3) Now if Sophia has min. 23 relationship points with Sam, she'll talk with Ellie about him. You'll learn about Ellie's attitude when it comes to boys. That she doesn't date younger guys and only popular guys!

If Sophia doesn't have enough points with Sam, she'll just try to give Ellie advice on not being so hung up on just a guy's appearance and popularity. But Ellie tells her that this is her own decision.

Both ways are important for the further course of Ellie's storyline!

This decision is important for Dylan's attitude toward Sophia with other guys!

2) If Sophia has shown maximum interest in Alyssa before, she'll talk with her in private a little bit.

Listening to Neil and Amber talking from the balcony

Sophia returns from Dylan's delayed soccer match, and starts to get changed for her sunbathing at the pool. She notices that the balcony door is opened.

When she goes to close it, she notices Neil and Amber talking. If Sophia has more Filthy than Good Wife points, she forgets for a moment that she's just wearing a bra and jeans and can eavesdrop on them briefly to find out what's going on.

If she does, Sam will peek at her from his room.

This will be very important for Sam's storyline!

(Noon)

Sunbathing at the pool

1) If Sophia has shown maximum interest in Vicky before, she calls her and asks to meet up in the city.

2) Sophia's sunbathing in her bikini when Dylan suddenly appears totally unexpectedly.

She covers herself and goes upstairs to change into her one-piece bathing suit.

3) After she returns in her one-piece, Dylan tells her that she didn't have to change and Sophia tries to explain to him that she thinks it would be wrong sunbathing next to him dressed like that. But Dylan still doesn't understand it.

If Sophia has 16 relationship points with him, she tries to be understanding about the conversation and explains it to him more.

During the conversation Sophia finds out that Dylan is totally inexperienced with girls. She can either let her husband handle this, or she can make a "bikini-deal" with him. This means that if he cleans up

his room now, she will sunbathe with him on Sunday in a bikini. But she wants to use the sunbathing especially for an intimate conversation with him.
She'll get **Dylan +1** for that.

Meeting Vicky in the city

(If Sophia refused to meet up with her, she'll just do a few things in the city and drive back home again.)

1) Vicky suggests trying out a new place. A great spa that also has a gym.

2) After the workout they get a massage by two nice oriental girls (Zara and Layla).

Sophia can choose between A) keeping her towel on or B) pulling it down.

A) If she keeps her towel on, she'll talk with Vicky while the massage and that's it.

B) If she pulls her towel down, Zara introduces herself and they'll chat a little bit. Then she'll start to massage Sophia sideways by touching her breasts a little bit.

1) Sophia can tell her to stop. Then Zara will continue to massaging Sophia's back again and Sophia keeps talking with Vicky. The massage ends then.

Or she stays silent and lets the girl continue, for which she'll get **Lesbian Temptation +2**. Zara will tell Sophia to come back soon at the end.

(Afternoon)

Bringing the kids to Carl and Patricia's mansion

Back home again, Sophia goes upstairs to tell Dylan that everyone's already waiting just for him. Depending on her decision at the pool earlier on, she'll see that Dylan's room is either messy or cleaned.

If Sophia secretly watched Julia with Ellie at the pool on day 12, she'll notice how cute they're whispering and giggling with each other.

At the mansion, when Patricia leaves the kids, Sophia will have the chance to allow Carl to flirt with her a bit by the pool, or she can try to avoid it. This will influence Sophia's attitude towards him.

(Evening)

Football evening with husband and Neil (neighbor friend)

When Sophia returns home, Liam will give her roses and apologizes for having so little time for her the last 2-3 weeks. If Sophia reacts very flattered/understandingly on that and forgives him, she'll get **Good Wife +25** and loses **Filthy -25**!

They start watching the football game together and Liam asks if his wife wants to drink a glass of vermouth with them.
A) If Sophia refuses, they just watch the game until the end and Neil goes home. Liam feels shitty because of the booze and needs to rest.

Sophia either goes down to watch TV in the living room, or if Patricia wanted to take revenge on the subway thugs, she'll pick her up now.

B) If Sophia drinks a glass, she'll feel a little dizzy and cheered up after some time.

a) If Sophia is filthier than she's a good wife, she'll get an idea of how to lighten up the atmosphere because their team is about to lose. She goes up to Ellie's room and changes into her cheerleader outfit.

b) Otherwise the same will happen like above at A)

After some time, Neil will offer her another glass.

a) She can refuse. Then she'll go upstairs and take a shower. After that she'll meet her husband in the bedroom lying on the bed with a splitting headache.

Sophia either goes down to watch TV in the living room, or if Patricia wanted to take revenge on the subway thugs, she'll pick her up now.

b) Sophia accepts the second drink. Her husband will try to remind her of her reaction to alcohol. If she still wants to drink, her boozy evening continues and will be even more boozy.

After drinking the second glass, Sophia starts to act more and more uninhibited. Neil touches her thighs to "to reassure" her.

a) Sophia can take his hand off her. Then she'll go upstairs and take a shower. After that she'll meet her husband in the bedroom lying on the bed with a splitting headache.

Sophia herself feels shitty and also wants to rest with him. If Patricia wanted to take revenge on the subway thugs, she'll <u>try</u> to pick her up.

b) Or she doesn't mind Neil's touches.
If Sophia lets him touch her, Neil will slide his hand up to her butt. After a while, Sophia has had enough of watching the game and wants to go up to take a shower. Aroused by Sophia's behavior, Neil will follow her after some time.

Neil will enter the bathroom (the lock is broken, as you can remember), and tries to open Sophia's bathrobe.

If she has <u>min. 28 Filthy points</u> she can decide:

a) To slap him and get **Good Wife +2**

b Or let him and get **Filthy +2**

Otherwise she'll give him a slap automatically **Good Wife +2**

If Sophia lets him continue, he'll try to tear her bra off. But she will react in time and finally give him a well-deserved slap!

This way Sophia also learns that he secretly drugged her, and that's why she's been acting and feeling the way she has.

After the shower she'll return to her bedroom and meet her husband, who's lying on the bed with a splitting headache. Sophia feels shitty herself and also wants to rest with him. If Patricia wanted to take revenge on the subway thugs, she'll try to pick her up.

The revenge on the "subway thugs"

(Only available if Sophia didn't drink the second glass (or didn't drink at all, of course)!)

Sophia can decide:

A) Sophia, more angry on these guys than afraid of them at this moment, can trust her Patricia's plan (which she doesn't even know yet) and go with her to the place where she was assaulted.

B) Or she can refuse the vigilantism because it's too dangerous and instead decide that it's better to report them to the police.

When Sophia returns home, she'll go to sleep.

Sophia's relaxing evening

(Only available if Sophia didn't drink the second glass (or didn't drink at all, of course) AND if she won't go with Patricia to take revenge on the "subway thugs"!)

Sophia watches TV and then goes to the backyard, to relax for a few minutes before going to bed.

She'll hear Neil and Amber in their backyard.

A) If Sophia has more Filthy than Good Wife points, she can either go upstairs to her bedroom and secretly watch what their friends are up to from the balcony and get **Filthy +1**

B) Or not and get **Good Wife +1**

Otherwise she'll automatically keep relaxing and then goes to bed **Good Wife +1**

Sophia will see what Amber and Neil are really up to and if she has min. 29 Filthy points she can decide:

a) Give 'em some privacy and go to sleep. **Good Wife +2**

b) Or keep watching their lovemaking. **Filthy +2**

Otherwise she'll automatically go to sleep. **Good Wife +2**

If Sophia has min. 10 lesbian points, she'll also have some special thoughts.

Day 15 (Sunday) (Playable Day 8/30!)

(Morning)

At the pool with Dylan (If Sophia accepted the bikini deal with him!)

Patricia brings the kids home.

After breakfast Sophia, dressed in her bikini, meets Dylan at the pool.
If she didn't accept the bikini deal, she'll just relax in the backyard and read a book.

1) She can let him put some lotion on her back while they continue their conversation and get **Dylan +1** for that.

If she decides to just sunbathe and talk with him, she will tell Liam to talk with Dylan and this storyline with him ends!

2) If she lets him open her bikini top at the back: **Dylan +1**

3) Whether or not Sophia lets Dylan open her top, she'll talk with him after he has put lotion on her back.

Dylan will ask Sophia to show him how to kiss, to watch her in the morning when she gets dressed and also to show him her breasts. Sophia of course declines everything.

4) If Sophia let Dylan put lotion on her back, he will do the dishes even though they have to drive to his soccer game. He will again ask Sophia to show him her breasts but this is of course out of question for her.

If she offers to at least let him see her in her underwear she'll get **Dylan +1**. If she decides to stop this all right now, she will tell Liam to talk with Dylan and this storyline with him ends!

At Dylan's soccer club

If Sophia watched Ellie and Julia at the pool on day 12, she can decide now to drive back home and see how the meeting with Elena will go. Otherwise she'll stay and watch Dylan's game.

So, if Sophia decides to drive home and Dylan has put lotion on her back at the pool before, Dylan tells her it's OK but he'd like to have a kiss on the cheek for good luck. Of course, it's just a trick and he kisses her on her mouth. Sophia stops him immediately or if she's got min. 20 relationship points with him, she can overlook it and get **Dylan +1**

(Noon) + (Afternoon)

Spying on Ellie, Julia and Elena at the pool

Here, Elena will offer Ellie a chance to kiss her or Julia, to experience what it feels like kissing a girl.

A) Ellie kisses Elena: Julia will be disappointed and get together with Elena.

B) Ellie kisses Julia: Julia will be delighted. Ellie learns that she maybe has more feelings for her best friend than she ever thought. She is still not a lesbian but highly probably bi. Julia will confess to Ellie that she always had a crush on her (since kindergarten!). Ellie also feels that after that kiss something happened with her. She can't define it now because she's too confused. But it seems very much that she also fell in love in Julia!

C) Ellie kisses no one: Same as A)

Sophia is about to drive back to Dylan's football match but could reconsider and stay for doing something with Ellie.

If she stays, she will either go jogging with Ellie in the park or if she's been with Vicky in the spa the day before, she'll go there with her and Patricia.

At the spa with Ellie and Patricia

Here, it'll turn out that the masseuses from the day before, Layla and Zara, don't work on Sundays and Mondays, so two guys, Isaac and Aki (they're both unimportant for the further story!) are replacing them on these days.

Aki, who massages Ellie, will try to go further and further with her. First touching the sides of her breasts, then her butt, and in the end, he'll be rubbing his dick against her leg. Sophia always has the choice to stop him and these decisions will have an effect on Ellie's character development!

No matter what decision you make, after the massage the women will go relaxing in the big sauna!

Some guys (Logan, Kevin and Brayden) will enter the sauna. They'll ask the women if they can take their towels off. If Sophia has min. 10 Filthy points, she could let them and get **Filthy +1**. Or she can be against it and get **Good Wife +1** (then nothing else will happen and she will drive to pick up Dylan from his game!)

Next Ellie and Patricia will try to persuade Sophia to take a look at the guys' dicks. If Sophia has min. 12 Filthy points, she could do that and get **Filthy +1**. Or not and get **Good Wife +1** (then nothing else will happen and she will drive to pick up Dylan from his game!).

This decision will also be very important for Ellie's storyline and whether Logan will become her new boyfriend or not!

Ellie wants to keep it a secret that they are all related! So, they introduce themselves as friends.

In the end, they guys will have a chat with the women. Sophia will have the choice to tell them that she and Patricia are married and get **Good Wife +1**. Or she can keep that a secret and get **Filthy +1**.

Also this decision is very important for Ellies's further storyline!

If Sophia keeps her marriage a secret, the guys will offer to meet them at a nightclub the next evening.

Picking up Dylan from his soccer game (After Dylan's soccer game)

Depending on some decisions before, Dylan's team has either won (where most of the credit goes to Dylan) or lost!

If Sophia was drunk and high the previous night and she and Patricia couldn't take revenge on the subway thugs (or she refused to do this), she'll report them to the police now.

