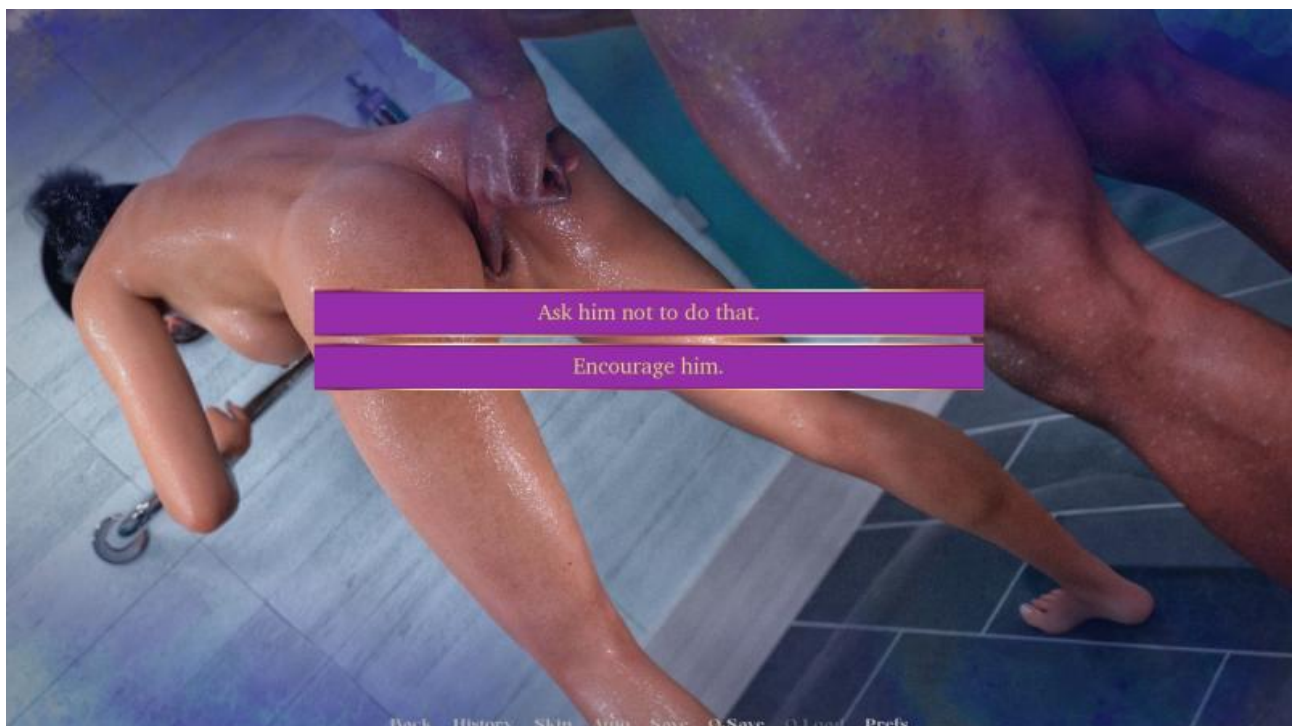

**I should stop** opens a chance for a sex scene with Desmond.

**I really need it** let MC take care of herself. Avoids the chance to have sex with Desmond for now.

**Let him lead** is only available for non-virgin MC and starts a sex scene with Desmond. If she has sex with him romance paths for Sunny or Jack can't be finished anymore. During sex, anal sex is possible if at least two anal scenes in the prologue were executed. There's no chance to avoid anal if all anal scenes in the prologue were seen.

**Stop him** will avoid sex with him and is the only option for the virgin path.

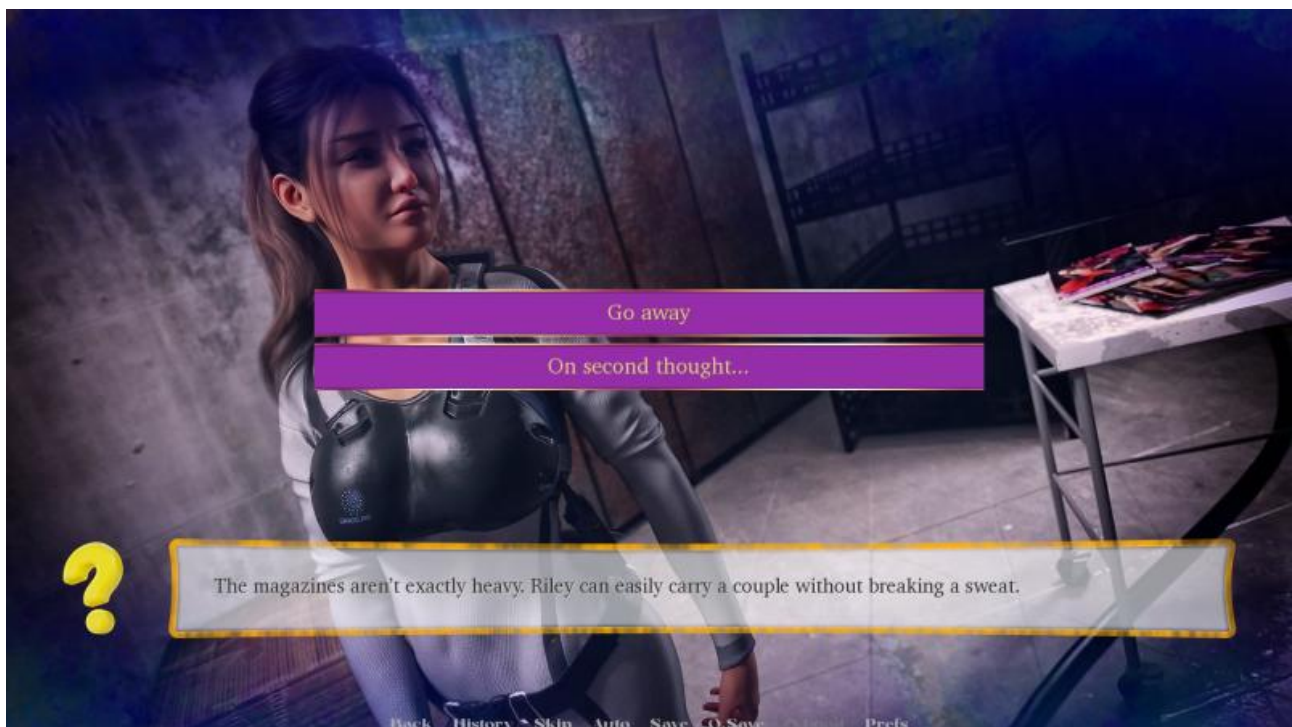

In case MC had not seen all anal events of the prologue, she can **Ask him not do that** and use her pussy instead. Use **Encourage him** for anal sex.

**Check the gym** first will support the Sunny romance path, but cannot raise their relationship stats, for now.

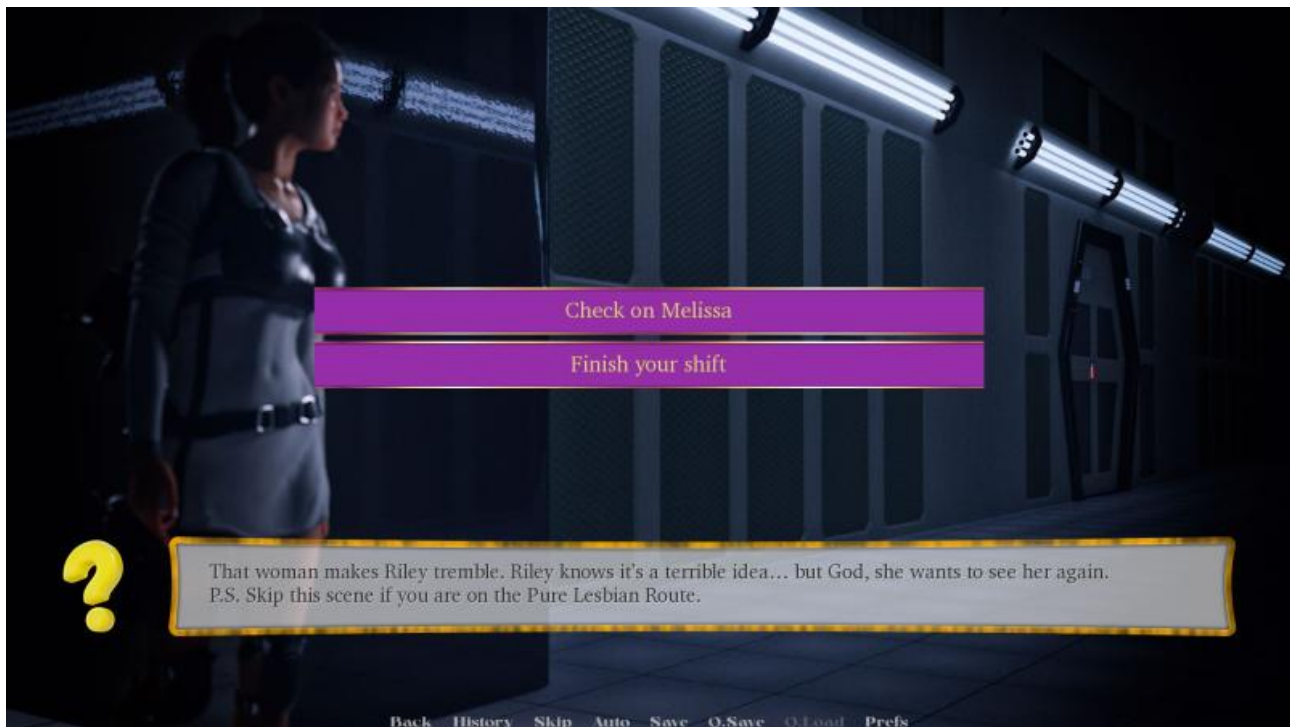

**Check who is watching TV** first will keep MCs panty dry in later scenes. (can influence Sunnys romance). If checking the TV room after the gym and if she complimented Sunny, MC will see lesbian porn that makes her panty wet. Else it will be hetero porn. That gives her some additional sexual skills (blowjob) for later romance scenes with Jack.

For an additional lesbian content scene later in the game at the end of day 2, pick **On the second thought ...**

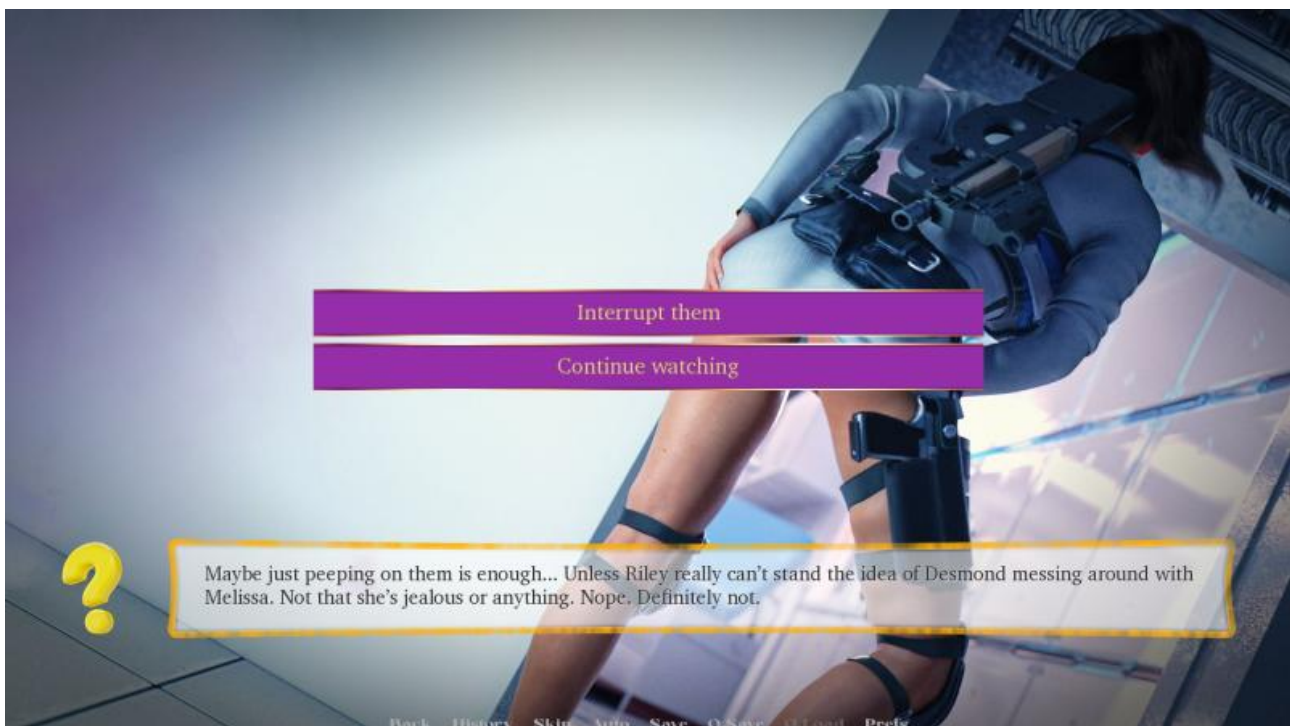

If not interested on additional lesbian content use **go away**.

**Check on Melissa** to get an additional scene with her and Desmond or for getting the chance that she will become MCs love interest. Melissa can still become MCs love interest later, when skipping the scene.

