## INTRODUCTION TO PART 3

---

### Replay Menu

---

The game includes a replay feature, which is accessed through the "replay menu" option in the top right. This shows all the main events in the game.

The replay menu allows you to see if there is any content that you have not seen yet, and it also allows you to replay all the events that you have unlocked. You can sort the replay menu by event or by character.

This can help you find particular scenes, or help you identify events you haven't unlocked yet. This part of the guide provides information about how to unlock and complete all of these events.

**Note:** This guide is presented in the same order as the "event" listing, not the "character" listing.

### Accessing the Replay Menu

---

The replay menu is accessed through the replay menu button on the main game screen. The red arrow shows the location of the button:

## Quick Codes

---

Several parts of this guide use short codes e.g. [SFC01] to refer to other parts of this document. You can see these codes beside the heading of each section. You can do a search on this code (include the square brackets) to jump directly to that section of the guide. Most of them are hyperlinked so you should be able to click on them to jump to the relevant section of the document instead.

Please note that some codes will refer to sections in a different volume of this guide. If you are using the complete version of the guide (which includes all 5 volumes) then this will not affect you. However, if you are using separate volumes, then some of the links will no longer work and you will have to do a manual search.

## LIST OF ALL EVENTS

The following table shows all the events that are currently in the replay menu. They listed in the same order as the replay menu. This will help you quickly find an event, even if you have not currently unlocked it.

Events in **blue** are those that you can unlock in Chapter 1, and events in **gray** are events you can only unlock in Chapter 2. Please note that in most cases, you do not have to unlock an event in Chapter 1: you can start Chapter 2 and still unlock most Chapter 1 events.

However, there are a few events which you cannot complete in Chapter 2, and if you wish to see them, you **MUST** complete them during in Chapter 1. These events are in **red**.

## The Introduction

---

### Introduction Events

---

There are 7 introduction events in the replay menu. These events will all happen if you select "play intro" when starting a new game. They will automatically unlock if you start a game from day 2.

### Sarah on Stage

---

This section gives some background. It explains the new punishment method that (future) Headmaster has designed. At the end of his presentation, he meets Mr Mykock and is offered an interview for Headmaster of a new school that uses corporal punishment.

### The School Tour and Job interview

---

You are introduced to Samantha, your PA. You are shown the school and introduced to some of the staff. Mr Mykock then offers you the job of Headmaster.

### The Water Balloon

---

You start work as Headmaster. When you start, you should click on your desk drawers. You will then find a ruler that you can use later. Click on the "campus" button at the top right. This will take you to the school map screen. Click on the "classrooms" building. Samantha will give you a quick introduction.

You can click on the girls in the corridor and you will speak to them. Click on the classroom door and the end of the classroom and you will be asked if you want to teach your first class. Choose yes.

During the class you will be given some information about the various stats you have to manage: grades, discipline, popularity and horniness. You will then be asked how you wish to introduce yourself. If you choose to be strict, you will get some discipline points. If you choose to be relaxed, you will get a popularity point.

Afterwards, you will investigate the English classroom. You will find that Debbie, one of the students, has thrown a water balloon at Miss Potts, the English teacher. You agree to give Miss Potts some training to help manage her class. This unlocks your first staff quest.

Afterwards, you can click on the girls in the corridor and speak with them. If you speak with Alice (the girl beside the vending machine) then you will get +1 popularity.

### **Sally in the Men's Room**

---

Click on the campus button to go back to the school map. Click on the Sports Center. You can click in the people in the corridor and speak to them. Click on the male changing room door and you will be asked if you want to change and coach a sports lesson. Say yes.

You will then see Sally, the sports teacher. You can choose to cough, or stay silent. If you cough, you will see Sally's bare breasts. During the lesson, you will be introduced to some more of the girls.

### **Debbie gets Spanked**

---

After school, you speak with Mr Mykock in your office. He explains that you will receive additional payments for spanking the girls. You will then give Debbie her first punishment.

This punishment will help to explain the punishment system to you. Remove her clothing, then position her with hands above her head and do a body search. You will find out Debbie's weakness: that she has repressed lesbian tendencies.

Position her bent over the desk and do a hand spanking and then a ruler spanking. Position her over Miss Newman's knee and do a hand spanking. You will try to confiscate Debbie's non-regulation underwear, but Ruth Thomas will stop you. Massage her buttocks. You will then get a message saying that you have raised Debbie to level 2.

### **Spying on the Girls**

---

After Debbie's punishment, it will be evening, and you will see the night version of the school map. Click on the classrooms, and then click on the Science classroom on the right hand side. You will speak to Miss Chang, who asks you to purchase some new equipment for her. You can choose to think about it, or to say that you agree with the old Headmaster. In both cases, Miss Chang promises to support you at the school board if you help her. You will unlock Miss Chang's staff quest.

Click on the dorms. You can speak to the twins (who you met during the soccer match) and the security guard, Maria Consuelo. Click on the door to the bedroom area. Maria will say that you are prohibited from entering the bedrooms. You then decide to sneak around the back.

You can choose whatever options you want. But to see the most content, click on the first window, where you will hear three girls gossiping about the day. Choose to move on. Choose the second window, where you will see Debbie

talking to her friend Cassandra. Choose to keep listening and Debbie will try to make out with Cassandra.

Spy on the third window. Try to open it. You will then see some of the girls in the shower. Choose to leave.

*Note: if you did not pick up the ruler in your office earlier, you will not be able to spy on the shower, because your detection meter will fill up.*

### **The Dream**

---

You will then go to bed and have a dream about Sarah, who helped you during your demonstration at the start of the game.

## Staff Quests: Miss Chang [SFC]

---

### [SFC01] Miss Chang's Formula

---

Once you have \$500, buy the "Upgrade science facilities" from the Upgrade Facilities option on your computer. In the evening, talk to Miss Chang in her classroom about the New Equipment. This will give you +1 Influence point.

Mr Mykock will visit you the following morning and give you a warning. During the day, visit Miss Chang's classroom. You will then see Miss Chang's clothes dissolving solution in action.

### [SFC02] The Interview

---

Once you have unlocked Miss Chang's Formula ([SFC01](#)), visit Miss Chang in the evening again and ask her for "further help with the board". She will say she wants a lab technician. The following day, use your phone to call Sam into your office and talk about the New Technician. She will tell you that she needs 3 days.

On day 4, call Sam back into your office and ask about the Lab Technician. She'll say she's found 2 candidates, who you can interview.

*Note: Sam needs 3 days, not 3 working days, so if you ask Sam on Thursday you can hold the interviews on Monday.*

To unlock this event, you can select either candidate. But to unlock Trixie's Second Chance ([SFX01](#)), you need refuse Trixie's offer of a blowjob so that you hire Anna instead. In the evening, speak to Miss Chang. She will thank you and you will get +1 Influence Point.

Alternative path: if you accept Trixie's offer of a blowjob, you will hire her as the lab technician. You will then see a scene of Trixie giving you a private dance. You will then need to make her the dance teacher instead. See [XTRA11](#), Making Trixie the Dance Teacher, for more details.

### [SFC03] Little Sally Still Wants to Fight

---

Open the Recycle bin on your computer and read the April 15 entry. That unlocks the Main Quest "If a Headmaster Falls in the Woods" ([QM2](#)).

Complete the "Order to the Chaos" Main Quest and have the Second Dream ([OTH03](#)). Next Friday at the next School Board propose the Corporal Punishment rule that "Corporal punishments may be carried out on students by any teacher regardless of gender".

Speak to Ruth in the Teachers' Lounge during the day and ask about "the old headmaster". Then speak to Miss Chang in the evening and ask about "the old headmaster's password". Miss Chang will say she wants you to play a trick on Miss Newman first.

If you have not already done so, have your initial conversation with Sally on Monday, Tuesday, Wednesday or Friday afternoon. See [OTH10Sally's Lost Keys \(SFN02\)](#) for details.

On Monday afternoon, go to changing room and click on Sally's bag. That evening, Miss Newman and Miss Chang will have a fight and this event will unlock.

#### **[SFC04] Miss Chang's Expensive Request**

---

Complete the Old Headmaster's Safe ([SFR01](#)). In the evening, speak to Miss Chang about "the notes in the old headmaster's safe".

To get the full scene, ask about the "anti-aging treatment". You will then automatically ask about BDSM as well. Tell her that you "wish I could" enjoy your blissful ignorance and she'll warn you about Mycock.

Miss Chang will then ask you to buy a 3D printer. You can agree ("I'm listening"), disagree ("I'm not interested") or tell her you'll want to fuck her.

## Staff Quests: Trixie [SFX]

---

### [SFX01] Trixie's Second Chance

---

Complete the Interview (SFC02) and refuse Trixie's offer of a blowjob. You will then hire Anna. That night, Trixie will come to your apartment and offer you a blowjob if you appoint her as the new dance teacher. You can accept her offer or refuse it. This event will then unlock.

*Note: If you refuse Trixie's blowjob, then in the morning you will get a phone call from Mycock, who tells you that he has hired Trixie as your dance teacher anyway.*

### [SFX02] Trixie's Special Relaxation Techniques

---

Hire Trixie as the dance teacher, either after Miss Chang insists she is sacked as the lab assistant (XTRA11) or during Trixie's second chance (SFX01). Visit her apartment any evening. You tell her you came to see how she is doing. She then offers to let you talk about your problems while she plays with your cock.

*Note: if you hire Trixie as the lab technician during the interview (SFC02) but have not yet made her the dance teacher (XTRA11), then you cannot visit her apartment.*

## Staff Quests: Miss Potts [SFP]

---

### [SFP01] Spanking the English Teacher

---

During the evening, visit Miss Potts' apartment. You can visit her any night (including weekends) except for Wednesdays. You will have an initial conversation where you agree to give her additional training.

You will then need to visit her another 6 times, and choose "continue training". The first 4 lessons will involve you discussing (in order) her need to show confidence; classroom dynamics; the need for consistency; and how she is making progress. The last 2 lessons will involve you giving her a verbal telling off.

After this, you will need to visit her classroom during the day, where you will see her managing to control Debbie. You will receive +1 Influence point. Following this, you will need to visit her in the evening again, where you will say she needs a practical lesson in being spanked. The next time you visit her, you will carry out the spanking.

### [SFP02] Punished by the Books

---

Complete Spanking the English Teacher ([SFP01](#)). In the evening, visit Miss Potts' apartment again. You can do this any evening except Wednesday. Choose to continue her training. You will give Miss Potts another lesson, and this event will then unlock.

### [SFP03] Claire Teaches Faye a Lesson

---

Complete Punished by the Books ([SFP02](#)) and pass the Very Strict Uniform Policy (which allows you to confiscate clothing).

*Note: to unlock the Very Strict Uniform Policy you will need to raise Debbie to punishment level 4 and then touch her breasts. See [PDEB04](#) and [PDEB05](#) for details.*

During the day, visit Miss Potts' classroom and this event will unlock. You will receive +1 influence point from her.

### [SFP04] Claire Gets a Proper Punishment

---

Complete Claire Teaches Fay a Lesson ([SFP03](#)). In the evening, visit Miss Potts' apartment again. You can do this any evening except Wednesday. Choose to continue her training. You will give her a spanking, and she will then give you a blowjob. This event will then unlock.

### **[SFP05] Claire Gives her First Spanking**

---

Complete Claire Gets a Proper Punishment ([SFP04](#)). During the day, visit Miss Potts' classroom. You will see her punish Mary (in the wrong way) and this event will unlock.

### **[SFP06] The Wrong Way to Give a Punishment**

---

Complete Claire Gives her First Spanking ([SFP05](#)). In the evening, visit Miss Potts' apartment again. You can do this any evening except Wednesday. You will discuss her punishment of Mary, and you agree to punish her in your office the following evening.

The next evening, you will automatically get a scene where you punish Claire. The goal of the punishment is to max out her fear. However, if her fear score is greater than her submission score, then she will use her safe word and the scene will end. The event will unlock in the replay menu even if the scene ends early.

If Claire uses her safeword, you will automatically get the same scene the following day.

To complete the scene, insult her, lightly slap her face, inspect her uniform, and tear off her skirt and knickers. Inspect her bra and then tear off the rest of her clothes. Grope her breasts, slap her breasts and take her picture.

After that, change position and force her over your desk. Spank her and do a cavity search. Change position and force her to her knees. Pull your dick out, do a dick slap, make her kiss it and force it in her mouth. Twist her hair or slap her, and force it down further.

Finally, lift her onto your desk, legs in the air, and force her legs apart. You can finger her first or simply penetrate her to complete the punishment. You will then get +1 Influence

### **[SFP07] A Relaxing Evening**

---

Complete the first Staff Training event, Stripping and Spanking ([TRN01](#)). At the end of the session, Miss Potts tells you that something is bothering her. You agree to visit her later.

In the evening, visit Miss Potts' apartment. You can do this any evening except Wednesday. When you arrive, you need to decide why you are visiting Claire. Later in the scene, you will be given a second option. Depending on the options you choose, you will unlock either this scene or "Spanked and Fucked" ([SFP08](#)). The options are:

First Choice	Second Choice	Outcome
I am here to see you	Spend time with Claire	Unlock this scene (a relaxing evening)
I am here for your training	Continue Training: Take her to bed and make love with her	Unlock this scene (a relaxing evening)
I am here for your training	Continue Training: Bend her over the table, spank and fuck her	Unlock "spanked and fucked" (see <a href="#">SFP08</a> ).

If you choose "I am here to see you", or "take her to bed and make love with her" you will go to bed and have sex with Claire. You will get +1 influence point.

*Note: you should revisit Claire another night to complete the "Spanked and Fucked" scene as well and get another point of influence.*

### **[SFP08] Spanked and Fucked**

---

Complete the first Staff Training event, Stripping and Spanking ([TRN01](#)). In the evening, visit Miss Potts' apartment. You can do this any evening except Wednesday.

When you arrive, you need to decide why you are visiting Claire. Say "I am here for your training". Later in the scene, choose "continue training" and then "bend her over the table, spank and fuck her". You will then have sex with Claire while spanking her. You will get +1 influence point.

*Note: you should revisit Claire another night to complete the "Spanked and Fucked" scene as well and get another point of influence.*

### **[SFP09] The Twins Revenge**

---

Complete The Twins Public Shaming ([STW10](#)) and Drama Night 2 ([OTH02](#)).

Complete Staff Training 1 ([TRN01](#)) and visit Miss Pott's apartment afterwards. Depending on your options, you will either complete "a relaxing evening" ([SFP07](#)) or "spanked and fucked" ([SFP08](#)) when you visit Miss Potts. It does not matter which one you complete.

*Note: if you complete the Twins Public Shaming after you have visited Miss Pott's apartment, then there is another step you need to do. You need to visit Miss Potts at her apartment again.*

*You can choose to either say "I am here for you", or "I am here for your*

*training". However, during the visit you must discuss "a punishment from the twins". You will then be able to complete the rest of this event.*

On Wednesday evening, go to the gym in the sports center. You will see the girls rehearsing for the play again. You will see them using a rope and pulley system with a harness to allow them to lift Donna into the air.

After the rehearsal, the twins will punish Miss Potts. This includes spanking her with a crop, tickling her, anally penetrating her with a rubber penis, and using a vibrating wand on her. At the end of the punishment the twins forgive Miss Potts. You get +1 influence.

## Staff Quests: Mr Wilson [SFW]

---

### [SFW01] Stealing Priti's Password

---

In the evening, visit Mr Wilson's apartment. He will tell you that he will only support you if you steal Priti's email password. Accept his offer. This will unlock the "Priti as a Picture" staff quest ([QSF03](#)).

If you haven't already done so, upgrade the Science Facilities (see [SFC01](#)). The following evening, visit Miss Chang in her classroom and ask about "stealing passwords" and then about "the keylogger program".

The following school day, use your office phone to call Priti to your office. You will then steal her password and social media pictures. Visit Mr Wilson in the evening and give him the password. This will give you +1 Influence Point.

*Fun note: you can then view Priti's social media pictures using the Photo Album app on your computer.*

### [SFW02] Priti's Pictures: The Direct Approach

---

After you have completed the Stealing Priti's Password event ([SFW01](#)), visit Mr Wilson in the evening to hand over the password. Visit him again the following evening and ask for "more help with the board". Agree when he says he wants nude pictures of Priti.

The following morning, Priti will talk to you about her ideas for the school website. During this conversation, you will think about two ways you could get the photos: accuse her of a crime, or get her to model swimming costumes.

Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. The camera will arrive the following weekday. You can then use your phone to summon Priti to your office.

*Note: You might already have the camera if you have raised Debbie to Level 4. See [PDEB04](#) for details.*

You should then choose to "trick her". See [SFW03](#) (Priti's Photoshoot) for details.

(The "order to strip" option will give you less influence points and will result in you losing grade, discipline and popularity points. See [XTRA12](#) for details. It will also prevent you from choosing certain options during Priti's student quest later in the game. See [STP03](#) for details.)

### **[SFW03] Priti's Photoshoot**

---

When completing Priti's Pictures: The Direct Approach ([SFW02](#)), you will need to select the "trick her" option. You'll take some basic photos of her, and will unlock the ability to purchase the "school swimwear samples".

Once you have \$1200, buy the School Swimwear Samples from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday. You can then use your phone to summon Priti again and complete the photoshoot. (You can then view the pictures using the Photo Album app on your computer.)

Following the Photoshoot, Mr Mykock will visit you and offer to pay you for the photos you take. See [XTRA14](#) for more details.

*Fun note #1: you can then view the photos you took during both the school uniform photoshoot ([SFW02](#)) and the swimwear photoshoot ([SFW03](#)) using the Photo Album app on your computer.*

*Fun note #2: if you speak to Priti in the classroom hall on Tuesday morning and do an underwear inspection, you will see that she's a lot less reluctant than she was before doing the photoshoot.*

### **[SFW04] Hey Mr, Wanna Buy Some Candy**

---

After you have hired Trixie ([SFC02](#) or [SFX01](#)) and completed Priti's Photoshoot ([SFW03](#)), visit Mr Wilson's apartment in the evening and refuse to hand over the photos. Wilson will tell you he wants an attractive prostitute and some Viagra.

Once you have \$200, attempt to buy the Viagra pills from the Online Shopping | Health option on your office computer. When you get the option, buy the cheap \$20 pills instead. Use the phone in your office to summon Trixie and then ask her about the prostitute. The following day, check your email. You'll need \$2000 to order the prostitute.

Once the pills have arrived and you've paid for the prostitute, see Mr Wilson in the evening and tell him about the prostitute. Remove the warning label from the pills before you hand them over.

At the end of the following day, you'll be told by Samantha that Mr Wilson didn't show up to his last class of the day. (If it's a weekend, you'll get a phone call from Miss Potts saying Mr Wilson didn't show up to a book club instead.) You'll then automatically go to Mr Wilson's apartment.

The event unlocks at this point and you can choose to play through however you want. The following evening, go back to Mr Wilson's apartment and talk about Candy. You will get +2 Influence points.

*Note: There are a couple of alternative ways of completing this event, although you will not unlock all events in the Replay Menu. See [XTRA13](#) for details.*

## Staff Quests: Ruth [SFR]

---

### [SFR01] The Old Headmaster's Safe

---

If you have not already done so, at the Friday School Board, choose to open the Lake (see under Other Rules).

*Note: you should ensure Discipline is 20+ before you do this, or grades will decrease by -2 every day the Lake is open.*

Complete the third dream (OTH04) by speaking to Ruth about the old headmaster's journal. During a weekday morning, go to the lake and speak to Jimmy. Ask about "the old headmaster" and then "the old headmaster's body".

The following morning, Jimmy will take you to the spot where the headmaster died. You will find his wallet with the safe combination in it. Go to your office and click on the bookcase. You will then be able to unlock the safe and this event will unlock.

*Fun note: if you tell yourself that you're a villain and you're OK with that, then you'll get the opportunity to humiliate Ruth by doing an underwear inspection on her later, during Ruth's Capitulation (SFR02).*

### [SFR02] Ruth's Capitulation

---

Complete the Old Headmaster's Safe (SFR01), and then speak to Ruth in the Teachers' lounge about "the old headmaster's safe". You will have various options about how to speak to Ruth. If you told yourself that you were a villain in the earlier cut scene, you will blackmail her, and have the option to humiliate her further by doing an underwear inspection.

If you told yourself that you're not a villain, you can choose whether to simply give her the photos, or to blackmail her. However, even if you decide to blackmail her, you can't humiliate her further by doing an underwear inspection. Regardless of which option you choose, in the end Ruth will agree to your demands, although she will set out some conditions of her own.

*Fun note: if you told yourself that you're a villain and you're OK with that during the Old Headmaster's safe (SFR01), and then you decide to humiliate her, then you will be able to demand underwear inspections from her whenever you visit her in the teachers' lounge.*

*Note: Completing this quest is one of the actions you need to unlock the new girl Ada Campbell. See [XTRA18](#) for details.*

## Staff Quests: Samantha (SFS)

### [SFS01] Late Lunch with Samantha

Complete A Duchess in the Kitchen (CAF01). This involves completing the First Date with Samantha (OTH11), the New Dinner Lady (OFF03) and building the cafeteria.

Visit the cafeteria during a weekday afternoon. . Choose "late lunch (eat with Samantha)". You will have lunch with Samantha, and you will offer to help Samantha with her gardening. You agree to visit her on Sunday afternoon.

### [SFS02] Samantha's Unruly Bush

Complete the Late Lunch with Samantha (SFS01). On Sunday afternoon, you will be asked if you want to walk to Samantha's house. Say "yes". You spend the afternoon clearing Sam's overgrown garden.

The outcome of this visit will depend on your first date with Sam went, whether you spanked Arabella or Samantha when you recruited Patricia, and the choices you made during your afternoon talk with Sam after recruiting Patricia.

Date with Sam	New Dinner Lady	Afternoon Event	Outcome
Dinner went very well (Sam kissed you); or Dinner went pretty well	Patricia spanked Samantha	Either option (ask Sam to dinner or show her your lower half naked).	Sam is interested in another date
	Patricia spanked Arabella	n/a	Sam is interested in another date
Date went badly (Samantha left in a hurry)	Patricia spanked Samantha	Show Sam your lower half naked	Sam is interested in another date
		Ask to take Sam out to dinner again	Sam will be upset
	Patricia spanked Arabella	n/a	Sam will be upset

If Sam is interested in another date, then she will invite you into her house for tea and biscuits, and this event will unlock.

However, if Sam is upset with you, then you will need to visit Sam the following Sunday to do some more gardening. At the end of your second visit, then Sam will forgive you and then offer you tea and biscuits. This event will then unlock.

### **[SFS03] The Lost Crucifix**

---

Complete Liz's event A Flash for Cash ([STZ06](#)).

(To complete this event, you will need to have raised Liz to level 3 ([PLIZ04](#)), had tea and biscuits with Samantha at her house ([SFS02](#)), and passed both the body search rule and the strip to underwear for public punishment rule.)

At the end of the following day, Liz will automatically report to your office for punishment. You will make her do a public punishment. Because Liz is not wearing any underwear, she will strip naked for her punishment. At the end of her punishment, Liz will give you another handjob.

After you have completed Liz's nude public punishment, go to the office building during any weekday. You will see Ruth accusing Sam of having stolen Ruth's crucifix. Ruth asks you to carry out a body search on Samantha.

You can agree to search her, or you can refuse. If you agree, then you will give Samantha a body search. Regardless of whether you gave her a body search or not, Nina will then enter the office and say that she found Ruth's crucifix outside.

### **[SFS04] Lily Learns a Lesson**

---

Complete The Lost Crucifix event ([SFS03](#)). On Sunday afternoon, choose to walk to Sam's house again. You will continue to clear Sam's garden.

If you did a body search on Samantha when looking for Ruth's crucifix ([SFS03](#)), then you will tell yourself that Sam is still upset with you for doing the body search on her, and that you need to re-earn some lost trust. You will spend the afternoon working on Sam's garden before collapsing, exhausted. Sam then says that she forgives you. You will then need to visit her again the following weekend.

If you refused to give Sam a body search, or if Sam has forgiven you for the body search, then Sam's sister, Lily, will ask several questions about the corporal punishments you give to the girls at the school. She then decides to do some topless sunbathing while you work on the garden.

You will then take a shower and put on an old robe that Sam gives you. You can "accidentally" expose yourself to Sam, or you can respectfully keep your legs together. If you expose yourself, then Sam will decide to flash you.

You then have dinner with Sam. You then explain the basic principles of your disciplinary methods to Sam. Lily arrives and makes you play a drinking game. You can tell the truth or lie. This changes some of the dialog but does not change the outcome of the scene.

You then convince Lily to demonstrate your technique on her. You strip her naked, tie her up, humiliate her, spank her and then massage her.

Afterwards, Sam gives you a hug. You get an erection and Sam starts grinding against your dick. You can suggest moving towards the bedroom, or you can just enjoy the moment, and let Samantha take the lead. If you let Samantha take the lead, she will give you a handjob. This event will then unlock.