(Evening)

Having a relaxing bath

Sophia and the kids decide to drive to the beach the next day.

When Sophia is about to relax in the tub, Dylan will knock and tell her that Liam is on the phone and it's very important. If Sophia has 21 relationship points with him, she can let him in. Otherwise she'll call Liam back after her bath.

If she lets Dylan in at first, she will allow him to pee and then also to take a shower quickly. Dylan will get pretty aroused by Sophia being naked and lying in the tub right next to him and he'll take this opportunity for some "hand relief"! Sophia notices that and can snap at him or stay silent and get **Dylan +1**

In any case, the Parkers will have a water problem and the public utility will say it will be working again by the next morning at the latest. Sophia can now choose to accept that and take a shower the next morning. Or she can drive to the high school and use the shower in the girls' locker room by the gym.

If she stays at home, Liam will return and talk with Sophia about the plans for the next day (Liam's boss gave him this day off!). Otherwise…

Taking a shower at the high school

In the locker room she'll be surprised by the janitor, Mr. Clark, who she already met on Day 4 (her first working day). It turns out that he's got an apartment on the ground floor and no teaching staff is allowed to enter the school building after 9:30 p.m. because then it's his posted property.

Janitor Clark is very fastidious when it comes to the contract and will threaten to call the police on Sophia. But he offers her a way out by keeping him company while showering. Sophia can accept his offer or chance it and let him call the cops.

If Sophia choose the police way, she'll need to drive to the police station and pay a minor fine. The consequences cannot be forecast now!

If she accepts the janitor's offer, she'll shower with him in her underwear. If Sophia has min. 27 Filthy points, she could take a look at the janitor while he's washing his face and get **Filthy +1**. Or not and get **Good Wife +1** (then she'll drive home after the shower and that's it!).

Sophia will see that the janitor has a really huge tool between his legs. If she has min. 32 Filthy points, she could be mesmerized by that sight and get **Filthy +1**. Or be disgusted and look away **Good Wife +1**

If she keeps staring at the janitor's big friend, he'll notice that, which will arouse him even more and get him to masturbate! In the end he'll thank Sophia for the pleasure she brought him (involuntarily) and tells her that he owes her for that. Of course, Sophia smiles at that but who knows…

In any case, Sophia will talk with Liam about the plans for the next day (Liam's boss gave him this day off!).

After that, day 15 ends!

Day 16 (Monday) (Playable Day 9/30!)

(Morning)

Breakfast with Dylan and Sam

Sophia unexpectedly meets Sam and Dylan in the kitchen, wearing just her tight dressing gown.

If she is more filthy than good wife, she stays like that and makes coffee. Otherwise she heads upstairs and changes.

If she stays in her tight dressing gown, she will think about teasing the boys a little bit by opening the robe a little bit. But she needs min. 30 Filthy points for that decision!

If she opens her robe, she'll get **Filthy +1** and also Dylan +1 and **Sam +1**. Otherwise she'll get **Good Wife +1**

Aiden and his henchmen

It turns out that the reason for Dylan's bruises is a conflict with Sophia's older students Aiden and André. Alyssa's tenant Zac is also involved. After talking with the principal and the police, she finds out that Aiden's uncle is a great lawyer named Richard Murphy. Sophia understands that there are not many options for what she could do to keep her students from harassing Dylan and Zac. Talking with Aiden and his crew seems pointless. Principal Johnson will try to reach Aiden's uncle but it will be very difficult in many ways. Aiden demands that Dylan and Zac pay him 200 dollars every school day, to leave them alone. Otherwise he and his henchmen will beat the shit out of them. But Aiden offers Sophia a dubious deal. He and André will give her 12 assignments and if she passes all of them, he promises that he'll leave her Dylan and Zac alone forever. Her first task will be to not wear a bra at the next lesson. Sophia now has two options. Accepting the deal for the moment and play along until she finds a better solution. Or rejecting it and sending Dylan to a boarding school in another town (Alyssa will also do that with Zac), which will affect Sophia's storyline with him and also with Alyssa and

Zac!

With Sam by the pool

After that tumultuous morning, Sophia decides to relax a little bit at the pool in her bikini.

All of a sudden Sam shows up at the door and offers his help with mowing the lawn in Sophia's backyard.

If Sophia has 25 relationship points with him, she can let him mow the lawn while sunbathing in her bikini and get **Sam +1**. Otherwise she'll relax in the safe haven while Sam's mowing the lawn.

If Sophia sunbathes in her bikini, she'll have some thoughts about Sam while he's mowing the lawn and will tease him a little bit.

After Sam finishes the work, he asks Sophia if he can put lotion on her back. Sophia will then tell him to get a drink and also bring her a juice. If Sam saw Sophia in her bra on the balcony on day 14, he'll bring her wine and Sophia can decide to drink it or tell him to bring her the juice. Otherwise he brings her a juice straight away and after some chatting, he'll go home.

If Sophia drinks the Chardonnay, she'll get more and more relaxed during the conversation and talks with Sam about his type of women and girls. After she already talked with Ellie about a relationship between her and Sam, she now tells Sam, that she thinks they'd be a sweet couple, but because of Ellie's confusion and preference to date only older sports stars, it's hopeless.

Then Sam confesses to Sophia that because he saw her a couple of times in her underwear, he can't think about anything else and can hardly sleep. He admits that Sophia is his dream woman and that he can't get how she looks without a bra out of his head.
After realizing how weird his confession to Sophia is, Sam regrets that he told her and says he's sorry. He wants to leave but Sophia can stop him and talk with him about his feelings. She'll get **Sam +1** for that. Otherwise Sam goes home and Sophia promises herself to never tease him again.

If Sam stays, she'll talk with him about what happened and about his feelings. She sees how this thing wears him out and if she has min. 30 Filthy points, she'll think about pulling her bikini top down a little for him and showing him some of her areolae. But to really do that she'll need min. 34 Filthy points and will get **Sam +2** and **Filthy +2** for that and Sam will feel much better afterwards! If she doesn't do that, she'll get **Good Wife +2**

(Noon)

After Sam went home, Sophia will either drive to the nursing home or if she refused to work there on day 12, she will look for another side job on the internet.

Looking for another side job (only if she refused working in the nursing home!)

Sophia finds an attractive ad, where a female college professor and a landlady of two is looking for someone with a college degree to help her out with important and demanding paperwork. Her name is Ava Myers and she invites Sophia to come by on Wednesday.

Nursing home 2nd working day (alternatively)

Sophia spends some time with Mr. Herman and Mr. Gibbs again. They go for a walk in the park and chat. If Sophia acted interested in them the last times, she'll get along better and better with them. The old gents will start asking her more personal questions and she can decide to allow it or not.

If she wasn't very interested in the old men before, she'll just have an ordinary chat with them and just wants to get this over with as fast as possible.

Before driving to the beach

Sophia talks with Dylan about his conflict with Aiden in the school and depending on how she decided before, she tells Dylan either that she'll handle it or that she'll temporarily send him to a boarding school.

Before the journey starts, they have to wait for Ellie, Christine and Julia.

From here, the further course of events depends on Sophia's decision from day 4 in the morning.

If she reminded Dylan to lock the door again after she went out of the kids' bathroom or she didn't enter it at all, Ellie will return with the girls without bringing Dylan and Sophia something from the burger place. If she didn't remind Dylan to lock the door, Ellie will return with the girls and bring something for them from the burger place.

First time on the beach

What Sophia will wear here depends on if she made the "bikini deal" with Dylan on day 14 or not. If she made it, her bikini will be more revealing.

After everyone has changed and spend some time in the water, there'll be two different courses from here on. Also depending on Sophia's decision from day 4, Dylan will either return all alone to the towels or he'll stay in the water and keeps playing with Liam.

If Sophia didn't remind Dylan to lock the door again on day 4 and Ellie saw Dylan naked, she'll be out for revenge. It turns out that she's put some Viagra pills into the burger which she brought Dylan from the burger place and the effect set in now.

Sooner or later, Sophia will take Dylan to the changing booths, so that he can take care of his "little problem".

After around 30 minutes, she will return and tell him that they are about to leave and ask him how's it going. Dylan's boner doesn't want to ease up. Here it depends on what Sophia's wearing. If she's wearing the less revealing bikini, she takes Dylan to the car and gives him the advice that with

distraction the effect of the Viagra will ease up, and they drive home (Dylan's boner will ease up on the way). If she's wearing the more revealing bikini, she'll enter his booth and talk with him.

Dylan will ask her to stay in his booth and serve him as a "visual stimulation" for his "hand relief". To accept, Sophia needs 23 relationship points with him and will get **Dylan +1**. Otherwise she'll do the same like if she'd wear the less revealing bikini.

But seeing Sophia in the bikini isn't enough for Dylan to get to climax and the clock's ticking. He asks Sophia to showing him a little bit of her pubic hair. To agree, Sophia needs min. 34 Filthy points! If she does, she'll get **Dylan +2** and **Filthy +2**. If she refuses, she'll get **Good Wife +2**

Back home again, Sophia will have a word with Ellie about her prank.

Getting ready for the night at the casino

While watching Liam playing basketball with Dylan and Sam from her balcony, Sophia lets some things run through her head.

If she has a full relationship with Sam, that means 29 points, she'll hear Sam tell Liam and Dylan that he needs a short break and wants to get a Sprite out of their fridge because allegedly they only have water at home. Sophia has an assumption and can leave her bedroom door open or close it.

If she leaves it open, she'll notice Sam watching her secretly. To tease him again, she needs min. 34 Filthy points and will get **Sam +1** and **Filthy +1**. If she gets rid of him, she'll get **Good Wife +1**

At the casino

When Sophia's playing roulette, a well-dressed gentleman will join her and start flirting with her in a charming way. If she's more filthy than good wife, she can allow the flirting **Filthy +1** or stop him **Good Wife +1**

After she wins 2,000 bucks, she wants to drive back home. But Liam wants to keep gambling. He tells her to drive home and he'll follow soon. If Sophia didn't tell the guys in the sauna that she and Patricia are married, she will automatically tell Liam that she's going for a night out with Patricia and Ellie.

Otherwise she can decide either to force him to drive home with her right now and have sex with her, or to believe him that he'll follow soon and drive home.

Attention: these decisions will have an impact on the further course of the story!

If Sophia forces Liam to stop right now, they'll drive home and have sex in the shower. If Sophia is more filthy than good wife, she'll only get **Good Wife +5**; otherwise she'll get **Good Wife +15**. Liam will agree to have another baby afterwards but wants to have his sperm checked first, just to be sure. Depending on Sophia's decisions before (if she had oral sex with him or not and if she

forgave him completely), the dialogues will be a little bit different.
If Sophia drives home and waits for him, Liam returns very late and has gotten into serious debt. He now owes the casino one-third of the value of their house, and to top it off, the owner of the casino is a big mobster named Tony Morello. They only have three months to pay back the money or they'll lose their house.

At the club

Right at the beginning, Sophia can decide what she'd like to drink. Either an alcohol-free rainbow cocktail or a Mai Tai (with alcohol).

If she takes the rainbow cocktail, they will dance with the guys and chat a little bit afterwards. Nothing really exciting will happen and they'll drive home.

If she takes the Mai Tai, they'll go dancing but Sophia will let herself go more. Tyler notices this and tries his luck with her by approaching and touching her hips. She needs min. 35 Filthy points to allow it and flirt with him on the dance floor. She'll get **Filthy +1** for that. Otherwise she'll get **Good Wife +1**

Regardless of what she decides, they'll return to their table afterwards and chat. They'll come to the topic music and after some arguments about lyrics, Logan will offer a bet. A little quiz to prove that they know more about the music of Sophia and Patricia's time than the women know about modern music. The losers have to fulfill the winner's request or pay for all of the drinks on this night and the next time they're out.

There are three possible outcomes:

1. The women win. For this to happen, Patricia has to answer all three questions correctly. They will come up with a funny punishment for Kevin and Logan. The night out ends afterwards.