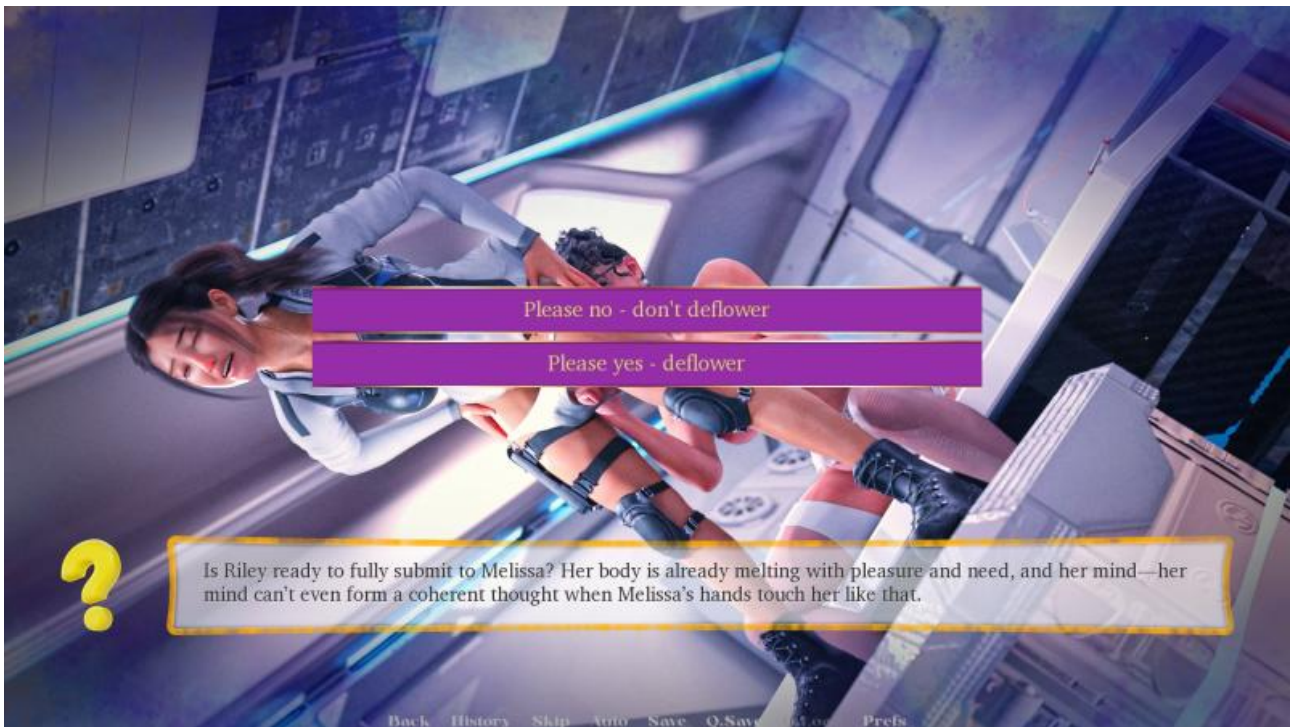

For pure lesbian path or no interest on Melissa, avoid the scene and use **Finish your shift**. If MCs panties are dry at the point, you miss the chance to enhance the Sunny romance options. Her panties are wet, if she checked the TV room after the gym.

**Interrupt them** for getting the chance to dominate Melissa later or become her pet. To become her pet this scene isn't mandatory. There will be another chance later. This choice will lead to some lesbian scenes with

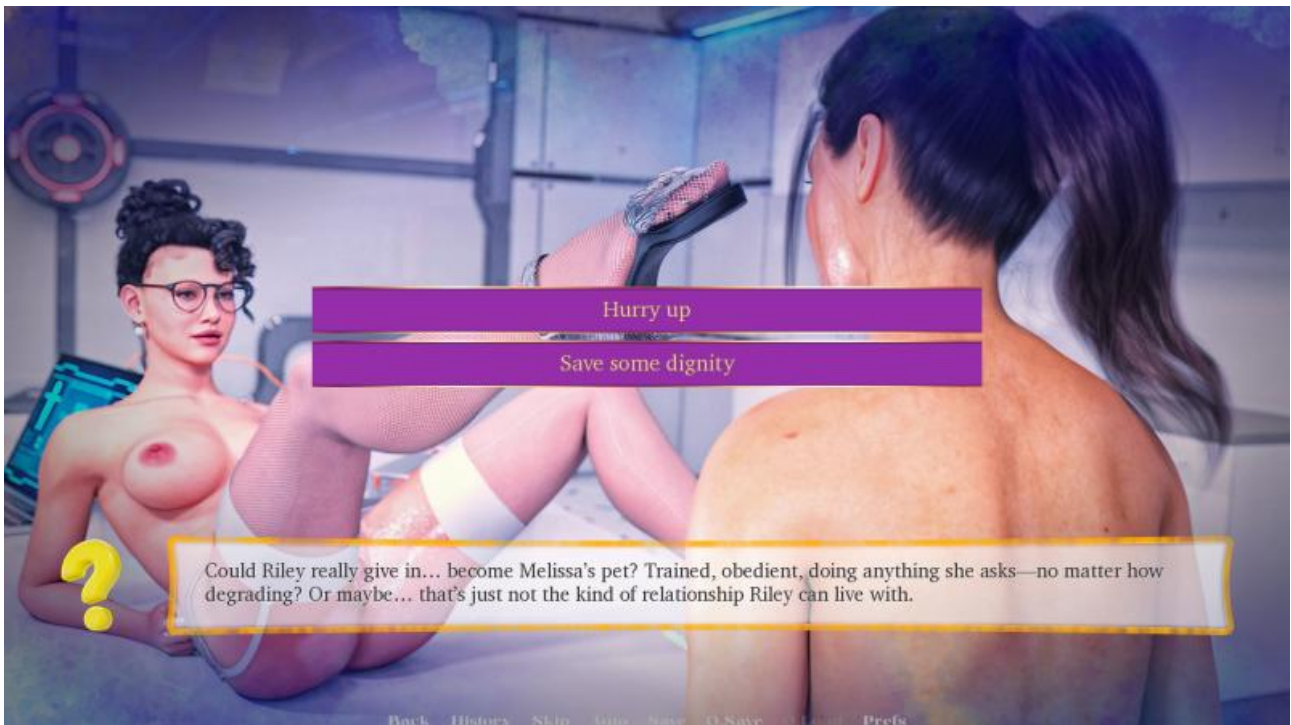

Melissa in any case. If anal stats are on max, extended anal content is waiting here. This will end Jacks romance path.

**Continue watching** for enjoying the show (and giving Jack something to see on cam when romance path is

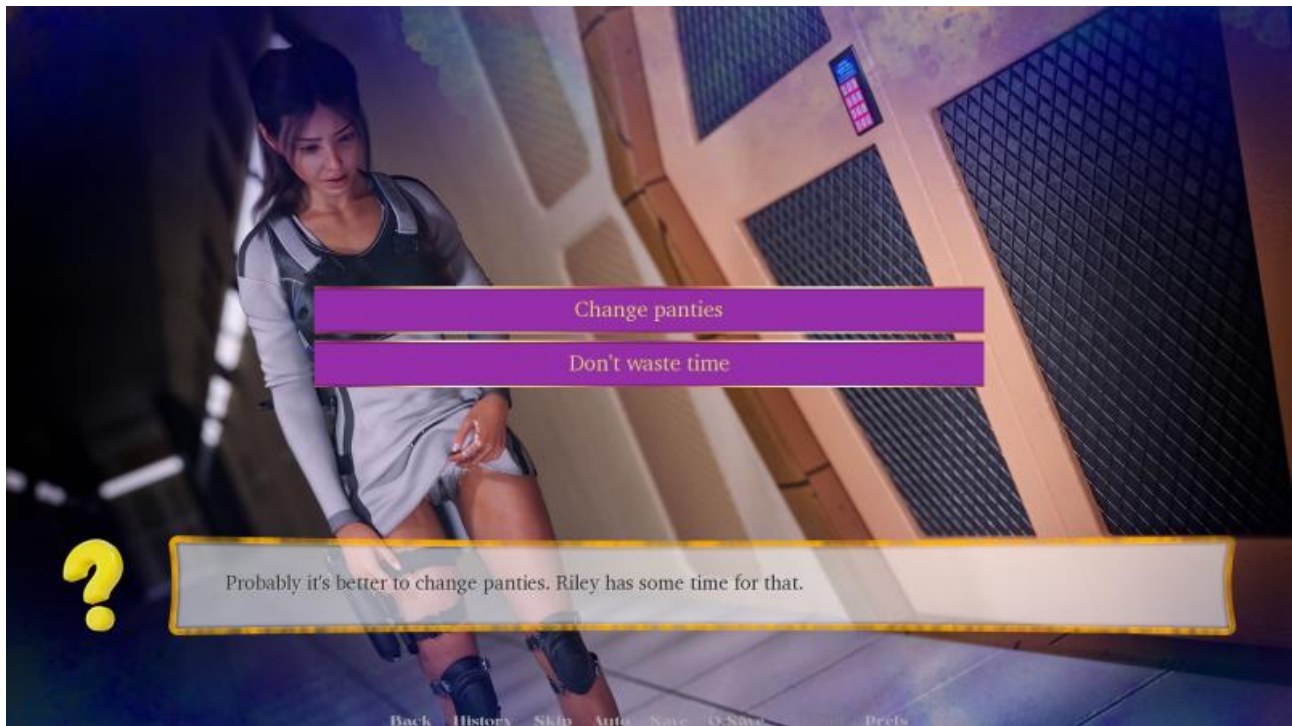

opened). Also pick that option for stay on Sunnys romance path (wet panties) and extend it to a domination path. Watching also unlocks blowjob skills for Jacks romance.

If interrupted and MC is a virgin this option will appear. Use **Please no – don't deflower** to opens the domination path against Melissa. Use **please yes – deflower** to continue the submission path for Melissa.

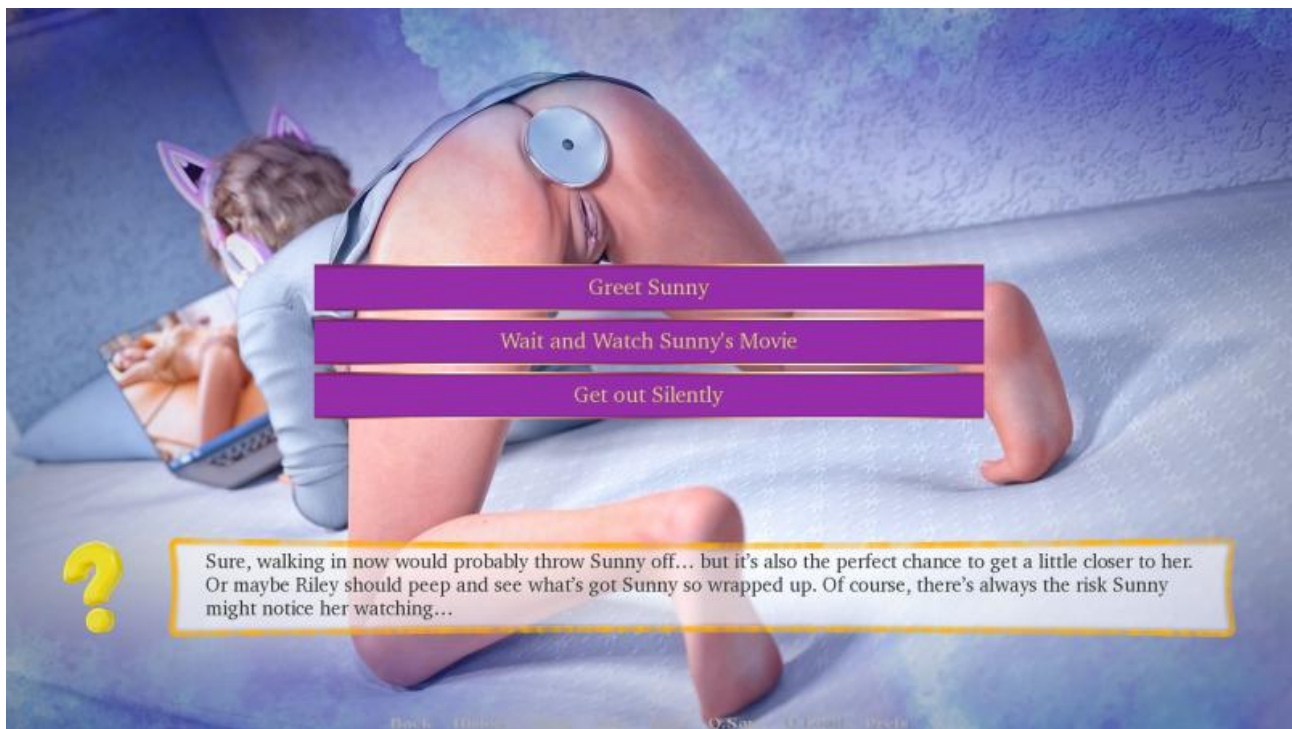

Interrupting ends with another path for MC. She can **hurry up** to be obedient to Melissa or **save some dignity** to realize that she plays with her feelings. For the second option, MC will get a chance later to take revenge on her. (dominate Melissa) To unlock some additional scenes at the shooting range, use the first option. If MC is a virgin and didn't beg for her defloration before, she can only use the second option.

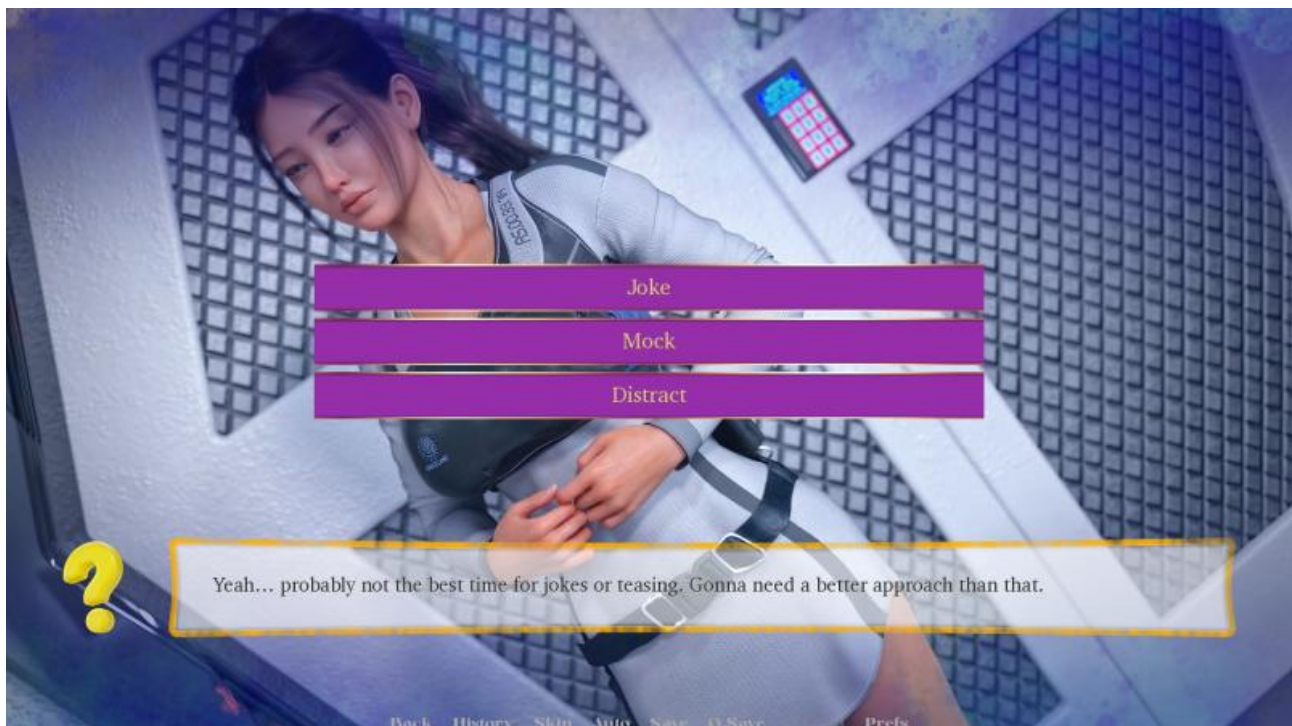

If Melissas office wasn't checked, but MC saw the movie in the TV room, she gets the chance to change her wet panties, before meeting Terry. Also works when MC peeped at Melissa and Desmond, before.

