

My Summer

Walk-through v1.0.0

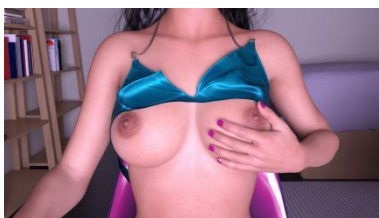

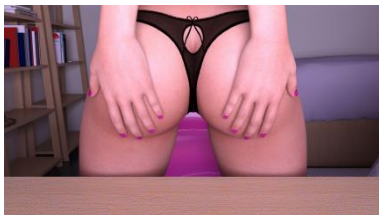

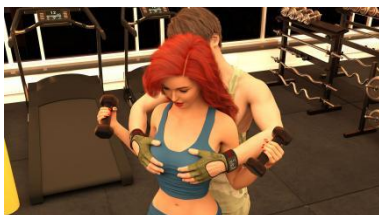

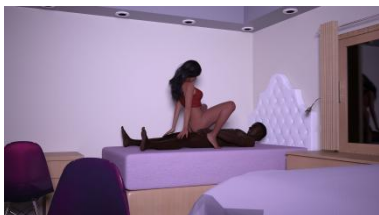

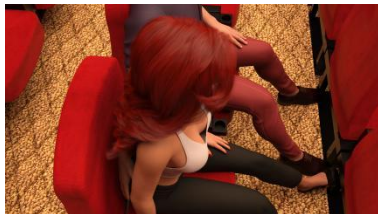

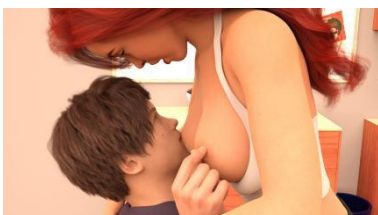

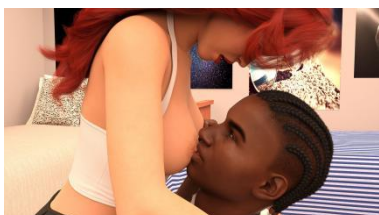

Story Plot: It's my second year of university. But due to my low scores, I have to take classes this Summer. It's not so bad for me though. I have a girlfriend, and I earn a lot of money from trading cryptocurrencies. Nothing can turn my life upside down, right?

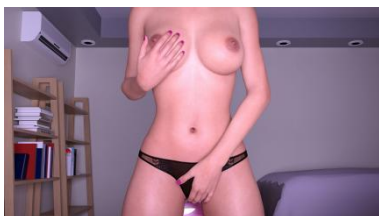

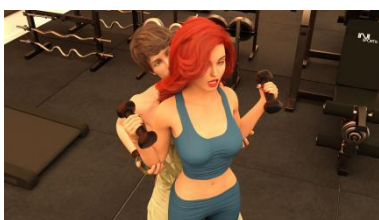

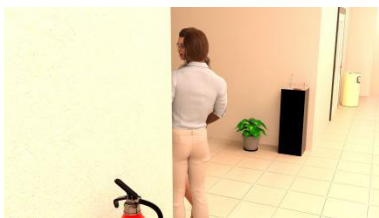

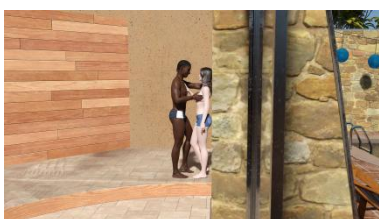

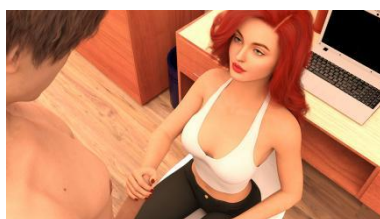

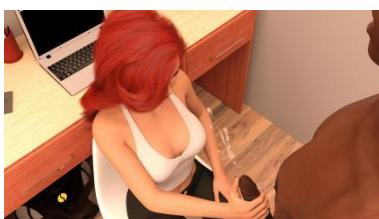

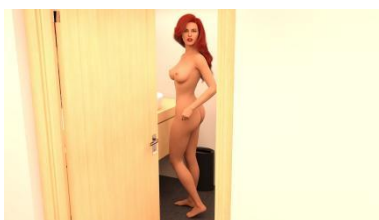

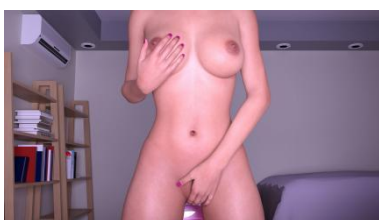

Depending on your choices, the game will lead you to one of these routes:

