Sisters walkthrough

Going all in path

⚠ Spoiler Alert! ⚠

This guide contains major story spoilers for the *Franzi and Kiara All-In Path*. If you haven't played through Chapter 1–13 yet and want to experience the twists and turns yourself, stop reading now!

Welcome!

Franzi and Kiara are half-sister and main love interest for the game FamilyVacation.

This is the official step-by-step guide for navigating the **Sisters All-In Path** — specifically how to deepen your relationship with Franzi and Kiara while maximizing intimacy and romantic outcomes.

In this walkthrough, we'll guide you **choice by choice**, with clear explanations and insights into how each decision impacts Franzi's and Kiara's feelings, availability, and scenes — from early flirtation to full commitment.

You'll learn exactly how to:

- Build the half-sisters trust and desire across key chapters
- Avoid detours that might weaken your bond
- Unlock exclusive moments and stay on track for the most rewarding endgame

Please note:

This guide is designed to help you **focus fully on Franzi and Kiara**. It assumes you prioritize her over other potential partners and avoid branching paths that could jeopardize her affection.

If you're ready to go all in with the two half-sister - let's get started!

This walkthrough is for the Normal Edition and will work in the Special Editon as well.

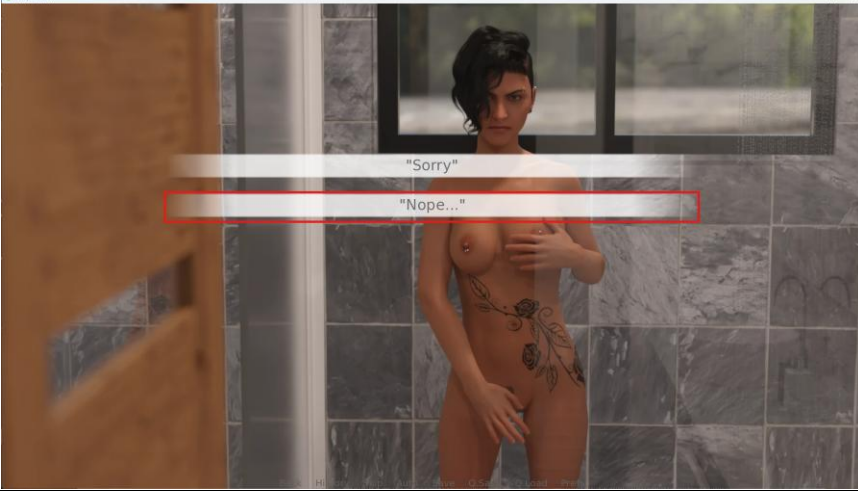

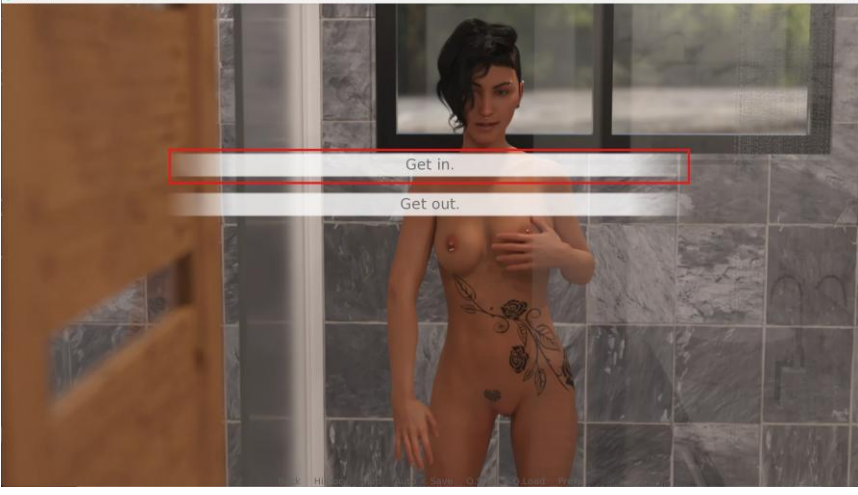

Thanks to Marcus from [Free From Others](#) for his step-for-step foursome guide which I used as the base for this walkthrough.