2. If Patricia gives 2 right answers, it's a draw and everyone just pays for their own drinks. Afterwards Patricia goes back out on the dance floor with Kevin, while the others stay at the table.

3. The women lose if Patricia answers zero or only one question correctly. Logan requests that the women kiss each other. As far as the guys know they're just friends, so it shouldn't be a big deal. While

Sophia of course would rather pay for the drinks than kiss Patricia, but Patricia on the other hand wouldn't mind.

If Sophia has min. 6 lesbian points and 4 points with Patricia, she can be indecisive. This will lead to Patricia taking initiative and kissing her. Sophia gets **Lesbian Temptation +1** and **Patricia +1** Otherwise she refuses and Patricia goes out to dance with Kevin again.

If Patricia and Sophia are kissing, Patricia will try to French kiss Sophia. With min. 11 lesbian points and 8 points with Patricia, she can allow it and get **Lesbian Temptation +2** and **Patricia +2**

Afterwards, Patricia will go out to dance with Kevin again, while the rest of them stay at the table.
After Patricia and Kevin go out to dance again:

If Sophia turned Tyler down on the dance floor: He'll have an ordinary chat with her, and then the girls will take a cab home.

If Sophia allowed Tyler's advances on the dance floor: He'll move closer and will start flirting with her. Then he'll move as close as possible and start kissing her neck.

Finally, he will caress her legs. Sophia can allow it and get **Filthy +1**. Or stop him and get **Good Wife +1**. The night out then ends, with the girls taking a cab home.

If she allows Tyler's hand on her leg, he will move it up even higher in the direction of her panties. If Sophia has min. 39 Filthy points, she can let him continue and get **Filthy +2**. Or stop him and get **Good Wife +1**

In any event, Patricia will come and interrupt them. The night out ends here in any case.

Back from the club

Depending on Sophia's decisions in the club, she will have a conversation in the entrance hall with Patricia and Ellie.

If Sophia kissed Patricia, Ellie will think that it was very cool of them to go that far just so as not to blow their cover. Sophia will get **Ellie +1**
If Sophia French kissed Patricia, she can tell her that she thought it was nice, for which she'll get **Lesbian Temptation +1** and **Patricia +2**

Sophia will go upstairs to Liam and find out that they now owe the casino one-third of the value of their house.

Day 17 (Tuesday) (Playable Day 10/30!)

(Morning)

Morning shower alone or with Ellie again

1a) If Sophia had Sex with Liam the night before and didn't shower with Ellie on day 14: She'll shower alone and goes down to the kitchen.

1b) If Sophia had Sex with Liam the night before and showered with Ellie on day 14: She'll shower with her again and goes down to the kitchen.

2a) If Sophia didn't have Sex with Liam the night before and didn't shower with Ellie on day 14: She'll shower alone and goes down to the kitchen.

2b) If Sophia didn't have Sex with Liam the night before and showered with Ellie on day 14: Sophia tries to masturbate but Ellie will interrupt her (again). Sophia can ask Ellie what she wanted and get **Ellie +1**. Otherwise the showering will be over.

If Sophia wasn't in the club the night before: The showering with Ellie will be over pretty quick.

Otherwise: They talk about their girls' night out. If Sophia let Tyler do anything with her, they'll talk in more precise about it.

If Sophia didn't kiss Patricia: End of showering.

If she kissed Patricia: They keep chatting.

Ellie will finally ask Sophia if they could look at each other while showering. If Sophia agrees she'll get **Ellie +2** and it goes on. **If Ellie took vengeance on Dylan on the beach the day before**, they will have an interesting conversation about him.

Then Ellie will ask her how she thinks of her breasts. If Sophia tells her that she's got very beautiful breasts, she'll get **Ellie +2** and they keep talking about that topic.

Then Ellie will ask her how often she shaves. Sophia can tell her and get **Ellie +1**
Ellie's interested if Liam is good in bed. Sophia can tell her the truth and get **Ellie +1**

Very Important: Only if Ellie caught Sophia watching a porn and playing with herself on day 11, this storyline continues!

Because only then Ellie understands and learns, that her parents don't sleep with each other that often anymore. And this is also why Sophia's masturbating more often recently. For telling Ellie that, Sophia will get another essential **Ellie +1** point!

Literature (1st lesson)

Sophia will wear a buttoned high-class business style, either with a bra underneath or without (if she accepted Aiden's first task).

Emma will change the classes, doesn't matter if Sophia approached her or not! But her storyline will still go on!

If Sophia took Emma on the shopping tour with Ellie on day 13, Emma will be dressed trendier and already had found some new friends.

If Sophia didn't accept Aiden's first task: A regular first literature lesson.

If Sophia accepted Aiden's first task: Aiden will call Sophia to his table and tell her to unbutton her blouse to prove that she's really not wearing a bra underneath. To do it she needs min. 39 Filthy points for what she'd get **Filthy +1**. Otherwise she can refuse and send Dylan (and Zac) to a

boarding school and get **Good Wife +1**

1st Recess

If Sophia accepted a second date with Mr. Bennet, he'll remind her about it in the faculty lounge.

Talking with Emma (and Aiden) after 2nd literature lesson

If Sophia didn't bond with Emma: Sophia just wishes her the very best of luck in her new class.

Otherwise: Emma will kiss Sophia on the mouth out of excitement. If Sophia has min. 6 lesbian points, she can be cool with it and get **Lesbian Temptation +1**. This will ensure their friendly relationship!

Aiden will tell Sophia her second task (wearing a sexy dress plus an additional task during class). To accept it she needs min. 41 Filthy points for what she'd get **Filthy +1**. Otherwise she can refuse and send Dylan (and Zac) to a boarding school and get **Good Wife +1**

Back home after work

If Sophia watched Nathalie getting changed and also watched her while she was cleaning in the living room on day 4, there will be a surprising event to get **Lesbian Temptation +2**. But only if Sophia has min. 12 lesbian points!

(Noon)

Sophia will talk with Alyssa and Patricia on phone about the situation. She'll get a phone call from the casino owner and mafia boss, Mr. Tony Morello, who'll invite her to come to the casino the next evening, to talk with her and her husband about their debts.

Noon activities if Sophia refused the deal with Aiden

Thanks to Carl, they find a great boarding school for Dylan and Zac. Sophia will talk with Alyssa and with Dylan about it.

If Sophia made the "bikini-deal" with Dylan, she will call Amber and they will join the boys at the pool

Here it'll come to a "chicken-fight" game. To reach the end of this event, Sophia needs min. 15 relationship points with Sam.

At the end Sophia needs min. 29 relationship points with Sam, to get a special conversation with him.

Afterwards, Sophia drives to the tanning salon.

Noon activities if Sophia accepted the deal with Aiden

Sophia thinks about trying out the jacuzzi finally but it seems it isn't installed yet. So, she has no

other choice than to relax in her tub instead. In the meantime, Dylan returns home from school and Sophia has an important talk with him about Aiden, which reveals more about Dylan's attitudes.

Relaxing in the tub as a "jacuzzi substitute"

If Sophia made the "bikini-deal" with Dylan, he will knock at the door while she's relaxing in the tub and ask to join her. To allow it, Sophia had to stay in his fitting room and let him masturbate in front of her (check the beach event on day 16!). Additionally, she needs 26 relationship points with him! If these conditions are true, she'll get **Dylan +1**

Otherwise afterwards, Sophia will go shopping with Patricia to look for a sexy dress for Aiden's task.

With Dylan's foot massage in the tub, if Sophia has min. 41 Filthy points, she can ignore his boner pressing against her foot and get **Dylan +1** and **Filthy +1**. Or stop and get **Good Wife +1**

Sophia offers to drive Dylan to the mall and buy him some video games plus the new game console.

During the ride, Sophia can pull her skirt up and get **Dylan +1** and **Filthy +1**. Or not and get **Good Wife +1**

In the mall with Dylan

Sophia will allow Dylan to come with her inside the fitting room, because she promised him on day 14 that he can watch her getting dressed once.
Later Dylan will have another talk with Sophia where he'll ask her again to show him her breasts.

Finally, Sophia can decide to show him her breasts for "educational purposes" and get **Dylan +2** and **Filthy +2**. But for that she needs min. 42 Filthy points and 29 relationship points with Dylan. Or she can think that this is absolutely wrong and get **Good Wife +2**

Additionally, she can lift her skirt up in the fitting room and get **Dylan +1**

After Dylan's deepest desire is finally satisfied, they will talk in the boutique. Dylan remembers the incident from Day 2 and asks Sophia about "bikini fashion modeling". For that he'll buy her bikinis as a gift with his own money. Because Sophia feels much more comfortable now wearing bikinis in Dylan's presence, she accepts.

If Sophia has all 30 relationship points with Sam, she can ask Dylan about inviting him as well to their little bikini fashion show. This way it would be fairer.

But in the end, Dylan decides about that. This decision is important for Dylan's attitude towards Sophia with other guys! Sophia won't get any points with Sam, but he will remember this event.

If Dylan accepts and Sophia pushed him to tell her what his buddies are talking about her behind her back, she'll finally learn what "MILF" means. Plus, if she didn't have sex with her husband the night before, she will have the option to be turned on by those filthy thoughts of the guys and get **Filthy +2**. Or not and get **Good Wife +2**

(Afternoon)

Fashion show Version A (for Dylan and Sam)

(Sophia won't get any points with Sam here! This event is more for Dylan's character development.)

Dylan bought 4 bikinis for Sophia, which she will showcase one at a time.

With the 2nd bikini, her pubes will poke out up top a little bit. She can tell the boys and get **Filthy +1** Or conceal it and get **Good Wife +1**, which means the end of the show.

Dylan asks for a lewd pose. Do it (min. 40 filthy points required) and get **Dylan +1** and **Filthy +1**Or refuse and get **Good Wife +1**, which means the end of the show.

Then Sam asks about feeling the 2nd bikini fabric. Dylan decides about that. This decision is important for Dylan's attitude towards Sophia with other guys!

Dylan asks Sophia to bend forward. Do it (min. 43 filthy points required) and get **Dylan +1** and **Filthy +1**. Or refuse and get **Good Wife +1**, which means the end of the show.

At the end of the presentation of the 2nd bikini, Sophia will get the option to tease the guys with an extra pose. She'll get **Filthy +1** for that.
The 3rd bikini will be much more revealing, and Sophia can decide to show up in front of the guys in it (min. 46 filthy points required), for which she gets **Dylan +1** and **Filthy +1**. Or she can refuse and get **Good Wife +1**, which means the end of the show.

Dylan will ask Sophia about touching her butt. She can do it and get **Dylan +1** and **Filthy +1**. Or she can refuse and get **Good Wife +1**, which means the end of the show.

If Dylan allowed Sam to touch Sophia's 2nd bikini, then Sam wants also to feel the 3rd. Sophia can allow it and get **Filthy +1**. Or refuse and get **Good Wife +1**

If Sophia allows Sam touching the 3rd bikini, Dylan will get in and touch her thong. She can let him and get **Filthy +1**. Or take his hand away and get **Good Wife +1**

If Sophia let Dylan touch her thong, she'll notice that the boys will stare at her crotch. She can cover it and get **Good Wife +1**. Or tolerate and get **Filthy +1**

The 4th bikini will be a semi-transparent one-piece. If Sophia shows up in it (min. 52 filthy points required) she'll get **Dylan +2** and **Filthy +2**. Otherwise the show's over and Sophia gets **Good Wife +2**

If Sam was allowed to touch the bikini fabric before, he'll get the chance with this one, too.

After the “bikini fashion show”, Sophia will drive to the tanning salon.

Fashion show Version B (for Dylan only)

Dylan bought 4 bikinis for Sophia, which she will showcase one at a time.

With the 2nd bikini, her pubes will poke out up top a little bit. She can tell Dylan and get **Filthy +1**
Or conceal it and get **Good Wife +1**, which means the end of the show.