### **[SFS05] The Naked Gardeners**

---

Complete The Suspect Lineup (STZ09). At the end of that scene, Samantha runs away in embarrassment after Ruth then accused her of being the streaker.

The following morning, Sam will speak to you in your office. Sam tells you she is going to quit, because she doesn't think she can stay after being humiliated in the line-up. You ask to visit her at her house on Sunday.

On Sunday afternoon, you will automatically visit Sam's house. In order to make Sam feel better, do some more gardening while nude and Sam watches you. Samantha then decides to remove her clothes as well. She agrees not to quit.

Samantha then notices that you have finally cleared a path to her garden shed. You then discover that Lily has been growing cannabis inside Sam's shed. You realize that if you reported this to the authorities, Sam might get arrested as well as her sister.

*Note: if you press "skip day" on Sunday morning, you will not visit Samantha's house. (Pressing "skip period" to skip Sunday morning is OK.) Instead, you will have to wait until the following Sunday and make sure you don't press "skip day".*

## Staff Quests: Miss Newman [SFN]

---

### [SFN01] Sally and the Towels

---

If you have not already done so, have your initial conversation with Sally on Monday, Tuesday, Wednesday or Friday afternoon. See Sally's Lost Keys (SFN02) for details.

On Monday afternoon, go to the men's changing room and click on the shower area. You will be told that if you go forward any further Sally will notice you.

*Note: If you click on the towel rack and you will be told that there is one big towel and lots of small ones. This step is not required but helps explain the prank you are about to pull.*

Click on the shower area, and Sally will ask you wait a couple of minutes. She will then come out of the shower and takes the big towel. This first version of this scene will be unlocked in the replay menu.

The next Monday afternoon, go to the men's changing room and click on the shower area again. Click on the towel rack, and choose to grab the big towel. Click on the shower area, and Sally will again ask you to wait a couple of minutes. This time, when she comes out, she will be forced to use one of the small towels instead. This new version of the scene will be unlocked in the replay menu.

### [SFN02] Sally's Lost Keys

---

The first time you speak to Sally in the Sports Center changing room, she will apologize for exposing herself to you on Day 1. If you have not already done so, speak to Sally on Monday, Tuesday, Wednesday or Friday afternoon to have this initial conversation.

After you have had the initial conversation, then on Tuesday, Wednesday or Friday afternoon, you can talk to Sally in the changing room in the Sports Center. Initially, you will see Sally standing in front of the lockers. Speak to her about "more about you". After you do this, and after the first Board meeting (OTH10), you will see Sally in her underwear standing in front of the mirror instead. Speak to Sally again, and she will ask you if you have found a set of keys.

Complete Sally and the Towels (SFN01) and the Second Dream (OTH03). At the School Board, choose to open the Lake (see under Other Rules).

*Note: you should ensure Discipline is 20+ before you do this, or grades will decrease by -2 every day the Lake is open. (See REFG01 for details.)*

The first weekday after you have the second dream (OTH03), Samantha will tell you that the groundskeeper (Jimmy) wants to talk to you about some keys. Once the Lake is opened, you can speak to him any morning. Ask him about the missing keys and he will give you Sally's keys.

On Monday, Tuesday, Wednesday or Friday afternoon, talk to Sally again. This time she will be standing naked in front of the mirror. You can choose to give her the keys or throw them to her. The event will unlock either way.

*Fun note #1: the best option is to throw the keys and then admit you were being sneaky.*

*Fun note #2: Once you have completed this event, then when Sally helps you punish Rachel in class during the afternoon (CLA05), you will see Sally wearing her volleyball uniform instead of her normal clothes.*

### **[SFN03] Sally Tests Your Skills**

---

If you go to the Sports Center on Thursday afternoon, you will see Sally with a group of students. If you talk to her, you will find that she is about to take them on a long run.

Teach a sports class on Thursday afternoon. After the lesson, you will take a shower, and the initial version of this event will play out. Sally will come into the changing room and wait for you to leave the showers before she gets in.

*Note: These steps are not required but they provide some background information for the event.*

Complete Sally's Lost Keys (SFN02) and Debbie's Pledge of Loyalty (STD04).

Once you have done this, teach a sports class on Thursday afternoon. After the lesson, you will take a shower. Sally will come into the shower and the full version of this event will play out. You will spank her and then have sex with her.

*Note: until you have completed Sally's Lost Keys and Debbie's Pledge of Loyalty, Sally will not join you in the shower. However, the dialogue will change slightly depending on what you have done. If you threw Sally her keys (during SFN02) then you will mention seeing her naked. If you have made Debbie a prefect (STD04) you will mention the connection between you and Sally.*

*Fun note: after you have unlocked the full version of this event, then on Monday afternoons, if you go into the changing room and click on the shower area, then you will be able to join Sally in the shower and have sex with her again.*

## Student Quests: Debbie [STD]

### [STD01] Maxine's Protest (Part 1)

---

Unlock the Debbie Shows Maxine Who's boss event ([PAT12](#)). The next Sunday afternoon you will see Part 1 of Maxine's Protest. You can choose to break it up, or to walk away. Either will unlock this event, but if you break it up your popularity will decrease by 2 points.

Until you unlock Part 2 ([STD02](#)), Maxine will keep giving protests every Sunday afternoon. If you break it up, you will lose 2 popularity points, and if you walk away you will lose 2 discipline points.

Completing this event will also unlock the Student Quest "Taming a Prefect" ([QST1](#)).

### [STD02] Maxine's Protest (Part 2)

### [STD03] Debbie Gets Fingered

---

Raise Debbie to punishment level 5 ([PDEB07](#)). During the punishment, position Debbie over Miss Newman's knee and rub her pussy. This will unlock the fingering option.

Position her with hands above her head and get Miss Newman to finger her to orgasm. This event will then unlock.

*Note: Unlocking this event will allow you to complete [STD04](#) (Debbie's Pledge of Loyalty) and make Debbie a prefect.*

### [STD04] Debbie's Pledge of Loyalty

---

Raise Debbie to punishment level 5 ([PDEB07](#)). Make sure that Miss Newman fingered her to orgasm during the punishment (see [STD03](#)). At the end of the punishment, you can choose to Assign Role to her. Debbie will give you a handjob and you will make her a prefect.

*Note: if you did not make her a prefect during when you raised her to level 5, you can punish her again, and you will be given the opportunity to assign her a role again.*

*Fun note: once Debbie is a prefect, you will sometimes get a class event where Debbie is doing an underwear inspection of some of the other girls. The hallway interaction with her will also change. See [CLA08](#) and [XTRA16](#) for more information.*

### **[STD05] Debbie Wants a Job**

---

Start Chapter 2 of the game. In the evening, summon Debbie to your office for punishment. Debbie will ask if she can keep being punished by Miss Newman. You agree, provided that Debbie is willing to give you a blowjob afterwards.

*Note #1: You can only summon Debbie to your office if there are no other girls who require punishment that day.*

You will then need to raise Debbie to punishment level 6 during the punishment. See [PDEB09](#) for details of how to do this.

At the end of the punishment, tell Debbie to give you a blowjob. You should warn her that you are about to cum. Afterwards, you will speak to Debbie and agree to make her your apprentice.

*Note #2: the event will unlock in the replay menu even if you chose one of the other blowjob endings. However, this will prevent you from continuing with Debbie's student quest. If you chose one of the other endings, you will need to punish Debbie after school again, get another blowjob, and warn her.*

### **[STD06] Debbie's Big Orgasm**

---

Complete the second staff training session ([TRN02](#)). In the evening, spy on Amy's room. You will see Amy and Tia performing cunnilingus on Debbie, and giving her a very big orgasm. You will get horniness +1.

### **[STD07] Debbie Does Her Homework**

### **[STD08] Debbie Gets a Penis**

---

Complete Debbie Does Her Homework ([STD07](#)). If you have not already done so, you will also need to complete Rachel's initial dildo practice ([STR22](#)).

*Note: you only need to complete Rachel's first practice with the small dildo. You do not have to complete any of Rachel's additional dildo practice sessions (see [STR23](#) for details of these other sessions).*

During the day, use your office phone to summon Debbie and Rachel to your office. You will give Debbie a wearable dildo. She will then fuck Rachel at the same time as Rachel is giving you a blowjob.

## Student Quests: Rachel [STR]

---

### [STR01] Sleeping in Reception (Part 1)

---

Complete Rachel and the Ointment (SPY02) by giving her a private punishment and then spying on her in the evening. The following morning, this event will automatically happen.

This event will unlock Rachel's Student Quest, "The Headmaster's Pet" (QST02).

*Note: during this event, you will have the option to order her to your office after school. However, you will not be able to raise her to the next punishment level until you have purchased the aloe vera cream, and you have not had the opportunity to do so yet.*

*If you let her go, you will get +1 popularity. Alternatively, you can still get money or discipline points from giving her a private or public punishment.*

### [STR02] Special Homework Assignment

---

Raise Rachel to punishment level 2 (PRAC02). At the end of the punishment, give her the special homework assignment. In the evening, spy on Rachel's room. You will tell yourself that Rachel looks rather adorable in her cat-ear headphones, and you then see her masturbating (poorly).

*Note #1: before you can spy on Rachel, you will need to complete Rachel in the Shower (SWR01). However, you can complete the two events in the same evening. If you get a message saying it "doesn't look as if Rachel is here", then spy on the shower first. You will see the Rachel in the Shower scene. You can then spy on Rachel's room and watch her trying to do her "homework".*

*Note #2: once you have completed this event and Maxine's Demand (PAP02), then the following morning you tell yourself it might be nice to have a pet to keep you company. You ask Samantha, your secretary, if there is a pet shop in town, but she says there isn't. You wonder if there might be some other way to get a pet instead.*

### [STR03] Sally and Rachel Get Changed

---

Complete Rachel's Special Homework Assignment (STR02) and raise Rachel to punishment level 3 (PRAC03).

At the end of the punishment, assign Rachel a role. You assign her a role of personal trainee. The following afternoon, there is a scene where Rachel reports

*Note #2: Once Rachel is your trainee, there are several small scenes where Rachel will interact with other staff and students. Most of these will happen if you click on her icon, but some will happen automatically, or if you click on people in the classroom halls or Sports Center hall.*

#### **[STR04] Rachel's Weakness Revealed**

Complete Sally and Rachel Get Changed ([STR03](#)) and the Second Match event ([SPT04](#)). See [PRAC04](#) for more details about the sports events.

*Note: it does not matter if you say you prefer big boobs, small boobs or that you like them both equally. However, if you say that you liked big boobs, some of the dialog in this event will change.*

If you have not already done so, pass the Public Punishments "punishment outfit" rule at the Friday school board. You will need Discipline 25+ and Influence 4+ to do so.

Teach classes until you see Rachel falling asleep again. Order her to your office after school and give her a public (not private) punishment. Say that you like her boobs. You will then admire her body and this event will then unlock.

Raise Rachel to punishment level 4 ([PRAC06](#)). At the end of the punishment, carry out the Special Confidence Building Technique. She will act like a cat and you will pet her. You will also tell her to do her "homework" that evening.

*Fun note: after you have completed this action, then you can pet Rachel in your office, or let her take a cat nap.*

### **[STR06] Rachel Gets Frustrated**

### **[STR07] Sleeping in Reception (Part 2)**

---

Complete the Rachel Gets Frustrated event ([STR06](#)). The following morning, you will get a scene with Rachel sleeping in reception again and this event will automatically unlock.

You can unlock the "strip to underwear" corporal punishment rule during this event. Choose to teach her a lesson and then open her shirt. See [PRAC07](#) for details of unlocking the rule. However, you will not be able to pass this rule until you start Chapter 2 of the game. See [A New Chapter \(OTH13\)](#) for details of starting Chapter 2.

### **[STR08] Making Rachel Jealous**

---

Complete Sleeping in Reception Part 2 ([STR07](#)).

Pass the rule to allow you to spank the girls yourself. This will involve starting Chapter 2 of the game. See [How to Discipline a Young Woman \(CLA13\)](#) and [A New Chapter \(OTH13\)](#) for details).

Once you have 10 Influence and 55 Discipline, pass the Corporal Punishments rule "students may be ordered to strip down to their underwear" at the next Friday morning school board meeting.

Teach classes until you see Rachel falling asleep again, and give her a private punishment. At the start of the punishment, you will tell yourself "OK Rachel, time for your training to really kick up a notch".

Order her to strip to her underwear by removing her clothing including skirt and blouse. Sally will also strip to the waist and Rachel will feel her breasts. This event will unlock.

*Note: you can continue to the punishment and raise Rachel to Level 5 (see [PRAC08](#)), but that is not required to unlock this event.*

### **[STR09] A Test of Confidence**

---

Raise Rachel to punishment level 5 ([PRAC08](#)). At the end of the punishment, talk to Rachel about the Test of Confidence. You will tell her to shower with the other girls.

In the evening, spy on the shower room. You will see her take a shower with the other girls and this event will unlock.

### **[STR10] The Boner Rule**

---

Raise Rachel to punishment level 5 ([PRAC08](#)). On Thursday afternoon, teach a sports class. Rachel will talk about the fact that you got a boner when she changed for her public punishment (see [STR04](#)) and this event will play out. She will masturbate you and you will cum over her.

*Note: you can unlock this event as soon as Rachel is at punishment level 5. You do not have to complete her test of confidence ([STR09](#)) first.*

### **[STR11] Rachel Shows you her Homework Technique**

---

Complete the Boner Rule ([STR10](#)) and raise Rachel to punishment level 6 ([PRAC09](#)). At the end of the punishment choose Special Homework Assistance.

She will masturbate on your desk and this event will unlock. You will then agree to "help" her that evening.

### **[STR12] Rachel's First Orgasm**

---

Complete Rachel Shows You her Homework Technique (STR11). In the evening, spy on Rachel's room. You will climb into her room and help her achieve her first orgasm. You will then fall asleep and not wake up until the morning.

### **[STR13] The Lewd Content DLC**

---

Complete Rachel's First Orgasm (STR12). During the day, teach a class. You will note that Rachel looks "bright eyed and bushy tailed today". After the class some of the girls will discuss a new adult DLC for Rachel's game that means the winning character can have sex with the losing character. Rachel will tell you she intends to masturbate that evening to help her sleep.

In the evening, spy on Rachel's room. She will be playing her game. Choose to "distract her" and then "distract her again". She will lose the game and the winners will force themselves on her computer character. Rachel will start to masturbate as she watches the scene.

### **[STR14] Rachel's Difficult Morning**

---

Complete the Lewd Content DLC (STR13). The following morning, you will get a scene with Rachel sleeping in reception again.

This event will then automatically unlock. Regardless of the options you choose, you will also arrange to punish Rachel after class that day.

However, to get the full scene, choose to "teach her a lesson". You will automatically lift up her skirt, pull her knickers down, and open up her shirt. You will then pose her so that she looks as if she is masturbating.

You then should choose to "wait for someone else to find her". Sally, Izzy and Samantha will humiliate her, and Sally will then put a butt plug in her.

That afternoon, Rachel will automatically come to your office and ask you to remove the butt plug. She will then strip naked and spend the afternoon sleeping on your lap.

*Fun note #1: if Sally inserts the butt plug, then in the morning, you will see Rachel's follower icon appear on the screen. If you click on it you will get a short scene where Rachel tells you she is having the worst morning ever.*

*Fun note #2: if you teach a class that morning, you will get a scene where you note Rachel is awake, but looks rather uncomfortable.*

*Fun note #3: if Sally doesn't insert the butt plug, then if you teach a class that morning you will get a slightly different scene, and Rachel won't ask you to remove the butt plug. However, she'll still spend the afternoon sleeping on your lap.*

### **[STR15] A New Spanking Position**

---

Complete Rachel's Difficult Morning ([STR14](#)). In the afternoon, Rachel will come to you and spend the afternoon sleeping on your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment.

When you start the punishment, you will tell yourself that you need to come up with a new way to punish her. A new OTK position will be unlocked, which will allow you to have Rachel straddle your lap.

Raise Rachel to Level 7 ([PRAC12](#)). At the end of the punishment, make sure that you (not Sally) are selected as the disciplinarian, and have Rachel straddle your lap. This event will then unlock.

### **[STR16] Rachel Gets a Promotion**

---

Raise Rachel to Level 7 ([PRAC12](#)). This involves using the New Spanking Position ([STR15](#)).

At the end of the punishment choose to give Rachel her Promotion. You will make her your Personal Executive Trainee (or P.E.T.). She will then strip naked and masturbate you by rubbing herself against you.

*Fun note #1: After you have made Rachel your PET, her classroom events will change, and Rachel will sit at your desk during lessons. See [STR17](#). In the afternoons, you can get her to sit on your lap and masturbate you again. See [STR18](#). You can also watch porn with her. See [OFF06](#).*

*Fun note #2: After you have made Rachel your PET, if you ask her a hard question during the Friday pop quiz, she will get the answer right.*

*Fun note #3: Once you have made Rachel your PET, if you spy on her room in the evening you will see a new scene where Rachel is trying to do the splits to help stretch out her pussy.*

### **[STR17] Teacher's Favorite Student**

---

Raise Rachel to Level 7 and assign her a position as your Personal Executive Trainee (See [PRAC13](#) or [STR16](#)). This scene will then randomly happen when you teach a class. You will see the other girls asking questions about Rachel's cat ears and collar. You will tell the girls that Rachel gets special treatment because she is your trainee. You will then invite Rachel to sit at the teacher's desk, and you will teach the class. You get +2 grades.

A version of this scene will then randomly occur when you teach a class. You will see Rachel sitting at your desk looking "especially bright and alert".

### **[STR18] Cats Don't Wear Clothes**

---

Raise Rachel to Level 7 ([PRAC12](#)). In the afternoon, go to your office and click on Rachel's icon. Rachel will then strip naked. You can then choose what you want to do, but this scene will then unlock regardless of what you choose.

### **[STR19] Rachel's Jealousy Strikes Again**

---

Complete Rachel Gets a Promotion ([STR16](#)) and make her your P.E.T. If you have not already done so, pass the Body Search rule ([REFR06](#)). You will need Influence 10 and Discipline 70.

On Friday afternoon, do a Body Search of Lucy ([BDY04](#)). (This step is not required but it helps develop the story.)

On Wednesday afternoon, do a Body Search of Alice ([BDY06](#)). Rachel will try to stop you from feeling Alice's breasts. You take Rachel into the stationary cupboard and punish her. You then discover that Rachel is getting jealous when you are touching the other girls. You tell her you'll find a way to help her manage her jealousy issue.

### **[STR20] Rachel's Protector**

---

Complete Teacher's Favorite Student ([STR17](#)) and Rachel's Jealousy Strikes Again ([STR19](#)). Choose to do a patrol. You will see Donna giving Rachel a hard time about her cat ears. Debbie stops Donna. You tell yourself that you've been promising Debbie a reward and it's time she got one. You think you will share your pet with your prefect.

*Note: If you have not already completed it, you will probably also have to complete the Priti Needs Her Fix ([STP01](#)) patrol event before you can see this patrol event.*

### **[STR21] Sharing is Caring**

---

Complete Rachel's Protector (STR20). During the day, use your office phone to summon Debbie and Rachel to your office. You will ask yourself if you want Debbie to play with your pet. Say yes. (If you say no, the scene will not happen.)

Rachel and Debbie will arrive. They will strip, have sex with each other, and then give you a joint blowjob.

### **[STR22] Dildo Practice**

---

Once you have made Rachel your P.E.T. (STR16), you will automatically speak to her the following weekday morning. She thanks you for allowing her to wear her cat ears whenever she wants. This unlocks the option to buy the assorted dildo collection and butt plug tail.

Once you have \$1800, buy the assorted dildo collection (\$1500) and the butt plug tail (\$300) from the Online Shopping | Sex Toys option on your office computer. They will arrive the following weekday morning.

Go to your office during any weekday afternoon and click on Rachel's icon. Rachel will immediately strip naked. Select the "dildo practice" option. Select the small dildo, and at the end, tell Rachel that "I'll finish myself off".

### **[STR23] It Still Won't Fit**

---

Complete Rachel's initial Dildo Practice (STR22). You then need to complete three additional dildo practice sessions with Rachel.

To carry out a practice session, go to your office during any weekday afternoon and click on Rachel's icon. Rachel will immediately strip naked. Select the "dildo practice" option.

- During the second session, select the small dildo. At the end, ask Rachel for a handjob.
- During the third session, select the small dildo. At the end, ask Rachel for a blowjob.
- During the fourth session, select the medium dildo.

Rachel tries her best to get the medium dildo inside her, but barely manages to get past the tip. You tell her that before you try the medium dildo again, she needs to be properly prepared, both physically and mentally, using your punishment method.

### **[STR24] Dildo Punishment**

---

Complete Rachel's dildo practice ([STR23](#)). In the evening, summon Rachel to your office for punishment and raise her to punishment level 8 ([PRAC15](#)).

*Note #1: as soon as you complete Rachel's last dildo practice session, you may be asked if you would like to summon a girl to your office for punishment. If you choose Rachel, you can then complete this action immediately after you have finished the dildo practice.*

*Note #2: you are only given the option to summon a girl for punishment if no other girls have been ordered to your office. For example, if you taught a class that day and ordered a girl to be punished after school, you will not be able to summon another girl.*

As the last action in this punishment, you will put her in the diaper position and insert a dildo into her vagina. This event will then unlock.

### **[STR25] Cuddle Time**

---

Raise Rachel to Punishment Level 8 ([PRAC15](#)) and complete her Dildo Punishment ([STR24](#)). At the end of her punishment, Rachel will seem confused and barely able to stand. You let Rachel rest on your lap until she recovers from her punishment.

You will then insert Rachel's butt plug tail. You then can choose how Rachel will sexually please you. This event will then unlock.

### **[STR26] Trouble in the Showers**

---

Teach football matches until Charlotte's team play bottomless ([SPT11](#)). To get the practice matches, you will need to teach sports lessons in the afternoon. Every time you teach 5 sports lessons, you will play a match during the fifth lesson.

*Note #2: Earlier in Rachel's quest, you had to complete two practice games: the first match ([SPT03](#)) and the second match ([SPT04](#)). If you have not already done so, you will now need to complete another three practice games. These are: the third match ([SPT09](#)), the fourth match ([SPT10](#)) and the fifth match where Charlotte's team play bottomless ([SPT11](#)).*

During the "Charlotte's team play bottomless" event ([SPT11](#)), Rachel will end up naked (because she has to play bottomless and she isn't wearing a bra). At the end of the match, Rachel will shower with you, and Sally joins you. Both Sally and Rachel offer to help you with your erection, and they start to argue. You

eventually tell Rachel to make you orgasm, but that she has to ask Sally to help her. Sally and Rachel then rub their breasts against your cock until you cum.

*Note #2: if you have already completed Charlotte's team play bottomless (SPT11) event, simply teach five more sports lessons, and you will play another practice match.*

*Normally, if you had already previously completed the Charlotte's team play bottomless event, and Charlotte's team won, then during the next sports match you would see April's team playing bottomless (SPT12). However, if you have raised Rachel to level 8 (PRAC15) and completed the threesome with Debbie (PRAC16), then you will see a special scene instead.*

*April will tell you that two members of her team, Emily and Harriet, are having their period, so Charlotte has agreed her side will play bottomless instead. You tell yourself that this works out well, because you wanted Rachel to be naked today. April's team will win the game, but they agree they have to be naked next time.*

### **[STR27] Her First Anal Dildo**

---

Complete Trouble in the Showers (STR26). In the evening, summon Rachel to your office for punishment.

*Note: as soon as you complete the shower with Rachel and Sally, you may be asked if you would like to summon a girl to your office for punishment. If you choose Rachel, you can then complete this action immediately after you have finished the dildo practice.*

Raise Rachel to punishment level 9 (PRAC18). As the last action in this punishment, you will put her over the knee and then insert a dildo into her anus. This event will then unlock.

### **[STR28] Sally's Painful Lesson**

---

Complete the "Her First Anal Dildo" event (STR27).

If you have not already done so, buy the "Swimming Pool" from the Upgrade Facilities option on your computer. It will cost \$8,000 and you are told that it will take a few days to complete the swimming pool.

*Note #1: It takes a week to build the swimming pool. E.g. if you order the pool sometime on Thursday, it will be ready by the following Thursday morning.*

Once the pool is open, and you have raised Rachel to punishment level 9 (PRAC18) and completed Her First Anal Dildo (STR27), you will see a scene with Sally the following weekday morning. Sally says schedule has been changed to that whenever you are teaching football, she will be teaching swimming. Sally then leaves before you can give her a copy of the poolside safety rules.

In the afternoon, teach a football class. Before your class, you will see Sally, and you ask her to read the poolside safety rules to the girls. After your class, you go to the swimming pool, and find that Sally disobeyed your orders and didn't read the safety rules.

You punish Sally by giving her a spanking with the paddle and then giving her a hard anal fucking in front of Rachel. This event will then unlock.

### **[STR29] Rachel's Revenge**

---

Complete Sally's Painful Lesson (STR28).