Use **Don't waste time** to ignore the chance to meet Sunny again. (ends the romance options for Sunny)

Use **Change panties** to get the chance to enhance the relationship to Sunny.

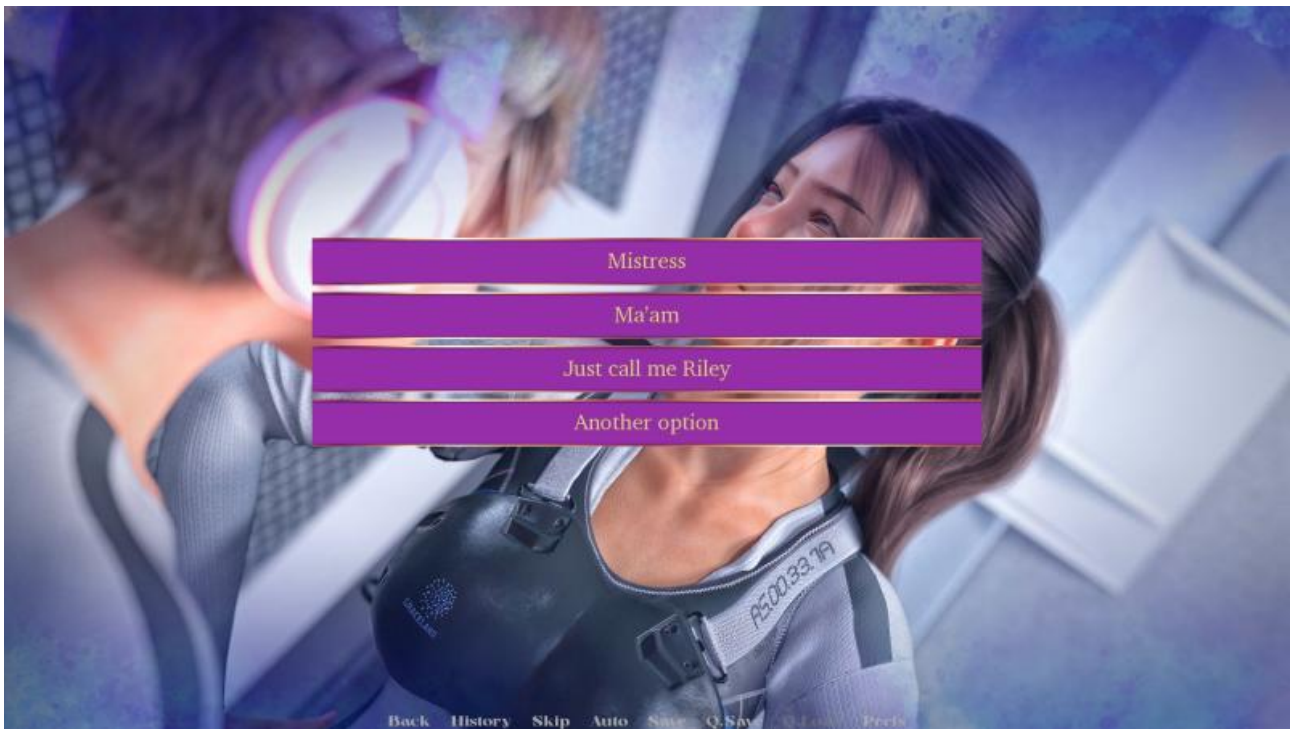

**Greet Sunny** for romancing Sunny in a vanilla lesbian relationship.  
 Use **Wait and Watch Sunny's Movie** to get Sunny in a submissive relationship with MC.  
**Get Out Silently** to avoid a romantic relationship with Sunny.

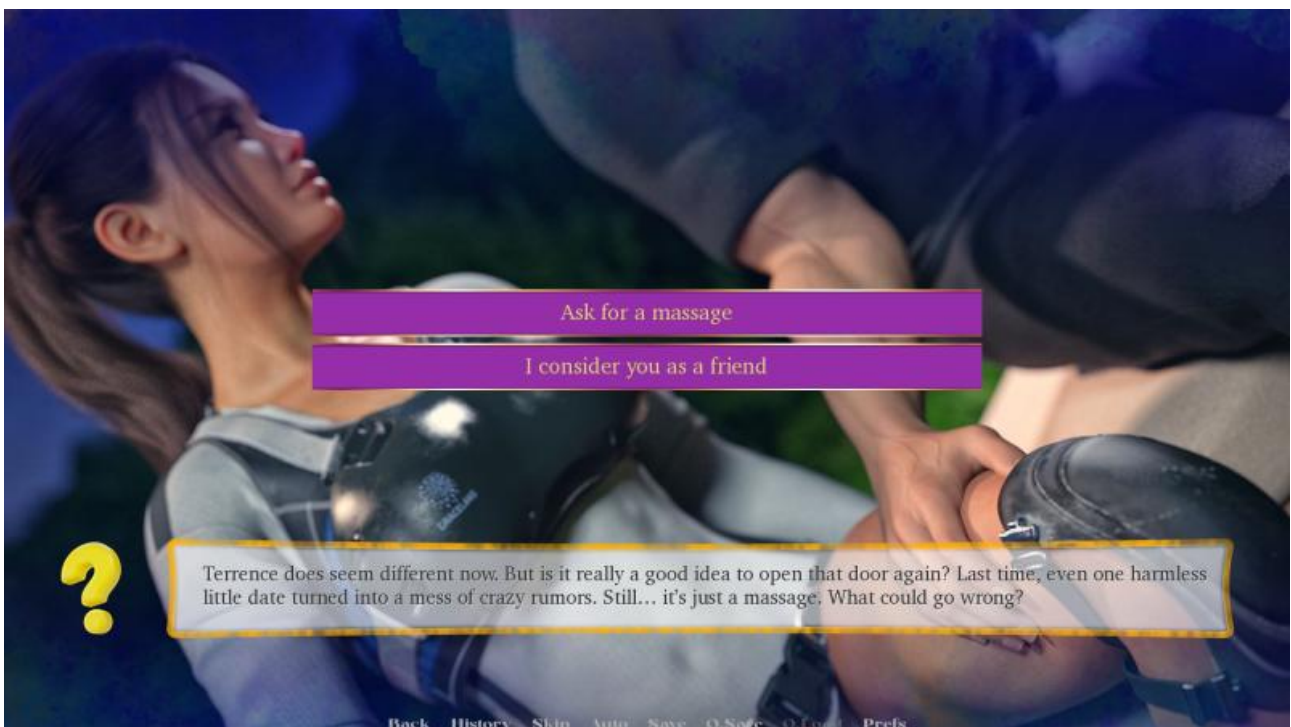

If you stayed with Sunny, you can make a **Joke**, **Mock** her or **Distract** her. Only **Distract** will not ruin a possible relationship with her.

In case of looking at her movie, the submissive Sunny path will open. This will lead to some other scenes compared to the vanilla lesbian relationship.

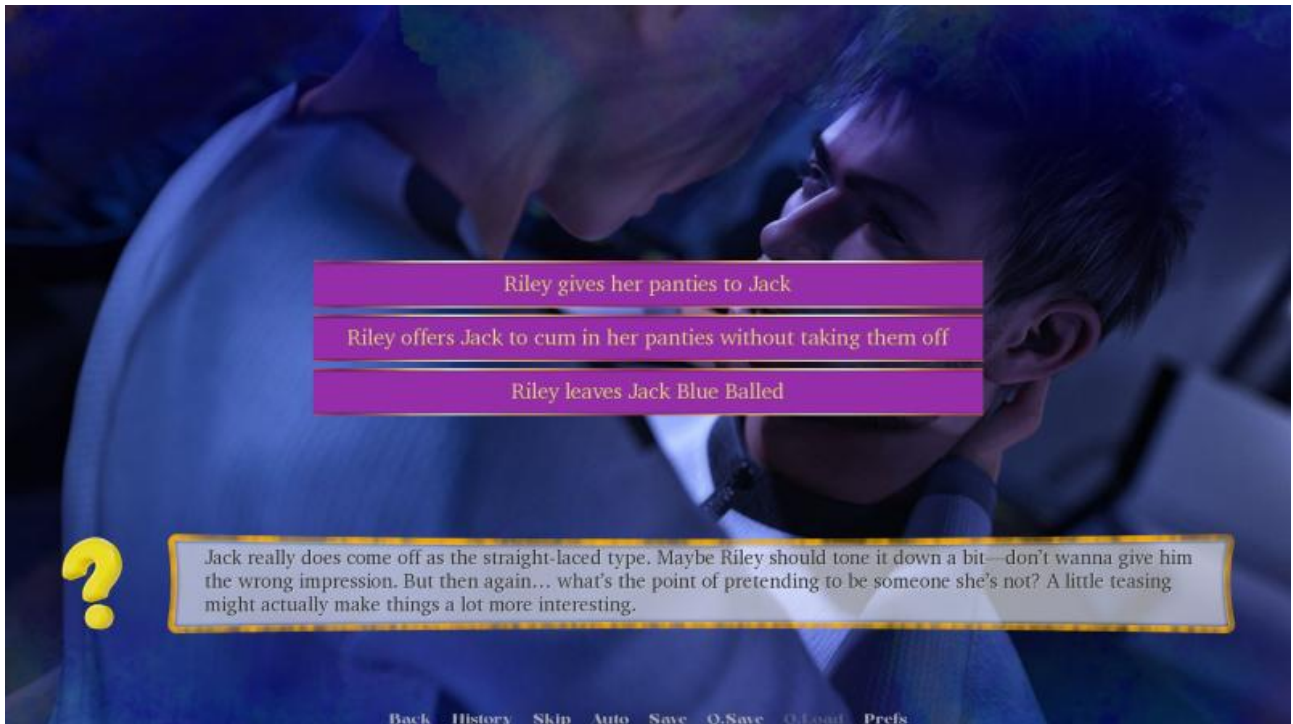

If MC is on the domination romance path with Sunny, nicknames for both sides can be used or created.

To get closer to Terry, **ask for a massage**. If MC is a virgin, this will lead to a nude scene. If not, this opens the chance for a sex scene with Terry. This choice will end Jacks or Sunnys romance, except she is a virgin. Melissa won't care about it. If all anal scenes in the prologue are passed, Terry will have anal sex with her.

Use **I consider you as a friend** to stay loyal to romance Jack or Sunny. This will only work if she hadn't sex with Desmond, already.

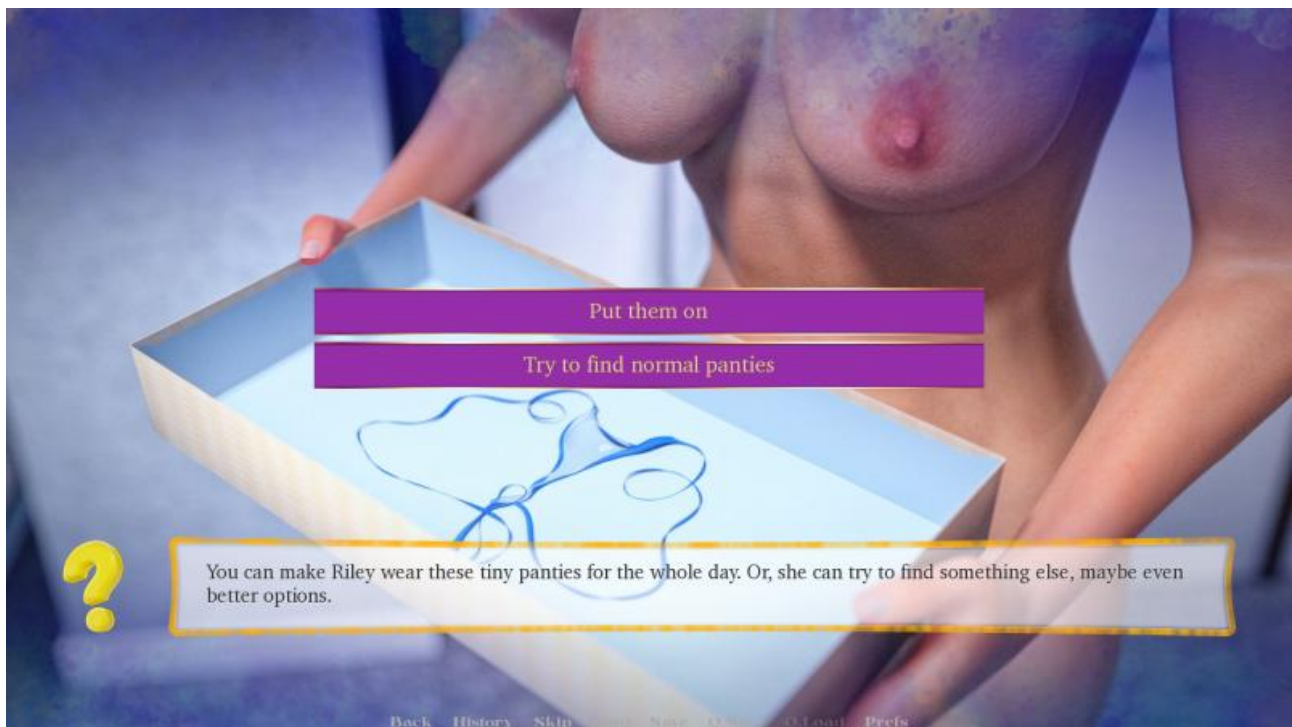

The next choice is only possible when MC didn't had sex with Desmond and Terrence before. MC can **give her panties to Jack**, **Offers Jack to cum in her panties without taking them off** or **leaves Jack Blue Balled**. All three choices lead to different scenes (later), but have no negative effect on MCs relationship to him. The first and second option gives a little additional anal play if all anal scenes in the prologue were seen.

