## ===Summary===

Katsuya is an incompetent white-collar worker, who is about to get fired. One day, a man suddenly appears in front of him, and gives him a pair of glasses. "If you wear these glasses, your life will change 180 degrees." Yes, it's true! While he wears them, he becomes a competent worker. But, he doesn't know these glasses also make him wild and violent....

===Walkthrough===

◆ WHAT YOU NEED TO KNOW BEFORE, WHEN AND AFTER PLAYING THE GAME

-BEFORE-

Note to be taken that this game isn't like Togainu no Chi or Lamento either. Kichiku Megane needs you to choose ways of the main character, Saeki Katsuya (**voiced by Hirakawa Daisuke**), to lead his life with a pair of kichiku megane a.k.a devil glasses. So you need to choose whether to let Katsuya to wear the glasses or not.

This game have 31 endings; 17 endings involve Megane Katsuya with 4 happy endings, and 14 endings involve normal Katsuya with 3 happy endings. So need lots of time to play without guide, eh?

For the endings, if the screen shows some kind of sky view, you just got a GOOD ENDINGS. While you having some sort of credits shown after you finishes playing, you just got a HAPPY ENDINGS! Nice one! But, if the screens shows a pomegranates with black-and-red **OR** white-and-red-bloody-spots, that's the BAD ENDINGS.

-WHEN-

Ah, nothing to be said. Like always, save the choices at the game load. Oh by the way, it got 100 SLOTS TO BE FILL WOOHOO.