In the afternoon, teach a football class. Before your class, Sally will tell you that she'll see you in the locker room afterwards. After the class, Sally says that she

will shower with you, but Rachel then tells you went to the lake. You decide that you need to finish your shower quickly and look for Sally. You then discover that Rachel locked Sally in the sports supply cupboard. You then tell Rachel that you will punish her in your office.

### **[STR30] Rachel's Epiphany**

---

Complete Rachel's Revenge ([STR29](#)). You will then automatically punish Rachel after school.

Raise Rachel to punishment level 10 ([PRAC19](#)). As the last action in this punishment, you will make her straddle your lap, and then you will have sex with her.

Before you have sex, you tell Rachel to apologize to Sally. But Rachel says she hates Miss Newman, because she has big boobs and a perfect body. Sally then says she has severe dyslexia and can barely read or write, which means people treat her as a big-titted blonde simpleton. Sally is actually jealous of Rachel.

Rachel then apologizes to Sally. You have sex with Rachel, and then you have a threesome with Rachel and Sally. You will then get +2 influence points.

## Student Quests: Amy [STY]

---

### [STY01] Amy and Maxine

---

Teach classes or do patrols until you can give Amy her first punishment ([PUN01](#)). You will automatically choose to punish her after school. You will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible. During the punishment, you will discover her weakness: she is a masochist who takes pleasure from being hurt but her tolerance for pain is much higher.

That evening, spy on Amy's room. (Note: Amy's room will initially be shown as an "unknown room".) You will see Maxine ask Amy to take a photo to gather evidence against the headmaster.

This event will unlock Amy's Student Quest, "The Spanking Connoisseur" ([QAMY](#)).

### [STY02] Amy and the Riding Crop

---

Complete Amy and Maxine ([STY01](#)), and unlock the remove skirts rule by giving Debbie a punishment at Level 2 (see [PDEB02](#) for details.)

Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Teach classes or do patrols until you see Amy running in the halls ([PAT11](#)) or being late to class ([CLA04](#)). Choose to give her another private punishment. At the start of the punishment, Amy will give you a riding crop to punish her with.

Raise Amy to punishment level 2 ([PAMY03](#)). At the end of the punishment, ask her about her sex life. She will admit to masturbating frequently and making out with multiple other students.

In the evening, spy on Amy's room. You will see her spanking herself with her riding crop.

### [STY03] Amy in the Stationary Cupboard

Once you have popularity 10+, speak to Amy in the Sports Center on Tuesday morning. She'll tell you she was expelled because she did a porn shoot. (Doing this will also unlock event [SCH02](#), Amy and her abs, if you have not already done so.)

Once you have \$1000, use the Web Search option on your office computer to search for her porn. The next day, check your email and you'll be able to buy the magazine. It will arrive 5 working days (i.e. a full week) later.

*Fun note: if you check your email the following day, you will receive an email from Mr Mykock saying that the school owners are interested in the girls and he is preparing to transfer legal guardianship of the girls to your school.*

Teach classes or do patrols until you get the opportunity to give Amy a Private punishment.

*Note: You will automatically give Amy a private punishment at the end of the Stationary Cupboard event ([STY03](#)). If you have already completed the Future Female Sports Stars ([STY04](#)) event and spied on her, then you can complete this event during that punishment.*

You will need to raise Amy to level 3. See [PAMY09](#) for details of how to do this.

At the end of the punishment, choose to "help her out". You will finger and lick her to multiple orgasms.

### **[STY06] Amy Teaches Tia a New Trick**

---

Complete Amy's Multiple Orgasms ([STY05](#)). In the evening, spy on Amy's room again. You will see Amy teaching Tia how to give her multiple orgasms.

This event will unlock the ability to purchase the Chastity Panties.

### **[STY07] Amy's and Faye's Accident**

---

Complete Amy Teaches Tia a New Trick ([STY06](#)).

Pass the rule to allow you to spank the girls yourself. This will involve starting Chapter 2 of the game. See [How to Discipline a Young Woman \(CLA13\)](#) and [A New Chapter \(OTH13\)](#) for details).

Once you have \$600, buy the Chastity Panties from the Online Shopping | Clothing option on your office computer. They will arrive the following weekday.

Do a patrol. You will see Amy run into Faye. You will see the nurse treat Faye. You will automatically give Amy a private punishment that evening.

*Fun note: if you have completed Faye the Faker ([STF01](#)) before this event, you will see an extra scene when the nurse is treating Faye, and Faye pulls down her underwear and asks the nurse to take her temperature to prove she isn't faking her illness.*

### **[STY08] Amy Gets New Underwear**

---

Complete Amy's and Faye's Accident ([STY07](#)). You will automatically give Amy a private punishment that evening.

Raise Amy to punishment level 4. See [PAMY11](#) for details on how to do this.

At the end of the punishment, give her the chastity belt. You will tell Amy she is not allowed to orgasm for seven days. Debbie will put the chastity belt on Amy for you.

### **[STY09] Amy and Debbie in the Shower**

### **[STY10] Amy's Offer Part 1**

---

Complete Amy Gets New Underwear ([STY08](#)). The following weekday morning, Amy will come to your office and beg you to remove the chastity underwear. You will refuse.

The next weekday morning, Amy will beg again, but this time she will offer to show you her boobs.

You can accept or refuse her offer. If you accept, Amy will strip and masturbate herself in your office. However, the timer will rest, which means that you will have to play these two morning events over again.

### **[STY11] Amy's Offer Part 2**

---

Complete Amy's Offer Part 1 ([STY10](#)) and refuse Amy's offer to show you her boobs. The following weekday morning, Amy will come to your office again, but this time she will offer to jerk you off.

You can accept or refuse her offer. If you accept it, Amy will jerk you off while she masturbates, but the timer will reset, which means you will have to replay Amy's Offer Part 1 and this event (Part 2) over again.

### **[STY12] Amy's Offer Part 3**

---

Complete Amy's Offer Part 2 ([STY11](#)) and refuse Amy's offer to jerk you off. The following weekday morning, Amy will come to your office again, but this time she will offer to suck your cock.

### **[STY13] Amy Gets Anal**

---

Complete Amy's Offer Part 3 ([STY12](#)). The following weekday morning, Amy will come to your office again and offer to fuck you. You will tell her to come back after school. In the evening, you will automatically remove the chastity panties and then give Amy a private punishment.

Raise Amy to punishment level 5. See [PAMY13](#) for details on how to do this.

*Note: If you do not raise Amy to level 5, then you will have the option to summon her back to your office any evening where you are not punishing another girl. This will give you another opportunity to raise her to level 5.*

At the end of the punishment, assign her a role. You will show her your copy of the Future Female Sports Stars magazine (see [STY04](#)) and you will have anal sex with her. She will then agree to become a practice subject to help train other staff and Prefects in the art of discipline.

*Fun Note: After you have completed this event, you will get a repeatable scene when you teach a class where Amy is on time for her lesson and wearing her tie. You will tell yourself "there really is nothing like a good anal fucking to make a student behave themselves".*

## Student Quests: Cassandra [STC]

---

### [STC01] Cassandra's Shocking Realization

---

Give Cassandra a private punishment. You can do this by teaching classes until she misbehaves, or you can complete "Faye's Embarrassing Situation" ([SCH01](#)) by going to the Sports Center on Wednesday afternoon and talking to Faye. In the evening, spy on Debbie's room. You will see Debbie look at Cassandra's butt and Cassandra will run off.

If you have not already done so, complete Rachel in the Shower ([SWR01](#)) by spying on the shower as well.

Raise Cassandra to punishment level 2 ([PCAS01](#)). At the end of the punishment, ask her to "Give me a smile". In the evening, spy on Debbie's room. You will see Cassandra trying out her smile, and coming to the realization that you might have been right when you told her she might not find a rich and handsome man to marry her. This event will then unlock.

*Note #1: Once you have completed this event, you can unlock Cassandra's Student Quest. To do this, check the email on your office computer and read the email from Mr Mykock. See [QCAS](#) for details.*

*Note #2: It is possible to raise Cassandra to punishment level 2 the first time you spank her. However, you can only do this if you have already passed the Remove Skirts rule by punishing Debbie (see [PDEB02](#) for details) and have purchased the Aloe Vera cream after punishing Rachel (see [PRAC01](#) for details).*

*If you do raise Cassandra to punishment level 2 during her first punishment, then you can still see both spy scenes. The first time you spy on Debbie's room, you will see Debbie look at Cassandra's butt. You will need to spy on Debbie's room again another evening, and you will then see Cassandra's realization, and this event will unlock.*

*(However, you cannot see Rachel in the Shower and Cassandra's realization on the same evening.)*

### [STC02] Debbie's New Posters

---

Complete Cassandra's Shocking Realization ([STC01](#)), and then raise Cassandra to punishment level 3 ([PCAS02](#)). At the end of the punishment, give Cassandra a Basic Flirting Lesson.

In the evening, spy on Debbie's room. You will see Cassandra practicing her flirting in the mirror, while Debbie is putting up posters of the Celebrity Love Archipelago stars Jodie, Kelly & Paige.

*Fun note: if you have seen any of the Celebrity Love Archipelago episodes (see [OTV02](#) for details) then the dialogue changes slightly.*

You discover that Cassandra is still much too proud of herself to learn anything from you. You decide to observe her behavior around the school in a variety of situations in order to discover her weakness and to devise an appropriate strategy.

---

### **[STC03] Cassandra the Bully**

Complete Debbie's New Posters ([STC02](#)). In the evening, spy on the showers. You will see Cassandra picking on the "crying girl" (see [PAT01](#) and [PAT02](#) for the crying girl events).

*Note: if you spy on the showers immediately after Debbie's New Posters ([STC02](#)) it is possible to complete this event in the same evening.*

---

### **[STC04] Cassandra the Fibber**

Complete Debbie's New Posters ([STC02](#)). Choose to teach a class. After the lesson you will stay behind to do some marking. Some of the students also stay behind chatting. Cassandra makes up a story about a hot date and you tell yourself that you suspect she has little real sexual experience.

---

### **[STC05] Cassandra the Attention Seeker**

Complete Debbie's New Posters ([STC02](#)). Choose to do a patrol during the week. You will see the twins showing off their football skills. Cassandra is annoyed that she is not the center of attention. She then tells everyone that Debbie has a crush on Miss Newman the sports teacher in order to get their attention again.

---

### **[STC06] Cassandra's Public Paddling**

If you have not already done so, you will need to start Chapter 2 of the game. Complete Cassandra the Bully ([STC03](#)), Cassandra the Fibber ([STC04](#)) and Cassandra the Attention Seeker ([STC05](#)).

Once you have completed all three, you will discover Cassandra's weakness: Hubristic Pride. Cassandra has enormous pride in herself, not for any real accomplishment but for her very existence. You tell yourself that to shatter Cassandra's pride you must reduce her social standing.

On Tuesday, Wednesday, Thursday or Friday afternoon, go to the Sports Center. This event will then automatically play out. You will see Faye standing naked outside the changing room after Cassandra pushed her out of the room. You get

the girls to spank Cassandra with the paddle and then pleasure her until she has multiple orgasms. You will get +2 Horniness points.

*Note #1: you have to click on the Sports Center on the main screen. If you click on the "coach" quick access button on the main map menu, you will not be able to complete this quest action.*

*Note #2: If Rachel is not your trainee yet (see [QRAC105](#)), then you will see a special scene where you meet Rachel first and ask her to carry your bag for you.*

*Note #3: You do not need to have completed Faye's Embarrassing Situation ([SCH01](#)) before you complete this event. However, the storyline makes more sense if you have done so. In addition, once you have completed this event, Faye will no longer appear beside the changing room door on Tuesday afternoon, so you will not be able to complete Faye's Embarrassing Situation afterwards.*

### **[STC07] The Group Hug**

---

Complete Cassandra's Public Paddling (STC06). In the evening, spy on Cassandra's room. You will see Cassandra visited by the other girls who paddled her, and who all give her a big hug.

*Note: Cassandra's room will initially be shown as an "unknown room".*

### **[STC08] Debbie Recounts her Experiences**

### **[STC09] The Practice Date**

---

Complete Debbie Recounts her Experiences (STC08) and raise Cassandra to punishment level 5 (PCAS06). At the end of Cassandra's punishment, choose to arrange a Practice Date with her.

*Note #1: if you did not spy on Debbie's room and complete the Debbie Recounts her Experiences event (STC08), you will be unable to arrange a practice date.*

Once you have \$1500, buy the Red Dress from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

Once the dress has been delivered, you will automatically have a date with Cassandra the following Saturday evening.

*Note #2: if you don't buy the red dress by the following Saturday, you will get a message saying that you're meant to be having a date with Cassandra but you haven't bought her a new dress yet. You say that you'll have to wait until the next weekend.*

*Note #3: the dress is delivered the following weekday morning. If you purchase the dress on Friday, it will not be delivered until Monday, and you will not be able to do the date that weekend.*

During the date, talk about both the job opportunity and her motivations. You then realize that Cassandra has been drinking rather quickly, and you wonder if you should warn her that she is drinking too much.

You should choose "Say something". If you choose "Wait and see what happens", Cassandra will get drunk and the date will end.

*Note #4: if the date ends, then teach a class the following week. Before the lesson, Cassandra will speak to you and say that she'd like to try the date again. The following Saturday, you will get another date with Cassandra.*

If you choose "say something", you will tell her that most men she will have dinner with will likely try to get her drunk, because it's a tried and tested strategy for getting women to sleep with them. She thanks you for the advice. At the end of the meal, she agrees to move over to the sofa with you. You tell her that to keep a wealthy man interested, she needs to demonstrate sexual competence by giving them a blow job.

Cassandra will then give you a very poor blow job. You can choose to either "break it to her gently" or "be brutally honest". The dialogue will change, but in both cases you tell her that she needs to practice more.

You tell her she is to report to your office after school, and that you will discipline her and she can practice sucking your cock. You also tell her that she should try and find some instructional porn videos, and suggest that Debbie could help her find some suitable videos.

### **[STC10] Debbie's Disappointment**

---

Complete The Practice Date (STC09) with Cassandra. In the evening, spy on Debbie's room. Debbie says that she can share some blowjob videos with Cassandra, and they agree that in return, Cassandra will go down on Debbie. They watch some videos and then make out. Cassandra licks Debbie's pussy, but does so badly. Debbie then shows Cassandra how to masturbate properly.

### **[STC11] Blowjob Practice**

---

Complete The Practice Date (STC09) with Cassandra. After you have completed the practice date, then you can summon Cassandra to your office in the evening.

*Note #1: you are only given the option to summon a girl for punishment if no other girls have been ordered to your office. For example, if you taught a class that day and ordered a girl to be punished after school, you will not be able to summon another girl.*

You are given the option to skip her punishment, or to give her a spanking first. If you give her a spanking, then after the punishment you will need to choose to give her some blowjob practice. If you choose to skip the spanking, you will automatically start the blowjob practice.

*Note #2: if the current version of the game, you cannot increase Cassandra to punishment level 6. You therefore may wish to skip the spanking. (However, you can get still some money by spanking Cassandra.)*

Cassandra will then give you a blowjob. You tell it was a passable blowjob, but you think you need to find her a proper instructor. You wonder if Trixie would be willing to help out with some hands-on sex-ed.

## Student Quests: Liz [STZ]

Complete Liz Tells and Bares All (STZ02). In the afternoon, teach a sports lesson. If the swimming pool is open, you can choose to teach football or swimming.

In the evening, you will get another series of texts from Liz on your phone, showing her changing in the men's changing room. The pictures include a picture of her flashing her breasts while you are taking a shower in the background, and a picture of the girls' locker room with lots of girls changing.

### **[STZ05] Brainstorming with Sally**

---

Complete [Liz Tells and Bares All \(STZ02\)](#). In the evening, visit Miss Newman's apartment.

You discuss Liz's punishment with Sally. You tell her it would be useful if Sally could show Liz how a woman can be sexy while still remaining full dressed. You offer to buy a new outfit for her.

During your discussion Izzy enters the room dressed in sexy lingerie, and then quickly runs away when she realizes you are there.

*Fun note: if you speak to Izzy in the sports center reception on Tuesday afternoons, or in the swimming pool (once it is open), Izzy will look embarrassed and try to explain about what happened when you visited Sally.*

### **[STZ06] A Flash for Cash**

---

If you have not already done so, pass the Body Search rule at the Friday school board meeting (see [REFR06](#) for details). You will need Influence 10 and Discipline 70 to pass the rule.

Raise Liz to Punishment Level 3 ([PLIZ04](#)). This involves passing the strip to underwear rule and completing Liz's Distracting Thoughts ([CLA17](#)). The day after Liz has been raised to level 3, you see Liz accepting a dare from April to flash you.

If you have not already done so, you will also need to pass the Public Punishment rule "strip to underwear for public punishment" at the Friday school board. You will need 10 Influence and 55 Discipline to pass the rule.

Complete the Late Lunch with Samantha ([SFS01](#)) and Samantha's Unruly Bush ([SFS02](#)). This involves helping visiting Sam's house on Sunday, helping Sam clear her overgrown garden and then having tea and biscuits with Sam.

Once you have completed these four actions (passing the body search rule, the strip to underwear for public punishment rule, raising Liz to level 3, and having tea and biscuits with Sam), then Samantha will speak to you in your office. She says that she thinks she smelt cannabis smoke near the dorms. You ask Samantha to stay after work and retrace her steps.

That evening, you will visit the dorms with Samantha. Liz will pretend to trip on the carpet and exposes herself. You then do a body search of Liz, April, Cassandra and Alice while Samantha watches.

During the punishment, April tells you she is wearing a sanitary pad. If you take her word for it, you will get +2 discipline and +1 popularity. If you pull her knickers down anyway, you will get +2 discipline.

You then tell Liz to report to your office after school the next day for an additional punishment.

*Game note: if you have passed the body search rule, raised Liz to level 3, and had tea and biscuits with Sam, but you have not passed the "strip to underwear for public punishment" rule, then Samantha will tell you about the smell of cannabis smoke. However, you will not be able to visit the dorms with Samantha until you have also passed the "strip to underwear for public punishment" rule.*

### **[STZ07] Liz's First Nude Public Punishment**

---

Complete A Flash for Cash (STZ06). At the end of the following day, Liz will report to your office for her punishment. You will make her do a public punishment.

*Note: if you press "skip day" during the day, Liz will not report for punishment. (Pressing "skip period" is OK.) Instead, you will have to wait until the following day and make sure you don't press "skip day".*

Because Liz is not wearing any underwear, she will strip naked for her public punishment. At the end of her punishment, Liz will give you another handjob. While she is giving you a handjob, Samantha will talk to you about the concerns she is having about your disciplinary measures.

### **[STZ08] The Mystery Streaker**

---

Complete Lily Learns a Lesson (SFS04).

*Note: Completing this event also requires you to complete Flash for Cash (STZ06), Liz's First Nude Public Punishment (STZ07) and the Lost Crucifix (SFS03) events.*

The following morning, you will see Liz accepting another dare from April. You tell yourself that you should keep an eye out for bad behavior around the school.

In the afternoon, go to the cafeteria. Choose "late lunch (eat with Samantha)". You will have lunch with Samantha and Sally. While you are having lunch, a streaker runs past. You then tell Sally to arrange to have a suspect line-up of all the girls matching the streaker's height and build. You will get horniness +1.

### **[STZ09] The Suspect Lineup**

---

Complete The Mystery Streaker (STZ08). At the end of that scene, you told Sally to arrange to have a suspect line-up of all the girls matching the streaker's height and build.

Because there were not enough girls matching the streaker's physical description, Sally asks Samantha to join the line-up, and Ruth accidentally decides Samantha is the stripper.

Samantha runs away in embarrassment, and you then correctly identify that Liz was the streaker. You tell Liz that she will be punished for two crimes: firstly for streaking, but also for failing to confess and hoping someone else would take the blame.

### **[STZ10] Corner Time in the Courtyard**

---

Complete The Suspect Lineup ([STZ09](#)). At the end of this, you will automatically punish Liz. During this punishment, you need to raise Liz to Punishment Level 4 ([PLIZ07](#)).

At the end of the punishment, you tell Liz that she will be doing her corner time in public, standing in the courtyard. You also punish April, Cassandra and Alice for persuading Liz to streak. The three girls are wearing non-regulation underwear so they are forced to strip naked for their punishment.

## Student Quests: Priti [STP]

---

### [STP01] Priti Needs Her Fix

---

Complete Good Girl Priti (CLA18). The next time you do a patrol, you will see Harriet and Priti talking. You hear Priti wanting something, but saying she doesn't have any money. Harriet tells Priti there are other ways to pay. Priti agrees, and Harriet says she will visit Priti in her room that night.

### [STP02] Priti's Terrible Crime

---

Complete Priti Needs Her Fix (STP01). In the evening, spy on Priti's room. If you have not already spied on her, then Priti's room will initially be shown as an "unknown room".

You will see that Priti has done Harriet's math homework in exchange for a bar of chocolate. You tell yourself this is a terrible scandal and that you should summon Priti to your office. Grades will decrease by 5 points. They will continue to decline by 5 points every Sunday evening until you manage to stop Harriet.

*Note #1: the decrease in grades can happen from the start of Chapter 2, but it only starts to happen when your grades are 51 or more. However, if your grades drop to 30 or lower, you will get a lower weekly penalty. See REFG02 for details.*

*However, once you have seen this spy event, the message you see will change. Before you see this spy event, you are told that "an unknown influence is causing grades to decline". However, once you have seen this spy event you are told that the impact on grades is because of Harriet's homework-for-chocolate cheating scheme.*

*Note #2: there is a special spy event that happens near the start of Chapter 2, where you smell Marijuana and you ask Maria Consuelo to do a search. See REFR06 for details. If you have not already seen this event, you may get it when you try to spy on Priti. If this happens, simply spy on Priti the following evening.*

### [STP03] Priti's Achilles Heel

---

Complete Priti's Terrible Crime (STP02). During the day, use your office phone to call Priti to your office. She will immediately confess to giving Harriet the answers to Mr Wilson's homework, and asks if you will punish her. You get tell her that you won't punish her, or that you are afraid you must punish her.

*Note: if you say you must punish her, you will spank her at the end of this event. However, it does not affect the choices you make later in the scene about whether to punish her again in the future.*

You talk to her and discover that Priti's weakness is her repressed desires. Priti has been repressed her whole life and subconsciously yearns to be free from the control of others. You decide that need to help Priti become more rebellious. You then have to choose how to do this:

- You can encourage her to act on her repressed desires, which involves you helping Priti without resorting to punishments.  
(This is the **"desires" path.**)
- Or you can to act on her repressed desires as well as deliberately breaking the rules, which involves you punishing Priti.  
(This is the **"punishment" path.**)

When completing Priti's student quest, you choose whether to punish her (the Punishment path), or to help her without punishing her (the Desires path).

*Note #1: If you select the Desires path, you will not be able to one of Priti's other events (Priti's Disregard for the Rules, [STP09](#)).*

*Note #2: if you forced Priti to strip during, then during the Priti's Achilles Heel event, you will tell yourself that you need Priti to trust you, but you badly broke that trust when you forced her to strip naked. This happens regardless of whether you choose the punishment or desires path for Priti. It means that you will not be able to immediately complete the "Goddess of Beauty" event ([STP04](#)). You will need to complete an additional action first. See [XTRA21](#) for details.*

### **[STP04] The Goddess of Beauty**

---

Complete Priti's Achilles Heel ([STP03](#)). The following morning, you will get a scene with Priti where you tell Priti that you think she has repressed her normal desires. You say that you will stop by the sports center on Wednesday after the school play to do another photoshoot. Priti also tells you that her favorite type of chocolate is chocolate cake.

On Wednesday evening, go to the gym.

*Note: if you have not already done so, you will see the Drama Night Part 2 ([OTH02](#)) event, where Emily gives out the new costumes. You will then need to visit the gym again the following Wednesday to see this event.*

At the gym, Claire will tell you that the girls are rehearsing again. Priti appears as Aphrodite in a fairly skimpy costume. After the girls have finished rehearsing, you will have a private photoshoot with Priti. This event then unlocks.

### **[STP05] Priti Won't Snitch**

---

Complete the first part of The Goddess of Beauty ([STP04](#)) event, where you talk to Priti in the morning and she tells you that her favorite type of chocolate is chocolate cake.

Complete the Duchess in the Kitchen event ([CAF01](#)). This involves building the cafeteria, recruiting the manager and then visiting the cafeteria for the first time.

In the afternoon, go to the cafeteria again. You will sit outside the cafeteria, and hear Harriet asking Priti why she was called to the Headmaster's office. Harriet also says that Priti is sexually repressed.

Afterwards, you will automatically speak to Patricia and ask her to bake a chocolate velvet cake. It will cost \$500. Patricia will deliver it to you the following morning.

*Note #1: Patricia will not deliver the cake on a Friday morning. Instead, she will deliver it on the following Monday morning.*

*Note #2: If you do not have \$500, then you say that you'll have to come back later, as you don't have the cash. Wait until you have \$500, and visit the cafeteria again.*

### **[STP06] Chocolate Velvet**

---

Complete The Goddess of Beauty (STP04), Priti Won't Snitch (STP05) and raise Priti to level 2.