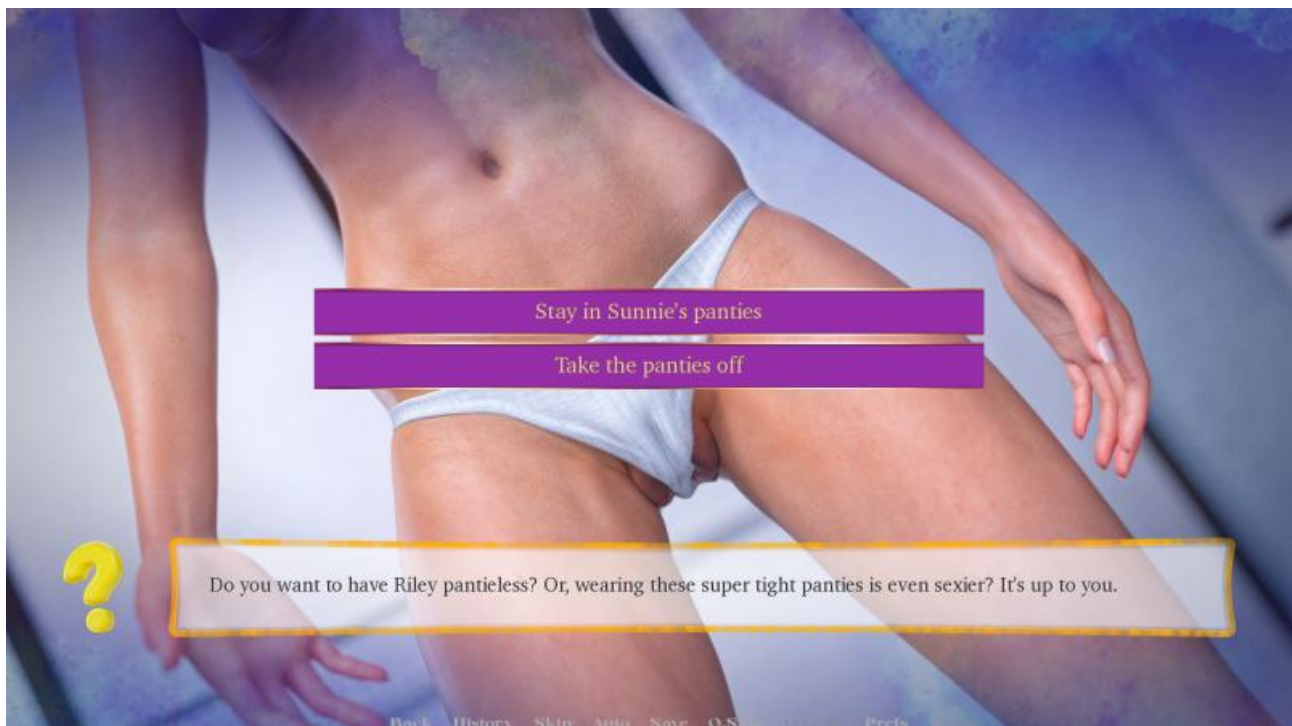

## Chapter 2 – Day Two

Day 2 starts with a new decision what kind of panty MC will wear for this chapter.

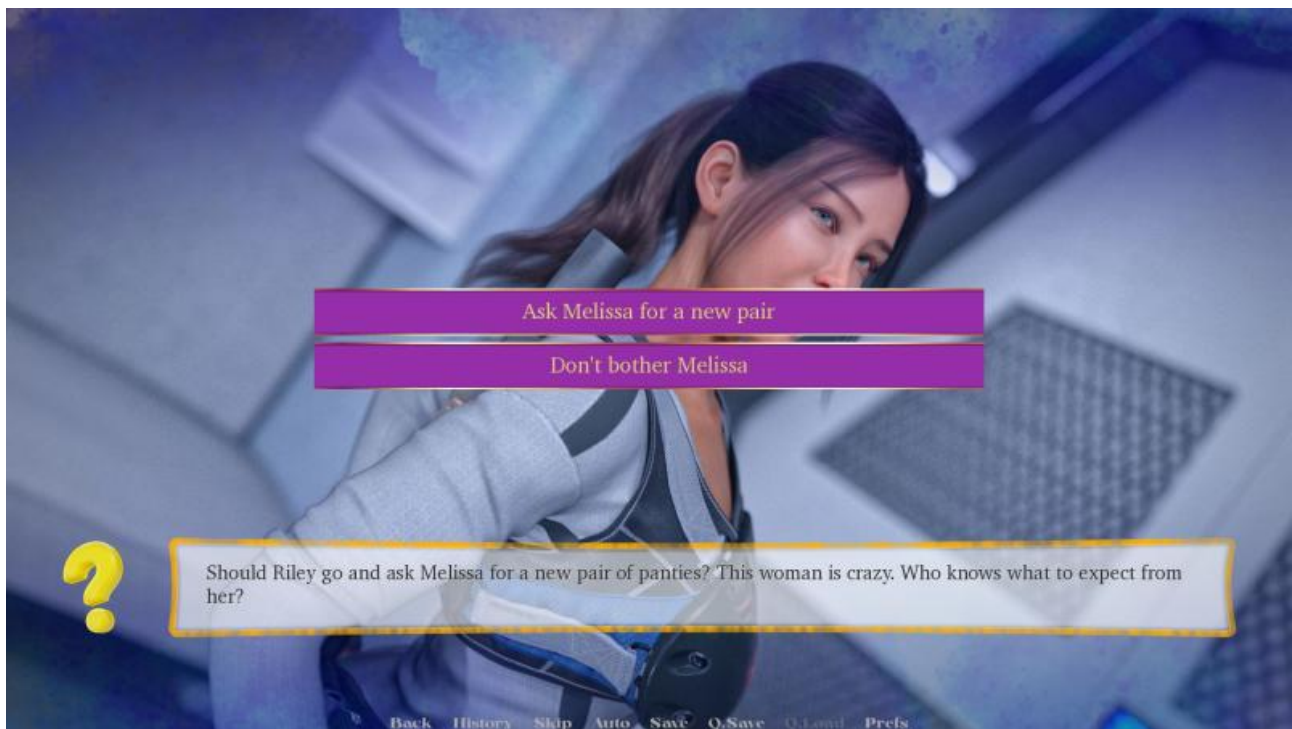

Use **Put them on** to try the tiny panty that doesn't cover the upper part of her pussy.

**Try to find normal panties** opens the path for using Sunnys panties later or walking around without panties.

**Stay in Sunnie's panties** if that is your preference. **Take panties off** to wear no panties for now. There is no way back to the tiny panties.

**Ask Melissa for a new pair** if you want the original panties from day 1 back. This is the last chance to get on a submission romance route with Melissa. Not available when interrupted her with Desmond, before.

**Don't bother Melissa** for skipping the scene with her and stay in the panties that were chosen before.

**Stop Melissa** to stay loyal to Sunny or Jack and get back the day one panties.

**Ask her to continue** to end the relationships with Sunny or Jack, if they were active. This will allow to continue/enter the Melissa submission romance route.

Staying loyal to Sunny and being her mistress and having seen all anal scenes in the prologue opens the chance to play a little bit more with the buttplug as Sunny is used to.

**Continue pumping** or **Enough** will not affect their relationship and only unlocks or locks an additional scene.

Both Sunny routes offer a little foot fetish scene. Chose **I don't mind** for seeing it. **I am not into foot fetish** skips it.

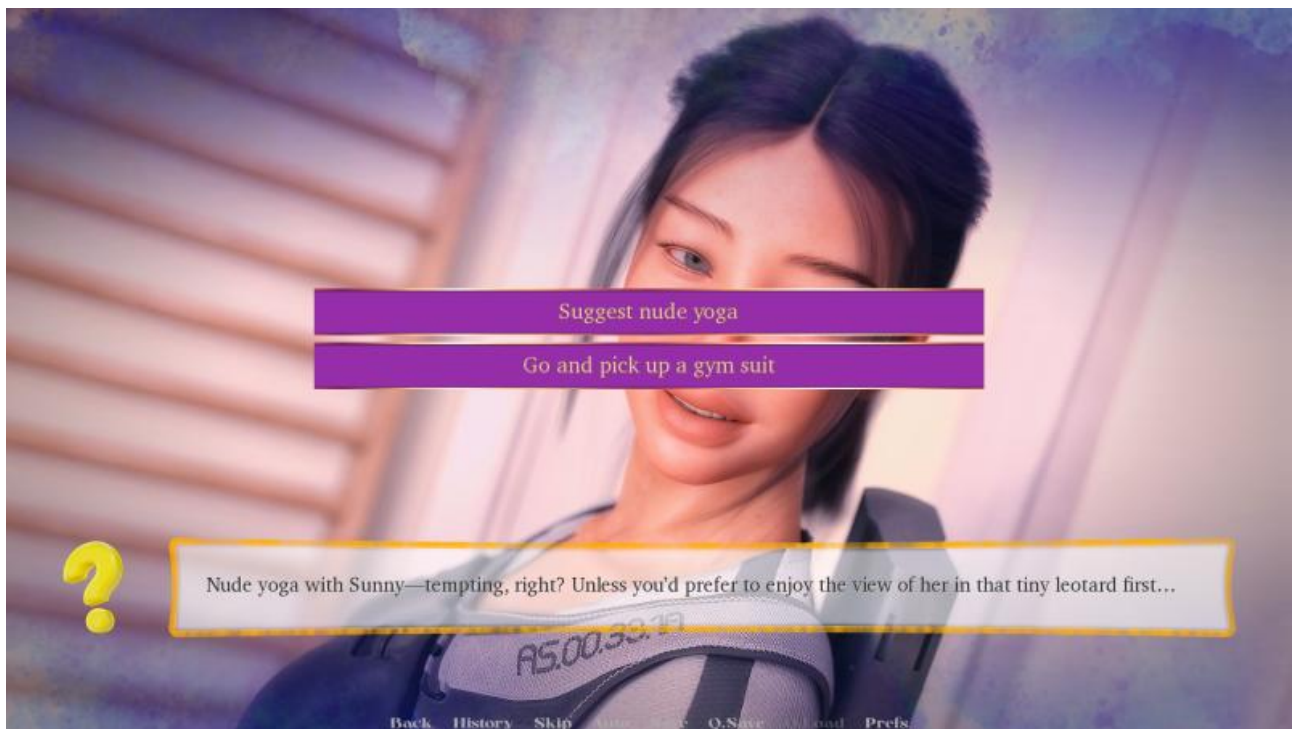

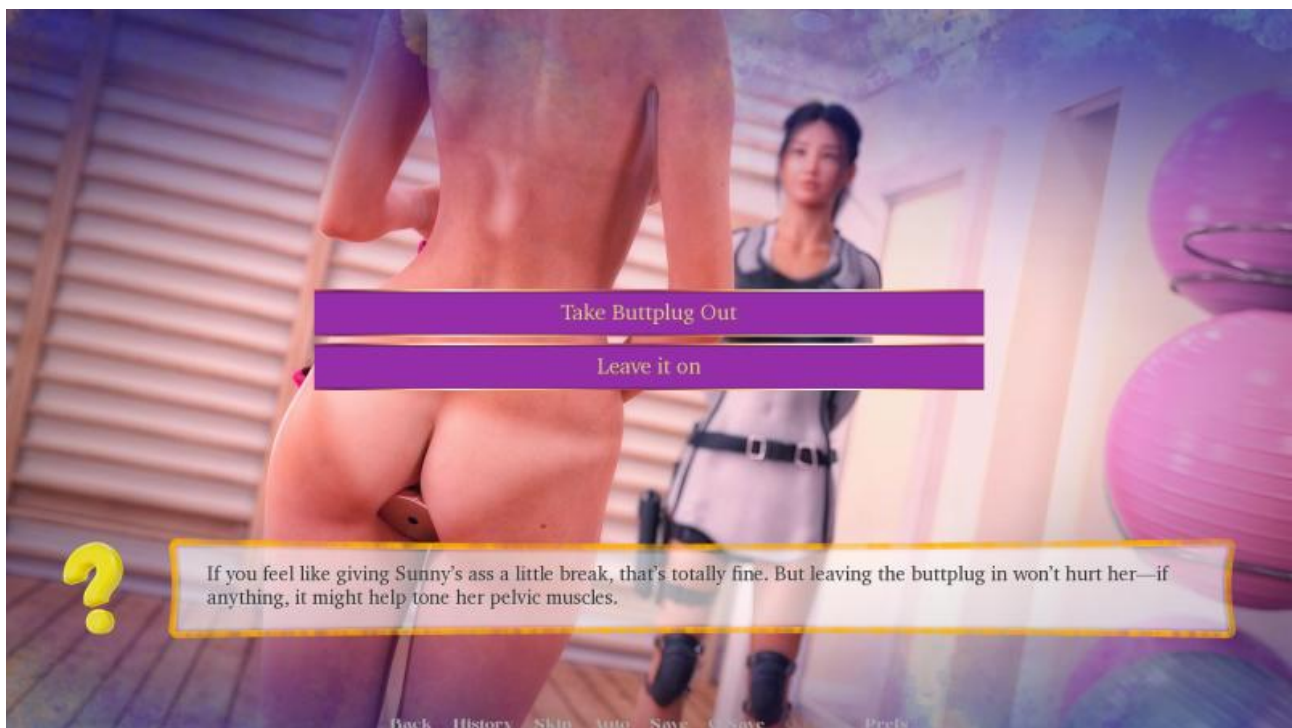

If MC was loyal to Jack he will offer her a massage after some small talk. If he was left blue balled in the last chapter, he will stop, before it comes to sex. This scene can happen, even if she dates Sunny at the same time.

If all anal scenes in the prologue were scene, MC will only use anal sex. If MC is a virgin, she offers anal sex (depending on the amount of anal scenes, that were seen in the prologue), handjob or blowjob (if seen hetero porn in TV room or watched Desmond and Melissa)

If MC is not a virgin and hasn't passed all anal scenes in the prologue, she can decide to finish with vaginal or anal sex.

On the vanilla lesbian route with Sunny, you can pick **Suggest nude yoga** or **Go and pick up a gym suit**. This will only alter the following scenes a little bit, depending on players taste.