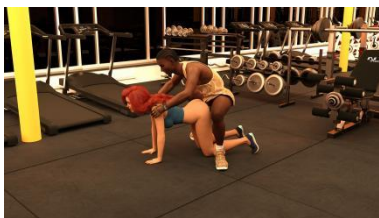

- **Good Guy & Bad Guy:** Romance Routes.
- **Open Relationship:** Sharing Route.
- **NTR:** Netorare Route.

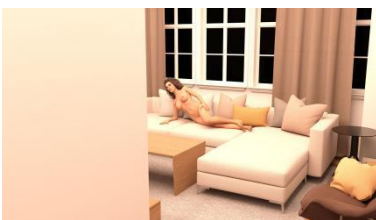

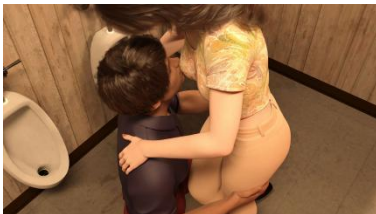

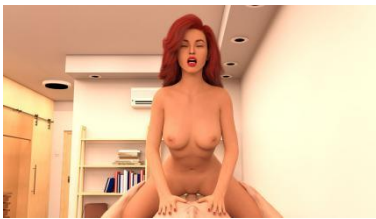

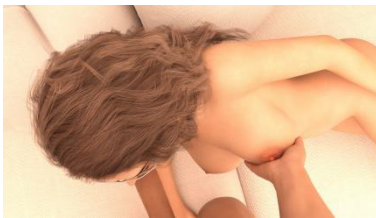

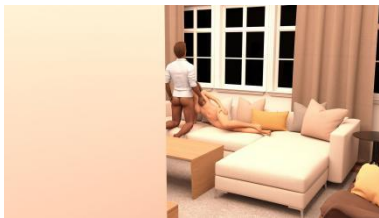

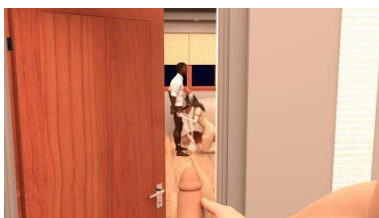

Notes:

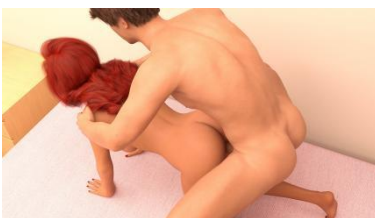

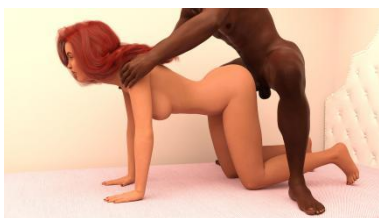

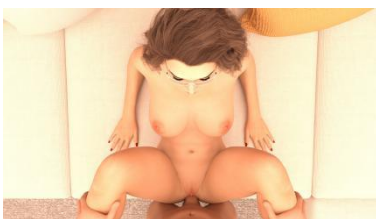

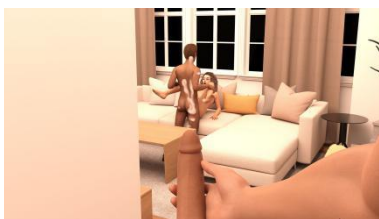

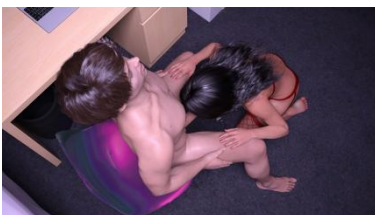

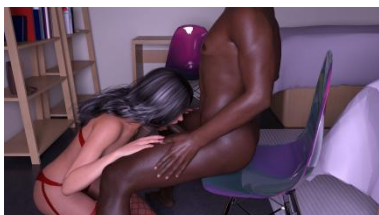

- Jerking off or not won't have different outcomes unless there are notifications about it.
- Cumming inside will only lead to pregnancy if there is warning about it.