*Note: the method of raising Priti to level 2 will depend if you selected the Desires path or the Punishment path. (See STP03 for details of the 2 paths.) If you selected the Desires path, then Priti will automatically advance to Level 2 once you complete the Goddess of Beauty (STP04) event. However, if you selected the Punishment path, you will also need to see Priti misbehave in class and then punish her in your office afterwards. See the Bad Girl Priti event (CLA19) or Priti's punishment guide (PRI02) for details.*

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 1 – Your desire for chocolate". You leave Priti alone in your office with the cake, and tell her that failed the test, because she didn't rebel and eat the cake. Priti then licks the chocolate off your fingers, and you give her another slice of cake.

*Note: if you selected Priti's punishment path, then instead of calling her to your office, you can automatically get her to do Test 1 immediately after her punishment. However, you will need to have completed her photoshoot after the rehearsal (STP04) and bought the cake (STP05) before you punish her.*

### **[STP07] It was Itsy-Bitsy-Teeny-Weeny**

---

Complete the Chocolate Velvet event (STP06).

Buy the string bikini from the Online Shopping | Clothing option on your office computer. It will cost \$500, and will arrive the following weekday.

On Saturday afternoon, go to the Lake. You will give Priti the string bikini and she will spend the day at the beach, getting lots of attention from the rest of the girls and posing for pictures. This event will then unlock.

*Note: during the event, you see Ada taking photos of Priti. You tell yourself that you still have Ada's phone, which you took from her during the New Chapter event (OTH13), and that her phone should be able to access the photos from the cloud.*

If you have already installed the Miss Chang's spyware ([OFF07](#)), you tell yourself that you can use the spyware to view the pictures. If you have not installed the spyware yet, you say that you should speak to Miss Chang about it.

### **[STP08] Priti's New Uniform**

---

Complete the "It was Itsy-Bitsy-Teeny-Weeny" event ([STP07](#)) and raise Priti to level 3.

*Note: the method of raising Priti to level 2 will depend if you selected the Desires path or the Punishment path. (See [STP03](#) for details of the 2 paths.) If you selected the Desires path, then Priti will automatically advance to Level 3 once you complete the Itsy-Bitsy-Teeny-Weeny ([STP07](#)) event.*

*However, if you selected the Punishment path, you will also need to see Priti misbehave in class and then punish her in your office afterwards. See [PRI04](#) for details of how to complete the punishment and raise her to level 3.*

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 2 – Your desire to feel attractive". You tell her that you want her to alter her uniform in a way that complies with the exact wording of the rules but makes a mockery of the school's uniform policy. You then tell yourself that you should spy on her to see how she's getting on.

*Note: if you selected Priti's punishment path, then instead of calling her to your office, you can automatically get her to do Test 2 immediately after her punishment. However, you will need to have completed the Itsy-Bitsy-Teeny-Weeny event before you punish her.*

If you have not already done so, you will need to pass the topless punishment rule. At the School Board on Friday morning, pass the Public Punishment rule "Students misbehaving during class may be ordered to remove all clothing above the waist for the remainder of the lesson" (see [REFR05](#) for details). You will need Influence 11 and Discipline 65.

You will also need to complete the two patrol events where you find Charlotte smoking: "Charlotte caught smoking" ([PAT18](#)) and "A spanking or a handjob" ([PAT19](#)).

In addition, you will also need to complete Harriet's Punishment Announcement ([STH03](#)). This involves doing another patrol to find out about Harriet's activities (see [STH01](#)), doing a body search of Harriet (see [STH02](#)) and agreeing her punishment at the school board. You will then teach a class and see a

punishment scene with Harriet. You strip Harriet to the waist and then announce her punishment as the new dormitory maid.

In the evening, spy on the dorms. If you have not already done so, you will need to spy on Liz's room first. You will see Harriet in her maid's costume, being given chores by Liz and Emily (See [QHAR11](#) for details). After you have seen the scene in Liz's room, spy on Priti's room. You will see Harriet hiding in Priti's room while Priti is studying the uniform policy.

Teach a class. Priti will attend class in a very skimpy uniform and this event will unlock. The exact scene will change depending on whether you have chosen the Desires path or Punishment path for Priti. (See [STP03](#) for details of the 2 paths.)

### **[STP09] Priti's Disregard for the Rules**

The event can only be unlocked if you chose to follow the Punishment path from Priti. (See [STP03](#) for details of the 2 paths.)

Complete Priti's New Uniform ([STP08](#)). At the end of the event, you will see "Giving Priti a Hand" ([STP10](#)), where you talk to her in your office after class, and then masturbate her.

Teach another class. Priti will arrive in her skimpy uniform again. She will remove her tie, and then insult you by calling you a big dummy. You will then decide how to punish her. The event will unlock regardless of which punishment option you choose.

The punishment options you can choose are:

Option	Outcome	Notes
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.  Will need to select this to increase Priti's punishment level and continue with Priti's student quest.
Corporal punishment	+4 discipline	
Enhanced nudity punishment	+1 discipline +2 grades	

If you choose corporal punishment or an enhanced nudity punishment, then this event will randomly repeat when you teach a class. In order to progress with Priti's student quest, you need to order her to your office after school.

For details about how to complete Priti's punishment in your office and raise her to level 4, see [PPRI06](#).

---

### **[STP10] Giving Priti a Hand**

Complete Priti's New Uniform ([STP08](#)). This event will automatically occur immediately afterwards. You will talk to her in your office after class, and then masturbate her. You tell yourself that you will need to teach Priti how to masturbate herself. You also decide that she should have some sexy nightwear to wear, to get her in the right frame of mind.

---

### **[STP11] Priti's Nude Performance**

Complete Priti's New Uniform ([STP08](#)) and Giving Priti a Hand ([STP10](#)). The following morning, you will automatically see a scene where Priti, dressed in her skimpy uniform, talks to you. You suggest that she needs to appear fully naked in the school play.

On Wednesday evening, go to the gym. You will see Priti appear naked on stage while playing the roles of Aphrodite and Pandora. This event will then be unlocked.

---

### **[STP12] Everyone Does It**

Complete Priti's Nude performance ([STP11](#)) and raise Priti to Level 4.

*Note: the method of raising Priti to level 2 will depend if you selected the Desires path or the Punishment path. (See [STP03](#) for details of the 2 paths.) If you selected the Desires path, then Priti will automatically advance to Level 4 once you complete Priti's Nude Performance ([STP11](#)) event.*

*However, if you selected the Punishment path, you will also need to complete Priti's Disregard for the Rules ([STP09](#)) and then punish her in your office afterwards. See [PRI04](#) for details of how to complete the punishment and raise her to level 4.*

Buy the sexy night wear from the Online Shopping | Clothing option on your office computer. It will cost \$800, and will arrive the following weekday.

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 3 – Your desire for self love".

*Note: if you have already seen Priti's Nude Performance ([STP11](#)) and bought the sexy night wear before you punished Priti, then you don't need*

*to use the office phone. Instead, you can automatically test Priti's progress at the end of her punishment.*

Priti says she thinks that touching herself is shameful. You and Priti both remove your clothes and masturbate together. You then tell Priti that you want her to try masturbating again as soon as possible, and you give her the sexy night wear. You tell yourself that you should spy on Priti's room to see how she looks in her new nightclothes.

---

### **[STP13] Priti Takes a Stand**

Complete the "Everyone Does It" event ([STP12](#)). This involves raising Priti to Level 4, completing her third test (Test 3 – Your Desire for Self Love), and buying the sexy night wear.

In the evening, spy on Priti's room. You will see Priti in her sexy lingerie. Harriet, in her maid's uniform, tries to hide in Priti's room. Priti gets Debbie and gives Harriet a spanking. Priti then masturbates herself.

---

### **[STP14] The Food Fight**

Complete Priti Takes a Stand ([STP13](#)). The following weekday, you will automatically see a large scene. It happens the next weekday at the start of the afternoon. You go to the cafeteria, and see Cassandra trying to tease Priti, who ends up starting a food fight.

*Note: If you press "skip day" during the morning, you will not see this event. Either carry out an event (e.g. teach a class, do a patrol) or use "skip period" instead.*

You then hose down the girls to clean them and force them to attend the afternoon classes naked. You get discipline +5 and grades +5.

*Note: At the end of the scene, you then tell Priti to report to your office for additional punishment. In your office, you can raise her to Level 5 and complete the fourth and final test (Test 4 – Your desire towards the opposite sex). See [STP15](#) for details.*

---

### **[STP15] Baking in the Buff**

Complete the Food Fight event ([STP14](#)). That afternoon, Priti will automatically report to your office.

You can decide to tell her that she must be punished, or that you won't punish her. If you decide not to punish Priti, then Priti then suggests that she'd like a

punishment from you anyway. You can then choose to punish her, as it's what she wants, or you can refuse to punish her again.

If you refuse to punish her, she will automatically be raised to Level 5. If you choose to punish her, you will then spank her. See PRI08 for details of how to punish her and raise her to Level 5.

*Note: during this scene, it doesn't matter if Priti is on the punishment path or the desires path. You can choose to spank her even if she is on the desires path, and you can level her up without spanking her even if she is on the punishment path.*

Once you have raised Priti to Level 5, choose "Test 4 – Your desire towards the opposite sex". You ask Priti to tell you what she desires most. Priti tells you that she would like to do another photoshoot with you, and she would like some more cake. You agree to meet her at the cafeteria on Saturday afternoon so that Priti can bake a cake and you can do the photoshoot at the same time.

On Saturday afternoon, go to the cafeteria. Priti bakes a cake whilst stripping naked, and you take photos of her. You then have a sixty-nine with her.

You can repeat this event by going to the cafeteria on a Saturday afternoon.

## Student Quests: The Twins [STW]

---

### [STW01] The Twins Practical Joke

---

Once you have completed the First Public Spanking event ([CLA01](#)), this event will happen automatically during the first class you teach on Day 4 (or any day after). The twins try to play a practical joke on you by putting glue on your chair. However you discover this and instead put glue on their chair, forcing them to spend the lesson without their skirts or panties.

You will get +2 discipline points. (Because this happens at the start of the game, you will probably receive bonus discipline points as well; see above for details.)

### [STW02] The Twin Swap (Part 1)

---

Complete The Twin's Practical Joke ([STW01](#)) and pass the Remove Skirts rule at the school board. Buy the paddle from the online store and wait for it to arrive.

(See [PDEB02](#) and [PDEB03](#) for details about passing the remove skirts rule and unlocking the paddle.)

On Monday, Tuesday, Wednesday or Thursday evening, spy on Mary's room. You will see the twins doing their homework. Louise realizes she has a math test that she hasn't studied for and Mary has a history test she hasn't studied for. The twins agree to swap places so that they sit the exams they have studied for.

*Note: if you haven't already spied on her, then Mary's room will initially be shown as "unknown room".*

### [STW03] The Twin Swap (Part 2)

Complete the Twin Swap Part 1 ([STW02](#)) and then teach a class. This event will automatically play out. You will give the class a test and trick Louise into thinking that Mary has been talking to the Headmaster and that Louise is about to be punished as a result.

### [STW04] The Twin Swap (Part 3)

---

Complete the Twin Swap Part 2 ([STW03](#)). This event will automatically happen the same day as Part 2. After the afternoon period has finished, the twins will visit you in your office.

Louise claims to be Mary to avoid being punished, but you speak to the nurse and discover that Mary has a small mole on her left breast, which you can use to help distinguish the twins from each other. You then paddle both twins. You will receive \$600.

### **[STW05] The Twin Swap (Part 4)**

---

Complete the Twin Swap Part 3 ([STW04](#)). In the evening, spy on Mary's room again. You will see them talking about their punishment. Louise will say that she wants revenge.

### **[STW06] The Twin Swap (Part 5)**

Complete the Twin Swap Part 4 ([STW05](#)). This event will then automatically happen the next time you teach a class. Mary will ask you to inspect her before the rest of the class arrives. You will get +2 grade points.

### **[STW07] Louise Complains**

---

Start Chapter 2 of the game by completing the New Chapter event ([OTH13](#)). Complete the Twin Swap: Part 5 ([STW06](#)) and the Wrong Way to Give a Punishment ([SFP06](#)).

The following day, teach a class. Before the lesson begins, Louise will speak with you, and tell you she is worried about Mary and angry about Miss Potts. You tell yourself that the next time the twins get in trouble, you will have Miss Potts come to your office instead of Sally.

*Note: Depending on your progress with other quests in the game, you may see other classroom scenes before Louise complains to you.*

### **[STW08] Ada and the Twins**

---

This event will automatically happen on the first Sunday evening in Chapter 2. You will see Ada trying to take photographs of the twins but the twins don't like having their picture taken.

### **[STW09] Heels and a Handbag**

---

Complete Louise Complains (STW07). If you have not done so, once you have 55 Discipline and 10 Influence, pass the "Strip to Underwear" Corporal Punishment rule at the Friday school meeting. (This rule is unlocked at the start of Chapter 2, see REFR04 for details.)

The following Friday Morning, this event will automatically happen. Miss Potts will see Mary crying, but it is just a trick to allow the Twins to strip Miss Potts naked and leave her wearing nothing but her heels and her handbag.

### **[STW10] The Twins Public Shaming**

---

Complete Heels and a Handbag (STW09). Afterwards, you will automatically attend the Friday board meeting. Miss Potts will propose (and pass) a rule allowing you to strip the twins naked after their punishment.

After school, you and Miss Potts will automatically punish Mary and Louise. They will then be displayed naked in front of the entire school. You will receive \$800.

### **[STW11] The Twins Poolside Punishment**

---

Complete the Twins Public Shaming (STW10) and the First Swimming Lesson (SPT13). In the afternoon, teach a sports lesson and choose swimming. You will spot the twins coming out of the changing area and jumping in the pool. The options you can choose are:

Option	Outcome	Notes
Let them off with a warning	+1 popularity -1 discipline	
Punish them now	+3 discipline	
Enforced nudity punishment.	+4 discipline	Only available if you have unlocked the topless punishment rule (see REFR05).

This is a repeatable event. If you teach further swimming classes, you will see this event or the Swimming Lengths event ([SPT14](#)). However, once you have completed The Sticky Phallus ([STW12](#)), you will no longer see this event.

### **[STW12] The Sticky Phallus**

---

Complete The Twins Revenge ([SFP09](#)) and the First Volleyball Lesson ([SPT15](#)).

During the First Volleyball Lesson, April will get sunburnt. The following Friday, you will discuss April's sunburn at the school board. A new Headmaster's Privilege rule is unlocked allowing you to restrain anyone on campus if you consider them to be endangering themselves or others. Once you have 12 Influence and 85 Discipline, pass this rule.

When you pass the rule, the option to buy padded wrist and ankle cuffs is unlocked. Buy the safety cuffs and restraints from the Online Shopping | Sex Toys option on your office computer. Each set will cost \$160 and you will buy as many as you can afford, up to a maximum of 25 sets. Buying the maximum number will cost £4000. They will arrive the following weekday morning.

In the afternoon, teach a sports lesson, and choose to teach volleyball. You will teach a volleyball lesson. At the end of the lesson, the twins will play a prank on you, which involves a dildo being stuck to your hands while you are naked. The school nurse manages to remove the dildo and gives you a handjob. You tell the twins that they will be punished multiple times for their prank.

*Fun note: if you spy on Mary's room before punishing the twins and raising them to Punishment Level 2, you will see the twins laughing about their prank. Louise calls your penis really gross, but Mary seems to have a different view.*

### **[STW13] Mary's Bedroom Frustration**

---

Complete The Sticky Phallus ([STW12](#)) and raise the twins to punishment level 2 ([PTWI04](#)). At the end of the punishment, tell the girls to kiss you.

In the evening, spy on Mary's room. Louise is angry at the punishment but Mary says she deserved to be punished. Mary wants to be left alone so she can masturbate, but Louise insists on sleeping with her, so Mary is left frustrated.

### **[STW14] Private Chat with Mary 1**

---

Complete Mary's Bedroom Frustration ([STW13](#)). During the day, use your office phone to call Mary to your office. You talk to her about why she and her sister keep getting into trouble. Mary tells you that she wants to visit exotic places and

meet new people, but without her sister. She admits she isn't a virgin. At the end, Mary is sexually aroused and you masturbate her to orgasm.

### **[STW15] Private Chat with Louise 1**

---

Complete Mary's Bedroom Frustration ([STW13](#)). During the day, use your office phone to call Louise to your office. You talk to her about her bad behavior. Louise says that after she graduates, she wants to go home with Mary. She also says that she doesn't masturbate.

### **[STW16] Louise Plots Revenge**

---

Complete The Sticky Phallus ([STW12](#)) and raise the twins to punishment level 2 ([PTWI04](#)). Make sure you kiss them after the punishment. You will also need to complete Liz's First Nude Public Punishment ([STZ07](#)).

In the evening, summon the Twins to your office for another punishment. This time, choose to give them a public punishment. You will spank the twins and then they will spend the evening cleaning the dorm windows while naked.

Complete Private Chat with Mary 1 ([STW14](#)) and Private Chat with Louise 1 ([STW15](#)). When you have completed both private chats, you discover that both girls are suffering from sexual frustration. Mary has plans for the future that involve travelling and meeting new people, but Louise just wants to go back home with her sister. You realize you need Louise to submit to being sexually pleased by her teachers.

In the evening, visit Miss Potts' apartment. You can visit her any night (including weekends) except Wednesday. Say that "I am here for your training" and then choose to talk about "the root cause of the twins bad behavior".

In the evening, spy on Mary's room. You will see the twins talking about the individual discussions you had with the two girls. Mary admits she is sexually frustrated, but Louise gets angry and mentions she is planning another prank against you.

### **[STW17] The Spiking Prank**

---

Complete Louise Plots revenge ([STW16](#)). The following weekday morning, you will see a scene with Mr Wilson and Samantha. Mr Wilson has lost his Viagra pills and asks Samantha if they have been handed into lost property.

You will also need to complete Staff Training 4: Pleasurable Touch ([TRN04](#)).

Once you have completed the fourth staff training session and heard Louise planning another prank, teach another volleyball class.

The twins will spike your drink with Viagra. You will make some inappropriate comments and develop a large erection. You will then visit the nurse, who gives you a handjob. You will get horniness +1. You will then automatically punish the twins after school.

### **[STW18] Mary Gets Some Privacy**

---

Complete The Spiking Prank (STW17) and raise the twins to punishment level 2 (PTWI08). After the punishment, tell them to kiss you, and then kiss your cock.

In the evening, spy on Mary's room. Louise tells Mary that she'll try and be a better sister. The girls then decide to sleep in their individual rooms so that they can both masturbate first.

### **[STW19] Private Chat with Mary 2**

---

Complete Mary Gets Some Privacy (STW18). During the day, use your office phone to call Mary to your office. Mary apologizes for the prank. Mary then has sex with you.

## Student Quests: Harriet [STH]

---

### [STH01] Harriet Meets her Source

---

To unlock this event, you will need to complete Priti's Achilles Heel ([STP03](#)), where she confesses to giving Harriet the answers to Mr Wilson's homework. You will also need to complete the "Charlotte Caught Smoking" ([PAT18](#)) and "A Spanking or a Handjob" ([PAT19](#)) patrol events.

You will also need to open the cafeteria and complete the A Duchess in the Kitchen event ([CAF01](#)) and Priti Won't Snitch ([STP05](#)).

If you have not already done so, you will also need to pass the topless punishment rule. At the School Board on Friday morning, pass the Public Punishment rule "Students misbehaving during class may be ordered to remove all clothing above the waist for the remainder of the lesson" (see [REFR05](#) for details). You will need Influence 11 and Discipline 65.

Do a patrol. You will see Harriet secretly meeting Lily (who is the sister of Samantha, your secretary). Lily is supplying her with alcohol, cigarettes, chocolate and knickers.

*Note: you do not have to complete the "Meeting Lily" event ([OTH12](#)) first, but it helps the storyline if you have done so.*

### **[STH02] Harriet's Contraband Discovered**

---

If you have not done so, you will need to make Rachel your trainee. To do this, raise Rachel to punishment level 3 and assign her a role as your trainee. See [PRAC03](#) for details.

You will also need to pass the Body Search rule at the Friday school board meeting. If you have not done so, at the School Board on Friday morning, pass the Headmaster's Privileges rule "The Headmaster has the right to perform a body search of anyone on campus. Students must raise their skirts and open their shirts to allow for easy access to their underwear." (See [REFR06](#) for further details). You will need Influence 10 and Discipline 70 to pass the rule.

Complete Harriet Meets Her Source ([STH01](#)). On Monday or Friday afternoon, go to the Sports Center and speak to Harriet. Choose to do a body search.

*Note #1: if you have not already done so, you can ask her "how are you?" and "how's business?" These are not required but help to progress the storyline.*

*Note #2: if you have not already completed Cassandra's event "Unlocking her Weakness" ([PCAS04](#)) where the other girls spank Cassandra with the paddle in the sports center, then you cannot see Harriet on Friday. You will see Cassandra's event instead.*

After doing a body search, you also check Harriet's bag and find homework answers from other girls and other contraband.

### **[STH03] Harriet's Punishment Announcement**

---

Complete the "Harriet's Contraband Discovered" event ([STH02](#)). The following Friday morning, you will automatically see a scene where you tell the Board about Harriet's black market trade in homework answers.

During the week, teach a class. After the school board meeting where you discuss Harriet, you will automatically see this scene. You will give Harriet a topless punishment. You then announce the Harriet is now the dormitory maid and that if she fails to comply, the other girls may spank her.

### **[STH04] Harriet's Body Inspection**

---

Complete Harriet's Punishment Announcement ([STH03](#)). The next Friday, you will attend the school board meeting as usual. You will then automatically see a scene where Harriet strips naked and the teachers will examine her nude body. You will get +2 Influence Points.

*Note: you can inspect Harriet at future meetings of the school board as well. To do this, choose the new "Student Body Inspections" option in the agenda and then "Harriet Rose". Harriet will strip naked and the teachers will examine her nude body.*

## Student Quests: Emily [STE]

---

### [STE01] I am Not a Nudist

---

Complete Emily the Nudist (LAK03) and start Chapter 2 by completing the New Chapter event (OTH13). In the evening, spy on Liz's room.

You will hear Emily explaining how Lucy left her naked and she had to pretend to be a nudist to avoid punishment. Liz then wonders if you might allow other girls to go swimming in the nude. Emily also tells Liz and Harriet about the only (small) penis she's ever seen, and how she'd "love to see a nice big penis someday".

*Note #1: this event will help you unlock Emily's "The Reluctant Nudist" quest. See QEM.*

*Note #2: Depending on what other events you have done, and when you last spied on Liz, the girls may talk about other subjects first. See REFS8 for a note of all the topics of gossip that the girls discuss.*

### [STE02] Emily's Juicy Gossip

---

Complete the Benefits of Nudism event (STE03). In the evening, spy on Liz's room. You will hear Emily telling Liz and Harriet about Sally sucking your cock. You will get horniness +1.

### [STE03] The Benefits of Nudism

---

Complete the "I am Not a Nudist" spy event (STE01). If you have not already done so, get Sally to speak to you about whether you have found a set of keys. See Sally's Lost Keys (SFN02) for details.

On Tuesday, Wednesday or Friday afternoon, speak to Sally in the changing room in the Sports Center. She will tell you that she overheard a rumor about Emily being a nudist. Sally will then tell you that her family were nudists as well. You agree to call Emily to your office for a little chat.

You can then use your phone to summon Sally and Emily to your office. You and Sally will strip, and then Sally will undress Emily. You will struggle to contain your erection, and you can choose to think un-sexy thoughts, or to just let it happen. Regardless of which option you choose, you get an erection. You also tell Emily that you will be designating an area of the beach as clothing optional but that you will need permission from the School Board first.

After Emily leaves, Sally will give you a blowjob.

## Student Quests: Maxine [STX]

---

### [STX00a] Unlocking Maxine's Fundraiser Week: Part 1

---

Maxine's student quest is different to the other quests. Once you have unlocked Maxine's fundraiser week, all the events below will automatically happen in order.

However, there are several actions that need to be completed before you can unlock the fundraiser week.

Complete the New Chapter event ([OTH13](#)) and start Chapter 2 of the game. On the first Thursday in Chapter 2, Chapter 2, you will see a scene where Maxine is waiting to speak with you in the morning. She wants to discuss an important issue about the girls' knickers. You tell her to visit you in your office.

You then tell yourself that you should spend some time doing paperwork in your office and see what Maxine wants. You think that you could always just watch porn in your office, which might make it more entertaining listening to Maxine's complaint.

### [STX00b] Unlocking Maxine's Fundraiser Week: Part 2

---

Complete the paperwork event "The Great Underwear Shortage" ([PAP06](#)) and the spy event Maxine Gets a Whipping ([SPY04](#)).