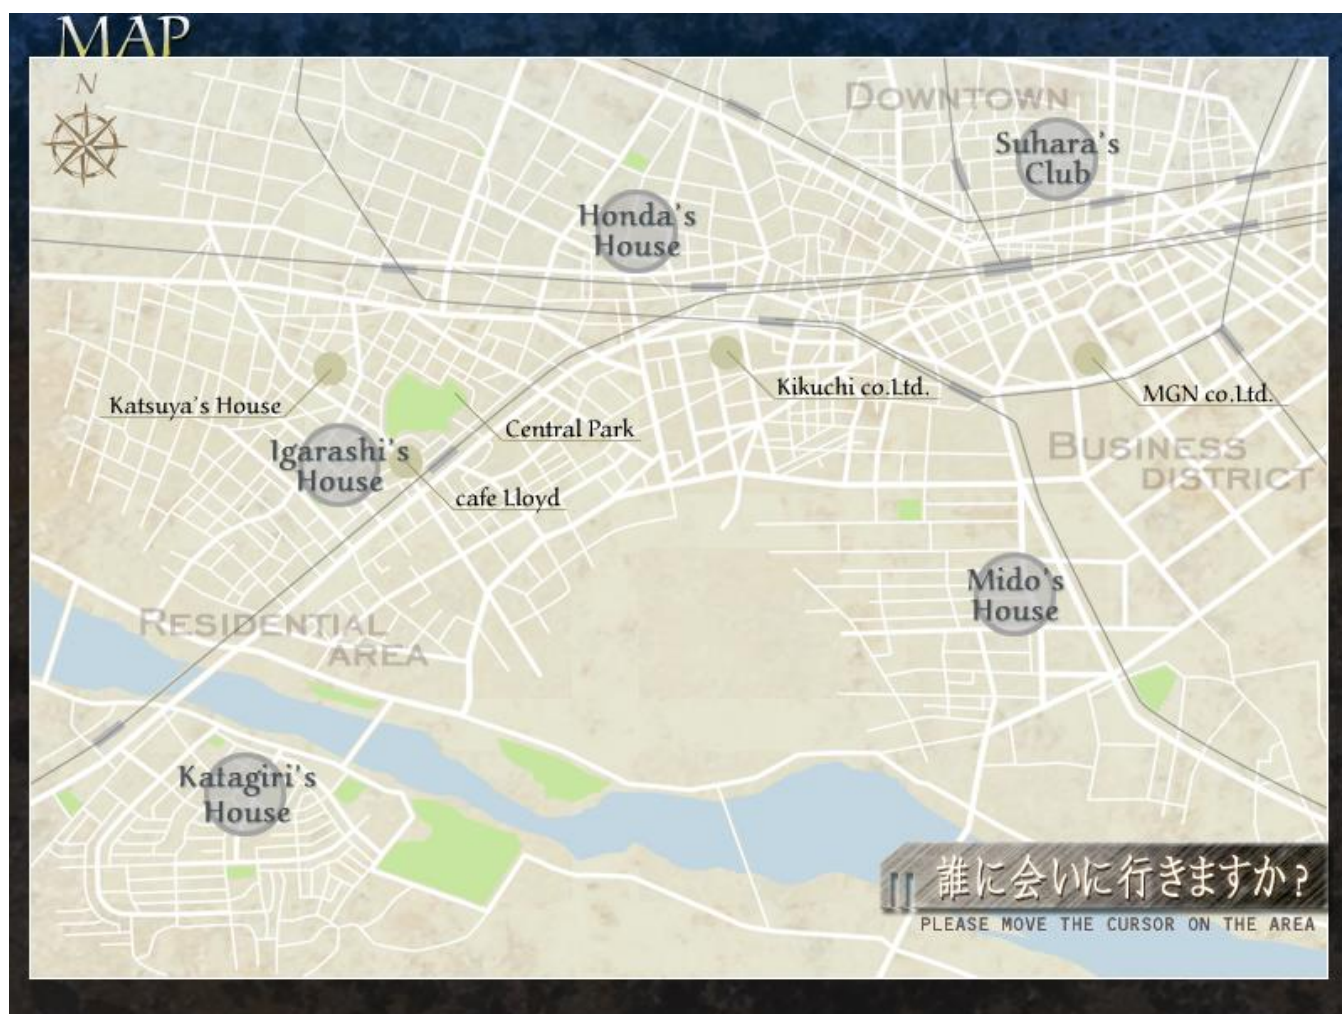

The ^ images indicates where do you need to go with other characters involves. Left to right:  
MGN (**Midou Takanori** is there), deskwork (**Katagiri Minoru** is there), business planning (**Kenji Honda** is there), entertainment (**Suhara Aki** is there), and lastly retail (**Igarashi Taichi** is there)