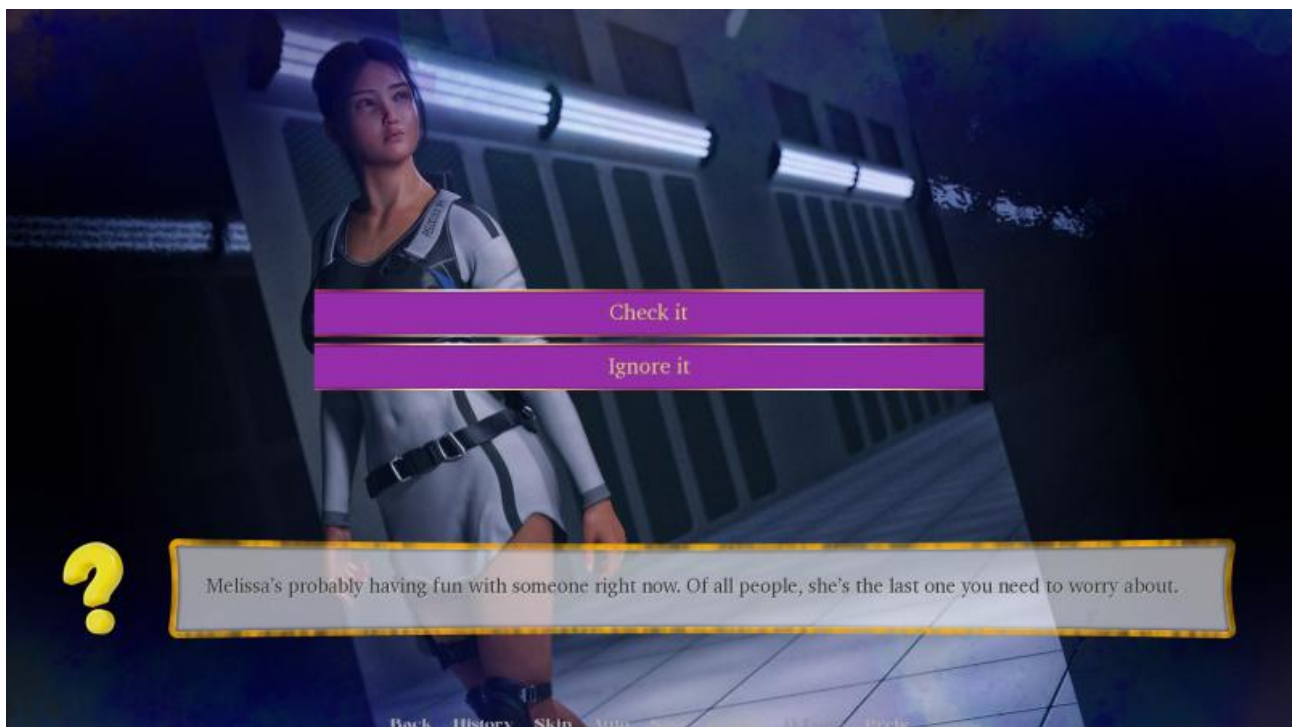

If MC is dominating Sunny, she automatically convinces her for nude yoga. Depending on players taste or gallery unlock, that event can happen with or without butt plug. Use **Take Buttplug Out** for yoga without buttplug or chose **Leave it on**, else.

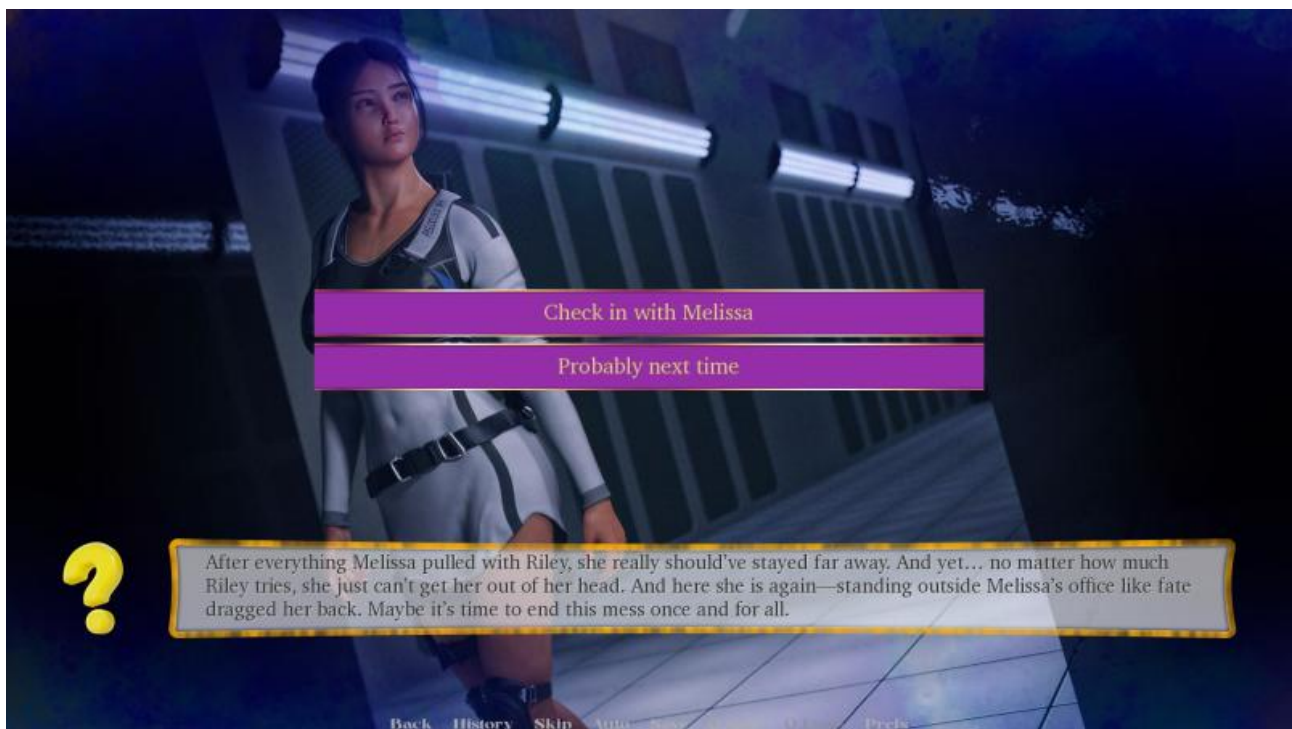

In case MCs didn't change her panties on day one before meeting Terrence, an additional foot fetish scene appear. **Allow Sunny massage MC's feet** of interested of seeing it. Else, **Rather not**.

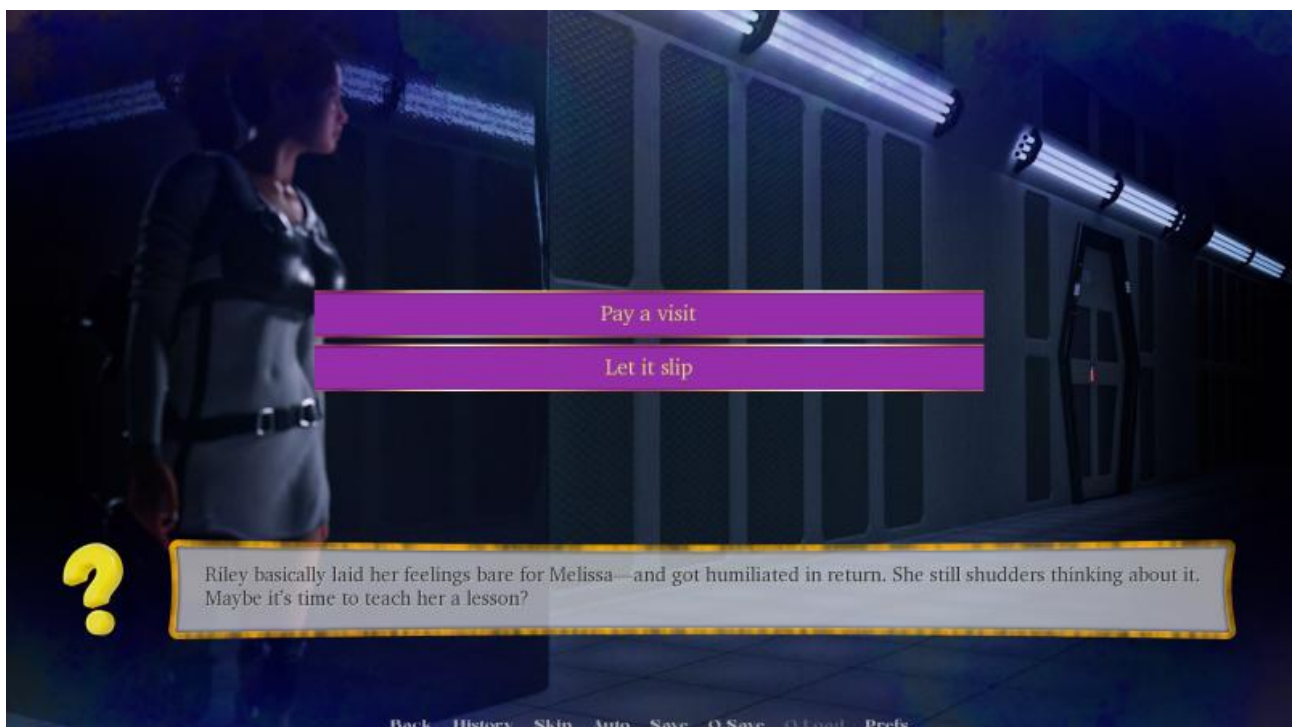

If MC avoided Melissa's flirts until now, she can watch another sex scene between Desmond and her when using **Check it**. In that case she will just leave when they are finished.

If MC was submissive on day 1 or day 2 to Melissa, she can enhance her relationship when using **Check in with Melissa**.

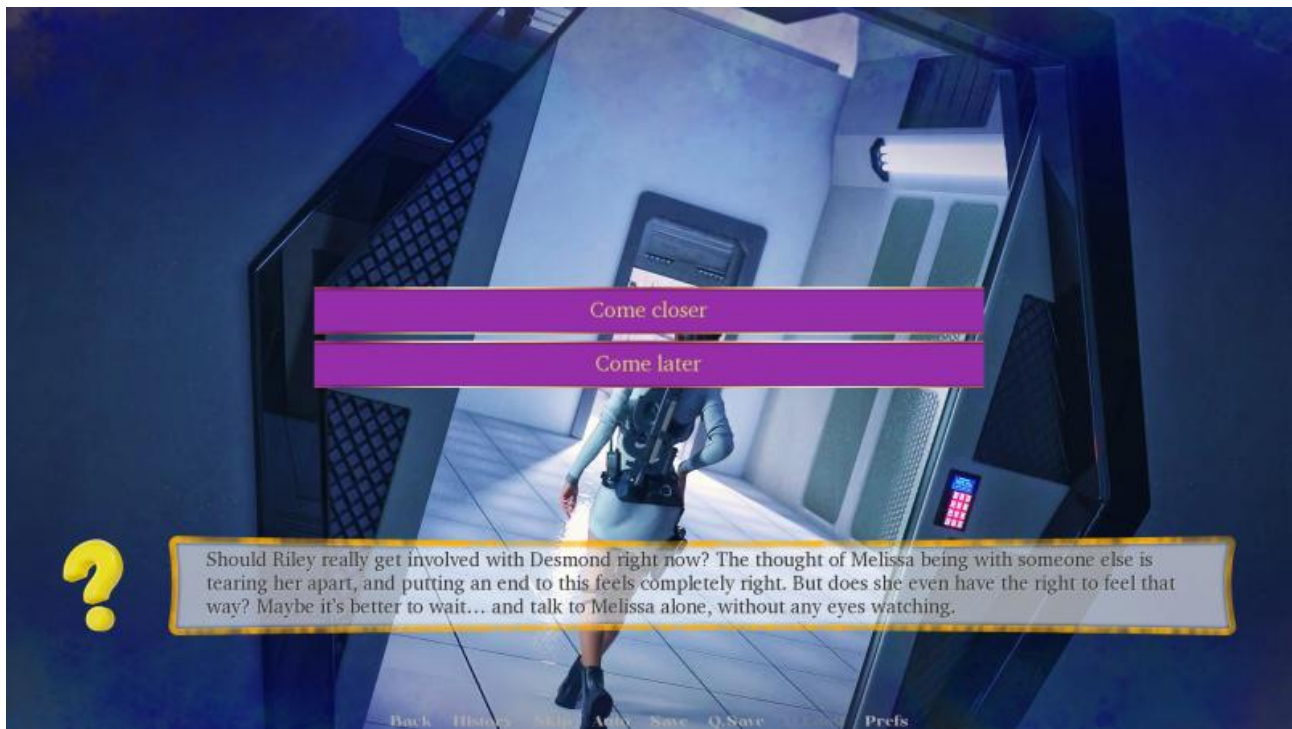

Use **Ignore it** or **Probably next time** for skipping that path or scene.

If MC interrupted Melissas meeting with Desmond at day 1 and saved some dignity, she can take revenge when chose **Pay a visit**.

**Let it slip**, if MC doesn't care anymore and to skip the content.

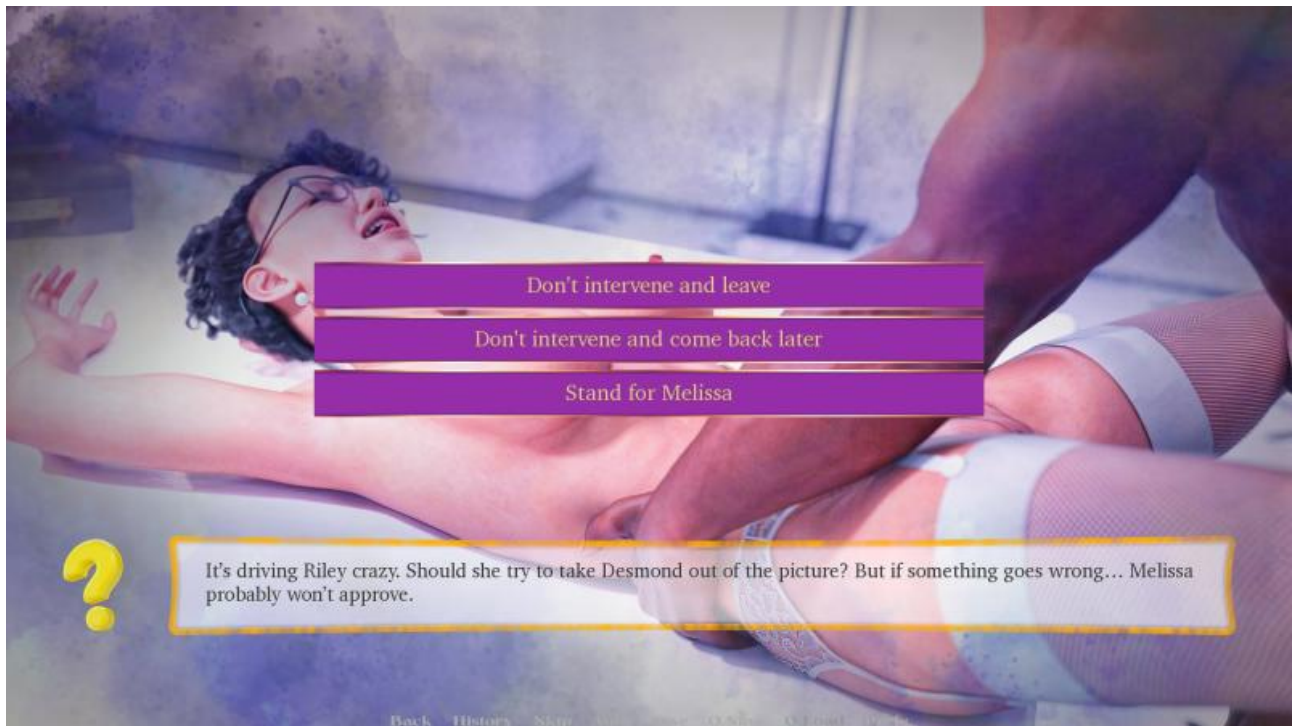

If on a submissive route for Melissa with pure lesbian play style, use **Come later** to avoid non lesbian content. MC can see a sex scene with Melissa and Desmond, when using **Come closer**. Both options are only available if MC tried to romance Melissa before.