Dylan asks for a lewd pose. Do it (min. 40 filthy points required) and get **Dylan +1** and **Filthy +1**
Or refuse and get **Good Wife +1**, which means the end of the show.

Dylan will ask once again about taking pictures and Sophia will let him in the end, with the condition that he deletes them afterwards.

Dylan asks Sophia to bend forward. Do it (min. 43 filthy points required) and get **Dylan +1** and **Filthy +1**. Or refuse and get **Good Wife +1**, which means the end of the show.

The 3rd bikini will be much more revealing, and Sophia can decide to show up in it (min. 46 filthy points required), for which she gets **Dylan +1** and **Filthy +1**. Or she can refuse and get **Good Wife +1**, which means the end of the show.
Dylan will ask Sophia about touching her butt. She can do it and get **Dylan +1** and **Filthy +1**. Or she can refuse and get **Good Wife +1**, which means the end of the show.

Dylan will ask Sophia about touching her breast. She can do it and get **Filthy +2**. Or she can refuse and get **Good Wife +2**, which means the end of the show.

Dylan will ask Sophia about a more daring pose. She can do it and get **Filthy +2**. Or she can refuse and get **Good Wife +2**, which means the end of the show.

The 4th bikini will be a semi-transparent one-piece. If Sophia shows up in it (min. 52 filthy points required) she’ll get **Dylan +2** and **Filthy +2**. Otherwise the show’s over and Sophia gets **Good Wife +2**

After the “bikini fashion show” they’ll look at the pictures in Dylan’s room.

Then Sophia will drive to the tanning salon.

Briefly shopping with Patricia (only possible if Sophia continues Aiden’s blackmail story + if she refused Dylan or wasn’t relaxing with him in the tub!)

Patricia just helps Sophia to find some sexy clothes. Afterwards, Sophia will drive to the tanning salon.

At the tanning salon

Sophia will surprisingly meet Zac, Alyssa's tenant, who's working there. Zac will keep the salon open after the normal closing time for Sophia.

Sophia will get the chance to tell Zac her actual nipple color. She'll get **Filthy +1** for that. Or not and get **Good Wife +1**

If Sophia accepted Bennett's second date, she'll get a message from him with the restaurant and the time.

Attention: Sophia will only get the chance to approach Zac here, if she 1) continues Aiden's blackmail story. 2) If she became good friends with Alyssa before.

If this is the case: Sophia will get the chance to accept Zac's help with the lid of the tanning bed and get **Filthy +1** for that. Or she can keep trying to open the lid by herself and get **Good Wife +1**

Then she has the choice to either allow Zac to stay in the room and get **Filthy +1** for that. Or not and get **Good Wife +1**

Afterwards, Sophia will drive Zac home.

Attention: Zac will only ask Sophia to come inside under the same condition as before! That is, 1) Continuing Aiden's blackmail story. 2) If she became good friends with Alyssa before.

In Alyssa's apartment, Sophia can decide either A) to let Alyssa stay in her bathrobe, for which she'll get **Lesbian Temptation +1**. Or B) tell her to change. Option A is advisable if you'd like to develop the relationship with her further! Because only then will Sophia get the chance to share private secrets with her. Plus she admires her breasts when Alyssa's towel slips down a little bit.

(Evening)

Back home from the tanning salon

Sophia will talk with her husband about stuff like the casino debt and Dylan's problems with Aiden.

Only if Sophia continues Aiden's blackmail story, she can accept her husband's proposal of letting Dylan practice self-defense with an ex-Navy SEAL. This decision will be important later in the game. Especially for a bonus side story!

Relaxing in front of the TV (If Sophia blew off Dylan's teacher, Mr. Bennett)

Sophia will talk with Dylan about the self-defense training.

Then Ellie will come home, and if Sophia showered with her this morning and they looked at each other, they will take another shower together.

2nd Dinner with Dylan's teacher, Mr. Bennett

Mr. Bennett will demand that Sophia take her panties off during the dinner. Sophia can do it (if F > GW) and get **Filthy +1** for that. Or refuse **Good Wife +1** and drive home, which will be the end of this storyline!

Mr. Bennett will want to prove to Sophia that his dick is as big as his ego and presses her bare foot against his manhood. Sophia can calm down afterwards and get **Filthy +1**. Or tell him to go to hell and drive home **Good Wife +1**, which will be the end of this storyline!

Back home, Sophia will talk with Dylan about the self-defense training and then relax with Ellie in front of the TV in the living room. If Sophia showered with her this morning and they looked at each other, they will take another shower together.

Taking a shower with Ellie before bed

Ellie will suggest they use the central showerhead. If Sophia accepts, she'll get **Ellie +1**

If Sophia allows Ellie to soap up her butt, she'll get **Ellie +1**

If Sophia French-kissed Patricia, she can admit it, whereupon Ellie will ask to experience the same thing with her. Here the dialogues are a little bit different, depending on if Ellie and Julia kissed each other at the pool on day 15. If Sophia kisses Ellie (Ellie min. 22!), she'll get **Ellie +2**

Ellie will start to caress Sophia's bottom. Sophia can let her do it and get **Ellie +1**

Day 18 (Wed.) (Playable Day 11/30!)

(Morning)

Breakfast in bed with Dylan

If the bikini fashion show took place the day before, Dylan will surprise Sophia with a breakfast in bed.

Afterwards, Dylan asks if they can change together. If Sophia allows it, she'll get **Dylan +1**

Dylan will have the chance to peep on her through the mirror. But further than seeing her breasts you shouldn't go or Sophia will catch him and she'll lose **-20 relationship points** with him!

Otherwise, Sophia has the option to ask Dylan to help her with the bra. This will bring her **Dylan +1**

If she allows him to feel the fabric of her lingerie, she'll get another **Dylan +1**

If Dylan is on the "cuckold path": On the way to school, he will have a particular conversation about the postman with Sophia!

Biology class

If Aiden's deal was rejected, Sophia will just teach a regular lesson, wearing an ordinary office dress.

Otherwise, Aiden will call her over to his table and ask her to lift her skirt. She can do it (if F > GW) and get **Filthy +1**. Or cancel the deal and get **Good Wife +1**

Aiden wants her to show her panties also to the rest of the class. If she does it: **Filthy +2**

If cancel the deal: **Good Wife +2**

If Sophia didn't cancel Aiden's deal, she'll have the option of a special dialogue with Zac Price after class. But only if she let him stay in her booth in the tanning salon the day before. If Sophia had a conversation with Alyssa at her place the day before while she was wearing a towel and shared private secrets with her, then she will have some special thoughts about Zac.

If Sophia was cool with Emma kissing her the day before, she will appear and talk with her favorite teacher.

If Sophia has min. 31 relationship points with Dylan (at least showed him her breasts), she has the option to hook Emma up with him. She'll pick her up the next day after school, so that she can tutor him in physics. This option is only available, if Sophia fulfilled Aiden's 2nd task! You have this chance only this time! **This is the only way to continue Emma's storyline but on the other hand it will end Dylan's storyline!**

Relaxing by the pool

If Sophia reported the "subway thugs", a police officer will call her and tell her the good new that they found and busted them!

By the pool, Sophia will play a little bit with herself but will get interrupted by a noise from the neighboring garden. She can either find out who's there or just ignoring it and keep relaxing.

It turns out that it's Sam, who's allegedly learning in his treehouse. If Sophia has full relationship points with him (30) she can allow him to come over which brings her **Sam +1**

Sam will ask his MILF neighbor if she liked the way he was sitting behind her during their cello lesson. If Sophia says yes, she'll get **Sam +1**

Sam admits to Sophia that he had a dream about her last night. If Sophia wants to know more about it she'll get **Sam +1**

After Sam admitted that he has some serious feelings for Sophia, he will ask if she'd be his girlfriend in "another life". If Sophia says yes, she'll get **Sam +2**

(Noon)

Ellie asks Dylan for help with her laptop (bonus storyline)

Only takes place if Sophia didn't remember Dylan to lock the door on day 4, so that Ellie saw him naked and took vengeance on the beach by secretly putting Viagra in his burger. Plus, Sophia had to fulfill Aiden's 1st task. If she didn't fulfill his 2nd task this morning, this event will still take place, but there won't be any sequel later!

Back home (talking with Ellie)

If Sophia and Ellie kissed last night under the shower, they will briefly talk about it again.

Dylan and Zac move in the boarding school

An unpleasant truth comes to light.

If Dylan and Zac don't move in the boarding school

Sophia takes him either to the self-defense class or to town.

If Sophia offered Emma to tutor Dylan, she'll tell him about it now.

(Afternoon)

Spending some time with Alyssa

If Sophia and Alyssa chatted about private things the last time, she'll call Sophia now and ask about spending some time together. Sophia has to decide between her and Ellie/Julia.

At Alyssa's place, Sophia will get the chance to inform Zac about her presence. If she doesn't, he'll come naked into the living room, which will be a huge shock for the both of them. If Sophia doesn't have more filthy points than good wife, she'll automatically turn away and Zac will disappear in his room. Otherwise she'll get the chance to prevent Zac from disappearing in his room. They'll watch TV together and Zac will offer Sophia a neck massage. If Sophia let Zac put lotion on her back in the tanning salon on day 17, she can accept it. Then Sophia will get the chance to tease Zac concerning his crush on her. This will entice Zac to dare a little bit more and move his hands in the direction of his teacher's breasts. If Sophia remains silent, she'll get **Filthy +1**. Or she stops him and gets **Good Wife +1**

Sophia and Alyssa will go shopping and Alyssa finally asks Sophia to try out a sundress for her. If Sophia refuses, their day ends and she drives to the yoga class with Patricia.

If she tries it on, Alyssa offers her to buy it for her but only on the condition that she stays in it. If Sophia refuses, their day ends and she drives to the yoga class with Patricia.

If Sophia stays in the sexy sundress, she will automatically refuse going to yoga to Patricia. Instead Sophia and Alyssa will have a coffee where Alyssa shows Sophia a stimulation she didn't know before.

Afterwards, Alyssa offers her to go back to her place where Sophia can persistently ask Alyssa about her new boyfriend, Antonio. Then Alyssa will introduce her to him but he's not what Sophia actually expected.

Alyssa offers Sophia to "test out" Antonio. If Sophia had sex with her husband, she'll refuse automatically. If she accepts she'll get **Filthy +1**. Otherwise she gets **Good Wife +1**

Alyssa offers to try out a higher level. Sophia can accept and get **Filthy +1** or stop and get **Good Wife +1.**

Afterwards, she will think about the events during the ride home in a cab. Thinking about her special feelings for Alyssa.

Relaxing with Ellie and Julia by the pool

If Sophia spied on Ellie, Julia and Elena at the pool (Ellie and Julia kissed each other) and if she French-kissed her last night under the shower, the girls will confront her about secretly spying on them. Sophia will have two options to ask more about what's going on between the girls.

Then Ellie will ask Sophia about "trying something out". This will turn out in a blindfold massage seduction where Sophia will have the option to allow Julia to lick the drops from her chest (if she's got at least 10 lesbian points). She'll get **Lesbian Temptation +1** for that.

Sophia allows Julia to circle the icecube around her nipple: **Lesbian Temptation +1**

Sophia kisses Julia: **Lesbian Temptation +1**

Sophia lets Julia touch her body: **Lesbian Temptation +1**

Sophia allows Julia opening her bra: **Lesbian Temptation +1**

Sophia touches Julia's breasts: **Lesbian Temptation +1**

Sophia exposes Julia's breasts: **Lesbian Temptation +1**

Afterwards, Patricia will pick Sophia up for the yoga class.

Yoga (With Patricia, Claire, Marie and Dylan)

On the way, they'll pick Dylan up, wherever he is.

Here you decide to play this event from Dylan's or Sophia's point of view.

Dylan's POV: Dylan will have chances to approach Claire's daughter Marie and even do an partner exercise with her at the end. He will also have opportunities to spy on the women in the locker room and later under the shower. He will get the chance to join the ladies with yoga. But for that he needed to hit the right spots with Marie, so that she will motivate him to join them in his boxers.