Carry out patrols during the week until you see the Naked Mole Rat event ([PAT17](#)) with Maxine. You will then need to do additional patrols until you see this event again. You should donate \$100 (this means that you will have donated \$120 in total). You will get +3 popularity.

*Note: In Chapter 2, you will see most of the patrol events in a particular order. This means that the Naked Mole Rat will usually be the second or third patrol event that you see. See [REFS7](#) for more information about the order of patrol events in Chapter 2.*

Once you have completed these events, Maxine will visit you the following morning. She says that she wants to you to pass a message to the school's owners and ask if they would be willing to contribute towards a charity fundraiser. You tell Maxine that she can record a video message and you will forward it to the school owners' representative.

*Note: Maxine will not visit you on a Friday morning. Instead, she will visit you on the following Monday morning. In addition, Maxine will not visit you if you have other visitors (e.g. Miss Swallows). Instead, she will visit you the following day.*

The following morning, you will automatically see a scene in your office where you give Maxine the reply from Mr Mykock. Mykock says that the school owners are offering to sponsor Maxine to wear a series of risqué outfits to school over a week-long period. Maxine will be provided with a different outfit each day. They will also provide bonus donations for other students who are also convinced to wear the outfit.

Maxine mentions that normally students have to wear their uniform during school hours. You say that you can make an exception for a good cause, and you will raise the matter at the next school board.

The following Friday, you tell the School Board about the charity fundraiser. You tell them that they need to make an amendment to the rules to permit the girls to wear alternative clothing to school if it is for charity.

This will unlock the Uniform Policy: Charity Exemptions rule. You will need 16 influence, 90 discipline and 18 horniness to pass the rule. In addition, you will need to complete several other student quests and other events before you can pass the rule. See below for details.

### **[STX00c] Unlocking Maxine's Fundraiser Week: Part 3**

---

The following actions can be completed in any order. You will need to complete all of them before you can pass the Charity Exemptions rules.

Recruit Amy's friends, Olivia Da'Silva and Jasmine Walker, to the school. See [OFF02](#) and [OFF05](#) for details.

*Note: if you start a new game in Chapter 2, Olivia and Jasmine will automatically join at the start of the second week.*

Complete "Ada the Secret Voyeur" ([OFF07](#)). This involves planting the spyware on Maxine's phone, viewing the videos of Ada that Mykock sends you, unlocking the secret photos on Ada's phone, and viewing Ada's candid photos of the twins.

Complete Lucy Lends a Hand ([HOM09](#)), where Lucy gives you a handjob while she is cleaning your house. To do this, you will need to complete all Lucy's previous actions, including Lucy's Extra Services ([HOM08](#)). You also need to complete Sex Ed with the Nurse ([CLA14](#)).

Complete Priti's "the Reluctant Rebel" student quest. This includes raising Priti to Level 5 and completing Test 4, where you meet Priti at the cafeteria on Saturday to bake a cake. See [STP01](#) to [STP15](#) for details.

Complete Liz's classroom event "Liz Flashes her Pussy" event ([CLA16](#)). This is a random event that happens when you teach a class in Chapter 2. To complete

this event, you need to pass the Corporal Punishments rule "students may be ordered to strip down to their underwear". You also need to have horniness 6+.

Complete Alice's two paperwork events, "Alice Needs Tutoring" ([PAP04](#)) and "Alice Offers a Deal" ([PAP05](#)). To unlock these events, you must teach classes until you get a scene where you say that Alice's work was not up to scratch, and she should see you in your office for some tutoring. You should then choose to do paperwork, and Alice will visit you. You will need popularity 40+ and horniness 8+.

Complete Rachel's quest "The Headmaster's Pet Part 1". This involves increasing Rachel to punishment level 7 and giving her a promotion to your P.E.T. See [STR16](#) or Rachel's punishment guide ([PRAC01](#) to [PRAC13](#)).

Once you have completed all these actions, you can pass the Uniform Policy "Charity Exemptions" rule at the school board. You will need 16 Influence, 90 Discipline and 18 Horniness.

### **[STX01] The Logo**

---

Maxine's fundraiser week will start on the Monday after you pass the Charity Exemptions rule. On the Monday, Maxine and the other girls will wear a t-shirt with the naked mole rat logo on it. After class, Lucy will speak with you and you will help relieve her sexual frustration. You will get +2 grades and +1 horniness.

### **[STX02] The Bikini**

---

This event will automatically happen on Tuesday during the fundraiser week. Maxine and the other girls will wear a string bikini. After class, you will help Alice with her sexual frustration. You will get +2 grades and +1 horniness.

### **[STX03] Bondage Gear**

---

This event will automatically happen on Wednesday during the fundraiser week. Maxine and the other girls will wear bondage outfits. After class, you will help Priti with her sexual excitement. You will get +2 grades and +1 horniness.

### **[STX04] Simulated Nudity**

---

This event will automatically happen on Thursday during the fundraiser week. Maxine and the other girls will wear skin tight bodystockings. After class, you will help Liz with her sexual frustration. You will get +2 grades and +1 horniness.

### **[STX05] Naked, Waxed and Oiled**

---

This event will automatically happen on Friday during the fundraiser week. There is a special meeting of the school board. Maxine and the other girls will then go naked for the day. This includes removing their pubic hair and oiling their bodies. Ada is stripped by the other girls and forced to join them for the day. In the afternoon, Maxine gives a talk to your class about the week. You will get +1 grades.

### **[STX06] Ada's Betrayal**

---

This event will automatically happen on Friday evening during the fundraiser week. Ada tries to blackmail you and Maxine into having sex by threatening to destroy the photos from the day. You manage to rescue the photos and stop Ada.

### **[STX07] The Headmaster's Reward**

---

This event will automatically happen on Friday evening during the fundraiser week after Ada's Betrayal. You and several of the girls have a celebration, and then five of the girls (Maxine, Lucy, Alice, Priti and Liz) give you a blowjob. While you are doing so, Debbie gives Ada several orgasms. You will get +1 horniness.

### **[STX08] The Minimal Uniform Requirements**

---

This event will automatically happen during the board meeting a week after Maxine's fundraiser week. Before the board meeting, you will speak with Reilly Goodhead, who is Mykock's secretary. She demonstrates a new uniform to the school board, which has been designed to allow you to quickly expose the girls when you want.

This unlocks the "minimal uniform" punishment option.

*Game note: in the current version of the game, there are only a few scenes where you can use this option, e.g. the "Careless Flashing" patrol event (PAT22) and Ada's Body Search (BDY09).*

### **[STX09] Kind, Thoughtful and Exhibitionistic**

---

After the board meeting, you will automatically teach a class where you demonstrate the "minimal uniform" to the other students

After class, Maxine and Ada are forced to do fundraising after school while wearing the minimal uniform. Both girls are feeling rather humiliated by the

experience. To help them, Lucy, Alice, Priti and Liz decided to join them while wearing outfits from the fundraiser week.

*Note: you can inspect Ada and Maxine at future meetings of the school board as well. To do this, choose the "Student Body Inspections" option in the agenda and then "Ada Campbell (and Maxine Fisher)". Maxine and Ada will change into the minimal uniform. Sally will then spank Ada while a vibrating egg is inserted in her.*

## Student Quests: Faye [STF]

---

### [STF01] Faye the Faker

---

Talk to the nurse in her office (in the Sports Center) on Monday, Tuesday, Thursday or Friday afternoon. The first time you speak to her, she tells you there are a few students who often see the nurse. You see Faye sleeping on a bed.

Visit the nurse for a second time. Faye will come into the office, and the nurse will mention this is the second time this week Faye has been in.

Once you have \$250, buy the Butt Plug from Online Shopping | Sex Toys option on your office computer. It will arrive the next day.

*Note: The Butt Plug is available from the start of the game, so you can order it even before you've spoken to the nurse.*

Speak to the nurse for the third time. Faye will come in, and you will take her temperature anally, at which point Faye will confess she's not really ill. You will then insert the butt plug and send her back to her class. This scene will then unlock.

*Fun note: If you speak to Faye in the dorm room on Tuesday evening, she will initially talk about how she used to be sexually harassed at her old school. But after this event is unlocked, if you talk to her she will mention how weird the butt plug felt instead.*

### [STF02] The Forgetful Faye

---

You will need to complete Faye's butt plug punishment ([STF01](#)) and Nina Meets Faye ([WEP10](#)).

This event will then happen when you teach a class in Chapter 2. You ask the class about causes of the Russian Revolution. Lucy and April give answers, but Faye admits she forgot to read the chapter of her textbook. Grades will decrease by 1.

*Note: this event will usually happen the first time you teach a class after unlocking Faye's student quest ([QFAY00](#)), but you may see other classroom events first. If that happens, you will need to teach further classes until the event happens.*

You will choose to give Faye a punishment after school. For details about how to complete Faye's punishment in your office and raise her to level 2, see [PFAY01](#).

A slightly different version of this event will then happen randomly when you teach the class. You will ask Faye a question about Rasputin that she fails to answer.

You can also see this event by choosing Faye to answer a question during the Friday pop quiz. See [REFG04](#) for more details about the pop quiz. You ask Faye for the name of the mystical advisor of Nicholas II but she doesn't know.

The options you can choose are:

Option	Outcome	Notes
Let her off	+1 popularity -1 discipline -1 grades	
Order her to your office after school	-1 grades	Will get money or discipline depending on the after school punishment you choose.
Corporal punishment	-1 grades +3 or +4 discipline	Will get +4 discipline if you have unlocked the strip to underwear rule (see <a href="#">REFR04</a> ).
Enforced nudity punishment.	+1 discipline +2 grades	Only available if you have unlocked the topless punishment rule (see <a href="#">REFR05</a> ).

---

### **[STF03] Faye's Red Butt**

Once you have raised Faye to punishment level 2 ([PFAY01](#)), spy on her room in the evening. If you have not already spied on her, then Faye's room will initially be shown as an "unknown room".

You will see Faye looking at her red butt in the mirror. Harriet, Maxine and Liz visit Faye to see how she is doing after her spanking. Faye tells them about her spanking and then asks for their help with her homework, but the other girls say they can't help her. You say will take mercy on her and give her a public punishment next time.

---

### **[STF04] Nina Tutoring Faye 1**

Complete Nina's Secret Crush ([SPY05](#)). The next time you teach a class, this event will automatically happen. You will ask Faye and Nina to remain behind after class. You ask Nina to tutor Faye after school.

*Note: This scene will usually happen the first time you teach a class after seeing Nina's Secret Crush, but depending on your progress with other quests in the game, you may see other classroom scenes before you ask Nina to tutor Faye.*

### **[STF05] Nina Tutoring Faye 2**

---

Complete Nina Tutoring Faye 1 ([STF04](#)). In the evening, spy on Faye's room. You will see Nina tutoring Faye. You realize that Nina has a very good understanding of the course material, but she is very shy.

### **[STF06] Nina Tutoring Faye 3**

---

Complete Nina Tutoring Faye 2 ([STF05](#)). The following weekday morning, you will automatically see a scene where Faye thanks Nina for her help. Faye then asks Nina if she would like to have lunch with her. Nina says that she doesn't want any friends, because friends always end up hurting her.

This event will only unlock if you choose to give Priti a private punishment. It will not unlock if you give her a public punishment or if you decide to punish her in class instead.

For details of how you should carry out the actual punishment, see [PPRI02](#).

**Public Punishment 1 (School Uniform):** You can see this event in Chapter 2, once you have completed Priti's Achilles Heel ([STP03](#)) and chosen her Punishment path. (If you choose her non-punishment path, you won't be able to see this event.)

Teach classes until you see the Bad Girl Priti class event ([CLA19](#)). Alternatively, you can ask Priti to answer an impossible question during the Friday pop quiz. (See [REFG04](#) for more details about the pop quiz.)

Order her to your office after class and choose to give her public punishment. You will see her cleaning the sports center.

Once you have passed the school rule *Girls must clean the school grounds in their underwear* then you will no longer see this event. You will see Public Punishment 3 instead.

**Public Punishment 2 (Punishment outfit):** if you have passed the school rule *Girls must clean the school grounds in a punishment outfit*, you will see this scene instead of Public Punishment 1. You will need 4 Influence and 25 Discipline to pass this rule.

You need to pass this rule as part of Rachel's student quest, *The Headmaster's Pet* (see [STR04](#)). However, you can pass this rule earlier if you wish. If you want to see the Public Punishment 1 scene, you will need to give Priti a public punishment before you pass the rule.

You can only see this event if you have not passed the school rule *Girls must clean the school grounds in their underwear*.

**Public Punishment 3 (Underwear):** Once you have passed the school rule *Girls must clean the school grounds in their underwear*, you will see this scene instead of Public Punishment 2. You will need 10 Influence and 55 Discipline to pass this rule.

**Public Punishment 4 (Panties):** Once you have unlocked Priti's modified uniform, you will see this scene instead. See [STP08](#) for details of unlocking Priti's new uniform. Priti's new uniform does not include a bra, so she will do her public punishment in just her panties.

You will also need to ensure you have passed school rule *Girls must clean the school grounds in their underwear*, or you will see Public Punishment 2 instead.

**Note:** To see Priti's private punishment and public punishment events, you must choose her Punishment path during Priti's Achilles Heel ([STP03](#)). If you choose the Desire (non-punishment) path, then you cannot see any of these events.

Once you have raised Priti to Level 5 and completed the Baking in the Buff event ([STP15](#)), you can only give her a public punishment if you ask Priti to answer an impossible question during the Friday pop quiz. (See [REFG04](#) for more details about the pop quiz.)

## **[PUN06] Faye**

---

**Private Punishment:** You can punish Faye from the start of Chapter 2. See the Forgetful Faye event ([STF02](#)) for details. The first time this happens, you will automatically punish her after school and decide to spank her. This event will then unlock.

For details of how you should carry out the actual punishment, see [PFAY01](#).

**Public Punishment 1 (School Uniform):** Teach classes until you see the Forgetful Faye class event ([STF02](#)) again. Alternatively, you can ask Faye to

answer an easy, hard or impossible question during the Friday pop quiz. (See [REFG04](#) for more details about the pop quiz.)

Order her to your office after class and choose to give her public punishment. You will see her picking up litter on the beach.

**Public Punishment 2 (Punishment outfit):** if you have passed the school rule *Girls must clean the school grounds in a punishment outfit*, you will see this scene instead of Public Punishment 1. You will need 4 Influence and 25 Discipline to pass this rule.

You need to pass this rule as part of Rachel's student quest, *The Headmaster's Pet* (see [STR04](#)). However, you can pass this rule earlier if you wish. If you want to see the Public Punishment 1 scene, you will need to give Faye a public punishment before you pass the rule.

**Public Punishment 3 (Underwear):** Once you have passed the school rule *Girls must clean the school grounds in their underwear*, you will see this scene instead of Public Punishment 2. You will need 10 Influence and 55 Discipline to pass this rule.

---

### **[PUN07] Liz**

**Private Punishment:** To punish Liz, you will need to complete the New Chapter event ([OTH13](#)) and start Chapter 2 of the game. You will then need to complete Liz Flashes Her Pussy ([CLA16](#)). To complete this event, you will first need to pass the Strip to Underwear rule, and have horniness 6+.

Teach classes until you see the class event Liz's Distracting Thoughts ([CLA17](#)), where you see Liz daydreaming in class. Alternatively, you can ask Liz to answer an easy, hard or impossible question during the Friday pop quiz. (See [REFG04](#) for more details about the pop quiz.)

This event will only unlock if you choose to give Liz a private punishment. It will not unlock if you give her a public punishment or if you decide to punish her in class instead.

For details of how you should carry out the actual punishment, see [PLIZ02](#).

**Public Punishment 1 (School Uniform):** Teach classes until you see the class event Liz's Distracting Thoughts ([CLA17](#)). Alternatively, you can ask Liz to answer an easy, hard or impossible question during the Friday pop quiz. (See [REFG04](#) for more details about the pop quiz.)

Order her to your office after class and choose to give her public punishment. You will see her cleaning the main courtyard.

*Note: the first time you punish Faye you will automatically give her a private spanking, but you can give her a public spanking the second time you punish her.*

**Public Punishment 2 (Punishment outfit):** if you have passed the school rule *Girls must clean the school grounds in a punishment outfit*, you will see this scene instead of Public Punishment 1. You will need 4 Influence and 25 Discipline to pass this rule.

You need to pass this rule as part of Rachel's student quest, *The Headmaster's Pet* (see [STR04](#)). However, you can pass this rule earlier if you wish. If you want to see the Public Punishment 1 scene, you will need to give Liz a public punishment before you pass the rule.

**Public Punishment 3 (Naked):** Once you have completed Liz's First Nude Public Punishment ([STZ07](#)), then you will see this scene instead of Public Punishment 2. You tell Liz to strip down to her underwear, but because is not wearing any underwear, you tell her she will be naked while she does her public punishment.

*Note: Before you can complete Liz's nude public punishment, you will also need to pass the school rule Girls must clean the school grounds in their underwear.*

*If you have passed the underwear public punishment rule, but have not yet completed Liz's nude public punishment, then you will see Public Punishment 2 instead.*

## **[PUN08] The Twins**

---

*Game note: The information below shows what you should do to unlock the following events. However, in version 0.17.2.1, there is an issue (particularly with new games) that means you may not be able to unlock this replay event, or some of the public punishments. This issue should be fixed in a later update.*

**Private Punishment:** You can punish the Twins in Chapter 2, after you have completed The Sticky Phallus ([STW12](#)) event. In the evening, summon the Twins to your office for punishment. Choose to give them a private punishment.

For details of how you should carry out the actual punishment, see [PTWI04](#).

**Public Punishment 1 (School Uniform):** Complete the Sticky Phallus ([STW12](#)) event. In the evening, summon the Twins to your office for punishment. Choose to give them a public punishment. You will see them cleaning the dorm windows.

**Public Punishment 3 (Underwear):** Once you have passed the school rule *Girls must clean the school grounds in their underwear*, you will see this scene instead of Public Punishment 2. You will need 10 Influence and 55 Discipline to pass this rule.

**Public Punishment 4 (Naked):** Once you have completed Liz's First Nude Public Punishment (STZ07), then you will see this scene instead of Public Punishment 3. You will need to complete this punishment as part of the Twin's student quest. (See [PTWI05](#) for details.)

## Class Events [CLA]

---

### Class Events: Bonus Discipline Points

---

When discipline is low, you will get extra discipline points. This is to reflect the fact that in the early game, the girls are not used to your discipline methods, and it will have a bigger impact on their behavior.

This means that, particularly at the start of the game, you may receive more discipline points than shown below. For example, if you see the Inappropriate Clothing event ([WEP01](#)) during the first weekend, and you tell the girls to change, you may receive +2 or +3 discipline instead of +1 discipline.

See [REFR02](#) for more information about the bonus discipline points.

### [CLA01] The First Public Spanking [1]

---

The event will happen automatically during the first class you teach. Cassandra will insult you and Miss Newman will spank her. You will get +2 discipline points. (Because this happens at the start of the game, you will probably receive bonus discipline points as well; see above for details.)

### [CLA02] Emily's Lost Skirt (Part 1) [3]

---

This event is available from the start of the game. Visit the Classrooms area on Tuesday afternoon. In the hall, you will see a group of 4 girls beside the lockers. When you talk to them, you will find Emily's skirt is stuck. Select "pull her waist", and then teach a class that afternoon. This event will unlock and you will get +1 discipline point. (You may also receive bonus discipline points, see above for details.)

*Note #1: If you select "pull her skirt" instead of "pull her waist", then this event will not unlock, but you will get +1 popularity.*

*Note #2: This event is only available in Chapter 1. Once you start Chapter 2 of the game you will no longer be able to see this event.*

### [CLA03] Emily's Lost Skirt (Part 2) [4]

---

Pass the Very Strict Uniform Policy to allow you to confiscate non-regulation underwear. (See [PDEB05](#) for details about unlocking this rule.)

Visit the Classrooms area on Tuesday afternoon, talk to Emily and select "pull her waist" again, and then teach another class that afternoon. This event will unlock and you will get +2 discipline points. (You may also receive bonus discipline points, see above for details.)

*Note #1: If you select "pull her skirt" instead of "pull her waist", then this event will not unlock, but you will get +1 popularity.*

*Note #2: You do not have to complete Emily's Lost Skirt Part 1 (CLA02) before completing Part 2. If you did not complete Part 1 before completing Part 2, then both parts will be unlocked in the replay menu when you complete Part 2.*

*Note #3: This event is only available in Chapter 1. Once you start Chapter 2 of the game you will no longer be able to see this event.*

#### [CLA04] Amy is Late for Class [5]

---

There are four versions of this event.

**First version:** this is available from the start of the game. It will randomly happen when you teach a class. The options you can choose are:

Option	Outcome	Notes
Let her off	+1 popularity -1 discipline	
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.
Corporal punishment	+2 or +3 discipline	Will get +3 discipline if the remove skirts rule has been passed.

*Note: You may also receive additional bonus discipline points. See the note at the top of this section, or see [REFR02](#) for more information.*

If you decide to punish her during class, you will also complete part of the "Amy gets tickled" event ([CLA12](#)).

**Second version:** this version will occur once you have completed the "Amy gets tickled" event ([CLA12](#)). You arrive at your classroom to find Amy there early, but she is missing her tie. You can choose to let Amy off, or to punish her after school. If you let her off, you teach your class and get +2 grades.

**Third version:** this version will occur once you have completed the "Amy Gets Anal" event ([STY13](#)) where you have anal sex with Amy. The girls arrive on time and the lesson runs smoothly. You tell yourself that there is nothing like a good anal fucking to make a student behave themselves. You get +2 grades.

**Fourth version:** this version will occur once you have completed the "Amy Gets Anal" event ([STY13](#)), and then you complete Amy in the Girls' Locker room,

where you speak to Amy on a Tuesday morning and then have sex with her in the shower. You will then automatically see this version. Amy is extra attentive in your lesson and you gets grades +3.

### [CLA05] Rachel Falls Asleep

**Chapter 1 version:** The initial version of event is available from the start of the game. It will happen randomly when you teach a class. You will see Rachel falling asleep in class. The options you can choose are:

Option	Outcome	Notes
Let her off	+1 popularity -1 discipline	
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.
Corporal punishment	+2 or +3 discipline	Will get +3 discipline if the remove skirts rule has been passed.

*Note: You may also receive additional bonus discipline points. See the note at the top of this section, or see [REFR02](#) for more information.*

*Fun note: Once you have completed Sally's Lost Keys ([SFN02](#)), then if you punish Rachel in class during the afternoon, you will see Sally wearing her volleyball uniform instead of her normal clothes.*

**Chapter 2 version:** Once you have completed the New Chapter event ([OTH13](#)) and started Chapter 2 of the game, you will see a different version of this event, although it is very similar to the original Rachel Falls Asleep event ([CLA05](#)).. It will happen randomly when you teach a class.

You can also see a slightly different version of this event by choosing Rachel to answer a hard or impossible question during the Friday pop quiz. (See [REFG04](#) for more details about the pop quiz.)

The options you can choose are:

Option	Outcome	Notes
Let her off	+1 popularity -1 discipline	
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.
Corporal punishment	-1 grades +3 or +4 discipline	Will get +4 discipline if you have unlocked the strip to underwear rule (see <a href="#">REFR02</a> ).

Option	Outcome	Notes
Enforced nudity punishment.	+1 discipline +2 grades	Only available if you have unlocked the topless punishment rule (see <a href="#">REFR04</a> ).

Once you have assigned Rachel a position as your P.E.T. (see [PRAC13](#)), you will no longer see this event. Instead, you will see the Teacher's Favorite Student ([STR17](#)) event instead.

In addition, once she is your P.E.T., she will correctly answer easy and hard questions during the Friday pop quiz. If you want to punish her when she is your P.E.T., you will need to ask her an impossible question.

### **[CLA06] Debbie the Bully**

This event is available from the start of the game. It will happen randomly when you teach a class. You will see Debbie with Lucy in a headlock. You can choose to punish Debbie during class, after school, or to let her off.

The options you can choose are:

Option	Outcome	Notes
Let her off	-1 popularity -1 discipline	The girls don't like you being soft on bullies so you will get negative popularity and negative discipline
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.
Corporal punishment	+2 discipline	Game note: you do not get extra discipline even if the remove skirts rule has been passed.

*Note: You may also receive additional bonus discipline points. See the note at the top of this section, or see [REFR02](#) for more information.*

Once you have raised Debbie to punishment level 3 (see [PDEB03](#)) this event will no longer occur. Instead, you see Debbie the Class Warrior ([CLA07](#)) instead.

### **[CLA07] Debbie the Class Warrior**

You need to raise Debbie to punishment level 4 (see [PDEB03](#) for details.). You also need to pass the Very Strict Uniform Policy to allow you to confiscate the girls' underwear (see [PDEB05](#)). This event will then happen randomly when you teach a class.

You are told that all the girls are behaving themselves and even Debbie is doing her work. You will get 2 grade points. At the end of the class Donna will tease Debbie and Debbie will hit Donna. You will automatically choose to punish Debbie after school.