How I said, choosing to let Leni go with Lorenzo or not has an impact. For this walkthrough I decided to let Leni go with Lorenzo.

The following Philipp, Anne, Tanisha and Lotta scenes have no impact on this walkthrough.

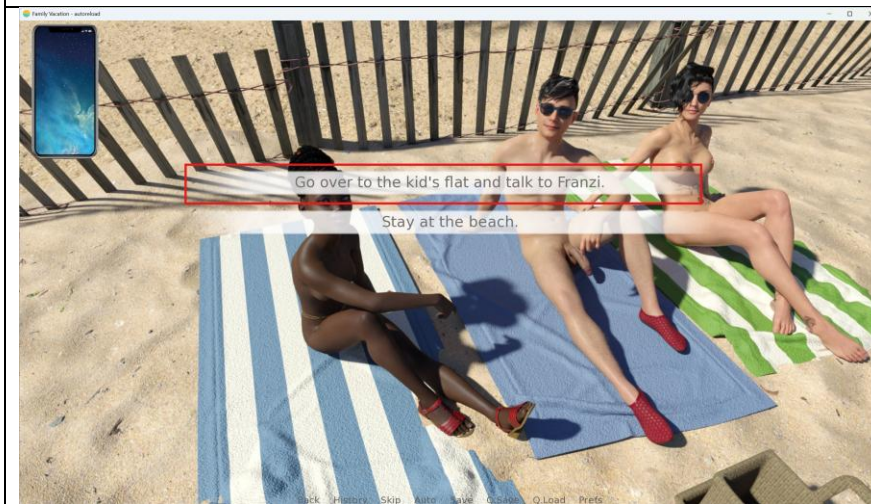

Chapter 9

In chapter 9 you've the chance to deepen your connection with Franzi. You'll also have an encounter with Girly, a new character which might be important for the later relationship with Kiara and Franzi

Choice:

Just wait - If you've done it right, you'll have a surprise.

<p>After that, a BDSM scene with Kiara will follow. Ask questions as you see fit.</p>	

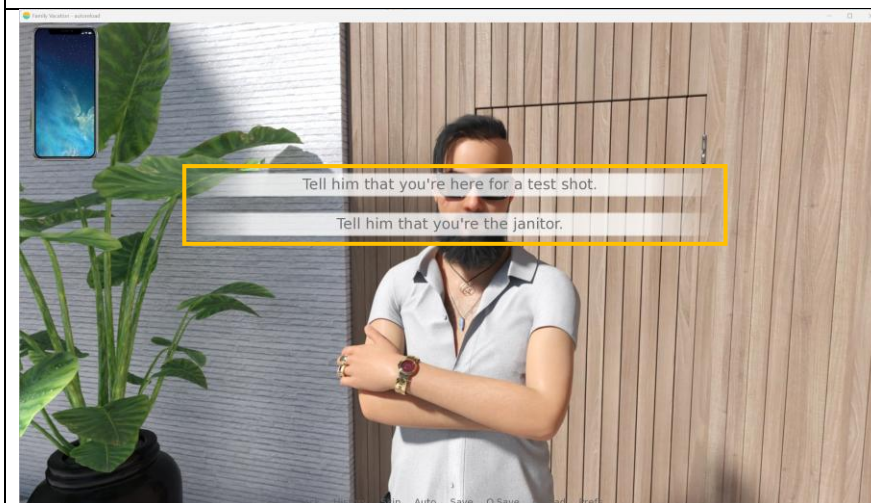

Chapter 10

Kiara and Franzi have the chance to participate in a photo shoot. If you play it right, you can influence their decisions and come closer to them too. In a dinner scene with Anne, you can push her further towards sharing.

Chapter 10 - both girls

Tell him Kiara is your daughter.

Chapter 10 - both girls

Tell him that you're the janitor.
Or
Tell him that you're for a test shot

If you choose janitor:
The next scene will be the test shot of Franz and Kiara.

If you choose test shot:
You'll have porn test shot with another girl. You won't see Franz's scene.