Sophia's POV: Sophia watches Marie changing: **Lesbian Temptation +1**

If Sophia's got 12 relationship points with Pat, Patricia will help her with an exercise. Here Sophia will

get the chance to leave her hand on her breast and get **Patricia +1** (also possible in Dylan's POV).

Subsequently, Sophia can decide to shower with Pat and the other women and get another **Patricia +1** (also possible in Dylan's POV).

Under the shower, Sophia will have the chance to look at Marie's body while she's washing her face and collect another **Lesbian Temptation +1**

After Yoga

If Sophia showered with Patricia they will have an interesting talk while waiting on Dylan. Patricia invites Sophia to come with her to her friend Zoey (A horse breeder who lives with her husband on a ranch about 40 miles from the city) on Sunday.

(Evening)

Back home either after yoga or Alyssa

Liam has good new. He repaired the lock in the bathroom and installed the jacuzzi.

If Sophia and Vicky were in the spa and Sophia let the masseuse massage her breasts at the side, Vicky will call her now and offer to meet tomorrow morning for a cafe.

Meeting Don Morello

Don Morello has some unconventional deal which sounds to easy to be true. Sophia has just to talk with her brother in jail and cheer him up. It seems that she's exactly the type of woman he loves and she's the only one he wants to see.

Relaxing with Liam in the jacuzzi

Alternatively, to the Don Morello meeting, Sophia and Liam spend some time in their jacuzzi where Liam asks his wife to give him a hand job under water.

Having a good time with Liam

Sophia can decide to have sex with her husband which will give her **Good Wife +6** and decrease **Filthy -6**

Liam shares Sophia's wish to have another baby.

Day 19 (Thu.) (Playable Day 12/30!)

(Morning)

Morning shower with Ellie

Sophia either showers alone or with Ellie together. Only if Sophia exposed Julia's breasts the other day at the pool, Ellie will ask her if she liked those intimate moments with her friend. So, they will intensify their conversation about it.

If Sophia tells Ellie the truth that she got wet with Julia and then asks her first why she moved her hands to her breasts, she will have the option to let her soap her breasts which means **Ellie +1**. Afterwards she can soap also her breasts in return and get another **Ellie +1**

If Sophia tells Ellie that it's normal that she always wanted to know how her breasts feel like, Sophia will have the option to show her how to masturbate which gives her **Ellie +2**

If Sophia asks Ellie about her dildo at the end, she will learn that she's still a virgin. This information is very important for their further story!

In the spa with Vicky and her boyfriend DeShawn

Sophia, Vicky and her boyfriend DeShawn will go to the spa and will visit the sauna there. If Sophia decides that Vicky and DeShawn can take their towels off, the both will ask the same Sophia later. If Sophia is more filthy than good wife, she can do it and get **Filthy +2**. Otherwise, she gets **Good Wife +2**

The conversation will continue until Sophia will get the choice to either look down at DeShawn's cock or not. If she does, he will notice it and smile at her. She'll also get **Filthy +1**. Otherwise, she gets **Good Wife +1**

If Sophia looked at his cock, she will do it automatically again later. This will lead that she will go out to cool down. Outside, she will have the choice to either go inside again and check after Vicky and DeShawn. If she does, she will catch them making out. If Sophia stays and watched them for a second, she'll get **Filthy +1**. If she leaves, she gets **Good Wife +1**

If Sophia calls attention to herself, DeShawn will invite her to join them again.

Surprising Liam at work (if no debts in the casino!)

Sophia can decide to either seduce her husband at work and get **Good Wife +6**. Or just spend some quality time with him and get **Good Wife +2**

Whereby it could be important later if Liam's boss Mr. Harris caught her in her filthy dress or not!

Visiting Larry Morello in prison

Sophia will automatically talk alone with him. Here Sophia had to decide how far she will go to make Larry really happy.

Showing him her bra gives her **Filthy +1**. Otherwise, **Good Wife +1**

Listening to Larry's dirty fantasies gives her **Filthy +1**. Otherwise, **Good Wife +1**
Telling Larry where she wanted him to touch her gives her **Filthy +1**. Otherwise, **Good Wife +1**

If Sophia touches her breast for Larry, this will give her **Filthy +1**. Otherwise, **Good Wife +1**

If Sophia touches her breast for Larry, this will give her **Filthy +2**. Otherwise, **Good Wife +2**

If Sophia shows Larry her panties, this will give her **Filthy +1**. Otherwise, **Good Wife +1**

Sophia will get a call at the end from Dylan's coach. He will ask her to help him as his assistant coach. This bonus storyline is planned as a DLC later.

(Noon)

Nursing Home 3rd working day

If Sophia talked with Dylan about tutoring the day before, she'll call him and reminds him that Emma will come by later.

After Sophia spend her regular time with the two old men again, Mrs. Collins asks her to wash them. Only if Sophia showed an interest in them, she can accept it.

Mr. Herman will push Sophia into the water and the old gents offer her to take her blouse off and let it get dry in the sun. Only if Sophia isn't disgusted by the old men, she can do it and get **Filthy +1**. Otherwise, **Good Wife +1**

At the end, the old men will ask Sophia to try on their sexy nurse dress for them. Sophia can either promise them to try it on next time, or tell them no chance.

Emma tutors Dylan (alternative event)

Sophia picks up Emma and introduces her to Dylan.

Looking for a wedding dress for Cathy

If Sophia fulfilled Aiden's 2nd task, he'll call her and tells her to meet him immediately. Sophia can either agree or tell him to go to hell which means, canceling the deal.

If Sophia agrees to meet Aiden, then Liam will step in and keep on helping Cathy with the wedding dress. The plot will switch here two times between Liam and Sophia.

Cathy will invite Liam and Sophia to their place this evening to talk about something important with them.

Aiden's 3rd task

Sophia has to model for an art class as Helena and Aphrodite. While the Helena dress is somehow acceptable for her, the Aphrodite dress demands more dare from her. She can either embark on it and get **Filthy +1**. Or stay in the Helena dress and get **Good Wife +1**

In case Sophia dares to model as Aphrodite, she has the choice to drink some alcohol to calm her nerves, or not. The art teacher will give her the option to expose her breast, to let the scene come close to the original he had in mind. Sophia can do it and get **Filthy +2**. Or not and get **Good Wife +2**

If Sophia really exposed her breast, the art teacher will ask her what she thinks about the modeling. Sophia could think it's fun and get **Filthy +1**

Then a male model will enter and Xavier, the art teacher, wants them both to pose together for the very last scene. Sophia notices the dick looking out of the model. She can either like the size and get **Filthy +2**. Or think it's disgusting and get **Good Wife +2**

In that scene, Sophia has to lay down on the bed and Ares has to kneel behind her. One hand on her belly and the other on her breast. Only if Sophia drank the wine, exposed her breast before plus like the cock of the model, she'll get the option to accept his hand on her breast. This will giver her **Filthy +2**. Otherwise, she'll stops him and gets **Good Wife +2**

After the class, Sophia will stay to chat with the students and look at their paintings of her. One of the students has especially much talent but also fantasy. He painted Sophia completely naked with prominent pubes and also tweaked her last scene with the male model into a real sexual one. Sophia can either like the paintings and get **Filthy +1**. Or not and get **Good Wife +1**

If Sophia fulfilled all wishes of the art teacher, there will be a little twist at the end.

Emma/Dylan Part 2

Sophia comes home and sees them sitting by the pool. Emma will hold hands with Dylan and give him a peck on the cheek. Sophia's very happy that her plan of hooking them both up with each other, seems to work out.

In case Sophia refused Aiden's 3rd task, she'll visit Patricia and Carl, and talk with them about the situation. Then she'll talk with Dylan about the boarding school.

If Dylan is already in boarding school:

Sophia relaxes in the backyard until Nathalie interrupts her who's waiting at the front door.

(Afternoon)

Back home (If Sophia fulfilled Aiden's 1st task but not the 2nd one):

Sophia will drive Dylan to the boarding school. Afterwards she'll relax in the backyard until Nathalie interrupts her, who's waiting at the front door

Back home (If Sophia fulfilled Aiden's 3rd task

Sophia will need some distraction to clear her mind. She can either watch some TV with Dylan, or if she has min. 54 relationship points with Dylan, they can go running in the park.

Going for a run with Dylan (only if full relationship points):

In the park Sophia will meet those guys hanging around again, who annoyed her and Patricia on day 12.

Of course, they will again start hit on her and call cheap pick-up lines, absolutely not caring about that Dylan is with her. They absolutely won't take him even seriously.

Dylan will have the chance to speak up for Sophia and give them a tongue-lashing. Plus telling those guys that Sophia is his girlfriend.

After the run, the guys will shout even more daring lines in Sophia's direction. In case Dylan reacted the first time, he will get the chance to protect Sophia again. If he does, the guys will laugh about him and mock him about that Sophia is his girlfriend. To prove them that she actually is, he will grab Sophia's butt in front of them. Sophia can either stay silent to not embarrass him, or take his hand away, which will make piss off Dylan.

If Sophia stays silent, Dylan will reasonably move his hand on her hip pretty quick. The guys are puzzled and don't know what to think now. Afterwards, during the stretching, Sophia will be very fond of how Dylan stood up for her twice.

Then Sophia will turn her head in disgust because of the lewd gestures of the guys in her direction. Dylan's goes nuts about that. If he learns self-defense with Josh, he can defend his Sophia's honor.

If he succeeds in beating one of the guys up (Quick Time Event!) and bringing them to slip off, Sophia will be first very worried about it but then also very fond and flattered. Sophia sees Dylan suddenly through different eyes.

This will lead to a very special, nonchalant stretching episode, where she and Dylan will close up on each other even more. Sophia's relationship with him will rise: **Dylan +4**

Alternatively: Dylan stays silent and they ignore the calls of the guys. This will give Dylan the option to ask Sophia to volunteer at a homeless aid program.

When they return, they meet Nathalie waiting in front of the house.

Nathalie's special service:

While Nathalie's cleaning the house, (if they're in debts) Sophia will get a call from Don Morello, who tells her the result of the prison visit. If Sophia fulfilled Aiden's 3rd task, she will think about asking Don Morello for help with her tormentor student.

If Sophia went as far as possible with Nathalie, she will get the following options:

- Check Nathalie out during she's cleaning around her: **Lesbian Temptation +1**
- Tell Nathalie that she likes her tattoo
- Touch her tattoo
- Get undressed for Nathalie's massage
- Let Nathalie continue the special massage: **Lesbian Temptation +1**
- Keep quiet when Nathalie flashes Sophia's asshole: **Lesbian Temptation +1**
- Tell Nathalie, if she spoiled everything with her filthy question
- Open the door undressed for the postman
- Don't cover yourself for the postman: **Filthy +1** Otherwise: **Good Wife +1**
- Tell Nathalie if you were pleased with her service

If Sophia did everything right with her maid, Nathalie will tell her the mysterious meaning of her tattoo.

Dylan catches Christine and Ellie when smoking:

Dylan will get a chance to approach Christine while her boyfriend is with Ellie in the house.

At the end, Dylan will get the choice to either taking the blame for Ellie and Christine when Sophia is snarling at them because of the cigarette, or remain silent.

With Patricia at Sam's 1st live performance in a biker bar:

Sophia will have the option to dance with Patricia a little more intimate while the boys are performing on the stage.

Afterwards, Sophia can either drive with Sam or alternatively with Patricia.

If Sophia drives with Sam, he will try to kiss her in the car in front of the house.