*Note: if you have not passed the Very Strict Uniform Policy, then you will not see this scene. Instead, you will tell yourself that Debbie's behavior has certainly improved but she will eventually make a mistake. You will get 2 grade points but you will not get the opportunity to punish Debbie.*

Once you have raised Debbie to punishment level 5 and made her a prefect (see [PDEB07](#)) then this event will no longer occur. Instead, you will see Debbie the Inspector ([CLA08](#)) instead.

### **[CLA08] Debbie the Inspector**

---

You can see this event once you have raised Debbie to punishment level 5 and made her a prefect ([STD04](#)). This event will then happen randomly when you teach a class.

You will see Debbie carrying out an underwear inspection on three students. You will get 2 Discipline and 2 Grade points.

### **[CLA09] Debbie's Inner Turmoil**

---

This is an event which can happen when you are teaching classes. You will see Nurse Kate give the girls a talk about healthy eating. The nurse will bend over Charlotte's desk and Debbie will then grope the nurse's bottom. You will then punish Debbie after school.

There are two different ways of unlocking this event.

**Option 1:** If Debbie is at punishment level 3, you should carry out a patrol, during which you will see her make a rather poor attempt at apologizing to Lucy. (See [PDEB04](#) for details.)

If you fail to raise Debbie to level 4 at this point (e.g. if you give her a public punishment instead of a private one), then this event can happen when you teach a class. You can then give Debbie a private punishment and raise her to level 4. (See [PDEB06](#) for details.)

**Option 2:** If you did not see this event when Debbie was at punishment level 3 (for example if you successfully raised Debbie to level 4), then this event can happen when you teach a class after you have made Debbie your prefect. (See [STD04](#) and [PDEB08](#) for making Debbie a prefect.)

The event will only happen once. The dialogue during the event will be slightly different depending on whether Debbie is your prefect at the time or not.  
Emphasize

### [CLA10] Cassandra on her Phone

---

This event is available from the start of the game. It will happen randomly when you teach a class. You will spot Cassandra using her phone. The options you can choose are:

Option	Outcome	Notes
Let her off	+1 popularity -1 discipline	
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.
Corporal punishment	+2 or +3 discipline	Will get +3 discipline if the remove skirts rule has been passed.

*Note: You may also receive additional bonus discipline points. See the note at the top of this section, or see [REFR02](#) for more information.*

### [CLA11] Cassandra on her Phone 2

---

There are two versions of this event.

**First version:** This is available in Chapter 2 of the game, which starts when you complete the New Chapter event ([OTH13](#)). It will happen randomly when you teach a class. It is very similar to the original Cassandra on her Phone event ([CLA10](#)).

You can also see a slightly different version of this event by choosing Cassandra to answer a question during the Friday pop quiz. (See [REFG04](#) for more details about the pop quiz.)

The options you can choose are:

Option	Outcome	Notes
Let her off	+1 popularity -1 discipline	
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.
Corporal punishment	+1 popularity +3 or +4 discipline	Will get +4 discipline if you have unlocked the strip to underwear rule (see <a href="#">REFR02</a> ).

Option	Outcome	Notes
Enforced nudity punishment.	+1 discipline +2 grades	Only available if you have unlocked the topless punishment rule (see <a href="#">REFR04</a> ).

*Fun Note: after you have completed Cassandra's Shocking Realization ([STC01](#)), Cassandra's dialogue will change. She will tell you that you should learn to smile more, and then you won't come across as such a dickhead.*

**Second version:** Once you have raised Cassandra to Level 5 and arranged a practice date with her ([PCAS06](#)), then you will see new version where Cassandra is bright and attentive in class and answers a few questions. You will get +2 grades.

*Note #1: You need to arrange the practice date with Cassandra, but you do not need to have bought the red dress or actually had the practice date to see this version.*

*Note #2: After you have raised Cassandra to level 4, spied on her room, and passed the strip to underwear room, then you will see a scene where Cassandra approaches you before class and tries to blackmail you. You will see a variant of this third version where you also get +2 grades.*

### **[CLA12] Amy Gets Tickled**

Complete Amy's first punishment ([PUN01](#)). During the after school punishment, you will discover she's a masochist. When you get another class event where Amy is late for class ([CLA04](#)), select punish her now. She will become aroused and you will get +1 discipline and +1 Horniness, but grades do not improve.

Pass the new Corporal Punishment rule to remove skirts at the Friday board meeting (See [PDEB02](#)). The next time you get a class event when Amy is late ([CLA04](#)), select punish her now. The other girls will tie her up and tickle her. You will get +2 discipline but grades do not improve.

*Note: You may also receive additional bonus discipline points during Amy's classroom punishments. See the note at the top of this section, or see [REFR02](#) for more information.*

### **[CLA13] How to Discipline a Young Woman**

To get this event, you need to fully complete the "A Man's Work" Main Quest ([QM3](#)).

To do this, you will need to complete Ruth's Capitulation ([SFR02](#)) and make Debbie a Prefect (See [STD04](#), Debbie's Pledge of Loyalty.).

Once you have 9 Influence and 40 Discipline, pass the "corporal punishments may be carried out by any teacher regardless of gender" rule at the next Friday morning school board meeting.

Immediately after you pass the rule, Samantha will tell you that Mr Mykock is about to arrive by helicopter. You will see a large scale event where you punish girls for the first time and this event will unlock.

At the end of the event you will receive 3 horniness points.

*Note: once you complete this event, Chapter 2 of the game will automatically start on the following Monday. See A New Chapter ([OTH13](#)) for details.*

#### **[CLA14] Sex Ed from the Nurse**

---

Complete The Boner Rule ([STR10](#)), Amy gets Anal ([STY13](#)) and Maxine's Demand ([PAP02](#)). The next weekday morning, Nurse Kate will visit you. She tells you that one of the girls recently asked for birth control pills. She says she wants to arrange a talk with the girls about sex. The next time you teach a lesson, Nurse Kate will let the girls ask her questions about sex.

*Note #1: Nurse Kate will not visit you on a Friday morning. She will visit you the following Monday morning instead.*

*Note #2: Depending on your progress with other quests in the game, you may see other classroom scenes before you see the sex ed lesson.*

*Note #3: if you complete Maxine's Demand after Rachel's First Orgasm, then on the first morning afterwards you will ask Samantha if there is a pet shop in town. Nurse Kate will then visit you the following weekday morning instead.*

#### **[CLA15] Olivia's First Class**

---

Complete Olivia's Arrival ([OFF02](#)) where you have your first meeting with Olivia in your office. The next time you teach a class, you will see Olivia arrive for her first class. This event will depend on how you talked to Olivia in your office.

If you were strict and explained the situation, Olivia will arrive for class in the correct uniform. You can then choose to get the class started or check her uniform is up to standard by doing an inspection. If you inspect her, Olivia will

say she's not wearing a bra. You can let her off as it's her first day, or make her show you her breasts.

If you were relaxed and flirted with her in your office, Olivia will arrive for class in a non-regulation shirt and necklace with no tie. You can then give her a warning, or confiscate her shirt.

The table below shows the various options and the outcomes you can receive:

Previous Discussion	Option	Outcome
Were strict and explained the situation	Get the class started	+2 grades
	Check her uniform is up to standard: let her off	+2 popularity -4 discipline
	Check her uniform is up to standard: make her show you her breasts	-2 popularity +4 discipline
Relaxed and flirted with her	Give her a warning	-4 popularity -4 discipline
	Confiscate her shirt	-1 popularity +4 discipline

### **[CLA16] Liz Flashes Her Pussy**

---

Complete the New Chapter event (OTH13) and start Chapter 2 of the game. You then need to complete Liz's First Dare (STZ01). This involves unlocking the Body Search rule.

If you have not already done so, pass the Corporal Punishments rule "students may be ordered to strip down to their underwear" at the next Friday morning school board meeting. You will need 10 Influence and 55 Discipline.

You also need to have horniness 6+. (For a list of all the horniness points and how to get them, see REF02.)

Once you have completed Liz's First Dare (STZ01), this event will happen randomly when you teach a class. However, you will need to have passed the strip to underwear rule and have horniness 6+ before you will see the full version of this scene.

You will notice that Liz looks distracted, and she will then drop her pen. You can say "let me get that for you" and pick up her pen, or you can tell her to pick it up herself. If you tell her to pick it up, you will get +1 grades.

If you pick it up, then Liz will flash you. You will get +1 grades. After class, you will speak to Liz about her fantasies of being exposed in public, and you will masturbate her. You then discover Liz's weakness: that she is a true exhibitionist who derives pleasure from the reaction of others to her exposed body.

If you have not completed Liz's First Dare, if you do not have horniness 6+, or if you have not passed the strip to underwear rule, then a different version of the event will happen. You notice that Liz looks distracted, and you tell her to stay focused in class. You will get +1 grades. This version will not unlock the event in the replay menu.

### **[CLA17] Liz's Distracting Thoughts**

---

Complete Liz Flashes Her Pussy (CLA16). This involves you fingering Liz after she flashed you in class.

This event will then happen randomly when you teach a class. You will spot Liz daydreaming in class again.

The options you can choose are:

Option	Outcome	Notes
Let her off	+1 popularity -1 discipline	

Option	Outcome	Notes
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.
Corporal punishment	+4 discipline	Cannot choose this option until Liz is at Level 2. The first time you give her corporal punishment in class, you will also get +1 horniness.
Enforced nudity punishment.	+1 discipline +2 grades	Only available if you have unlocked the topless punishment rule (see <a href="#">REFR05</a> ).

The first time you see this scene, you will not be able to give her a corporal punishment. If you choose to give her a private punishment, you can complete Liz Tells and Bares All (STZ02) and raise Liz to Punishment Level 2.

Once Liz is at Level 2, if you give her corporal punishment in class, then you will strip her naked and bring her to orgasm. The first time this happens, you will raise Liz to Level 3 and also get +1 horniness.

### **[CLA18] Good Girl Priti**

Complete the New Chapter event (OTH13) and start Chapter 2 of the game. On Tuesday morning, Mr Mykock will speak to you and tell you that the school owners are interested in seeing Priti being punished in your office, and would be willing to pay double the normal rate for disciplining students.

This event will then happen randomly when you teach a class. You will ask your class how long Tsar Nicholas II served as Emperor of Russia. Priti will correctly answer. You tell yourself that Priti is an excellent student, and she should really be at university already. However, you wonder if there is some other aspect of her behavior that needs improving. You decide to watch out for her when you patrol. You will get +3 grades.

*Note: the dialogue with Mr Mykock changes depending on whether you told yourself you were a villain or not in the Old Headmaster's Safe event (SFR01). If you said you weren't a villain, you tell Mykock that you're not sure you are willing to punish a girl without good cause, but that you will keep a close eye on her and watch for any bad behavior.*

*However, if you said that you're OK with being a villain, then you will say to yourself that punishing Priti sounds morally questionable but you're OK with that.*

During Priti's Achilles Heel event ([STP03](#)) you will choose whether to help Priti by spanking her (the Punishment path), or to help her without punishing her (the Desires path). If you choose the Desires path, this event will continue to randomly occur when you teach a class.

When the event repeats you will not get the full dialogue, but you will be told that the lesson went smoothly and that it helps to have a bright and attentive girl like Priti in your class. You will get +3 grades.

If you choose the Punishment path, then you will see the Bad Girl Priti event ([CLA19](#)) instead.

### **[CLA19] Bad Girl Priti**

---

Complete Priti's Achilles Heel ([STP03](#)), and select her Punishment path, by encouraging her to act on her repressed desires as well as deliberately breaking the rules.

*Note: Completing Priti's Achilles Heel will also involve completing Good Girl Priti ([CLA18](#)), Priti Needs Her Fix ([STP01](#)), and Priti's Terrible Crime ([STP02](#)).*

This event will then happen randomly when you teach a class. Priti will throw a ball of paper at your head. You can also unlock this event by choosing Priti to

answer a question during the Friday pop quiz. See [REFG04](#) for more details about the pop quiz.

The options you can choose are:

Option	Outcome	Notes
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose.  Will need to select this to increase Priti's punishment level and continue with Priti's student quest.
Corporal punishment	+3 or +4 discipline	Will get +4 discipline if you have unlocked the strip to underwear rule (see <a href="#">REFR04</a> ).
Enforced nudity punishment.	+1 discipline +2 grades	Only available if you have unlocked the topless punishment rule (see <a href="#">REFR05</a> ).

If you choose corporal punishment or an enhanced nudity punishment, then this event will randomly repeat when you teach a class. In order to progress with Priti's student quest, you need to order her to your office after school. For details about how to complete Priti's punishment in your office and raise her to level 4, see [PRI02](#).

### **[CLA20] Class Punishment – Part 1**

Start Chapter 2 by completing the New Chapter event ([OTH13](#)), and teach a class. During your first class, Cassandra will make some pointed comments comparing you to the autocratic monarchs and oppressive regimes you are teaching the class about.

Wait until the following Sunday evening. You will tell yourself that you are going to have to stay up late to mark the essays that you gave the girls about Napoleon.

The following morning (Monday), you will see a scene with Sally before school. You tell Sally that you are a little tired because you had to stay up late marking the history essays. You tell her that the girls did not do well and that you are going to have to punish almost the entire class.

During the day, teach a class. You will then carry out a group spanking where you punish most of the girls in the class. You will increase Class Unity to level 2. You will also get discipline +10 and Horniness +2, but grades -4. This event will then unlock.

At the end of the class you will be given the option to get the girls to hold hands or hug. However, when you carry out this event, you will not have enough Class Unity to get them to hug. You will have to get them to hold hands. At the end of this, you will also get \$1000.

At the end of the day, you will receive a phone call from Mr Mykock. He tells you that he enjoyed the video of your class punishment, and asks about your plans for future class punishments. You tell him the girls will need to be introduced to your methods gradually, and that you will need some assistants to help you.

### **[CLA21] Class Punishment – Part 2**

---

Complete Class Punishment – Part 1 ([CLA20](#)). Wait until the following Sunday evening. You tell yourself that the girls were given more essays to write after the late class punishment and you will have to stay up late marking again.

The following morning (Monday), you will see another scene with Sally before school. You tell her there was only a little improvement and you will have to spank the majority of your class. You ask Sally if she would be able to help you spank her girls.

During the day, teach a class. You can choose to give a class punishment, or you can choose "not this lesson" or "not this week".

Choose to give a class punishment. You will then carry out a group spanking where Sally helps you to punish most of the girls in the class. You will increase Class Unity to level 3. You will also get discipline +7 and Horniness +2, but grades -1. This event will then unlock.

At the end of the class you will be given the option to get the girls to hold hands or hug. You can choose either option. At the end of both options, you will get \$1000.

If you chose the option "not this lesson", then you will teach a "normal" class where you will see one of the other random class events. The next time you teach a class you will be given the same option to give a class punishment.

If you choose "not this week" then you will teach "normal" classes for the rest of the week. The first time you teach a class the following week you will be given the option to give a class punishment again.

Once you have completed this event, then every following week, you will see a repeatable version of the class punishment. The options available to your will be:

## Weekend Patrol Events [WEP]

### Weekend Patrols: Bonus Discipline Points

---

When discipline is low, you will get extra discipline points. This is to reflect the fact that in the early game, the girls are not used to your discipline methods, and it will have a bigger impact on their behavior.

This means that, particularly at the start of the game, you may receive more discipline points than shown below. For example, if you see the Inappropriate Clothing event ([WEP01](#)) during the first weekend, and you tell the girls to change, you may receive +2 or +3 discipline instead of +1 discipline.

See [REFR02](#) for more information about the bonus discipline points.

---

### **[WEP04] Debbie and Cass Playing Music 2**

This patrol event is available once you have appointed Debbie as a prefect ([PDEB08](#)). It will randomly happen when you patrol during the weekend. You will see Debbie and Cassandra playing music again, but this time Debbie thinks they should turn the music down as some girls might be studying.

If you tell them the music is fine, you will get +2 popularity but -2 discipline. If you tell them to turn it down, you will get -2 popularity but +2 discipline.

---

### **[WEP05] Liz and Faye on the Roof**

If you do not have popularity 18+, then you will not be able to join in. However, this event will happen again during the first weekend patrol you do during every subsequent weekend.

*Note: if you complete Miss Chang's Formula and Stealing Priti's Password during the first week, then it is possible to get this event during the first weekend without completing the Nina Meets Faye event.*

Once the fight starts, click the forward arrow 4 times. Priti will be attacked and you will find yourself facing Amy and Harriet. Shoot Amy (on your left) and then take cover. Click the forward arrow again and then dive for cover. Press the forward arrow another 2 times, and then take cover. You'll then attack Cassandra. Dodge left and then try and stall for time. You can choose to shoot at just Amy's skirt, just Amy's bra, at both Amy's skirt and bra, or just Harriet's bra, but you must then take cover. If you don't take cover, the water fight will end and you will lose 10 popularity. If you try any other combination (e.g. Harriet's bra and Amy's skirt) you will find you can't then take cover and you will be forced into the bad ending.

After you take cover, you will shoot Rachel, and then you can shoot Amy and Harriet again. Harriet's skirt will not dissolve but you can remove the rest of their clothing. Once you've done so, the two girls will then run away.

**Method 2:** If you unlocked the "Sally and Rachel get Changed" event ([STR03](#)) before playing the First Match, then you will need to go to the Sports Center in the afternoon and give the girls sports lessons. Teach 5 sports lessons. During the fifth sports lesson, you will play a match. This event will then unlock.

At the start of the match, if you have Discipline 15+, you can make the teams switch around so the other side plays skins.

You don't need to do this to unlock this event. However, you will need to do this in order to unlock Rachel's Weakness Revealed event ([STR04](#)).

If you not have Discipline 15+, then your suggestion will fail. If you fail (or if you tell them teams to keep things as they are), then you will need to teach another 5 sports lessons. You will then play another match, giving you another opportunity to complete this shirts and skins successfully.

During this event, you will also be asked if you prefer big boobs or small boobs. It does not matter which one you choose. However, if you say that you liked big boobs, some of the dialog in this event will change.

During the fifth sports lesson, you will play a practice match. Charlotte's team will take off their tops (as they lost the last match), and Alice will go topless. This event will then unlock.

*Note #1: You need to teach 5 sports lessons after the Second Match ([SPT04](#)) before you can play the Third Match. However, you can teach these lessons during Chapter 1, which means you can play the Third Match as soon as you start Chapter 2.*

*Note#2: You do not need to pass the Topless Punishment rule (see [REFR05](#)) to unlock this event. If you have not passed the topless*

*punishment rule, there is an extra line of dialogue where you tell yourself that Alice hasn't realized that you don't have the authority to strip her.*

### [SPT10] The Fourth Match

Complete the Third Match (SPT09). In the afternoon, choose to teach a sports lesson. (If you have opened the swimming pool (see SPT13), choose to teach a football lesson.) Teach 5 sports lessons. During the fifth sports lesson, you will play a practice match. During the game, Alice will choose to go bottomless instead of topless because she needs her bra for support. The match will end in a draw.

### [SPT11] Charlotte's Team Play Bottomless

Complete the Fourth Match (SPT10). In the afternoon, choose to teach a football lesson. Teach 5 football lessons. During the fifth sports lesson, you will play another practice match.

The first time you see this event, the girls make a bet that the losing team will have to play their next game wearing nothing but their bras. There will be a penalty shootout to decide which team goes bottomless for this game (as the Fourth match ended in a draw). Charlotte's Team will lose and will play bottomless.

You will then referee the match. There are 3 incidents where you will need decide which side you want to "help" win the match. The incidents are:

Incident	Outcome
Possible outside goal.	You can award the goal or deny it. If you award it, Charlotte's team gets a point. If you deny it, April's team will get a point.
Louise tackles Mary	You can decide if it was a foul, or a fair tackle. If you decide it was foul, April's team will get a point. If you decide it was fair, Charlotte's team will get a point.
Rachel's shoelace	You spot that Rachel's shoelace is untied. You can warn her, or say nothing. If you warn her, Charlotte's team will get a point. If you say nothing, April's team will get a point.

This means that you can decide which team wins the game, and which one loses. You must award 2 or 3 of the points to the team you wish to win. The losing team will be bottomless during their next match.

*Note: To unlock the next event, you must ensure that Charlotte's team win the match.*

### [SPT12] April's Team Play Bottomless

Complete Charlotte's Team Play Bottomless (SPT11) and make sure that April's team lose the match by awarding them 2 or 3 of the available points. In the afternoon, choose to teach a football lesson. Teach 5 football lessons. During the fifth sports lesson, you will play another practice match.

The first time you see this event, there is an extra scene where April's team are wearing underwear under their shorts, which you tell them to remove.

There are 3 incidents where you will need decide which side you want to "help" win the match. You must award 2 or 3 of the points to the team you wish to win. The losing team will be bottomless during their next match. The incidents are:

Incident	Outcome
Rachel is shoved by Harriet	You can blow your whistle or let play continue. If you blow your whistle, Charlotte's team will get a point. If play continues, April's team will get a point.
April pushes the ball into the goal with her hand	You can say the goal stands, or that the goal is disallowed. If it stands, April's team gets a point. If you disallow it, Charlotte's team will get a point.
Emily tackles Louise	You can give a penalty or decide not to give a penalty. If you give a penalty, Charlotte's team get a point. If you don't, April's team will get the point.

### [SPT13] The First Swimming Lesson

---

You can build the swimming pool once you have started Chapter 2 (i.e. the day you see the "A New Chapter" (OTH13) event.

On Tuesday morning after the "A New Chapter" (OTH13) event, Mr Mykock will visit you. He says that a significant amount of funding has been made available, including payments to the building contractor. However, small payments remain on several partially completed building projects, including the cafeteria and swimming pool. You realize that the school owners didn't want to pay for everything. They want an incentive you keep you punishing the girls, but that suits you just fine.

*Note: Mr Mykock's visit is not required but helps to develop the story. If you have the money, you can order the swimming pool before Mr Mykock speaks to you.*

Once you have \$8,000, buy the "Swimming Pool" from the Upgrade Facilities option on your computer. You are told that it will take a few days to complete the swimming pool.

Once you have ordered the swimming pool, if you visit the Sports Center, you will see a "Warning: Construction Site" sign over the entrance to the pool.

*Note: It takes a week to build the swimming pool. E.g. if you order the pool sometime on Thursday, it will be ready by the following Thursday morning.*

Once the pool is complete, when you choose you teach a sports lesson in the afternoon, you will be asked if you want to teach football or swimming. If you choose swimming, you will see a scene where you teach the girls CPR. You will get +1 Horniness. This scene will then unlock.

### **[SPT14] Swimming Lengths**

---

Complete the First Swimming Lesson ([SPT13](#)). In the afternoon, teach a sports lesson and choose swimming. You will tell the girls that they are going to be swimming lengths of the pool. You will get Discipline +2.

*Note: If you have completed the Twins Public Shaming ([STW10](#)) event before you teach your second swimming lesson, then you will see The Twins Poolside Punishment before you see this event.*

### **[SPT15] The First Volleyball Lesson**

---

If you have not already done so, you will need to give Sally her keys and then give her a demonstration of your skills by having sex with her in the shower. See [SFN03](#) for details. You then need to complete the New Volleyball Uniform scene ([LAK01](#)).

You also need to start Chapter 2 of the game by completing the New Chapter event ([OTH13](#)).

Once you have had sex with Sally, seen the new volleyball uniforms, and started Chapter 2, then you will see a scene the next morning. Sally will ask you to supervise the girls playing beach volleyball.

*Note: Sally will not ask you to supervise the volleyball lesson during the first week of Chapter 2. So if you have had sex with Sally and seen the volleyball uniforms in Chapter 1, you will still need to wait until the second week of Chapter 2 before you will see this event.*

In the afternoon, teach a sports lesson, and choose to teach volleyball. You will then teach your first volleyball lesson.

You do some warm up exercises and then divide the girls into teams. You tell the girls to wear sunscreen, but April does not listen to you and gets sunburn. You

*Note: it doesn't matter if Charlotte's team win or lose the match.*

Once you have completed these three events, teach another sports lesson. You will notice that the girls seem quite agitated, although you have no idea why. After you finish the sports less, you will hear a scream from the girls' locker room, and this event will play out. Nina is being bullied by several of the other girls. You and Miss Newman enter the girls' locker room and strip and spank several of the girls, force them to orgasm with the vibrating wand, and then make the run laps round the gym while still naked.

*Note: if you have already completed Lucy Needs a Shower when you pass the rule allowing you to visit the locker room, this will be the first event you see. Otherwise, it will be the first event you see when you visit the locker room after completing Lucy needs a shower. Once you have seen all 5 locker room events, then the events will happen randomly.*

Once you have completed Maxine's fundraiser week (see [STX01](#) to [STX09](#)), you will see a new version of this scene. You convince Maxine to strip naked in order to make the other girls feel more comfortable with your presence in the locker room.

---

Complete Lucy runs you a bath (HOM02). The following Saturday, Lucy will automatically change into her maid's outfit. She will break a vase when cleaning. This event will unlock automatically, but if you lie and say the vase was expensive, then you get the opportunity to spank Lucy.