Choices:

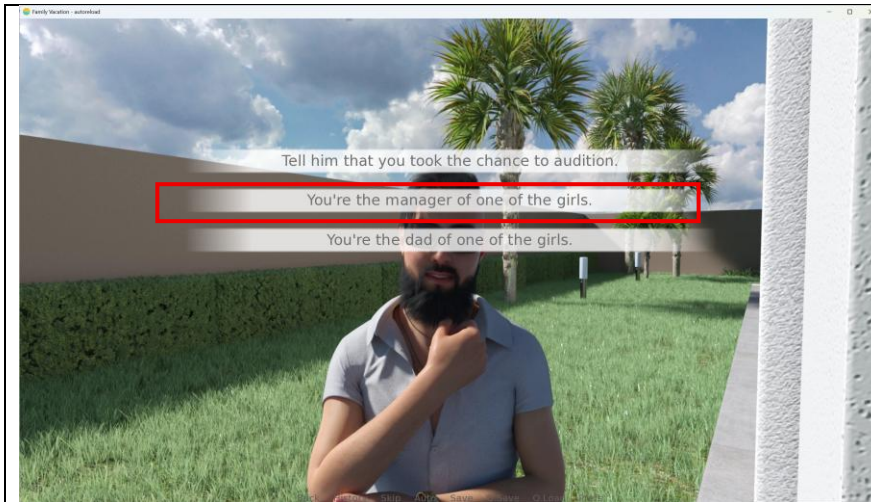

Apologize for the misunderstanding and get out

A: Get dressed and search for Kiara → jump to the next scene

B: Go thoruhg with it.

Look around → jump to the next scene

Either way. You'll be able to be the manager of the two girls. With the test shot option, you'll be able to open more options later.

Chapter 10 - both girls

You're the manager of one of the girls.

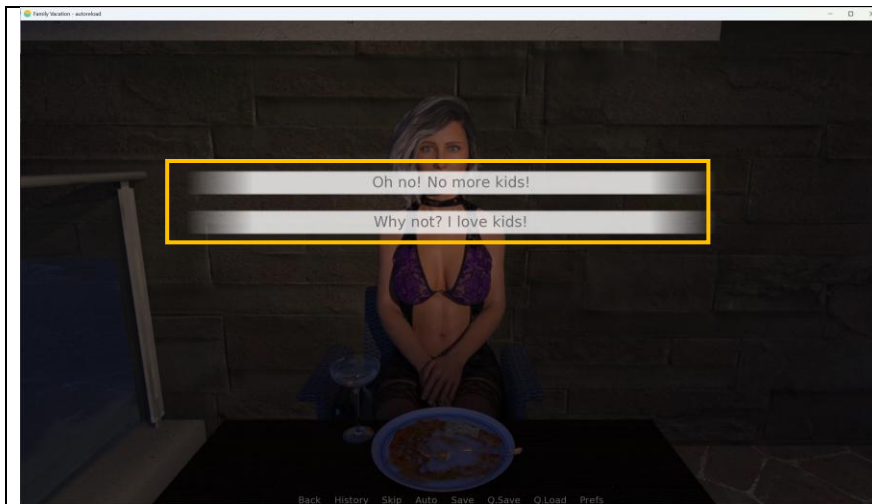

Chapter 10 - Anne

Try to convince her...

Chapter 10 - Anne

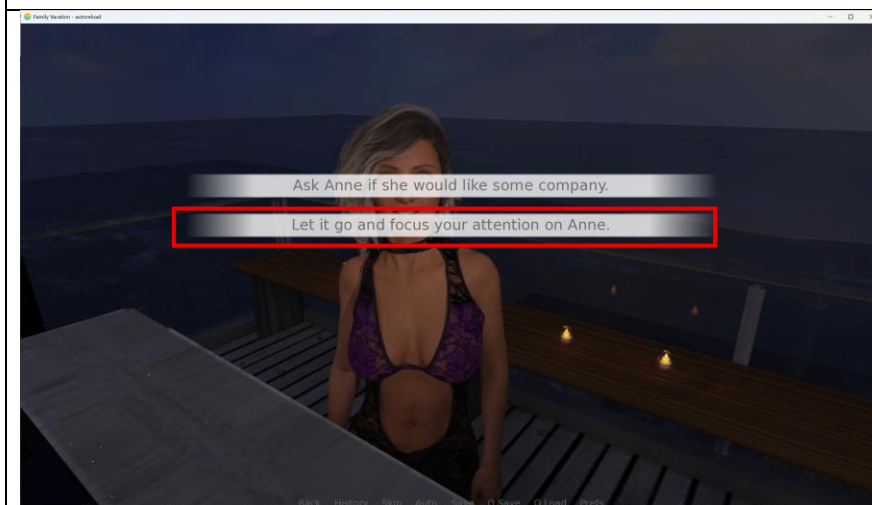

Ask her if she wants to join

Chapter 10 - Anne

Here you can decide if you want to have further kids with Anne before her midlife crisis. The result has no impact on this path.