Relaxing with Sam in the hot tub:

If Sophia relaxes with Sam in the hot tub, you will have the following options:

- Let Sam put his arm around Sophia

- Only if Sophia and Patricia were about to flash their boobs in the biker bar, Sam will have an idea how to keep approaching Sophia
- Let Sam put his hand on Sophia's thigh: **Sam +1**, **Filthy +1** Otherwise: **Good Wife +1**
- Let Sam kiss Sophia's shoulder
- Let Sam sing for a kiss as a reward
- Give Sam one more chance for the kiss
- Sophia lets Sam french-kiss her: **Sam +2**, **Filthy +2** Otherwise: **Good Wife +2**
- Sophia allows Sam to touch her breasts: **Sam +2**, **Filthy +2** Otherwise: **Good Wife +2**

When Liam comes home, Sophia can decide:

- Sam hides behind the hot tub
- Sam escapes over the wall (Liam sees him)
- Sophia hides Sam in the hot tub

Only if Sophia either hides Sam in the hot tub or tell him to hide behind it, Sam will get the option to pick up Ellie from the beach.

At Cathy's and Andy's apartment:

The couple makes a precarious offer to Liam and Sophia.

Day 20 (Fri.) (Playable Day 13/30!)

(Morning)

Literature class:

If Sophia fulfilled the previous task (art class), Aiden and André will talk to her outside in front of the class. Aiden will ask Sophia to remove her bra in front of them. If Sophia accepted Aiden's breast groper during the art class, she has the option to do it and get **Filthy +1**. Or she changes in the bathroom and gets **Good Wife +1**

Sophia's 4th task will be to show the class her pantyhose plus showing a male student her nude breasts and let him touch them. Again only if Sophia accepted Aiden's breast groper during the art class, she will have the choice to do the tasks or not. She will get **Filthy +1** for showing her pantyhose and **Filthy +2** for showing a student (Zac in this case) her breasts and let him touch them. Otherwise, she gets **Good Wife +1** and **Good Wife +2**

If Sophia fulfilled the 4th task, Aiden will tell her to come to their hangout place later.

School break:

Sophia has the choice to follow Aiden, André and Jennifer. She will find out something very interesting

about Aiden's and Jennifer's relationship. She has got the option to either interfere or let the guys have their way with Jennifer.
If Sophia interferes: She will have the option to ask Don Morello (in case she amused his brother fully in jail) to help Jennifer as well. This will lead to a secret event later.

After class:

Sophia will talk to Zac in case she fulfilled Aiden's 4th task.

Sophia will talk to Emma in case Emma tutored Dylan the other day.

At the end, if Sophia amused Don Morello's brother fully in jail, she will have the option to ask him for help with Aiden. Fearing the consequences.

(Noon)

Dylan cheers Ellie up (takes place only if Dylan took the blame the other day!):

Ellie will tell Dylan that her boyfriend cheated on her. Ellie can decide either to forgive her boyfriend or listen to Dylan and dump him.

If Ellie dumps him, Dylan will cheer her up and they will grow closer.

Ellie, Christine and Dylan in the diner (only if Ellie didn't forgive Logan!):

First, they will just chat. Dylan will have 3 possibilities to make a joke and make Christine laugh. If he did everything right with her the other day and amused her with his humor, Christine will invite him to her party in the evening, but only if he can get some booze.

Then Tyler and his buddies will hit on Ellie. If Dylan learns self-defense, he will have the option to pretend to be his boyfriend. And at the end he can decide to either kiss her or put his arm around her. If he kisses her, she won't be very amused about that.

Sophia meets Aiden (and his boys):

Aiden's only goal here is to humiliate Sophia even more.

If Sophia pulls her skirt up for the gang she'll get **Filthy +1**. Or she flees and gets **Good Wife +1**

Next, Aiden will give Sophia the choice of to either show her breasts or let herself getting groped by the guys. For both decisions she'll get **Filthy +2**. Or she flees and gets **Good Wife +2**

In any case, Aiden won't tell Sophia her next task which was actually the reason she came there.

Alternatively, Don Morello's boys pay Aiden and his boys a visit to teach the a lesson. This will end Aiden's blackmail storyline by keeping all the others.

Dylan keeps Amber company while waiting for Sam:

This event is the continuation of the "chicken fight" event of day 17 noon. This side storyline is only available if you cancel Aiden's deal right away on day 16 when he first suggests it to Sophia. Plus Sophia needs to decide to sunbathe with Dylan in bikini (day 14 noon).

Dylan returns home from boarding school and visits Sam who went on errands with Neil.

In case Dylan came under Amber's butt on the banana at the chicken fight, she will try to tease him here.

If Dylan pushes the right buttons he'll get to the great final during the lunch with Amber's family.

These are the decision:

1) Risk telling the truth that you had a crush on her 2)
Tell her you wanted to lay her
3) Open her bikini top

In between Dylan will go upstairs to use the bathroom and will have the option to take a peek into the other bathroom where Julia's taking a shower.

During the lunch with Amber's family:

1) Seize the moment and take a peek down Amber's neckline 2)
Seize the moment and take a peek at her legs

If Dylan followed these decisions, Amber will give him a very special treatment during lunch .

Sophia visits Sam at his place:

Only in case Sophia hid Sam in the jacuzzi the night before, she visits him to talk about it and tell him that it cannot continue like this. The scene will only continue if Sophia admits that she liked it after all and becomes his "secret girlfriend".

Sophia tells Sam that her parents are coming to visit soon and that she would like to impress them with the cello. Sam agrees to help her, but as a condition he demands a kiss.

If Sophia agrees and kisses Sam again, she'll get **Filthy +1**. Otherwise, **Good Wife +1**

Then Sophia can allow Sam to remove her shirt and get **Filthy +1**. Otherwise, **Good Wife +1**

ATTENTION: This scene only goes on if Sophia didn't have sex with Liam at all until this moment!

In this case she can let Sam also remove her bra and get **Filthy +2**. Otherwise, **Good Wife +2**

Further decisions during the scene:
Sophia allows Sam to touch her breasts: **Filthy +2**. Otherwise, **Good Wife +2**

Sophia allows Sam to taste her breasts: **Filthy +2**. Otherwise, **Good Wife +2**

Sophia kisses Sam one more time: **Filthy +1**. Otherwise, **Good Wife +1**

Sophia puts Sam's hand on her breast: **Filthy +1**. Otherwise, **Good Wife +1**

Sophia lets Sam continue in the bed: **Filthy +2**. Otherwise, **Good Wife +2**

Continuing while Amber talks with Julia in the hallway: **Filthy +2**. Otherwise, **Good Wife +2**

Finally, they start with the cello lesson.

Sophia can allow Sam to touch her during class and get **Filthy +1**. Otherwise, **Good Wife +1**

Sophia can nude model for Sam: **Filthy +1**. Otherwise, **Good Wife +1**

Sophia admits Sam that she's impressed and continues modeling for him: **Filthy +1**. Otherwise, **Good Wife +1**

Sophia takes off her panties (or lets Sam do that.

Engaging in a raunchy conversation with Sam: **Filthy +1**. Otherwise, **Good Wife +1**

Suddenly Julia storms into the room but Sam manages to stop her in time.

To continue Sam's storyline, Sophia needs to watch at his painting of her plus kiss him either on the cheek or mouth.

At Claire's beauty parlor (Dylan and Marie spend some time together):

Sophia and Dylan get a new look. In order for Dylan and Marie's story to continue to unfold, it is important that Dylan has already done everything right at yoga (day 18) and has approached her successfully. This yoga event is also crucial for getting the little lesbian bonus scene with Sophia/Claire.

Here it is also very important whether Dylan secretly borrowed money from Sophia's wallet or not. Don't worry, Dylan will still have the chance to return her the money the next day although he will spend it later for Marie.

Correct decisions for Dylan approaching Marie at the ice cream parlor:

1) Hold the door open for Marie
2) Make a joke
3) Answer soberly (No comment)
4) Tell Marie that her mom is also hot/ Tell Marie that her mother is also nice (Both okay) 5) We are a team
6) Remain silent and let her speak
7) Admit that you're younger and had to repeat a year (Truth) 8) Offer Marie help

9) Pay for the ice cream anyway and tip the young girl (After she smeared syrup on Marie's shirt)

After Dylan gave at least 2 correct answers, he can come with Marie to the laundromat.

Sophia/Claire in the beauty parlor:

If Sophia took a shower with the women after yoga (and has at least 10 Lesbian points), Claire asks her if she can test her breasts. Sophia will get **Lesbian Temptation +1** if she allows her.

In any case, Claire will massage a special cream over Sophia's upper body. At that moment, they will be disturbed by Marie's boyfriend Devon. He will join them while waiting for Marie.

Correct decisions for Dylan approaching Marie at the laundromat:

1) Pay for the cleaning
2) Give her a compliment
3) Alert Marie that the drink seeped onto her

bra 4) Offer her to do this (Risky)

A mini-game will start here where you have to move your mouse as quickly as possible from left to right in the upper part of the screen in order to maintain eye contact with Marie. There are 3 levels which get a bit more difficult each time.

If Dylan manages to maintain eye contact without looking down, Marie will allow him to gaze at her full body.

If Dylan attends the self-defense course, Marie offers him a fun fight against each other. (Means, to continue Marie's storyline, Dylan must learn self-defense!)

An elderly lady will enter and then leave again. Dylan will get the chance to kiss Marie. He can do it. But he should withhold from grabbing her breasts otherwise he will f**k things up with her immediately!

Sophia/Claire/Devon in the beauty parlor:

After Devon surprised them, Claire could not tie up the back of Sophia's top again. Which will slip down a bit and expose her breasts which will be slightly visible through the fabric of the black cape.

If Sophia leaves the top down and let Devon gaze: **Filthy +2**. If she pulls the top up: **Good Wife +2**

Then Marie with Dylan return. Sophia's will pull her top up again here at the latest.

Depends on how well Dylan hit it off with Marie, the dialogue with Devon will be different.

Marie will leave for some minutes. Sophia's top will slip down again. Dylan will have the choice to either inform Sophia about it or not. This decision will be mandatory for Dylan's "cuckold fantasies" for Sophia

In case Dylan offered Marie help with her professor: Back home, he tries to come up with a plan to get the answers to Marie's exam.

Sophia and Dylan's private bath time:

Sophia will only agree to have another bath with Dylan if she has more than 27 points with him (have already had a bath together on day 17.) and Dylan is not with Emma. Plus, she must have shown him her breasts in the mall on day 17. Additionally, her mood will be a bit dampened after the incident with her top in Claire's Beauty Parlor. Only if Dylan warned her about her top, she will take the bath with him.

If Sophia is filthy enough, she can tease her husband's boss in a half-open bathrobe. **Filthy +1**
Otherwise, **Good Wife +1**

After Dylan's pleasant foot massage, Sophia may decide to call him over to cuddle with her.

Liam will knock on the door because he needs something from the bathroom. Sophia can decide to either hide Dylan behind the curtain or risk him being in the bathroom with her. However, only if Dylan defended Sophia from the homeless in the park the previous day, she can take off her top so her husband won't suspect anything is wrong.

She can react loosely to the fact that Dylan saw her breasts in the emergency situation: **Dylan +1**

Sophia can bare her breasts for Dylan once more: **Dylan +2**

Sophia can jiggle her breasts for him: **Dylan +2**

Sophia can tease him more: **Filthy +1**. Otherwise, **Good Wife +1**

If Sophia has teased Dylan, she can allow him to touch her breasts: **Dylan +2**, **Filthy +2**. Otherwise, **Good Wife +2**

Depending on whether Dylan has done everything right with Marie by then and hasn't touched her breasts while kissing in the laundromat before, he tells Sophia here about her. That he has a good chance with her. Otherwise about another girl, named Christine. Ellie's girlfriend is meant, but he doesn't tell her, so she thinks it's some Christine at school. The fact that he is trying hard to get a girlfriend and seems to be having success already motivates Sophia and gives her the good feeling that her "sexual educational help" for him has paid off after all.

Sophia allows Dylan to touch her nipple: **Dylan +1**, **Filthy +1**. Otherwise, **Good Wife +1**

Sophia can relate to pretending to be just husband and wife instead of landlady and tenant so that Dylan can practice on her how to deal with women.