You will pay her \$50 and if you spank her, you will also give her a tip. You can choose to give her \$10, \$50 or \$100.

If you previously exposed yourself to her during the Lucy runs you a bath event (HOM02) and you spank her now, make sure you give her at least a \$50 tip, or else she will refuse to come the following Saturday. (If she refuses, you will need to speak to her in the school hall on Friday afternoon, and pay her \$500 to change her mind.)

### **[HOM04] Lucy and the Apron**

---

Complete Lucy and the Broken Vase (HOM03). Once you have \$200, buy the apron from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday

The following Saturday, Lucy will automatically change into her maid outfit and will serve you breakfast. The event will automatically unlock. However, to continue with Lucy's storyline, you will need to say that the coffee is terrible and then agree to pay her the extra money to wear the apron. You will pay her \$150.

Note: if you say the coffee is great, then this event will repeat the following Saturday.

### **[HOM05] Lucy and the Bee**

---

Complete Lucy and the Apron (HOM04). The following Saturday, Lucy will automatically wear the apron again. She will serve you tea in the garden, and you will find out she is allergic to bees. This event will unlock automatically, but if you lie and say that the bee is still on her, you will get the opportunity to feel her breasts. You will pay her \$150.

*Special fun note: if you complete this event before day 69 (i.e. by Saturday day 62), then on day 69 you will see a special scene where Lucy quickly flashes her tits when she arrives at your apartment.*

### **[HOM06] Topless Maid Service**

---

Complete Lucy and the Bee (HOM05). The following Saturday, Lucy will offer to clean your house topless, but wants \$200.

You can choose what she wears. If you ask her to wear the topless apron, then you will have the option to "take a peek" and then watch her get changed, although it will cost you an extra \$50.

*Note #1: this is as far as you can progress Lucy's storyline in Chapter 1. You must start Chapter 2 before you can unlock any more of Lucy's events. However, you can get the Psychology Association trophy (which is required for Lucy's next event) during Chapter 1. You will need to complete Maxine's demand (PAP02) as well this event.*

During Chapter 1, on following Saturdays, you will also get to choose what Lucy wears. If she wears her own clothes or school uniform, it will cost you \$30. If she wears the maid outfit, she will charge \$50, and if she wears the apron she will charge \$150. If you ask her to wear the topless apron, it will cost \$200, or \$250 if you want to watch her get changed again.

*Note #2: if you tell her to wear the maid outfit and you spy on her again, she will no longer run off. Instead, there is a small (but funny) scene where Lucy tells you off for not paying her more to wear the apron instead.*

### **[HOM07] Lucy Needs a Shower**

---

Complete Maxine's Demand (PAP02) and the Topless Maid Service (HOM06).

During the week, you will receive a letter from the headmistress of your last school, and a trophy from the Psychology Association.

*Note #1: you can complete Maxine's Demand and the Topless Maid Service events, and receive the letter and trophy, during Chapter 1. However, you will not be able to complete the rest of this event until you have started Chapter 2.*

*Note #2: you usually receive the letter and trophy the first weekday after you have completed Maxine's Demand and the Topless Maid Service event. However, it may be delayed if there are other morning events or messages from Samantha.*

Start Chapter 2 by completing the New Chapter event (OTH13).

The following Saturday, Lucy will offer to wear the maid dress but with the top open so you can still see her breasts. Tell her to wear the topless maid dress. You will pay her \$200.

You then discover that she broke your award statue from the psychology association. You need to decide if you want to assert your dominance over her (and punish her), or forgive her and show her kindness. This is a significant decision that will affect the future options you can choose with Lucy. (See [HOM08](#) for details how your choices will change depending on this decision.)

If you forgive her, Lucy will offer to let you watch her in the shower and then you will lick her pussy. She then offers to go naked when cleaning next week and will kiss you.

If you assert your dominance, you will punish her by using the three aspects of your disciplinary method: you will force her to shower in front of her, spank her and then lick her pussy. You then tell her that she will have to clean naked from now on.

You then explain why you punished her. You can say that you care about her, or that you care about the quality of her work. If you say you care about her, she will kiss you before she leaves.

**[HOM08] Lucy's Extra Services**

Complete Lucy Needs a Shower. The following Saturday, tell Lucy to go naked. This will cost you \$250. Lucy will then clean your house.

*Fun note: Lucy's attitude will change depending on whether you forgave her or punished her during the previous event. If you forgave her, she will tell you that it is quite exciting letting you see her naked, and she will be smiling when she strips. If you punished her, then she will try to cover herself once she is naked.*

If you asserted your dominance during Lucy Needs a Shower ([HOM07](#)), then you get to decide if Lucy's work has been acceptable or not. If you say it was not acceptable, then you will spank her and finger her to orgasm. If you say it was acceptable then you will tell her that there are some extra services she can provide for a little extra cash.

*Note: if you tell Lucy that her work was not up to standard then you will not unlock this event.*

If you decided to forgive her during Lucy Needs a Shower ([HOM07](#)), then she will ask if there are any extra services she can provide.

The options available to you at the end of this event (and the extra services Lucy can provide) depend on your choices during the Lucy Needs a Shower event. In addition, the Dance option is only available once you have hired Trixie as the dance teacher. (See [XTRA11](#) or [SFX01](#) for details of hiring Trixie.)

The various options available are:

Choice	Available Options
Act dominant and punish her, but then say you care about her	<p>Can choose to punish her (by saying her work was not acceptable) or choose to receive extra services (by saying her work was acceptable).</p> <p>If you say her work was acceptable, then the extra services you can receive (and the cost) are:</p> <ul style="list-style-type: none"> <li>Spank her (\$100)</li> <li>Dance (\$100)</li> <li>Kiss (free)</li> </ul>

Choice	Available Options
Act dominant and punish her, say that you care about the quality of the work	<p>Can choose to punish her (by saying her work was not acceptable) or choose to receive extra services (by saying her work was acceptable).</p> <p>If you say her work was acceptable, then the extra services you can receive (and the cost) are:            Spank her (\$100)            Dance (\$100)</p> <p><i>Note: you will not be able to ask for a kiss.</i></p>
Forgive Lucy and act kind	<p>The extra services you can receive (and the cost) are:            Spank her (\$100)            Dance (\$100)            Kiss (free)</p> <p><i>Note: you do not have the option of punishing her.</i></p>

### [HOM09] Lucy Lends a Hand

---

Complete Lucy's Extra Services (HOM08). If you chose the dominant route during this event, you will need to have said that her work was acceptable. However, you do not actually need to have chosen any of the extra services offered by Lucy.

In addition, you will need to complete the Sex Ed from the Nurse event (CLA14). The following Saturday, tell Lucy to go naked again. This will cost you \$250. Lucy will then clean your house.

If you chose the dominant route during the previous event (Lucy's Extra Services, HOM08), you should say that her work was acceptable again. You then get to decide whether to end her probation. If you decide to end the probation, Lucy says she doesn't mind you being strict with her. You then have to decide again whether to end her probation or not.

If you end her probation, you will switch to a kind relationship. This is similar to forgiving Lucy her during Lucy's Extra services (HOM08). If you keep Lucy on probation, you will continue with a dominant relationship.

If you choose to forgive Lucy during Lucy's Extra Services (HOM08), then you will not be given this choice. You will automatically be placed on the kind relationship path.

In both the dominant and kind paths, Lucy then offers to take care of your erection. You realize that Lucy may have developed some feeling towards you.

You have to choose whether you pursue a romantic relationship with her, or whether you keep things dispassionate and pursue a more transactional relationship where you pay her for her sexual services.

The table below shows the options available to you:

Choice Made in Lucy Needs a Shower (previous event)	Choices Made during Lucy's Extra Services (this event)	
Assert Dominance	End Probation	Can choose either: <ul style="list-style-type: none"> <li>• a kind, romantic relationship or</li> <li>• a kind, transactional relationship</li> </ul>
Assert Dominance	Keep on Probation	Can choose either: <ul style="list-style-type: none"> <li>• a dominant romantic relationship or</li> <li>• a dominant transactional relationship.</li> </ul>
Show Kindness	-	Can choose either: <ul style="list-style-type: none"> <li>• a kind, romantic relationship or</li> <li>• a kind, transactional relationship</li> </ul>

Lucy will then give you a handjob. If you have chosen a transactional relationship, you will pay her an extra \$200 (in addition to the \$250 for cleaning your house naked). If you have chosen a romantic path, then you can choose to give her a gift of \$200 at the end, but you do not have to.

Note: once you have completed this event, you can summon Lucy to clean your office as well. See [OFF08](#) for details.

### **[HOM10] Lucy Runs a Vacuum**

Complete [Lucy Lends a Hand \(HOM09\)](#) and [Lucy Cleans the Office \(OFF08\)](#). The following Saturday, Lucy will automatically strip naked. She then does a teasing dance for you while she cleans. Afterwards, you spank and finger her until she has an orgasm. She then gives you a blowjob.

The dialog will change depending on the type of relationship you have chosen. When Lucy gives you the blowjob, you will have various options (such as cum on her face or cum in her mouth) but these do not change the outcome of the scene.

If Lucy is on a dominant path, you will need to decide whether to punish her for her poor cleaning. If this is the case, you will automatically make her deep throat

you. If you do not punish her, or if she is on a kind path, then you can ask her to deep throat her but you do not have to choose this option.

### **[HOM11] Lucy: Further Saturdays**

---

*Note: This is not an actual event in the replay menu, but is provided for general information.*

After completing [Lucy Lends a Hand \(HOM09\)](#), you will also get to choose what she wears on the following Saturdays as well (and what extra services or events you do with her).

Firstly, you need to choose whether to pay Lucy to clean naked and relieve your sexual frustrations, or if you want to choose how Lucy should be dressed.

#### **Option 1: Pay Lucy to Clean Naked**

If you pay Lucy to clean naked, then Lucy will automatically strip naked. She then does a teasing dance for you while she cleans. The price of her cleaning, and the options available, will depend on which path Lucy is on.

- You will then be charged \$250 if you are in a romantic relationship, or \$500 if you are in a transactional relationship.

- You will always be able to choose whether you choose to spank her and finger her, or whether to spank her and lick her pussy.
- If you are in a dominant relationship, you will choose whether to punish her or let her off. If you punish her, you will make you give her a blowjob. If you let her off, you can choose a handjob or a blowjob.
- If you are in a romantic relationship, you will always be able to choose whether Lucy gives you a handjob or blowjob.
- If you are in a kind relationship, you will make out with Lucy before she leaves.

The table below sets out in more detail what options are available:

Lucy's Path	Cost and Available Options
Kind, romantic relationship	Will cost \$250. Can choose to spank her and finger her on the sofa, or spank her and lick her pussy in the shower. You then choose if Lucy gives you a handjob or a blowjob. Lucy will then make out with you on the sofa.
Kind, transactional relationship	Will cost \$500. Can choose to spank her and finger her on the sofa, or spank her and lick her pussy in the shower. You then choose if Lucy gives you a handjob or a blowjob
Dominant, romantic relationship	<p>Will cost \$250. You will choose whether to punish her or to let her off. In both cases, you will then choose whether to spank and finger her on the sofa, or spank and lick her pussy in the shower.</p> <p>If you punished her, you will make her give you a blowjob. If you let her off, you can choose if Lucy gives you a handjob or a blowjob. Lucy will then make out with you on the sofa.</p>
Dominant, transactional relationship	<p>Will cost \$500. You will choose whether to punish her or to let her off. In both cases, you will then choose whether to spank and finger her on the sofa, or spank and lick her pussy in the shower.</p> <p>If you punished her, you will make her give you a blowjob. If you let her off, you can choose if Lucy gives you a handjob or a blowjob.</p>

## Option 2: Choose how Lucy is Dressed

The cost of her cleaning will vary depending on how she is dressed.

- If she wears her own clothes or school uniform, it will cost you \$30
- If she wears the maid outfit, she will charge \$50
- If she wears the apron she will charge \$150.
- If you ask her to wear the topless apron, it will cost \$200 (or \$250 if you want to watch her get changed again).
- If you want her to wear the topless maid's dress, it will cost \$200
- If you ask her to go naked, it will cost \$250.

You will only be able to choose Lucy's extra services (and/or say if her work was acceptable or not) if you told her to be naked.

The services available, and their price, will depend on which path Lucy is on.

- You will only be able to punish her if she is on a dominant path
- If she is on a romantic path, the handjob will be free. If she is on a transactional path, it will cost \$200.
- If you previously said you cared about the quality of her work (instead of caring about her) during Lucy's Extra Services (HOM08), and you then chose a dominant, transactional path, you will be unable to kiss her.

The table below sets out in more detail what options are available:

Lucy's Path	Available Options
Kind, romantic relationship	The services you can receive (and the cost) are: Spank her (\$100) Dance (\$100) Handjob (free) Kiss (free)
Kind, transactional relationship	The services you can receive (and the cost) are: Spank her (\$100) Dance (\$100) Handjob (\$200) Kiss (free)

Lucy's Path	Available Options
Dominant, romantic relationship	<p>Can choose to punish her (by saying her work was not acceptable) or choose to receive extra services (by saying her work was acceptable).</p> <p>If you punish her, you will spank her and then make her give you a handjob (for free).</p> <p>If you say her work was acceptable, the services you can receive (and the cost) are:</p> <ul style="list-style-type: none"> <li>Spank her (\$100)</li> <li>Dance (\$100)</li> <li>Handjob (free)</li> <li>Kiss (free)</li> </ul>
Dominant, transactional relationship	<p>Can choose to punish her (by saying her work was not acceptable) or choose to receive extra services (by saying her work was acceptable).</p> <p>If you punish her, you will spank her and then make her give you a handjob (for free).</p> <p>If you say her work was acceptable, the services you can receive (and the cost) are:</p> <ul style="list-style-type: none"> <li>Spank her (\$100)</li> <li>Dance (\$100)</li> <li>Handjob (\$200)</li> <li>Kiss (free)</li> </ul> <p><i>Kiss only available if you said you cared about her during Lucy's Extra Services (HOM08).</i></p>

## At the Office [OFF]

---

### [OFF01] Desperation of Miss Swallows

---

Complete A New Chapter (OTH13), which starts Chapter Two of the game. On the morning of the third Thursday in Chapter 2, Miss Swallows will visit you.

Miss Swallows will tell you that she has been implementing your methods, but a troublesome new student has arrived at their school. She will then ask if you have time to run through some of your punishment methods. You can agree or refuse. If you agree, you will spend the afternoon reviewing the video of How to Discipline a Young Woman event (CLA13) with Miss Swallows.

If you disagree, Miss Swallows says she understands and leaves. You can then choose to do another activity that afternoon.

Next Thursday morning, Miss Swallows will visit you again. She says she feels unsafe and that the girls at her school are plotting something. She asks if the troublemaker, Zoe, could be transferred to your school. She will then ask if you can spend some time giving her more training. You can agree or refuse.

If you agree, you will review the video again, but you will tell yourself that you get the feeling she was hoping for a little more from your training session.

If you disagree, Miss Swallows says she understands and leaves. You can then choose to do another activity that afternoon.

The following Thursday morning, Miss Swallows will visit again. She will tell you she was attacked by several of the girls, and she will then strip so that you can see her bruises.

You can then offer to take Zoe, refuse to take her, or offer to take her if Miss Swallows accepts a punishment. This event will unlock regardless of which option you choose. However, to get the full scene, you should make her accept a punishment.

Miss Swallows will only agree to be punished if you did both training sessions with Miss Swallows. If you only gave her one training session (or neither training session) then Miss Swallows will refuse to accept your punishment. During the punishment, you will give her a figging by inserting a piece of ginger in her anus and then fucking her.

*Note: if you refuse to take the girl, or if Miss Swallows refuses to accept your punishment, you will then get a phone call from Mr Mykock telling you to take Zoe anyway.*

### [OFF02] Olivia's Arrival

---

Complete the Future Female Sports Stars event ([STY04](#)) and start Chapter 2 by completing the New Chapter event ([OTH13](#)). On the first Thursday after Chapter 2 starts, Samantha will speak to you in the morning, and tell you that two new students will be arriving soon.

Olivia will arrive the following Monday, and this event will unlock. You think that Olivia is trying to flirt with you. You can be strict and explain her situation, or you can be relaxed and flirt back. This will change your options during of Olivia's First Class ([CLA15](#)).

*Note: if you start Chapter 2 and then complete the Future Female Sports Stars event, then Samantha will speak to you the day after the magazine arrives. If Samantha speaks to you on Thursday or Friday, then Olivia will arrive the following Monday.*

### [OFF03] The New Dinner Lady

---

Complete the First Date with Samantha ([OTH11](#)) and Meeting Lily ([OTH12](#)).

You will also need to build the cafeteria. You can do this once you have started Chapter 2 (i.e. the day you see the "A New Chapter" ([OTH13](#)) event. On the first Tuesday morning in Chapter 2, Mr Mykock will visit you, and tells you that small

payments remain outstanding on certain projects, including the cafeteria and swimming pool (See [SPT13](#) for more details about Mr Mykock's conversation.)

*Note #1: Mr Mykock's visit is not required but helps to develop the story. If you have the money, you can order the cafeteria before Mr Mykock speaks to you.*

Once you have \$5,000, buy the "Cafeteria" from the Upgrade Facilities option on your computer. It will take a week before the cafeteria is ready.

*Note #2: Make sure that you have completed the paperwork event "Maxine's demand". If you build the cafeteria and recruit the dinner lady, but have not completed Maxine's demand, then Patricia will not actually start.*

*Instead, when you visit the cafeteria you will get the message: "the cafeteria construction has been completed. I have a restaurant manager now so I just need to wait for her first day of work."*

Once you have started to build the cafeteria, Samantha will speak to you in the morning. She says she noticed that workmen started work in the cafeteria this morning and asks if you need her to put out a job advertisement. You say that you're still thinking through the options.

*Note #3: Samantha will usually talk to you the morning after you start to build the cafeteria. However, this will not happen if she has anything else to talk to you about or there are other morning events happening (e.g. a Friday School Board meeting or the Meeting Lily event). In some cases, it can take a few days before Samantha will talk to you about the cafeteria.*

The day after Samantha talks to you about the cafeteria, she will tell you that Patricia (the owner of the restaurant you took Samantha to) and Arabella (her daughter) want to see you.

*Note #4: Patricia will not appear on Friday mornings (when you have the Board meeting). Patricia will appear on Monday morning instead.*

Patricia asks you to enroll Arabella in the school. You agree, in return for Patricia managing the school cafeteria. You then tell Patricia that you need her to demonstrate that she knows how to give a good spanking. You then have to decide who Patricia should demonstrate on. You tell yourself that the obvious choice is for Patricia to spank her daughter, but Arabella already looks terrified. Alternatively, you can ask Samantha to volunteer.

Once you have made your decision, Patricia will spank either Samantha or Arabella. You will then tell Patricia that she has passed her interview, and

Patricia agrees to manage the kitchen in exchange for Arabella being taken on as a student. Samantha and Patricia will then leave, and you have the opportunity to talk to Arabella and ask her some questions about herself.

*Fun note: some of the dialogue will change depending on whether you stopped Patricia from spanking Arabella during the First Date with Samantha (OTH11), and whether you asked Patricia to spank Samantha or Arabella. For example, if you stopped Arabella from being spanked, she thanks you and tell you how grateful she was.*

#### [OFF04] Samantha's Reaction

Complete The New Dinner Lady (OFF03). At the end of that day, you will automatically find Samantha sitting quietly in the staff room. The scene will play out very differently depending on how well the First Date with Samantha (OTH11) went, and whether you spanked Samantha or Arabella during the New Dinner Lady event (OFF03).

The choices you make will affect the some future events with Samantha. Depending on your options, Sam will either be interested in a second date, or she will be upset with you and you will have to make it up to her.

The table below shows the various options you can choose, and whether Sam will be interested in another date or not.

Date with Sam	New Dinner Lady	Sam's Reaction	Outcome
Dinner went very well (Sam kissed you); or Dinner went pretty well	Patricia spanked Samantha	Either option (ask Sam to dinner or show her your lower half naked).	Sam is interested in another date
	Patricia spanked Arabella	n/a	Sam is interested in another date
Date went badly (Samantha left in a hurry)	Patricia spanked Samantha	Show Sam your lower half naked	Sam is interested in another date
		Ask to take Sam out to dinner again	Sam will be upset
	Patricia spanked Arabella	n/a	Sam will be upset

**If Sam is interested in another date:** Samantha says that she would invite you for dinner, but she needs some help around the house before she could do so.

You then offer to help Sam. Sam asks if you can discuss it over lunch once the cafeteria is finished.

If Sam is upset: You ask if there's anything you can do to make it up to Samantha. She says that there is something she badly needs help with, but it would be a lot of exhausting work and she's not sure if you'd be interested. Sam suggests you discuss it over lunch once the cafeteria is finished.

**If you spanked Samantha:** you will apologize to her. She will tell you that she is really embarrassed because she had her knickers pulled down and was spanked like a naughty little girl in front of her boss. You can choose to let her see your lower half naked, or ask her out for dinner again.

### **[OFF05] Jasmine's Arrival**

---

Complete Olivia's Arrival (OFF02). The next weekday after Olivia arrives, this event will automatically happen. You will see Samantha helping her into her uniform. You will then speak to her in your office, where Jasmine will tell you that Samantha has the hots for you and asks if you have "tapped that sweet ass".

You need to decide if you will be strict, and tell her off for making lewd comments, or be friend and keep her on your side.

### **[OFF06] Watching Porn with Your Pet**

---

Raise Rachel to punishment level 7 and assign her a role as your PET. (See [PRAC13](#) for details.)

In the afternoon, go to your office and click on Rachel's icon. Rachel will automatically strip naked. Choose to "watch porn together". You can then choose which video to watch first. After you've watch the video, Rachel will ask if you want to cum.

If you say no, you can click the back button (in the top right of the video) and choose a different video. If you say yes, Rachel will masturbate you to a climax and will then spend the rest of the afternoon asleep on your lap while you do some paper work.

### **[OFF07] Ada the Secret Voyeur**

---

During the New Chapter event ([OTH13](#)), you will speak to Ada, who tells you she is unable to make any calls to her family or friends at home. You say that you will take a look at her phone for her.

In the evening, speak to Miss Chang in her classroom. She tells you that the school exists behind a complex firewall much like the one in China. You ask Chang to install some spyware on Ada's phone before you return it. A new icon is then available on your office computer.

If you click on the icon, you will be able to see Ada's phone contents. Initially, you will be able to see some selfies of Ada, her initial video diary (where she talks about her initial impressions of the school) and a live camera feed.

*Fun Note: Once you have completed Priti's "Itsy-Bitsy-Teeny-Weeny" event ([STP07](#)), you will also be able to see the photos Ada took of Priti.*

*Game Note: If you give Ada a body search before returning her phone, you will be able to view another video diary where she talks about the search and implies that she was hiding something which you didn't find. However, if you return the phone before doing a body search on her, you will not see this video.*

Speak to Ada in the classroom hallway on Monday afternoon. You will return her phone and tell her about the school firewall.

*Note: if you have not spoken to Ada before, you will have an initial conversation with her, where she is still wearing her blue cardigan. You will ask her how she is settling in. You will then need to wait a week and speak to her the following Monday afternoon before you can return her*

*phone and tell her about the firewall. (If you start a game in Chapter 2, you will already have had this initial conversation.)*

Check your email (on your office computer). There will be an email from Mr Mycock. He will tell you that the school owners have cloned her social media page and are allowing her to post to the false social media website. He says that they have provided (fake) feedback to Ada about what she should photograph.

The following day, check your email again. There will be another email from Mr Mycock. He says that the school owners encouraged Ada to take photographs of the twins (Mary and Louise). However, Mr Mycock notes that Ada appears to becoming a voyeur.

Click on Miss C's Spyware icon on your office computer. Under Ada Campbell's Phone | Video Diary, you can view her "The Twins" video. You then discover that her phone has some hidden folders, which you can now view.

View the photos, which are under Miss C's Spyware | Ada Campbell's Phone | Photos | Candid Photos of the Twins. This event will then unlock.

### **[OFF08] Lucy Cleans the Office**

Complete [Lucy Lends a Hand \(HOM09\)](#), where Lucy will give you a handjob after cleaning your house. During the week, then use your office phone to call Lucy

to your office during the day. Lucy will strip and clean your office. At the end of the scene, you will perform oral sex on Lucy, and then she will give you a blowjob. You will pay her \$200.

*Note: the dialog will change slightly depending on whether you have choose to act kind or dominant, and whether you have chosen a romantic or transitional relationship.*

*Fun note: if you have completed Priti's first test with the chocolate cake (STP06), then Lucy will mention that there are bits of chocolate cake all over the place.*

Once you have completed this event, you can repeat it by using your office phone to summon Lucy again.