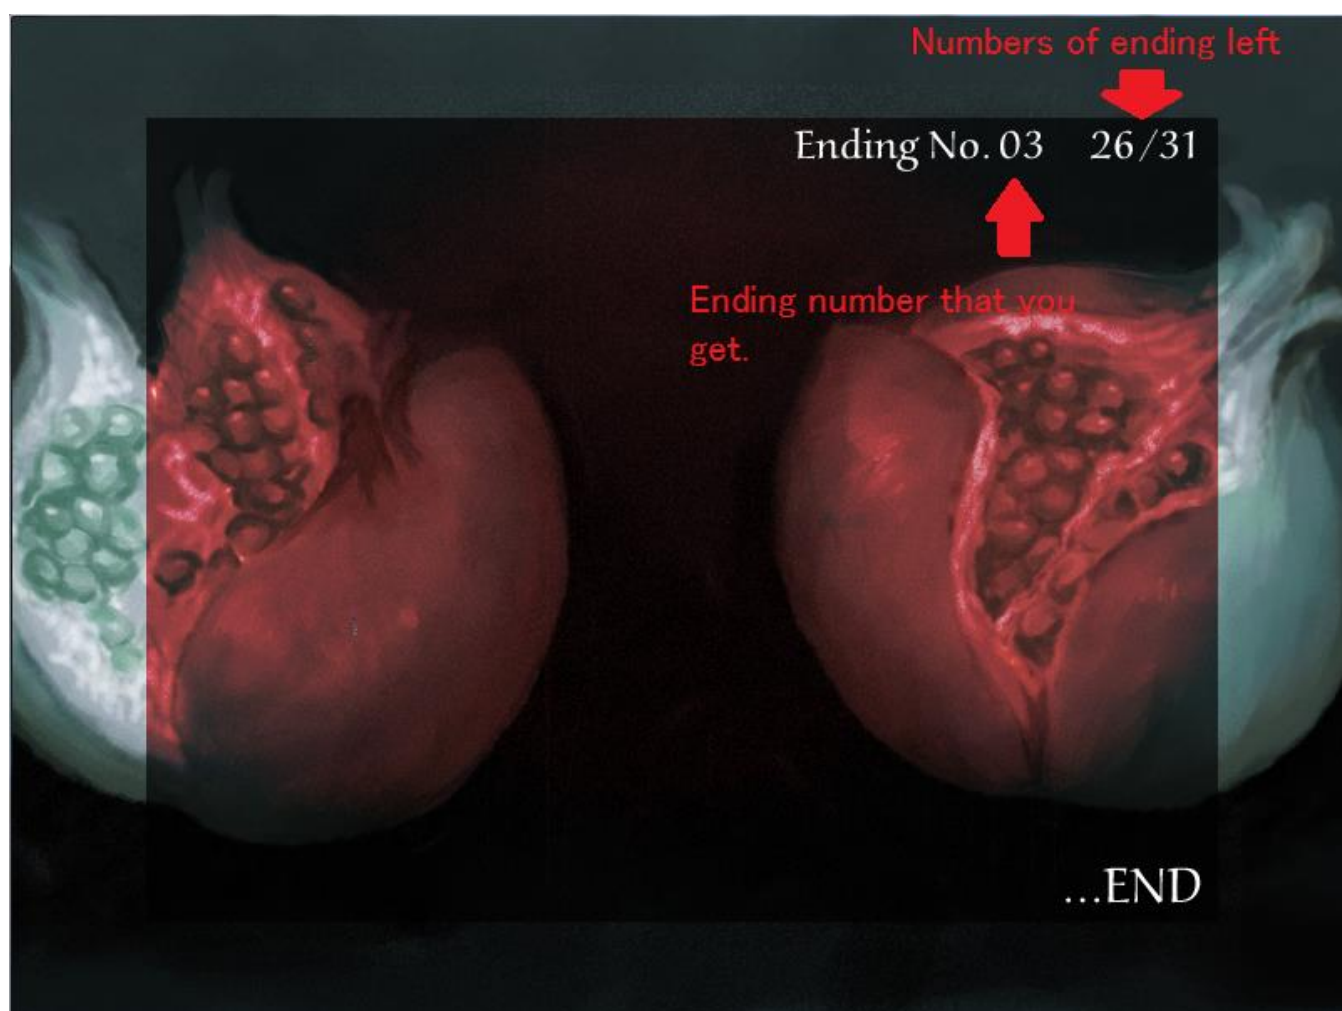

This is where you choose whether to wear glasses or not. Notice the red arrow I indicates there? That is Kichiku Meter. Its increases when you do something evil/naughty. It doesn't really important though.

Up here is where do you want to go at weekends. With options either to wear glasses or not.

This is the final thing you got. Left arrow: Ending number that you get, Right arrow: Numbers of endings that left to be play.

In certain endings, Mr. R will be giving you a pomegranate for a present. It can be used at Club R.