If Sophia doesn't know the meaning of MILF yet, she will learn it now.
Sophia can tell Dylan that his cock is big enough to satisfy her. **Dylan +1**, **Filthy +1**. Otherwise, **Good Wife +1**

(Optionally) Dylan has the opportunity to ask Sophia to tell him about her first time in as much detail as possible. Sophia can either do it or not.

Sophia teaches Dylan how to kiss: **Dylan +2**, **Filthy +2**. Otherwise, **Good Wife +2**

Sophia parts her lips during kiss: **Dylan +2**, **Filthy +2**. Otherwise, **Good Wife +2**

Dylan tells Sophia that he has desired her since childhood, when he first saw her naked. Sophia can decide whether or not to react loosely to his confessions. If she reacts loosely: Dylan +2, **Filthy +2** Otherwise, **Good Wife +2**

Sophia can surrender to Dylan's touches: **Dylan +2**, **Filthy +2**. Otherwise, **Good Wife +2**

Sophia is silent and lets Dylan open her top and massage her naked breasts: **Dylan +2**, **Filthy +2** Otherwise, **Good Wife +2**

If Sophia has gotten this far, she will confront Dylan again in his room regarding his confessions. She once found her panties next to his monitor where her picture was on it from the pool photo shoot. She now understands that he is sexually attracted to her as a woman.

Sophia and Dylan's date night:

So that Sophia doesn't spend the evening alone, Dylan has the opportunity to invite her on a date. In exchange, however, he can go to Christine's party.

Decisions you must make to reach the end of the event. Main condition: Sophia has not had sex with her husband yet.

- Order a beer for Dylan
- Dylan touches Sophia's butt: **Dylan +1**, **Filthy +1**. Otherwise **Good Wife +1**
- Sophia kisses Dylan on the dance floor: **Dylan +2**, **Filthy +2**. Otherwise **Good Wife +2**
- Dylan tells the guys who hit on Sophia to fuck off
- Sophia plays footsie with Dylan's crotch under the table on the terrace: **Dylan +1**, **Filthy +1** Otherwise **Good Wife +1**
- Sophia tells Dylan that the kiss was good: **Dylan +1**, **Filthy +1**. Otherwise **Good Wife +1**
- Sophia undresses for the hot tub: **Dylan +1**, **Filthy +1**. Otherwise **Good Wife +1**
- Sophia uncovers her breasts: **Dylan +2**, **Filthy +2**. Otherwise **Good Wife +2**
- Sophia asks Dylan what exactly he likes about your breasts: **Dylan +1**, **Filthy +1**. Otherwise **Good Wife +1**
- Sophia takes off her panties to tease Dylan: **Dylan +1**, **Filthy +1**. Otherwise **Good Wife +1**
- Sophia tells Dylan that he would be good in bed: **Dylan +1**, **Filthy +1**. Otherwise **Good Wife +1**
- Sophia lets the Dylan continue the massage: **Dylan +2**, **Filthy +2**. Otherwise **Good Wife +2**

- Sophia allows Dylan to take off his boxers for once: **Dylan +1**, **Filthy +1**. Otherwise **Good Wife +1**
- Sophia reacts loosely to Dylan's naked cock: **Dylan +1**, **Filthy +1**. Otherwise **Good Wife +1**
- Sophia responds nonchalantly to Dylan's suggestive remark that not every woman can get him to have an erection like that: **Dylan +1**, **Filthy +1**. Otherwise **Good Wife +1**
- Sophia reacts nonchalantly to Dylan's unintentional boob grab: **Dylan +1**, **Filthy +1** Otherwise **Good Wife +1**
- Sophia surrenders to Dylan's kiss as he pushes her against the edge of the hot tub: **Dylan +1**, **Filthy +1**. Otherwise **Good Wife +1**
- Sophia allows Dylan to taste her nipples: **Dylan +2**, **Filthy +2**. Otherwise **Good Wife +2**
- Instead of touching Sophia's pussy, Dylan has to keep kissing her
- Quick Time Event: When Sophia pushes Dylan's cock aside, she doesn't let go of it: **Dylan +2**, **Filthy +2**. Otherwise **Good Wife +2**
- Sophia continues to jerk off Dylan: **Dylan +2**, **Filthy +2**. Otherwise **Good Wife +2**
- Quick Time Event: Sophia has to decide quickly whether to bring Dylan to climax, or let go of his cock and let him finish it off himself. If Sophia brings Dylan to climax, she gets **Dylan +3**, **Filthy +3**

Party at Christine's place (Alternative event to: Sophia and Dylan's date night):

Before the party, Dylan has to get the alcohol. The only decision that brings Dylan the alcohol is to ask the "mysterious man".

At the party, Dylan has to make a series of important decisions that will lead him to the grand finale of the evening and drive this storyline forward.

The Party

- At the door, Dylan should answer Christine's brother with a cool joke to score double points with Christine right at the beginning with the alcohol.
- When the girls' boyfriends have left, Dylan should go over to the girls on his own and talk to them to get the next bonus point with Christine.
- Christine will like it when Dylan tries a sip of her favorite drink.
- Dylan is funny enough to take part in the prank calls himself and score points with all the girls.

The "Afterparty" (Truth Or Dare)

- Dylan Truth: he has a free choice as to how he decides. It won't have any decisive consequences for this storyline. It would of course be advisable to opt for Ellie or at least Christine. But as said, it won't have any particular consequences.

- Dylan asks Ellie a question of truth: “Who is your favorite family member” is the only way! Anything else will make her resentful!
- Dylan gets dared to take a Snapchat of his cock: Dylan has to do it. He has no other choice if he wants to continue the evening.
- Dylan can decide which of the girls the bottle should hit: He should choose Ellie and dare her to strip down to her underwear. And Ellie should do it for him.
- Aimee dares Ellie to show Dylan her breasts: Ellie has to bite the bullet and do it. But to make a good impression on Ellie, Dylan has to meet her and look away! Ellie will very much like it.
- Ellie dares either Aimee or Naomi: Free choice for her and Dylan. As Dylan, I would still rather avoid reaching between Aimee's legs, even if she doesn't take too much offense.
- Aimee/Naomi dare Ellie: Ellie should undress with Christine and kiss. Only if Ellie had previously stripped down to her underwear for Dylan and Dylan looked away when she had to show him her breasts, she can agree to the dare. But Dylan has to refuse to touch her breasts! Ellie will be surprised and very appreciative of this. A very important and influential decision for their further relationship.

After Truth Or Dare

In case Dylan was pretending to be Ellie's boyfriend at the diner that morning: Ellie receives a message from Logan, who makes fun of Dylan as her "new guy". Only if Dylan put his arm around Ellie instead of kissing her, Christine has a very specific suggestion for how Ellie could get back at her ex-boyfriend Logan.

When Dylan is alone in the kitchen, Aimee takes a hot selfie with him, as a little compensation for her dare, so to speak.

Bedtime (The evening's grand finale)

If Dylan made a good impression on Christine this evening, she comes down to the living room at night in her sexy negligee, where he's sleeping and has a “very-special-thank-you” for him.

Ellie comes downstairs to get something to drink from the kitchen. If Dylan has done everything right with her so far this evening, she'll be secretly watching them (and even more than that!). In the process, she will make a startling realization about her relationship with Dylan.

Day 21 (Sat.) (Playable Day 14/30!)

(Morning)

Sam's morning visit:

In case Sophia had continued her little romance with Sam the day before: He rings at the door in

the morning.

Only if Sophia didn't have the evening with Dylan before with the hand job in the Jacuzzi, she does have this option. Otherwise, she doesn't feel like it.

Sophia can open the door in her transparent robe: **Filthy +1**. Otherwise: **Good Wife +1**

Sophia reacts relaxed to the fact that it's Sam: **Filthy +1**. Otherwise: **Good Wife +1**

Sophia kisses Sam for good bye: **Filthy +1**, **Sam +1**. Otherwise: **Good Wife +1**

Sophia throws her bra to Sam (only if opened the door in her robe): **Filthy +1**. Otherwise: **Good Wife +1**

Ellie's lingerie:

Sophia can inhale her Ellie's panties aroma and get **Ellie +1**

At the sauna with Logan and Tyler:

Just in case Ellie didn't break up with Logan in the Ellie/Dylan storyline.

In the Sauna, Tyler will try to make a pass at Sophia. When Ellie blurts out that Sophia is her landlady, she tries to save the day somehow. Sophia has to keep playing along and kiss her as "proof" that they are just friends. Sophia will get **Ellie +1** for that. The boys still won't believe him and Sophia and Ellie will finally admit that they are landlady and tenant. Which makes the guys even hornier.
Logan and Tyler start a salacious conversation with the women. If Sophia gets involved: **Filthy +1**. Otherwise: **Good Wife +1**

Tyler will try to kiss Sophia. If she went along with Tyler's advances at the nightclub on Day 16, she can let him kiss her and get **Filthy +1**. Or stop him and get **Good Wife +1**

When Tyler pulls Sophia's towel down and exposes her breasts, she can let it happen if she hasn't had sex with her husband up to this point. She'll get: **Filthy +2**. Or push him away and get **Good Wife +2**
Next, Tyler turns his attention to Sophia's nipples. She can let him suck on them: **Filthy +2**. Otherwise: **Good Wife +2**

Then Tyler puts Sophia's hand on his hard cock. Sophia can grab it: **Filthy +2**. Otherwise: **Good Wife +2**

After a while, her conscience about Ellie's presence becomes too much for Sophia and she

automatically breaks off.

In the changing room after the sauna:

If Sophia has kissed Ellie in the sauna, she asks her to have her first real sexual experience with a woman. Sophia can do her a favor: **Ellie +3**. If she refuses, that means the end of this storyline.

At the sauna just with Ellie (Only possible if Ellie broke up with Logan!):

While Sophia and Ellie are relaxing, two young girls (Thea and Nora) enter the sauna. They are together and ask Sophia and Ellie if they don't mind showing their love in front of them, so to speak. **To continue Sophia should stay in the sauna with them of course!**

If Sophia finds it intriguing how the girls make out with each other: **Lesbian Temptation +1**

If Sophia f likes the young girls love play: **Lesbian Temptation +1**

After the lesbian couple leave the sauna, Sophia and Ellie have an important and opening conversation about their feelings towards the same sex. Julia, of course, also plays a major role.

If Sophia allows Ellie to kiss her: **Ellie +1**

If Sophia surrenders to her: **Ellie +2**

Then it continues in the locker room with the same scene as after the alternative scene with Logan and Tyler.

In the gym with Vicky and DeShawn:

This scene is only available if Sophia was in the sauna with Vicky and DeShawn beforehand and Sophia caught them making out at the end.

After a little small talk, her boyfriend DeShawn appears. As Vicky has to take care of a customer, she suggests that DeShawn continue the partner exercise with Sophia instead of her.

During an exercise, Sophia slips her leggings, revealing her panties. If she ignores it for the time being, she receives **Filthy +1**. Or she stops and pulls her pants up again: **Good Wife +1**

When DeShawn talks about certain freedoms in a relationship, Sophia should confirm a desire for it, to get further along in this storyline.

On the way back to the mat, DeShawn places his hand on Sophia's hip. If she accepts she receives **Filthy +1**. Or she removes his hand and receives: **Good Wife +1**

When Sophia helps DeShawn with his sit-ups, his cock falls out of his shorts. After DeShawn catches her staring there once, Sophia can look there again and receive **Filthy +1**. Otherwise: **Good Wife +1**

In the changing room, Vicky also talks about certain freedoms in her relationship with DeShawn. Sophia should want to find out more here to continue this storyline. And then even go deeper into it.