I've decided to go with:
Why not...

Chapter 10 - Anne

Let it go and focus your attention on Anne

After that, an encounter with Anne will follow.

Choices:

Tell her how you fucked the girls

I know! ...

Ask her about Kiara and Franz

Come in her

Chapter 11

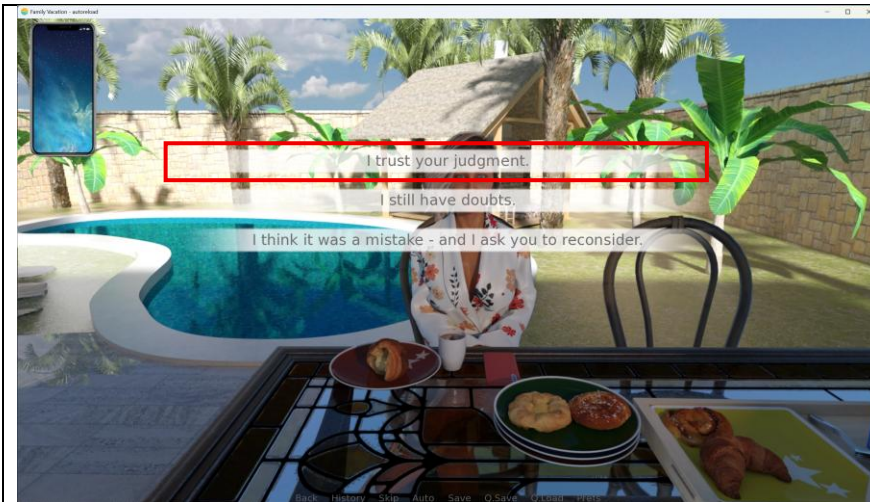

Chapter 11 has no direct impact on that route.

- Choose preference for Philipp
- Choose preference for Anne's boss - can decline proposal for Anne
- Flashback: Choose preference for Philipp - Can lead to MC-Philipp-Kiara path

Chapter 12

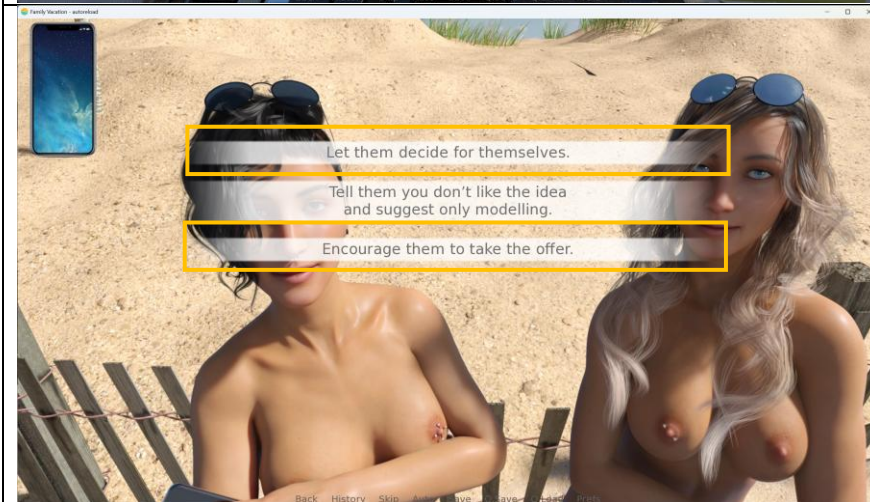

Chapter 12 is the culmination of the previous chapters.

You can choose either go with the idea to go bareback or reject it.

I recommend rejecting the idea.