From this point on, three different routes are possible, depending on the pre-conditions.

1. Submit to Melissa (submissive scene with Melissa and Desmond)
2. Submit to Melissa with pure lesbian contents
3. Take revenge on Melissa (dominate Melissa with Desmond)

The guide will continue with the first option and continues with the second and third.

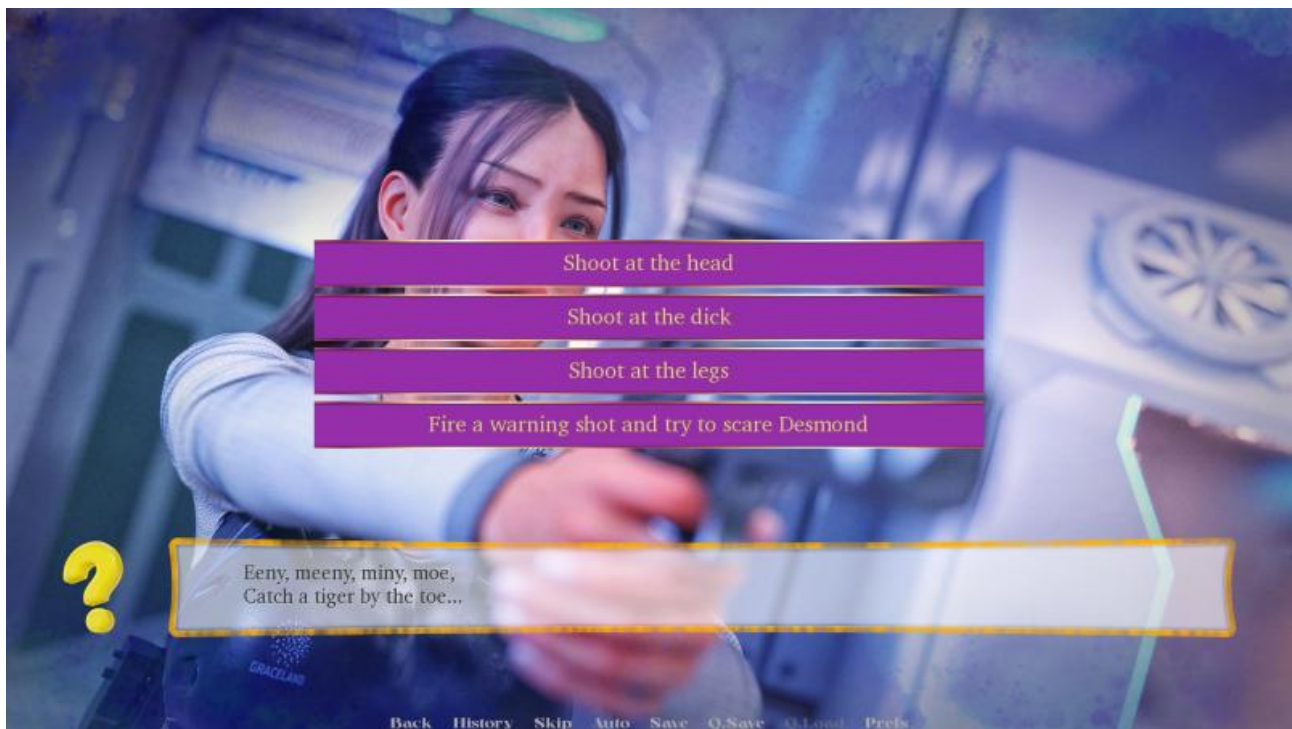

### Submit to Melissa (mixed sex)

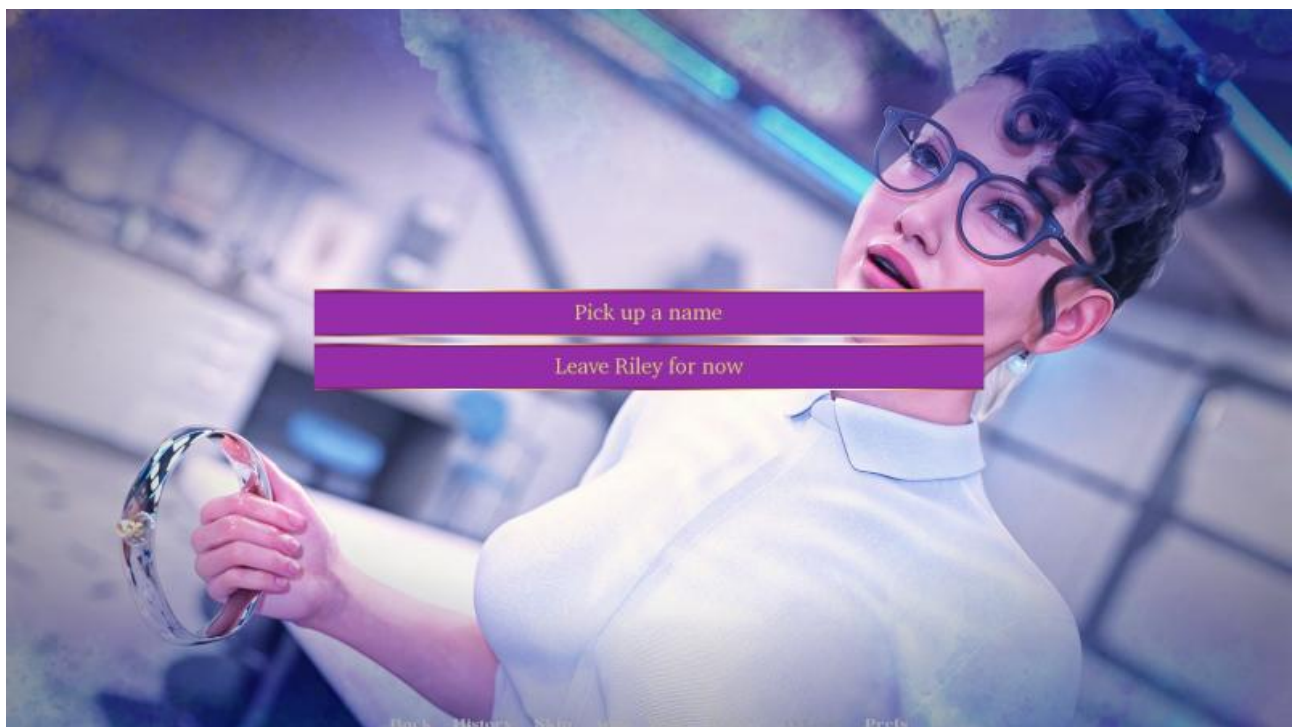

**Don't intervene and leave** for avoiding more sexual content with Desmond, and end the romance route for Melissa.

**Don't intervene and come back later** for avoiding more sexual content with Desmond, but staying loyal to Melissa. (enters the submissive pure lesbian content path for Melissa)

**Stand for Melissa** for threesome with Melissa and Desmond, with active Melissa romance submission route.

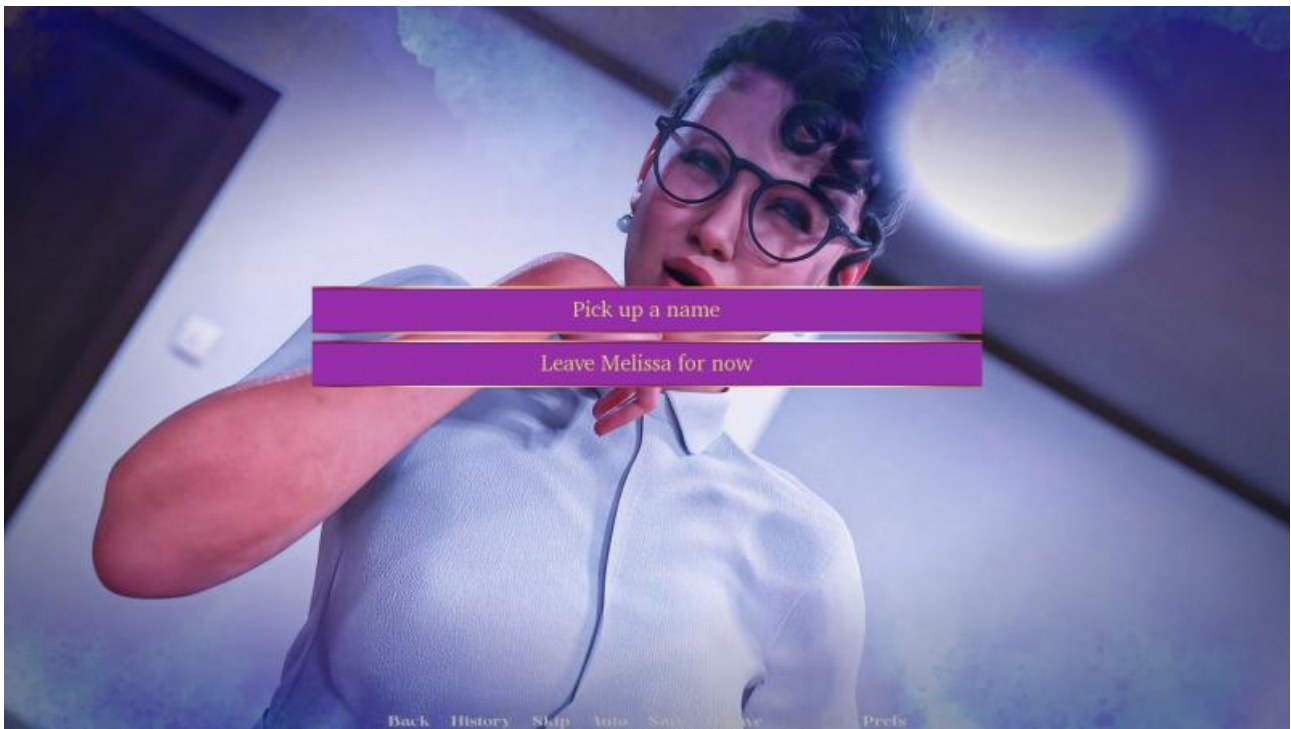

If MC interrupts the scene with Desmond and Melissa, she can try to intimidate him. The choice actually doesn't matter. It won't affect the next scenes.

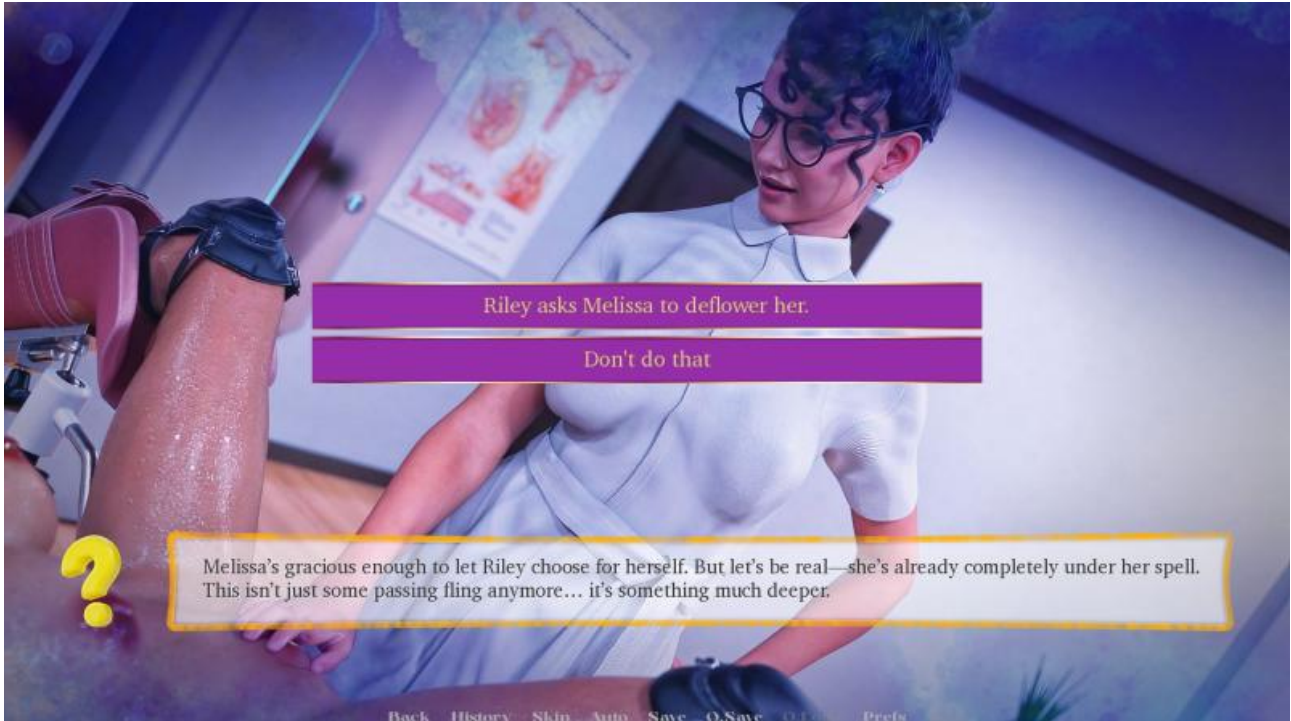

### Submit to Melissa (pure lesbian path)

If MC avoids Desmond and came back later, Melissa will officially turn her to her pet. Nicknames are possible with **Pick Up a name** or **Leave MCs name for now**.