All but one of the shower stalls in the communal shower are occupied. Vicky offers Sophia to share the stall. If Sophia shares the shower with them, she receives: **Filthy +1**. Or she waits until a stall becomes available and shower alone: **Good Wife +1**

Next, Sophia can shower facing them and receive **Filthy +1**. Or she showers with her back to them: **Good Wife +1**

Eventually, things start to heat up. Vicky offers Sophia the chance to touch her boyfriend's cock. If she does it: **Filthy +2**. If she refuses: **Good Wife +2**

As Vicky orally satisfies her boyfriend, Sophia can either continue to watch them or join in again. If she joins, she receives: **Filthy +2**

When DeShawn is about to cum, Vicky offers her to either let him cum on her hands or she'll do it to him until he cums in Vicky's face. For the option in Vicky's face Sophia receives: **Filthy +2**. If she catches DeShawn's cum, she even receives: **Filthy +3**

Nursin^{g} Home 4th working day

Sophia agrees to the deal with Gibbs: **Filthy +2**. Otherwise: **Good Wife +2**

Sophia touches herself for Gibbs: **Filthy +2**. Otherwise: **Good Wife +2**

Sophia French kisses Gibbs: **Filthy +2**. Otherwise: **Good Wife +2**

Dylan's soccer match

The following scenes are only possible if Sophia went to the date with Dylan last night and gave him a hand job in the hot tub. It doesn't matter how Dylan got to cum in the first place.

If Dylan has shown some interest in NTR so far, he can decide if he likes that Sophia's outfit will tease his teammates.

If Sophia is Filthy enough and Dylan told her in the car that he liked her teasing his teammates with the outfit: Dylan can stay calm and let the boys flirt with her. – If he does, Sophia can decide, if she should tease the boys by sexily bending down to Dylan's bag. She'll receive **Filthy +1**. If she doesn't do it: **Good Wife +1**

Sophia reminds the boys of Dylan's birthday party at their house soon and that they are all invited.

Sophia can decide whether to go to Sam's cello lesson (if she's got full story progress with him) or watch Dylan's match and cheer him on. Sophia returns in time for the second half and you can still have the later scene with him in the car when Sophia gave Dylan the hand job last night. But she misses Dylan's goal celebration with the heart gesture to her.

If Sophia has a full relationship with Alyssa and the last time, she rode her Sybian, she has a special conversation with her during the game where she can receive **Filthy +1** or **Good Wife +1**

In case Sophia gave Dylan the hand job, he played well and shot a few goals. Nevertheless, his team lost narrowly and Sophia has the opportunity to cheer him up in the car.

She can mention last night on her own initiative and comforting Dylan by continuing yesterday's date game for fun to cheer him up.

Sophia can allow Dylan to touch her breasts: **Filthy +1** otherwise **Good Wife +1**. She lets him continue with her breasts: **Filthy +1** otherwise **Good Wife +1**

Sophia allows Dylan to suck her nipple: **Filthy +2** otherwise **Good Wife +2**

events of the evening. Dylan asks Sophia if she's angry with him, if she is, she ends their relationship and goes upstairs to watch TV before going to sleep (bad ending). If she's not angry, the story continues.

Cuck path

There's a moment when Sophia believes this is the perfect opportunity to take advantage and uncross her legs. If she does, **Filthy +1**, but if she doesn't, **Good Wife +1**

A short while later, she sees another opportunity. This time, she can let the men look at her intimate area. If she chooses to do so, **Filthy +2**. Alternatively, she can simply let it go. **Good Wife +2**

Cuck path ends at part 3

At the movie theatre

Sophia can decide to tell Dylan to put his hand on her butt. **Filthy +1** **Dylan +1** or keep quiet. **Good Wife +1**

Sophia notices the large erection in Dylan's pants. If asks if he's okay. Dylan asks her if she's aroused by watching the movie as well. If she confirms that she is aroused, **Filthy +1** **Dylan +1**

If not, **Good Wife +1**

Sophia can decide whether she likes the risk: If she admits that she likes it, **Filthy +1** **Dylan +1**

otherwise **Good Wife +1**

Dylan asks Sophia if she's wet for him. If she stays silent, **Filthy +1** **Dylan +1** Alternatively, she can end the situation and establish boundaries. **Good Wife +1**

Sophia faces a pivotal decision: to succumb to Dylan's long-awaited request or establish firm boundaries. If she chooses to yield, **Filthy +3** **Dylan +3**, but if she opts for boundaries, **Good Wife +3**

Back home from the theatre

Finally back home, as they head upstairs to their respective rooms, Dylan expresses his desire to spend the night with Sophia. She has the choice to sleep with Dylan in her marital bed, **Filthy +1** **Dylan +1** or sleep separately, **Good Wife +1**

In Sophia's bedroom

Dylan mentions a few things that he would do to her if they were really dating. She can either decide to continue playing along, **Filthy +1** **Dylan +1**, or end the unpleasant topic and sleep, **Good**

Wife +1

Dylan asks Sophia what she likes. She tells him that she likes being touched slowly. Dylan decides to cup her breasts as a demonstration. She can either let him continue, **Filthy +2** **Dylan +2** or stop him **Good Wife +2**

Dylan asks Sophia if she can demonstrate sex positions to him. If she does, **Filthy +3** **Dylan +3** otherwise **Good Wife +3**

In the cowgirl position, Dylan asks her if she can pull up her frill to see her pussy against his cock. If she does, **Filthy +1**, or if she doesn't, **Good Wife +1**

In the missionary position, Dylan asks if it feels good for her too. If she admits, **Filthy +1** otherwise **Good Wife +1**

From here, Sophia has the option to engage in a more intense missionary position with Dylan. If she chooses to do so, **Filthy +3** **Dylan +3**. Alternatively, **Good Wife +3**

After all the kissing, Dylan gets into a mood and starts talking dirty to Sophia. She can either allow him to speak dirty **Filthy +2** **Dylan +2** or tell him to stop talking like that **Good Wife +2**

In the heat of the moment, Sophia expresses how enjoyable it feels. Dylan inquires if it surpasses the pleasure she experiences with Liam. She has two options: she can confidently say, "Yes, it's better," **Filthy +2** **Dylan +2** or she can choose to be more cautious and say, "Not really," **Good Wife +2**

At this point, Sophia's restraints have completely snapped. She now has the choice to either ask Dylan to kiss her again, **Filthy +2** **Dylan +2** or she can regain her composure and stop the exercise **Good Wife +2**

In a moment of pure pleasure, she can choose to go even further and try her favorite sex position with Dylan (doggy style). **Filthy +3** **Dylan +3** Alternatively, she can decide to quit everything. **Good Wife +3**

In the doggy position, Dylan can exploit the situation and attempts to penetrate her, leading to a bad outcome.

Stimulating her nipples here is the correct choice.

Dylan confesses that he has been thinking about seeing her pussy for years. Here, she can decide to finally grant him his wish and show him her pussy and let him masturbate. **Filthy +3** **Dylan +3** or otherwise, she can finally draw a line and set boundaries. **Good Wife +3**

Once Dylan removed his boxers, Sophia's eyes locked onto his cock. She is faced with a choice: admit that he has a bigger cock than Liam, **Filthy +2** **Dylan +2** or remain silent. **Good Wife +2**

At this point, Sophia is very much into it and she's struggling to keep it together, and she can decide to talk dirty to Dylan. **Filthy +2** **Dylan +2** or she can decide to remain silent. **Good Wife +2**

As Dylan is about to ejaculate, she can use a tissue. **Filthy +1** **Dylan +1**, or she can decide to let him cum on her body. **Filthy +3** **Dylan +3**

In her bathroom

After cleaning up after Dylan, Sophia notices a spot of semen she had overlooked. She has a choice: she can taste his cum, **Filthy +3**, or she can come back to her senses and use a washcloth instead **Good Wife +3**

Back in her bedroom

Once settled in bed, Dylan notices her trembling and the tension still evident in her body. He expresses his frustration, emphasizing that it's unfair that he had an orgasm while she didn't. He suggests that she allows him to make her reach an orgasm. **Filthy +3** **Dylan +3** Alternatively, she can refuse and go to sleep. **Good Wife +3**

Dylan has a choice to taste Sophia's pussy juice or not.

Instead of spending the night with Dylan, if Sophia gave the museum guys her phone number on Day 2, she and Patricia can meet up with them instead. (This ends Dylan's romantic storyline.)

In Patricia's car

On the way to meet up with the museum guys, Sophia has the choice to take a sip of alcohol to help calm her nerves. She can either drink or decide not to. (If she chooses not to, she'll end the night early when things get too serious.)

At the museum

While passing through a tight area, Haru presses against Sophia, and she feels his arousal against her. She can either stay in the moment, gaining **Filthy +1**, or quickly push her way through, gaining **Good Wife +1**

The museum guys try to lead the women to the restoration room. Sophia can either end the night there or decide to go along with them.
Before Sophia can even answer, Patricia agrees to go. The guys then mention a break room, and Sophia faces another decision: she can take the risk and go with them, gaining **Filthy +2**, or decide it's too dangerous and leave, gaining **Good Wife +2**

Sitting on the couch with Patricia, Sophia can take the initiative and tell the guys to undress as part of their first lesson, or wait for Patricia to begin the lesson herself.

During the mutual handjob, the guys ask the women if they can see their breasts. Sophia can agree, gaining **Filthy +1**, or reconsider her decision and end everything, gaining **Good Wife +2**

After Patricia goes topless, it's Sophia's turn. She can go through with it, gaining **Filthy +2**, or reconsider and stop, gaining **Good Wife +2**

The guys are completely mesmerized by the view and ask the women if they can touch their breasts. Sophia can allow Haru to touch her, gaining **Filthy +2**, or refuse, gaining **Good Wife +2**

Patricia announces Lesson 4, explaining that this is where they separate boys from men. Sophia knows exactly what's coming next. She can decide to satisfy Haru orally, gaining **Filthy +3**, or realize it's gone too far and stop everything, gaining **Good Wife +3**

Marcus Washington shows up just as the women are about to give the guys a blowjob. He offers them a deal: if they want to walk away without facing any consequences, they have to do the same for him that they were about to do for Jason and Haru. Sophia can accept the deal, gaining **Filthy +3**, or refuse, gaining **Good Wife +3**, leading to an alternate police station ending.

As Sophia is about to give Marcus a blowjob, she can kiss his cock first, gaining **Filthy +2**, or get straight to it.

The condom on Marcus broke, and seeing Patricia continue without it may have been enough to turn Sophia on. She can decide she wants to join in as well and taste him raw, gaining **Filthy +3**, or decide to keep watching Patricia instead.

After Marcus ejaculates onto the women's faces and into their mouths, he orders them to give their "boyfriend" a proper goodbye kiss. Sophia can obey, gaining **Filthy +3**, or refuse, gaining **Good Wife +3**

After freshening up in the bathroom, Marcus walks in and approaches Patricia from behind and gropes her breasts, giving them a nice squeeze. He then turns his attention toward Sophia, who realizes she may be next. She has a choice: she can let him, gaining **Filthy +2**, or stop him, gaining **Good Wife +2**

After leaving the museum, Patricia feels guilty and says that it was all her fault, admitting that she was too stupid and horny. Sophia can share the blame, gaining **Filthy +2**, or remain silent, gaining **Good Wife +2**

Police Station Ending

In the prison cell, Patricia is trying to figure out a way out of their situation. She suggests taking a risky approach. Sophia can go along with Patricia's plan, gaining **Filthy +2**, or decide it's too risky and call Carl instead. **Good Wife +2**

Sergeant Kowalski demands a blowjob from Sophia, but she refuses. He then offers her another deal, he wants his cock between her breasts, making it clear that this is his final offer if she wants to be released without facing further consequences. Sophia can agree to his terms, gaining **Filthy +3**, or refuse and risk calling Carl instead, gaining **Good Wife +3**

Finally, after getting what he wanted, Sergeant Kowalski agrees to release them. Before letting them leave without any further trouble or consequences, he asks Sophia for a goodbye kiss as a way of "thanking" him for sparing them from all the trouble they could have faced. Sophia can agree and kiss him, gaining **Filthy +2**, or refuse, gaining **Good Wife +2**
After leaving the police station, Patricia feels guilty and says that it was all her fault, admitting that she was too stupid and horny. Sophia can share the blame, gaining **Filthy +2**, or remain silent, gaining **Good Wife +2**
