About send a message to Crush:

Send him a message.

Hi Cap, how are you? Sorry I haven't written to you before. I thought it best to leave you alone for a while.

*I know my thing with Nick has affected our friendship, but I care about you, Cap.
I know I can't give you what you want, but I can give you my friendship and be there for whatever you need.*

I don't want to push you. Think about it. A hug. Your friend forever. V.

At the Sigma center:
*Only now I want to get to know your not-your-weapon thing more thoroughly.
Check traffic camera.
Check the license plate number of the ticket
Scan the skid marks.*

On Driller's trail:
*I was so love-blinded that I didn't notice it before.
Nick must have been lying when he said he hadn't found anything.*

At the WickedKitty base:
Where is the reactor you stole?

ENDING- Unexpected alliance.

At the sushi restaurant:
Wait a little longer.

At the Versabase:
Ok, we can change the logo if that's the problem.