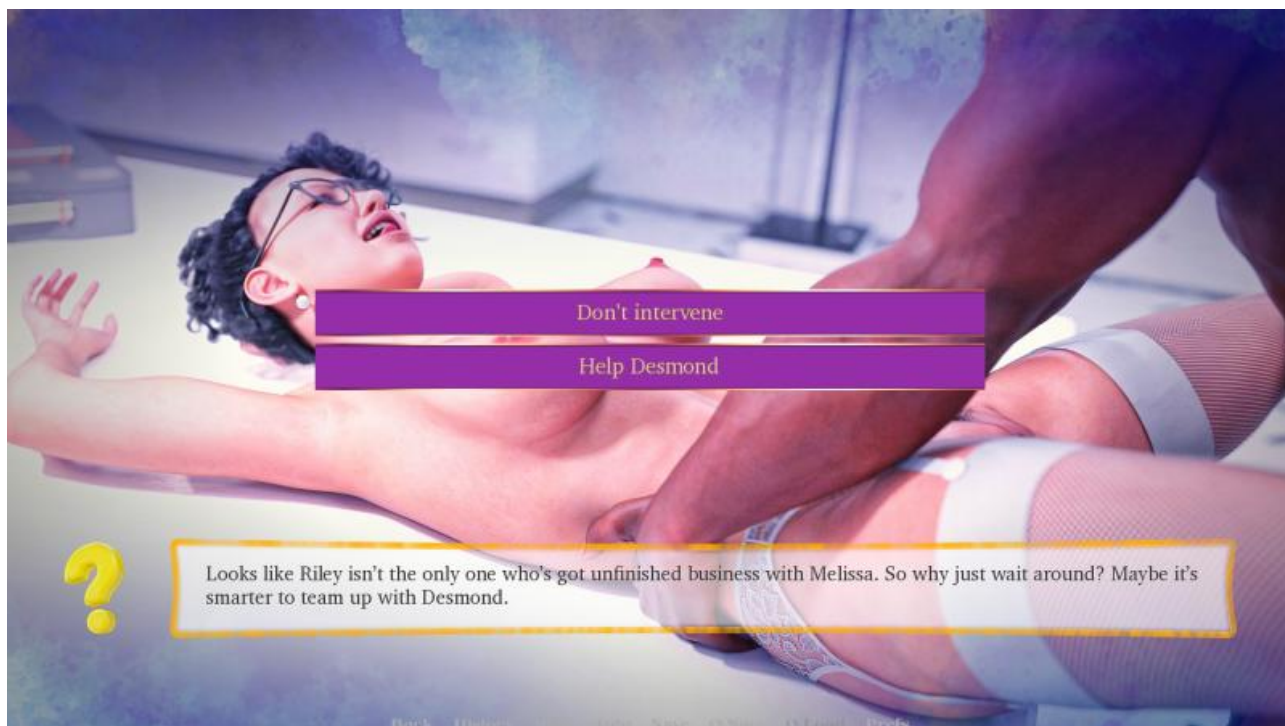

A few scenes later Melissa can also get a new mistress name, when **Pick up a name**. Else, **Leave Melissa for now**.

If MC is still a virgin, she can ask Melissa to deflower her when using **MC asks Melissa to deflower her**. If MC should keep her hymen (for now), use **Don't do that**.

### Dominate Melissa (revenge path)

If MC saved some dignity in the last meeting with Melissa she can dominate Melissa with **Help Desmond** or skip that content with **Don't intervene**.

If all anal scenes in the prologue were scene, the sex scene will focus on extreme anal content.

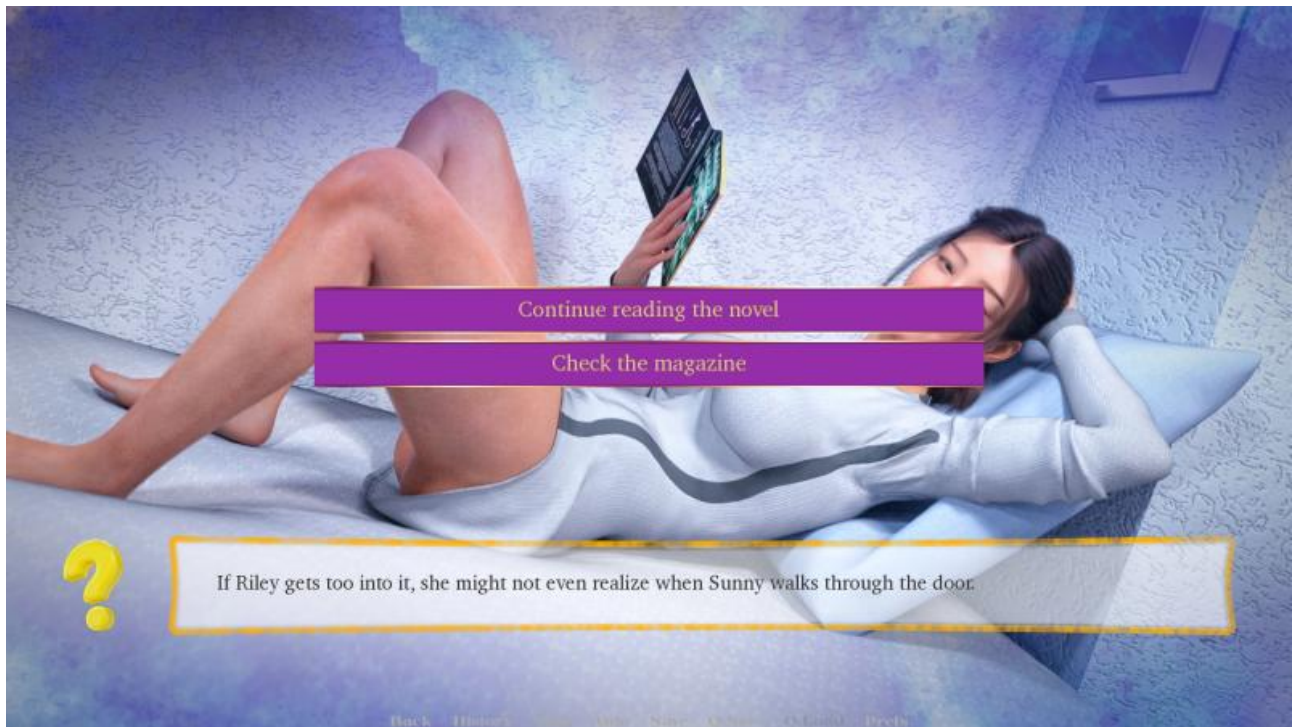

This path will end day 2 without a romance option. There might be more to see in the next chapter.

In case MC tries to date Sunny and Jack at the same time, she will lose both at the end of chapter two.

If she stayed loyal to Jack, Sunny might be sad about it, but accepts it.

If MC decides for a Sunny or Melissa romance, she gets an additional scene at the end of day 2, if she took the lesbian magazine.

**Continue reading the novel** when to skip a small additional scene with Sunny, in case she is MCs love interest. Else, **check the magazine** she found in the 2<sup>nd</sup> level and have an additional scene with Sunny, if she is MCs love interest. Choice is also available for Melissa's route, but scene is without Sunny, obviously.

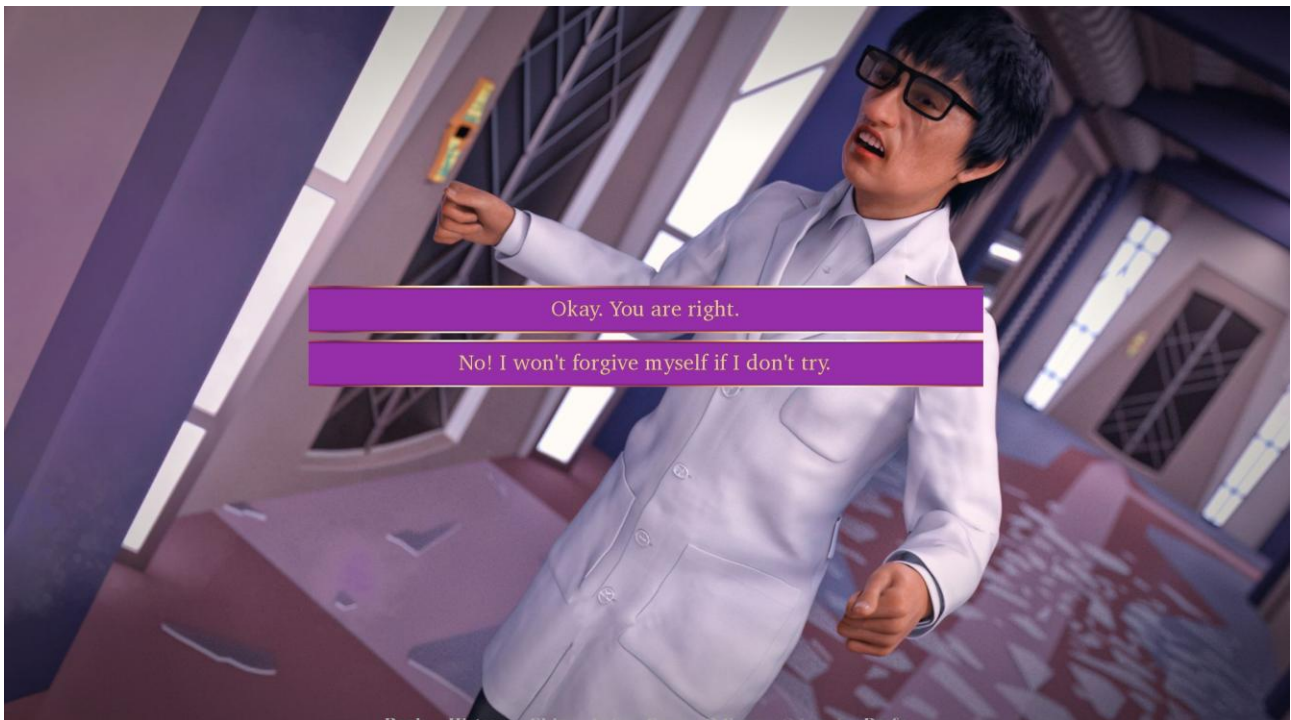

## Chapter 3

On Melissa's route you will have an extra scene in the command center. Riley gets rid of her toys.

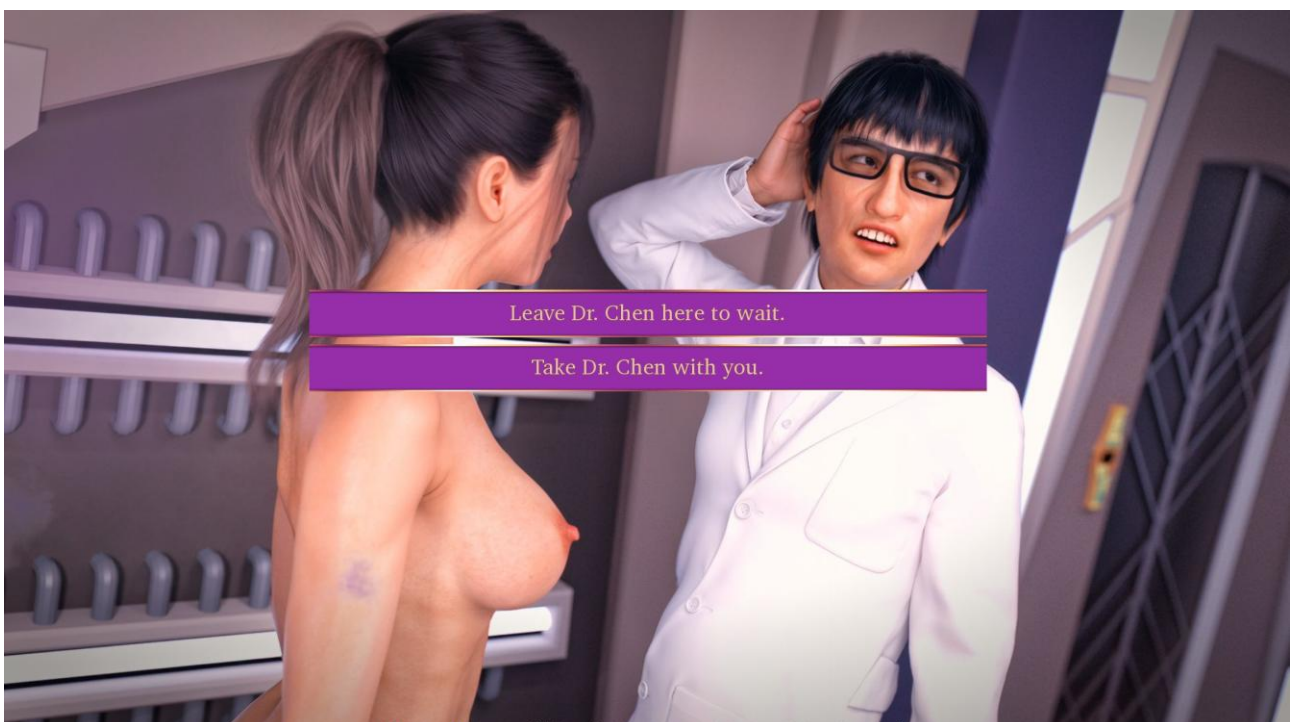

If Riley had sex with Terrence, she'd have nothing left she could use to hook him. She'd have no choice but to take a risk – but there's no chance here: Terrence is just too good and too prepared for it. Also, this leads to the final scene with William in a few months after this event.