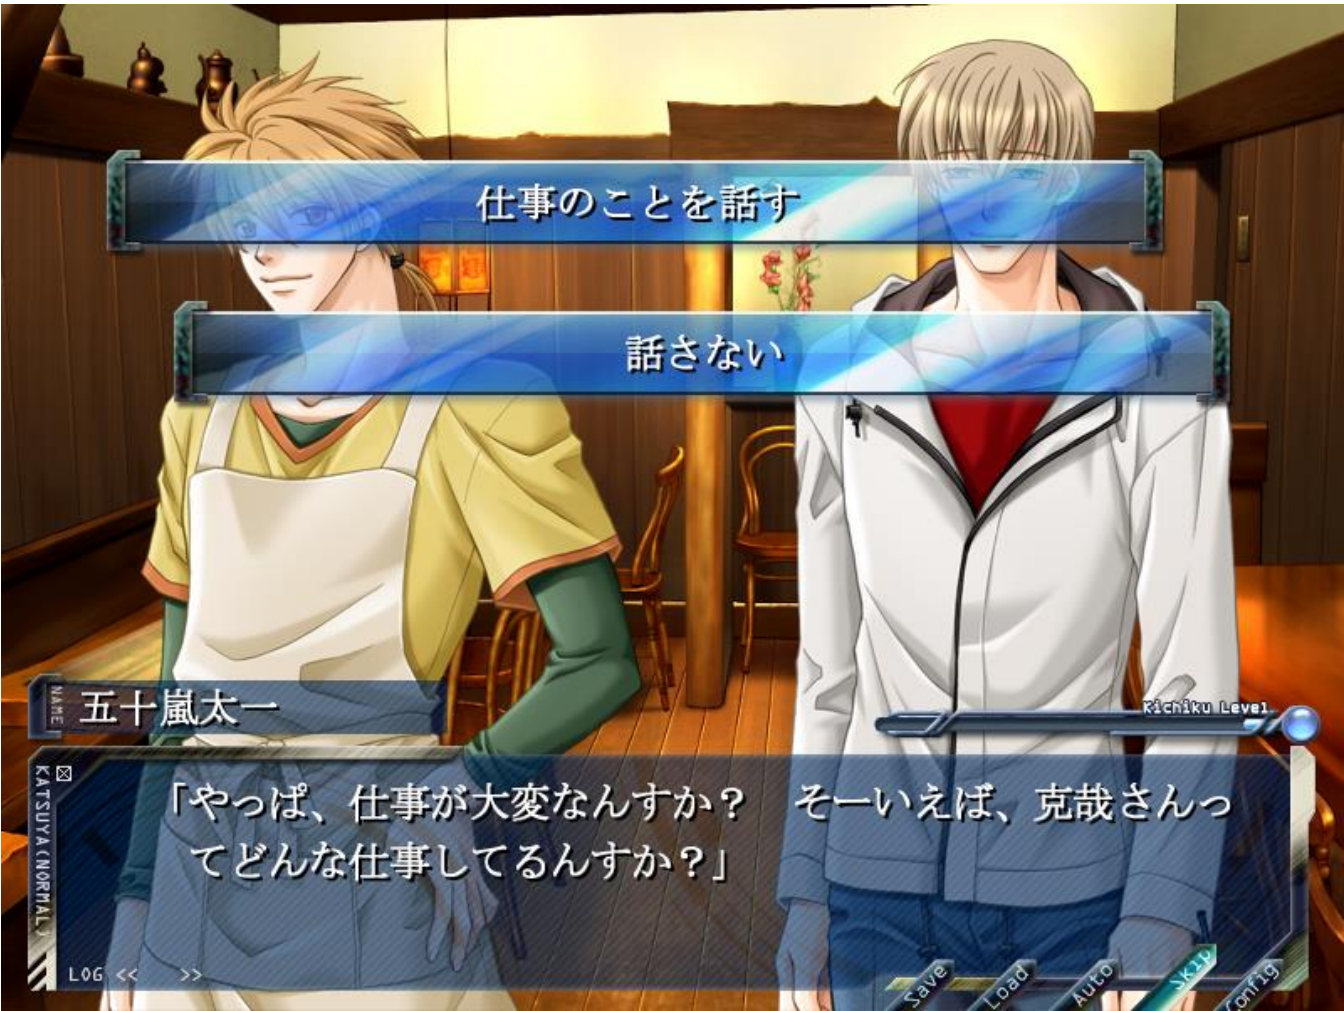

## **-AFTER-**

Finishes one of the endings, and you just unlocked EXTRA option available at the main menu. It have gallery (CG), scene (what you likely want to watch again, and some ero-scene too), sound (BGM), characters (it is likely to be characters' bio), and lastly, **CLUB R**.

This is where the pomegranates that Mr. R gives you had been kept. It is some extra scenes with Katsuya that ate the fruits given and having H dreams. Weird huh? 8 fruits will be given. Some contains selfcests, ero in the meeting room, and TENTACLE RAPE OMG.

NOW LET'S GO TO WALKTHROUGH.

The choices above (see references posted) IS NOT SO IMPORTANT. Get it? You can get same endings even though the 3 choices above is different.