## At the Office: Paperwork [PAP]

---

### [PAP00] Paperwork Options

---

*Note: This is not an actual event in the replay menu, but is provided for general information.*

When doing paperwork, you will have the option to grade some homework, which will give +1 grades, or manage the school's budget, which will give you \$100. You can also decide to watch some porn instead. In addition, you will sometimes be visited by pupils: see below for details.

### [PAP01] The Student President

---

The first time you do paperwork Maxine will introduce herself and this event will unlock.

### [PAP02] Maxine's Demand

---

Once you have seen Lucy's Request (PAP03), then the next time you do paperwork Maxine will demand you stop the use of corporal punishment.

Note: you can unlock this event before unlocking Lucy's Request (PAP03). Even if you did not have popularity 5+ when Lucy spoke to you, you will still get this event next time you do paperwork.

Once you have unlocked this event, next time you do a patrol you will automatically get the "Debbie Shows Maxine Who's Boss" event (PAT12).

### [PAP03] Lucy's Request

---

Once you have unlocked The Student President (PAP01), then the next time you do paperwork Lucy will speak to you. Once you have popularity 5+, you can employ Lucy as your maid.

*Note: if you started Chapter 2 without completing this event, you may also need to complete Alice Needs Tutoring (PAP04) and Alice Offers a Deal (PAP05) before you can see this event.*

The Maid Outfit and Apron will become available to buy on your computer, under the Online Shopping | Clothing section. These will be required for events HOM02 (Lucy Runs You a Bath) and HOM04 (Lucy and the Apron).

If you do not have popularity 5+, then this event will remain locked, but next time you do paperwork you will get Maxine's Demand (PAP02) instead.

Once you have unlocked Maxine's Demand, then the next time you do paperwork you will get Lucy's Request again. You will continue to get Lucy's Request whenever you do paperwork until you have popularity 5+ and can unlock this event.

---

#### **[PAP04] Alice Needs Tutoring**

Complete the Student President paperwork event ([PAP01](#)) and the New Chapter event ([OTH13](#)). Teach classes until you get a scene where you tell the class that you've seen a considerable improvement recently, but that Alice's work was not up to scratch. You tell her to see you in your office to get some tutoring.

The next time you do paperwork, Alice will visit you. You will try to teach her but she isn't paying attention, and she tries to convince you to write the essay for her.

She then asks if you like her. You can say yes, no or deflect the question. Regardless of which option you choose, you make it clear to Alice that you won't write her essay for her and Alice leaves.

---

#### **[PAP05] Alice Offers a Deal**

Complete Alice Needs Tutoring ([PAP04](#)). The next time you do paperwork, Alice will visit you again. She will tell you that she was hoping to come to an arrangement with her.

If you have Popularity 40+ and Horniness 8+, you can ask Alice to "speak plainly". She will tell you that at her old school she would do favors for the HM and in return he would help her with her grades. She offers to let you touch her breasts in exchange for an A. You will slap her breasts and pinch her nipples to teach her a lesson.

*Note: If you do not have enough popularity or horniness Alice will leave instead, but she will revisit you each time you do paperwork until you complete this event.*

### [PAP06] The Great Underwear Shortage

This event is available from the third week of Chapter 2. At the start of the third week, you will see a scene where Maxine is waiting to speak with you in the morning. She wants to discuss an important issue about the girls' knickers. You tell her to visit you in your office.

Do paperwork, and decide to watch porn. You will be interrupted by Samantha telling you that the student president wants to see you. You can send her away or let her in.

*Note: If you send her away, the event will not unlock. The next time you watch porn, you get the same option where Samantha interrupts you.*

Maxine tells you that there is a serious shortage of white underwear on campus and requests that the school order more underwear. You can decide to humor her, or put her in her place.

If you decide to put her in her place, you will inspect her underwear. You can decide whether to continue masturbating during the inspection or not. You then decide whether to let her off with a warning or confiscate her underwear.

The table shows the outcomes of the various options you have:

Option	Outcome	Notes
Humor her	+2 popularity -2 discipline	
Give her a warning	+3 discipline	You get +3 discipline whether or not you are masturbating.
Confiscate her underwear (while masturbating)	+2 discipline -5 popularity	There is a funny scene if you choose this option.
Confiscate her underwear (not masturbating)	+2 discipline -2 popularity	

Regardless of which option you choose this quest action will then be completed.

### **[PAP07] Watching Porn**

When doing paperwork in the office, choose "fuck it, just watch some porn". You can choose which category of porn you wish to watch. This event will then unlock.

Note: this event can be unlocked at the same time as the Great Underwear Shortage (PAP06). It can also be unlocked at the same time as some of the other paperwork events. For example, you could appoint Lucy as your maid (PAP03), and then decide to watch some porn.

## At the Office: Staff Training [TRN]

---

### [TRN01] Staff Training 1: Stripping and Spanking

---

Complete the first class punishment event ([CLA20](#)). You will also need to:

- raise Amy to Level 5 and assign her a role as your spanking practice subject ([STY13](#)).
- raise Rachel to Level 7, pass the body search rule, and complete her "Sharing is Caring" threesome with Debbie ([STR21](#)).
- raise Debbie to Level 6 and agree to make her your apprentice ([STD05](#)).
- complete the "Wrong Way to Give a Punishment" with Miss Potts ([SFP06](#)).

Once these events have all been completed, Miss Potts will speak to you in the morning. You will discuss the deliberately bad punishment you gave Miss Potts, and Miss Potts will say that she has reflected on her unfair punishment of Mary. You then tell her that you will begin your training sessions with her as soon as possible.

In the evening, when you are asked if you wish to summon a girl for punishment, choose the after school staff training option.

*Note: You can only hold a staff training session if no other girls have been ordered to your office. For example, if you taught a class that day and ordered a girl to be punished after school, you will not be able to hold a staff training session*

You will then teach your first staff training session with Miss Potts and Debbie. They will both practice giving a hand spanking to Amy. At the end of the session, Miss Potts tells you that something is bothering her. You agree to visit her at her apartment later.

At the end of this event you will unlock the "Debbie's Halloween" bonus game.

### [TRN02] Staff Training 2: The Ruler

Complete Staff Training 1 ([TRN01](#)). Visit Miss Pott's apartment after Staff Training 1. Depending on your options, you will either complete "a relaxing evening" ([SFP07](#)) or "spanked and fucked" ([SFP08](#)) when you visit Miss Potts. It does not matter which one you complete. During your visit, you will discuss Debbie and the sexual nature of your punishment.

In the evening, when you are asked if you wish to summon a girl for punishment, choose the after school staff training option.

*Note: You can only hold a staff training session if no other girls have been ordered to your office.*

You will then give Miss Potts and Debbie another training session. They will both practice spanking Amy with a ruler. At the end of the session, you tell Debbie that she needs to be able to make a lot of woman orgasm. You tell Debbie she needs to practice cunnilingus on Amy. Amy says that her friend Tia will be there as well.

### **[TRN03] Staff Training 3: Body Search**

Choose to discuss "Claire's sexual urges", and then ask her "what if you did accept sexual pleasure from a student?" Once you have done so, talk to her about "asserting dominance over Debbie".

After school, choose to hold a staff training session. You will hold the fourth staff training session, where you demonstrate how to give pleasure to a student. At the end, Debbie will give you a blowjob and Amy will lick Miss Potts' pussy.

---

To get the second dream, you need to fully complete the "Order to the Chaos" Main Quest (QM1).

To do this, you will need to complete Miss Chang's Formula (SFC01), The Interview (SFC02), Spanking the English Teacher (SFP01) and Stealing Priti's Password (SFW01). If you hired Trixie during the interview (SFC02), you will also need to complete XTRA11 to hire Anna as the lab technician.

If you have not already done so, you will need to pass at least one rule at the Friday school board. Keep Discipline above 20 and at night you will get the Second Dream event.

If you have not already unlocked the Remove Skirts Rule (See PDEB02), then the next weekday morning you will see a scene with Sally and Izzy running. The option to buy paddle will be unlocked. The option to propose new Corporal Punishment rule to remove skirts will become available.

### **[OTH04] The Third Dream (Rosie and Sarah)**

---

Complete Little Sally Still Wants to Fight (SFC03). Open the Recycle bin on your computer and read the (previously locked) April 16 entry. Go to the Teachers' Lounge and speak to Ruth about the old headmaster's journal. At night, you will then get the third dream and this event will unlock.

### **[OTH05] Dungeons and Dragons Part 1**

---

On Sunday afternoon, go to the dorm and speak to the group of girls there. They are playing dungeons and dragons. Agree to watch them play. You will be joined by Miss Chang.

At the end of the game, you will be asked who had the best costume. You should choose Faye. If you do, then the following week Emily will be dressed in a skimpier costume.

### **[OTH06] Dungeons and Dragons Part 2**

---

Complete Dungeons and Dragons Part 1 (OTH05). The following Sunday afternoon, go back to the dorm and speak to the group of girls.

At the end of the game, you will be asked who had the best costume. You should choose Emily. The other girls will agree to go to Priti's room to try on some new costumes.

### **[OTH07] The First Group Medical**

---

On the first Wednesday (Day 3), Nurse Kate will visit you if your office at the start of the day. You will agree to have medical inspections held on Thursday mornings in the gym. On Thursday morning, go to the gym hall in the Sports Center. You will see the inspection in progress and this event will unlock.

### **[OTH08] The Second Group Medical**

---

Complete the First Group Medical ([OTH07](#)) and start Chapter 2 by completing the New Chapter event ([OTH13](#)).

Check your email on your office computer. You will see an email titled "medical screenings". You are told that the school owners have volunteered the girls for a medical research program to investigate their sexual health. This will involve some highly embarrassing medical tests. You decide that these tests should be conducted during the existing weekly group medical.

Complete Olivia's arrival ([OFF02](#)) and Jasmine's Arrival ([OFF05](#)). If you have not already done so, you will also need to complete Maxine's Demand ([PAP02](#)). You will also need Influence 11 and Discipline 90.

In the morning, Sam will tell you that Mykock asked you to check your emails. She says that your school has been selected to take part in a medical research survey.

Check your email on your office computer. You will see an email titled "new medical screening requirements for reform schools". The email gives more information about the new health screening, including a requirement for breast examinations and vaginal swabs.

Speak the nurse in her office (in the Sports Center) on Monday, Tuesday, Thursday or Friday afternoon. Talk about the "new weekly screening requirements". You tell Nurse Kate to carry out the additional checks during the Thursday morning group medicals. After you have spoken to Nurse Kate, you will also speak to Sally and ask her to help with the medicals.

On Thursday morning, go to the gym hall in the Sports Center. You will see the new medical inspection in progress, and this event will unlock. You will get discipline +5, popularity -3 and horniness +1.

### **[OTH09] The First Dance Lesson**

---

After you have hired Trixie as the Dance Teacher ([SFX01](#) or [XTRA11](#)), visit the gym on Wednesday morning. You can stay and watch the class if you want, but even if you leave immediately the event is unlocked.

### **[OTH10] The First Board Meeting**

---

This will happen automatically on the first Friday morning (day 5).

### **[OTH11] First Date with Samantha**

---

Make sure that you have at least \$60.

Go to the school office and ask Samantha "tell me more about yourself". She tells you that she lives in a farm with her sister, but the fields are overgrown and the farmhouse is in a terrible state, and they don't have the skills to repair the place. (This step is not required but helps develop the story. It explains why you should say you are keen on home improvements during the date.)

You should then ask her about "the local area" and then "ask her out for dinner". That evening, you will go on the date with Samantha.

Complement her outfit, order the house red, and choose to have the same as Samantha. Ask about her interests, and then say that you are keen on home improvements. Ask about her sister and her love life.

Your waitress, Arabella will then ask you about the school. You find that she is currently being homeschooled by her mother Patricia, who is also the manager of the restaurant.

Arabella will bring the wrong order. Chose to "Intervene" and then "go check it out". You will see Arabella about to be spanked by her Patricia. Open the door a little further, and then say that "actually, I do mind".

At the end of the meal say that it was delicious and then pay for everything. The bill will be \$60. Samantha will kiss you and you'll say that you thought dinner went very well.

*Note: if you press "skip day", you will not go on the date. (Pressing "skip period" is OK.) You will still get the date on any following day where you don't press "skip day".*

### **[OTH12] Meeting Lily**

---

The morning after your date with Samantha (OTH11), you will get a scene where Samantha is talking to Lily, her sister. Lily is trying to borrow some money from Samantha, and asked about her date with you. Lily then tells you that she used to have to spank Samantha when she was younger.

### **[OTH13] A New Chapter**

---

Complete the How to Discipline a Young Woman event (CLA13). The following Monday, Chapter 2 of the game will start and you will automatically get this scene. You will see the Headmaster wake up, listen to the radio as he completes his morning routine, and talk to some of the students. He then gets Debbie to help him to a mass underwear check.

*Fun Note: The woman that you hear on the radio at the start of this event is Liz's mother.*

The dialogue with Amy and Cassandra will change depending on what events you have completed. See [XTRA20](#) for more details.

## Holiday Specials [HOL]

---

### [HOL01] The Halloween Special

---

Start Chapter 2 by completing the New Chapter event ([OTH13](#)). The following Monday (a week after Chapter 2 started), you will get a special message saying you have unlocked the 2020 Halloween Special.

For details of how to play the Halloween special, see the Headmaster's Halloween walkthrough ([HS1](#))

### [HOL02] The Christmas Special

---

Complete the "Leave No Girl's Behind" main quest by getting grades to 100. See [QM404](#) or [REFG05](#) for details of how to do this. The following Monday, you will get a special message saying that you have unlocked the 2020 Christmas Special.

For details of how to play the Christmas special, see the Headmaster's Christmas Eve walkthrough ([HS2](#)).

### **[HOL03] Debbie's Halloween**

---

Complete the first Staff Training event, Stripping and Spanking ([TRN01](#)). At the end of the session, you will get a special message saying that you have unlocked the 2021 Halloween Special.

## Endings [END]

---

### [END01] The Student Revolt

---

This is a bad ending, which means you have failed. It can happen at any time if Discipline falls to zero.

### [END02] Ruth Asks Some Questions

---

This is another bad ending, which means you have failed. It can happen at any time if Grades falls to zero.

If both grades and discipline fall to zero at the same time (e.g. if you force Priti to strip, see [XTRA12](#)), then you will get the Student Revolt ([END01](#)), not this ending.

## Extra Events Not in the Replay Menu [XTRA]

---

*Note: These are not actual events in the replay menu, but you may need to do these before completing some of the other events.*

### [XTRA11] Making Trixie the Dance Teacher

---

If you accept Trixie's offer of a blowjob during the interview ([SFC02](#)), you will then hire Trixie as the lab technician. That evening, visit Miss Chang in her classroom. She will insist you fire Trixie.

The following day, use your office phone to summon Trixie. You will appoint her as Dance Teacher and hire Anna, the other candidate, as the lab technician. Speak to Miss Chang in the evening, and she will thank you and you will get +1 Influence Point.

### [XTRA12] Priti's Photoshoot: Ordering Her to Strip

---

During Priti's Photoshoot ([SFW02](#)), you can choose to "order her to strip" or "trick her". For the "trick her" option, see [SFW03](#).

If you choose "order her to strip", then after you've taken the photos, you will need to choose to "stop". If you choose to "keep going", you will be interrupted by the School inspector Ruth, and you'll get a bad game ending.

The following morning, Samantha will tell you that Priti was seen running from your office in tears. Your grades, discipline and popularity will all decrease by 10. If this causes grades or discipline to fall to zero, you will get an immediate bad game ending. This can include either the Student Revolt bad ending ([END01](#)) or the "Ruth Asks Some Questions" bad ending ([END02](#)).

When you give Mr Wilson the photos of Priti being forced to strip, he will complain about the fact that she is not smiling. You will only get +1 influence point, instead of the +2 influence points you would get from the other two paths (either hiring the prostitute for him, [SFW04](#), or tricking Priti into stripping, [XTRA13](#)).

*Fun note: if you chose to order her to strip, you can then view the photos you took using the Photo Album app on your computer.*

*Not-so-fun note: if you chose to order her to strip, then if you speak to Priti in the classroom hall on Tuesday morning, you will realize that she has been traumatized by your actions. You will not be able to do an underwear inspection on her. (However, once you start Chapter 2 of the game, you will be able to inspect her again.)*

### **[XTRA13] Priti as a Picture (Alternative Paths)**

---

If you want to both complete the "Priti as a Picture" staff quest ([QWIL](#)) and fully unlock all the events in the replay menu, you will need to complete Miss Chang's Formula ([SFC01](#)), Stealing Priti's Password ([SFW01](#)), Priti's Picture: The Direct Approach ([SFW02](#)), Priti's Photoshoot ([SFW03](#)) and Hey Mr, Wanna Buy Some Candy ([SFW04](#)) in order.

However, if you just want to complete the staff quest and don't mind about unlocking all the items in the replay menu, there are a couple of alternative ways of completing the staff quest.

#### **Alternative path #1:**

After you have completed Priti's Photoshoot ([SFW03](#)) and visit Mr Wilson in the evening, you can simply agree to hand over the photos of Priti. This will give you 2 influence points, but it means that the "Wanna Buy Some Candy" event ([SFW04](#)) will not unlock.

#### **Alternative path #2:**

You do not have to complete Priti's Pictures ([SFW02](#)) or Priti's Photoshoot ([SFW03](#)). Instead, after you hire Trixie ([SFC02](#) or [SFX01](#)) and steal Priti's password ([SFW01](#)), visit Mr Wilson in the evening to hand over the password. Visit him again the following evening and ask for "more help with the board". Refuse when he says he wants nude pictures of Priti. You can then agree to give him a night with a prostitute instead.

This will allow you to unlock the "Wanna Buy Some Candy" event ([SFW04](#)) but you will not be able to unlock Priti's Pictures: The Direct Approach ([SFW02](#)) or Priti's Photoshoot ([SFW03](#)).

*Note: you can change your mind about whether you take the nude pictures of Priti or not. To do this, visit Mr Wilson in the evening. Speak to him about the "photos of Priti". You will then tell him "I've decided to help you" (if you want to take the photos) or "I've changed my mind" (if you don't want to take the photos).*

### **[XTRA14] Selling Photos to Mykock**

---

The morning after you complete Priti's photoshoot ([SFW03](#)), Mykock will visit you and offer to buy a copy of the photos. If you agree he will pay you \$300.

He will then offer to buy photos you take of any of the girls during a private punishment, and you will agree. From that point onward, if you take photos of a girl during a private punishment, you will receive an extra \$100.

*Note: if you order Priti to strip, instead of tricking her (see [SFW02](#)), this event will not unlock.*

### **[XTRA15] Miss Potts Teaching Outside**

---

Complete Spanking the English Teacher ([SFP01](#)), and do a patrol. You will see Miss Potts reading to her class outdoors.

You tell yourself that none of the girls are in your classes so you haven't had much interaction with them, and because you usually see the same girls, you sometimes forget you are running an entire school with dozens of students.

You are told that the more progress you make training the staff, the more you will see these girls being punished around the school.

### **[XTRA16] Debbie & Cassandra Hallway Interactions**

---

On Wednesday mornings, you will see (and can speak to) Debbie and Cassandra in the classroom hallway. At first, the two girls will be disrespectful.

Once you have raised Debbie to level 4 (see [PDEB04](#)), she will become (slightly) more respectful. Once you have made Debbie a prefect (see [PDEB08](#) and [STD04](#)) then you will see her doing an underwear inspection on Cassandra.

### **[XTRA17] Cassandra and Faye Patrol Scene**

---

This is an extra patrol scene that is not included in the replay menu. To see it you, will need to unlock Cassandra's student quest.

To do this, you will need to complete Cassandra's Shocking Realization ([STC01](#)) by raising Cassandra to punishment level 2 and spying on Debbie's room twice.

The following day, check your email (on your office computer). You will see an email from Mr Mykock. It says that a number of wealthy individuals have expressed an interest in visiting the school, and that he suggests you find a student to take them on a guided tour. You tell yourself that a girl trained to be the perfect hostess would be of great use to you. You think about choosing Cassandra. This will unlock Cassandra's student quest.

You can then do a patrol. You will see Cassandra smiling, but she is still rude to Faye when Faye tries to speak to her. You realize that transforming Cassandra into a hostess for the school is going to take a lot of work.

### **[XTRA18] Ada Campbell**

---

Ada Campbell is a new girl who joins the school. To get Ada to join the school, you will need to complete Debbie's Pledge of Loyalty ([STD04](#)) to make Debbie your prefect, and complete Maxine's Demand ([PAP02](#)). (You do not have to complete [PAP03](#), Lucy's Request.) You also have to visit Mr Wilson for the first time (see Stealing Priti's Password, [SFW01](#)).

The following weekday morning, Samantha will tell you that Mr Mykock is sending a new girl to the school and she will arrive the following morning.

The following morning you will see a scene where Ada arrives at the school and you talk to her. You can then see Ada in the classroom hall on Monday afternoons.

If you have not unlocked Ada by the time you pass the school rule to punish the girls yourself, then immediately after the school board meeting, you will see the scene where Ada arrives before the How to Discipline a Young Woman scene ([CLA13](#)) plays out.

### **[XTRA20] A New Chapter: Unlocking the Additional Dialogue**

---

During the "A New Chapter" event ([OTH13](#)) the dialogue with Amy, Rachel and Cassandra will change depending on what events you have completed.

#### **Amy**

You can see an additional scene where you ask Amy if she's reconsidered your proposal to help with staff training. Amy says it's tempting but she would worry too much about what the other girls would say.

To get this scene, you need to have found Amy's pleasure source ([PAMY08](#)) and then punished her after school. At the start of that punishment, you will tell Amy that you need a volunteer for some teachers and a few trusted students to practice their punishment techniques on. This will unlock Amy's additional scene during this event.

*Note: you do not need to level Amy up during that punishment.  
You do not need to have completed the pain ([PAMY05](#)) or humiliation ([PAMY06](#)) parts of her quest.)*

#### **Cassandra:**

You can see an extra scene where you tell Cassandra that she has a beautiful smile and looks positively radiant, and Cassandra tells you that she hates the school and she hates you, but she still remembers to smile when she says it. You tell yourself that you have a lot of work to do to

transform Cassandra into an elegant hostess for the school and that her next lesson should be in the subtle art of flirting.

To get this scene, you need to have raised Cassandra to punishment level 2 (PCAS01) and completed Cassandra's Shocking Realization (STC01).

**Rachel:**

If you have not unlocked the strip to underwear rule (PRAC07) then, after you tell yourself you will need to bare her breasts to give her the extra humiliation she needs, you will then mention that you'll need to make the necessary changes at the school board first.

### **[XTRA21] Forcing Priti to Strip: Chapter 2**

---

During Priti's student quest, you need to complete Priti's Achilles Heel (STP03) and choose to follow either her punishment or desires path. You then need to complete the Goddess of Beauty event (STP04) by taking photos of her after the school play.

However, if you forced Priti to strip during, then during the Priti's Achilles Heel event, you will tell yourself that you need Priti to trust you, but you badly broke that trust when you forced her to strip naked. This happens regardless of whether you choose the punishment or desires path for Priti. It means that you will not be able to immediately complete the "Goddess of Beauty" event. You will need to complete an additional action first.

The morning after you have completed Priti's Achilles Heel (STP03), you will see a scene with Priti where you tell Priti that you think she has repressed her normal desires. You decide to go ahead with the photoshoot you had previously been considering when Mr Wilson wanted naked pictures of her.

Once you have \$1200, buy the School Swimwear Samples from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday.

You can then use your phone to summon Priti again and complete the photoshoot. During the photoshoot you agree to take further photos of Priti after the school play rehearsal. You can then complete the Goddess of Beauty event (STP04) and continue with Priti's student quest.

### **[XTRA22] Ada's Photos**

---

In Chapter 2 of the game, you can see some of the photos that Ada has taken if you speak to her in the classroom hallway on Monday afternoon.

You will first need to get Ada to join the school ([XTRA18](#)). The first time you speak to her in the hallway, you should ask her if she has taken any good pictures lately. She will tell you that she would really like to photograph the twins, Mary and Louise.

*Note: you can have this first conversation as soon as Ada joins the school. You do not have to wait for Chapter 2 before you talk to her.*

Once you have started Chapter 2 of the game, you can ask her again if she has taken any good picture recently.

*Note: you will start Chapter 2 when you complete the "How to Discipline a Young Woman" event ([CLA13](#)) and see the "A New Chapter" scene ([OTH13](#)).*

Ada will then show you pictures of Priti, Debbie and Cassandra, and Amy and Alice. Debbie and Cassandra's picture is based on the weekend patrol event "Debbie and Cass Playing Music 2" ([WEP04](#)). Alice and Amy's picture is based on "Inappropriate Clothing 2" ([WEP02](#)).

Once you have hired Trixie as the dance teacher ([SFX01](#) or [XTRA11](#)), then you will also see a picture of Lucy and Rachel in their dance class leotards, and several pictures of Trixie posing nude at her house. You then suggest to Ada that she should capture as many nude models as possible.

## END OF PART 3

**[End of Part 3]**