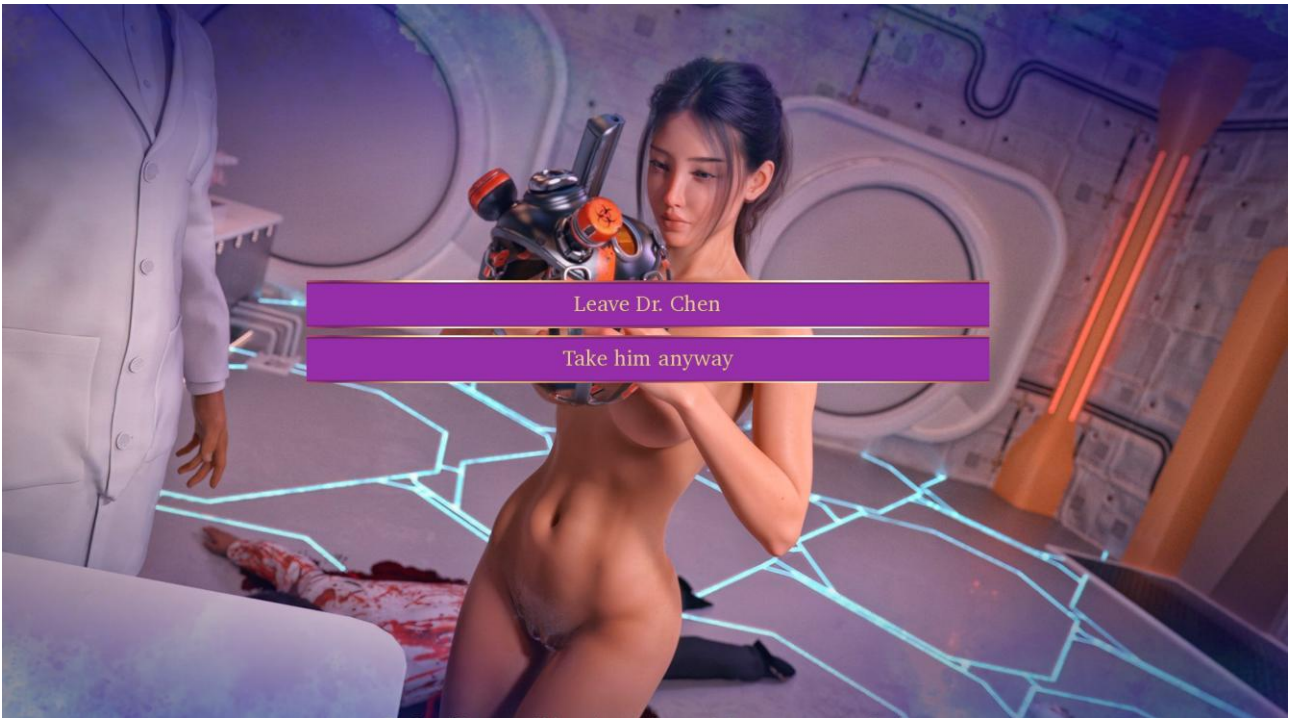

If Riley is on Melissa's route, she won't have this choice: Riley promised Melissa to be careful, so she decides to go out and look for the rescue team.

Otherwise, Riley will have this choice. However, the rescue operation will succeed only if Riley is in love with either Sunny or Jack.

Leaving Dr. Chen alone is a bad idea. He is scared and won't wait for long enough. He'll leave the lab without Riley.

Again, take Dr. Chen anyway. Otherwise, he won't wait.

If Riley is in love with Sunny or Jack, she will save her love interest and they will successfully leave the underground lab.

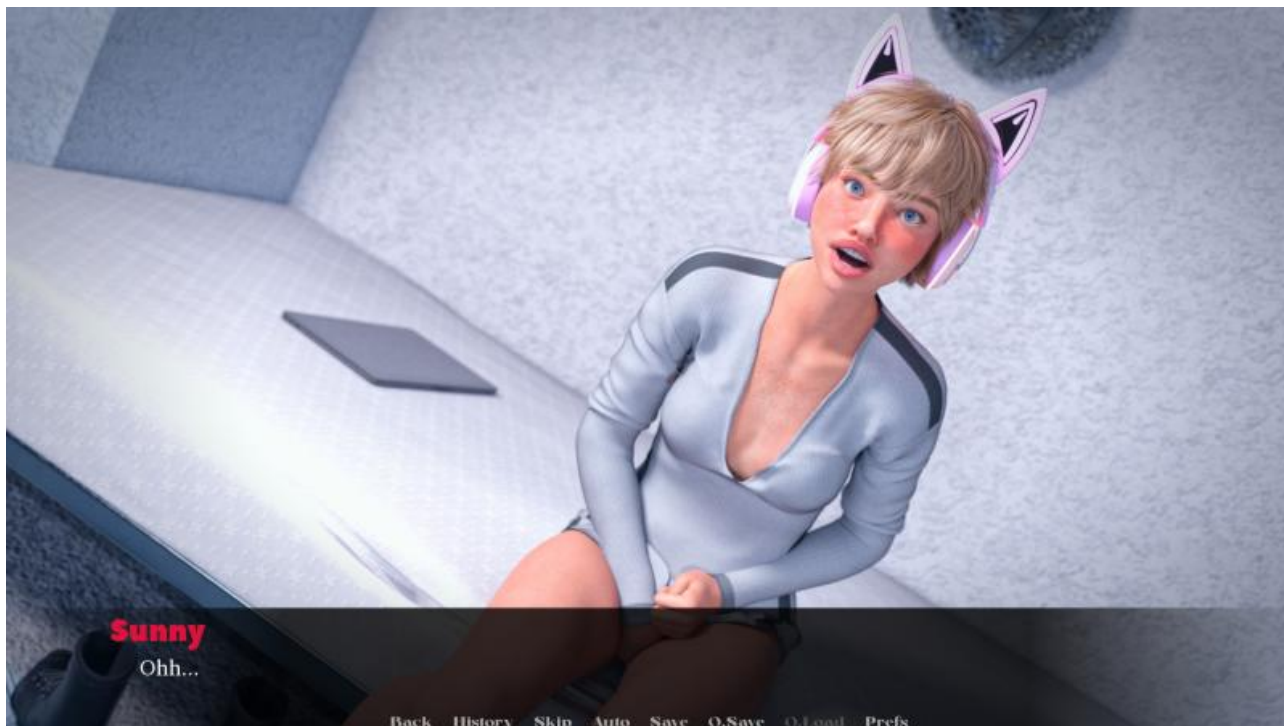

## Romances & Sex

The game offers different romances and sex scenes. Depending on choices regarding anal content sex scenes sometimes allow the choice between vaginal or anal sex. If all three anal content scenes were passed in the prologue, this choice will not appear.

If MC is a virgin choices are limited or will offer an alternative scene instead. (handjob, blowjob, anal)

### Sunny

For dating Sunny players have to compliment her on day one. If players don't want her, but Jack (for example) look away when she offers a clear view at her panty.

After that, it is important to visit her at the gym before she visits the TV room. This way she gets wet and have to change her panty, later. If this option was missed, she has to watch Melissa and Desmond having an intimate session.

Only in this state she has a reason to visit her room and catching Sunny in an embarrassing situation. From this point, players can have a vanilla relationship with her or in case MC decide to see what kind of movie Sunny watches, players can make Sunny to a submissive love interest. This will affect some scenes, but not hurt their romance.

If MC is a virgin, she will be extra delighted about the fact, but will also crushed in case MC will give her virginity to Melissa. In case of MCs virginity, sex scenes with Sunny will not try to deflower her.

Sunny will not accept it, if players date Jack at the same time and will eventually break up. Same goes for if MC is on Melissa's route. Of course, if MC had sex with Desmond or Terrence, she will hear about it and break up with her.

## Jack

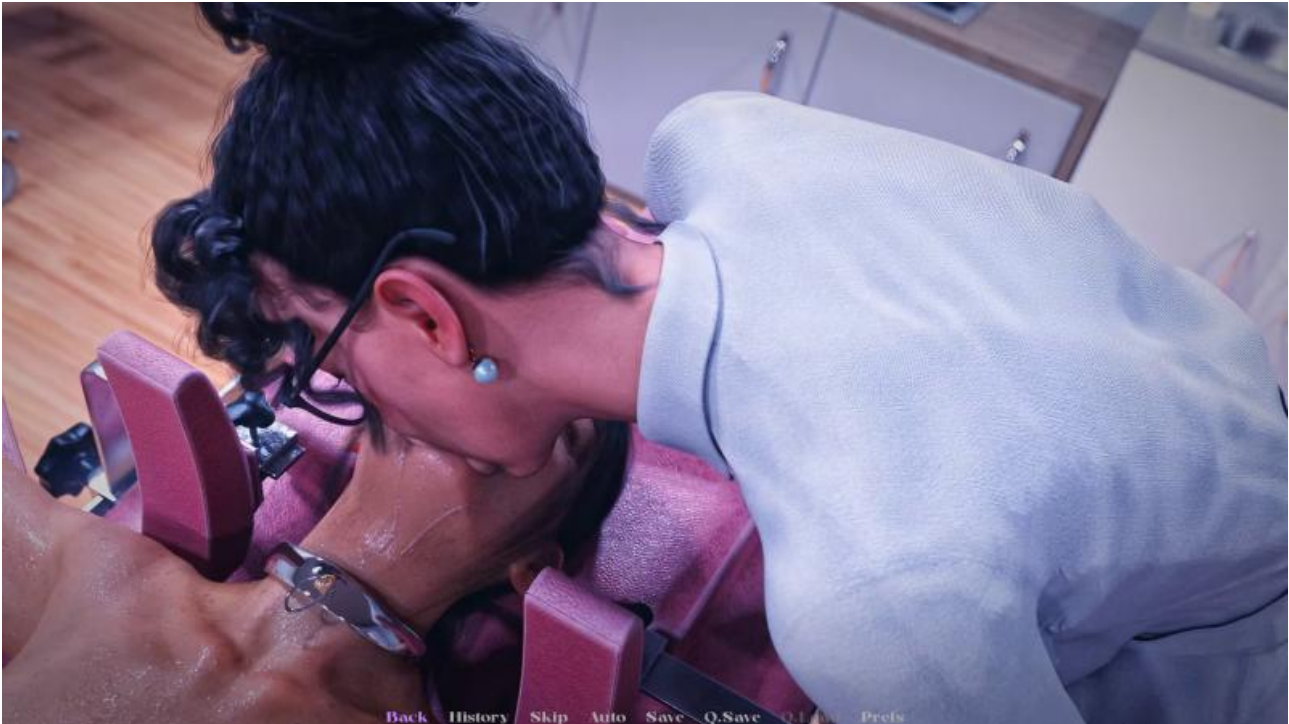

For having a relationship with Jack, MC have to tell him about his brother in their first meeting and let him console her. After they kiss, romance route with Jack is activated.

From that point on, players can harm the romance when they leave him blue balled after their first shift in the control center. This won't stop the romance, but will decrease the length of scenes with him. Everything else will lead to sexual content with him.

He will notice when MC tried to have sex with Desmond, Terrence or Melissa. He will break up eventually. It is possible to get all the scenes with him, when dating Sunny at the same time, but at the end of day 2 he will find out that MC was cheated. Because his last girlfriend was cheating on him too, he will not accept that and end the relationship.

Jack will be happy in case that MC is a virgin, but is hoping to pop her cherry soon. He will behave and sex scenes either lead to anal sex or other sexual content he can do without deflowering her. (boob job, blowjob, handjob, pussy job)

## Melissa

Melissa is a third romance option for those who are bored with conventional romances. Dating her requires a submissive route. Players either need to interrupt her with Desmond on day one or ask for new panties on day 2. From that point on MC can be dominated by her. Players can decide if this will happen with a threesome with Desmond or as a pure lesbian route.

There is also the option for MC to dominate Melissa, if she saved some dignity after she interrupted her and Desmond one day 1. She can take her revenge at the end of day 2 when Melissa is again with Desmond. This path doesn't lead to a romance with Melissa or any other character, but gives some additional content.

Melissa will be amused if MC is still a virgin and offers to deflower her. Since she is very playful, she will make it an unforgettable experience for MC and won't take the first opportunity for that. For taking MC's virginity on day 2, players have to lead her on a submissive pure lesbian path without Desmond. Still, MC can deny that offer any time and keep her virginity for now.

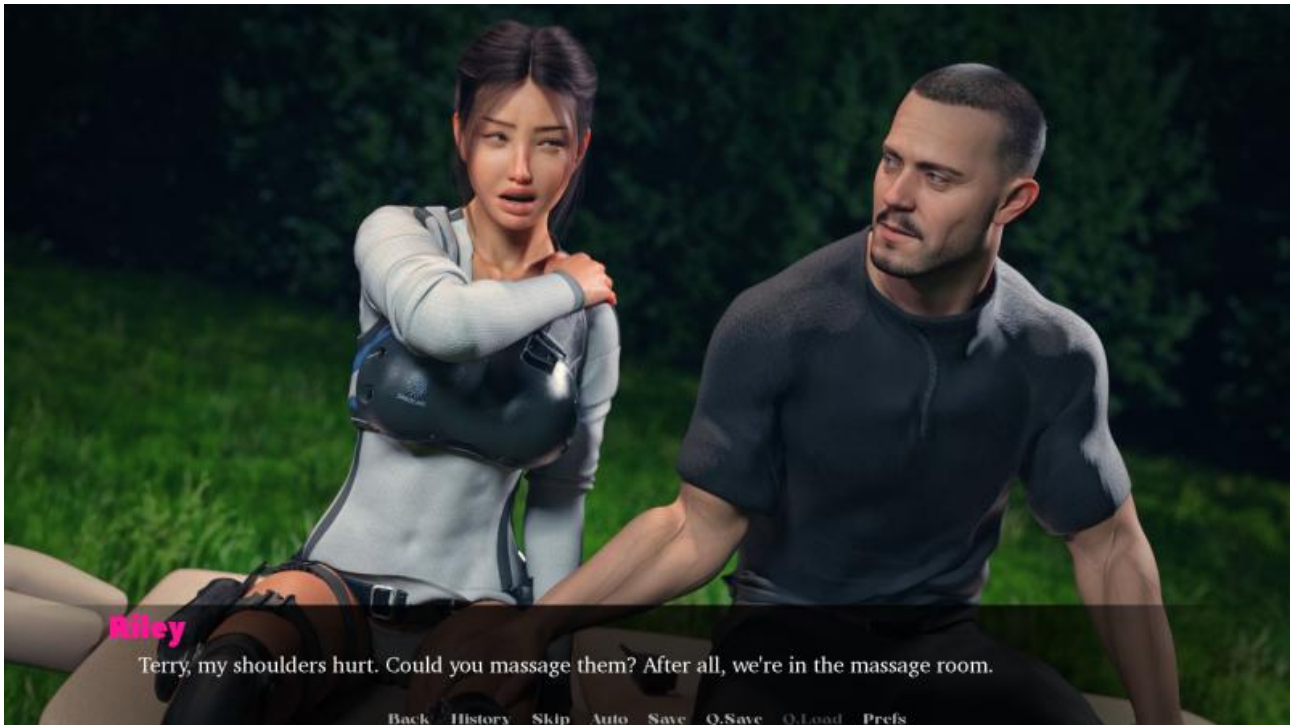

## Desmond

Desmond doesn't care about long term relationships. Because of that he is only interested on sex with MC. Having sex with him will make other romances except Melissa unavailable.

MC will refuse sex with him when she is a virgin.

## Terrence

Terrence had a date with MC a few years ago, but it didn't go as he hoped. That's why he still hopes for a second chance with her. Still, deciding give him the second chance will end other romances, except Melissa's.

Terrence will not succeed to having sex with MC, if she is a virgin. This will save her relationship with Sunny
